MINUTES OF THE DAILY PROCEEDINGS

Called Session February 8, 2014 minutes included with separate document entitled Journal of the Special Session of the Southwest and Rio Grande Conferences on February 8, 2014.

SOUTHWEST TEXAS CONFERENCE

(MEETING JOINTLY WITH THE RIO GRANDE CONFERENCE)

THE 156TH SESSION OF METHODIST CONFERENCES IN THE SOUTHWEST TEXAS

THURSDAY, JUNE 12, 2014

3

First Joint Conference Session

Bishop James Dorff opened the 156th Session of the Methodist Conferences in the Southwest Texas at 3:32 pm. He invited Mr. Abel Vega, Director of Connectional Ministries of the Rio Grande Conference to lead the conference in song and to offer the opening prayer.

Organization of the Conference and Adoption of the Agenda

Bishop Dorff offered explanation of the agenda, which blends elements of the practice of both The Rio Grande Conference and The Southwest Texas Conference, noting that although the joining of the conferences will not be finalized until January 2015; there will be times in the agenda this year for the conferences to meet both together and separately. There was an invitation to contact Rev. Dr. Glenn Weimer; Retired Pastor who is currently in assisted living in Plano, would welcome phone calls from the annual conference.

Rev. David Seilheimer requested that all voting devices should be left on the tables at the conclusion of this session.

Point of Personal Privilege

Rev. Abigail Parker Herrera wanted to acknowledge that three young people - JD Herrera, Isabel Perez, and David Brewster Acosta will be attending the Global Young People's Convocation in July.

Bishop Dorff reported that on the previous day, the Rio Grande Conference voted to allow a number of churches that are outside the bounds of the existing Southwest Texas Conference to join conferences of their geographical location. Bishop Dorff invited Rev. Edgar Avitia, Rio Grande Conference Secretary, to read the names of the churches that made that decision, that their laity might come forward and that the joint session might offer sending prayers for them.

Bryan: Templo del Espirtu Santo to the Texas Conference

Dallas: Agape to the North Texas Conference

Dallas: Casa Emmanuel to the North Texas Conference

Lubbock: Templo Nazareth to the Northwest Texas Conference

Mesquite: Del Valle to the New Mexico Conference

Las Cruces: El Calvario to the New Mexico Conference

Carlsbad: Monte Sinai to the New Mexico Conference

El Paso: El Divino Renditor to the New Mexico Conference

El Paso: Emmanuel to the New Mexico Conference

Bishop Dorff gave a prayer for guiding these churches to new beginnings with their respective annual conferences.

Bishop Dorff called on Mr. Ralph Thompson and Ms. Sandra Nieto, Co-Lay Leaders of the conferences, who presented a Resolution from the Lay Leaders of the Rio Grande and Southwest Texas Conferences:

To Bishop Dorff, the Joint Cabinet, and clergy, we are certain that we reflect the sentiment of the combined laity of our Annual Conferences by declaring this preview into the future of the Rio Texas Annual Conference a total success!

Despite the years of prayers and preparation for this event, we are certain that there were fears, uncertainty, and maybe even doubts about how we would survive so many firsts in a single event.

However, we have learned something these past few days: When we let God in and think FIRST about Him and HIS mission field, things just seem to work out. "Greater is HE that is in us, then anything that is in this world!"

From the moment that we emerged from our cars and trucks, greeted by a United Methodist Men-endorsed speed racer, through the registration process, through the plenaries, meetings, luncheons and dinners, worship services, we have encountered a wonderful combination of professionalism, talent, and grace.

It is ridiculously impossible to attempt to thank every individual who made this happen. So, we won't even try. But we do recognize the staff and volunteers of the Annual Conferences, the Communications Department, Worship, Agenda, and Joint Standing Committees, UMM and UMW, the Corpus Christ District, the many (more than you could ever imagine) clergy and laity who worked tirelessly to create an environment where God could work on us this week.

Whereas, we have witnessed God at work among and through us over the past few days, and whereas so many have worked to make this possible, let us, the laity of the soon-to-be Rio Texas Conference, resolve, to confirm the work of those who have given so much to bring us to this point. How do we do that? By resolving to work to be the church of Pentecost and doing all that we can to respond to God's call of the Great Commission.

The resolution of gratitude was accepted by both the Rio Grande and Southwest Texas Conferences.

Bishop Dorff thanked the paiges, Mr. Abel Vega, Rev. Virgilio Vazquez Garza, Rev. Dr. Ruben Saenz, Rev. David Seilheimer, Rev. Edgar Avitia, Mr. Jay Brim, Mr. Rudolpho Tamez, Mrs. Dalia Trevino and the conference staff.

Bishop Dorff asked that the Annual Conference remember Rev. and Mrs. Steve Purdy who are attending her father's memorial service and burial and to keep her in our prayers.

Bishop Dorff announced that Mr. Oscar Garza, Rio Grande Conference, will serve as statistician for the Rio Texas Conference from January 1, 2015 – July 1, 2015.

Bishop Dorff also said that dates of the next annual conference, the first meeting of the Rio Texas Conference, will be in the 2014 Journal.

Bishop Dorff adjourned the fourth joint business session, the last session, of the Rio Grande Conference and the last session of the Southwest Texas Annual Conference at 11:32 AM.

Rio Texas District Organizational Meetings

Joint Ordination Service and the Gathering for the Fixing of the Appointments

The gathering music was provided by Martin Shaw, Robert Ray, Mark Miller, Saint Paul and Kelsey United Methodist Churches.

Respectfully submitted,

Rev. David A. Seilheimer, Secretary

SOUTHWEST TEXAS CONFERENCE COMMITTEE ON STANDING RULES

REPORT I

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

The Standing Rules for the Southwest Texas Conference are proposed as presented in Report II below. These are the Standing Rules which will remain in effect for the Southwest Texas Conference through the end of 2014. There are no changes being proposed to these rules.

As reported to you last year, three members of this committee have worked with three members of the Río Grande Conference Committee on Standing Rules as a Technical Team throughout the year to create a new set of rules for the new unified conference. This team has worked very hard to present to you their report, found elsewhere in this Pre-Conference Report.

Thank you once again for this opportunity to be of service.

Barbara Mobley, Chairperson

REPORT II

SOUTHWEST TEXAS CONFERENCE STANDING RULES

FOR CONFERENCE ACTION

The Southwest Texas Conference Standing Rules are printed in Section 11 of this Journal.

JOINT STANDING RULES TECHNICAL TEAM

REPORT I

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

The Standing Rules Technical Team was created in June 2013 to create a set of rules for the new unified conference. The team has included three members from each of the parent conferences' Committees on Standing Rules, plus a staff support person from each conference. The co-chairpersons of the Unification Implementation Team have worked with us as well throughout the process. The Team has met approximately monthly throughout the year to accomplish this assigned task.

From the beginning, we have been aware that Standing Rules should reflect the needs of the conference; should express decisions made by the conference in matters for which the Book of Discipline gives us a choice; and should express lasting decisions, rather than decisions which change annually. We have tried to avoid simply patching together the sets of rules from the two parent conferences, but have been aware that these two sets of existing rules contain much that can help us move forward. We began by becoming familiar with both sets of rules, and with the Disciplinary requirements and options. We decided which rules should be included, and which rules depended on the decisions of others before being able to be included. We followed the guidance of the Plan of Action as presented at the called session in February. We looked at what other annual conferences have done, and we considered carefully the reaction of the Judicial Council to attempts by some annual conferences to re-structure themselves. Throughout the whole process, we have tried to be attentive to concerns that voices not be lost: that we give increased attention to young persons; that we consider the effects of our decisions on smaller, poorer churches; and that we celebrate the coming together of cultures and traditions as we unify the two conferences.

We decided to emphasize the Mission, Vision, and Mission-focused structure of the annual conference by putting them first. Therefore, the new structure of the conference is spelled out clearly in the first section, followed by sections on membership and on procedures. There are a few places where the structure defined in these rules differs slightly from the Plan of Action previously approved. All of these changes are due to details accidentally overlooked in the Plan of Action, but which are necessary according to the Book of Discipline, or to other portions of the Plan of Action.

Significantly new is the proposed process for determining the lay members of annual conference. After considerable discussion of alternatives, we are recommending that the additional lay members needed to equalize lay and clergy membership be assigned to each district based upon district membership. Each district would then determine the method of electing these additional members. This is consistent with the emphasis in the Plan of Action that the role of the district organization be increased, as the district is closer to the Mission Field. The district could choose to elect these additional members at a district conference, or assign them to churches based on a formula, or some other method. By not arbitrarily assigning additional lay members to our larger churches, we open up possibilities for increased inclusiveness in many areas. Provisions are made for these additional lay members to include persons from both parent conferences, and to include persons under age 30.

During the called session in San Antonio on 8 February 2014, a question was referred to the joint committee on Standing Rules: what does "at least two" mean on page 57/58 line 40 of the Plan of Action? This specific line refers to the Board of Higher Education and Ministry program area and the Developing Leaders Vision Team, but has implications for other program areas and other Vision Teams. We learned from the Unification Implementation Team that their intention was to have the entire Vision Team work in each of the program areas placed within that Team's area of focus. This typical language is used throughout: "The membership of the Board

of Higher Education and Campus Ministry shall be the two persons elected by the annual conference whose specific responsibility is Higher Education and Campus Ministry, plus all the other members of the Developing Leaders Vision Team.” In addition, there is also this provision to further explain: “The Uniting Table and the four Vision Teams will be expected to recruit and engage lay and clergy persons across the conference to serve on task forces to assist in their responsibilities.” Therefore, “at least two” means those two persons, plus other members of the Vision Team, plus whatever task forces are formed for specific portions of the task. It also leaves open the possibility that other members of the Vision Team may also be highly interested in that particular program area.

Report II contains a set of Special Standing Rules for use during the Joint Business Sessions of this June 2014 Annual Conference. These are very similar to those adopted during the 8 February 2014 called session in San Antonio.

Report III contains the proposed Standing Rules for the Río Texas Conference, to take effect on the same date as the official beginning of the conference.

Thank you for allowing us to serve you in this way.

TRANSITIONAL UNITED TABLE

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

The Transitional Uniting Table is responsible for the program areas of both conferences to provide a more nimble, hands-on oversight of various ministries, services, functions and events. We are helping people embrace the vision for the new annual conference, and helping the Unification Implementation Team have an understanding of what the Uniting Table will need in place to do its job for the new annual conference. The Transitional Uniting Table also oversees funding for ministry and program priorities for greater efficiency and effectiveness.

We began meeting in June with a briefing of our tasks for the next year and a half. The image given to us by the Bishop was that of building a bridge while walking across it. The members of the Unification Implementation Team explained the vision of what will be the Uniting Table and also helped us understand what items could not be lost as we continued toward creating the Rio Texas Conference. At this meeting we self-identified into 18 sub-committees to make sure the conference work required by the Book of Discipline remained in place. Each conference gave us an overview of their ministry budget and we devised a system for administering Southwest Texas Conference's Program Priority Fund. We also elected co-chairs, Abigail Parker Herrera and Edward Garcia, as well as an executive team consisting of the two lay leaders, Ralph Thompson and Sandra Nieto, and a treasurer, Susan Hellums. We agreed to meet in August to begin our work in earnest, working over the next month to research what the history was of our committee areas in each annual conference.

At the August meeting, Dionisio Salazar led us in an inspiring devotional from Luke 5:36-39, the parable of new and old wine skins. Our conversation around new and old wineskins has informed us throughout the rest of our time together. An idea that most struck a chord with us was that "Old wine is tasty, new wine is hopeful, and old and new wine can be mixed, but they can only be placed in a new wine skin." With these ideas in mind, we began the work of reorganizing ourselves into working groups within the Transitional Uniting Table, with an eye toward the organization of our conference ministries as well. We began by reporting the key points of the work in each of our committee areas. Some guidelines were the questions: what had been done, what could be done, what needs to continue, and what could end?

During the reports, we placed key programs and thoughts on a large sticky wall, creating a web of words and ideas. During lunch, we moved and grouped these words. Dionisio facilitated this conversation as well. When we finished, we realized we had changed our groups. Previously, the Unification Implementation put each committee into one of three task groups: nurture, outreach, and witness. When we were done mapping the ministries of the conferences, we could identify four clear categories and some movement of some committees to new and unique partnerships:

- Uniting Peoples: *Sustaining the Connection by facilitating communication and helping each other communicate well.*
 - Commission on Communications
 - Commission on the Status and Role of Women
 - Commission on Race and Religion
 - Committee on Disability Concerns
- Developing Leaders: *Calling and equipping both lay and clergy leaders for the mission field.*
 - Board of Ordained Ministry
 - Committee on Hispanic/Latino Ministry (although we recognized this group needed to me in each area)
 - Board of Higher Education and Campus Ministry

- Vitalizing Congregations: *Discerning, developing, deploying: Responsive, deployed resources pertinent to the fulfillment of the mission and purpose of the local church.*
 - Board of Discipleship
 - Commission on the Small Church
 - Committee on Ethnic Local Church Concerns
 - Board of Laity
 - Committee on Parish and Community Development
 - Council on Older Adult Ministries
- Transforming Communities: *Equipping, educating, and supporting congregations in mission around the areas of the Board of Mission, The Advance, and specific ethnic concerns and justice issues. Making good use of funds set aside for specific groups/ethnicities.*
 - Board of Global Ministries
 - Board of Church and Society
 - Committee on The Advance
 - Committee on Criminal Justice and Mercy Ministries
 - Committee on Native American Ministries
 - Commission on Christian Unity and Interreligious Relationships

These groups met together during September and, in October, we spent the bulk of our meeting preparing a report for the Unification Implementation Team in preparation for the called conference in January. Each group put forward a report to the Unification Implementation Team and we talked at length about a potential structure for the conference and for the Uniting Table. We also began to see the four vision pillars and teams in which we were working as the actual goal for each of the committees represented on that team. These were not simply tasks of the conference, but fruit we hoped the local churches of the conference could bear if we resourced them correctly. Finally, we discussed that rearranging the conference would mean nothing if the districts did not also create working groups that worked across church boundaries and bubbled up their ideas and actions to the conference structure.

We last met in February 2014 to discuss the new structure voted on by the Rio Grande and Southwest Texas Conferences. We went through it carefully and began to discuss our work over the next year. We also gave a financial update of the program priority fund and spoke about the future of that fund, realizing we would encounter difficulty in October/November as we began to transition from one way of funding conference level ministry to whatever new way the Finance Table finds for us.

Most importantly we talked about the ways we would make it possible for the Uniting Table and Vision Teams to begin their work in January 2015. We thought it would be best to have a meeting in September or October to orient those elected to the reasons for creating these Vision Teams; to orient them to all the work that has gone before. We also want to make sure each of the Vision Teams is aware of any items they must begin working on immediately. They need some idea of task forces that must be formed in order to continue good and important work that could easily be lost (the ministry planning team for annual conference or the oversight team for campus ministries are good examples of this). We also thought it would be important for some members of the Transitional Uniting Table to be on these Vision Teams and spent some time talking about the nominations process with Abel Vega.

Finally, we talked about our next steps really being at the district level now. Once we know the new district boundaries, the Transitional Uniting Team will need to begin reaching out to people in those districts, seeking individuals who can help the Vision Teams in their goals and perhaps be on Vision Teams in their districts. If the conference is going to be smaller and more nimble, it is up to the Vision Teams to draw passionate people into their work, creating task forces for various ministries and movements. We must help the district develop vital networks that can inform the conference of resourcing needs.

UNITING PEOPLES VISION TEAM

GENERAL COMMISSION ON THE STATUS AND ROLE OF WOMEN

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

On the Transitional Uniting Table each committee began the year researching previous work in that committee area in both conferences. We found little to no work being done within the last couple of years in both conferences. In the Southwest Texas Conference, it seemed the primary work of the committee was monitoring the appointment process to measure how female clergy were treated. While there was a lot of data on this, it had not yet been compiled into something the conference might be able to use. Also important had been a ministry of monitoring during conferences. We do not think these two ministries should end but encourage the new Vision Team to work toward integrating these better into the overall communication of the conference.

The Uniting Peoples Vision Team feel the work of this commission and the work of the General Commission on Race and Religion will be very important as we create the new Rio Texas Conference. We are working with Abel Vega on creating cultural competency trainings for all leadership within the new conference as well as within the new districts, building on the previous monitoring work to create a culture that cares for, respects, and encourages minority voices.

GENERAL COMMISSION ON RACE AND RELIGION

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

The Committee on Religion and Race has been organizing for when the Uniting Table begins.

Plans are in progress for a grant application from the General Commission on Race and Religion to further the work for cultural competency training.

Time has been spent researching the work of Committee on Religion and Race (CORR) in both conferences.

DISABILITY CONCERNS

REPORT I

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

Physical, developmental emotional, and mental are different disabilities. Physical disabilities can be indicated by someone who may have mobility impairment, deafness, or a form of decapitation. Developmental emotional disabilities at times can be found within a child throwing tantrums or other behavioral issues. Mental disabilities can be indicated by someone who has signs of impaired development of the brain, such as autism, anxiety, bipolar, depression, eating disorders, and schizophrenia.

It is easy to see the physical disabilities. However, in order to see emotional and mental disabilities, we must have an understanding towards them. The very people who may have these disabilities can be found in our congregations, communities, and all around us, regardless of their age.

A collaboration of different conferences around the country in The United Methodist Church of New York through the United Nations General Assembly have named March 21, World Down Syndrome Day. This date was chosen because Down syndrome occurs when there are three copies of the 21st chromosome. In a newsletter from the UM Committee on Disability Ministries, Carol Stevens has led six mission teams to Kenya since 1997 to educate deaf children, improving their performance at school. [Fall 2013 Vol. 3 No. 5]

Our goal is to learn and try to understand persons with disabilities, to better serve them as brothers and sisters in Christ, so they may also experience the love of Christ among us. Many efforts have been made in the past, still continuing today, to express the importance of others with disabilities. In our congregations we have witnessed discrimination toward this issue, by not having enough room in pathways for someone with special accommodations, or by facial expressions that have been given to children or adults for disrupting the service, without considering the disability the individual may have. It is important to remember that The United Methodist Church serves with open hearts, open hands, open minds, and open doors, so it is essential to work in making certain accommodations for our sisters and brothers with disabilities. It has been a blessing to participate in the Transitional Uniting Table for such an important issue.

KINGDOM KAMP

FOR INFORMATION ONLY

With the theme "Make A Joyful Noise," Kingdom Kamp was held for the 30th year in 2013 on Labor Day Weekend at the Mount Wesley Conference and Retreat Center. Sponsored by the Southwest Texas Conference and what is known currently as the Transitional Uniting Table, the camp has been organized for mentally challenged adults age 18 and older, and who are physically mobile. It was a wonderful and victorious event and a blessing for everyone who volunteered and participated. We thank outgoing Dean Rev. Patti Herndon and outgoing Camp Director Wendy Inman for their many contributions of leadership. The volunteers who helped at camp are most appreciated for their gifts of time in ministry to these brothers and sisters.

The mission of Kingdom Kamp is to provide a success-oriented environment that will give each camper an opportunity to build faith and inner strength and to also have fun. We share the belief that we are all children of God and we belong to God's kingdom. We strive to live in the kingdom in the acceptance of each person, regardless of limitations, as a member of the family of God.

On Labor Day Weekend 2014, Kingdom Kamp will be held at Cathedral Oaks Conference Center near Weimar and limited to 50 persons. The facility has more even ground and activities in close proximity. We thank in advance the Rev. Nancy Day, incoming Dean from Buda UMC, and Mr. Don Dodge, incoming Camp Director from Bracken UMC. Persons interested in serving on the volunteer team should contact Nancy or Don as soon as possible. Congregations are urged to contact potential campers in your midst and invite them to attend Kingdom Kamp.

The Kingdom Kamp Oversight Team would like to visit different districts to inform them about Kingdom Kamp. We hold hope for the future of offering two retreats instead of one so more people can participate. The Oversight Team continually monitors number of campers, ways to enhance medication processes for the two camp nurses, accountability, background checks, safety policy, improvements in the registration process to include requesting camper's photo, and clarifications around the requirement for each camper to be physically mobile, able to negotiate campgrounds.

We gratefully acknowledge all gifts in any amount to Kingdom Kamp Scholarships through the Conference Advance Special #2005.

It is with deep appreciation we thank each donor whose heart touches many lives for the sake of Christ.
Next meeting of the Kingdom Kamp Oversight Team will be Tuesday November 18, 2014, at 10:00 A.M.

DEVELOPING LEADERS VISION TEAM

BOARD OF ORDAINED MINISTRY

REPORT I

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

Bishop Dorff, Cabinet Members, brothers and sisters in Christ, I report to you today that the Board of Ordained Ministry for the SWTX has fully embraced the unification process. We have met together with the RGC Board for our October business meeting and for our interviews and examinations in January, February, and April. We have intentionally worked together and made decisions together for the new client—the mission field. Bonds of friendship and peer collegiality have developed among us as we respect each other's work and tradition.

We have a new vision and mission for Rio Texas that you witnessed at the

February 8th called Annual Conference. With that adoption the Rio Texas Board will be focused on this outcome: **calling/seeking and forming clergy missional leaders for the mission field.** We have developed the qualities for clergy missional leaders adopted by both Boards at our joint business meeting in October 2013 and included in the adoption of the new structure for Rio Texas.

