## HISTORICAL SESSIONS OF THE ANNUAL CONFERENCES

### *Rio Grande Conference*

El ministerio de La Iglesia Metodista Unida a través de la Conferencia Río Grande, tuvo sus precursores ya desde 1815, tanto en ministros de las fronteras como en los Colportores de las Sociedades Bíblicas y en algunas de las comunidades de fe de los Colonos de Texas. Los esfuerzos ya más instituidos, empero, trazan su historial a dos de los ramos del metodismo: La Iglesia Metodista Episcopal y La Iglesia Metodista Episcopal del Sur.

La Iglesia Metodista Episcopal principia en 1850 con nombramientos a Nuevo México, a través de la Conferencia de Oregón y California y de la Sociedad Misionera, y posteriormente, a través de varias otras Conferencias. Estos primeros esfuerzos, si bien terminan en 1856, darán como fruto una Misión en Peralta. Dicha Misión continuaría por sí misma, bajo liderazgo fiel de algunos laicos, hasta 1871 que es cuando se prosigue ya en forma de un Distrito parte de la Conferencia de Colorado. En 1876 este Distrito, bilingüe por cierto, se constituye en la Misión de Nuevo México la cual continúa siendo parte, hasta 1884, de la Conferencia de Colorado. La obra toma nuevo curso, manteniendo aún su relación con la Conferencia de Colorado hasta 1891, pero reorganizándose en 1885 para dar lugar a la Misión Española de Nuevo México la cual posteriormente, al verse fortalecida se convierte, en 1892, en Conferencia Misionera Española de Nuevo México. En 1915 y hasta 1924, las obras de habla española y habla inglesa se vuelven a unir, formándose la bilingüe Conferencia de Nuevo México. En 1924 otra reorganización se hace necesaria y de ella nos viene la Misión Española del Suroeste la cual, en 1932, se hace Misión Latino Americana, continuando así hasta 1936. Finalmente, de 1937 a 1939, la obra se organiza como Misión de Nuevo México. Durante este periodo la mayoría de los obreros mantienen su membresía clerical en la Conferencia de Nuevo México de 1924 a 1927, en la Conferencia Misionera de Nuevo México en 1928 y en varias otras Conferencias, hasta la unificación de los metodismos de 1939.

La Iglesia Metodista Episcopal del Sur, por su parte, principia en 1859 con nombramientos a El Paso y a San Antonio, a través de la Conferencia Misionera del Río Grande, los que durarían uno y dos años respectivamente. En 1871 se reanudan los esfuerzos con un nombramiento a Corpus Christi, a través de la Conferencia del Oeste de Texas, que da como fruto un Distrito. La obra crece y en 1885 se establece como Conferencia Fronteriza Misionera Mexicana. En 1890 dicha Conferencia se divide en dos, naciendo la Conferencia Noroeste Misionera Mexicana. En los años 1914-1915 se da la primera reorganización en base a obra en Estados Unidos y obra en México, por lo que se forma la Misión Mexicana de Texas en 1914 y al Conferencia Fronteriza Mexicana en 1915. La Misión Mexicana de Texas, sin embargo, mantiene la mayoría de su membresía clerical en México en la Conferencia Fronteriza Misionera Mexicana en 1914 y en la Conferencia Fronteriza Mexicana hasta 1918. Por otro lado, en 1918 se da la reorganización de la obra occidental y se forma, con ello, la Conferencia Mexicana y la Misión Mexicana del Occidente Es así que a partir de 1918 y hasta 1930 la Misión Mexicana de Texas y la Misión Mexicana del Occidente mantiene la mayoría de su membresía clerical en la Conferencia Mexicana. En 1930 se da la separación definitiva de la obra mexicana y estadounidense y ambas Misiones pasan a ser Conferencia Mexicana de Texas y Conferencia Mexicana del Occidente, respectivamente, continuando así hasta la mencionada unificación del 1939.

En 1939, con la formación de La Iglesia Metodista, se dio también la unificación de la Misión de Nuevo México, la Conferencia Mexicana de Texas y la Conferencia Mexicana del Occidente, formándose la Conferencia Mexicana del Suroeste, la cual cambia de nombre en 1947 a Conferencia del Río Grande.

El Primero de Enero del 2015, La Conferencia Río Grande de la Iglesia Unida Metodista y La Conferencia Southwest Texas de la Iglesia Metodista Unida se unificaron para formar un sola conferencia; La Conferencia Rio Texas de la Iglesia Metodista Unida.

***SOUTHWEST TEXAS CONFERENCE***

The History of the Southwest Texas Annual Conference began in 1858, when the Rio Grande Mission Conference of the Methodist Episcopal Church South was organized. This became the Rio Grande Annual Conference in 1864, and the name was changed to the West Texas Conference in 1866. In 1918, the German Mission Conference of the Methodist Episcopal Church South (all except three charges in East Bernard and Houston) merged with the West Texas Conference. The German Mission Conference had been organized in 1874, when the German Charges, which had been at one time or another in the Louisiana, Texas and Rio Grande Conference, were organized into a Conference.

In 1874, the Southern German Conference of the Methodist Episcopal Church was organized, and this became the Southern Conference (German) in 1918. The Gulf Mission, which held its first session in 1893, became the Gulf Mission Conference in 1897, and the Gulf Annual Conference in 1904. In 1912, the Southern Swedish Mission Conference was organized. In 1926, the three Conferences of the Methodist Episcopal Church, the Gulf Annual Conference, the Southern Swedish Mission Conference, and the Southern Conference (German), were united in the Southern Conference.

In 1939, the Southwest Texas Conference boundaries were established and all of the charges of the former West Texas Conference and of the Southern Conference within its boundaries were united into the Southwest Texas Conference.

On May 27, 1970, a certain portion of the West Texas Conference of the former Central Jurisdiction of the Methodist Church and the Southwest Texas Conference merged into one new conference now know as the Southwest Texas Conference of The United Methodist Church.

On January 1, 2015, The Rio Grande Conference of the United Methodist Church and The Southwest Texas Conference of the United Methodist Church unified into one conference to become The Rio Texas Conference of the United Methodist Church.

**REPORT V**  
**DISTRICT SUPERINTENDENT'S REPORT**  
FOR INFORMATION ONLY

The Rio Texas Annual Conference cabinet is excited to actually continue its efforts to serve what were the Rio Grande and the Southwest Annual Conferences. Under Bishop Jim Dorff's leadership and initiative, the cabinet met for 4 years as a joint cabinet even before we became the Rio Texas Annual Conference. We were committed to making appointments and shaping ministry across conference boundaries. There is still much for us to learn about one another, about our churches, and about our pastors. So it is most helpful to have members of the cabinet from both former annual conferences, including three "at the table" from the former Rio Grande Conference.

Since the 2012 General Conference there has been a new emphasis on the District Superintendent as District Mission Strategist. This newly assigned role is added to the 11 other roles outlined in the Book of Discipline, Paragraph 419. For several years now we have joined with about 40 other district superintendents from across the jurisdiction in a learning and support group led by Dr. Gil Rendle. In addition to sharing stories, struggles and conflicts we have been shaping our understanding of this new role.

We understand and are committed to building trusted relationships with our pastors and churches, understanding that mission strategy begins in the local churches. Our effective appointments and support is critical in our role as district superintendents. Each of us loves our Church and our local churches and so we pray to be good listeners, good leaders, and good visionaries for the mission of God's church.

We thank you for all you do as we seek to serve Christ together for this world in great hurt and in need of the grace and mercy of God.

Respectfully submitted,  
Bill Henderson, Dean

## FINANCE TABLE

### REPORT I

#### ITEMS FOR ACTION

The purpose of the Finance Table is “to develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Annual Conference” (§611.1 2012 *Book of Discipline*).

Receipts on all funds for 2014 by Southwest Texas Conference and Rio Grande Conference were \$11,487,340 or 93.2% of the apportioned amount. The Finance Table is proposing the budget for 2016. The overall apportioned budget for all funds totals \$10,793,151.

The Finance Table sees itself as joining with the local church in the work of the financial ministry of the Annual Conference. We commend the 2016 budget to the Conference. It represents the uniqueness and depth of ministries and missions provided by our church and economic realities of our Conference.

Proposed:

1. That each of the funds described in the section of this report headed “Conference Funds for 2016” be approved and that the traditional decimal formula be used in determining the apportionments for 2016 for each mission or chartered church/charge for these funds:

- General and Jurisdictional
- Conference Benevolence
- Ministerial Support
- Conference Administration
- Pension and Benefits
- District Missions

The decimal formula shall be based on the two year average of local church operating expenses divided by two years of conference-wide local church operating expenses times each apportioned fund. Operating expenses include only these line items from the Local Church Report to the Annual Conference:

- Line 48 /49 – Pastor(s) Compensation
- Line 50 – Utilities and Housing Paid to Pastor(s)
- Line 51 – Accountable Reimbursement Paid to Pastor(s)
- Line 52 – Other Cash Allowances Paid to Pastor(s)
- Line 53 – Compensation and Benefits Paid to Deacons
- Line 54 – Compensation and Benefits Paid to Diaconal Ministers
- Line 55 – Salary and Benefits to All Other Church Staff
- Line 56 – Program Expenses
- Line 57 – Current Operating Expenses other than Program

If there are separate district apportionments determined by each district they would be calculated in the same manner, but two years of district-wide local church operating expenses would be used rather than two years of conference-wide local church operating expenses. See further discussion set forth in Report III.

2. That the following policies be approved and observed:

At the beginning of the calendar year, the Finance Table shall determine which portions of the Conference Benevolence and Conference Administration are “fixed costs” (salaries, benefits, etc.) and shall thus be authorized to be paid at 100% of the approved budget. On the basis of prior-year receipts to these funds the Finance Table shall then determine a percentage of the approved budget to be authorized for expenditures in the remaining items of each budget, so that expenditures shall not exceed income.

- a. Each church is expected to support all funds at 100% of the apportioned amount. (§247.14 2012 *Book of Discipline*)
- b. The churches are requested to make payments thereon aggregately, with the understanding that the Conference Treasurer will allocate such payments according to the appropriate percentage due the fund according to the Conference Budget.

3. That an Unrestricted Fund Balance Account be maintained by the Annual Conference at a minimum level of 20% of the current total of the Conference Funds and that any undesignated interest income be transferred to the undesignated fund balance at the end of the fiscal year.

4. That all apportioned funds, pension and health benefits costs both receipts and disbursements, be managed through the office of the Conference Treasurer and that all boards, agencies, committees, and commissions use the Conference Treasurer as fiscal agent.
5. That for 2016 and beyond, the salary and benefits (including clergy housing) for district superintendents and all Conference Center personnel be set by the Personnel Committee within the approved total salary budget and clearly reported to the Annual Conference.
6. That all agencies receiving funds from the Conference budget shall affirm that funds will not be expended for uses not consistent with ¶613.18-19 2012 *Book of Discipline*.
7. That the amount of compensation designated as housing allowance for ordained staff members and district superintendents of the Conference be set by an annual resolution of the Conference Finance Table after consideration of a statement of amounts to be used during the year.
8. That the governing boards of United Methodist related entities should apply to the Finance Table to be granted the privilege of soliciting and receiving funds from churches, individuals, and other sources (but not from conference-wide offerings except as indicated in the list which follows) in keeping with ¶262 2012 *Book of Discipline*; no capital campaigns be approved for 2016; and that the following, and only the following, conference-wide offerings be approved for 2016:
  - Human Relations Day.....General Conference
  - One Great Hour of Sharing.....General Conference
  - Native American Awareness.....General Conference
  - Peace with Justice.....General Conference
  - World Communion.....General Conference
  - United Methodist Student Day.....General Conference
  - Harvest Sunday (see Transforming Communities Vision Team Report).....Annual Conference
9. That the Chairperson, Vice-Chairperson, and Secretary of the Conference Finance Table, the Chairperson of the Audit Committee, and the Conference Treasurer/Director of Administrative Services constitute the executive committee of the Conference Finance Table.
10. That the Finance Table be authorized to appoint a Conference auditor.
11. That a Conference Fund not be permitted to carry over unobligated budget allocations from one conference year to another unless specifically authorized by the Finance Table. Agencies receiving funds from sources other than apportioned funds may carry over such unspent funds into the next year. Any unobligated budget allocations not authorized for carryover will be added to the undesignated Fund Balance of the Annual Conference.
12. That 5 p.m., Friday, January 8, 2016 be the cutoff time by which all payments from local churches must be in the office of the Conference Treasurer in order to be applied to the 2015 year.
13. That each Conference board, agency, or institution receiving or disbursing funds not managed by the Conference Treasurer maintain adequate financial records and prepare and submit annual audit reports to the Conference Treasurer and the Finance Table. All treasurers should be properly bonded.
14. That the Conference fiscal year begin on January 1, 2016, and end on December 31, 2016.
15. That the Conference Finance Table be responsible for designating depositories for Conference funds.
16. The Conference will include in each annual budget an appropriate line for each “shall” ministry as defined by *The Book of Discipline*.

**REPORT II**  
**MEETING EXPENSE REIMBURSEMENT**  
 FOR CONFERENCE ACTION

All boards and agencies are urged to schedule meetings, as far as possible, on dates and places coinciding with other groups in order to affect economy in travel expenses. Travel Expense shall be paid to members going to official in-conference meetings (between Annual Conference Sessions) at the rate of 40¢ per mile. The allowance for meals shall be \$3.00 for breakfast; \$7.00 each for lunch and dinner necessitated by the meetings. Reimbursement of 100% of lodging expenses necessitated by meetings at contracted hotels through the Annual Conference will be made. Those who choose to stay elsewhere will be reimbursed at the lowest contracted rate. The Conference meeting organizer will provide contracted hotel information to participants. Original lodging receipts must accompany the Disbursement Request. These allowances are not to cover full cost at all times, simply to assist in the additional expense of attending meetings. When meetings are held at Mount Wesley the prevailing rates for meals and lodging at the Conference Center shall be paid as allowances.

When the Annual Conference provides lodging and meals at a meeting, no alternative lodging or meals will be reimbursed. This includes Mount Wesley and any other location where the Conference has made prior arrangement for meals and lodging.

Childcare expenses per meeting day not to exceed \$30.00 for the first child, not to exceed \$20.00 for each additional child, shall be allowed and included in the meeting expense of the board or agency.

Travel for duly elected delegates or representatives of the Conference to meetings of other organizations or connectional agencies shall be paid as stated above. However, actual air travel, lodging, and other expenses may be paid if funds are available from the board or agency concerned.

When it is necessary to fly to a meeting, flight must be booked at least 14 days prior to the meeting. If flights are not booked 14 days prior to the meeting, the member booking the flight must pay the difference in the cost of the flight. This does not apply in the rare instances when the meeting is an emergency meeting that is not announced prior to 14 days.

Each local church is encouraged to undergird the meal, transportation, and lodging expenses of Annual Conference members in attending Annual Conference by adding a minimum of \$100 to the church budget for each lay and clergy delegate. The district superintendents are asked to encourage such support at each Charge Conference.

**REPORT III**  
**CALCULATION OF APPORTIONMENTS**  
FOR INFORMATION ONLY

The primary goal in the calculation of apportionments is to present an equitable distribution of ministry costs of the Conference among local churches. Apportionments for 2016 will be calculated by the formula: two years of local church operating expenses divided by two years of conference-wide local church operating expenses times each apportioned fund.

$\frac{\text{2 years of Local Church Operating Expenses}}{\text{2 Years of Conference-Wide Local Church Operating Expenses}} \times \text{Each Apportioned Fund}$
---

Operating expenses include only these line items from the Local Church Report to the Annual Conference:

Line 48 /49 – Pastor(s) Compensation

Line 50 – Utilities and Housing Paid to Pastor(s)

Line 51 – Accountable Reimbursement Paid to Pastor(s)

Line 52 – Other Cash Allowances Paid to Pastor(s)

Line 53 – Compensation and Benefits Paid to Deacons

Line 54 – Compensation and Benefits Paid to Diaconal Ministers

Line 55 – Salary and Benefits to All Other Church Staff

Line 56 – Program Expenses

Line 57 – Current Operating Expenses other than Program

If there are separate district apportionments determined by each district they would be calculated in the same manner, but using the sum of two years of district-wide local church operating expenses.

**REPORT IV**  
**INTEGRITY OF RESTRICTED FUNDS**  
FOR INFORMATION ONLY

The Finance Table has considered the funds that were held by both legacy conferences as designated and restricted funds. The distinction between designated and restricted is:

A designated fund is designated after receipt by the appropriate governing body.

A restricted fund is restricted in its use by the source of the funds.

There are a number of both designated and restricted funds from both legacy conferences. Maintaining the integrity of these funds is a basic and fundamental responsibility of the Finance Table and other agencies in the Río Texas Conference.

Specifically, General Church Grants received by the Rio Grande Conference or by the Río Texas Conference that are restricted to fund mission pastors will be used only for legacy churches of the Rio Grande Conference. Such General Church Grants will expire at the end of the 2013-2016 Quadrennium.

**REPORT V**  
**AUTHORITY OF THE FINANCE TABLE TO RESPOND TO UNFORESEEN FINANCIAL SITUATIONS**  
FOR CONFERENCE ACTION

The Finance Table has the authority to adjust the budget implementation on the basis of changing economic conditions and unforeseen circumstances as authorized in ¶¶613.5 -- 613.11 and ¶¶616 – 618 2012 *Book of Discipline*.

**REPORT VI**  
**SUPPORT FOR DISTRICT SUPERINTENDENTS**  
**AND OTHER CABINET LEVEL POSITIONS**  
FOR CONFERENCE ACTION

The Finance Table is recommending that the salary and benefits for the Río Texas Conference District Superintendents and other cabinet level positions for 2016 be set equal to that adopted by the Southwest Texas Conference and the Rio Grande Conference for 2015.

***Compensation***

Cash salary is set at \$99,976 per annum.

Clergy Retirement Security Plan, Comprehensive Protection Plan, Health Benefits, and utilities shall vary according to their actual cost.

***Travel***

The Conference may provide an automobile to each District Superintendent for use in his/her work. Included in this benefit is the payment by the Conference of the actual cost of gasoline, maintenance, tires, repairs and insurance.

Maintenance and proper care of the automobile is the responsibility of the person to whom it is assigned. The Conference shall insure the automobile under the Conference Policy. In case of accident the deductible shall be paid by the Conference through the appropriate Conference fund.

The automobile shall be used only for church purposes, commuting to and from the office, and other minimal personal use as defined in IRS regulation 1.274-6T. Commuting and personal use shall be reimbursed to the Conference at the rate published by the IRS for business mileage for 2016.

The expense for gasoline, oil and necessary repairs shall be included in the per mile charge for use of the automobile. Travel by public transportation, when approved by the Cabinet, shall be charged to the Superintendent's expense budget.

When a Conference car is used for transportation, where travel expense is paid by another agency other than the Annual Conference, the District Superintendent shall reimburse the Conference the amount received.

When a District Superintendent must travel out of Conference by air, actual cost shall be reimbursed.

Cabinet related meals and lodging may be presented for reimbursement.

All reimbursements are limited to the amount provided for Cabinet related and auto expenses in the Annual Conference budget.

***The Scope of the Work Related to Expense***

It is understood that the automobile may be used and the room and meal expenses be claimed for any occasion related to the District work. This shall include expenses (not reimbursed by other agencies) incurred inside or outside our Conference as long as the expenses are incurred because attendance at said function was required as a District Superintendent. This includes meetings of the Cabinet.

Method of Reimbursement: Each Superintendent shall submit to the Conference Treasurer the receipts or charge slips for gasoline, oil, lodging, meals and other reimbursable expenses on a monthly basis. These expenses shall be submitted on a form approved by the Finance Table.