PRIMARY QUALITIES OF MISSIONAL LEADERS:

1. **Ethnic and Cultural Proficiency-** Willingness to engage across ethnic or cultural lines with compassion, appreciation, and sensitivity to the unique traditions, customs, and needs of the people within their context.
2. **Heart For Evangelism-** The affinity to extend the Christian message to persons in the mission field who are not in the church and can network with existing resources in the mission field.
3. **Faith in Calling of God-** A clear sense of faith and commitment to serve based upon sound theological understanding of God's call
4. **Equipping and Developing Missional Leaders-** Ability and commitment to developing missional leaders and to finding leaders from the mission field
5. **Catalytic Capacity-** A capacity to be a catalyst for new ministry initiatives

ADDITIONAL QUALITIES OF MISSIONAL LEADERS:

6. **Leadership Ability-** Skills in providing principled Christian leadership
7. **Visioning Capacity-** The ability to help establish, cast, and pursue a vision
8. **Conflict Resolution Skills-** The ability to manage conflict in a healthy and effective way
9. **Personal Life Management-** This category includes time management, health and wellness, maintaining balance between vocation and family life, etc.
10. **Perseverance-** One's capacity to persevere in unpleasant or difficult circumstances

The Conference Board will provide training for local churches and SPRC's on how to find missional clergy leaders. For we all are responsible and accountable to the emerging Rio Texas Conference for the leaders we call forth and equip for ministry in the mission field.

The district Committees on Ordained Ministry will be expected to align their interviews and examinations with the focus of calling and seeking potential clergy missional leaders. At the district level, they are closer to the mission field and can find indigenous leaders for the new Conference, whether they are licensed or ordained clergypersons. For the dCOMs are subcommittees of the Conference Board and are amenable to the annual conference through the Board of Ordained Ministry (Par 666.1)

The revamped Residency in Ministry (RIM) will include the outcome for all persons participating in RIM as they prepare for ordination. The foundations of RIM will be based on the four areas of focus for Rio Texas: Uniting Peoples . . . Creating Vital Congregations and Places of Worship . . . Developing Principled Christian Leaders . . . Transforming Congregations. The goal of RIM is to form and equip missional clergy leaders for the mission field.

The Conference Board will dedicate itself to looking to the future for the changes coming in the mission field for the next 5 – 10 years and beyond. We will make the mission field the priority in all our deliberations, interviews/examinations and provisions for clergy development.

We will work closely with Marcus Freeman to develop a strategic clergy formation plan for current clergy, who want to be transformed into clergy missional leaders. For you see, Marcus Freeman led the technical team that brought forth the new mission for the Board: calling new missional clergy leaders for the mission field. His technical team changed the way the new Board of 2015 will work and the current Board will work in the time we have left in 2014.

We have developed a closer working relationship with Bill Duke, Chair of Children's Ministries; Rusty Freeman, Conference Youth Director; and with Ricky Sanderford, Chair of the Board of Higher Education and Ministry, as well as, the Directors of Campus Ministries at colleges and universities located within the boundaries of the current Southwest Texas Conference.

We now have two major priorities set before us and before the new BOM. In the *2012 Book of Discipline*, (Par. 635.2), the Conference Board of Ordained Ministry will include sections (a) and (b) as the clarion call for now and for the Rio Texas BOM. Section (a) begins "to assume the primary responsibility for the enlistment and recruitment of ordained clergy . . ." Included in that section are the recruitment of "women and men of all races and ethnic origins . . . and guide those persons in the process of education, training and ordination. . . . Persons recruited should have an understanding and appreciation for persons of different racial and ethnic heritages."

The second priority is found in section (b), the Board is "to renew a culture of call in the church by giving strategic leadership . . .". Therefore, the now and future Boards, as well as, our Rio Grande brothers and sisters will be the proverbial head hunters as in the business world by going to extraordinary lengths to call and seek clergy who manifest the qualities of the missional leader. And this continues down to the dCOM's, SPRC's, and local churches as a renewal of purpose and focus.

The Board has worked and the new Board will work closely with Ruben Saenz, Director of New Church Development and Church Transformation to seek and identify new clergy leaders from the mission field. We seek emerging missional leaders.

A new day is dawning for the unified Annual Conference. Our call is to excellence and to encourage the formation of excellence for clergy leaders. Now is no better time than to call forth those who have been interviewed and examined to be commissioned as provisional members of the Annual Conference.

Bishop Dorff, District Superintendents, brother and sister pastors, lay members of both Annual Conferences, the Board of Ordained Ministry presents to you those coming for Commissioning as Deacons: David Alan Corna, Lisa Rush, and Anna Katherine Troy. We present to you those coming for Commissioning as Elders: Amelia Elizabeth Beasley, Wilson Pruitt, Elsa Lidia Ramirez, Joseph Tognetti, and Billie Watts.

Bishop Dorff, District Superintendents, brother and sister pastors, lay members of both Annual Conferences, the Board of Ordained Ministry presents the one coming to you as Associate Member of the Annual Conference: Charles Ernest Crane. I now present to you those coming for Ordination as Elders: Linda S. Baumheckel, Cynthia Griik Engstrom, Yong-Shil Kim Ethridge, John Vincent Fletcher, Phillip Gregory Hoeflinger, Adam Ray Knapp, Margot Perez-Greene, Michael Todd Salmi, Juan Alberto (Johnny) Silva, Elizabeth Pratt Tatum, Elizabeth Ruth Wright.

Bishop, I present the Candidates to you for examination.

REPORT II

CLERGY WELLNESS PROGRAM

FOR INFORMATION ONLY

The Office of Clergy Development was established in June 2011 to support and resource clergy from the time of their call into ministry until retirement. As life-long learners, clergy take responsibility for their own spiritual and professional development. A guiding scripture passage is: *God wants us to grow up, to know the whole truth and tell it in love - like Christ in everything. We take our lead from Christ, who is the source of everything we do* (Ephesians 4:15 *The Message*). A guiding quote is: *The path of spiritual growth is a path of lifelong learning* (M. Scott Peck). In 2013, two large programs were held: a Staff Supervision Workshop led by Alban Consultant Susan Beaumont and a Bible Study led by Old Testament scholar Dr. Brent Strawn. In 2014, Alban Consultants John Wimberley and Alice Mann will lead a workshop on "Discerning Your Church's Unique Mission." As well, Dr. Thomas Thangaraj will lead a Bible Study entitled "Navigating Diversity with Bible in Hand." As the office continues to become more established, the vision is to bring high quality continuing education opportunities and resources to clergy in the various districts and mission fields where they serve. Ongoing work also includes consulting with the Board of Ordained Ministry. This includes the development of policies and rethinking systems of formation such as candidacy, the Residence in Ministry program and ongoing professional development. With delegates from the Cabinet and Board of Ordained Ministry, the Office of Clergy Development organizes seminary visits and stays connected with our seminarians.

The Office of Clergy Development additionally oversees the Clergy Wellness program for The Southwest Texas Conference. Supported by the Conference, Board of Pensions, and Methodist Healthcare Ministries, this program encourages clergy to take care of body, mind, and spirit. The HealthFlex program through General Board of Pensions and Health Benefits has a wide variety of resources to support clergy in healthy habits as well as incentives to motivate clergy. In 2013, funds from a Methodist Healthcare Ministries grant enabled the office to provide the Weight Loss Incentive for the first time. In this program, clergy received financial incentives for lowering their BMI when needed. In 2013, over 30 clergy reporting in the program lost a total of over 330 pounds. With over 35 clergy enrolled to date for 2014, the Office of Clergy Development looks forward to another year of success as clergy seek to maintain and improve their health.

Rev. Teresa G. Welborn, Executive Director, Office for Clergy Development

HIGHER EDUCATION AND CAMPUS MINISTRY

REPORT I CHAIRPERSON'S REPORT *FOR INFORMATION ONLY*

The work of the former Board of Higher Education and Campus Ministry (BHECM) of the Southwest Texas Conference of the United Methodist Church continues during this period of transition to the Rio Texas Annual Conference. Members of the former BHECM and new members from the Rio Grande Annual Conference have come together to make this continued work a reality. This work includes:

Campus Ministry

As a result of our new team based approach to ministry in the Transitional Uniting Table (TUT) a first ever meeting between the chair of the Board of Ordained Ministry and campus ministers occurred in January. This meeting will strengthen relationships between the Board and our campus ministers who, in many cases, are the first contact with young people who feel called to full time Christian ministry.

Members of the former BHECM continue to relate to our campus ministers through scheduled visits to experience each ministry first hand. These visits foster a closer connection between the campus minister and the annual conference. Regular visits also promote the continued partnership between the annual conference and the important work of relating to college age young adults. These visits to selected campus ministry sites will continue through the rest of this transitional year and are tentatively set through 2016. A more comprehensive report on this work follows by team leader George Bradley.

Scholarships

Scholarship aid for our college students is an area of challenge. To meet this challenge we need to promote the United Methodist Student Day Offering. This year the amount given to this offering did not meet the minimum \$5,000 as a conference in order to receive a rebate from the General Board of Higher Education and Campus Ministry. We continue to solicit support from congregations and individuals for our scholarship programs.

The TUT and members of the Higher Education and Campus Ministry team respectfully ask for your prayers and support of our campus ministers, each local board, student leaders and students.

Ricky Sanderford, BHECM Representative
Transitional Uniting Table

COOPERATIVE MINISTRY IN HIGHER EDUCATION AT ST. PHILIP'S COLLEGE

The Cooperative Ministries in Higher Education – Campus Ministry at St. Philip's College -- is nestled on the only community college in the United States with the dual designation of Historically Black and Hispanic Serving. Founded in 1898, this ecumenical ministry is sponsored by Christian organizations including SWTX Conference. Spiritual development programs are offered throughout the week and partnerships with the San Antonio Food Bank and Methodist Healthcare System address wellness needs of college and neighborhood communities. Personal and group devotional opportunities are ongoing. Olga Samples Davis, Executive Director, invites contact and visitation. HUSTON-TILLOTSON UNIVERSITY CAMPUS MINISTRY

Huston-Tillotson University is the oldest institution of higher education in Austin, having been founded in 1875. It is the only United Methodist-related university within the bounds of the Southwest Texas Conference. The Huston-Tillotson University Office of Religious Life and Campus Ministry seeks to develop students from a holistic perspective. Students engage in retreats, the Alternative Spring Break Mission Trip, and on-campus Bible studies. Leadership development opportunities through the United Methodist Student Forum, and internships in the Office of Religious Life or the Black College Fund of The United Methodist Church are designed to cultivate students. Chaplain Donald E. Brewington may be contacted at 512.344.9380, 900 Chicon Street, Austin, Texas 78702; debrewington@htu.edu.

SAN ANGELO WESLEY CAMPUS MINISTRY

CANDLER SCHOOL OF THEOLOGY
FOR INFORMATION ONLY

Candler School of Theology prepares *real* people to make a *real* difference in the *real* world. Our commitment to authentic discipleship and relevant ministry enables us to develop uniquely well-rounded leaders who are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus.

As one of the 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition. As one of seven graduate professional schools of Emory University, Candler provides a rich context for learning and formation supported by the extensive resources of a top-tier research university. As a school located in the metropolitan area of

Atlanta, Candler offers a learning environment that reflects the highly diverse communities of our 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

Candler celebrates its Centennial in 2014, marking our 100th anniversary with commemorative events that reflect on our past and a conference on theology and the church that envisions the future. The yearlong celebration begins in August with the opening of the second phase of Candler's new 128,600-square-foot, LEED-certified building, seven years in the making.

Not only is Candler expanding its physical space this year—it is expanding degree offerings as well. In response to the changing needs of the church, Candler is introducing five new degrees to equip Christian leaders: the Doctor of Ministry, the Master of Religious Leadership, the Master of Religion and Public Life, and two dual degrees pairing divinity and social work and divinity and development practice. With these newest additions to our degree programs, Candler graduates truly will be ready to lead wherever God calls.

Candler's student body reflects the diversity and breadth of the Christian faithful. Our enrollment stands at 441, with 340 seeking the Master of Divinity, 47 the Master of Theological Studies, 21 the Master of Theology, 15 the Doctor of Theology, and 18 enrolled as Non-Degree students. The student population is 32 percent U.S. ethnic minority, 49 percent women, and the median age of the entering class is 27. Students represent 39 denominations, with half identifying as United Methodist.

We continue to emphasize preparing our students for leadership in an increasingly global context, and now offer 14 academic exchanges with theology schools in 12 countries across five continents. In addition, Candler has an ongoing summer internship program with the Methodist Church in the Bahamas, and participates each year in travel seminars to the Middle East and in World Methodist Evangelism Institute evangelism seminars, traveling in 2014 to Nigeria, Costa Rica, and Brazil.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of *educating faithful and creative leaders for the church's ministries in the world* depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

GARRETT-EVANGELICAL THEOLOGICAL SEMINARY

FOR INFORMATION ONLY

Garrett-Evangelical Theological Seminary continues its commitment to develop and nurture skilled, bold and articulate leaders for the church, the academy and the world. Since our founding 161 years ago, we have articulated and lived our core purpose: to know God in Christ and, through preparing spiritual leaders, help others know God in Christ.

Last fall, we welcomed 171 new students, bringing the fall Master of Divinity enrollment to 399. The gender/ethnic profile is: 51% female; 55% white; 20% Black; 5% Asian; 3% Hispanic/Latino/a. Fourteen percent of the student body is international. Thirty-five denominations, four continents, thirteen countries and thirty-three states are represented in the student body.

Seventy-percent of the students in all degree programs are United Methodist. Currently, 1 student from the Southwest Texas Annual Conference is enrolled in the various degree programs at the seminary.

Garrett-Evangelical is committed to making seminary education affordable, and easing the financial stress on students. This academic year, the seminary awarded over 2.5 million dollars in financial aid, offered numerous federal work-study positions, and assisted with paid internship opportunities in diverse settings through field education.

In fall 2014, Garrett-Evangelical Theological Seminary begins a guaranteed tuition rate initiative for master's level students. Students are guaranteed the same tuition rate for two or three years, depending on the program in which they enroll. Tuition rates for new Master of Divinity students will be guaranteed through the Summer 2017 Term. Tuition rates for new Master of Arts or Master of Theological Studies students will be guaranteed through Summer 2016 Term. This initiative is yet another step in insuring students enter the world of ministry with as little student debt as possible.

Last September, the seminary celebrated the establishment of the fully-endowed Rueben P. Job Chair of Spiritual Formation. At the same time, we installed Dr. Frederick W. Schmidt as the Rueben P. Job Associate Professor of Spiritual Formation. Garrett-Evangelical is the first among Protestant seminaries in the United States to have a fully funded chair in spiritual formation.

Two revered faculty retired this past year. Larry Murphy, professor of the history of Christianity, retired after 39 years of service. He was a key individual in developing the seminary's Center for the Church and the Black Experience.

Ruth Duck, professor of Christian worship, retired in December. A world-renowned hymnist, her most recent book, *Worship for the Whole People of God: Vital Worship for the 21st Century*, was published in October 2013.

Several initiatives to support clergy and lay education are under way. During the spring semester, fifteen academic classes were offered in an online format, some with a continuing education option. Among the options are:

- Plus, a first-of-its-kind cooperative executive education program of Garrett-Evangelical and Northwestern University's Kellogg School of Management, involving two-years of seminars led by experts in non-profit and church leadership for professionals in ministry;
- Intersection, an online continuing education opportunity, incorporating readings, online presentations by seminary

faculty, and reflection on contemporary issues of life and ministry. Topics range from theology, biblical interpretation, and church history to ethics and the church in society. Continuing education credit is available. Additional information is available at <http://www.garrett.edu/intersection>.

- *A Doctor of Ministry* program offering five tracks of study: Congregational Leadership; African American Congregational Leadership; Spiritual Direction; and Mission in the Contemporary United States; and the Association of Chicago Theological School's (ACTS) D.Min. program in preaching.

In the coming months, Garrett-Evangelical will roll out new programs online, in Evanston, in congregational settings, and on the campuses of select United Methodist-related colleges.

Garrett-Evangelical serves over 550 students in degree-related courses, certificate programs and the summer Course of Study School. We encourage you to visit our website, www.garrett.edu, and to visit us on campus. We are grateful to serve The United Methodist Church and the church at large.

On January 1, 2014, I became president of Garrett-Evangelical Theological Seminary. I am grateful for the opportunity to serve the seminary and the church in this capacity. Garrett-Evangelical is blessed with a great heritage and a strong future. Please let us know if there are ways we can work with you as we continue to seek to be a seminary for the church and the world. Thank you for your prayers and support.

HUSTON-TILLOTSON UNIVERSITY FOR INFORMATION ONLY

HUSTON-TILLOTSON UNIVERSITY MISSION

Huston-Tillotson University supports the Southwest Texas Conference Journal through our mission to provide the University's diverse student body with an exemplary education that is grounded in the liberal arts and sciences, balanced with professional development, and directed to public service and leadership.

The University fosters spiritual and ethical development, preserves and promotes interest in the accomplishments and experiences of the University's historic constituents and evolving populations, creates and sustains supportive relationships that advance the Huston-Tillotson University community, and prepares students with the integrity and civility to thrive in a diverse society. We achieve our mission through the diversity of our student body, opportunities for spiritual growth and civic engagement, and the global perspective of our educational programs.

UNIVERSITY PROFILE

Enrollment

Huston-Tillotson University reached a thirty year enrollment high with 973 students enrolling in the fall of 2013. Segmentation of our student population by gender reveals an important factor regarding male enrollment. Our overall student population consisted of 448 males (46%) and 525 females (54%). Many universities report decreases in male student enrollment; our student population is balanced. The first-year, first-time freshmen population consisted of 109 males (52%) and 101 females (48%).

The racial/ethnic composition of our student population is as follows: Black, non-Hispanic – 73%; Hispanic – 17%; White, non-Hispanic – 5%; Nonresident Alien – 3%; Native American – <1%; Asian/Pacific Islander – <1%; Multiracial – <1%; Other – <1%; Unreported – <1%.

Faculty

The fall of 2013, the University employed 54 full-time faculty members and 33 part-time faculty members. The race/ethnic composition of the full-time faculty is as follows: Hispanic – 11.1%; White, non-Hispanic – 38.9%; Asian/Pacific Islander – 1.9%; Black, non-Hispanic – 46.3%; Two or more races, non-Hispanic – 1.9%. Thirty-eight members of our full-time faculty (70.4%) have a terminal degree in their teaching field.

PRESIDENTIAL AND INSTITUTIONAL ADVANCEMENT ACTIVITIES

Huston-Tillotson University's success is a result of discoveries, visions, and insights made 137 years ago. Many innovative initiatives such as the Day of Discovery for Central Texas executives and decision makers, and visits to target alumni-Key Cities allow the University to participate in outreach at even higher levels. Huston-Tillotson University hosted the 15th Annual African American Community Heritage Festival (AACHF), on Saturday, February 22, 2014. The festival was highly successful with over 60 vendors, nearly 1,000 in attendance and fundraising efforts that contributed greatly to the Huston-Tillotson University Scholarship Fund.

New undertakings include significant renovations to the Downs-Jones Library completed in March 2013. The completed renovation included all new interior with open spaces and study areas. The renovated facility houses HT's RAM café with coffee and snack selections in addition to the books, publications, videos, and artwork.

Huston-Tillotson's reputation as a teaching university, as an institution with a stellar faculty, as a place where students can achieve their goals, is evidenced by faculty who are authors and recognized scholars from prestigious programs such as Fulbright Scholarship

Programs, Henry C. McBay Research Fellows Program, Piper Professors, and Sam Taylor Fellowship Program. Faculty spend their summers completing research in their field, studying at the New York University Faculty Institute, attending the UNCF/Mellon Faculty Seminar, engaging in international travel, and other initiatives that further define their specialized areas.

The HT student may be the first in his or her family to attend college, part of a legacy family with more than five generations of graduates, a local Austin resident, or a student who has traveled thousands of miles to reach the campus. That HT student was likely referred by alumni and had a number of college acceptance letters from which to choose. Internships or overseas travel are just two of the opportunities afforded students. Whether attending HT as part of the William Edward Burghardt DuBois Honors Program, the Male Achievement Program (MAP), the Women Advancing in Leadership and Knowledge (WALK), as an athlete in one of the sports programs, or recruited as a musician for the jazz ensemble or vocalist with the concert choir, the HT experience is uniquely highlighted for success. Responsibility, spiritual development, and supportive relationships are the hallmarks of the HT experience.

In addition, the establishment of a Leadership Seminar whereby student learning extends to the workplace environment of elected officials and key corporate executives supports unique and creative ways that faculty are engaging students. These endeavors, along with the continued success of the W.E.B. DuBois Honors Program, place the University in a competitive global position.

Huston-Tillotson University is proud of its United Methodist Church heritage and affiliation and continually strives to provide a wholesome and open learning environment that encourages recognition of individual worth and merit.

SAINT PAUL SCHOOL OF THEOLOGY *FOR INFORMATION ONLY*

Saint Paul School of Theology is a seminary of The United Methodist Church that educates leaders to make disciples for Jesus Christ, renew the Church, and transform the world. We are one institution with two campuses, in Oklahoma City and the Greater Kansas City area.

During the 2013-2014 academic year, 201 students from 23 annual conferences and 4 countries were enrolled in degree programs at

Saint Paul School of Theology on both campuses. The Course of Study School at Saint Paul served 216 students the Overland Park, Kansas, Springfield, Missouri, and Oklahoma City, Oklahoma locations.

Twenty master's degree students and twenty-three doctoral students graduated from the Kansas City campus in May 2013. Six master of divinity students graduated at the 3rd Commencement Convocation in Oklahoma in August 2013. Laity from the Seminary Lite program in Oklahoma also received certificates.

Saint Paul at Oklahoma City University (OCU) began its 6th year in September. Dr. Amy Oden came to the Oklahoma City campus as Professor of Early Church History and Spirituality. The Association of Theological Schools authorized the campus to offer all courses leading to the Master of Divinity, Master of Arts in Christian Ministry, Master of Arts (Theological Studies), and Doctor of Ministry Degrees. They also lifted the residency requirement to complete one-third of the courses on the Kansas City campus. This is a major step in the development of Saint Paul at OCU. The success of Saint Paul in Oklahoma City has been a collaborative effort, strengthened by the support of the Oklahoma Conference of The United Methodist Church and United Methodist-related Oklahoma City University.

The seminary sold its Truman Road campus in Kansas City, Missouri to Guadalupe Centers, Inc. Guadalupe Centers, Inc. is the longest continuously operating organization serving Latinos in the United States. They provide early childhood, secondary, preparatory and adult educational programs; facilitate access to health and social services for all ages; promote and provide Latino cultural enrichment events; and sponsor social activities for diverse communities.

Students and faculty began classes on the Greater Kansas City (GKC) campus located in the East Wing of the United Methodist Church of the Resurrection, Leawood, Kansas, in September. Classes continue to be video-linked with the Oklahoma City campus. The seminary's staff and faculty offices are located under a mile away from the classroom location.

Saint Paul will launch three new masters' curricula in the fall of 2014. For the MDiv students, the new curriculum marks a return to a more praxis-based, integrated curriculum. The curriculum is grounded in spiritual formation with numerous practicums and faculty-led small groups to integrate seminary studies with vocational formation. Students will reflect upon their work during two intentional assessments mid-way through the degree and near the end of their studies.

The degree programs will require fewer hours which will mean less debt for Saint Paul graduates. The MDiv will require 79 credit hours for the degree rather than the 90 credit hours now required. The Masters of Arts in Christian Ministry and Masters of Arts (Theological Studies) will also be completed in fewer hours--54 credit hours for the MACM vs. 60 now and 49 for the MA(TS) vs. 60 now. The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

SOUTHERN METHODIST UNIVERSITY *FOR INFORMATION ONLY*

SMU is commemorating a major milestone as the University celebrates the centennial of its founding in 1911 by the Methodist Episcopal Church, South, and its opening in 1915.

SMU's total fall 2013 enrollment was 10,929, including 6,357 undergraduates and 4,572 graduate students. Enrollment continues to increase in ethnic, socio-economic and geographic diversity. Ethnic minority students made up 25 percent of total enrollment in fall 2013. A record international enrollment of 1,445 students represented 97 foreign countries, with the largest numbers coming from China, India and Saudi Arabia.

SMU consistently ranks in the top one-fourth of "best national universities" in *U.S. News & World Report*. In 2014, SMU ranks 60th among 281 national universities.

The Carnegie Foundation for the Advancement of Teaching classifies SMU as a "high research activity" university. During 2012-13, SMU received \$19.9 million in external funding for research and sponsored projects worldwide. Current research subjects include natural hazards, water quality, cyber security and treatments for cancer and diabetes.

Because of the early success of SMU Unbridled: The Second Century Campaign, the campaign goal was raised from \$750 million to \$1 billion. To date, SMU has received more than \$844 million in gifts and pledges for scholarships, academic programs, endowed faculty positions and campus improvements and facilities.

Campaign gifts are helping to fund renovations of existing facilities and new construction. Moody Coliseum reopened in December 2013 after extensive renovation and expansion.

SMU's new Residential Commons complex, to open in fall 2014, consists of five new residence halls and a dining facility. The complex will enable SMU to implement a residency requirement for sophomores along with first-year students. The new halls will include classrooms and accommodations for live-in faculty. Six other SMU residence halls are being modified as Residential Commons.

The year 2013 was designated the Year of the Library, marking the 100th anniversary of the beginning of SMU's library collections, which recently passed the four-million-volume mark. Major renovations are planned for Fondren Library Center and Bridwell Library of Perkins School of Theology.

The George W. Bush Presidential Center, consisting of Library, Museum and independent Institute, was dedicated at SMU in April 2013, with all five living U.S. presidents participating. Under sponsorship of the Bush Institute, symposia have been conducted on subjects that promote economic growth, education reform, global health and human freedom. Dr. Eric Bing, a renowned expert on global health issues, is the first to hold concurrent appointments as a new SMU faculty member and senior fellow of the Bush Institute.

SMU treasures its Methodist heritage, and we ask for your continued prayers and support.

R. Gerald Turner, President

SOUTHWESTERN UNIVERSITY
FOR INFORMATION ONLY

When I accepted the offer to become president of Southwestern University in February 2013, I knew it was a special place. But what I have found since I began work here last July has far exceeded my expectations.

In our faculty, I have found a creative, forward-thinking group of individuals who have enormous dedication to our students and who are very open to new ideas for teaching and learning.

In our staff, I have found a very talented group of individuals who play a valuable role in providing exceptional student support service and life-changing experiences for our students.

In our students, I have found a diverse group of young people who are engaged in the classroom, on the playing field, in the arts and in the community.

And in our alumni, I have found individuals of all ages who continue to value the education they received at Southwestern as well as the relationships they formed when they were here.

I also have been overwhelmed by the support the Georgetown community has shown for Southwestern, and I am delighted to be working with a Board of Trustees that is committed to making Southwestern one of the country's premier liberal arts colleges.

The presidential transition was only one of many important events for Southwestern University in 2013. A long-planned trip to Italy over Spring Break 2013 turned into a once-in-a-lifetime experience for members of the SU Chorale as the group arrived in Rome right after the selection of a new pope. The Chorale was the first choir to sing mass in St. Peter's Basilica after the election of Pope Francis I.

Thanks in large part to the work of my predecessor, Jake B. Schrum (who is now president of Emory and Henry College in Virginia), the University concluded its \$150 million *Thinking Ahead* campaign two years ahead of schedule. Funds raised through the campaign have dramatically changed Southwestern – both academically and physically. In June, Southwestern learned that the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) had reaffirmed its accreditation for another ten years, culminating a reaccreditation process that took several years and literally hundreds of pages of documentation.

In August, Southwestern welcomed a record number of students, with overall enrollment hitting 1,536. Much of this was due in part to the addition of football, which attracted nearly 100 new students.

Faculty Appointments

We also welcomed four new tenure-track faculty members for the 2013-14 academic year: Katherine Grooms, assistant professor of economics; Patrick Van Horn, assistant professor of economics; Michael Gesinski; assistant professor of chemistry; and Jessica Hower, assistant professor of history.

Two faculty members were named to endowed chairs in 2013: Dirk Early, professor of economics and associate dean of the Brown College of Arts and Sciences, was named to the Hugh Roy and Lillie Cullen Chair in Economics; and Emily Niemeyer, professor of chemistry, was named to the Herbert and Kate Dishman Chair in Science.

My longtime friend and fellow math professor Suzanne Buchele left Southwestern at the end of 2013 to return to Ghana as a missionary after having previously been there on a Fulbright Award in 2006-2008. Her missionary work will involve teaching one course a semester at Ashesi University and serving as the university's associate provost. Her husband will return to his work with a Methodist church in Ghana and serve the spiritual needs of the Ashesi community.

Academics

2013 brought the roll out of two exciting new academic programs at Southwestern.

In January 2013, we formally launched our HHMI-Southwestern Inquiry Initiative, which is being funded with a four-year, \$1.3 million grant from the Howard Hughes Medical Institute. The purpose of this initiative is to make the University's science and math classes more engaging and enriching for students through a technique known as inquiry-based learning, or student-centered learning. We were honored that one of our faculty members who has been leading this initiative was featured in the *Chronicle of Higher Education* in September 2013.

HHMI funding also allowed us to expand our summer science research program for students. In the summer of 2013, 31 students or recent graduates conducted research on campus through a new student-faculty collaborative research program called SCOPE.

In August 2013, we began offering classes in our first three "Paideia clusters." Paideia clusters are groups of classes in various disciplines that are connected with a common theme. Beginning in the fall of 2014, all new students at Southwestern will be required to take three courses from a Paideia cluster of their choice to meet some of their general education requirements. The first three Paideia clusters focus on gender, global public health, and the Mediterranean region. Six additional Paideia clusters are being developed for fall 2014.

In February 2014 we announced that Sherry Adrian, associate professor of education and holder of Dishman Endowed Professorship for Special Education, will serve as director of our Paideia program for the next three years. Professor Adrian has been involved with this program since the beginning.

In 2013, Southwestern announced a new minor in race and ethnicity studies, which incorporates classes from 14 disciplines.

In 2013, Southwestern received a \$700,000 grant from The Andrew W. Mellon Foundation that will be used to help its students and faculty members exploit digital technologies and explore new approaches to learning and teaching. In response to student requests, our library is now available to students 24-hours-a-day when classes are in session.

Accolades

Southwestern received numerous accolades in 2013. Most noteworthy of these was the fact that we were ranked #1 in Texas and #7 in the country for Best Career/Job Placement Services in the 2014 edition of *The Best 378 Colleges*, which is published by The Princeton Review. Southwestern also was included in Kiplinger's 2014 list of the 100 top values in liberal arts colleges and was included in the 2014 *Guide to Military Friendly Schools*®.

Southwestern was one of only 113 schools in the country that were named to the President's Higher Education Community Service Honor Roll with Distinction for 2013. And *Washington Monthly*, which rates schools based on their contribution to the public good, ranked Southwestern 43rd among liberal arts colleges in 2013.

We were also proud that The United Way of Williamson County selected Southwestern as its Volunteer Partner of the Year for 2013.

- Five faculty members were selected to be Southwestern's first Community-Engaged Learning Fellows. The Community Engaged Learning Fellows Program is designed to help faculty members learn how to incorporate community-engaged learning into their classrooms and provides a \$1,400 faculty development award that faculty members can use for professional development, course development, and research. Faculty members who were selected as 2013-2014 Fellows were: Sherry Adrian, associate professor of education; Barbara Anthony, assistant professor of mathematics; Kathleen Juhl, professor of theatre; Joshua Long, assistant professor of environmental studies; and Maria Todd, associate professor of biology. In fall 2013, 12 courses at Southwestern had a component that involved community-engaged learning.

Student Achievements

Southwestern students also earned a variety of honors and awards in 2013. For example:

- 2013 graduates Colin Berr and Priscilla Hernandez received \$8,000 scholarships through the Sumners Scholarship Program to participate in programs in Washington, D.C., in summer 2013. Berr attended an Institute on Economics and International Affairs, and Hernandez participated in an Institute on Philanthropy and Voluntary Service. Southwestern students Ann Bransford, Lauren Gieseke, Lucero Pina, and Jay Scheinman were selected to receive Hatton W. Sumners Scholarships beginning in the fall of 2013. The scholarships are for \$5,000 per semester and are awarded to students based on their academic history, extracurricular activities, and leadership experience.
- Susana Contreras and Nathan Tuttle were chosen to participate in the American Sociological Association's 2013 Honors Program. The program selects "exceptional sociology students from throughout the country and the world" to participate in the American Sociological Association's annual meeting. A third Southwestern student, Megan Robinson, was also selected to participate in the program after winning second place in the 2013 competition for best undergraduate paper sponsored by Alpha Kappa Delta, the international honorary association in sociology.

- Senior education major Katie Elder was one of three students selected statewide to receive a scholarship from the Texas Association of School Personnel Administrators (TASPA) for the 2013-2014 school year. The scholarship honors the best teacher candidates in the state. Campus Construction Projects

In 2013, Southwestern completed construction of a new field house, practice fields, and track for our athletics teams. We also completed a new baseball locker room.

This spring, we plan to begin construction on Phase I of our new science center, which will be available for the 2015-2016 academic year.

Speakers and Symposia

Southwestern brought a wide range of speakers to campus in 2013. World-renown primatologist Jane Goodall delivered our 2013 Shilling Lecture, and novelist T. C. Boyle delivered our 2013 Writer's Voice lecture. In February 2014, Southwestern is hosting some of the country's leading experts on health care for its 36th annual Brown Symposium. NPR host Scott Simon will be delivering our 2014 Shilling Lecture in conjunction with our presidential inauguration March 25.

In Conclusion

I would like to take this opportunity to personally invite you to attend my inauguration and the Shilling Lecture on March 25. Details of the inauguration's activities for the week can be found at www.southwestern.edu/inauguration.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION FOR INFORMATION ONLY

The Texas United Methodist College Association embodies Jesus' admonition to "love God with our mind" and Charles Wesley's entreaty "let us unite the pair as oft' disjoined, knowledge and vital piety".

From the founding of Kingswood School by John Wesley, it has been unthinkable for Methodists to fail to be a "college-related church" with multiple "church-related colleges". And, as John Wesley "scholarshipped" the students at Kingswood School, so do we, in the present age, provide scholarships to United Methodist students in the state of Texas to attend one of our United Methodist schools. When we invest in Christian higher education, we provide a "win/win/win" for our students, the church and our universities. TUMCA ended one of its better fiscal years on January 31, 2014. The contributions of local congregations increased over last year by 5%, which permitted an increased distribution to each of the four TUMCA schools. With respect to all Annual Conferences in Texas, four of the five experienced increases and one remained about the same.

In the fall of 2013 newspaper articles were prepared for each of the Annual Conference newsletters. In addition to publicizing the work of TUMCA, each conference newsletter article contained the names of TUMCA scholarship recipients, the university where they are enrolled, and their local congregation.

Also in the fall of 2013, as is our pattern, letters were sent to every congregation of each TUMCA scholarship recipient informing the congregation that one of their own had received a TUMCA scholarship and asking each pastor to make it possible for their TUMCA scholar to bring a three minute "thank you" witness to the congregation. Students also received similar letters, including talking points. The "thank you" initiative is dependent upon scholarship award names provided to the TUMCA office by each of our four schools.

The pastors of our TUMCA scholars are asked to report to the TUMCA office following a student witness. A typical response is reflected in a letter from a pastor: "The congregation was very happy for Allie and grateful to TUMCA for supporting her. They were glad to know their apportionment funds were helping her. We gave a copy of your newsletter article to everyone in attendance."

The TUMCA office also receives letters and notes from our scholarship recipients. One wrote, "I wanted to let you know how appreciative I am for the TUMCA scholarship. I will be the first in my family to graduate from college". Another student wrote, "The TUMCA scholarship has allowed me to attend this great school where I have grown intellectually and spiritually. I am involved in several campus clubs, chapel, honor society, work at a job and am on track to graduate with *highest honors!* After graduation I hope to pursue a career in a non-profit to help those who need it most in our world. Again, thank you for this wonderful gift. I will pay it forward."

Not to be outdone, a parent's letter expressed gratitude, noting that his son has maintained a 4.0 grade point, which the congregation applauded.

The TUMCA office has received letters from our scholarship recipients enrolled in each of our four schools. Their gratitude is overwhelming and many of their stories are quite compelling.

Listed below are the TUMCA scholarship recipients from the Southwest Texas Conference.

TEXAS WESLEYAN UNIVERSITY FOR INFORMATION ONLY

Texas Wesleyan University has seen rapid, positive transformation in the last year. From campus improvements, to a multimillion-dollar renovation project, to the University's smartest incoming class – Texas Wesleyan is moving forward as a leader in critical thinking and education.

Major Highlights:

For the fourth consecutive year, Texas Wesleyan University ranks in the No. 1 tier of regional universities in the west by *U.S. News & World Report*.

In November, Texas Wesleyan broke ground on the Rosedale Renaissance. The Renaissance is a \$6.5 million project designed

to leverage more than \$32 million in private and public funding for the benefit of the Polytechnic neighborhood and Texas Wesleyan. There are four key components to the revitalization, including streetscape improvements, a new campus entryway, business accelerator center and The United Methodist Church Central Texas Conference Service Center, which will also be home to the bishop's offices.

Texas Wesleyan is undergoing a campus update. More than 30 projects are underway that include new sidewalks, landscaping and parking. These projects complement the Rosedale Renaissance project.

For the second consecutive year, the University's marketing and communications team garnered national recognition for integrated marketing projects that build on the University's "Smaller. Smarter." message. Texas Wesleyan won four Collegiate Advertising Award medals, including two golds.

The Welch Foundation approved a grant to Texas Wesleyan University's chemistry faculty in the amount of \$30,000 from June 1, 2014 to May 31, 2015 for chemistry research. The grant gives students an opportunity to study chemistry outside of the structured way.

In November, The Ben Hogan Foundation and Texas Wesleyan University partnered to form the Ben Hogan Foundation Mentor Scholarship, which will be awarded annually to a candidate from The First Tee of Fort Worth to cover the full cost of tuition, fees and books.

VITALIZING CONGREGATIONS VISION TEAM

BOARD OF DISCIPLESHIP

REPORT I

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

At Annual Conference of 2013, both conferences voted for moving into Unification. Changes were made in how the conferences would work toward unification program-wise. The Transitional Uniting Table (TUT) was created with members from both conferences. This group would handle programming previously cared for through SWTX Annual Conference's Council on Ministries and Rio Grande Conference's Common Table. The TUT met in August 2013 to get to know one another and to learn of different responsibilities that each person would be responsible through 2014. We met in September 2013 and February 2014 to continue this work.

Those groups that fell under the umbrella of the former Board of Discipleship were many. Most have stayed busy during this time of transition. Plans for future events are still being worked on.

Many thanks go to Mrs. Linda Keen, Leadership Development Director, and Mrs. Nan Pyle, Administrative Assistant, for their continued support.

Terry Schoenert, TUT, Discipleship Ministries

WORSHIP & MUSIC TEAM

FOR INFORMATION ONLY

Called Session of Annual Conference – Rev. Paul Escamilla and Rev. Robert Lopez, along with others, planned a celebratory time of worship for our February 8 Called Session of Annual Conference this year. As the Southwest Texas and the Rio Grande conferences voted to approve the new name, RIO TEXAS, and that new conference's structure, you could feel the excitement in the room. The music and worship lifted the spirits of everyone in attendance.

2014 Adult Choral Workshop – This annual event was held January 31–February 1 at First UMC, Corpus Christi. Clinician was Mark Miller of Drew and Yale Universities. The participants numbered 186, including many first timers. Thanks go to Rev. David Miron, Design Team Chair, and Brad Kisner, Site Coordinator, Rev. Russell Miller and Rev. Don McAvoy for all their work on this workshop where many were blessed by their clinician and the fellowship of other choirs and musicians. Another Workshop is being planned for 2015.

Praise Music Workshop – On the horizon is the possibility of a workshop focused on praise music and geared for praise bands and worship leaders of praise worship. This workshop has not yet "gelled" and needs a committed leader and team who are willing to "make it happen." Interested persons should contact Rev. Russell Miller, Linda Keen staff, or Terry Schoenert, TUT Rep.

REPORT III
SPIRITUAL FORMATION TEAM
FOR INFORMATION ONLY

As the TUT has worked through this year, so were many other groups working on projects and programs that encourage and support the process of transformation for those in our conferences.

Prayer Shawl Ministries – Shawls that are made by members of Southwest Texas Conference churches are brought to annual conference, prayed over and then given to families at the Memorial Service.

A Labyrinth has been available at Annual Conference for people to walk through and pray for their own needs and for the annual conference. The labyrinth, housed at Alamo Heights UMC, is taken care of by Rev. Donna Strieb. If your church or organization would like to use the labyrinth for an event, please contact Rev. Strieb at Alamo Heights UMC, San Antonio.

Academy for Spiritual Formation remains a very viable source of spiritual growth for the lay and clergy of our conferences. Rev. Sue Huntsman leads the oversight team for Five Day Academies in collaboration with the Upper Room Ministries Academy Program.

2014 Five Day Academy for Spiritual Formation, held this year in January, was led by Rev. Taylor Boone at the Oblate Renewal Center in San Antonio. The theme was “Overcoming Fear Through Love” featuring Faculty Sister Kathleen Flood and Dr. Luther Smith. The event in 2015 is being planned by Rev. Nancy McDougal and will take place January 18-23 at the Oblate Renewal Center.

Two Year Academy for Spiritual Formation – Upper Room Ministries chose San Antonio as one of five host locations for the Two Year model of the Academy for Spiritual Formation. Academy #36 will be held in July this year. Applications can be downloaded from www.upperroom.org/academy. Nearly 50 Southwest Texas Conference laity and clergy have attended a Two Year Academy. Scholarships for lay and clergy persons are available through the Leadership Development Office.

REPORT IV
CHRISTIAN EDUCATION AND FORMATION TEAM

New Confirmation Resource – Under the leadership of Kercida McClain and Mrs. Barbara Dorff, the confirmation resource was completed and presented through a live webcast workshop on September 7. This event was held at Laurel Heights UMC in San Antonio. Both lay and clergy participated in the event, either at the church or through the webcast.

Parish Christian Educator School – PCE continues to be an outstanding educational opportunity for paid and volunteer staff at churches in need of training. Smaller church volunteer educators should visit with their pastor about ways that would make it easier for their participation as there are limited scholarships available.

PARISH AND COMMUNITY DEVELOPMENT

CHAIRPERSON’S REPORT
FOR INFORMATION ONLY

A joyous celebration for the District was the joining of West Texas Counseling and Guidance with several locations in our churches. Offering the outreach programs in our communities provides much needed services to individuals as well as families. The services are available at two San Angelo churches as well as our churches in Brady, Menard, Sonora, Ozona and Mertzon. We also have new and or expanded Food Banks in our area churches.

The “Adopt a School” program continues to reach out to our youth with nurturing and spiritual hope for a brighter tomorrow. We believe the continued effort of “reaching beyond our church doors” has served our congregations and communities well in seeking those in need.

We look forward with excitement to continue and create new ministries in the Rio Texas Conference.

COMMITTEE ON ETHNIC LOCAL CHURCH CONCERNS

CHAIRPERSON’S REPORT
FOR INFORMATION ONLY

The Ethnic Local Church Committee of the Southwest Texas Conference has the responsibility to provide guidance and resources to assist churches of ethnic background with limited direct financial assistance in order to stimulate interest in projects that have a high potential for enhancing the impact of ethnic ministries for kingdom building by entering the mission fields and focusing on ethnic groups in all their diversity, children, youth, young families, multilingual, multi-cultural persons, college students and older adults by developing practical ways of living out the faith in the church and around the world. Five projects totaling \$30,320.71 have been granted in the past year.

Reverend Robert E. Glenn, Chair

BOARD OF LAITY
CHAIRPERSON'S REPORT
FOR INFORMATION ONLY

During the past year, the Southwest Texas Annual Conference (SWTC) has been deeply involved with the Rio Grande Annual Conference (RGC) in an exciting adventure...one that most United Methodists will never get the chance to witness: The Birth of a New Annual Conference!

Representing the SWTC, I was privileged to attend the Association of Annual Conference Lay Leaders in March 2014. As I listened to a series of sessions led by Bishop Robert Schnase (who repeatedly referenced our unification), I found further affirmation that what we are doing will go down in history as a blessed evolution of the United Methodist Church in this area. With all that was going on during those four days, one of the most exciting topics of discussion was the wonderful thing that was happening in Southwest Texas...two annual conferences that are bold enough to step beyond comfort zones and traditions SO THAT the Christ might be glorified!