**Expenses to be Provided by the Districts**

Office space, office telephone (including long distance), postage, secretarial service, printing, office utilities and insurance on furniture and equipment if applicable, library and periodical expenses, entertainment related to the district, and other normal expenses related to the superintendency not paid by the Annual Conference.

All of the above items shall be paid directly by the District Treasurer upon presentation of the statements.

The District shall also provide a parsonage, parsonage utilities (not including personal long distance), parsonage maintenance and insurance on parsonage or an appropriate housing allowance.

The district shall not reimburse the superintendent for expenses covered by the Annual Conference reimbursement policy.

We have audited the accompanying statements of financial position of the Southwest Texas Conference of The United Methodist Church (the Conference), a non-profit organization, as of December 31, 2014 and 2013, and the related statements of activities (with comparative totals for 2013) and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

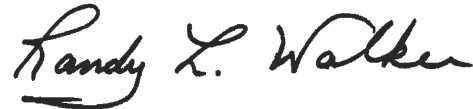

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Southwest Texas Conference of The United Methodist Church as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**SOUTHWEST TEXAS CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The purpose of the Southwest Texas Conference of The United Methodist Church (the Conference) is to proclaim the saving word of God--that God has met our deepest needs in and through Jesus Christ. That word is proclaimed through worship, fellowship, service, mission, and by representing the gift and demand of God's love to people in need of God's grace. The Conference carries out this purpose in a number of ways. These include serving as the administrative agency for the United Methodist churches in the Southwest Texas region, establishment of local churches that become a part of the Conference, the provision of leadership to the local churches, the enabling of ministry in the local church and through the extended connection of The United Methodist Church.

The accompanying financial statements of the Southwest Texas Conference of The United Methodist Church have been prepared on the accrual basis of accounting.

All assets of the Southwest Texas Conference of The United Methodist Church reported in the accompanying financial statements are held in trust by the Board of Trustees of the Southwest Texas Conference of The United Methodist Church, incorporated under the laws of the State of Texas.

**BASIS OF PRESENTATION**

The Conference is required to report information regarding its financial position and activities according to three classes of net assets:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Conference and/or the passage of time.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Conference. The Conference had no permanently restricted net assets as of December 31, 2014 and 2013.

**CASH EQUIVALENTS**

For purposes of the statements of cash flows and the statements of financial position, the Conference considers all investments purchased with a maturity of three months or less to be cash equivalents.

**ESTIMATES**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

**APPORTIONMENTS AND ACCOUNTS RECEIVABLE**

The accounts receivable for apportionments and other church giving are adjusted to reflect the amount actually received by the second week of January of the following year; therefore, an allowance for doubtful accounts is not required.

**SOUTHWEST TEXAS CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**PROPERTY AND EQUIPMENT**

Property and equipment are recorded at cost when acquired by purchase and at fair market value when acquired by gifts. The Conference capitalizes property and equipment with a cost or fair market value over \$2,500. Cost and associated reserve are written off when the asset is fully depreciated.

Automobiles - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Furnishings and Equipment - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Mt Wesley Buildings - where historical cost or fair market value at the date of the gift were not available, the assets were recorded at 50% of their insured value as of December 31, 1985. These assets are being depreciated on a straight-line basis over 40 years.

Mt. Wesley land is recorded at the appraised value based on a 1985 appraisal by a firm of real estate appraisers.

**INCOME TAX STATUS**

The Conference qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

**NOTE 2 - OTHER ASSETS**

The Conference has had several churches close or combine with other congregations in the last few years. The Conference has assumed responsibility for the churches' properties pending their sale. At December 31, 2014 and 2013, the remaining churches assumed by the Conference totaled \$1,237,000, respectively. These properties are included in other assets of \$1,248,960 at December 31, 2014 and 2013, respectively.

**NOTE 3 - CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include \$35,068 and \$136,748 designated for Stepping Out In Faith at December 31, 2014 and 2013, respectively.

**NOTE 4 - LINE OF CREDIT**

During August 2004, the Conference entered into an agreement for a line of credit of \$500,000 with Texas Methodist Foundation for the Mt. Wesley project. The line bears interest at prime less .25% and expires on August 7, 2023. The line is secured by land in Kerr County, Texas.

The Conference had outstanding borrowings of \$-0- and \$31,076 at December 31, 2014 and 2013, respectively.

**NOTE 5 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Conference adopted the provisions of ASC 820, "*Fair Value Measurements and Disclosures*" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Conference's financial position or results of operations.

The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The Conference has no Level 2 or Level 3 assets or liabilities.

**SOUTHWEST TEXAS CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 5 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)**

The Conference's financial instruments (Level 1) are as follows at December 31, 2014:

	Carrying Amount	Fair Value
<b>Financial Assets:</b>		
Cash and Cash Equivalents	\$ 6,227,982	\$ 6,227,982
Designated Cash & Cash Equivalents-SOIF	\$ 35,068	\$ 35,068
Accounts Receivable	\$ 1,136,993	\$ 1,136,993
Prepaid Expenses	\$ 177,354	\$ 177,354
Prepaid Supplies	\$ 40,789	\$ 40,789
<b>Financial Liabilities:</b>		
Accounts Payable	\$ 1,543,434	\$ 1,543,434
Accrued Expenses	\$ 27,850	\$ 27,850

The Conference's financial instruments (Level 1) are as follows at December 31, 2013:

	Carrying Amount	Fair Value
<b>Financial Assets:</b>		
Cash and Cash Equivalents	\$ 5,376,674	\$ 5,376,674
Designated Cash & Cash Equivalents-SOIF	\$ 136,748	\$ 136,748
Accounts Receivable	\$ 1,160,042	\$ 1,160,042
Prepaid Expenses	\$ 317,659	\$ 317,659
Prepaid Supplies	\$ 40,530	\$ 40,530
<b>Financial Liabilities:</b>		
Accounts Payable	\$ 1,307,585	\$ 1,307,585
Accrued Expenses	\$ 29,657	\$ 29,657
Line of Credit	\$ 31,076	\$ 31,076

The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.

**NOTE 6 - CONTINGENT LIABILITY FOR UNFUNDED POST-RETIREMENT BENEFITS**

Prior to 1982, the Southwest Texas Conference participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference and will for several decades. In 2013, the Conference Board of Pensions had assets in excess of their liabilities, and, therefore, no unrecorded liability exists for that fiscal year. However, based on the most recent actuarial valuations, as of December 31, 2014, the Conference Board of Pensions had a fully funded plan.

**SOUTHWEST TEXAS CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS

**NOTE 7 - PROPERTY AND EQUIPMENT**

**NOTE 8 - PENSION PLAN**

The Conference is responsible for pensions for two classes of persons - clergy appointed to the Conference and lay employees.

The Pension Plan for clergy appointed to the Conference is administered by the Board of Pensions of the Southwest Texas Conference of The United Methodist Church. The Conference's contribution to the cost of that plan for the years ended December 31, 2014 and 2013 was \$123,855 and \$106,024, respectively.

The Pension Plan for lay employees is funded through the purchase of annuity contracts. Employee contributions are voluntary and are made on a pre-tax basis. Employer contributions are a percentage of wages and are defined in the Master Agreement between the Conference and the Board of Pensions of the Southwest Texas Conference of The United Methodist Church. The contribution for the years ended December 31, 2014 and 2013 was \$57,191 and \$53,393, respectively.

The above plans are both "church plans" as that term is defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

**NOTE 9 - RESTRICTIONS ON NET ASSETS**

Support and contributions that are restricted by the donor are recorded as an increase in temporarily restricted net assets until the restriction expires or the Conference disburses the funds in accordance with the restriction. Designated funds are internally restricted by the Conference and have no external legal restrictions. (See Note 13)

The Conference received funds from the new leasing company to pay off the remainder of the existing lease obligation. At December 31, 2014 and 2013, the Conference had an outstanding lease obligation of \$89,161 and \$-0-, respectively. **NOTE 11 - RECLASSIFICATION**

Certain amounts in the 2013 financial statements have been reclassified to conform to the 2014 presentation.

**NOTE 12 - SUBSEQUENT EVENTS**

In order to capitalize on synergies and opportunities for new ministry, effective January 1, 2015 the Southwest Texas Conference of The United Methodist Church united with the Rio Grande Conference of The United Methodist Church to form a new entity, United Methodist Rio Texas Conference. Both the Southwest Texas Conference of The United Methodist Church and the Rio Grande Conference of The United Methodist Church have existing funds which are either restricted or designated. These funds will be a part of the assets of the newly formed United Methodist Rio Texas Conference. The purpose of these funds will be honored.

The Conference has evaluated subsequent events through March 2, 2015, the date the financial statements were available to be issued.

### INDEPENDENT AUDITOR'S REPORT

The Board of Directors  
Rio Grande Conference of the  
United Methodist Church  
Alice, Texas

We have audited the accompanying statements of financial position of the Rio Grande Conference of the United Methodist Church, a non-profit organization, as of December 31, 2014 and 2013, and the related statements of activities (with comparative totals for 2013) and cash flows for the years then ended, and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

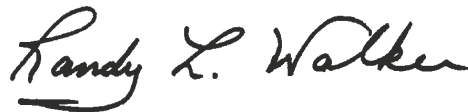

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Rio Grande Conference of the United Methodist Church as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Other Matter**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on page 16 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**RIO GRANDE CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

NATURE OF ORGANIZATION

The Rio Grande Conference of the United Methodist Church (the Conference) is a nonprofit organization associated with the General Council on Finance and Administration of the United Methodist Church. The Conference's mission is to lead persons, particularly the growing Hispanic population living in the boundaries of the states of Texas and New Mexico, to become disciples of Jesus Christ committed to serving and transforming the communities of which they are a part, so that God's Kingdom may be realized more fully.

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. To ensure observance of limitations and restrictions placed on the use of resources available to the Conference, the accounts of the Conference are maintained in accordance with the principles of fund accounting. This is a procedure by which resources for various purposes are classified into each fund. Each fund is established by separate trusts as designated by the donors.

BASIS OF PRESENTATION

The Conference is required to report information regarding its financial position and activities according to three classes of net assets:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Conference and/or the passage of time.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Conference.

PROPERTY

Property is recorded at cost when acquired by purchase and at fair market value when acquired by gifts. Cost and associated reserve are written off when the asset is fully depreciated. The Conference capitalizes assets over \$1,000 that have more than a two-year useful life. Depreciation is computed using the straight-line method over an estimated useful life of ten to thirty years.

CASH EQUIVALENTS

For purposes of the statements of cash flows and the statements of financial position, the Conference considers all investments purchased with a maturity of three months or less to be cash equivalents.

INVESTMENTS

Investments are carried at market, and realized and unrealized gains and losses are reflected in the statement of activities. Investments acquired by gift are valued at amounts representing estimated fair market value at the date of the gift.

**RIO GRANDE CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

INCOME TAX STATUS

The Conference qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

CONTRIBUTIONS

The Conference reports gifts of cash and other assets as temporarily restricted support if they are received with donor restrictions as to period of availability or use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

POST-RETIREMENT HEALTH CARE BENEFITS

The funded status of the Conference's postretirement benefit plans is measured as the difference between the fair value of plan assets and the accumulated postretirement benefit obligation. The overfunded or underfunded status of the plans is fully recognized as an asset or liability in the accompanying statements of financial position. Changes in the funded status of the plans are recognized in the year they occur as changes in unrestricted net assets. See also Note 7 to the financial statements.

The Rio Grande Conference voted to end the previous post-retirement health benefit plan effective December 31, 2014. This is a part of the agreement to form a new conference effective January 1, 2015. As a result of this action, the current corporate entity will be changed. It will have a new Board of Directors and new by-laws. The current post-retirement health benefit plan will end. The post-retirement health benefit plan of the new United Methodist Rio Texas Conference Board of Pensions will be a closed plan, and no new participants will be added after the effective date. Participants in the plan will be limited to those who were participating in the post-retirement health benefit plans of the Southwest Texas Conference and the Rio Grande Conference. The annual benefit amount is fixed at the dollar value of the annualized benefit paid during December 2014.

**NOTE 2 - ASSETS HELD FOR SALE**

The Conference has had several churches close or combine with other congregations since 2008. The Conference has assumed responsibility for the churches' properties and notes payable associated with these properties pending their sale. At December 31, 2014 and 2013, respectively, the remaining churches and parsonage assumed by the Conference totaled \$1,534,607 and \$1,242,900, respectively.

**NOTE 5 - LEASE COMMITMENTS**

The Conference leases office space in Alice, Texas under a month-to-month agreement with a local landlord. The monthly rental expense is \$480. For both years ended December 31, 2014 and 2013, rental expense for this office space was \$6,720.

**RIO GRANDE CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 5 - LEASE COMMITMENTS (continued)**

The Conference also leases office space in San Antonio, Texas from the Southwest Texas Conference of the United Methodist Church. There is no written lease agreement for this office space. The monthly rental expense is \$1,346. For the years ended December 31, 2014 and 2013, rental expense for this office space was \$11,474 and \$15,837, respectively.

**NOTE 6 - EMPLOYEE PENSION AND OTHER BENEFITS PROGRAM**

The following description of the Conference's pension plan (the Plan) provides only general information. Participants should refer to the Plan agreements for a complete description of provisions.

The Rio Grande Conference provides for the following benefit plans:

Clergy Retirement Security Program (CRSP) – As of January 1, 2007, the Ministerial Pension Plan (MPP) was converted over to the CRSP plan. The plan is funded by a 3% contribution to the CRSP Defined Contribution Plan (DC) made by the Conference. The contribution made by the Conference for the years ending December 31, 2014 and 2013 for the CRSP program was \$86,766 and \$113,597, respectively.

Defined Benefit Pension Plan (Pre 82) – Prior to 1982, the Rio Grande Conference participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference, and will for several decades. The cost of providing the defined benefits earned prior to 1982 is viewed by the Conference as an annual expense and is funded each year by the local churches through the Conference. The contribution made by the Conference for the years ending December 31, 2014 and 2013 for the Pre 82 program was \$99,782 and \$1,375,578, respectively.

The pension plans are considered church plans as defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

**NOTE 7 - POST-RETIREMENT BENEFIT OBLIGATIONS**

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary of the General Board of Pensions and Health Benefits of the United Methodist Church and is the amount that results from applying actuarial assumptions to historical data to estimate the present value of future annual incurred benefits. Some of the assumptions upon which these benefits are calculated have changed from those used in 2012. The significant actuarial assumptions used in the valuations were:

- a) Mortality will occur in accordance with the newly created scale, Scale BB, for calculating impact on pension plans due to increased longevity.
- b) Contributions for increases in Past Service Rate or Contingent Annuitant % benefit increases are required to be made in advance of the increase's effective date.
- c) The actuarial reserve and accumulations before retirement will be credited with interest at the rate of 7%.
- d) Surviving spouses receive 70% of the ministerial pension rate.
- e) Retirement has been assumed to occur at the age of 65 or in one year, if age 65 or older.

**RIO GRANDE CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 7 - POST-RETIREMENT BENEFIT OBLIGATIONS (continued)**

The valuations included assume average rates of return of 7% for the pension plan. The foregoing actuarial assumptions are based on the presumption the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The Plan with the General Board of Pensions was changed effective January 1, 1982. The Rio Grande Conference of The United Methodist Church is responsible for the un-funded past service liability of those participants who were members prior to January 1, 1982. The actuarially projected un-funded past service liability as of December 31, 2014 was \$8,218. As of December 31, 2013, the Plan had no benefit obligation or pension asset. However, in 2014 and 2013, respectively, the Conference had available net assets of \$6,941,162 and \$6,751,035, which is adequate to fully fund the past service liability.

**NOTE 8 - ENDOWMENT**

The Conference's endowment consists of approximately three individual funds established for a variety of purposes, including ministerial support, mission aid salaries, and new church expansion. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

*Interpretation of Relevant Law*

The Board of Directors of the Conference has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Conference in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted funds:

1. The duration and preservation of the fund;
2. The purpose of the Conference and the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and the appreciation of investments;
6. Other resources of the Conference; and
7. The investment policies of the Conference.

**NOTE 8 - ENDOWMENT (continued)**

Following is a description of amounts classified as permanently restricted net assets and temporarily restricted net assets (endowment only) at December 31:

	<u>2014</u>	<u>2013</u>
<b>Permanently Restricted Net Assets</b>		
The portion of perpetual endowment funds required to be retained permanently, either by explicit donor stipulation or by UPMIFA	\$ <u>144,234</u>	\$ <u>144,234</u>
<b>Temporarily Restricted Net Assets</b>		
The portion of perpetual endowment funds subject to a time or purpose restriction under UPMIFA	\$ <u>38,246</u>	\$ <u>37,747</u>

*Funds With Deficiencies*

The fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Conference to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in unrestricted net assets. There were no such deficiencies as of December 31, 2014 and 2013.

*Return Objectives and Risk Parameters*

The Board of Directors of the Endowment Fund (the Fund) has adopted investment and spending policies for the Permanent Endowment Fund assets that attempt to fulfill the purpose of the Fund and also protect the principal of the Fund.

The objectives of the Fund's investment policy are:

1. To conserve principal for the effective maintenance of purchasing power.
2. To provide regular income at a reasonable rate.
3. To expand income and principal over and above that necessary to offset rises in the cost of living.

*Strategies Employed for Achieving Objectives*

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investment returns are achieved through current yield (interest and dividends). The Fund is designed to offer a portfolio balanced through a diversified group of quality securities.

**RIO GRANDE CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 9 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Conference adopted the provisions of ASC 820, "Fair Value Measurements and Disclosures" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Conference's financial position or results of operations.

The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The Conference does not have Level 2 or Level 3 assets or liabilities.

The Conference's financial instruments (Level 1) are as follows at December 31:

	2014		2013	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets:				
Accounts Receivable	\$ 1,205	\$ 1,205	\$ -	\$ -
Grant Receivable	\$ 60,000	\$ 60,000	\$ -	\$ -
Note Receivable	\$ 68,702	\$ 68,702	\$ -	\$ -
Financial Liabilities:				
Accounts Payable	\$ 15,000	\$ 15,000	\$ -	\$ -

The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.

The Conference's financial instruments also include investments. The fair values of investments are based on quoted market prices for those or similar investments.

**NOTE 10 - LOSS ON SALE OF ASSETS HELD FOR SALE**

During 2014, the Conference sold three properties that were being held for sale. The properties had not been depreciated and the sales prices were determined to be stated at fair market value when recorded. Therefore, the difference between the sales prices and the recorded prices for the three properties netted to a loss of \$63,300 that is reflected in the statement of activities for the year ended December 31, 2014. Proceeds of \$144,000 were received from the sale of these assets. There were no sales of assets held for sale in 2013.

**RIO GRANDE CONFERENCE  
OF THE UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2014 and 2013**

**NOTE 11 - CONCENTRATION OF CREDIT RISK**

**NOTE 12 - GRANT RECEIVABLE**

The Conference has a grant receivable due from the General Commission on Religion and Race that will be distributed in four equal installments. The Conference considers this receivable to be fully collectible. Therefore, no allowance for doubtful accounts is deemed necessary by management. The grant receivable was \$60,000 and \$-0- as of December 31, 2014 and 2013, respectively.

**NOTE 13 - NOTE RECEIVABLE**

The Conference has a note receivable related to the sale of the Socorro, NM property. The seller-financed agreement is an installment note bearing an annual interest rate of 3.75% with monthly interest and principal payments. The note receivable balance was \$68,702 and \$-0- as of December 31, 2014 and 2013, respectively.