While the Board of Laity has not existed as it has in the past, laity have been on the forefront of this process. Lay leadership from every District and major organization has worked with the Unification Implementation Team, Transitional Uniting Table, Board of Ordained Ministry, Cabinet, Joint Committee on Nominations, and others in helping to structure the Rio Texas Annual Conference and set in place the resources and support that the Districts will need to effectively reach their respective mission fields. The people who have spent countless hours working on this transition have consistently demonstrated a degree of energy, passion, and sacrifice that is obviously God-inspired!

The February 8th Called Session of the Annual Conferences, gave a much needed blessing to all that is to follow. Coming together as two Annual Conferences, we celebrated, prayed, and voted to leave as a single Body of Christ...the Rio Texas Annual Conference of the United Methodist Church! This work should NOT be seen as a mere administrative exercise. This brings to fruition a logical evolution that is Biblical and that prepares us to be even more ready to do ministry across the Rio Grande Episcopal Area. The senior lay leadership of the Rio Grande and Southwest Texas Annual Conferences met on April 26th to discuss the many possibilities that await us over the coming months.

Who we are, a people eager to make disciples of Jesus Christ for the transformation of the world, has not and will not change. How we do it, however, has long needed some "tweaking"! Bishop Dorff has repeatedly reminded us that the Church is the only organization that exists for the sake of those who not yet among us. The Rio Texas Annual Conference will be much better at reaching those across the street, across the community, and beyond!

While I am thankful for the hundreds of SWTC and RGC laity and clergy who have brought us thus far in the transition, my hope lies in the thousands of us who will feel and respond to the urging of the Holy Spirit to take advantage of this opportunity and step out BOLDLY to spread the joy Christ throughout the diversity of mission fields that make up the Rio Texas Annual Conference.

May God continue to bless our work!

Ralph Thompson,
SWTC Annual Conference Lay Leader

JOINT COUNCIL ON CHILDREN'S MINISTRIES
CHAIRPERSON'S REPORT
FOR INFORMATION ONLY

Goals

- Opportunities for children to develop their discipleship
- Resources for adults who work with children to enhance leadership skills
- Resources to help local churches be aware of the needs of all children

In 2014, the Joint Council on Children's Ministries has focused on three major initiatives: a United Families Fiesta, Children's Summer Camps and the Preschool Ministries Conferences.

Uniendo Familias / United Families Fiesta will offer a joyful day of coming together by one faith and one God of us all at the El Divine Redentor UMC, McAllen, April 5, 2014. Free food, games, and special appearance by UM Rev. Mark Winters as "The Almost Amazing Marko."

In 2014, **three camping opportunities** will be offered to develop discipleship in children as we develop leadership among adults who serve the camps:

- a three-day camp for children entering 3rd and 4th grade
- a four-day camp for children entering 5th and 6th grade
- a three-day M.A.D. (Music, Art, and Drama) camp for children entering 4th - 6th grade.

The camps will be held at Mount Wesley with the theme, "Be a Hero: Living like Jesus." For the first time, the M.A.D. camp will work to prepare a worship service rather than a musical. We look forward to the spiritual enrichment and creative worship training that will in turn bless our churches as a result of these camps.

The Joint Council works to make camp available to all children, especially those whose families are financially challenged, by encouraging contributions to **Advance Special #2021** and by assisting churches with fundraising ideas. We are grateful to receive funding from the **Nancy Miller Children's Endowment** to defray costs as well.

To equip and support our churches on a day-to-day basis, the Joint Council offers **Preschool Ministries Conferences** to provide training for state-required continuing education for staff of preschools, nurseries, day care, and Mother's Day Out programs. Noted counselor and educator Dr. Gail K. Roaten will be keynote speaker this year.

In addition to our plans for the summer and beyond, we are looking ahead to new possibilities for children's ministries in the Rio Texas Conference. We are collecting stories of best practices and finding out where the Spirit is at work in our churches through the reports of our mascot, **Paloma the white-winged dove**, who has been travelling around to the churches and publishing her reports at www.umcswtx.org/childrens-ministries.

Special thanks to Joint Council members Revs. Bill Duke and Esperanza Baltazar-Ramirez, Dr. Elsa Leggett, Mrs. Kerena Gonzalez, and Mrs. Kelly Duke.

JOINT COUNCIL ON OLDER ADULT MINISTRIES

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

"The glory of youth is their strength, but the beauty of the aged is their gray hair."

Proverbs 20:29

"Mythconception"

Growing old is no longer a synonymous with death. For many older adults, old age is not a time of disability or disease; instead is a time of generally good health. As people live longer and retire earlier, the post-retirement period can last 25-35 years or more. Unfortunately some churches express a "myth-conception" that if they engage in focused ministry by, with, and for older adults, they will soon have no congregation left. They do not realize that a church filled with older adult does not necessarily mean that it is dead or dying. Rather, churches may need to rethink and refocus their priority for ministry. Older adults want to continue contributing to future generations and to feel valued. Congregations with a strong focus on older adult ministries realize that the wealth of experience, wisdom, and faith that often abound in older persons should not be lost or underutilized. [Adapted from *S.E.N.I.O.R.S. Ministry*, GBOD]

As a new generation of children emerges and the older adult population is in growth, it is time to turn our attention to how churches can effectively be in ministry across the generations. Multi-generational congregations are best equipped to connect with a diversity of people as they share faith in Jesus Christ. [*Gen2Gen: Sharing Jesus Across the Generations*, Miller, et.al.]

Older adult membership in the United Methodist Church is growing rapidly. In the past, the role of older people in congregations was limited, either by choice or circumstances. Congregations often viewed older adults as a liability rather than emphasizing the potential for a renewed or visionary ministry. Many of the myths and stereotypes of aging and older persons are changing.

As a result of better health care, nutrition, and job safety, many more Americans are living into older adulthood. Each local church is called to become aware of the needs and interests of older people in the congregation and in the community, and to express Christian love through person to person understanding and caring; intentionally sponsor ministries in institutions designed to meet the needs of older adults. [Excerpt from *A Statement on Aging* brochure from GBOD]

On November 4, 2013 the Joint Council on Older Adult Ministries convened to consider and create new strategies for all older adult ministries that will reach the mission field. To fulfill the work, the council has created a self-survey for congregations to identify the needs, concerns, potential contributions of older adults, and plan their ministries accordingly. Churches are asked to take the time and answer the survey posted on the Southwest Texas Conference and the Rio Grande Conference web pages. This will give insights to your planning for intentional ministry.

The council also plans to have three strategically-located training events in the year 2015. The purpose of the events is to equip and train older adults for new roles in the ministry and mission of the Church, provide information on resources, materials, ideas and websites available to plan for intentional older adult ministry. Please watch for more information to come.

TRANSFORMING COMMUNITIES VISION TEAM

BOARD OF GLOBAL MINISTRIES

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

The Rio Grande / SWTX Conference Board of Global Ministries relates to the General Board of Global Ministries of the UMC, the "missional instrument of the United Methodist Church." This includes promoting mission work, education, evaluating, communicating and cultivating the programs of the General Board of Global Ministries.

Our conference board of ministries spent much of the year celebrating the work of the Unification Implementation Team and the Transitional Uniting Table and their emphases on our churches' involvement with our mission fields. The board has worked closely

with the UIT and the TUT to help them plan a future structure that will help our local churches meet, serve, and be in community with their mission fields.

The team also spent a significant portion of the year planning the March 2014 Mission Matters Conference. The conference was the first major undertaking for the new Rio Texas conference. The workshop featured well-respected keynote speakers who discussed what it means to be a missional church. The workshop also had breakout sessions from several successful ministries throughout the new conference so those ministries could share their experiences with attendees.

The team also worked to integrate the Conference mission Advance program and the 5 Star Church program into the new conference. The board is also in awe of the amount of work being done on the local church level. We are aware of the work locally, and we have generally been aware that our churches work outside the borders of the United States. However, at the request of the larger church, the team worked to compile a list of international missions being supported in our districts and at the local church level. The response was overwhelming. Our churches support ministries all over the world. These programs address anti-poverty measures, education, health care, drinking water, food and more.

But the board is not satisfied with the status quo. The board is looking forward to what the board and our local churches can accomplish in our mission fields, both here and beyond.

CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

The work of the CBCS has continued by reaching out to those known to have worked in the area from both Conferences. A grant was supported and awarded for "Valley Interfaith", and work with the MFSA in the Austin area has continued and supported a presentation at the Annual Conference for a luncheon and speaker on the death penalty.

We are seeking out other agencies to partner with and will count on District support for reaching out to the specific needs and agencies in the respective communities.

Please communicate any known contacts for the CBCS from your district to the Chair (to be elected at Conference) in order to compile a list of resources and provide support.

COMMITTEE ON THE ADVANCE

REPORT I

ADVANCE GIVING AND MISSIONARY SUPPORT

FOR INFORMATION ONLY

In 2013, churches in the Southwest Texas Conference sent Advance gifts for 216 separate mission projects to the General Board of Global Ministries, totaling \$808,023.69. In 2013, churches in the Río Grande Conference sent Advance gifts for 12 separate mission projects to Global Ministries, totaling \$6,088.85. Together, United Methodists in the San Antonio area contributed more than three quarters of a million dollars for disaster relief, community development, missionary support, community centers, clean water, mosquito nets, children's ministries, and dozens of other needs in the United States and around the world. Praise God for this generosity of mission giving!

Every mission project approved as an Advance in the San Antonio Area, whether at the district or conference level, is listed in an online project catalog. The catalog and general information about the Five Star program are found at <http://www.umcswtx.org/page514633.html>. Churches are encouraged to continue growing in mission giving and mission outreach through participation in the Five Star program.

Churches are also encouraged to continue and to strengthen their vital efforts to serve the mission field right outside their doors.

There are over 300 Global Ministries missionaries serving in over 60 countries who are supported through Covenant Relationships. Thirteen of them are assigned to the Southwest Texas Conference and receive full or partial support from SWTX churches:

- Clara Biswas, serving in Phnom Penh, Cambodia, as a community worker with street children
- Beatrice Gbanga, serving in Sierra Leone, in health ministry
- Becky Harrell, serving as Mission Interpreter in Residence in the South Central Jurisdiction
- Bill Lovelace, serving in Lithuania, as a pastor and district superintendent

- David Pascua, serving in Cavite, Philippines, as dean and professor at Union Theological Seminary
- Meridith Whitaker, serving in Cookson Hills, Oklahoma, as director of Cookson Hills Center

During 2013, missionaries Marsha Alexander and Tendai Manyeza itinerated throughout the conference, bringing mission to life through their stories and witness. In 2014, we will welcome Dakin Cook and Sara Flores, David Pascua, Juan Guerrero and Alejandra Castro, Dora Canales, Helen and Bill Lovelace, and Fresie and Rukang Chikomb to our churches in the San Antonio area.

Interested in becoming a missionary yourself? There are various categories of short-term and long-term adult and young adult mission service opportunities for people who feel called by God. They are described on the General Board of Global Ministries web site (<http://new.gbgm-umc.org/connections/missionaries/>).

JOINT NATIVE AMERICAN MINISTRIES

FOR INFORMATION ONLY

There are 120 Native Americans recorded in the Southwest Texas UMC Conference. A breakdown by its seven districts are: Victoria-1, Corpus Christi-13, San Antonio-42, Austin-17, Kerrville-21, McAllen-22 and San Angelo-4. These are the numbers which had been given to me. These members are a part of various congregations in their churches. When inquiring of how many churches offered outreach to the Native Americans, only one church could be accounted for. This was the First UMC of Austin. In speaking to a couple of its members, their outreach program extended to the Four Corners region in New Mexico. Four Corners refers to the point where four of our states come together. These states include Arizona, Utah, New Mexico and Colorado. Several years ago a couple mentioned a church in Ship Rock, New Mexico. This is in a Navajo community close to the town of Four Corners. This church was in need of repairs and similar services so a mission team went out to this church and has been returning there for the past 12 years to assist with church and parsonage repairs, vacation bible school and to work with the youth. Each time this relationship has been strengthened due to their return visits, (at one time when their youth leaders no longer were working in their church) FUMC Austin applied for grant money to bring their youth to Austin for a week in a sort of 'exchange visit' with these Navajo youth and their adult chaperones. They would come and help during vacation bible school time and FUMC Austin would host their events, itinerary, worship, site seeing, tours, etc. while they were here in Texas. This reach out extension has occurred about three years.

Enclosed is a breakdown of the budget which has been associated with Native Americans ministries in the Southwest Texas Conference.

In the Rio Grande Conference UMC conference, there are no recorded Native Americans in our churches. However, I knew of an affiliation of two Rio Grande churches Emanu-el and Agape Memorial with a Native American church in my hometown of Dallas; and because of this, I had been selected to give this report since I am also a Silver Feather.

In Dallas, Texas, we have one church of Native American congregants. The name of the church is Dallas Indian UMC and they belong to the Indian Missionary Oklahoma Conference. In speaking to the a couple of its members, this church was developed as a result of the Relocation Plan in the 1950's where Native Americans from Oklahoma volunteered to be relocated to other cities off the reservations in Oklahoma. This is how Dallas Indian UMC was formed some 75 years ago. It started as members from various tribes got together to worship in different homes. Then a home was found where they met for worship all the time. At that time they were a mission church but eventually the church delegates asked their church conference to be recognized as a church. This is how the church officially began in 1960. Around 1969-1970, the present site was purchased. It had formerly been a Church of Christ church. There was a need to house within their congregational building a health and dental clinic. This church, located in the Oak Cliff area of Dallas, became the center of gathering for reasons other than worship and it strongly built a sense of internal pride and ownership in their newly found community and facility.

Today, the health and dental clinics have been moved twice to other locations in Dallas but the congregation works hard at maintaining their facility and programs. To some their building may appear to be dated, but little by little they have been making physical improvements as their budget allows. About two months ago, they experienced a major setback in their church as over \$3,500 worth of auditory equipment was stolen from the sanctuary during a break in. This really created a huge wedge in their positive direction of mission yet it did not get them down. I would hear objective comments like "If they really needed it, then I hope they use it" or "God Bless them" or "We have already forgiven them for what they have done to us." Their hearts are humble, sincere and solid.

How do I know about this church? Well Gilbert R. Escamilla, Sr. use to attend a men's Tri-Council annual meeting there every August with UMM from their church, the two Rio Grande churches in Dallas and members from the North Texas Conference. Saturdays were my catch up days since I worked all the time as a public school educator and administrator. Then years later, as an officer for the UMW of the Rio Grande Conference, I met a woman from this church in Kansas at a Regional School of Mission. A friendship sparked out of that introduction. She later would start inviting me to special events at their church such as Valentine Banquet, revivals, Chili cook offs, fried bread fundraisers and just to church to worship with them or attend their Bible studies. That's how I became a Silver Feather. This church now prides themselves, according to their Bishop Robert Hayes, as being the number one church in their conference in Giving, Programs and Attendance. They are now a self-supporting church since the late 80's which ranks them at the top of 3 self-supporting churches of 80 churches among the Indian Missionary Oklahoma Conference covering four states: Oklahoma, Texas, Missouri and Kansas.

I consider myself to be an affiliate member of this church. Other than being a Silver Feather, on occasion I help out at their Sunday night worship services and special events as their pianist; participate in their Unity Week services as a lay speaker, VBS, etc. Their congregation is not very large but it consists of about 12 to 13 tribes of Native American Methodist. I truly enjoy worshipping and fellowshiping with them. I would like for this Transitional Unification Team to consider using Native American funds to assist this church with their long term planning of repairs needed for their second story classrooms and a face lift in the sanctuary. Currently the rooms upstairs are not being used because so much needs to be done to them. I suggest that VIM teams could come to Dallas to give them a helping hand.

They (this church) are not asking for any assistance but I am asking this for them. Possibly this could be one of our Focus mission thrusts as we formulate the structure of our new Rio Texas. We speak of diversity but how are we putting this word into action? This church has a key quality of teaching us a lesson of how some 13 tribes can come together all of these years to become one of God's church blended in Faith, Cause and Love smiling and receiving others graciously. Attached is a brochure of their church which I took the liberty of attaching. Their new pastor since June, 1913, is a proactive, energetic, friendly and outgoing individual and eloquent speaker: Rev J.B. Jackson. When you call, tell him Helen sent you.

REPORT VII
UNDERSTANDING THE APPORTIONMENTS
FOR INFORMATION ONLY

The apportionments are structured to support the new Rio Texas Conference as designed by the actions of the February 8, 2014 Called Session of both the Rio Grande and the Southwest Texas Conference. As expected, there are substantial savings in a number of areas when compared to the amount apportioned by the 2 previous conferences even after adjusting the Rio Grande Conference 2014 apportionment to account for only 60 churches.

- Conference Administration is decreased by \$163,221
- Ministerial Support is decreased by \$136,901
- Pension and Benefits is decreased by \$726,526

Assuming that the district apportionments are no more than 2014 less \$100,000 per district, the entire apportionment amount is lower than the 2014 amount by \$613,847.

The method of funding the district offices and their mission and ministry is a hybrid of the two conferences. There is a conference apportionment of \$700,000 (\$100,000 for each district) while each district has the option to add an additional district apportionment that will be divided only among the churches in that district. Some Districts will vote on this at the district meeting to be held during the annual conference session. Others will meet during June or July to vote on this amount. In the Southwest Texas Conference in 2014 there was a total of \$1,447,539 apportioned to the various districts. It is the hope of the Joint Finance Table that the amounts of the District Apportionments will reflect the fact that the Conference is apportioning \$100,000 for each district and lower their own apportionment accordingly.

The Pension and Benefit apportionment is significantly lower reflecting the change in Health Benefit funding. It is hoped that this significant reduction will allow churches to respond by either paying the entire cost of the remaining cost of health benefit coverage or increasing their pastor's salary recognizing that this change has been made.

The Conference Benevolences budget has been designed to provide the maximum flexibility to the new structure in its first year. Amounts that have previously been individual line items are now included in the amount for the various vision teams. All salaries for staff previously funded by Conference Benevolences are now put into one line item which will be used by the Personnel Committee to fund the new staff plan which has not been announced at the time of this writing. A new line item called Transition Contingency with a budget of \$200,000 has been included in the Conference Benevolence budget. This will be administered by the Finance Table and used to fund areas where our current estimate of need under the new structure is not adequate.

The Finance Table is pleased to present a budget that both significantly decreases the total amount apportioned to the local churches and provides adequately for the new Rio Texas Conference and its emerging structure.

INDEPENDENT AUDITOR'S REPORT

Council on Finance and Administration
Southwest Texas Conference of The United Methodist Church
San Antonio, Texas

We have audited the accompanying statements of financial position of the Southwest Texas Conference of The United Methodist Church (the Conference), a non-profit organization, as of December 31, 2013 and 2012, and the related statements of activities (with comparative totals for 2012) and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Southwest Texas Conference of The United Methodist Church as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The purpose of the Southwest Texas Conference of The United Methodist Church (the Conference) is to proclaim the saving word of God--that God has met our deepest needs in and through Jesus Christ. That word is proclaimed through worship, fellowship, service, mission, and by representing the gift and demand of God's love to people in need of God's grace. The Conference carries out this purpose in a number of ways. These include serving as the administrative agency for the United Methodist churches in the Southwest Texas region, establishment of local churches that become a part of the Conference, the provision of leadership to the local churches, the enabling of ministry in the local church and through the extended connection of The United Methodist Church.

The accompanying financial statements of the Southwest Texas Conference of The United Methodist Church have been prepared on the accrual basis of accounting.

All assets of the Southwest Texas Conference of The United Methodist Church reported in the accompanying financial statements are held in trust by the Board of Trustees of the Southwest Texas Conference of The United Methodist Church, incorporated under the laws of the State of Texas.

BASIS OF PRESENTATION

The Conference is required to report information regarding its financial position and activities according to three classes of net assets:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Conference and/or the passage of time.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Conference. The Conference had no permanently restricted net assets as of December 31, 2013 and 2012.

CASH EQUIVALENTS

For purposes of the Statements of Cash Flows and the Statements of Financial Position, the Conference considers all investments purchased with a maturity of three months or less to be cash equivalents.

ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

APPORTIONMENTS AND ACCOUNTS RECEIVABLE

The accounts receivable for apportionments and other church giving are adjusted to reflect the amount actually received by the second week of January of the following year; therefore, an allowance for doubtful accounts is not required.

**SOUTHWEST TEXAS CONFERENCE
OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost when acquired by purchase and at fair market value when acquired by gifts. The Conference capitalizes property and equipment with a cost or fair market value over \$2,500. Cost and associated reserve are written off when the asset is fully depreciated.

Automobiles - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Furnishings and Equipment - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Mt Wesley Buildings - where historical cost or fair market value at the date of the gift were not available, the assets were recorded at 50% of their insured value as of December 31, 1985. These assets are being depreciated on a straight-line basis over 40 years.

Mt. Wesley land is recorded at the appraised value based on a 1985 appraisal by a firm of real estate appraisers.

INCOME TAX STATUS

The Conference qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

NOTE 2 - PLEDGE RECEIVABLE

The Today for Tomorrow fund is a campaign that started in 2007 to raise funds to help develop new churches. Since the development of these new churches can be segregated and continue throughout the next several years, pledges are considered unconditional and, therefore, recorded as a receivable when a valid pledge card is received. The Conference believes that a portion of these pledges will not be fully collected; therefore, an allowance has been established for the years ended December 31, 2013 and 2012 of \$264,629 and \$100,000, respectively. The campaign ended in 2013, and no expected future receipts exist at December 31, 2013.

NOTE 3 - LINE OF CREDIT

During August 2004, the Conference entered into an agreement for a line of credit of \$500,000 with Texas Methodist Foundation for the Mt. Wesley project. The line bears interest at prime less .25% and expires on August 7, 2023. The line is secured by land in Kerr County, Texas.

The Conference had outstanding borrowings of \$31,076 and \$50,195 at December 31, 2013 and 2012, respectively.

**SOUTHWEST TEXAS CONFERENCE
OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012**

NOTE 4 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Conference adopted the provisions of ASC 820, "*Fair Value Measurements and Disclosures*" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Conference's financial position or results of operations.

The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The Conference has no Level 2 or Level 3 assets or liabilities.

The Conference's financial instruments include cash and cash equivalents (non-designated and designated), accounts receivable, prepaid expenses, prepaid supplies, accounts payable, and accrued expenses. The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.

NOTE 5 - PROPERTY AND EQUIPMENT

Property and equipment was as follows at December 31:

	2013	2012

Total Property and Equipment	\$ 8,313,603	\$ 8,640,017

OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012**

NOTE 6 - CONTINGENT LIABILITY FOR UNFUNDED POST-RETIREMENT BENEFITS

Prior to 1982, the Southwest Texas Conference participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference and will for several decades. In 2012, the Conference Board of Pensions had assets in excess of their liabilities, and, therefore, no unrecorded liability exists for that fiscal year. However, based on the most recent actuarial valuations, as of December 31, 2013, the Conference Board of Pensions had an underfunded plan. As of the date of this report, the amount of the contingent liability is unknown.

NOTE 7 - LEASES

The Conference leases copiers and other office equipment under various operating leases. The leases vary in expiration dates from November 2013 to April 2017. Copier and office equipment lease expenses amounted to \$81,324 and \$81,831, respectively, for the years ended December 31, 2013 and 2012.

The following is a schedule of the operating lease obligations subsequent to December 31, 2013:

<u>December 31,</u>	
2014	\$ 83,160
2015	83,160
2016	38,815
2017	<u>2,380</u>
Total	<u>\$ 207,515</u>

NOTE 8 - RESTRICTIONS ON NET ASSETS

Support and contributions that are restricted by the donor are recorded as an increase in temporarily restricted net assets until the restriction expires or the Conference disburses the funds in accordance with the restriction. Designated funds are internally restricted by the Conference and have no external legal restrictions. (See Note 12)

Temporarily restricted net assets are available for the following purposes at December 31:

	<u>2013</u>	<u>2012</u>
Today for Tomorrow Fund	\$ 1,232,848	\$ 1,302,200
Stepping Out In Faith Fund	<u>33,813</u>	<u>33,813</u>
Total	<u>\$ 1,266,661</u>	<u>\$ 1,336,013</u>

NOTE 9 - PENSION PLAN

The Conference is responsible for pensions for two classes of persons - clergy appointed to the Conference and lay employees.

The Pension Plan for clergy appointed to the Conference is administered by the Board of Pensions of the Southwest Texas Conference of The United Methodist Church. The Conference's contribution to the cost of that plan for the years ended December 31, 2013 and 2012 was \$106,024 and \$101,525, respectively.

The Pension Plan for lay employees is funded through the purchase of annuity contracts. Employee contributions are voluntary and are made on a pre-tax basis. Employer contributions are a percentage of wages and are defined in the Master Agreement between the Conference and the Board of Pensions of the Southwest Texas Conference of The United Methodist Church. The contribution for the years ended December 31, 2013 and 2012 was \$53,393 and \$54,765, respectively.

The above plans are both "church plans" as that term is defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

BISHOP'S STATE OF THE CHURCH EPISCOPAL ADDRESS

My brothers and sisters in Christ; hermanos y hermanas en Cristo,

I have been looking forward to our joint conferences. We are literally beginning to live together as one new annual conference. As with any new relationship, things may be a bit awkward at first. We must become adjusted to one another. We must get acquainted with one another. We must ever more fully know and appreciate one another. We must look for the movement of the Spirit among us. Hay que estar atentos a la acción del Espíritu Santo. We must give thanks to God for bringing us to this time and place. We are just beginning a new journey together as God's faithful servants in the emerging Rio Texas Conference.

Until January 1 we shall still be two separate conferences, Rio Grande and Southwest Texas. Until then we will continue the process of transitioning from two to one. At this session of our two conferences, we shall be completing the detail work in implementing the decisions you made at our joint meeting last February. There are some technical decisions which need your attention and action. You will hear reports and recommendations from joint committees which have been hard at work for several months. The tone and spirit of these joint committees has always been thoughtful, prayerful, relational and cooperative. Indeed, we are on a journey together, which continues and will continue as we seek our Lord's will and way for our new conference. It has been a blessing for me to serve with you on this journey. In fact, it has truly been the experience of a lifetime.

I well remember that in 2010 at the session of the Southwest Texas Conference, we received a report regarding the progress of the Imagine No Malaria fundraising campaign. We were the first conference in the connection to enter into a conference-wide campaign. There was no precedent for such a campaign and no road map. Nonetheless, due to the commitment and persistence of a huge number of district superintendents/ pastors and laity, almost \$1.5 million was raised for this denomination-wide effort. I sat here and tearfully said to you all, "I don't know exactly how this happened." I also remember many of you yelled at me and said, "It's of God!" "¡Esta acción es del Señor!" And so it was.

I earnestly believe the same can be said for this process of unification. Conversations among leaders from both conferences began my second year among you and have been continuous since. It seems God has opened doors of grace and understanding between us all along the way. You have been willing to walk through those open doors. Here we are today finishing the work and privilege of becoming one in Christ through Rio Texas. Again, I am not sure how this happened, but I have learned from you to allow the Spirit to work in the church. Amazing and wonderful things can and do happen. "It's of God." "¡Esta acción es del Señor!" And so it is. Thanks be to God! ¡Demos gracias a Dios!

As we continue the journey, there is much yet to be done. You will make necessary decisions during the next two days. We will move forward to implement those decisions and prepare ourselves for January 1 and beyond. Mistakes will be made. Adjustments will be necessary as we move ahead. Changes will occur. But you have established a platform for the launching of the Rio Texas Conference. I believe it is a good one which can help us reach more people for Christ.

My deepest appreciation goes to all those from both conferences who have served so faithfully to discern the will of the Spirit for our conferences. From the Bishop's Commission on Area Cooperative Ministries, to the Unification Steering Team, to the Unification Implementation Team, to the Transitional Uniting Table, your leaders have been faithful, prayerful, sacrificial, and effective. I give God thanks for them all. I pray you do, too.

As we look forward to our future together, guided by grace as Rio Texas, I am certainly aware that there are issues before us and the general church which need and deserve our attention. Some of these have been and may well continue to be places of significant disagreement among United Methodist Christians. Particularly, I would call to your attention the issues of the role and place of lesbian, gay, bisexual, and transgendered persons in the church, the authority of Scripture and how it is established, the exact nature of the authority of the Book of Discipline which all ordained persons have pledged to uphold, and the global nature of The United Methodist Church.

These are all extremely important issues facing the whole church and us as a part of it. As we move toward the General Conference of 2016, these subjects and others which may emerge are deserving of our prayerful consideration as a new annual conference, as part of the larger church and as local churches. Therefore, I am asking each District Superintendent to work with the District Mission Strategy Team in each district to develop a series of conversations in the districts. These will intentionally engage clergy and laity in holy conferencing on these issues and others which may emerge as General Conference comes nearer. Your newly-elected delegates to General and Jurisdictional Conference must be included in the planning and implementation of these gatherings. I will also be directing your conference staff to assist in resourcing these conversations and examine the possibility of holding conference-wide gatherings.

Each district may develop its own way of entering into conversations around these issues, but we must stop talking about each other and start talking to each other. It is my belief that our Lord requires nothing less. Social media arguments and exchanges are a way of life among us these days, but I sincerely ask you to refrain from only these conversations and be willing to join others in your district to listen to each other in your districts as brothers and sisters in Christ. Methodists have never all agreed on anything. The history of Christendom reflects the same patterns of common life. But, surely we can all listen and learn from one another in

grace-filled ways, even if perspectives and opinions don't change. Please be willing to work with your District Superintendent and district strategy teams in planning and participating in these important times of conferencing.

The irony of our common life is not lost on me. I hope it is not lost on you either. As we are celebrating our new birth as one conference and working diligently to prepare the way for God's future, among some in the church there is talk of division. To be sure, in our beloved United Methodist Church, not all individuals or groups have ever been pleased or satisfied with all the positions of the church at all times. This includes me. However, we continue to live and work together that a common witness can be made to the saving grace and unconditional love of our Lord Jesus Christ. I pray we shall all be committed to and motivated by this same desire in our day and time. There is much at stake. It is even a life and death matter for those waiting to hear of the Good News of Jesus Christ. We have been called to share this Good News. May we never forget or lose our focus.

As I mentioned earlier, these past six years have been the experience of a lifetime for me. Barbara and I have been beyond blessed to serve among you these years and look so forward to the next two years. We have learned so much about you and from you. We have experienced the presence and movement of the Holy Spirit while with you. I completely trust the same Spirit will remain with us as this journey unfolds. We have great challenges ahead. *Tenemos grandes desafíos frente a nosotros.* We have much work to do, both from within and without. God put us all here together for just such a time as this. I don't believe it is any accident. I believe God expects great things will be done by the power of the Holy Spirit through us, as different as we are. *Estoy convencido que Dios espera grandes obras a través del Espíritu Santo aún con nuestras diferencias.* What a blessing! ¡Qué gran bendición!

I am really looking forward to the work before us and our common ministry. May we all seek one thing and one thing only....making disciples of Jesus Christ for the transformation of the world. *Espero que todos busquemos una sola meta...hacer discípulos de Jesús para la transformación del mundo.* We need our Lord and each other for the days ahead and the fulfillment of this task. There is no doubt in my mind that when we come to a pause on the path of the Rio Texas Annual Conference, we can look back and say, "I don't know exactly how this happened" and be reminded that: "It's of God!" "¡Esta acción es del Señor!"...

Que Dios los bendiga.

LAITY ADDRESS

To Bishop Dorff, the Joint Cabinet, and clergy, we are certain that we reflect the sentiment of the combined laity of our Annual Conferences by declaring this preview into the future of the Rio Texas Annual Conference a total success!

Despite the years of prayers and preparation for this event, we are certain that there were fears, uncertainty, and maybe even doubts about how we would survive so many firsts in a single event.

However, we have learned something these past few days: When we let God in and think FIRST about Him and HIS mission field, things just seem to work out. "Greater is HE that is in us, then anything that is in this world!"

From the moment that we emerged from our cars and trucks, greeted by a United Methodist Men-endorsed speed racer, through the registration process, through the plenaries, meetings, luncheons and dinners, worship services, we have encountered a wonderful combination of professionalism, talent, and grace.

It is ridiculously impossible to attempt to thank every individual who made this happen. So, we won't even try. But we do recognize the staff and volunteers of the Annual Conferences, the Communications Department, Worship, Agenda, and Joint Standing Committees, UMM and UMW, the Corpus Christ District, the many (more than you could ever imagine) clergy and laity who worked tirelessly to create an environment where God could work on us this week.

Whereas, we have witnessed God at work among and through us over the past few days, and whereas so many have worked to make this possible, let us, the laity of the soon-to-be Rio Texas Conference, resolve, to confirm the work of those who have given so much to bring us to this point. How do we do that? By resolving to work to be the church of Pentecost and doing all that we can to respond to God's call of the Great Commission.

May God bless us, as we continue this journey!

INDEPENDENT AUDITOR'S REPORT

To the Audit Committee and Management of
the Board of Pensions of The Southwest Texas Conference of
The United Methodist Church
San Antonio, Texas

Report on the Financial Statements

We have audited the accompanying statements of the Board of Pensions of The Southwest Texas Conference of The United Methodist Church (the Board), a non-profit organization, which comprise the statement of benefit obligations and net assets available for benefits as of December 31, 2013 (with comparative totals for 2012), and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2013 (with comparative totals for 2012), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

The Board's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Board's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Board of Pensions of The Southwest Texas Conference of The United Methodist Church as of December 31, 2013 and 2012, and the changes in its benefit obligations and net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Board of Pensions of The Southwest Texas Conference of The United Methodist Church (the Board) health insurance and pension plans provides only general information. Participants should refer to the Plan agreements for a complete description of provisions. The Pension Plan is a separate entity (maintained by the General Board of Pensions and Health Benefits of the United Methodist Church), and the results of its financial activities are reported on by other auditors.

The Southwest Texas Conference of The United Methodist Church (the Conference) provides for the following benefit plans:

- Clergy Retirement Security Program (CRSP) - as of January 1, 2007, the Ministerial Pension Plan (MPP) was converted over to the CRSP plan. The plan is funded by a 3% contribution to the CRSP Defined Contribution Plan (DC) made by the Board of Pensions of The Southwest Texas Conference of The United Methodist Church. In addition to the 3% contribution, the Board of Pensions will also fund the CRSP Defined Benefit Plan (DB). The DB contribution will equal the amount it takes to fund the employees' retirement benefit. The CRSP payment made upon actuarial cost for the years ended December 31, 2013 and 2012 was \$2,185,525 and \$2,142,325, respectively.
- Defined Contribution Pension Plan - Post 1982 service, fully funded each year by deposits from employer (church) and employee to General Board of Pensions and Health Benefits of The United Methodist Church. Retirement benefits are dependent on the balance in the individual's account on date of retirement.
- Defined Benefit Pension Plan - Prior to 1982, the Conference participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference, and will for several decades. The cost of providing the defined benefits earned prior to 1982 is viewed by the Conference as an annual expense and is funded each year by the local churches through the Board of Pensions of The Southwest Texas Conference of The United Methodist Church, an agency separately incorporated under the laws of the state of Texas.
- Health Insurance Plan - Clergy and lay employees are eligible to participate in this plan if they are regular, full-time employees of the Conference or one of the local churches of the Conference. All full-time employees must be regularly scheduled to work a minimum of 30 hours per week. Also eligible to participate in this plan are full, probationary, associate members, full-time local pastors, or retired pastors of the Conference.

The pension plans are considered church plans as defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. To ensure observance of limitations and restrictions placed on the use of resources available to the Board, the accounts of the Board are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into each fund, each fund being established by separate trusts as designated by the donors.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash Deposits

of The United Methodist Church**
Notes to Financial Statements
December 31, 2013 and 2012

NOTE 3 - ORGANIZATION AND PURPOSE

The Board was organized in 1963 as a nonprofit corporation. Its purpose is to determine and report to the annual conference the names of retired ministers and the widows and children of the deceased ministers of the Conference who are entitled to annuities, pensions, or special relief; to set, subject to the approval of the annual conference, the appropriation necessary to be made to meet such charges; and to perform such other acts and discharge such other duties as may be prescribed by the Discipline of the United Methodist Church.

The Board collects the apportionments and remits them to the General Board and Health Benefits of The United Methodist Church (the General Board). The Board also administers other funds that have been contributed to provide income that is to be used for funding pension and health insurance benefits. The Board can direct the General Board as to which type of investment account they want the funds invested in, but the General Board selects the individual investments to be made from each investment account. The Board has the authority to elect investments outside of the General Board. As of December 31, 2013 and 2012, less than 3% of all Conference Board assets are placed with the General Board, respectively.

The General Board maintains all members' accounts as to balances and vesting.

NOTE 4 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Board adopted the provisions of ASC 820, "*Fair Value Measurements and Disclosures*" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Board's financial position or results of operations. The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The Board has no Level 2 or Level 3 assets or liabilities.

The Board's financial instruments include cash and cash equivalents, receivables, other assets, and accounts payable. The carrying amounts reported in the statement of benefit obligations and net assets available for benefits approximate fair values because of the short maturities of those instruments.

The Board's financial instruments also include investments. The fair values of investments are based upon quoted market prices for those or similar investments.

NOTE 5 - PAST SERVICE LIABILITY

The Pension Plan with the General Board of Pensions and Health Benefits of the United Methodist Church was changed effective January 1, 1982. The Board is responsible for the un-funded past service liability of those participants who were members prior to January 1, 1982. The actuarially projected un-funded past service liability as of December 31, 2013 and 2012 was \$6,810,208 and \$6,324,441, respectively. Past service funding deposits are required to fund this liability and have been set at \$994,820 per year for a period of 16 years (adjusted annually to \$970,716 in 2013 and \$1,188,657 in 2012). However, in 2013 and 2012, the Board had available net assets of \$8,238,518 and \$8,104,241 respectively, which is adequate to fully fund the past service liability.

NOTE 6 - POST-RETIREMENT BENEFITS

The post-retirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered prior to January 1, 1982. Post-retirement benefits include future benefits expected to be paid to or for 1) currently retired employees and their spouse and 2) active employees and their spouse after retirement from service.

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary of the General Board of Pensions and Health Benefits of the United Methodist Church and is the amount that results from applying actuarial assumptions to historical data to estimate the present value of future annual incurred benefits. Some of the assumptions upon which these benefits are calculated have changed from those used in 2013. The significant actuarial assumptions used in the valuations were:

- a) Mortality will occur in accordance with the newly created scale, Scale BB, for calculating impact on pension plans due to increased longevity.
- b) Contributions for increases in Past Service Rate or Contingent Annuitant % benefit increases are required to be made in advance of the increase's effective date.
- c) The actuarial reserve and accumulations before retirement will be credited with interest at the rate of 7%.
- d) Surviving spouses receive 70% of the ministerial pension rate.
- e) Retirement has been assumed to occur at the age of 65 or in one year, if age 65 or older.

The valuations included assume average rates of return of 7% for the pension plan and 6½% for the health insurance plan, and expected benefit increases of 3%. The foregoing actuarial assumptions are based on the presumption the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The Pre-82 Funding Plan is under review by the Actuarial Department at the General Board of Pension and Health Benefits of the United Methodist Church.

The 2013 Past Service Rate (PSR) for the Conference is \$635 or .93% of Conference Average Compensation (CAC). The Conference Board continues to have as one of its goals that the Past Service Rate be maintained at 1.00% of CAC. The Conference's CAC is expected to increase approximately 2% per year.

NOTE 6 - POST-RETIREMENT BENEFITS (continued)

The General Board of Pension and Health Benefits of the United Methodist Church has determined that the portion of the pre-82 plan liability attributable to the Conference is \$26,428,313 with a 0% PSR increase assumption based on a 2011 PSR of \$635. Plan assets held by the General Board of Pension and Health Benefits of the United Methodist Church have an actuarially estimated value of \$18,521,258 as of January 1, 2012. (Note: The General Board of Pension and Health Benefits of the United Methodist Church uses a two-year lag to determine actuarial valuations to assist the Conference budgeting process.)

The difference between the total plan liability and current plan funding is \$7,907,055. This represents the unfunded plan liability and will be provided through non-plan funds that are held in various investment sources. The Conference intends for contributions to be made within the 12-year period, ending December 31, 2021. The annual contribution as of December 31, 2013 was \$970,716 based on a projected PSR increase of 2%.

The Conference has several funding sources for plan benefits. Both the interest and principal of non-plan funds are available for retirement funding needs.

The Board maintains a socially screened diversified portfolio invested with Wespath Investment Management.

NOTE 7 - THE HEALTH INSURANCE PLAN AND BENEFIT TO RETIRED MEMBERS

The Board sponsors a Group Health Insurance Plan. The Health Insurance Plan is self funded and administered by a third party administrator. The Pre-82 Funding Plan is under review by the Actuarial Department at the General Board of Pension and Health Benefits of the United Methodist Church.

The Conference Health Plan sets a fringe benefit to defray the cost of health benefits for retired clergy participants at \$70 for the years ending 2013 and 2012, respectively, per annuity credit year earned for pre-82 service in the Conference. This benefit is for participants or surviving spouses on the Conference Health Plan at the date of their retirement and continuing uninterrupted since that date. The fringe benefit is voted on at the Annual Conference on a yearly basis and is not a guaranteed lifetime benefit. The difference between the total cost of the insurance and the amount contributed by the Board is paid by the participant.

Although the fringe benefit is not guaranteed, the Board of Pensions is required to prepare a Post Retirement Health Benefit Funding Plan to fund the benefit should it continue until pre-82 service eligibility ceases.

NOTE 8 - DESIGNATED FUND BALANCE

Josephine Burns Forman Memorial Fund

In 2009, Ms. Josephine Burns Forman bequeathed \$537,000 to the Board of Pensions of The Southwest Texas Conference of The United Methodist Church. The bequest is unrestricted. It is being maintained as a separate account in honor of Josephine Forman, but both investment income and principal may be used to fund benefits at the discretion of the Board.

NOTE 9 - PENSION PARTICIPANT CONTRIBUTIONS AND PAYMENTS

In November 1998, the Board voted to take over the billings for the Ministers Pension Plan (MPP) and the Comprehensive Protection Plan (CPP) from the General Board of Pensions and Health Benefits of the United Methodist Conference beginning January 1, 1999. The Board bills and collects the funds from individual churches, and the General Board of Pensions and Health Benefits of the United Methodist Conference then draws the funds from the deposit account.

Due to the 2008 recession and related collapse in the stock market, the Board ended the year with pension obligations in excess of pension assets. Fortunately, the General Board of Pensions and Health Benefits of the United Methodist Church has been able to help conferences defray much of the increases that would have been required to make up this difference by declaring an "annual Conference CPP payment holiday" for the years 2010, 2011 and 2012. The amount of the defrayed payments for the Board was \$-0- and \$596,567 for the years ended December 31, 2013 and 2012, respectively.

NOTE 10 - RESTRICTED FUND BALANCES

Raeke Fund

In 1972, Mr. and Mrs. Otto C. Raeke bequeathed their estate to the Board. Within the estate were 1,743 acres in San Saba County, Texas. The property was then sold in the spring of 1978. The proceeds of the sale are restricted regardless of whether the proceeds are of greater or lesser value than the original value of the investment. Any interest or dividends earned by the assets are not restricted. The total corpus amount is \$580,572.

Boelsche Fund

In 1995, Mr. and Mrs. Ralph A. Boelsche included in their living will that the Board was a recipient of one of their two endowment funds. The fund was established by the Boelsches at the Texas Methodist Foundation in Austin, Texas. The endowment fund is to be used for the retirement benefits for Methodist ministers through the Board. The corpus amount is \$97,845 and is restricted. Earnings are distributed to the Board on January 2nd of each year.