**NOTE 14 - SUBSEQUENT EVENTS**

In order to capitalize on synergies and opportunities for new ministry, effective January 1, 2015 the Rio Grande Conference of The United Methodist Church united with the Southwest Texas Conference of The United Methodist Church to form a new entity, United Methodist Rio Texas Conference. Both the Rio Grande Conference of The United Methodist Church and the Southwest Texas Conference of The United Methodist Church have existing funds which are either restricted or designated. These funds will be a part of the assets of the newly formed Rio Texas Conference of the United Methodist Church. The purpose of these funds will be honored.

The Conference has evaluated subsequent events through April 22, 2015, the date the financial statements were available to be issued.

## REPORT III

## 2016 COMPREHENSIVE FUNDING PLAN

FOR INFORMATION ONLY

The 2012 *Book of Discipline* ¶ 1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBPHB). This summary document is only a portion of the information contained in the actual signed funding plan. As such, it might not contain all the information required for a comprehensive view of the benefit obligations of the conference. You may request the full contents of the 2016 comprehensive benefit funding plan from your conference benefit office.

Following is the summary of the Comprehensive Benefit Funding Plan (CBFP) that received a favorable written opinion from GBPHB for the 2016 conference benefit obligations:

***Clergy Retirement Security Program (CRSP) Defined Benefit (DB) and Defined Contribution (DC)***

**Plan Overview:** The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by annual conferences. The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2014 is \$1.105 billion, while total plan assets are \$1.274 billion resulting in a current plan funded ratio of 115%. The Rio Texas Conference portion of the liability is 1.5837% and the 2016 contribution is \$1,596,709. The conference anticipates that the amount will be funded by direct bill. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Rio Texas Conference has elected to cover clergy serving Full Time under CRSP effective January 1, 2016.

Effective January 1, 2014 CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy have the opportunity to earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP, therefore if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013 and prior. The 2016 CRSP-DC contribution is anticipated to be \$1,661,216 and will be funded by direct bill.

#### *Ministerial Pension Plan (MPP)*

**Plan Overview:** Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP) provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective January 1, 2014, exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan, an IRA, or paid in a lump sum.

The Ministerial Pension Plan (MPP) annuities total liability as of January 1, 2014 is \$3.018 billion, while total plan assets are \$3.345 billion, resulting in a current plan funded ratio of 111% and no required contribution for 2016. The Rio Texas Conference's % of the total liability is 1.5179%. Future MPP annuitants have a total account balance of \$4.332 billion and the Rio Texas Conference's portion of that balance is \$65,521,611 or 1.51% of the total.

#### *Pre-1982 Plan*

**Plan Overview:** Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergy person retires within the Conference (and does not terminate), the minimum benefit payable is based on two factors: 1) years of service with pension credit and 2) Conference pension rate. Years of service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The Book of Discipline*. The pension rate, also called the past service rate, is the dollar amount chosen by the Conference as the amount payable for each approved year of service with pension credit. The pension rate may change from year to year. The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit. At that point, the clergy's benefit is the greater of the PSR benefit or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; however the DBSM based benefit does not change.

The 2016 Past Service Rate (PSR) recommended to the Rio Texas Conference will be \$648.00 representing a 0% increase from the 2015 rate. The conference expects future increases to be approximately 2.00%, which is based on: As a new conference we are developing a strategy. The previous conferences used 2%.

The contingent annuitant percentage is recommended to remain at the 70% level.

Based on the final actuarial valuations from the General Board of Pensions and Health Benefits as of January 1, 2014 for 2016, the portion of the Pre-82 liability attributable to the Rio Texas Conference and funded status is, as of 1/1/2014, as follows:

Funding Plan Liability	\$34,687,474	
Assets in the Plan	\$27,310,923	
Funded status	\$(7,376,551)	represented by a 79% funded ratio

In addition to the assets in the Plan it is anticipated that amount will be funded through the following funding sources:

Non plan assets designated for retiring Pre-82 obligations	\$7,746,033
Present value of incoming new money	\$ 0

#### *Active Health Benefit Program*

**Plan Overview:** The Rio Texas Conference offers the Self Funded-HealthFlex program which is best described as a Self Funded-HealthFlex to its active eligible participants.

The total cost of the program for 2016 is anticipated to be \$4,362,104 and will be funded by apportionment and direct billing. It is anticipated that increases for future years will average 0%, due to expectations of plan changes.

#### *Post-Retirement Medical Benefit Program (PRM)*

**Plan Overview:** The Rio Texas Conference post-retirement medical program currently offered is a Stipend plan made available to retired clergy who were receiving a PRM benefit from the parent conference on 12/31/2014.

The expectation for 2016 is to offer a Grandfathered participation in Health Reimbursement Account with fixed participation and fixed benefit. The funding obligation for 2016 is anticipated to be \$137,407 with the funding sources to be Account assets. On a longer term basis, the Conference intends to be funded from reserves in the amount of the actuarial projection of cost.

Based on the most recent PRM valuation dated 01/01/2015, the following is the funded position of the post-retirement medical benefits:

Accumulated Post Retirement Obligation (APBO) or net conference cost	\$936,000
Expected Post Retirement Obligation (EPBO) or net conference cost	\$936,000
Service Cost (SC) or net conference cost	\$
Assets designated for PRM	\$936,000

These values are based on a 4.0% long term discount rate, a 4% long-term expected return, and a current increase trend of 0% with an ultimate medical increase of 0%.

#### *Comprehensive Protection Plan (CPP)*

**Plan Overview:** The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the conference or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which include full-time appointment with plan compensation equal to or greater than 60% of the Denominational Average Compensation or the Conference Average Compensation, whichever is less. The Rio Texas Conference has elected to make CPP eligible clergy appointed 100% have mandatory participation under special arrangements, while 25%, 50%, and 75% appointed clergy have optional participation under special arrangements.

For 2016, the Rio Texas Conference has an expected required contribution to the Comprehensive Protection Plan of \$596,740, which is anticipated to be funded by: direct billing. The anticipated average increase in future years is expected to be 2.00% per year due to: expected increases in compensation.

#### *United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy*

**Plan Overview:** The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations. Participants may make before-tax and/or after-tax contributions through payroll deductions. Participant contributions, various optional plan sponsor contributions and investment earnings comprise the individual's retirement account balance.

Conference office lay employees working an average of 20 hours per week or more are eligible after 1 year months for a plan sponsor funded pension contribution of 6% of salary. Lay employees are encouraged to make contributions toward their retirement through payroll deductions to the UMPIP. The estimated contribution for the Rio Texas Conference is anticipated to be \$56,061 and will be funded through the apportionments.

(If appropriate) The Rio Texas Conference, as of January 1, 2016 is planning on sponsoring the UMPIP for clergy serving less than full-time and are eligible for a pension contribution of 9% of salary. The estimated contribution for the Conference is anticipated to be \$811,871 and will be funded through employer contributions of the churches to which they are appointed.

#### *Other Conference Benefit Obligations: Defined Contribution (DC) Type*

**DC Plan Overview:** The Rio Texas Conference currently offers a Moving Expenses plan made available to clergy who are moving to a new appointment to a local church of the Conference or to the annual conference itself, or to retirement. The funding obligation for 2016 is anticipated to be \$245,000 with the funding sources to be: Apportionments. Amount of apportionment varies based upon cost of previous years moves and balance in reserve. The reserve is set to be equal to one year's expected maximum expense. The anticipated average increase in future years is expected to be 0% per year due to the variability in the number of moves is much more financially significant than the inflation in the cost of moves.

#### *Conclusion:*

The 2016 Comprehensive Benefit Funding Plan and the above Summary document incorporates, to the best of our understanding, the Rio Texas Conference's obligations and funding requirements of the benefits provided to the clergy and laity of the Rio Texas Conference.

The plan is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by annual conferences. The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2014 is \$1.105 billion, while total plan assets are \$1.274 billion resulting in a current plan funded ratio of 115%. The Rio Texas Conference portion of the liability is 1.5837% and the 2016 contribution is \$1,596,709. The conference anticipates that the amount will be funded by direct bill. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Rio Texas Conference has elected to cover clergy serving Full Time under CRSP effective January 1, 2016.

Effective January 1, 2014 CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy have the opportunity to earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP, therefore if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013 and prior. The 2016 CRSP-DC contribution is anticipated to be \$1,661,216 and will be funded by direct bill.

### Ministerial Pension Plan (MPP)

**Plan Overview:** Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP) provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective January 1, 2014, exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan, an IRA, or paid in a lump sum.

The Ministerial Pension Plan (MPP) annuities total liability as of January 1, 2014 is \$3.018 billion, while total plan assets are \$3.345 billion, resulting in a current plan funded ratio of 111% and no required contribution for 2016. The Rio Texas Conference's % of the total liability is 1.5179%. Future MPP annuitants have a total account balance of \$4.332 billion and the Rio Texas Conference's portion of that balance is \$65,521,611 or 1.51% of the total.

### Pre-1982 Plan

**Plan Overview:** Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergy person retires within the Conference (and does not terminate), the minimum benefit payable is based on two factors: 1) years of service with pension credit and 2) Conference pension rate. Years of service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The Book of Discipline*. The pension rate, also called the past service rate, is the dollar amount chosen by the Conference as the amount payable for each approved year of service with pension credit. The pension rate may change from year to year. The number of years of service with pension credit is multiplied by the pension

rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit. At that point, the clergy's benefit is the greater of the PSR benefit or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; however the DBSM based benefit does not change.

The 2016 Past Service Rate (PSR) recommended to the Rio Texas Conference will be \$648.00 representing a 0% increase from the 2015 rate. The conference expects future increases to be approximately 2.00%, which is based on: As a new conference we are developing a strategy. The previous conferences used 2%.

The contingent annuitant percentage is recommended to remain at the 70% level.

Based on the final actuarial valuations from the General Board of Pensions and Health Benefits as of January 1, 2014 for 2016, the portion of the Pre-82 liability attributable to the Rio Texas Conference and funded status is, as of 1/1/2014, as follows:

Funding Plan Liability	\$34,687,474	
Assets in the Plan	\$27,310,923	
Funded status	\$(7,376,551)	represented by a 79% funded ratio

In addition to the assets in the Plan it is anticipated that amount will be funded through the following funding sources:

Non plan assets designated for retiring Pre-82 obligations	\$7,746,033
Present value of incoming new money	\$ 0

### Active Health Benefit Program

**Plan Overview:** The Rio Texas Conference offers the Self Funded-HealthFlex program which is best described as a Self Funded-HealthFlex to its active eligible participants.

The total cost of the program for 2016 is anticipated to be \$4,362,104 and will be funded by apportionment and direct billing. It is anticipated that increases for future years will average 0%, due to expectations of plan changes.

### Post-Retirement Medical Benefit Program (PRM)

**Plan Overview:** The Rio Texas Conference post-retirement medical program currently offered is a Stipend plan made available to retired clergy who were receiving a PRM benefit from the parent conference on 12/31/2014.

The expectation for 2016 is to offer a Grandfathered participation in Health Reimbursement Account with fixed participation and fixed benefit. The funding obligation for 2016 is anticipated to be \$137,407 with the funding sources to be Account assets. On a longer term basis, the Conference intends to be funded from reserves in the amount of the actuarial projection of cost.

Based on the most recent PRM valuation dated 01/01/2015, the following is the funded position of the post-retirement medical benefits:

Accumulated Post Retirement Obligation (APBO) or net conference cost	\$936,000
Expected Post Retirement Obligation (EPBO) or net conference cost	\$936,000
Service Cost (SC) or net conference cost	\$
Assets designated for PRM	\$936,000

These values are based on a 4.0% long term discount rate, a 4% long-term expected return, and a current increase trend of 0% with an ultimate medical increase of 0%.

### Comprehensive Protection Plan (CPP)

**Plan Overview:** The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the conference or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which include full-time appointment with plan compensation equal to or greater than 60% of the Denominational Average Compensation or the Conference Average Compensation, whichever is less. The Rio Texas Conference has elected to make CPP eligible clergy appointed 100% have

mandatory participation under special arrangements, while 25%, 50%, and 75% appointed clergy have optional participation under special arrangements.

For 2016, the Rio Texas Conference has an expected required contribution to the Comprehensive Protection Plan of \$596,740, which is anticipated to be funded by: direct billing. The anticipated average increase in future years is expected to be 2.00% per year due to: expected increases in compensation.

#### **United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy**

**Plan Overview:** The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations. Participants may make before-tax and/or after-tax contributions through payroll deductions. Participant contributions, various optional plan sponsor contributions and investment earnings comprise the individual's retirement account balance.

Conference office lay employees working an average of 20 hours per week or more are eligible after 1 year months for a plan sponsor funded pension contribution of 6% of salary. Lay employees are encouraged to make contributions toward their retirement through payroll deductions to the UMPIP. The estimated contribution for the Rio Texas Conference is anticipated to be \$56,061 and will be funded through the apportionments.

(If appropriate) The Rio Texas Conference, as of January 1, 2016 is planning on sponsoring the UMPIP for clergy serving less than full-time and are eligible for a pension contribution of 9% of salary. The estimated contribution for the Conference is anticipated to be \$811,871 and will be funded through employer contributions of the churches to which they are appointed.

#### **Other Conference Benefit Obligations: Defined Contribution (DC) Type**

**DC Plan Overview:** The Rio Texas Conference currently offers a Moving Expenses plan made available to clergy who are moving to a new appointment to a local church of the Conference or to the annual conference itself, or to retirement. The funding obligation for 2016 is anticipated to be \$245,000 with the funding sources to be: Apportionments. Amount of apportionment varies based upon cost of previous years moves and balance in reserve. The reserve is set to be equal to one year's expected maximum expense. The anticipated average increase in future years is expected to be 0% per year due to the variability in the number of moves is much more financially significant than the inflation in the cost of moves.

#### **Conclusion:**

The 2016 Comprehensive Benefit Funding Plan and the above Summary document incorporates, to the best of our understanding, the Rio Texas Conference's obligations and funding requirements of the benefits provided to the clergy and laity of the Rio Texas Conference.

## Rio Texas Annual Conference

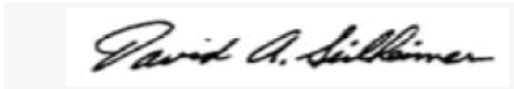

This funding plan incorporates, to the best of our understanding, the conference's obligations and funding of the benefits provided to clergy and laity, as noted below.

It is understood by the signees that defined benefit plan liabilities (Pre-82, MPP and CRSP-DB) continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the conference still has a liability (obligation) and potential future contribution due to the plan.

REPORTS

**REPORT IV**  
**REPORT OF THE PRESIDENT**  
 FOR INFORMATION ONLY

***Organization***

The Board of Pensions elect of the new Río Texas Conference had an informal preliminary meeting in December, and decided to elect officers by email ballot on January 2, 2015 as well as to adopt Articles of Formation and By Laws for the new corporate entity.

Elected were:

- President ..... Gary Anderson, layperson from Tarrytown UMC, Austin
- Vice-President ..... Mario Olivarez, layperson from Kelsey Memorial UMC, Corpus Christi
- Secretary ..... Danielle Knapp, clergy woman appointed to Point Comfort UMC
- Director of Pension and Benefits & Treasurer..... David Seilheimer, clergy man with charge conference membership at Coker UMC, San Antonio

At a March 20<sup>th</sup> meeting, the Board elected Zeda Alvarado, a lay woman from La Trinidad UMC in San Antonio to serve as the Board representative to the Conference Administration Vision Team.

During the Unification Process, considerable attention was given to have the Board of Pensions be representative of the membership of the two legacy conferences, as well as being composed of:

- clergy and lay members
- men and women  
and
- reflective of the ethnic diversity of the Conference.

The Board also is arranged into classes of eight years as recommended by the Book of Discipline. In order to provide for this representation, the Boards of Trustees specified in the terms of the unification that the first Board would be made up of 8 classes, with the first class being the class of 2016, the second class being the class of 2017, etc. Each class would have 2 members, with one being from the legacy Rio Grande Conference and one being from the legacy Southwest Texas Conference allowing for continuity.

The nomination process used in 2014 did not provide for this structure. It arranged the membership so that 4 would serve for 5 years, 4 for 6 years, 4 for 7 years and 4 for 8 years. This would result in the entire Board turning over during 2019-2022, then no change for 2023-2026.

To correct this oversight, the Board recommends to the Conference that the current persons elected be arranged into classes. The annual conference can do this by adopting Report V.

***Developing a Past Service Rate Strategy***

One of the primary responsibilities of the Board of Pensions is to recommend to the annual the past service rate for service prior to 1982. Our Board sees developing a strategy for changes to the past service rate to be a primary focus over the next year.

This is important for a number of reasons.

- It is a primary source of income in retirement for those clergy and their spouses who served the church prior to 1982. Their benefits must be fair and permit these persons who have given their lives to the United Methodist Church to have a livable income in retirement that reflects the values of the Church.
- It is a major financial issue to the conference. Any increase in the PSR must be funded in the year adopted.
- The liability for these benefits is not fixed, but varies each year depending upon the actual return on investment for the funds that have already been paid into the Pre-82 Fund at the General Board of Pension and Health Benefits. The total value of these funds is \$28.7 million. When the return on investment is 10% less than expected, then those funds decrease by \$2.9 million. This becomes an additional liability that the annual conference has to fund.

The Board wants to carefully and prayerfully develop a strategy for how to annually set the past service rate. Possibilities include:

- Increase based upon the changes in the salary paid to active clergy.
- Increase based upon the change in the Consumer Price Index and determine which consumer price index will be used.
- Mirror the increases in Social Security benefits.
- Determining what is fair to our clergy.
- Determining what is financially sustainable to our churches.

The Board intends to address all of these issues and others in setting a long term strategy.

### ***The 2016 Past Service Rate (PSR)***

During its March 20, 2014 meeting, the Board set a rate for 2016 before a long term strategy could be developed. The Board determined that the PSR remain steady at \$648 for 2016. In its discussion it considered a number of factors.

- The Past Service Rate of \$648 is 1.01 % of the Conference Average Compensation. The goal of the United Methodist Church and conferences was for many years to set the PSR at 1% of the Conference Average Compensation. The current rate already exceeds that goal.
- If the rate originally set in 1982 is adjusted by either inflation or the changes in the Consumer Price Index it would be more than \$300 lower than the current rate.
- The Board has not developed a strategy to use in setting the rate or funding changes in the future cost of the Past Service Rate, as it is adjusted by increases or the liability increases because of market forces.

### ***Health Benefits***

The Board continues to work to provide the best benefits possible at the lowest possible cost to the participants and the conference. This must be done while adjusting to the realities of an environment which continues to evolve and provide new possibilities as well as new limits.

A few realities that the Board faces in its task include:

- The method of funding the cost of health benefits has created problems for the itinerant system of appointment. This has been true as long as there was a health plan in the Southwest Texas Conference, and is true now in the Río Texas Conference. As the cost of dependent coverage increases, that issue becomes more troublesome.
- The cost of the benefits offered through our current plan design are projected to result in a “Cadillac tax” in 2018. This would make the plan impossible to fund.
- The current method of funding by assigning 1/3 of the cost of single participant coverage to apportionments and 1/3 to the church and 1/3 to either the church or the participant was determined primarily to allow participants who qualified for a tax subsidy through the Affordable Care Act. The funding methodology has resulted in only 3 participants who accessed that subsidy available through the Affordable Care Act (ACA). Originally it is expected that this would impact several dozen of our pastors.
- It will be possible in 2017 for the Conference to change to a new HealthFlex “Private Exchange Plan” to be offered by The General Board of Pension and Health Benefits. This plan is designed to avoid the “Cadillac tax”, to offer more individualized choices to the participant, and to stabilize costs.
- The cost of the HealthFlex Plan will decrease in 2016.
- Two conferences have responded to Affordable Care Act (ACA) by eliminating a Conference Health Benefit Plan. They accompanied this with a corresponding increase in salary to the pastor. That salary is taxable (estimated 15% for income tax, and 15.3% for Self-Employment Tax). This results in every dollar given in a salary increase only buys 70¢ of Health Benefits. It is also a difficult decision in Texas because of the unavailability of State Exchanges.

Taking all these factors into consideration, the Board of Pensions has made several decisions.

1. The Río Texas Conference will not offer its current plan design in 2017, but instead move to the “HealthFlex Private Exchange” in 2017.

2. The entire savings of the 2016 decrease in HealthFlex Cost will be recognized in the premium that is the responsibility of the Church/Participant. The Church/Participant is the responsibility of the participant if the church does not elect to cover
3. The annual cost of the premium will be divided:

Cost Division	2015 Annual Cost	2016 annual cost	Change in Cost from 2015
Annual Conference portion	\$3,488	\$3,488	\$0
Local Church Mandatory portion	\$3,488	\$3,488	\$0
Participant/Church portion	\$3,488	\$1,339	-\$2,149
Additional cost for 1 dependent	\$10,464	\$9,432	-\$1,032
Addition cost for family coverage	\$16,080	14,483	-\$1,596

**Board of Pensions of The Southwest Texas Conference  
of The United Methodist Church  
Notes to Financial Statements  
December 31, 2014 and 2013**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Board of Pensions of The Southwest Texas Conference of The United Methodist Church (the Board) health insurance and pension plans provides only general information. Participants should refer to the plan agreements for a complete description of provisions. The Pension Plan is a separate entity, maintained by the General Board of Pensions and Health Benefits of the United Methodist Church (GBOPHB), and the results of its financial activities are reported on by other auditors.

The Southwest Texas Conference of The United Methodist Church (the Conference) provides for the following benefit plans:

- Clergy Retirement Security Program (CRSP) - as of January 1, 2007, the Ministerial Pension Plan (MPP) was converted over to the CRSP plan. The plan is funded by a 3% contribution to the CRSP Defined Contribution Plan (DC) made by the Board of Pensions of The Southwest Texas Conference of The United Methodist Church. In addition to the 3% contribution, the Board of Pensions will also fund the CRSP Defined Benefit Plan (DB). The DB contribution will equal the amount it takes to fund the employees' retirement benefit. The CRSP payment made upon actuarial cost for the years ended December 31, 2014 and 2013 was \$1,748,906 and \$2,185,525, respectively.
- Defined Contribution Pension Plan - Post 1982 service, fully funded each year by deposits from employer (church) and employee to General Board of Pensions and Health Benefits of The United Methodist Church. Retirement benefits are dependent on the balance in the individual's account on date of retirement.
- Defined Benefit Pension Plan - Prior to 1982, the Conference participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference, and will for several decades. The cost of providing the defined benefits earned prior to 1982 is viewed by the Conference as an annual expense and is funded each year by the local churches through the Board of Pensions of The Southwest Texas Conference of The United Methodist Church, an agency separately incorporated under the laws of the state of Texas.
- Health Insurance Plan - Clergy and lay employees are eligible to participate in this plan if they are regular, full-time employees of the Conference or one of the local churches of the Conference. All full-time employees must be regularly scheduled to work a minimum of 30 hours per week. Also eligible to participate in this plan are full, probationary, associate members, full-time local pastors.

For the year ended December 31, 2013, the retired pastors were covered under the Health Insurance Plan described above. This coverage was discontinued effective March 31, 2014, and the retired pastors currently in the Conference's Health Insurance Plan were transitioned to one of the health benefit plans offered by a third party, Towers Watson (Note 6).

The pension plans are considered church plans as defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Operating Assets*

Operating assets consists of furniture and equipment, stated at cost less allowances for depreciation. Provisions for depreciation of fixed assets are computed on the straight-line method over five years.

*Basis of Accounting*

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. To ensure observance of limitations and restrictions placed on the use of resources available to the Board, the accounts of the Board are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into each fund, each fund being established by separate trusts as designated by the donors.

*Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Cash Deposits*

The Board had uninsured cash deposits, not including reconciling items, as follows at December 31:

	<u>2014</u>	<u>2013</u>

Texas Methodist Foundation	<u>912,292</u>	<u>1,032,787</u>
Total	<u>\$ 1,199,768</u>	<u>\$ 1,441,344</u>

of The United Methodist Church  
Notes to Financial Statements  
December 31, 2014 and 2013**

**NOTE 3 - ORGANIZATION AND PURPOSE**

The Board was organized in 1963 as a nonprofit corporation. Its purpose is to determine and report to the annual conference the names of retired ministers and the widows and children of the deceased ministers of the Conference who are entitled to annuities, pensions, or special relief; to set, subject to the approval of the annual conference, the appropriation necessary to be made to meet such charges; and to perform such other acts and discharge such other duties as may be prescribed by the Discipline of the United Methodist Church.

The Board collects the apportionments and remits them to the General Board and Health Benefits of The United Methodist Church (the General Board). The Board also administers other funds that have been contributed to provide income that is to be used for funding pension and health insurance benefits. The Board can direct the General Board as to which type of investment account they want the funds invested in, but the General Board selects the individual investments to be made from each investment account. The Board has the authority to elect investments outside of the General Board. As of December 31, 2014 and 2013, approximately 85% and 81%, respectively, of all Conference Board assets are placed with the General Board.

The General Board maintains all members' accounts as to balances and vesting.

**NOTE 4 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Board adopted the provisions of ASC 820, "*Fair Value Measurements and Disclosures*" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Board's financial position or results of operations. The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The Board has no Level 2 or Level 3 assets or liabilities.

**Notes to Financial Statements**  
**December 31, 2014 and 2013**

**NOTE 4 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)**

The Board's financial instruments (Level 1) are as follows at December 31:

	2014		2013	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets:				
Conference Contributions	\$ 103,075	\$ 103,075	\$ 75,732	\$ 75,732
Receivables	\$ 71,213	\$ 71,213	\$ 75,336	\$ 75,336
Other Contribution				
Receivables	\$ 220,000	\$ 220,000	\$ -	\$ -
Other Assets	\$ 4,524	\$ 4,524	\$ 3,185	\$ 3,185
Cash Deposits	\$ 1,723,408	\$ 1,723,408	\$ 2,151,912	\$ 2,151,912
Financial Liabilities:				
Liabilities	\$ 166,583	\$ 166,583	\$ 897,594	\$ 897,594

The carrying amounts reported in the statement of benefit obligations and net assets available for benefits approximate fair values because of the short maturities of those instruments.

The Board's financial instruments also include investments. The fair values of investments are based upon quoted market prices for those or similar investments.

**NOTE 5 - PAST SERVICE LIABILITY**

The Pension Plan with the GBOPHB was changed effective January 1, 1982. The Board is responsible for the un-funded past service liability of those participants who were members prior to January 1, 1982. The actuarially projected un-funded past service liability as of December 31, 2014 and 2013 was \$6,458,025 and \$6,810,208, respectively. Past service funding deposits are required to fund this liability and have been set at \$994,820 per year for a period of 16 years (adjusted annually to \$1,364,239 in 2014 and \$970,716 in 2013). However, in 2014 and 2013, the Board had available net assets of \$8,011,520 and \$8,238,518 respectively, which is adequate to fully fund the past service liability.

**NOTE 6 - POST-RETIREMENT HEALTH BENEFITS**

The Southwest Texas Conference and the Southwest Texas Conference of the United Methodist Church Board of Pensions voted to end the previous post-retirement health benefit plan effective December 31, 2014. This is a part of the agreement to form a new conference effective January 1, 2015. As a result of this action, the current corporate entity will be changed. It will have a new Board of Directors and new by-laws. The current post-retirement health benefit plan will end. The post-retirement health benefit plan of the new United Methodist Rio Texas Conference Board of Pensions will be a closed plan. Participants in the plan will be limited to those who were participating in the post-retirement health benefit plans of the Southwest Texas Conference and the Rio Grande Conference. No new participants will be added. The annual benefit amount is fixed at the dollar value of the annualized benefit paid during December 2014.

**Board of Pensions of The Southwest Texas Conference  
of The United Methodist Church  
Notes to Financial Statements  
December 31, 2014 and 2013**

**NOTE 6 - POST-RETIREMENT HEALTH BENEFITS (continued)**

The benefit is only available with participation in one of the health benefit plans offered by a third party, Towers Watson. The benefit is provided in the form of funding a Health Reimbursement Account. Upon the death of the participant, the termination of the plan, or the decision of the participant to no longer continue to participate in the plan, the benefit ends. The health reimbursement benefit amount is fixed and will not increase regardless of the cost of the health benefit plan.

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary of the GBOPHB and is the amount that results from applying actuarial assumptions to a census of participants on December 31, 2014.

The significant actuarial assumptions used in the valuations were:

- a) Mortality will occur in accordance with the newly created scale, Scale BB, for calculating impact on pension plans due to increased longevity.
- b) There will be no increases in the amount of the benefit. There are no contingent annuitants.
- c) The actuarial reserve and accumulations will be credited with interest at the rate of 4%.
- d) This is a closed plan. There will be no additional participants and no increase in the amount of the benefit.

The foregoing actuarial assumptions are based on the presumption the plan will continue. Were the plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

**NOTE 7 - Pre-82 POST-RETIREMENT PENSION BENEFITS**

The post-retirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered prior to January 1, 1982. Post-retirement benefits include future benefits expected to be paid to or for 1) currently retired employees and their spouse and 2) active employees and their spouse after retirement from service.

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary of the GBOPHB and is the amount that results from applying actuarial assumptions to historical data to estimate the present value of future annual incurred benefits. Some of the assumptions upon which these benefits are calculated have changed from those used in 2014. The significant actuarial assumptions used in the valuations were:

- a) Mortality will occur in accordance with the newly created scale, Scale BB, for calculating impact on pension plans due to increased longevity.
- b) Contributions for increases in Past Service Rate or Contingent Annuitant % benefit increases are required to be made in advance of the increase's effective date.
- c) The actuarial reserve and accumulations before retirement will be credited with interest at the rate of 6.75%.
- d) Surviving spouses receive 70% of the ministerial pension rate.
- e) Retirement has been assumed to occur at the age of 65 or in one year, if age 65 or older.

**Board of Pensions of The Southwest Texas Conference  
of The United Methodist Church  
Notes to Financial Statements  
December 31, 2014 and 2013**

**NOTE 7 - Pre-82 POST-RETIREMENT PENSION BENEFITS (continued)**

The valuations included assume average rates of return of 6.75% for the pension plan and expected benefit increases of 2%. The foregoing actuarial assumptions are based on the presumption the plan will continue. Were the plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The Pre-82 Funding Plan is under review by the Actuarial Department at the General Board of Pensions and Health Benefits of the United Methodist Church.

**NOTE 8 - PENSION PARTICIPANT CONTRIBUTIONS AND PAYMENTS**

The Board is the plan sponsor for several qualified benefit plans of the GBOPHB. These plans are the Clergy Retirement Security Program – Defined Contribution (CRSP-DC), Clergy Retirement Security Program-Defined Contribution (CRSP- DB), Comprehensive Protection Plan (CPP), and United Methodist Personal Investment Plan (UMPIP). The Board invoices the local churches for the cost of these plans on a monthly basis and then makes a single payment to the GBOPHB either monthly or annually, depending upon the plan design.

**NOTE 9 - DESIGNATED FUND BALANCE**

Josephine Burns Forman Memorial Fund

In 2009, Ms. Josephine Burns Forman bequeathed \$537,000 to the Board of Pensions of The Southwest Texas Conference of The United Methodist Church. The bequest is unrestricted. It is being maintained as a separate account in honor of Josephine Forman, but both investment income and principal may be used to fund benefits at the discretion of the Board.

**NOTE 10 - RESTRICTED FUND BALANCES**

Raeke Fund

In 1972, Mr. and Mrs. Otto C. Raeke bequeathed their estate to the Board. Within the estate were 1,743 acres in San Saba County, Texas. The property was then sold in the spring of 1978. The proceeds of the sale are restricted regardless of whether the proceeds are of greater or lesser value than the original value of the investment. Any interest or dividends earned by the assets are not restricted. The total corpus amount is \$580,572.

Boelsche Fund

In 1995, Mr. and Mrs. Ralph A. Boelsche included in their living will that the Board was a recipient of one of their two endowment funds. The fund was established by the Boelsches at the Texas Methodist Foundation in Austin, Texas. The endowment fund is to be used for the retirement benefits for Methodist ministers through the Board. The corpus amount is \$97,845 and is restricted. Earnings are distributed to the Board on January 2<sup>nd</sup> of each year.

of The United Methodist Church  
Notes to Financial Statements  
December 31, 2014 and 2013**

**NOTE 10 - RESTRICTED FUND BALANCES (continued)**

Seiler Fund

This fund was established by the Texas Methodist Foundation in honor of Reverend Dr. Ralph Seiler. The corpus is to remain intact. Income from the funds is unrestricted. The total corpus amount is \$9,697.

S.E.F. (Superannuate Endowment Fund)

The Methodist Episcopal Church South (the Church) established the General Superannuate Endowment Fund in the 1920s as part of the pension campaign. One-half of the funds raised by a conference were credited to the conference's Superannuate Endowment Fund and the other half to this fund. Income is distributed annually to conferences in the Southeastern and South Central jurisdictions of the Church on the basis of total years of pension responsibility in each conference. It is credited to the conferences' accounts.

The General Superannuate Endowment Fund distributions (deposit to conference account) are to be processed annually.

Thompson Fund

In 2000, Reverend Martha Thompson bequeathed \$50,000 to the Board. The fund is restricted for the benefit of the Conference clergy with an incapacitating condition and is disbursed at the discretion of the presiding Bishop.

Floyd M. Cunningham Jr. Endowment Fund

In 1991, Mr. Floyd M. Cunningham Jr. gave the Board \$24,116.25. It is his wish that the Board invest the principal amount during his lifetime. It is also his desire that the First United Methodist Church McAllen (FUMC McAllen) receive an annuity in the amount of no less than 6% annually. Upon his death or termination of membership from FUMC McAllen by transfer or other means, the annual payment to FUMC McAllen would cease and the principal may be used by the Board in support of its purpose for retired United Methodist clergy as determined by its Board of Trustees. The Board shall direct the investment of the fund and the payment of income in any manner deemed appropriate by it in keeping with its purposes and with his wishes.

**NOTE 11 - CLAIMS LIABILITY**

On March 1, 2013, the Board transitioned its health benefit plan from a self-funded Base Plan and Age-Banded Premiums to a fully-funded HealthFlex plan. The Board is currently involved in legal proceedings to settle outstanding claims related to the previous self-funded plan on behalf of the covered individuals. The Board believes that settlement of these claims is estimated at a maximum total of \$24,859 as of December 31, 2014, as reflected in the statement of benefit obligations and net assets available for benefit.

**Board of Pensions of The Southwest Texas Conference  
of The United Methodist Church  
Notes to Financial Statements  
December 31, 2014 and 2013**

**NOTE 12 - OTHER CONTRIBUTIONS**

Included in other contributions of \$434,764 for the year ended December 31, 2014 are \$120,000 in funds from the Allen C. Skinner Family Trust, \$100,000 from the Hazel S. Skinner Survivor's Living Trust, \$146,656 from the Retired Minister's Home Board (RMHB) related to the sale of the house owned by the RMHB, and \$68,108 from other miscellaneous sources. For the year ended December 31, 2013, there was \$2,224 in other contributions.

**NOTE 13 - RECLASSIFICATION**

Certain amounts in the 2013 financial statements have been reclassified to conform to the 2014 presentation.

**NOTE 14 - SUBSEQUENT EVENTS**

In order to capitalize on synergies and opportunities for new ministry, effective January 1, 2015 the Board united with the Rio Grande Conference of The United Methodist Church to form a new entity, United Methodist Rio Texas Conference Board of Pensions. Both the Board and the Rio Grande Conference of The United Methodist Church have existing funds which are either restricted or designated. These funds will be a part of the assets of the newly formed United Methodist Rio Texas Conference Board of Pensions. The purpose of these funds will be honored.

The Board has evaluated subsequent events through May 20, 2015, which is the date the financial statements were available to be issued.

## BOARD OF TRUSTEES

REPORT I  
CHAIRPERSON'S REPORT  
FOR INFORMATION ONLY

The Board of Trustees is pleased to confirm that all statutory and disciplinary requirements to create our new conference have been completed. All of the required documentation was filed with the Texas Secretary of State. We again thank the respective attorneys with Norton Rose Fulbright and Strasburger & Price for their steadfast work in bringing this merger to its conclusion. The completion of the merger was just the beginning of the work of the new Board of Trustees. Now we continue the process of identifying and evaluating the various properties under our care and deciding appropriate action plans for each. We are also developing additional protocols for the management and disposition of property. Most of these properties are abandoned and discontinued former United Methodist Churches. We anticipate marketing many of these properties so that the proceeds can be applied to ministry by the Conference. Other properties may be rehabilitated for new ministries, as the Conference may decide. We are also tasked with the property management of the Mt. Wesley Conference Center. Mt. Wesley is a wonderful asset to our Conference and its care is one of our most important responsibilities.

Faithfully,  
Bill Knobles, President

REPORT II  
MOUNT WESLEY  
FOR INFORMATION ONLY

Mount Wesley's 91<sup>st</sup> year of ministry to the Southwest Texas Conference welcomed a variety of groups attended by 5,555 campers & retreatants – children, youth & adults – accounting for 7,204 overnights and 23,162 meals served. The mission and ministry of Mount Wesley continues to transform the lives of all who visit "God's Holy Ground."

*Over the Year*

2014 saw consistent opportunities for ministry despite the continued extreme heat & dry conditions. Nine Emmaus Walks as well as numerous camps, conferences & retreats were conducted. Several more groups from outside the connection have made Mount Wesley their venue for retreats. The summer camp schedule was packed with activity for children and youth including M.A.D. (Music, Art & Drama Camp) & youth camps JAM & QUEST. We celebrated the final 2015 Mid Winter Camp at Mount Wesley with over 450 attendees. The new structure of the Rio Texas Conference no longer includes conference sponsored camping events. We look forward to a summer camp event sponsored by the Hill Country District and we encourage inquiries from the other Districts within the connection to explore the possibilities afforded for summer & winter camp events at Mount Wesley.

*Challenges and Changes*

Temperatures soared throughout the summer in excess of 100 degrees and the real challenge was to keep our campers hydrated to prevent heat related illnesses. Fall rains brought much needed moisture to the parched ground and extended periods of rains throughout the winter have revitalized the landscape. We still have a need for assistance in the area of tree trimming and removal of the trees lost to the extended drought. It is always a challenge to maintain an aging facility but our goal is to improve Mount Wesley with every project undertaken. The Mount Wesley staff deeply appreciates the assistance of the Mission Teams and the United Methodist Men who commit to lending a helping hand on the many projects around the campus.

The Mount Wesley staff is committed to offering the finest hospitality to those who seek the presence of God while on Mount Wesley's holy ground. We ask for your continued prayers that we can meet the challenges placed before us while serving God through serving the people that visit Mount Wesley's holy ground. Mount Wesley is the place where all members of the new Rio Texas Conference are welcomed in a retreat setting. We invite you to inquire about how your church or group can hold a retreat at Mount Wesley.