Seiler Fund

This fund was established by the Texas Methodist Foundation in honor of Reverend Dr. Ralph Seiler. The corpus is to remain intact. Income from the funds is unrestricted. The total corpus amount is \$9,697.

S.E.F. (Superannuate Endowment Fund)

The Methodist Episcopal Church South (the Church) established the General Superannuate Endowment Fund in the 1920s as part of the pension campaign. One-half of the funds raised by a conference were credited to the conference's Superannuate Endowment Fund and the other half to this fund. Income is distributed annually to conferences in the Southeastern and South Central jurisdictions of the Church on the basis of total years of pension responsibility in each conference. It is credited to the conferences' accounts. The General Superannuate Endowment Fund distributions (deposit to conference account) are to be processed annually.

NOTE 10 - RESTRICTED FUND BALANCES (continued)

Thompson Fund

In 2000, Reverend Martha Thompson bequeathed \$50,000 to the Board. The fund is restricted for the benefit of the Conference clergy with an incapacitating condition and are disbursed at the discretion of the presiding Bishop.

Floyd M. Cunningham Jr. Endowment Fund

In 1991, Mr. Floyd M. Cunningham Jr. gave the Board \$24,116.25. It is his wish that during his lifetime, the Board invest the principal amount. It is also his desire that the First United Methodist Church McAllen (FUMC McAllen) will receive an annuity in the amount of no less than 6% annually. Upon his death or termination of membership from FUMC McAllen by transfer or other means, the annual payment to FUMC McAllen would cease and the principal may be used by the Board in support of its purpose for retired United Methodist clergy as determined by its Board of Trustees. The Board shall direct the investment of the fund and the payment of income in any manner deemed appropriate by it in keeping with its purposes and with his wishes.

NOTE 11 - CONTINGENT LIABILITY

On March 1, 2013, the Board transitioned its health benefit plan from a self-funded Base Plan and Age-Banded Premiums to a fully-funded HealthFlex plan. The Board is currently involved in legal proceedings to settle outstanding claims related to the previous self-funded plan on behalf of the covered individuals. The Board believes that settlement of these claims is estimated at a maximum total of \$239,124 as of December 31, 2013. No accurate quantification of any cost, or timing of such cost, which may arise from any of the legal proceedings outlined can be made and the Board believes these proceedings will not have a significant effect on the financial position or operations of the Board.

REPORT II
MOUNT WESLEY CONFERENCE CENTER
FOR INFORMATION ONLY

Mount Wesley's 90th year of ministry to the Southwest Texas Conference welcomed a variety of groups attended by 5,409 campers & retreatants – children, adults & youth – over the past year. The mission and ministry of Mount Wesley continues to transform the lives of all who visit "God's Holy Ground."

Over the Year

2013 saw consistent opportunities for ministry despite the continued extreme heat & dry conditions. 10 Emmaus Walks as well as numerous camps, conferences & retreats were conducted. Several more groups from outside the connection have made Mount Wesley their venue for retreats. The summer camp schedule was packed with activity for children and youth including M.A.D. (Music, Art & Drama Camp), Bandana Camp, JAM, QUEST & Kingdom Kamp. Summer camps are scheduled and information is being distributed now so plan now to send your children to summer camp. Please visit www.umcswtx.org for camp information. A limited number of camp scholarships are available through the District offices. Your church might consider fund raisers to help with the cost of registration fees. Churches might also consider transporting their campers together in church vans or buses to help with transportation expenses.

Challenges and Changes

Temperatures soared throughout the summer in excess of 100 degrees and the real challenge was to keep our campers hydrated to prevent heat related illnesses. The extended drought has created numerous challenges in maintaining the grounds. The trees and vegetation are suffering due to lack of sufficient rain fall and trees are dying. We have a definite need for assistance in the area

of tree trimming and removal. It is always a challenge to maintain an aging facility but our goal is to improve Mount Wesley with every project undertaken. The Mount Wesley staff deeply appreciates the assistance of the Mission Teams and the United Methodist Men who commit to lending a helping hand on the many projects around the campus. The UMM completed the disc golf course installation and we look forward to offering this recreational opportunity to our campers and guests.

The Mount Wesley staff is committed to offering the finest hospitality to those who seek the presence of God while on Mount Wesley's holy ground. We ask for your continued prayers that we can meet the challenges placed before us while serving God through serving the people that visit Mount Wesley's holy ground. Mount Wesley is the place where all members of the new Rio Texas Conference are welcomed in a retreat setting. We invite you to inquire about how your church or group can hold a retreat at Mount Wesley and encourage you to plan now for sending your children to camp or your adult groups to September In The Hills, Emmaus Walks or any of the other retreats or events.

Mount Wesley's staff deeply appreciates the support of the members of both the Rio Grande and Southwest Texas Conferences and wants you to know that we are careful stewards of your financial support. Our goal is to maintain the facilities for the safety and comfort of our visitors. We are blessed to be a part of this great body of Christ to be called the Rio Texas Conference going into the future and we sincerely enjoy our work with our Brothers and Sisters in Christ.

We look forward to the future, a future united with our Sisters & Brothers entering into a bold new mission field within which to serve.

Respectfully submitted,
Patti Zaiontz, Mount Wesley Administrator

UNITED METHODIST WOMEN

FOR INFORMATION ONLY

Our PURPOSE states: "The organized unit of United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church." Women of all ages believe in this PURPOSE and have chosen to be a part of this wonderful organization. Our membership, nearly 7000 in the Southwest Texas Conference, is working diligently to help women, children and youth around the world with their mission giving and mission projects.

Since our last report, we have been very busy in our local units, in our districts and with our conference events. We have also spent countless hours working toward the creation of the RIO TEXAS United Methodist Women. All Rio Grande UMW officers were invited to our executive committee meetings. Several were able to attend the different meetings and we started the process of becoming one. So far in 2014 we have met together in January and March. Raquel Mariscal, Rio Grande UMW President and I meet monthly to discuss and work on plans for our conferences to become one.

Our United Methodist Women's Luncheon at Annual Conference on June 8, 2013, was well attended. The theme of the luncheon was "Border Ministries". Nearly 250 women gathered to enjoy a wonderful lunch and to hear Deaconess Cindy Johnson talk about being a deaconess and her work with JFON – Justice for Our Neighbors – in the valley. Cindy did a wonderful job and everyone was inspired. We welcomed many of our sisters from the Rio Grande conference at this yearly event. Glenda Sanders chaired the luncheon and Joyce Elaine Fish served as registrar.

Sue Sidney, Vice President of the SJC UMW, works with the United Methodist Women of the South Central Jurisdiction UMW. They are busy planning the 2016 Quadrennial Meeting that will be held in Oklahoma City, OK. Glenda Sanders is our representative to the Program Advisory Group. Between the UMW Board of Directors and the Program Advisory Group all conferences are given a voice at the national level.

Our Mission u dean, Dianne Rumfield, and assistant dean, Cheryl Meadows, along with the Mission u study leaders traveled to training events across the US in May and June. The training prepares the staff and study leaders to present a great Mission u to all those who attend.

July 11-14, 2013, found United Methodist Women at Mount Wesley in Kerrville for our Mission u. Almost 200 women, children and youth gathered to study *The Roma of Europe*, led by Nancy Maples and Joe Vasquez; *Poverty*, led by Willie Berman; and *Living Sacramentally*, *Walking Justly*, led by Rev. J. Paul Bruhn and Rev. Cynthia Kepler-Karrer. Our one day study on *Living Sacramentally*, *Walking Justly* was led by Sue Sidney. The Youth Study, *Migration*, was led by Kelli and Tim Diemert. The Children's Study, *Migration*, was led by Theresa Cass and Rosemary Creamer. With Willie Berman being one of our study leaders, it was decided to support his mission project, Mantos Juntos, at Mission u. About 1015 school backpacks, sewing kits and health kits were collected. Along with the kits and backpacks brought in from our local units, over \$5747 was collected to help with other needs at Mantos Juntos.. The offering taken during the school was split between the UMW Scholarships for Christian Vocation and Mission Giving. The Noisy Offering, taken up on Sunday, was sent to a mission project selected by the children and youth. The Dean of Mission u was Dianne Rumfield and the Assistant Dean was Cheryl Meadows. Our musician was Sandra Viar and our song leader was Janis Crowe. Ralph Thompson was our media specialist and computer class teacher. The Mission u was dedicated to Ilda Vasquez, former SCJ UMW president and Nellie Gonzalez, former Women's Division president.

Throughout September our districts held their district annual meetings with many in attendance at each meeting. The districts also held Spiritual Retreats and Days Apart and Cluster Studies. More women are reached this way and they are experiencing spiritual

growth and renewed spirits.

The Conference Annual Meeting was held October 11-12, at First United Methodist Church, in Harlingen TX, with the McAllen District hosting the event. This was our last time to gather for an annual meeting as Southwest Texas Conference United Methodist Women. Our theme was “Who Is Our Neighbor?” At the Friday evening banquet, our former conference presidents were asked to talk about their time as president and share special memories. JoAnne Wilshusen, the first president of our organization, SWTC UMW 1973-1974, Ilda Vasquez, president 2002-2005, Sue Sidney, president 2006-2009, and Nellie Gonzalez, Women’s Division president, 2007-2010, shared their memories. Terry Schoenert, 2009 to 2014 read a letter from Joyce Elaine Fish, 1990-1993, shared memories of Clara Clemons, 1998-2001, and shared her own memories. Other women who served as UMW president were: Clara M. Johnson, 1975-1977; Frances Opitz, 1978-1981; Rena Sandidge Scott, 1982-1985; Betty Hixson, 1986-1989; Mary Lee Marshall, 1994-1997. At the end of the banquet, a booklet of history of the Southwest Texas Conference UMW was given to all those present. In 1986 a booklet was done by Beverly Stole. All the ladies mentioned above wrote a history of their time as president and these were compiled and added to the first booklet. What a wonderful remembrance for everyone. One of the booklets is located at the UMW National Office and also in the Archives at the UM Center in San Antonio. Rev. Laura Merrill was our keynote speaker on Saturday morning. She inspired all of us. Our Christian Vocation Scholarship recipients were Briana Barrett, Alexandria Smith and Keanrda Troupe. Mission items were collected for Good Neighbor Settlement House in Brownsville. Good Neighbor serves many around the Rio Grande Valley. Some of the attendees toured Good Neighbor on Friday and enjoyed a meal there. Thanks be to God for this ministry and that we could help. Our meeting closed with worship with the message and Holy Communion led by Rev. David Payne.

In November eight ladies attended Leadership Development Days in St. Louis, MO. The event was sponsored by United Methodist Women. New officers, current officers and potential leaders were included and we were all inspired by the workshops, programs and outstanding worship times. This was a first time for this format and it was a great experience for everyone.

In January 2014 the SWTC and RGC conference executive committees gathered at Mount Wesley in Kerrville for their first meeting with all officers in attendance. Marissa Villarreal of the UMW National Office joined us to lend guidance. We did activities to get to know each other better and to learn about our similarities and differences. We started talking about how we wanted Rio Texas UMW to look and do its ministry. We shared many things – our joys and our fears. We cried, we laughed and we decided that the Rio Texas UMW would organize differently than in the past. We still need to finalize how this will look. At our March meeting we will work on this new structure. Throughout January and February all the districts held their own Officer Training Events for the local unit officers and members. We continue to look at many ways to increase our membership, looking at all of the women of our conference, young through old. Everyone has a vital role in the life of the church and of United Methodist Women.

Later in January many attended the 26th Texas Legislative Event in Austin at the Holiday Inn Austin Midtown. Sue Sidney served as chair of the event. Attendance was down some due to an off year for the legislature. Due to the very cold and icy weather, the Capitol was closed and we did not get to visit our legislative offices. Women from all the conferences in Texas participate in this advocacy event in Austin. Attendees hear presentations by members of the Texas Legislature and advocacy groups that help UMW members to make choices about issues that affect women, children and youth in Texas. The event is hosted by the Southwest Texas Conference and planned by Texas Impact. We look forward to next year’s event which will incorporate more breakout sessions and exciting speakers.

In 2014 the Rio Grande and Southwest Texas UMW will join together for their Mission event in July. Both conference deans and assistant deans have been working together to plan this event. Classes will be offered in English, a bi-lingual class and a class in Spanish. It is hoped that we fill Mount Wesley in Kerrville.

In October we will have our Annual Meeting together in San Antonio. On Friday each conference will meet and take care of any final business and then join together for the evening meal. Saturday will be a busy day of electing the new officers for Rio Texas UMW, approving a budget and Standing Rules and taking of any other business and close the day with a celebratory banquet. On Sunday we will gather for our closing and the constitution of a new conference. – The Rio Texas United Methodist Women.

As we say goodbye to the Southwest Texas Conference of United Methodist Women, we remember all those women who served in our local units, our districts and our conference. Our heartfelt thanks go to all those who led us throughout these many years. Those women who are the last officers of Southwest Texas UMW are:

United Methodist Women of the Southwest Texas Conference chartered new units, re-chartered some units, and closed some units over the year, all the while keeping their focus on women, children and youth. We are about mission work with these people all over the world. These women, through their pledges to mission gave just at \$200,000 to United Methodist Women, National Office. The United Methodist Women of the Southwest Texas Conference are excited about the changes to United Methodist Women as we become Rio Texas United Methodist Women.

UNITED METHODIST MEN

FOR INFORMATION ONLY

The Conference UMM have been actively involved in discipling men for Christ and plan to increase that activity.

The Annual Men's Event at Mt. Wesley continues to be a challenge – quality over quantity. We continue to encourage men to attend. The mission project on Thursday at the Center completed the construction of the Frisbee Golf Course. Mount Wesley hosted the stay Thursday night for all the men who helped with this project. Friday afternoon we held the 3rd Annual Hill Country Road Rally and 18 holes of Golf. Saturday morning, afternoon and evening David Murrow, award winning television producer and writer based in Alaska, spoke to us about the need for men reconnecting with the church and being more active. Saturday afternoon was also the time for the legendary annual Steak Dinner. Sunday, we closed after worship and communion. We were honored to again have Reverend Terrence Hayes with us providing the Men with spiritual guidance. New to the convention were Reverend Isidro Piña from the Rio Grande Conference and Reverend Eradio Valverde, Corpus Christi District Superintendent.

Yes, we ventured once again into the Wilds of West Texas. We hiked remote canyons, explored desert mines, climbed mountains and drove roads that can best be described as mere ruts in the sand or running streams following a heavy rain. Sitting around the cabins, watching the night sky with the Milky Way glowing eerily above us, and seeing satellites speeding across the star filled heavens is something most do not see or take time to observe.

The UMM continues to be very visible at Annual Conference with the popular golf cart ministry, plus manning the floor cameras. The Silent Auction has generated interest and revenues for our programs. We were also available to assist with ushering when needed. The First Annual UMM Sponsored Bar-B-Que Cook-off on Friday evening at Conference was a great success. Even with the rainstorm at the end of Friday's session, over 250 people enjoyed the delicious Bar-B-Que. Bishop Dorff and UMM President Terry Schoenert did an excellent job of agreeing on the winning team from McAllen First. Cooks from 3 Districts competed for the coveted award of best Bar-B-Que in the Conference. The 2nd Annual cook-off is planned for Friday, June 13.

The UMM and helpers have provided a Bar-B-Que dinner on the beach at Port Aransas to over 400 youths and staff at the past two summer events. Also, six men grilled hamburgers one evening for college age young adults at the HEB Camp at Leakey. There are plans for several more cooking events in 2014.

The Conference UMM will continue to seek out events where our Discipleship will be effective. Many local units of UMM are involved daily in outreach from food pantries to clothes closets, to building rehab.

A representative of the UMM attends most of the Board and/or Committee meetings they are assigned to. The District Presidents and Committee officers regularly attend local and District events to share with the men the importance of active men in the church.

The Steering Committee has seen a continued decline in the responsibility that men take in the church operation and the direction it is heading. The Committee feels that men must step up and assume the leadership role they have been lax in doing. This must happen if the UMC is to return to the role it once had in being accountable to God and to each other.

SOUTH CENTRAL JURISDICTION

FOR INFORMATION ONLY

Plans are well underway for the 2016 Jurisdictional Conference held July 13-16, 2016 in Wichita, Kansas. The newly formed Great Plains Annual Conference will be our host, under the leadership of Bishop Scott Jones.

Delegates to this conference will be elected as early as this spring in some Conferences, and by all the Annual Conferences by spring of 2015. The delegate count to the Jurisdictional Conference will be 216, half lay, half clergy. This is forty fewer delegates than we had in 2012 when the Conference met in Oklahoma City. The reduction is due to two reasons: 1.) The total number of delegates to General Conference was reduced, to keep costs down. 2.) The rapid growth of the church in Africa has produced more Annual Conferences there each; though some are small, get a least one lay and one clergy delegate to the General Conference. Therefore, when the cap is reduced and the new Annual Conferences are accounted for, it requires a sharp reduction in delegates apportioned to the US Annual Conferences.

The expenses to hold the Jurisdictional Conference come from the apportionment for the SCJ Administration Fund. Out of that annual apportionment of \$323,163, each year, \$98,000 is held in reserve to fund the quadrennial meeting.

JOINT COMMISSION ON ARCHIVES AND HISTORY

FOR INFORMATION ONLY

This year the Archives and History Commission met several times as the “Joint Commissions on Archives and History for” the SWTX/Rio Grande conferences. In order to elect a chair for the new Commission we decided to elect 2 co-chairs in order to have representation from both Conferences. The new co-chairs for 2015 Rio Texas Commission on Archives and History are Rev. Chuck Crane and Rev. Paul Barton.

Last year SWTX Commission on Archives and History chose to assist in the formation of a new local Historical society for our region that will help to coordinate our Archives and History commission with other groups who share in the historical significance of our church and region. This year we continue in support of that new historical society as it has begun as the “Rio Texas Historical Society”. Our commission is sponsoring a gathering in October of 2014 of people from other historical society’s in the U.S. that will be gathering in San Antonio for 3 days of tours and meetings. The conference has approved funds for the assistance of the Rio Texas Historical society in this first time event. Our hopes that this event will help to encourage people from all over the conference to become better informed of their own historical legacy of their local church and community. The new officers of the Texas Historical Society are Rev. Dr. Roberto L. Gomez-President, Rev. Dr. Austin Frederick-Vice President, Ms. Wilma J. Taylor-Greene- Treasurer, and Mr. C.D. Barrington-Secretary.

The Rio Texas Commission of Archives and History will continue to strive to encourage all of our churches in our conference to seek to learn about and preserve the significant historical resources that are available in their own communities. Our heritage as church founded by ‘circuit riding preachers’ is a story that deserves to be told again and again.

We look forward to another year of new historical significance.

Rev Chuck Crane - Co Chair
Rio Texas Commission on Archives and History

COMMISSION ON NEW CHURCH DEVELOPMENT

FOR INFORMATION ONLY

Bishop Dorff, Cabinet members of the Annual Conference, brothers and sisters in Christ, I report to you today that the Office of New Church Development and Transformation is expanding its support and resourcing of leaders and congregations in the San Antonio Episcopal Area with demographic information, training, consultations, assessment tools, consultants, and coaches so that 10,000 “new” people a year can be reached with the gospel, incorporated into the life of the church, and disciplined in the most fruitful and efficient way possible through outward focused churches and by starting 20 new faith communities each year.

Our Rapidly Growing Missional Context and Our Adaptive Response

Texas is one of the fastest-growing states in the nation. Since 2000, the state’s population has increased by 12.7 percent, nearly twice that of the nation (6.4 percent). Areas like Laredo, the Rio Grande Valley, the I-35 corridor between San Antonio and Austin, and North Austin are growing in population at more than 10 percent per year! Our growing population in the San Antonio Episcopal area is becoming more Hispanic, less rural, and more diverse. Added to this, our churches are dealing with immense technological, spiritual, and social changes that define our times.

In light of our rapidly growing South Texas population and rapidly changing world, our congregations are discerning ways to address the spiritual and temporal needs of people in their communities and mission field through ministries that are relevant, meaningful, relational, inviting, and transformational. People that have disengaged from church, people that are stuck between culture and the

church, and people that have lost their faith, are experiencing an invitation to know Jesus, his forgiving grace, and the newness of life brought about by spiritual redemption. People are finding powerful new life in Christ that compels them to care for people and the world with the goal of making all things new!

Church leaders are preparing and retooling themselves with new learning and new skills to lead in a world - not that was - but that is and that is coming. An increasing number of church leaders and congregations are intentionally narrowing the leadership gaps needed to be a 21st century church as we embark on the critical mission of making “new” disciples of Jesus Christ for both the world of today and tomorrow.

Leaders are anticipating trends and changes. They are constantly making course corrections to their ministry strategies in anticipation of new social, cultural, and economic moves and trends. They are seeing, not to the end of the road, but around the corners. They are shaping the future of the church’s witness in a changing world, not just reacting to it. They are figuring out how to navigate and contribute to the wellbeing of people and communities within their contextual political, social, economic and demographic contexts. Many congregations are making a powerful life-giving community impact with limited resources by nurturing and releasing congregational gifts and graces, uniting with benevolent groups, and forming trusting partnerships with private, non-profit, and business sectors for targeted action and ministry that achieves the shared goal of positively benefiting and improving the quality of life for people, communities, and the world.

The unification of the Rio Grande and Southwest Texas Conferences has marked an end to a dichotomized missional approach to reaching our common mission field in South Texas. Churches are seeing the whole mission field now with a new eyes and a new vision. Congregations are stepping beyond their natural relational networks and intentionally increasing their capacity to develop relationships and treat with honor and respect people that are different than themselves physically, functionally, politically, socio-economically, and culturally. Leaders are understanding that the inclusion of diversity serves to proclaim the fulfillment of God’s vision for humanity, to better know thought patterns of diverse people, identify patterns, and find fruitful missional solutions.

More importantly, healthy and effective leaders and congregations that are embracing a rapidly changing demographic and world, are courageous enough to abandon practices that made them fruitful in the past but do not yield the same fruitfulness today. They are daring to be different, shifting to effective ministry paradigms, and taking new missional risks. They demonstrate the emotional stamina to withstand critique and push back from detractors. New thinking is attracting new thinkers that are joining to take courageous leaps of faith and ministry. These leaders are not readying themselves for the comfortable predictability of yesterday; they are preparing themselves for the realities of today and all the unknown possibilities and opportunities of tomorrow.

New Churches

New churches are on the frontlines of the mission field reaching new people for Christ in ways that are sensitive and relevant to a changing world and to people with changing social attitudes toward the church. University UMC in San Antonio, the San Antonio District, the SWTX Conference, and NCD, and the Kingdom all celebrate that Christ Fellowship, pastored by Rev. Adam Knight, chartered as a new congregation August 2013. They have purchased property on Shanefield Road and are making plans to relocate and build in the near future. A \$ 50,000 “Land Acquisition” grant from the Offering Christ for Today Capital Fund was awarded to Christ Fellowship to contribute toward the purchase the property.

Servant Church (Rev. Eric Vogt), The Journey (Rev. Kyle Toomire), Hope Arise (Rev. Reese Henry), and Northeast Community (Rev. Emerson Allen) are steadily growing and reaching unchurched people in their contexts. Each congregation is moving toward chartering in the near future.

Mission Church (Rev. Paul Allan) in Corpus Christi and Southtown Faith Community (Rev. Wesley Craig) in South San Antonio were discontinued due to financial unsustainability. The conference is grateful to the vision, risk-taking work, and gospel witness made by Paul and Wesley, their spouses, their children, and their congregations in efforts to reach unchurched people in Corpus Christi and South San Antonio, respectively. Much was accomplished and learned through these apostolic efforts that will serve us to create new faith communities and new life in the future.

Windsong and Centro de Vida (Rev. Stan Gonzalez) have been designated as a new church start by the San Antonio District and NCD and funded with \$ 33,945. Windsong is a result of a productive and effective relationship of oversight provided by Chapel Hill. The faith community was initiated by Rev. Virgilio Vazquez Garza when he was District Superintendent of San Antonio, Rev. John Feagins when he was pastor of Chapel Hill, and Rev. Danette Howell when she was pastor of Rector Memorial. We join Chapel Hill in celebrating the success of a new church launch that reaches the growing Hispanic population in Southwest San Antonio. Windsong and Centro de Vida have a combined worship attendance of 150 people. 30 persons are currently involved in an intentional discipling process.

Some new faith community initiatives currently under development are:

- The re-launch of an existing faith community in South Austin
- A Tejano music based church in the Rio Grande Valley led by a lay team
- A Cowboy Church in Kingsville led by a lay team
- A new Hispanic ministry to reach people in New Braunfels, TX
- A re-launched faith community in Victoria, TX

The Eagle Ford Shale Planting Zone Initiative

The Eagle Ford Shale (EFS) affects 26 counties, 121 Rio Texas Congregations, more than 1,237,000 people, and has an over \$61 Billion impact annually. The EFS area has high levels of poverty and racial/class mistrust. Between 60,000-110,000 itinerant oilfield workers crisscross the area every day.

Rev. Andrew Fiser was appointed as the EFS Planting Strategist in July 2013 in an effort to provide focus and development of strategic pathways for missional impact within the EFS Corridor. He was tasked with: 1) working with the EFS congregations to envision ways to demonstrate compassionate leadership, grace-filled presence, and relevant ministry in their communities; 2) equip and mobilize EFS congregations; and 3) facilitating the planning process for the development of the Planting Zone strategy to plant new church communities. Full development of the full EFS Planting Zone to continue into Spring 2015.

An EFS Dream Team of clergy and laity met in early March 2014 to study Fiser's assessment report and to discern the readiness, issues, needs, challenges, and opportunities for starting new faith communities, with the goal of reaching and discipling the unchurched population in the Eagle Ford Shale corridor. Eight priority areas were identified for starting new work within the next two years using various models for reaching people with the gospel. The models for reaching people in the EFS Zone will include house churches, preaching points, extension campus', cooperative planting, a vital merger, beginning a church within a church, and a new faith community start in north Laredo.

Church Transformation

Six congregations have participated in a Healthy Church Weekend Consultation this year. They are: Bethany (San Antonio), Austin Westlake (Austin), Fredericksburg (Kerrville), St. Paul's (San Antonio), St. Mark (McAllen), and Mason (San Angelo). All six congregations adopted the prescriptions. Each congregation has been assigned a coach to assist with the implementation of the prescriptions. Five more congregations are preparing for a weekend consultation in 2014-2015.

Twenty-one congregations have used the Readiness 360 Congregational Survey this conference year to assess their multiplication capacity. These congregations are following and implementing the leadership tips generated by the survey to increase their spiritual intensity, missional alignment, faith sharing capacity, and cultural openness.

2014-2015 Targets

- Assist the seven Church Strategy District Teams to determine priorities for church transformation, the allocation of resources, and where to start new faith communities
- Equip and release 50 Lay Missioners through Lay Missionary Planting Network and Launch Pad training
- Launch 20 new, lay-team led, faith communities
- Provide criteria and guidelines for micro-grants to churches to help seed the start new faith communities
- Create and support 6 clergy and peer learning groups
- Create an I-35 San Antonio to Austin Planting Zone
- Prepare and endorse 25 congregational and new church coaches
- Collaborate with Board of Ordained ministry to incorporate new church leadership assessment tools, awareness, methods, and training to equip incoming clergy to effectively and efficiently reach and disciple "new" people in their communities

Thank You

Gratitude and thanksgiving is extended to our former New Church Development Commission members. Diana Phillips, Dr. Ricky Sandeford, Dr. Roberto Lopez, Rev. Bill Duke, Rev. Aaron Saenz, Rev. Javier Leyva, Rev. Elizabeth Wright, Rev. Andrew Fiser, and Rev. Cheryl Broome.

Much appreciation goes to Rev. John McMullen for his willingness to help our conference develop a culture of coaching excellence. He is now working to endorse 40 conference coaches that will soon be available to help pastors and congregations implement initiatives that create congregational and missional excellence.

Overall, special thanks to all the congregations and individuals that fund the work of the Office New Church Development and Transformation through your apportionment giving and through the "Offering Christ Today for Tomorrow" campaign contributions. Your financial support is helping expand and extend the gospel witness throughout the boundaries of our annual conference and beyond!

REPORT I

METHODIST CHILDREN'S HOME

FOR INFORMATION ONLY

Greetings from Methodist Children's Home (MCH) and the children, youth and families we serve from the Southwest Texas Annual Conference. The historic partnership between MCH and United Methodist churches in Texas and New Mexico has offered hope to thousands of children, youth and families from the hard places in life.

I am honored to report to you that MCH continues to be in compliance with and, in many cases, to be exceeding the best practice standards established by two national accrediting organizations. MCH works hard to accomplish goals produced by our strategic plan. I invite each member of the annual conference to visit our website at www.methodistchildrenshome.org to view our strategic plan or call MCH at (800) 853-1272 to have a copy mailed for your review. The priorities and goals of our strategic plan enable our ministry to explore ways to increase our impact on children and families across Texas and New Mexico.

Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, MCH is committed to providing the services, programs and talented individuals needed to positively impact the lives of children and youth in our care. This is happening every day through residential programs on our historic Waco campus and Boys Ranch, as well as through 12 MCH Family Outreach offices, including San Antonio and Corpus Christi in the Southwest Texas Annual Conference.

The reasons children and youth arrive in our care are unique to each individual. They range from extreme trauma or a sudden change in the family structure to school issues or poor choices in a difficult and ever-changing world. Our collaboration with Texas Christian University's Institute of Child Development to incorporate Trust-Based Relational Intervention (TBRI) in our work places MCH on the cutting edge of child care as we learn new ways to serve children who have experienced trauma. These proven and tested techniques and methods of interacting with children are impacting families in positive ways. Our vision is to take what we learn with TBRI and begin making it available to pastors, youth ministers and concerned family members in the local church. The lessons we are learning, coupled with spiritual development opportunities for all children in our care, makes MCH a unique ministry of the United Methodist Church.

In addition to the accomplishments listed above, your support also empowered MCH to:

- Graduate 25 high school seniors in 2013. Thanks to our many friends, we were able to allocate more than \$500,000 for MCH alumni to pursue a college or advanced degree, certificate at a trade school or job-related training that will help them improve their families and communities. This year we had more than 40 seniors on track for graduation at the time this report was submitted to the Conference.
- Increase the impact in San Antonio and Corpus Christi through the work of our Family Outreach program. Staff in these outreach locations provide MCH foster care, in-home services – such as Partnership in Parenting – Grandparents as Parents Program, and a new program called Family Solutions. Our website has a full listing of our 12 outreach offices and how to contact them for assistance or answers to community and church needs.
- Receive a national award for innovative education through our on-campus University of Texas charter school and state recognition for the quality of activities offered to youth through our recreation program.
- Recognize the great work of 70 staff members with employee service awards. All honorees had at least three years of service, and 12 employees celebrated 15 or more years with our ministry, including two 30-year honorees.
- Participate in several mission trips and community service projects. These projects provided opportunities for MCH youth to show Christ's love by sharing their time and talents to help meet needs across Texas.

Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents and resources to bless our children. We are grateful to the following individuals from the Southwest Texas Annual Conference who currently serve on the MCH Board of Directors:

- ❖ Rev. John Alsbrooks, San Saba
- ❖ Mr. Bill Bingham, Chairperson, Austin
- ❖ Mrs. Candy Mallonee, San Antonio
- ❖ Mr. Bob Rork, San Antonio

These individuals, along with our other Board members, MCH Commissioners and benefactors, enable our ministry to achieve its mission. On behalf of Methodist Children's Home, thank you for sharing our story in your churches and communities. If you would like to schedule a speaker, arrange a tour or request resources to help promote an offering, contact our development office by e-mail at development@mchforhope.org, by phone at (254) 750-1213 or (800) 853-1272, or by mail at 1111 Herring Avenue, Waco, Texas 76708. I also encourage you to visit our website at www.methodistchildrenshome.org to download stories; identify resources to help educate your congregation on our ministry; view a transparent listing of our financial resources and services delivered; find out how you can refer a child for placement; or learn more about a call to serve our ministry as a homeparent or foster parent.

As we enter our 124th year of ministry, MCH knows our service to children and families is possible because of God's amazing grace and our generous benefactors. Thank you for your trust and support of our ministry. May God continue to bless you and Methodist Children's Home.

MORNINGSIDE MINISTRIES

Morningside Ministries Senior Living Communities

After 52 years of caring for seniors, the mission of Morningside Ministries remains steadfast. Our focus is to provide compassionate, quality care that our residents deserve and families depend on. Our goal has been and will always be about people. All of us are thankful for the dedicated, caring and skilled associates who serve every day to further this mission.

We are grateful for the leadership of our Board of Directors and the generosity of donors and loyal friends including those from the Southwest Texas Annual Conference who allow us to continue our mission of providing care for seniors. It is this enduring support that allowed us to provide \$3.8 million in charitable care to 276 of our residents last year.

The mission of Morningside Ministries isn't just on our campuses; it is also beyond our walls. From advocating for the rights of seniors in Washington to delivering educational seminars across San Antonio and Texas, we wish to be of service to seniors and their families who do not call Morningside Ministries' home. Last year, mmLearn.org, a program of Morningside Ministries, commenced its first Community of Hope International (COHI) training course. This program trains volunteers and residents to serve as lay pastoral caregivers for those who are homebound or in hospitals, nursing and retirement homes.

mmLearn.org also provides hundreds of free online training videos on a myriad of topics from medication management and depression to spirituality in aging. Our web-based programming is unequalled in the ability to reach an optimal number of professional and pastoral caregivers as well as family members caring for loved ones. Through this ministry, we have engaged all fifty states and 98 countries.

We also provided three Virtual Dementia Tours (VDT) for friends and family members in San Antonio and Boerne who are caring for a loved one with a form of dementia. The VDT, created by Second Wind Dreams, gives participants a simulation of what a person with some form of dementia may experience with their sight, touch and hearing altered. This "tour" allows a participant to understand what it may be like to have dementia coupled with other ailments that may accompany old age. The lessons guests learn allow them to not only grow in their patience with seniors, but in their empathy and compassion.

Last year, mmLearn.org had the honor of speaking at the IAHS/IAHSA-China 10th International Conference in Shanghai. Much like the United States, China faces a growing need for trained caregivers who can provide for their emergent aging population. This conference gave Morningside Ministries a worldwide platform to share about our mission and our ministry to care for the aging.

Additionally, partnering with organizations like the Jewish Community Center's Sam Barshop Institute for the Senior Games and the Alzheimer's Association's Walk to End Alzheimer's, allows our staff and residents to support worthy causes that further support seniors.

It is with much guidance and prayer that we strive to honor our residents by providing great programming and support services that will continue to enhance their lives.

As the oldest and largest, faith-based continuing care retirement community in San Antonio and Boerne, we are grateful we were afforded the opportunity to serve our community last year. We look forward to meeting the needs of a growing population not just in this new year, but in years to come.

We are thankful for the support that we receive and particularly the prayers, treasure and talent of so many people from the SWTX Conference. On behalf of Morningside Ministries, I welcome you to visit any of our communities. To request a brochure, arrange a presentation or schedule a speaker, please call (210) 734-1010.

For more information on Morningside Ministries, to learn more about our services, view informational videos or read our magazine, please visit us at www.mmliving.org.

LYDIA PATTERSON INSTITUTE
FOR INFORMATION ONLY

Lydia Patterson Institute opened its doors for the first time to the school year 1913-14, making 2013-14, the 100th session. We celebrate the time passed, and with it we celebrate the thousands of young men and women that have walked our halls. We celebrate the hundreds of young men who began their journey in ministry here and have dedicated their lives to the church. We celebrate the teachers, nurses, engineers, doctors and lawyers and many other professionals whose seeds were planted here. Most importantly, we celebrate Mrs. Lydia Patterson. Unfortunately, Mrs. Patterson lived a rather short life. In that life, she accepted her calling to ministry with the children of South El Paso, and her legacy lives on. Her love and inspiration for the welfare of those in need has lived for 100 years. This is made evident today in the number of teachers, staff members, and administrators who have dedicated their lives to changing those of the students. The incredible dedication of the staff is manifested in their years of service; 12 over 10 years; 5 over 20 years; 6 over 30 years; and Miss Cristina Woo who has served for 42 years. Mrs. Patterson did not know at the time, but her calling made for the calling of thousands of others who followed. She placed the first stone and, in the last one hundred years, a temple was built. In this temple, thousands have worshiped, thousands have been educated, and thousands have made a better life.

Today, the Student Lay Ministry Program is placing interns throughout the country. Some are in seminary and others are already leading churches. Ninety-seven percent of graduates are going to college. The 2013 graduating class received \$1.6 million in scholarships from United Methodist colleges and universities alone. Every student, past and present, begins to change his or her life the moment they step inside the walls of this temple.

The spiritual temple at Lydia Patterson remains intact, but the physical buildings have worn and tired. In preparation for the next 100 years, a capital campaign for renovation and a strategic plan for the latest state of the art technology in the classroom, labs, media and research and spiritual development centers is in place. The new chapel will provide the place where all the students, faculty and staff can worship together, and as a multi-purpose facility, will be shared with our community.

The cities of El Paso and Juarez have joined us in this venture, and have committed to a large portion of this capital campaign. The board of trustees, faculty, and staff has pledged 100%, and the students and alumni are equally dedicated to the success of this campaign.

Lastly, we celebrate those who have made and continue to make this ministry, our friends and supporters. They are the foundation of our work. They are our leaders, mentors and inspiration. We have seen their commitment once more as we prepare for the next 100 years. We wish to thank those who have already stepped up and joined us by giving or pledging to the capital campaign. With the love of God, the love and prayers of those in ministry with us, and in memory of Mrs. Lydia Patterson, we will reach our goal and be prepared to carry her legacy for another 100 years.

Socorro Brito de Anda, President

TEXAS METHODIST FOUNDATION

FOR INFORMATION ONLY

Once again, the Texas Methodist Foundation ended 2013, our 75th year of existence, as a stronger organization than we began the year. This trajectory has repeated itself annually for many years and is a pattern we intend to continue. The gains of 2013 are based, in part, on the following highlights:

Financial:

- Our **undesignated endowment** grew during the year by approximately \$3 million, ending the year with an endowment of \$27.5 million. The relationship between our loan portfolio and our endowment has never been healthier and, in fact, exceeds guidelines established by our board. Additionally, this endowment growth diversifies and enhances our operating income stream by generating additional revenue for operations.
- Not included in the amount above, **endowment dedicated to our Leadership Ministry** now totals an additional \$4.5 million.
- Our **loan quality** remains very high and liquidity is considered adequate.

Staffing:

- Both our depth and breadth of leadership and staff effectiveness expanded greatly during the year. Throughout 2013, Curtis Vick was deeply involved in leading the implementation of our strategic direction, with Candy Gross now supervising the operations area. Additionally, the 2013 hiring of Bob Dupuy as General Counsel and head of our Charitable Services ministry, and the hiring of Justin Gould to lead our fundraising efforts for the Leadership Ministry were major steps for us.
- During 2013, the position of Area Representative continued to be developed as a major component of our strategic direction. This staff includes Don Psencik in the Texas Conference, John Thornburg in North Texas, Dick Young in Northwest Texas, Eric McKinney in Central Texas, and Melvin Amerson with statewide responsibilities. A search for new Southwest Texas representation is currently being conducted. These area representatives have three primary responsibilities: 1) to serve as a primary relationship for TMF with congregations in the assigned area; 2) to determine how TMF can help develop cultures of purpose and generosity within those congregations; and 3) to connect congregations with needed resources offered either by TMF or others.
- A significant 2013 development is our receipt of a \$1 million grant from the Lilly Endowment to assist us in this work.

Grants ministry

During 2013, our staff and board grants committee underwent an intentional process of reviewing and revising our grants program to reflect a new direction for that ministry consistent with our strategic direction.

Envisioning our future

In addition to continuing to refine and implement our strategic direction, we have begun analyzing our brand in the marketplace, developed a new tagline, and formalized an initiative for envisioning and accomplishing our goals for the next five years.

The significance of these highlights and our growth, both in financial gains and in growth in human and intellectual capital, however, lies, ultimately, in the lives changed in local congregations across the state where our services helped enable ministry. The measure of success for our services – investments, loans, stewardship ministry, leadership ministry, and charitable services, including gift planning, church endowments, and grants – is in how effective they are at helping individuals and congregations fulfill God’s purposes, as together we work to make Christ’s love visible in the world.

DISTRICT REPORTS

DISTRICT SUPERINTENDENT'S REPORT

FOR INFORMATION ONLY

The Cabinet of the San Antonio Episcopal Area, representing the SWTX and Rio Grande Conferences, worked together as a unified body throughout the year. It was a great gift to grow and deepen our relationships across conference and district lines, collaborating with the bishop and each other on appointments, new ministry initiatives, and configurations for new Rio Texas districts.

In lieu of a report to the joint annual conference, the Cabinet sponsored a celebration dance in honor of Bishop Dorff's birthday, led by youth and young adults. Set to Pharrell Williams' song, "Happy," we claimed our own beatitude: "Happy are those who serve with Jim Dorff, for they shall be called Rio Texas!"

CORPUS CHRISTI DISTRICT

FOR INFORMATION ONLY

The Corpus Christi District under the leadership of District Superintendent, Rev. Eradio Valverde, Jr has made it their goal to reach out to the Mission field in various ways this year.

Our District has a very diverse population. Lying within the bounds of the Eagle Ford Shale Oil development some of our churches are exploring ways to reach the exploding population of their towns. With the help of Andrew Fizer these churches are finding ways to reach out to their unique mission field. Likewise urban churches are reaching the mission field. St. Paul's UMC in Corpus partnered with KABOOM to build a playground on the west side of Corpus Christi, and Asbury UMC in Corpus hosted 800 children at their Vacation Bible School this past summer. Outlying area churches are also reaching out to those around them. Aransas Pass UMC connected with Beacon of Hope bringing over 30 young people to Christ.

To support our goal of reaching out to the Mission field the Corpus Christi District held two Ministry Workshops in the District. One was hosted by First United Methodist Church of Three Rivers and the other by Grace United Methodist Church in Corpus Christi. In the spring the District put on its first Mission Fair at the Memorial Auditorium in Goliad, Texas. There were eleven different ministries represented. Each booth had people who could speak about the ministry they represented, whom it served, how to implement it, as they offered their guidance and support as resource people for those who attended the event.

The District Spiritual Retreat in fall of 2013 was designed to remind all participants to step forward with "Childlike Faith." Those in attendance were encouraged to reach out to others with the same passion, joy and excitement that is evident in children. Likewise, clergy families of the District joined together the weekend after Easter at a Clergy Family Retreat for some very much needed time of rest and renewal so that they could continue reaching others without becoming burned out or tired.

I am delighted to say that this year we had eight churches bring 71 youth to the Confirmation rally held at First United Methodist in Corpus Christi. We also have a team who have been working with the United Methodist initiative of Justice for Our Neighbor as we seek to help people who are immigrating to our area. Throughout this year the Corpus Christi District has begun to look past their own front doors and to step out into the mission field. With God's help and guidance we will live into our design and our purpose of being those who make disciples for the transformation of the world.

Rev. Linda Morrow, Director of District Ministries

MEMOIRS

GUIDELINES FOR MEMOIRS

In the Southwest Texas Conference it is the responsibility of the minister who conducts the funeral of a deceased minister, or spouse of a minister, to write the memoir for the conference journal. The memoir is not designed to be either a eulogy or a memorial sermon, and is not the place for sentimentality; but this brief and specialized biographical account can be a document suitable as a historical record and a portrayal of personality and spirit.