Mount Wesley's staff deeply appreciates the support of the members of the new Rio Texas Conference and wants you to know that we are careful stewards of your financial support. Our goal is to maintain the facilities for the safety and comfort of our visitors. We are blessed to be a part of this great body of Christ called the Rio Texas Conference and we sincerely enjoy our work and are blessed by our Brothers and Sisters in Christ.

We look forward to the future, a future united with our Sisters & Brothers entering into a bold new mission field within which to serve.

Respectfully submitted,  
Patti Zaiontz, Mount Wesley Administrator

## SOUTHWESTERN UNIVERSITY

FOR CONFERENCE ACTION

### PREAMBLE

#### 4 *Structure and Members*

5 Southwestern University in Georgetown, Texas, (the "University") is a non-profit corporation organized under the  
6 laws of the State of Texas. It has no members within the meaning of the Texas Business Organizations Code.

#### 7 *Purposes*

8 The exclusive purposes for which the University is organized and operated are educational within the meaning of  
9 section 501(c)(3) of the Internal Revenue Code.

10 In accomplishing those purposes, the University may

- 11 (i) establish, maintain, and support an institution that promotes higher education in any or all of its branches  
12 and confers any or all college and university diplomas, both liberal and professional, regular and honorary;  
13 and  
14 (ii) perform such other functions as may be necessary or appropriate to fulfill the purposes of the University.

### I. BOARD OF TRUSTEES

#### 15 1. *Board Responsibility*

16 Responsibility for the University's overall educational mission and for its governance, academic life, student life, and  
17 fiscal affairs is vested in the University's Board of Trustees. The board, however, may delegate certain authority in  
18 recognition of the established practice of shared governance in American colleges and universities. (Unless otherwise  
19 clearly evident, all references to the "board of trustees" or the "board" refer to the University's Board of Trustees.)

#### 20 2. *Number, Composition, Selection, and Qualifications of Trustees*

21 The board of trustees shall comprise not more than 45 trustees, excluding any honorary trustees, and shall be  
22 composed as follows:

- 23 a) **Conference Trustees.** Eighteen trustees consisting of four persons from each of the Central Texas, North  
24 Texas, Rio Texas, and Texas Annual Conferences of the United Methodist Church and two persons from the  
25 Northwest Texas Annual Conference of the United Methodist Church. Conference trustees are nominated  
26 by the University's board of trustees, upon recommendation of the board's trusteeship committee, and  
27 elected by their respective conferences. The conferences electing conference trustees are referred to as the  
28 University's "patronizing conferences."
- 29 b) **Episcopal Trustees.** Two bishops of the United Methodist Church nominated and elected by the bishops of  
30 the University's patronizing conferences after consultation regarding each individual nominee with  
31 the board's trusteeship committee, giving due regard to the comments, requests, and concerns of that

- 1 committee. At least one of the episcopal trustees serving at any given time must be a bishop of one of the  
2 University's patronizing conferences.
- 3 c) **At-Large Trustees.** Up to 20 trustees nominated by the trusteeship committee and elected by the board at  
4 large.
- 5 d) **Recent-Graduate Trustees.** Two recent graduates of the University, one nominated each year by the  
6 members of his or her respective graduating class in the spring semester of their senior year and elected by  
7 the board of trustees.
- 8 e) **Ex Officio Trustees.** The following persons who serve as ex officio trustees by virtue of the other positions  
9 that they hold:
- 10 a. The President of the University,  
11 b. The President of the Association of Southwestern University Alumni, and  
12 c. The President-Elect of the Association of Southwestern University Alumni.
- 13 These ex officio trustees shall be formally confirmed at the first board meeting held after they assume the  
14 positions that entitle them to board membership.
- 15 f) **Honorary Trustees.** The board may choose to elect persons who have served the University with particular  
16 distinction as honorary trustees. Honorary trustees shall be without voting power and owe the University no  
17 fiduciary duties.
- 18 g) **Qualifications and Voting Rights.** The board may establish qualifications for trustees not inconsistent with  
19 the qualifications provided by article eight of the University's amended and restated certificate of  
20 formation filed November 4, 2011, and by these bylaws. All trustees, except for any honorary trustees, shall  
21 have full voting power at board and committee meetings.
- 22 (h) **Number.** The number of trustees may be increased or decreased (so long as any decrease does not  
23 effectively shorten the term of any incumbent trustee) by amending these bylaws pursuant to article nine,  
24 and consistent with article seven, of the University's amended and restated certificate of formation filed  
25 November 4, 2011, and pursuant to article VII of these bylaws, provided, however, that the number of  
26 trustees shall never be more than 45 nor fewer than five.

### 27 *3. Conference Confirmation Required for Change*

28 Any change in the composition of the board of trustees or the method of selection for membership on the board shall  
29 be confirmed by the University's patronizing conferences.

### 30 *4. Terms of Office*

- 31 a) Each conference trustee, episcopal trustee, and at-large trustee shall serve a term of three years, provided,  
32 however, that this provision shall apply to trustees currently serving four-year terms only upon the end of  
33 their current terms. The board may, but need not, divide these trustees into classes so that their terms of  
34 office are staggered. Conference trustees, episcopal trustees, and at-large trustees may be re-elected but  
35 may not serve in the position to which they were originally elected for more than four consecutive terms or  
36 for 12 consecutive years, whichever is shorter. Conference trustees, episcopal trustees, and at-large trustees  
37 who have served the maximum number of consecutive terms or years, however, may be re-elected to their  
38 previous positions if at least one year has elapsed since they last served in those positions.
- 39 b) Each recent-graduate trustee shall serve one term of two years.
- 40 c) Each ex officio trustee shall serve for so long as he or she occupies the position that entitles him or her to  
41 membership on the board.

### 42 *5. Vacancies and Removal for Cause*

- 43 (a) Any trustee may be removed for cause in accordance with procedures established by the board of trustees.  
44 Removal shall be considered at a special meeting of the board called for that purpose. A trustee whose  
45 removal has been proposed shall be interviewed by the board of trustees or the executive committee and  
46 given an opportunity to be heard.  
47 Removal shall require an affirmative vote of two-thirds of the members of the board of trustees who actually  
48 cast votes at the special meeting in person or by proxy. Cause may include, but need not be limited to, failure  
49 to carry out the usual and expected duties of a member of the board of trustees and failure to comply with  
50 applicable laws and regulations.
- 51 (b) Any vacancy occurring in a trustee position, other than an episcopal-trustee position, whether due to death,  
52 resignation, or removal; an increase  
53 in the number of trustees; or otherwise, shall be filled by the affirmative vote of a majority of the remaining  
54 trustees though less than a quorum unless the bylaws provide for another method of filling the vacancy. Any  
55 vacancy occurring in an episcopal-trustee position, whether due to death, resignation, or removal; an  
56 increase in the number of episcopal trustees; or otherwise, shall be filled by the bishops of the University's  
57 patronizing conferences pursuant to section 2(b) of this article.

- 1 (c) Each trustee, other than an honorary trustee, is expected to attend at least one-half of the board meetings  
 2 and meetings of committees of which he or she is a member held during his or her term. A trustee's failure  
 3 to attend three consecutive board or three consecutive committee meetings, absent circumstances  
 4 considered extraordinary by the board, shall be deemed to constitute that trustee's resignation from the  
 5 board.

#### 6 *6. Specific Powers and Duties*

7 As stated in section 1 of this article, the board of trustees has ultimate responsibility for the University's mission,  
 8 operation, and affairs. Without limiting the generality and breadth of that responsibility, the board shall have the  
 9 following specific powers and duties:

- 10 a) The board is the policymaking body of the University and shall set its strategic goals and direction. General  
 11 institutional and strategic policies should originate with the board or should be approved by the board upon  
 12 recommendation of the president. The president shall administer and implement the policies adopted by  
 13 the board of trustees within the broad framework established by the board.
- 14 b) The board shall ensure that the financial resources of the institution are adequate to provide a sound  
 15 educational program.
- 16 c) The board shall protect the institution from undue influence from political, religious, or other external bodies  
 17 and keep itself free from such influences.
- 18 d) The board shall not be controlled by a minority of board members or by organizations or interests separate  
 19 from it.
- 20 e) The members of the board shall be free of any contractual, employment, or personal or familial financial  
 21 interests in the institution to the extent not allowed by the board's conflict-of-interest policies or necessarily

### 16 **(a) Regular Meetings**

17 The board shall meet at least twice annually. Regular meetings of the board shall be held in the fall and spring. The  
18 spring meeting shall be known as the annual meeting. The dates of the regular meetings shall be established by the

26 president's suspension of an action of the faculty or wish to request a special meeting of the board for some  
27 other purpose.

### 28 **(c) Notice**

29 Written notice stating the place, date, and time of any regular or special meeting of the board shall be delivered not  
30 fewer than seven days before the meeting, either personally, by mail, by email and/or other electronic message, or  
31 by other satisfactory means (including but not limited to facsimile and overnight delivery), to each trustee at his or  
32 her address reflected in the records of the University. If mailed, the notice shall be deemed delivered when deposited  
33 in the United States mail in a sealed envelope correctly addressed with first-class postage prepaid. Any trustee may  
34 waive notice of any meeting. A trustee's attendance at any meeting shall constitute a waiver of notice of the meeting,  
35 except when a trustee attends a meeting for the express purpose of objecting to the transaction of any business  
36 because the meeting has not been lawfully called or convened. Neither the business to be transacted at, nor the  
37 purpose of, any regular or special meeting need be specified in the notice or waiver of notice of such meeting unless  
38 specifically required by law, and the board's authority to act at any meeting shall not be limited to any items specified  
39 in the meeting notice. At any such meeting at which every trustee shall be present even though without notice, any  
40 matter pertaining to the University's purposes may be considered and acted upon.

43 or its chair.

### 44 **(e) Quorum**

45 Eighteen members of the board shall constitute a quorum for transacting business, but a majority of those present  
46 at the time and place of the meeting, although less than a quorum, may adjourn without notice until a quorum  
47 appears. The vote of a majority of the trustees present at any meeting shall prevail, unless the vote of a greater  
48 number is required by law, the certificate of formation, or these bylaws. Trustees present only by proxy may not be  
49 counted toward a quorum, but their proxies may be voted if a quorum otherwise is present.

### 50 **(f) Nature**

51 Meetings of the board are executive and confidential in nature unless the board determines otherwise by an  
52 affirmative vote of two-thirds of the trustees present and voting, provided, however, that University administrative

54 are under discussion, may have the privilege of the floor.

### 55 **(g) Voting**

56 A trustee may vote in person or by written proxy. No proxy shall be valid after three months from the date of its  
57 execution. Each proxy shall be revocable unless it expressly provides that it is irrevocable or unless otherwise made  
58 irrevocable by law. With respect to any action (i) that is required by the Texas Business Organizations Code, or its  
59 successor legislation, (the "TBOC") to be taken at a meeting of the board of trustees or (ii) that may be taken at a  
60 meeting of the board or any board committee, such action may be taken without any such meeting if a written

1 consent setting forth the action to be taken is signed (as provided by the TBOC) by a sufficient number of members  
2 of the board or committee as would be necessary to take the action at a meeting at which all, and not just a quorum,  
3 of the members of the board of trustees or members of the committee were present and voted.

4 **(h) Order of Business**

5 The board normally shall observe the following order of business at its regular meetings:

9 and ratification of any actions taken by standing committees, including the executive committee; and  
10 conferring of regular and honorary degrees;

- 12 5) Reports of the standing committees;
- 13 6) Reports of other committees and task forces;
- 14 7) Unfinished business;
- 15 8) New business; and
- 16 9) Executive session.

17 The order of business, however, may be varied for good cause in the discretion of the chair.

18 **(i) Conduct of Business**

19 The chair shall preside at all board meetings; in the absence of the chair, the vice-chair shall preside; in the absence  
20 of the vice-chair, the president shall preside; and in the absence of the president, the secretary/treasurer shall call  
21 the meeting to order and a chair pro tempore shall be chosen by the board from among the trustees present. The  
22 secretary/ treasurer shall act as secretary/treasurer of all meetings of the board, but in the absence of the  
23 secretary/treasurer, the presiding chair may appoint any person to act as secretary/treasurer of the meeting.

24 **9. Compensation of Trustees and Reimbursement of Expenses**

25 Trustees shall not receive any salary or compensation for their services, provided, however, that nothing in these  
26 bylaws shall be construed as precluding any trustee who is in compliance with all conflict-of-interest policies  
27 prescribed by the board from receiving compensation in a reasonable amount for personal services rendered (other  
28 than services rendered as a trustee) that are reasonable and necessary in carrying out the University's purposes as  
29 the board of trustees may determine nor shall these bylaws in any way affect the right of any University employees  
30 who serve as trustees, including the president, to receive their full salaries or other compensation to which they are  
31 entitled as employees. A recent-graduate trustee, in the board's discretion, may be reimbursed for certain expenses  
32 incurred by him or her in carrying out his or her duties as a trustee.

33 **10. Committees**

34 **(a) Standing Committees**

35 Standing committees of the board shall include the Executive Committee and the Trusteeship Committee, together  
36 with such other standing committees as the board may create. The board may delegate to its standing committees  
37 proper powers and duties. Non-trustees may serve on standing committees, but any committee that exercises the  
38 powers of the board must consist of a majority of persons who are trustees.

39 **(b) General Regulations**

40 1) Appointment and Term of Standing Committees

41 Members of standing committees shall be appointed by the chair, by and with the consent of the board, and  
42 shall serve at the pleasure of the appointing chair or until the succeeding chair shall be elected. The chair  
43 and the president shall be ex officio members of each committee.

44 2) Method of Filling Vacancies in Standing Committees

45 If a vacancy occurs on any standing committee, the chair may appoint another member to serve on the  
46 committee until the next regular board meeting, at which time the chair shall seek board confirmation of  
47 the appointment. If confirmed, the appointment shall stand at the pleasure of the appointing chair or until  
48 the standing committees are reconstituted.

49 (3) Committee Meetings

50 Meetings of any committee may be called by the chair of the committee, the chair of the board of trustees,  
51 or the president. A majority of any committee shall constitute a quorum.

52 (4) Committee Records

53 Each standing committee shall keep records of its proceedings, and any actions exercising delegated powers  
54 of the board shall be formally reported to the board at its next regular meeting.

55 (5) Authority of Standing Committees

56 The authority of all standing committees shall be subject to the policies of the board of trustees.

57 **(c) Executive Committee**

## 1        1) Membership

2            The Executive Committee of the Board of Trustees shall be composed of the chair, vice-chair, and  
 3            secretary/treasurer of the board; the president of the University; the chairs of all of the board's standing  
 4            committees; and former board chairs who are trustees. (Unless otherwise clearly evident, all references to  
 5            the "executive committee" refer to the Executive Committee of the University's Board of Trustees.)

## 6        (2) Meetings

7            The executive committee shall meet at the discretion of the chair.

## 8        (3) Powers and Duties

**KINGDOM KAMP**

FOR INFORMATION ONLY

With the creation of the new Rio Texas Conference on the horizon, we chose *New Beginnings* as the theme for Kingdom Kamp 2014, and a new beginning it was!

For the first time in thirty-one years, Kingdom Kamp was held at Cathedral Oaks Retreat Center near Weimar. The move was a blessing in many ways, most significantly in that campers had no accidents. The ground at Cathedral Oaks is level and flat, the sidewalks wide and safe, which is especially important for our many campers with gait and mobility issues.

At Cathedral Oaks we had our own cook team, which provided wonderful, nutritious meals for our campers that met their individual dietary restrictions. The cook team was a hit. Their interaction with the campers was a joy to witness. New also at camp this year was the addition of prayer stations to our weekend activities. Campers and staff were given the opportunity to reflect on gratitude, confession, praise, and the needs of loved ones. The new online registration system made it easier for our nurses to dispense and keep track of medications and campers’ health issues. We hope it is available again in 2015.

Because the buildings and facilities at Cathedral Oaks are closer together, both campers and staff discovered they were less tired, and we had more free time. We were able to enjoy Godly Play stories and spend more time getting to know one another. The extra time opens up opportunities for activities that will enrich future Kingdom Kamps spiritually and experientially.

Saturday night we were delightfully entertained at *The Kingdom’s Got Talent!* talent show. Campers were invited to share the gifts with which God has blessed them – singing, acting, telling jokes, playing the keyboard, etc. The dance on Sunday night is always a highlight of camp, and we danced the night away to country western, oldies, pop, rap, and rock music.

The staff at Cathedral Oaks was available, helpful and eager to address our questions and needs. All 48 campers and 25 staff affirmed the new location, recognizing the ease and safety of the facilities. We are looking forward to the improvements and expansion of Cathedral Oaks that will enhance the Kingdom Kamp experience.

We are deeply indebted to Nan Pyle, Linda Keen, Cynthia Bedford, and the Transitional Uniting Table for their support of Kingdom Kamp and so very grateful that all recognize the need for a camp for these most precious of God’s people. I am profoundly thankful for Carol Kohutek who stepped in as Camp Director and Ellen Groth who partnered with us in the organizational details of camp.

As we encountered many new beginnings over the weekend, we recalled God’s covenant with Noah, the promise of God’s presence with us. On Sunday morning, we gazed up into the sky and spotted a rainbow-colored halo that

1 completely surrounded the sun. In that moment we felt God's love shining upon us, blessing Kingdom Kamp's new  
2 beginning!

4 Grace and peace,  
Rev. Nancy Day, Dean

## HIGHER EDUCATION AND CAMPUS MINISTRY

FOR INFORMATION ONLY

5 The Transitional Uniting Table paved the way for a smooth transition for Higher Education & Campus Ministry as the  
6 Southwest Texas Conference and the Rio Grande Conference united to form the Rio Texas Conference on January 1,  
7 2015. Members of the former Board of Higher Education and Campus Ministry (BHECM) provided guidance and  
8 council to the co-chairs of the Higher Education & Campus Ministry area of the Developing Leaders Vision Team of  
9 the Rio Texas Conference that allowed for a seamless continuation of these important ministries.

### 10 ***Campus Ministry***

11 In the reports below, the reader will find descriptions of the good things happening in our various campus ministries—  
12 11 ministries on 16 campuses within our Conference. Our investment in these ministries results in lives being  
13 changed—students, faculty, and communities...here in Texas and around the world. Through these ministries, we  
14 continue to make disciples, guide disciples in spiritual growth, and provide future servants and ministers with their  
15 first or formative opportunities of service and leadership.

16 In the year to come, members of the Higher Education & Campus Ministry Team will continue to support and interact  
17 with our campus ministers and campus ministries. We also encourage our campus ministers and ministries to pursue  
18 and develop close relationships/partnerships with local churches and districts in order to develop truly connectional  
19 ministries.

### 20 ***Scholarships***

21 The Rio Texas Conference continues to help students across our Conference access higher education. To meet some  
22 of the financial challenges, we encourage churches to emphasize and participate in the United Methodist Student  
23 Day Offering and our scholarship programs. This year, as we transitioned into the new Conference, the scholarship  
24 team discerned that it made sense to keep former scholarship members on board to award scholarships. Margot  
25 Perez-Greene (new to the team) assumed the role of chair specifically to become acquainted with the award-granting  
26 process. Garvin Harkins and Javier Leyva served with Margot, and Nan Pyle and Eve Albert at the Conference office  
27 provided the team with invaluable information and assisted by receiving application packets and disseminating them  
28 to the team for review. Of the applications received, 14 were graduating high-school seniors, 1 college freshman, 3  
29 college sophomores, 2 college juniors, and 1-no information). There were 3 incomplete packets we could not  
30 consider. We provide this information so that churches can share the competitiveness students may encounter and  
31 the importance of timely and complete submission of packets. The team encourages churches to promote these  
32 opportunities made available by the United Methodist Church to assist, encourage, and recognize potential for as  
33 many young deserving college-seeking students as possible. In the end, the team disbursed \$6300 by awarding four  
34 scholarships. Thank you so much for your continued interest and support of our Conference scholarship program.