Certain facts are basic and essential for inclusion in a memoir. The style of writing and the method and order of presentation may differ but a memoir should contain the following information, either within the body of the memoir or listed at the end:

1. Personal life, early period: complete name of the deceased; date and place of birth; names of parents, including mother's maiden name.
2. Educational background: schools and colleges attended, with years noted; degrees and honors received, with dates.
3. Ecclesiastical data: first church membership (name of church, location, date); dates of ordination and admission to annual conference; appointments served; special areas of service on conference boards and agencies; retirement date; residence following retirement; and any service after retirement. (This paragraph is to be adapted to the spouse.)
4. Personal life, late period: date of marriage and name of spouse (including maiden name of wife); full names of children (including married names); date and circumstances of death; date and place of funeral and burial; names of officiating clergy; and address of surviving partner or nearest relative.

It shall be the responsibility of the annual conference secretary, as editor of the journal, to see that this basic biographical information is contained in the memoirs that are printed in the conference journal. When the conference secretary is informed as to who will write a memoir, he/she will send to the writer of the memoir a copy of these guidelines, and instruct the writer to make sure that the memoir that is written is complete with the necessary biographical information. It should not be more than 300 words in length.

Writers of memoirs should present a copy of the memoir to a member or members of the family of the deceased so that it may be checked for accuracy before it is sent to the conference secretary. Memoirs should be received by the conference secretary within one month after the death of the person who has served the conference as minister or minister's spouse.

A glossy photograph, preferably black and white, secured if possible from the family, should be made available for publication with the memoir.

ROY BRENT FISHER

MARCH 6, 1932 - MARCH 19, 2014

Brent Fisher lived his life in service to others. This calling was imprinted on him as a nine-year-old child attending his father's funeral at a church in Pampa, Texas. His mother showed him a church window on which was written the word "OTHERS," and told him the window had been placed there by his father as a reminder that God asks us to live our lives in service.

In Brent's words, "This became for me a personal imprimatur stamped on my forehead, a missional calling lasting to this very day."

Anyone who knew Brent knows this is truly how he lived his life. Losing his father at an early age and growing up poor taught him to have empathy for others and gave him a lack of interest in material things. Instead, his life was focused on helping people find healing and navigating their way through life.

Joy was a big part of who he was. In his youth, he ran track with joyful abandon as a member of the State Championship Track Team at Corpus Christi High School. His magnetism attracted people. He collected friends like others collect sea shells. He was named "Outstanding Boy" in 1949 during his senior year. In college, as president of his fraternity, he kept Lambda Chi in the black.

He graduated from the University of Austin with a degree in elementary education in 1954. Having received the call to ministry, he earned his Masters of Theology from Perkins School of Theology at Southern Methodist University in 1957. As a youth director, he enjoyed the young crowds of people. As a young father, he played with his children.

Then, as his ministry progressed, he found another source of joy. After serving in vibrant churches including St. Andrews United Methodist Church in San Antonio for two years and St. Luke United Methodist Church in Austin for four years, Brent was appointed to First United Methodist Church in Kenedy, Texas. He watched the world change and with it the church.

Young people shifted their interests away from the church, and this small town church was apathetic to this movement. So he turned his focus to working for equal rights in the segregated ranching and farming community. He worked to integrate the swimming pool, establish and build the library, and open the first head start program in the county.

He took sodas to the valley marchers, who were demanding a living wage and sheltered Latinos in his all-white church after a tornado tore through their homes. He worked against the wishes of the leaders of his church and community to benefit others.

JOHN ADAM FLUTH SR.

SEPTEMBER 14, 1921 - NOVEMBER 5, 2013

On October 7, 1945 he married Elouise Perdue. He completed his Bachelor's Degree at Trinity University and secured his master's degree from Perkins School of Theology at Southern Methodist University. Ordination

in 1951 led to many decades of service in the following churches: Leakey, Pettus, Palacios, Edcouch, Lampasas, Boerne, Angelo Heights in San Angelo, Bishop, Harlandale in San Antonio, and Sinton. Even in retirement, he served as associate pastor at St. John's in Corpus Christi, volunteer chaplain at Sinton Nursing Home and at the Sinton Restitution Center, and then eleven years as pastor at Skidmore United Methodist Church. After moving to the Meadows in 2004, he was a volunteer chaplain at Morningside Manor for several years. Music was always important to John. He played the trombone in high school, at the University of San Antonio, the Herman Sons band, the 141st Infantry band, and in the Army Air Corps band in Iceland. After the war when he returned to college, he sang in the Trinity University choir and the Laurel Heights Methodist Church choir. He was born in 1919 in La Paz, Bolivia, the second son of the Reverend Moisés Merubia and María Luisa Phillips. His early education was in Methodist schools mostly in the city of Cochabamba with the exception of about two years spent in California. This was followed by service in the Bolivian Army where his call to the Methodist ministry was confirmed.

After the army, he attended seminary in Buenos Aires, Argentina. While there, he met and married Elsa Angélica Martínez. They were married for 64 years and had three children: Sonia Mabel, Moisés Alberto and Liliana Elsa. In 1950, the family moved to Boston while Alberto did post-graduate work at Boston University. Throughout this time Alberto founded a church in Bolivia (La Reforma, La Paz) and served another in Mar del Plata, Argentina.

Because of incompatibility with the Argentine political climate, the family immigrated to Texas in 1956. Alberto served churches in San Antonio (Edgewood and Cokesbury, 1956-1963, St. John's 1973-1984) and Austin (Ward Memorial, now Parker Lane, 1963-1973) and, after retirement from the parish ministry, worked as the bilingual chaplain at the Methodist Hospital in San Antonio for 10 years. His memoir, *In The Line Of No Resistance: God's Will*, published in 2005, was also a product of this fruitful period. As a pastor and father Alberto was loving and kind, strong-willed and opinionated. Expressive and enthusiastic, he led a passionate life and enjoyed sharing his world with everyone he met.

JOHN RICHARD TIMPERLEY

MARCH 21, 1917 - MARCH 5, 2013

John and Jane Timperley began their time in San Antonio when John received a military appointment to Ft. Sam Houston. He was chaplain of the Eleventh Airborne Division of the Army; he jumped with them some twenty seven times.

They soon bought their beautiful home at 321 Rittiman Road, convenient to Ft. Sam and near St. Andrew's where they soon became dynamic members for some thirty-five years, fulfilling well their promise to support the charge with their prayers, their presence, their gifts and their service. They were there for every worship and activity; they were part of every mission undertaking like SMM Shelter, Wesley Community Center, Habitat for Humanity, and Mount Wesley. They transported other members including a retired lady whom they brought to Wesley Class and Worship every Sunday for eleven

years. They attended UMW and UMM; Jane was a part of the Lay Pastoral Care Team; John was a part of the Tuesday Moring Crew. Both were active in the Wesley Class which he often taught; they attended every funeral and frequently visited the sick and the home bound.

Jane and John enjoyed a model marriage with mutual love and respect for each other. John said "It was at church that I met Jane, the best thing that ever happened to me." It was their Minneapolis Methodist Church with their busy young program including Christian Endeavor, choir, prayer meetings, etc. In his latter years, he said: "God and Jane have been good to me."

After retirement from the military, he heard that Jim Ferguson was looking for an assistant conference secretary. Jim told him he was very over-qualified with his degrees and experience for the job with such small pay. He said: "I'll take it." When Jim retired a few years later, he became secretary, treasurer, and journal editor for the Southwest Texas Conference; he held the job from 1978 until 1984 under three bishops.

John Richard Timperley was born March 21, 1917 in Minneapolis, Minnesota; he died March 5, 2013 in Madison, Alabama.

VERA M. JOHNSON

JUNE 10, 1918 - MAY 23, 2014

Friday, March 23, 2014 God called his Good and Faithful Servant, Vera Moten Johnson, "Mama Vera", to come home and live with Him in the Mansion He prepared for her.

"Mama Vera" was born to her proud parents, the late Reverend General Moten and Rosie Arnold Moten, on June 10, 1918 in Mooreville, Texas. She had five brothers, T.C., Willard (Gus), Desha, Lorenzo and Noy Moten and three sisters: Ethel Nelson, Mildred Schuler and Louise Matthews who all preceded her in death. Rev. General and Rosie Moten later moved their family to Waco, Texas.

Mama Vera gave her life to Christ at an early age beginning at Bracks Chapel Methodist Church, where her father was the pastor and received her formal education in Waco schools. On October 3, 1941, in Hugo, Oklahoma she married the late Reverend Robert William Johnson. They later moved to Waco, Texas. She was the mother of nine children; the following preceded her in death, Rosie Marie, Dorothy, Bonzell, Robert Jr., Eugene, Lorenzo, Willard. She is survived by her children Coque, Demetrus and her grandson, Darrell Johnson.

Mrs. Vera Johnson was the first lady of St. Paul United Methodist Church (UMC) in (Chilton, Texas), Wesley UMC (San Angelo, Texas), Satin UMC (Satin, Texas) and Majors Chapel UMC (Golinda, Texas). She served in numerous capacities: communion steward, choir, and president of the senior ministry at Bracks United Methodist Church.

Mrs. Johnson was an energetic and active woman in her dynamic years who exemplified compassion, dignity, an unwavering quest for living and belief in God. "Mama Vera" wore many hats, figuratively, and literally, during her lifetime. She has been a wife, mother, pastor's wife, businesswoman, grand and great-grandmother, just to name a few.

After successfully completing a prescribed course in the study of professional millinery from the Academy of Millinery Design, Mrs. Vera M. Johnson was awarded a diploma and license to make hats in January of 1965. Although her hands were full caring for her family, Mrs. Johnson began her first home-based entrepreneurial venture by creating, designing, and selling hats in Waco. News traveled fast and her business prospered. She designed original hats; she had customers throughout central Texas and some even from Houston.

In 1970, she owned and operated another business, Rumble Tumble Day Care Center. This was a joint business venture shared with her husband, the late Rev. Johnson, also known as "Big Daddy". They only charged parents \$10 a week for childcare. As they cared for the children, they also counseled many of the young parents in building a firm Christian foundation for their family. All during this time Mrs. Johnson was her husband's helpmate in his ministry throughout central Texas.

Mrs. Johnson continued to be active in her church work at Bracks Chapel UMC and other community activities. She also found time to volunteer at Caritas. Mrs. Johnson remained committed in her belief of giving a helping hand whenever and wherever she could. It was one of her greatest joys in serving God through serving people when called upon.

This matriarch leaves to cherish her memory her daughter Mrs. Coque Gibson (Commissioner Lester Gibson), her son Mr. Demetrus Johnson (Mrs. Danna Johnson), son-in law Earl Thompson (Dorothy Thompson-deceased); one sister-in law Mrs. Coque Campbell; 18 grandchildren and numerous great-grandchildren and great-great-grandchildren; and a host of nieces, nephews, and friends.

He talked a lot about plowing the fields with a team of mules when he wasn't big enough or strong enough to lift the plow at the end of the rows. John left home when he was 15 and lived and worked on river boats that travelled up and down the Mississippi River as well as its tributaries. He received his "call" at the age of 18 to military duty during the Korean War and was most proud of his service as a Military Policeman in the Army. John was married to Bobby Jean for a few years and ran a restaurant

in George West, Texas. He then moved to San Antonio and began to work in the floor covering business. He completed his GED and studies at San Antonio College on the G.I. Bill. John and Sue were married in 1968 and continued in the floor covering business together until Sue entered the ministry of the United Methodist Church.

Four wonderful children, Lee Ann Perkins Crockett (husband Lance); Mary Lou Perkins Cummings (husband Dave); Martin Perkins (wife Lisa) and Bonnie White Payne (husband Andy) are the blessings of their lives as well as Kelsey Lee, Mary Kate and Colleen Margaret Crockett; Kathryn Blair; David Franklin, Daniel Nolan Cummings; Matthew Phillip, Morgan Paige and Layne Shannon Perkins; Olivia Grace and Ian Nolan Payne – all eleven representing the best and most wonderful grandchildren.

MARGARET YEAMAN

SEPTEMBER 13, 1930 - JULY 23, 2013

After over a dozen strokes that destroyed decades of memories and a long battle with vascular dementia and Alzheimers, Margaret Anne Lang Yeaman left us on July 23 to go to the Great Backup in the Sky and is now retrieving all the pleasant memories of her life with her husband, John, of sixty-two years, of son, Paul, and daughter, Anne, all of Austin. Her paternal grandparents met on the boat from Germany to Indianola and homesteaded where Margaret grew up on a farm near the German community of Meyersville, Texas. She was born to Paul and Lurel Paine Lang in Cuero, Texas, on September 13, 1930. She and her younger sisters, Pat Ownby of Dallas and Carlyn Elder of Crozet, Virginia, learned to cook from their mother on a wood-burning stove that Margaret remembered. She milked the cows among many chores. She was an avid reader by lantern and remembered when REA brought electricity to her home. Early grades were in a one-room school, then in nearby Cuero when her mother began teaching there. She got her education degree from SMU, where she met her future husband. She and John married July 7, 1951, and began a life together in which she was his

soul mate, friend, and colleague. She taught until John received his graduate degree. She started teaching again when Anne was in middle school. She preferred teaching early grades but one year taught secondary at Kirby Hall where she especially enjoyed leading a class in Shakespeare. Her last years of teaching were in Elgin Primary as an ESL teacher. She often described herself as a rugged individualist. She was involved in Democratic politics, participated in a rump convention, and often worked elections. Anne remembers sitting beside her to watch the first episode of Sesame Street. She enjoyed creative cooking, humor, causing others to smile and laugh; loved life and music, singing and reading.

SECTION 10

HISTORICAL SESSIONS OF THE ANNUAL CONFERENCE

The History of the Southwest Texas Annual Conference began in 1858, when the Rio Grande Mission Conference of the Methodist Episcopal Church South was organized. This became the Rio Grande Annual Conference in 1864, and the name was changed to the West Texas Conference in 1866. In 1918, the German Mission Conference of the Methodist Episcopal Church South (all except three charges in East Bernard and Houston) merged with the West Texas Conference. The German Mission Conference had been organized in 1874, when the German Charges, which had been at one time or another in the Louisiana, Texas and Rio Grande Conference, were organized into a Conference.

In 1874, the Southern German Conference of the Methodist Episcopal Church was organized, and this became the Southern Conference (German) in 1918. The Gulf Mission, which held its first session in 1893, became the Gulf Mission Conference in 1897, and the Gulf Annual Conference in 1904. In 1912, the Southern Swedish Mission Conference was organized. In 1926, the three Conferences of the Methodist Episcopal Church, the Gulf Annual Conference, the Southern Swedish Mission Conference, and the Southern Conference (German), were united in the Southern Conference.

In 1939, the Southwest Texas Conference boundaries were established and all of the charges of the former West Texas Conference and of the Southern Conference within its boundaries were united into the Southwest Texas Conference.

On May 27, 1970, a certain portion of the West Texas Conference of the former Central Jurisdiction of the Methodist Church and the Southwest Texas Conference merged into one new conference now know as the Southwest Texas Conference of The United Methodist Church.

10. The Pre-Conference meeting of district clergy and lay members of the Annual Conference or the spring session of the District Conference shall have the right to address the Annual Conference following the procedures established in the Standing Rules.
11. The Agenda Committee shall state on its agenda the amount of time to be allowed for each approved Report.
12. No institutional representatives shall be allowed to speak, except within the time allotted to an Annual Conference agency, or as specifically scheduled by the Agenda Committee. Institutional representatives may be presented to the Conference.

Conference Session Procedures

13. The Bishop may appoint a Floor Manager to assist in the handling of the agenda. The Floor Manager will work with the Conference Secretary, the Bishop and the Agenda Committee to respond to changes in the agenda necessitated by agenda items which take more or less time than scheduled.
14. The Conference Secretary shall nominate, and the Annual Conference elect, the persons needed to assist in the proceedings of the Conference. These include the Timekeeper, Tellers, Associate Secretaries, and the Minutes Committee.
15. The Committee on Courtesies shall be made up of the Conference Lay Leader as chairperson, and the host pastor, the Presidents of United Methodist Women and United Methodist Men, and a representative from the Worship Committee. The Committee is responsible for writing a formal recognition for the Journal of those who have assisted in the Conference Session, and to respond to requests for personal greetings of the Conference. The Committee is authorized to respond to such requests without formal action of the Conference.
16. The Conference procedures will be governed by the following in order of precedence: The Book of Discipline, the Standing Rules, any special rules adopted by the Annual Conference, and the current edition of Robert's Rules of Order.
17. Debate on any issue will include not more than three speeches of three minutes each on each side of the question. Additional time may be granted by a two-thirds (2/3) vote of the Annual Conference.
18. The Standing Rules may be suspended at any time by a two-thirds (2/3) vote of the Annual Conference.
19. Additional or supplementary Reports to the Pre-Conference Report shall be in the hands of the Conference Secretary before the Report is reached on the agenda. The Report shall be typed and double-spaced and shall include the name of the Reporting body and, if applicable, the page of the corresponding Report in the Pre-Conference Report. If the Report contains action items, it must be in the hands of the Conference Secretary early enough to allow for printing and distribution to the Conference twenty-four (24) hours before the Report is considered by the Conference. The Conference Secretary is responsible for ensuring that an announcement is made to the Conference notifying the Conference that the Report has been distributed and when the Report is to be considered. This provision does not include action which is germane to the deliberations of the Conference at the time it is introduced. Motions made from the floor must be presented in writing to the presiding officer and the Conference Secretary at the time the motion is made.
20. Consent Agenda 1 consists of Reports from Conference agencies which are not for action, but are "For Information Only." The Conference acts only to receive these Reports and print them in the Journal.
21. Consent Agenda 2 consists of action Reports about which there is believed to be little or no dissent. The items included in Consent Agenda 2 are determined by a task force composed of the Assistant to the Episcopal Office, the Conference Secretary, and the Floor Manager. The action of the Annual Conference is to adopt these Reports as a group. Any member of the Annual Conference may move the deletion of any of the items from Consent Agendas. With a second, and a one-minute explanation by the maker of the motion, it will be voted on by the Conference without debate. If 20% of the members vote that the item be removed, it will be removed and brought to the floor as a non-consent item at a time to be determined by the Agenda Committee.
22. Resolutions shall reach the floor of the Conference only after consideration and action of the appropriate Conference agency. Proposals may be presented to the Conference floor by minority Report if that minority consists of at least five members or one-third of the total membership of that agency, whichever is less.
23. Any motion being made to the Annual Conference creating a committee, task force, etc., for any purpose which is within the area of concern of any existing agency shall be referred to the proper agency for consideration and action. After due consideration, this agency may request the formation of a special task force or committee. The motion creating a new committee or task force shall include the source and amount of funds necessary to accomplish the task.
24. If a dispute arises regarding the contents of the Journal, the Bishop or the Assistant to the Episcopal Office may appoint a Journal Committee of no more than three persons to resolve the dispute.
25. Should the Annual Conference adopt any Report that approves action or sets policy contrary to the Standing Rules in effect at that Session, unless the Standing Rule is suspended by a two-thirds (2/3) vote, the Standing Rule prevails and invalidates the conflicting action.
26. The critical importance of full understanding and participation by all members of Annual Conference is hereby recognized. They are therefore called upon to make known their questions and opinions during its Sessions, and the Bishop and program

leaders or Reporting officers shall seek to involve laypersons in the deliberations and to encourage broad participation.

Conference Agencies

27. In accordance with ¶ 659 of The 2012 Book of Discipline, the District Conferences will be composed of all members of Annual Conference as set forth in Standing Rules 1-5 who are related to churches within the bounds of their respective districts and currently elected to office. In addition, it shall include the chairperson of each District agency or standing committee. Any other members of the standing committees are entitled to voice without vote.
28. An individual member of any agency elected by the Annual Conference shall not serve more than eight consecutive years, no more than four of which shall be as chairperson. Filling a vacancy in an unexpired term of two years or less is considered interim service and is not counted as part of the eight consecutive year limit. Filling a vacancy of an unexpired term of more than two years is considered to be a full term and shall count the same as four years. This rule does not apply to members of the Conference Board of Trustees, Board of Pensions, and Board of Ordained Ministry whose terms are established in The 2012 Book of Discipline ¶ 2512.1, ¶ 639.2 and ¶ 635.1 respectively.
29. No individual shall be an elected member of more than one Conference agency at a time. The Committee on Nominations may make exceptions to this rule in order to increase inclusiveness.
30. No District Superintendent or Conference staff person shall be eligible to serve as an elective member of any Conference agency. If a member at the time of appointment or hire, he/she shall be considered to have resigned such membership.
31. Unless otherwise provided by The Book of Discipline or by law, the members present at any duly announced meeting shall constitute a quorum.
32. Any elected member of a Conference agency who does not attend any meetings of that agency during the Conference year without excused absence shall be deemed to have vacated the membership, and the chairperson of that agency shall Report this to the Annual Conference Committee on Nominations.
33. Any elected position on a Conference agency which is vacant at the end of the Annual Conference Session, or which becomes vacant during the Conference year, may be filled by the Conference Committee on Nominations unless other provision is explicitly made by The Book of Discipline.
34. The Committee on Nominations will seek to provide equitable district representation in the agencies of the Conference as a whole, recognizing that size limitations make it impossible to have district representation on each agency.
35. The Committee on Nominations will work toward the goals of inclusiveness as set forth in ¶ 610.5 in The 2012 Book of Discipline which states: "...special attention shall be given to the inclusion of clergywomen, youth (¶ 256.2 [sic] [Ed. Note: should be ¶ 256.3]), young adults, older adults, persons from churches with small memberships, people with disabilities, and racial and ethnic persons, in keeping with policies for general Church agencies. It is further recommended that the membership of such agencies, except for the Board of Ordained Ministry, include one-third clergy, one-third laywomen, and one-third laymen, who are professing members of local churches." In the Southwest Texas Conference, the exception for the Board of Ordained Ministry would likewise apply to the Conference Board of Laity.
36. Meetings of the full membership of Conference agencies are limited to two meetings during the year at times other than Annual Conference Session. Any agency that fails to meet during any Conference year is disbanded unless otherwise required by The Book of Discipline.