### 35 ***The Francis Asbury Award***

36 The Francis Asbury Award is a non-monetary award given to recognize and encourage support of higher education  
37 and campus ministries within The United Methodist Church. The award offers recognition to individuals who have  
38 made a significant contribution to fostering the church's ministries in higher education at the local, district, or annual  
39 conference level of the church. It is named for Bishop Asbury and is based on his admonition to the people called  
40 Methodists to erect a school in the vicinity of every church. "We must," he said, ". . . give the key of knowledge to  
41 your children, and those of the poor in the vicinity of your small towns and villages." The award is given to individuals  
42 selected by the annual conference board of higher education and ministry, and is recognized during the Annual  
43 Conference with a certificate, a congratulatory letter, and a pin provided by the Division of Higher Education by mail.  
44 This year's recipient is **Mr. Stan Horwood** of Sterling City, Texas. We are so grateful for his significant and enduring  
45 contribution to higher education in the United Methodist Church.

46  
47 Respectfully Submitted,  
48 Rev. Jon Herrin & Rev. Dr. Margot Perez-Greene  
49 Co-chairs, Higher Education & Campus Ministries  
Developing Leaders Vision Team

11 We continue to see many students encounter Christ and grow in their faith through the ministry of the Wesley. Here  
 12 are some numbers that reflect some of what we have seen.

13 **Overflow:** We averaged an attendance of 60 students during the Fall 2014 and 64 during Spring 2014. Summer  
 14 Overflow attendance was approximately 20 students each week. This Spring we did a study on the Trinity based on  
 15 the book Ministry in the Image of God by Steve Seamonds. This summer we are looking at the Humble and the Proud.  
 16 This Fall we began a study through the Gospel of Mark.

17 **Small groups:** We continued to average between 85 participants in our weekly small groups/discipleship throughout  
 18 the year. Our high commitment, in depth discipleship groups continue to multiply in number of groups and students  
 19 involved. We averaged 13 this in our summer small groups.

20 **Leadership:** We had 27 students involved in leadership roles in the Spring and 32 in the Fall. We had ministry intern,  
 21 Julianne Jones for the Spring and the summer. We continue to adjust our leadership structure focused around our  
 22 outreach areas on campus. This has resulted in more of our students actively sharing their faith with others. Many  
 23 of the Outreach Council students partner with students from other campus ministries in their outreach area.  
 24 Outreach areas included: UT Men's Baseball Team, St. Edward's University community group, AZD sorority, Kin  
 25 Solving Dorm, , and the Engineering School, international students, Social Work school, Jester dorm, Whitis Dorm,

 31 connection with the kids through VBS type activities, tutoring, and a lot of playing.

32 2 students led a UM army team of 12 to Uvalde in May.

33 We had 25 students serve as counselors at Midwinter hosted by the SWTX Conference Youth Ministry.

34 A team of 8 students and alumni went on a mission trip over the week of Thanksgiving to New Delhi, India. Our alum  
 35 Grant McFarland serves there with as a missionary with Truthseekers International. We served with their ministry  
 36 and attended Grant's wedding to his Indian wife, Dimple.

37 **Retreats:** Our Spring retreat was attended by 49 students at Camp of the Hills near Marble Falls. Sean Gladding,  
 38 author and teacher was our speaker. The students were moved by a weekend adventure through the Big Picture of  
 39 the whole Bible. The Fall Retreat was attended by 42 students at Camp Eagle. Camp Eagle staff person Jonathon

### *Texas United Methodist College & University Reports*

Texas United Methodist College Association

With financial pressures affecting higher education in the United States, TUMCA is encouraged that our income has remained positive. We received a modest increase in receipts over last year, almost 1%. While not too impressive, even a small increase for the year is welcome.

The news is even better as to our disbursements to the universities. Because of careful monitoring of our administrative costs, along with the aforementioned increase in revenue, we have made an additional \$20,000.00 distribution to the universities, representing a 4.65% increase over last year.

Great appreciation is expressed to the congregations of United Methodism across Texas for the funding they provide to TUMCA. TUMCA's apportioned funds are for the benefit of United Methodist students from Texas who are enrolled at one of our United Methodist institutions in Texas. TUMCA funds can be used by the universities only for scholarships, no bricks and mortar or administrative expenses.

For 55 years TUMCA has played a pivotal role in creating and enhancing the partnership of local churches with our United Methodist Universities in Texas. The focus of this partnership has been on scholarship assistance for United Methodist students in Texas. Typical of the importance of this partnership are letters we have received from two of our scholarship recipients. "I wanted to let you know how appreciative I am of being selected to receive TUMCA scholarship funds. I will be the first person in my family to graduate from college. Without scholarship help this could not happen." Another student wrote, "In addition to my degree in political science, I am on track to graduate with highest honors. I am involved in several clubs and honor societies, as well as chapel. Also I have an on-campus job. Thank you for this wonderful gift. I will pay it forward!"

From students to parents to our United Methodist Universities, the response is the same: TUMCA funds are making a vital difference.

Listed below are the students from The Rio Texas Conference who have received TUMCA scholarships this year, along with the university they attend, as well as their home congregations.

The Chaplain along with 10 students and one faculty chaperone traveled to New York, NY to the Seminar Program of the General Board of Global Ministries, United Methodist Women's Division; the topic for 2014 was Immigration. Students spent two days in workshops learning the issues surrounding Immigration, how they affect a people and the nation.

In September of 2014 Religious Life engaged in the annual First Year Experience and Sophomore Retreat. About 50 students attended a retreat at Camp Tejas in Giddings, TX. The retreat was an opportunity for incoming students to get to know each other while simultaneously share their concerns of leaving home and beginning a new chapter in their lives. Religious Life and Campus Ministry Staff assist in the planning of the event which gives opportunity to develop student leadership.

In October of 2014 Religious Life and Campus Ministry hosted a Faculty/Staff Appreciation Luncheon at the Center for Religious Life. This was the third year of the event and each year we see more faculty and staff come out, this year there were approximately 65 faculty/staff in attendance.

We closed out the year in December with our Service of Healing; in the Christmas Service we celebrate the Christ Child, and one another, but most importantly we often have students, faculty and staff who have loved ones who have died throughout the year and we pause to remember loved ones who are no longer with us.

Huston-Tillotson University is proud of its United Methodist Church heritage and affiliation and continually strives to provide a wholesome and open learning environment that encourages recognition of individual worth and merit.

#### *Boston University School of Theology*

Dear Colleagues in the Rio Texas Conference:

Greetings in the Spirit of Jesus Christ! In this anniversary year, Boston University School of Theology (BUSTH) celebrates 175 years of seeking God, building knowledge, and equipping leaders for the church and society. We especially celebrate our students, alums, and church partners, with whom we seek to serve God as transforming leaders in a multitude of local and global communities.

#### BREAKING NEWS

The **Doctor of Ministry in Transformational Leadership** is well underway with outstanding students and eager teachers. In its first year, the program has attracted two cohorts of students from three countries, eight faith traditions, and a variety of church, educational, health care, and other faith-based contexts.

BUSTH celebrated art and creativity with four major **art exhibits and receptions**: James Crane's *motive* cartoons; Robin Miller's "African America in Art and Poetry"; John August Swanson's poster art; and Beth Neville's paintings.

The **STEWARDSHIP program**, funded by a grant from the Lilly Endowment, is preparing students for stewardship of all of life, including spiritual, physical, and financial life.

**Raices Latinas**, funded in part by the United Methodist Church Young Clergy Initiative, has begun! It invites and supports Latino/a young adults toward a life-giving journey in ministry. BUSTH also works closely with the UMC in leadership of the Hispanic Youth Leadership Academy. Both focus on education, mentoring, service learning, and spiritual formation.

## MILESTONES

**175 Years:** The founders of BUSTH were abolitionists, pastors, and lay leaders who envisioned a school to carry the spiritually rich, socially transformative, leadership-forming legacy that centered their own lives. Our annual theme, *Leading in Transformation*, honors that vision and reflects on how to reshape it in response to changing social realities.

**Women in the World:** This year, the Anna Howard Shaw Center celebrates 30 years of its Women in the World Conference, a witness to women's leadership in the church and a celebration of their brave, audacious ministries.

**PARTNERING FOR TRANSFORMATION.** Preparing students for ministry means meaningful partnerships with the local spiritual community.

**Partnering in transformational learning** through courses in congregations with church leaders and students together.

**Serving the church** through workshops and mutual projects, especially in church renewal, mission, and the cultivation of difficult conversations that enhance dignity and justice.

**Traveling across the globe** through seminars where students engage with diverse cultures and traditions. In this year, students and faculty have explored the Arizona-Mexico Border, Israel and Palestine, Ephesus, and Mexico.

**CELEBRATING JUSTICE:** From Selma in 1965 to the Arizona-Mexico border and the streets of U.S. cities, we celebrate transformational leadership and explore paths to just peace.

**Retracing history** by commemorating civil rights milestones with: Walter Fluker, Martin Luther King, Jr. Professor of Ethical Leadership; and a panel of alumni and faculty on "Selma at 50, Ferguson Today."

**Moving forward** to understand and build justice, engaging with Cornell William Brooks—BUSTH alumnus and President of the NAACP—and with our students, faculty, and alumni who seek to build justice in Boston, Ferguson, Hong Kong, Indonesia, Uganda, and beyond.

As we look back on the last year—and the last 175 years—we celebrate transformational leaders who have loved God and cared mightily for God's world. Their living legacy gives us hope and courage for the future.

Blessings and gratitude,  
Mary Elizabeth Moore, Dean

*Candler School of Theology*

For 100 years, **Candler School of Theology** at Emory University has prepared *real* people to make a *real* difference in the *real* world. Since our founding in 1914, more than 10,000 students have graduated from Candler, where they have been shaped as Christian leaders who put faith and love into action, transforming the world in the name of Jesus Christ. Here, students are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus. This unique approach ensures that our graduates are ready to serve wherever God leads.

One of 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition. We are one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a rich context for study. Our location in the city of Atlanta offers a learning environment that reflects the highly diverse communities of the 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

During the 2014-2015 academic year, Candler celebrated its Centennial, marking our 100th anniversary with a series of commemorative events highlighting memories of the past and visions for the future. The yearlong celebration began in the fall of 2014 with the dedication of the final phase of our new LEED-certified building and the premiere of *Religion and Reason Joined: Candler at 100*, a new book on our history. The commemoration continued through the spring of 2015 with guest lectures, exhibits, and "Prophetic Voices," a major academic conference addressing the challenges and opportunities facing theology in the 21st century.

Not only has Candler expanded its physical space this year—we have expanded degree offerings as well. In response to the changing needs of the church, Candler introduced five new degrees to equip Christian leaders: the Doctor of Ministry, the Master of Religious Leadership, the Master of Religion and Public Life, and two dual degrees with social work and development practice.

Candler's student body reflects the diversity and breadth of the Christian faithful. Our enrollment stands at 447, with 320 seeking the Master of Divinity, 43 the Master of Theological Studies, 14 the Master of Religious Life, 20 the Master of Theology, 29 the Doctor of Ministry, 10 the Doctor of Theology, and 11 enrolled as Non-Degree students. The student

body is 52 percent women, 35 percent people of color (U.S.), and the median age of the entering class is 27. Students represent 42 denominations, with nearly half identifying as United Methodist.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries in the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at [candler.emory.edu](http://candler.emory.edu) to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

#### **A Year of Engagement**

The last year has seen a rise in the number of United Methodist students attending Claremont School of Theology (CST). The increase from 47 to 62 students represents a 32% increase from the previous year. But the numbers only begin to tell the story of CST's engagement of The United Methodist Church over the last year.

CST's commitment to engaging the life of the Church is embodied in its President, Kah-Jin Jeffrey Kuan. He models an approach that the best way for the seminary to be responsive to the needs of the Church is to be present within it. President Kuan spends most Sundays visiting congregations outside of Claremont - frequently as a guest preacher. Last summer, President Kuan participated in five Annual Conference gatherings within the Western Jurisdiction, which he intends to repeat in 2015. He has also presented at church conferences, including a lecture on leadership for the **United Methodist Asian American and Pacific Islander Clergywomen Conference**, hosted by CST in October 2014.

This has been a productive year for the **Center for Global Methodism (CGM)**, which serves the Methodist community at CST. Two small groups composed of United Methodists students have met throughout the academic year: a vocational discernment group; and a commissioning support group. CGM has also sponsored several opportunities throughout the year for United Methodist students to be formed by opportunities to meet and engage with Church leaders on multiple levels. On a local level, students met with Rev. Nicole Reilley on new ministries within the California-Pacific Annual Conference (Cal-Pac). They also benefitted from a lunchtime conversation about missionary opportunities with Rachel DeBos, a missionary within the Global Board of Global.

United Methodist speakers of national and international renown were also welcomed to the CST campus over the last year. CGM co-sponsored a set of lectures by Prof. Joerg Rieger of Perkins School of Theology. And in March 2015, CST welcomed Rev. Adam Hamilton, Founding Pastor of the Church of the Resurrection in Leawood, KS, to deliver the **Wallace Chappell Lectures**.

In January 2015, the **Young Clergy Initiative** was launched in partnership with Cal-Pac. Bishop Minerva G. Carcaño appointed the Rev. Allison Mark to assume leadership of the program, which is housed on the CST campus. The initiative aims to foster a "culture of call" amongst the congregations that make up Cal-Pac. In addition to providing office space, CST provides faculty and administrative support to the program. The YCI addresses the need for future generations of clergy to provide leadership and spiritual guidance capable of sustaining the Church's global mission.

In November, CST and Cal-Pac launched a new podcast called "**The Branches**," that focuses on the challenges of Christian life in the 21st century. The first episodes featured interviews with Bishop Minerva G. Carcaño and CST President Jeffrey Kuan during the Advent season. The two leaders were invited to reflect on their memories of Advent and Christmas from their early years in ministry and their present practice in a season of giving.

On February 22, 2015, CST and Cal-Pac celebrated **Claremont Sunday** - a day set aside to lift up its relationship with its seminary in nurturing future generations of United Methodist clergy. The day was marked with prayers, offerings and presentations about CST at congregations throughout Cal-Pac. Ten CST students and faculty were welcomed as guest preachers at congregations from Palm Springs to Lakewood to Torrance, providing faces, names and voices to CST's mission of educating the future leaders of the Church.

On July 11, 2014 Bishop Carcaño joined the Episcopal Bishop of Los Angeles in calling for a **Weekend of Compassion for Unaccompanied Migrant Children**. CST responded, marshaling its academic and pastoral

resources to produce accessible information to assist congregations. In a series of essays and videos, CST faculty and alumni/ae offered historical, scriptural, theological and pastoral context to the situation.

The year ahead promises to be full of impactful ministry for CST, as its online-hybrid MDiv program enters its second year and the Young Clergy Initiative takes shape. Stay connected to life at CST by visiting [cst.edu](http://cst.edu) or following CST on social media on Facebook and on Twitter @CST\_News.

### *Duke Divinity School*

The academic year 2014–2015 has been an exciting year as we continue to engage with the church, academy, and society on important ecclesial and cultural issues. The heart of our work remains the preparation of men and women for Christian ministry and leadership within the church. As part of that mission, our initiatives, centers, and programs continue to be a vital resource for us to extend the good news of God’s invitation into all spheres of a complex and hungry world. Far from being an ivory tower, Duke Divinity School is a place where faculty, students, and staff are eager to use the training for ministry in order to serve others and serve as a light to the world.

Duke Initiatives in Theology and the Arts (DITA) recognizes that the arts shape the imagination of a community and provide the forms through which many people most directly and compellingly encounter the message of the gospel. On Palm Sunday, Duke Chapel hosted the American premiere of the new *St Luke Passion*, written by the eminent Scottish composer James MacMillan. The work was commissioned by Duke Divinity School in conjunction with the Netherlands Radio Philharmonic Orchestra and the City of Birmingham (U.K.) Symphony Orchestra. During the process of composing the piece, MacMillan met several times with a group of theologians and biblical scholars from Duke Divinity School and the University of Cambridge to reflect on the shape and meaning of Luke’s narrative. In addition to this stunning choral work, DITA has sponsored lectures by visiting scholars and hosted the first artist-in-residence, Malcolm Guite.

The newest of our initiatives, Theology, Medicine, and Culture, builds on the extraordinary faculty resources offered by four physicians who hold joint faculty appointments in the Medical School and the Divinity School at Duke. Working together with other members of the faculty who share an interest in healthcare and medical ethics, they are developing a range of programs that seek to clarify and strengthen Christian witness and action in the complex world of healthcare. One program, Walking Together, sponsors conferences that address care of the mentally ill in faith communities. Another, Reimagining Medicine, will gather health professionals at a summer conference to consider proposals for the ways in which local communities might draw on Christian perspectives to shape the delivery of medical care.

The Center for Reconciliation (CFR) celebrated its 10<sup>th</sup> anniversary this year, and this has been a time of transition for the center. Co-founder Chris Rice accepted a role with the Mennonite Central Committee in Korea, and he will retain his connection to Duke as senior fellow for Northeast Asia. In that role he will coordinate the emerging work of the Christian Forum for Reconciliation in Northeast Asia, which will be modeled on the successful development of the Great Lakes Initiative (GLI) in East Africa. Duke has helped to support the GLI for the past seven years, and this year full leadership transitioned to local African leaders. The Divinity School has received a major gift commitment to endow a faculty position that will also serve as director of the CFR, and a search has begun to fill that position. In the coming years we intend to strengthen our emphasis on issues of racial reconciliation in local contexts.

Leadership Education at Duke Divinity (LEADD) draws inspiration both from the Christian theological tradition and from the best recent studies and practices of leadership and entrepreneurship. In partnership with the Lake Institute, this year LEADD offered an executive certificate in religious fundraising. LEADD also offers a program for denominational and institutional leaders, Foundations in Christian Leadership. *Faith & Leadership*, the online magazine published by LEADD, continues to reach over 300,000 readers and provide a resource for theological reflection and “traditioned innovation” for all in ministry. Their continued excellent work was recognized again this year with awards from the Associated Church Press “Best of the Christian Press” contest.

The Center for Studies in the Wesleyan Tradition has been a source of internationally acclaimed research and support for Methodist and Wesleyan studies since 1979. This center offers courses for both Course of Study and Divinity students, provides access to outstanding research resources for students and scholars of the broad Wesleyan tradition, and supports the production of critical editions of the texts of John and Charles Wesley in print and online formats. The center also sponsors the Summer Wesley Seminar, led by professors Randy Maddox and Richard Heitzenrater, which invites application from scholars to spend an intensive residency at the Divinity School to facilitate their study of Wesleyan heritage.

In addition to our major initiatives, Duke Divinity School has a number of other programs that extend the good news of God's salvation to disparate parts of our society. Our program in prison ministry sends divinity students into prisons in order to take classes alongside people who are incarcerated. The certificate in prison studies provides students with the opportunity to engage specifically with people in prison and the system that imprisons them in the context of theological education and formation for ministry. Thriving Rural Communities, a partnership between Duke Divinity School, The Duke Endowment, and the North Carolina and Western North Carolina Conferences of The United Methodist Church, helps divinity students, pastors, laity, districts, and conferences cultivate and strengthen Christian leadership and United Methodist congregations in rural North Carolina. The Duke Youth Academy for Christian Formation continues to offer high-school students an opportunity for intensive theological engagement and practice.

We continue to welcome students from a range of backgrounds who are called to serve God and the church. In 2014, our total enrollment was 656 students: 462 are enrolled in the M.Div. degree program; 36 in the M.T.S.; 12 in the Th.M.; 45 in the Th.D.; 54 in the D.Min.; 24 in the M.A.C.P.; 15 in the M.A.C.S.; and 3 who are special students. Thirty-nine percent of our students are United Methodist, with an additional 4 percent from other Wesleyan traditions, and 46 percent of our M.Div. students are United Methodist. Fourteen percent of all students are Baptist, 8 percent are Anglican or Episcopal, 3 percent are Roman Catholic, 7 percent are Presbyterian or Reformed, with the remaining 9 percent from other denominations or nondenominational churches.

In addition to the ongoing excellent academic and field education work done by students each year, several students had notable achievements. Two of the top three prizes in the Student Essays in Christian Wisdom competition sponsored by The Living Church magazine were claimed by Divinity School students: Kevin Rose M.Div.'16 won second place and John Zambenini M.Div.'15 won third place. Second-year M.Div. student Jacob Drake was selected to present a paper the Oxford University Byzantine Society international Graduate Conference held in Oxford, England. Michelle Wolfe M.Div.'14 was awarded a fellowship by FASPE (Fellowships at Auschwitz for the Study of Professional Ethics) to participate in a two-week program in New York, Germany, and Poland for an intensive study of contemporary ethics. Four divinity students, part of a research group in American religious history, were among the winners of grants for research projects using the Religion in North Carolina digital collection. Other students did exemplary work in organizing conferences for ministry to the sexually abused and issues in pastoral care for military veterans.

We remain deeply grateful for the relationships among the United Methodist Church, this Annual Conference, and Duke Divinity School. We look forward to working with you in the task of preparing men and women for Christian ministry. ### *Garrett-Evangelical Theological Seminary*

Greetings from Garrett-Evangelical!

Early in the calendar year, I met with various constituencies of Garrett-Evangelical Theological Seminary, including alums, faculty, staff, trustees, and students regarding their hopes and concerns for the school. As a result, we began the 2014-2015 academic year with the following priorities:

- To prepare and equip our graduates as public theologians,
- To nurture a more diverse community at Garrett-Evangelical so that the entire community develops cultural competency,
- To value and promote inclusivity at Garrett-Evangelical, and
- To construct a sustainable model for theological education.

### **Public Theology**

This year we launched a Public Theology Lecture Series to help the Garrett-Evangelical community understand more about the intersection of theological perspectives and shared values held in the public arena as persons in ministry work with others toward the common good and the wellbeing of all persons and creation. The lecture series included:

- October 15, 2014: Rev. Janet Wolf, Director of Haley Farm and Nonviolent Organizing for the Children's Defense Fund, lectured on various Children's Defense Fund programs including restorative justice, mass incarceration, cradle to prison pipeline, and freedom schools.
- December 3, 2014: Dr. Mark Lewis Taylor, Maxwell M. Upton Professor of Theology and Culture at Princeton Theological Seminary considered structures of the global orders and everyday living

which public theologians may claim to engage and where “the powers and principalities” are always in contestation in “public” life.

In the fall, we will offer a course, “Public Theology in the City,” taught by Dr. David Frenchak, former president of Seminary Consortium for Urban Pastoral Education (SCUPE). The class will collaborate with the mayor’s office in Evanston on an anti-violence initiative. Dr. Frenchak will also provide a Public Theology lecture this spring.

### **Cultural Competency & Inclusivity**

As part of the commitment to nurturing a more diverse community, we welcomed a new Vice President for Academic Affairs, Dr. Luis R. Rivera, our first Latino Academic Dean. Our current ethnic/racial profile is:

- 20% black; 6% Asian; 3% Hispanic/Latino; and 54% White; 14% International
- More than 33 religious traditions, four continents, 15 countries and 36 states are represented in the student body
- 232 students are United Methodist with 25 additional students from other Pan-Methodist denominations
- 94 new students began their studies at Garrett-Evangelical this fall, raising total fall enrollment to 365 (FTE of 305)
- The average age of the entering Master of Divinity student is 31
- 52% of the study body is women

Consistent attention to issues of inclusivity, justice, and grace within the seminary setting are critical for preparing future leaders to enter an increasingly diverse world. To respond to these concerns, Garrett-Evangelical will offer a number of Circle of Trust conversations this spring for trustees, faculty, staff, and students. Our goals are: 1) to provide safe space to discuss difficult topics, 2) to reduce any gap between stated values and actual behavior, both personally for participants and institutionally; and 3) to update our 1997 statements of inclusivity.

### **Sustainable Theological Education**

Garrett-Evangelical is beginning work on a Sustainable Theological Education Model for the school. We are guided by a commitment to generational stewardship of our resources and to maintaining a thriving seminary for the future. We will attend to the areas of business, academics programs, and external programs.

Our priority continues to be making seminary education affordable. To this end we award more than \$2.5 million in scholarship aid to students each year and we lead all United Methodist seminaries in the Dollars for Scholars program with 45 recipients. In October, the seminary publicly launched The Final Lap of its \$100 million Forging Our Future campaign, and announced that \$88 million has been received to date. Much has already been accomplished, but more remains to be done (expanding the number of new leadership scholarships from 80 to 100, renovating Sherman apartments, endowing several more faculty positions, continuing to grow the unrestricted endowment), gifts for any of these goals are always welcome.

Thank you for your continued interest in our work. We are dedicated to serving The United Methodist Church and the church at large. For more information about Garrett-Evangelical and our work, I encourage you to visit our website, [www.garrett.edu](http://www.garrett.edu), and to visit us on campus.

Cordially,  
Lallene J. Rector, President

#### **Dean’s Report**

Perkins celebrates our vital connections with the Rio Texas Annual Conference:

Eighteen students affiliated with the Rio Texas Conference are enrolled in Perkins, including two D.Min., 12 M.Div., and three non-degree students;

Eligible 2014–2015 students from the former Southwest Texas Conference each received a Perkins Annual Conference Endowment (PACE) grant in the amount of \$5,000, with qualifying students receiving an additional \$6,000 each in need-based aid;

One Perkins student currently is serving on internship in the Rio Texas Conference;

Perkins celebrates the distinguished accomplishments and service of our alumni/ae and friends in Rio Texas, including Bishop James Dorff (M.Th.’72).

Total enrollment at Perkins exceeds 400 students, of which approximately two-thirds are United Methodist and more than one-third are ethnic minority students. Master's degree programs comprise approximately 51% female and 49% male students. The D.Min. program includes students from southern Asia taking classes in Singapore and Dallas. Our Ph.D. program comprises 30 active students, including two Latino Ph.D. students supported through a grant from the Luce Foundation to Perkins' Center for the Study of Latino/Christianity and Religions.

Dr. Jack Levison (Ph.D., Duke, 1985) joined the Perkins faculty as the third appointee to the W.J.A. Power Chair of Biblical Hebrew and Old Testament Interpretation. Dr. John Martin, new director of Development, came to Perkins after serving as president of Roberts Wesley College in Rochester, New York. Following a nationwide search, a senior scholar and teacher eligible for appointment to the Lois Craddock Perkins Chair in Homiletics is expected to join the Perkins faculty in fall 2015.

Perkins restructured its Master of Divinity degree, effective spring 2015, enabling full-time students to complete the program in three years and reducing overall cost of the degree. The M.Div. now requires 73 term hours of academic credit, including the nine-hour internship.

A new "Master of Arts in Ministry" (M.A.M.) degree has replaced the C.M.M. The M.A.M. offers five tracks: two previously-existing tracks in Christian Education and Urban Ministry, and new tracks in Theology and Social Justice, Christian Spirituality, and Evangelism and Mission.

As part of SMU's "Operational Excellence for the Second Century" (OE2C) initiative, Perkins streamlined its organizational structure in early 2015.

A \$2.5 million gift to SMU will establish the new Susanna Wesley Centennial Chair in Practical Theology at Perkins.

Perkins thanks our many alumni/ae and friends in Rio Texas for continuing generous support, including referrals of prospective students, as we continue our vital mission of preparing women and men for faithful leadership in Christian ministry.

Grace and Peace,  
William B. Lawrence  
Dean and Professor of American Church History

### *Saint Paul School of Theology*

Saint Paul School of Theology is a seminary of the United Methodist Church that educates leaders to make disciples for Jesus Christ, renew the Church, and transform the world. We are one institution with two campuses, in Oklahoma and Kansas.

In July 2014, Saint Paul welcomed a new President: Rev. H. Sharon Howell, who most recently served as the Executive Director of the Scarritt-Bennett Center in Nashville. In August, Dr. Elaine Robinson became the Interim Vice President of Academic Affairs and Dean for both campus locations. CFO Laura Snow was honored by the Greater Kansas City Chamber of Commerce as CFO of the year for a nonprofit. She has been a driving factor in getting the seminary debt free.

This past academic year, Saint Paul enrolled 231 students from 23 annual conferences and 5 countries on both campuses. The Course of Study School at Saint Paul served 237 students at the Kansas City, Missouri, Springfield, Missouri, and Oklahoma City, Oklahoma locations.

Saint Paul is pleased to announce the Saint Paul Fellows Program due to collaborations with the Oklahoma United Methodist Conference and United Methodist Church of the Resurrection. Saint Paul Fellows is a first-of-its-kind pastoral program designed to eliminate student loan debt, immerses students in varied church settings.

Four full-ride scholarships were given to seminary students commencing study in 2015. The three-year Fellows program offers a groundbreaking opportunity to equip candidates called to full-time ministry with excellent academic formation and real-life pastoral experience while reducing the need for student loans. The awards will cover tuition, books and fees for three years. Two Oklahoma Conference Fellows will receive a student appointment to pastor a small church, including a parsonage and salary to cover living expenses; the two Church of the Resurrection Fellows will receive a stipend to cover living expenses while serving at the 21,000 member congregation's suburban campus in Leawood, KS within the Great Plains Annual Conference.

Saint Paul introduced a new curriculum this year for its masters' degree programs. The Master of Divinity degree has been reduced to 79 credit hours and includes exciting new components to better prepare students for a lifetime of ministry. Each semester students take short courses called "practicums" that are

taught by ministry practitioners. These offerings include such skill areas as “budgets and finance”, “funerals” and “ministry with children.” Students are also required to attend off-campus spiritual formation retreats which are intended to deepen their spirituality. Saint Paul continues to offer the core curriculum that is vital for ministry and emphasizes our long-standing model of action-reflection in which students learn to reflect theologically upon the practice of ministry.

The Native American Ministries Program hosted a group of Native American scholars, elders and clergy who have together written a book on Native Christian Theologies entitled, *Coming Full Circle*. This book will be published by Fortress Press in August 2015 and proceeds will go toward funding Saint Paul’s Native American Ministries Program.

Throughout the year we have connected with graduates and donors face to face at gatherings called Holy Conversations. We look forward to more in the upcoming year.

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

These include leadership excellence, pastoral counseling, arts, and new mission-focused tracks. Wesley is accepting applications to two tracks based in Cambridge, England. These tracks, *Transformative Leadership in Wesleyan Perspective* and *Creative Ministry for Church Renewal in a Changing World*, are each limited to 20 students.

Wesley provides **more than \$2 million dollars annually in scholarships** to our students thanks to the consistent support of graduates, congregations and friends of the seminary.

#### ***Providing Resources to Faith Communities and Leaders***

Wesley's **Lewis Center for Church Leadership** continues to be the go-to resource for actionable best-practices for clergy and laity. The center's free *Leading Ideas* e-newsletter provides well-researched, discipleship-growing ideas to more than 15,000 people. Visit [www.churchleadership.com](http://www.churchleadership.com) for resources in: Taking Church to the Community, Doing Good Well, Funding Your Congregation's Vision, and Reaching New Disciples. Also, learn about the newest book by the Rev. Tom Berlin and the Rev. Dr. Lovett Weems Jr., *High Yield: Seven Disciplines of the Fruitful Leader*.

In early 2015, we developed the **Institute for Community Engagement at Wesley Downtown** to help the church turn itself inside-out. The institute encompasses the existing Urban Ministry Program and the Missional Church Program, which includes Heal the Sick, an initiative to congregations for public health work in their parishes.

The third component of the Institute for Community Engagement is Wesley's emerging **Center for Public Theology**. Under the leadership of Distinguished Professor of Public Theology, Mike McCurry, we are developing this center to provide churches and their leaders, and seminary students tools to help navigate the connection between faith and public policy.

The **Luce Center for Arts and Religion** remains the only seminary-based program uniting arts and theology. The center celebrated the 25th anniversary of the Dadian Gallery in late 2014.

Wesley faculty members are continually development resources to the faithful, including **books by Drs. Carla Works, Deborah Sokolove, F. Douglas Powe Jr., Cedric Johnson, and Lovett H. Weems Jr.**

Throughout the academic year, Wesley hosts Second Mondays – a series of lectures on campus and streaming live. This year we explored "Living Matthew 25 – Focusing on the Big Things." In this chapter of Matthew's Gospel, Jesus challenges us to heal the sick, feed the hungry, and welcome the stranger. In their lectures, **Wesley's faculty unlocked the Holy Scriptures and the church's history, traditions and theology to clarify these Gospel imperatives.** These presentations are available at [www.youtube.com/c/wesleyseminaryedu](http://www.youtube.com/c/wesleyseminaryedu) and via live stream at [www.ustream.tv/channel/wesleyseminary](http://www.ustream.tv/channel/wesleyseminary). #### ***AFRICA UNIVERSITY***

Africa University is blessed and privileged to celebrate a 100% investment in the Africa University Fund (AUF) apportionment by the Southwest Texas Conference in 2014.

Southwest Texas was one of 31 annual conferences—the highest number to date—to invest 100% of their asking in the AUF. Thank you for your prayers and for affirming the impact of this ministry by being consistent, faithful, and generous with your investment. Thank you for journeying with Africa University in transforming individuals and communities and bringing new people into relationship with Jesus Christ.

**As you gather for the 2015 RioTexas Annual Conference, we pray that you will remain steadfast in your efforts to invest 100% of the asking to the Africa University Fund, and to other shared ministries, for years to come.**

**Strategic Priorities:** Professor Munashe Furusa took the helm in July 2014 as the fourth vice chancellor in the university's 23-year history. He was formally installed in March 2015 and has put fiscal accountability, student quality of life, and support for academics, at the top of his agenda. Under his leadership, the university is reviewing of its academic programs and service delivery in order to enhance the students' potential for life-long success.

**Student Enrollment:** Full-time student enrollment at Africa University held steady in 2014 with 1,478 young men and women from 25 African countries. Female students were a record 53.4% of the total enrollment in a context where women lag behind men in access to higher education.

**Graduation:** In June 2014, 480 young people were awarded degrees from Africa University at the 20<sup>th</sup> graduation ceremony, bringing to total number of alumni to just under 5,300. Without your support, a college education would have been unattainable for the majority of these students.

**Training and Research:** Africa University remains a sought-after partner in addressing critical skills and capacity gaps in sub-Saharan Africa. A collaboration with the Raoul Wallenberg Institute in Sweden supports a new master's degree program in Human Rights, Peace, and Development. Africa University is also preparing to launch its first PhD program, which links issues of Peace, Leadership, Governance, and Development, and targets policymakers.

**Leadership and Service:** Africa University graduates are answering the call to serve, heal, and uplift communities. Currently, more than a dozen graduates are helping 'the least of these' to experience God's love through service as Global Mission Fellows and missionaries in Africa, Europe, and Latin America.

Together, we give thanks to God for this Ebenezer moment (*1 Samuel 7:12*). But the work is not yet finished. For every individual who has been touched by the ministry that is Africa University, there are many others—tens of thousands, in fact—who are awaiting the miracle of an answered prayer.

Please continue to pray for Africa University.

Explore the potential of your church or district to provide an annual or endowed scholarship.

Remember to include Africa University in your will as you make your personal estate plans.

And thank you, Rio Texas, for your outpouring of love and support. May God bless and keep you always in abundance.

## GENERAL BOARD OF HIGHER EDUCATION & MINISTRY

FOR INFORMATION ONLY

Greetings from the General Board of Higher Education and Ministry! In 2014 and 2015, GBHEM staff has been busy with a number of initiatives assigned to the Board by the 2012 General Conference, including the **Young Clergy Initiative** and the **Central Conference Theological Education Fund**. Here are some of the ways GBHEM has been working to resource our church:

- GBHEM continues to train Group Candidacy Mentors, and Conference Board of Ordained Ministry (BOM) members, BOM staff, District Committee on Ministry members, and District Superintendents on ministry legislation and best practices for navigating the ordination process with new candidates.
- Work continues on the **Young Clergy Initiative (YCI)**. Forty-six YCI grants were awarded during the second round of applications in August 2014, bringing the total amount awarded to \$5.5 million. The grants support programs geared toward increasing the number of young clergy in the UMC and supporting young clergy already serving the denomination.
- The **Commission on Central Conference Theological Education** continues to distribute the \$5 million fund for theological education in Africa, Europe, and the Philippines. So far, the commission has awarded 130 grants to fund training for local pastors, faculty development, provision of e-readers, curriculum development, and libraries at theological schools across 22 countries.
- **Africa University** continues to graduate scholars who are changing the face of Africa. The \$50 million Endowment Campaign, a fundraising plan to ensure Africa University's financial independence, is well underway. Contribute online to Africa University at the new giving website, [support-africauniversity.org](http://support-africauniversity.org).
- More than 680 college students, campus ministers, and chaplains attended **Imagine What's NEXT** last fall, an event which focused on helping students plan how they can be active in God's dreams for their communities and the world.
- For the 2014-2015 academic year, GBHEM's Office of **Loans and Scholarships** awarded 2,293 recipients a total of over \$5 million. Explore all scholarship opportunities within the UMC using the scholarship portal at [scholarship.umc.org](http://scholarship.umc.org).
- Registration is open now for **Exploration 2015**, a three-day event where young adults ages 18-26 ages come to hear, discern, and respond to God's call to ordained ministry in The United Methodist Church.

This year's event will be held in Orlando, FL, November 6–8. Read more or register at [gbhem.org/exploration](http://gbhem.org/exploration) and follow @explorecalling on Twitter for updates.

- Technology enables us to make our training resources more readily available to the church. The **UMC Cyber Campus** provides free video training sessions and lectures, as well as an online listing of continuing education courses, at [umccybercampus.com](http://umccybercampus.com).
- GBHEM and Discipleship Ministries continue to expand the **E-Reader Project**, a simple, sustainable, and cost-effective way for theology schools in remote areas of Africa and Asia to access current textbooks. Through financial support from annual conferences, local churches, universities, and individual donors like you, we're making theological education available to more people in more places than even before. Learn more or donate at [umcereader.org](http://umcereader.org).

### SPIRITUAL FORMATION TEAM

FOR INFORMATION ONLY

A Five-Day Academy for Spiritual Formation was held January 18-23, 2015 at the Oblate Renewal Center in San Antonio, Texas. Under the direction of the Upper Room and our Conference Spiritual Formation Team, seven laity and clergy leaders from our Conference organized an experience for sixty individuals to "Draw Close to a Loving God." We hosted two speakers: Dr. Wil Hernandez, an Henri Nouwen scholar, and Dr. Roberta Bondi, an expert on the lessons from the desert mothers and fathers in understanding God's love. After reading four books before arrival, participants enjoyed a daily rhythm of prayer, worship, learning and reflection. We observed morning and evening worship, celebrated daily Eucharist, and had opportunities to reflect silently on the lectures and well as to share with one another in small listening circles. Our week was supported with scholarships from Methodist Healthcare Ministries and a grant from Karnes City UMC. We encourage everyone to consider attending the Five-Day Academy March 7-12, 2016 at the Oblate Renewal Center under the leadership of Rev. David King.

Respectfully,  
Nancy McDougall

### PARISH AND COMMUNITY DEVELOPMENT

FOR INFORMATION ONLY

In the West District, the outreach program provided by West Texas Counseling and Guidance continues to reach out to local and surrounding communities. Our churches continue to contribute and provide food banks and assistance to those in need. With the growth in our District, we have connected and shared new areas of spiritual growth and seek new ministries, such as ESL, work in progress to start a SSL with one of our local churches, connecting our Wesley Nurse program in areas with pressing need for this service, and continued success with the "Adopt a School" community program. As we stay focused on the Mission Field we continually watch, listen, and search for the needs to begin the process to provide what is needed. We look forward with faith and excitement, to do what God intended us to do, serving others.

Gini Christian, West District Program Director

### COMMITTEE ON ETHNIC LOCAL CHURCH CONCERNS

FOR INFORMATION ONLY

The Ethnic Local Church Committee of the Southwest Texas Conference is charged with the task of assisting Churches of all ethnic backgrounds to further the mandate from our Lord and Savior Jesus Christ to make disciples.

During the transition period of being two (2) conferences to becoming one conference, this committee continued working ready to assist in the building of God's Kingdom by making available funding to churches requesting grants from the Ethnic Local Church Committee. The committee received and approved seven (7) church grant applications in the amount of \$26,966.40.

### LAY SERVANT MINISTRIES

FOR INFORMATION ONLY

Lay Servant Ministries (LSM) has made it through the Unification Process and continues to be alive and well within our new Rio Texas Conference, as we continue to find new ways, to "Offer Christ to All." On February 27- March 1, 2015 at Mt. Wesley, we held our Conference Advanced Course titled "Living Our United

Methodist Beliefs.” The District Directors were assigned to lead one of five Sessions in the Course, and everyone stepped up to make this course the success that it was. Sixty-five Lay Servants attended this event and a surprise visit by “John Wesley” (Rev. Larry Scharmann) added an exciting element to the Session on God’s Grace. Again we were all blessed by the presence of the Holy Spirit, during this event, and the music provided by Jim Pruett of Lytle U.M.C. was inspiring and we were all truly impressed by the quality of his musical talents. Our course presentations continue to get better each year as we strive for perfection, in our efforts to “Offer Christ to All.” The Advanced Courses that are listed as Lay Speaker Track Courses are: **“Discovering Spiritual Gifts, Leading Prayer, Preaching, Living Our United Methodist Beliefs, Leading Worship and Polity.** The accumulation of these specific courses, prepares the Certified Lay Servant, to lead worship conduct prayer, and when called upon, deliver an effective sermon.

The current District Directors of Lay Servant Ministries for the Rio Texas Conference are: Dr. **Bill Cain**-Capital District, **Scott Maderer**-Hill Country District, **Judy Johnson**- Crossroads District, **Larry & Mary Reser**-El Valle District. **Patti Zaiantz**- Las Misiones District and **Janice Alexander**-West District. **Buster Terrell and our Conference Lay Leader, Ralph Thompson.** Coastal Bend District, is currently seeking Certified Lay Servants to serve and conduct District Lay Servant Ministry Courses.

Each District Director, is required by “The 2012 Book of Discipline,” to serve as the Chairperson of the District Committee of Lay Servant Ministries. Each District Committee of Lay Servant Ministries, must provide certified and skilled instructors, so that Lay Servant, Basic and Advanced Courses, can be offered within each District every year. These District Courses are specifically designed for those Lay Servants, who can’t afford travel long distances and spend time attending the three days necessary for the Conference event each year. These District Directors can also provide excellent pulpit supply options for pastors, within each District, by providing Lay Servants who are experienced and able to provide excellent sermons, whenever and wherever they are needed.

Lay Servants exist to serve God and provide Ministry Opportunities, within every local church, within each District and to strengthen that connection within our Conference.

**We are all called, as Lay Servants, to Partner with Pastors, in every congregation,** so that, out-reach opportunities, can be offered, which extend beyond the walls of the local church and into the Mission Field that surrounds each local church within our communities. No one Pastor can be all things to all people, but with a team of Certified Lay Servants, that Pastor can build up the kingdom within that community, in ways which they could never do alone and in ways which would be considered to be impossible. Lay Servants make the impossible a reality within each local church community.

Our Association of Conference Directors of Lay Servant Ministries (ACDLSM) Convocation was held in Williamsburg Virginia, this past January, and I was blessed to have Scott Maderer, the Hill Country District Director, in attendance as well. This event was very well attended, in spite of the cold weather, and offered, a variety Discipleship Opportunities that can be offered within each Annual Conference.

A Jurisdictional Lay Servant Event is in the works, at Mt. Sequoia, near Fayetteville Arkansas, for May 15-17, 2015, so that additional Lay Servant courses, can be offered within our South Central Jurisdiction.

**We continually need the support of District Superintendents and Pastors** to recommend, recruit and train their laity by attending Lay Servant Ministry Courses. No other entity provides the leadership and training to certify the laity as Lay Servant Ministries.

**We are called by God to serve the Church,** by seeking new and creative ways to reach out to the Mission Field. We must become revitalized and equipped as the Holy Spirit, encourages us to create new mission activities within local churches. Lay Speaking Ministries continues to grow significantly in numbers within our Conference as we continue to seek out new opportunities to “Offer Christ To All.”

Sam A. Dubberly, Conference Director of Lay Servant Ministries

## COMMITTEE ON THE ADVANCE

### REPORT I ADVANCE GIVING AND MISSIONARY SUPPORT FOR INFORMATION ONLY

In 2014, churches in the former Southwest Texas Conference and the former Río Grande Conference sent Advance gifts for national and international mission projects to Global Ministries that totaled over \$623,000. Together, United Methodists in the San Antonio area contributed thousands of dollars for disaster relief, community development, missionary support, community centers, clean water, mosquito

nets, children's ministries, and dozens of other needs in the United States and around the world, from Afghanistan to Zimbabwe. Praise God for this generosity of connectional mission giving!

Río Texas Conference churches are encouraged to continue growing in mission giving and mission outreach through participation in the Five Star program every year. This involves paying 100% of apportionment askings, contributing toward the One Great Hour of Sharing special offering, and also contributing in five other channels of mission giving: (1) an approved Advance project within Río Texas, (2) a National Advance Special somewhere else in the United States, (3) a World Advance Special in another country, (4) an UMCOR project (United Methodist Committee on Relief), and (5) missionary support for a person commissioned by Global Ministries. Churches are also encouraged to continue and to strengthen their vital efforts to serve the mission field right outside their doors.

There are over 300 Global Ministries missionaries serving in over 60 countries who are supported through Covenant Relationships. Ten of these missionaries are assigned to the Río Texas Conference and receive full or partial support from RTX churches:

- Marsha Alexander, serving in Baguio City, Philippines, as a professor at Asbury College
- Willie Berman, serving in Reynosa, Mexico, as director of the Mexican Methodist Border Mission
- Beatrice Gbanga, serving in Sierra Leone, in health ministry
- Becky Harrell, serving as Mission Advocate for the South Central Jurisdiction
- Bill Lovelace, serving in Lithuania, as a pastor and district superintendent
- Helen Lovelace, serving in Lithuania, as director of diaconal ministry
- Tendai Manyeza, serving in Mutare, Zimbabwe, as administrator of Old Mutare Mission Hospital
- Gaston Ntambo, serving in the Democratic Republic of Congo, as a pilot with Wings of the Morning aviation ministry
- Jeanne Ntambo, serving in the Democratic Republic of Congo, as a radio operator with Wings of the Morning aviation ministry
- Meredith Whitaker, serving in Cookson Hills, Oklahoma, as director of Cookson Hills Center

During 2014, missionaries Dakin Cook, Sarah Flores, Juan Guerrero, and Alejandra Castro itinerated throughout the conference, bringing mission to life through their stories and witness. Young Adult Mission Service Advocate Adam Shaw also traveled through Río Texas, to promote the Generation Transformation mission service opportunities available for young people through Global Ministries.

Interested in becoming a missionary yourself? There are various categories of short-term and long-term adult and young adult mission service opportunities for people who feel called by God. They are described on the Global Ministries web site (<http://www.umcmission.org/Get-Involved/Missionary-Service>).

## BOARD OF ORDAINED MINISTRY

REPORT I  
 CHAIRPERSON'S REPORT  
 FOR INFORMATION ONLY

Bishop Dorff, Cabinet members, brothers and sisters of the annual conference; the Board of Ordained Ministry is charged with the task of discerning the readiness and effectiveness in ministry of those seeking the work of ordained ministry in the Rio Texas Annual Conference.

Our world is broken, there is racial and cultural tension, political bickering, and unspeakable atrocities being committed against our Christian sisters and brothers and others in different parts of the world. Our worldview gives us an understanding of why these things are happening; when sin entered our story at the fall it became pervasive and infected every human heart and thus it touches every aspect of our lives and world. While the rest of the world will tell us that there are other ways out of our current situations, we know that the only hope is through the redemptive power of God revealed in Jesus Christ our Lord. We need ministers of the gospel that can and will stand up and proclaim this hope and seek to minister and proclaim the salvation from sin, and the peace and justice offered in Jesus Christ. The Board of Ordained Ministry of the Rio Texas Conference has undertaken this task.

The 2012 Book of Discipline of The United Methodist Church lists the following as qualifications for ordination (Par. 304.1a-j):

- Have personal faith in Christ and be committed to Christ as Savior and Lord;
- Nurture and cultivate spiritual disciplines and patterns of holiness;
- Teach and model generous Christian giving with a focus on tithing as God's standard of giving;
- Acknowledge a call by God to give themselves completely to ordained ministry following Jesus' pattern of love and service;
- Communicate persuasively the Christian faith in both oral and written form;
- Make a commitment to lead the whole church in loving service to humankind;
- Give evidence of God's gifts for ordained ministry, evidence of God's grace in their lives, and promise of future usefulness in the mission of the church;
- Be persons in which the community can place trust and confidence;
- Accept that Scripture contains all things necessary for salvation through faith in God through Jesus Christ, and be competent in the disciplines of the church (i.e. Scripture, theology, church history, polity, etc.); and
- Be accountable to The United Methodist Church, accepting its doctrinal standards and Discipline and authority... (BOD).

In addition, our own conference asks that ordinands fit a certain missional profile which includes: ethnic and cultural proficiency, a heart for evangelism, faith in the calling of God, equipping and developing missional leaders, and catalytic capacity. In short, the new Rio Texas Board of Ordained Ministry has structured itself and works to offer to the conference those who not only fit the descriptions above but who will also go into our sin-sick world and be the representative presence of the church of Jesus Christ to all who are seeking hope and wholeness in their lives.

As we move forward in our work this year we do all we can to identify and connect with people who feel called to ordained ministry in the Rio Texas Annual Conference; to develop and prepare them for missional ministry in our context, and ensure that all of us have opportunities for life-long growth, formation, and further development of our call. Our work is rooted in this theological understanding that our world is broken and only Jesus can bring the healing needed. We work under the charge of Scripture that asks us, *"How then can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written: 'How beautiful are the feet of those who bring good news'"* (Romans 10:14-15). We work on behalf of the annual conference to prepare those who will be sent into the mission field to persuasively proclaim the gospel of Jesus Christ, work for peace and justice, and build the Kingdom of God.

Bishop Dorff, District Superintendents, sisters and brothers of the annual conference we present for commissioning as Elder the following: Laura Green Alvarez, Frank Baik, Dawn Baird, Dean Fleming, Robert Perales, Wade Powell, Lisa Straus and Adam Thornton.

We present for commissioning as Deacon the following: Gene Roe.

Bishop Dorff, District Superintendents, sisters and brothers of the annual conference we present for ordination as Deacon the following: Brian Edward Fitzgerald, Patricia Gideon, and Barry Daniel Sharp.

We present for ordination as Elder the following: Wesley Cain, Alicia Campos, Stephen Antony Curry, Rosemary Grattan, John Abner Lee, Jeffrey Scott Muehl, Matthew James Pennington, (Tina) Wynn Stenftenagel, and Earl Dale White.

Bishop Dorff, District Superintendents, sisters and brothers of the annual conference we present the following person for recognition of orders: Eric Vogt.

Bishop, we present these candidates to you for examination.

### REPORTE DE LA JUNTA DE MINISTERIO ORDENADO

Obispo Dorff, miembros del Gabinete, Hermanos y Hermanas de la Conferencia Anual; la Junta de Ministerio Ordenado se encarga de la tarea de discernir la preparación y efectividad para el ministerio de aquellas personas que sienten el llamado a trabajar en el ministerio ordenado en la Conferencia Anual Río Texas.

Nuestro mundo no funciona, hay tensiones raciales y culturales, discusiones políticas, y atrocidades inconcebibles que se cometen en contra de nuestras hermanas y hermanos Cristianos en diferentes partes del mundo. Nuestra forma de percibir el mundo nos ayuda a entender porqué estas cosas están pasando; cuando el pecado entró en nuestra historia de la caída se hizo penetrante e infectó cada corazón humano y por lo tanto toca todos los aspectos de nuestras vidas y nuestro mundo. Mientras que el resto del mundo nos dice que hay formas de escapar de las situaciones difíciles que encaramos, sabemos que la única esperanza viene a través del poder redentor de nuestro Dios, revelado en Jesucristo, nuestro Señor. Necesitamos personas en el ministerio que se atrean a proclamar ésta fe y ésta esperanza y que proclamen la salvación del pecado y la paz y justicia que es ofrecida en Cristo Jesús. La Junta de Ministerio Ordenado de la Conferencia Río Texas ha aceptado llevar a cabo ésta tarea.

El Libro de Disciplina de la Iglesia Metodista, 2012, presenta una lista de requisitos para la ordenación (párrafo 304.1a – j):

Tener fe en Cristo y aceptar a Cristo como su Salvador y Señor.

Cultivar y fomentar disciplinas espirituales y patrones de santidad.

Enseñar y modelar una vida Cristiana generosa con ofrendas que se enfocan al diezmo como la norma de ofrendar a Dios.

Reconocer el llamado de Dios entregándose completamente al ministerio ordenado, siguiendo el ejemplo de Jesús, de amor y servicio.

Comunicar persuasivamente la fe Cristiana en forma oral y escrita.

Comprometerse en guiar a la iglesia en servicio amoroso a la humanidad.

Dar evidencia de dones para el ministerio ordenado, evidencia de la gracia de Dios en sus vidas y promesa de ser útiles en el futuro, en la misión de la iglesia.

Que sean personas en quienes la comunidad puede confiar.

Que acepten que las Escrituras contienen todo lo necesario para la salvación a través de Jesucristo y que sean competentes en las disciplinas de la iglesia (por ejemplo, las Escrituras, teología, historia de la iglesia, política de la iglesia, etc.) y

Que sean responsables ante la Iglesia Metodista Unida, aceptando sus normas doctrinales y su disciplina y autoridad.

Aparte de esto, nuestra Conferencia requiere que los ordenandos satisfagan un perfil misional que incluye: Competencia étnica y cultural, un corazón que ama el evangelismo, fe en el llamado de Dios, equipar y desarrollar líderes misionales y capacidad catalítica. En pocas palabras, la nueva Junta de Ministerio Ordenado de Río Texas se ha estructurado y funciona para ofrecer a la Conferencia aquellos que no solo llenan la descripción de los renglones anteriores, pero que también van a ingresar éste mundo lleno de pecado como representantes de Jesucristo a todos aquellos que buscan esperanza y plenitud en sus vidas.

Al avanzar en nuestro trabajo éste año, hacemos todo lo posible para identificar y ponernos en contacto con personas que sienten el llamado al ministerio ordenado en la Conferencia Anual Río Texas; para desarrollar y prepararlos para el ministerio misional en nuestro contexto y asegurarnos que todas esas personas tienen la oportunidad de crecer, seguir formándose y se desarrollen en su llamado, Nuestra tarea está basada en el concepto teológico de que nuestro mundo no funciona y solo Jesús puede ofrecer la sanidad necesaria. Nuestro trabajo se lleva a cabo, guiados por la demanda en las Escrituras que nos alienta a “¿Cómo, pues invocarán á aquel en el cual no han creído? ¿y cómo creerán á aquel de quien no han oído? ¿y cómo oirán sin haber quien les predique? ¿Y cómo predicarán si no fueren enviados? Como está escrito: ¡Cuán hermosos son los pies de los que anuncian el evangelio de la paz, de los que anuncian el evangelio de buenas nuevas! (Romanos 10:14-15). Trabajamos en el nombre de la conferencia anual para preparar a aquellos que serán enviados a los campos misionales para proclamar persuasivamente el evangelio de Jesucristo, para laborar por paz y justicia y para edificar el Reino de Dios.

## REPORT II CLERGY WELLNESS

The Clergy Wellness program has become the responsibility of the office of Leadership Vitality. Efforts have been expanded to resource and support clergy from the time the call to ministry from candidacy beginnings until retirement. Clergy wellness is a critical component of Leadership Vitality because as commonly recited by church development specialists, “healthy leaders promote healthy churches”. Clergy wellness was important to John Wesley. Randy Maddox of Duke Divinity School, a John Wesley Scholar, said that Wesley warned his clergy and lay preachers, “You won’t be able to carry on your ministry unless you take care of yourself.” The United Methodist Book of Discipline states, “Throughout their careers, clergy shall engage in continuing education for ministry, professional development, and spiritual formation and growth in order to lead the church in fulfilling the mission of making disciples for Jesus Christ.” (§1351.1 2012) Hence, the clergy wellness program exists to resource the professional development, and the physical, emotional, and spiritual wellness of clergy who serve in the Rio Texas Conference. Professional development opportunities for clergy will be made available in collaboration with the Bishop, the Board of Ordained Ministry, the Cabinet, and the unique leadership development needs of pastors in each district. Resources are also being sought to support professional practice and provide positive clergy assessment. Physical wellness for clergy will continue to be encouraged through the Clergy Weight loss Incentive program. This year’s program offers additional options and incentives designed to encourage more meaningful and engaged participation. The Conference insurance plan continues to offer additional incentive generating opportunities that support the weight loss program. These programs are as follows: the Health Quotient, Virgin Pulse, Blueprint for Wellness, and the Web MD Coaching program. We are pleased that approximately 50% of Rio Texas clergy are participating in one of these physical wellness programs, and we hope to encourage even more participation. Emotional wellness is being restored to the Clergy Wellness program through the Wellness Conversation, which is a confidential conversation that a pastor can have with a professional counselor to promote emotional wellness. The goal of the Wellness Conversation is to increase “awareness of wellness issues” and encourage “positive action to change behaviors that will result in improved physical, mental, spiritual, emotional, and relational wellness” (Quote by Paul A. Parks, D.Min., LPC). New partnerships have been established with the Ecumenical Center for Religion and Health in San Antonio and the Samaritan Center for Counseling and Health in Austin to provide this service. Qualified professional counselors with significant experience in pastoral ministry and counseling of pastors will provide up to two wellness conversations per year. Incentives will be provided to encourage this critical

form of self-care. Both of these centers have access to the latest secure teleconferencing technology that will allow remote access their services to be available without clergy having to travel great distances. Both centers also offer bilingual counselors as well. The emotional wellness component will include wellness education events and workshops that are made available through the Ecumenical Center in San Antonio. Spiritual wellness opportunities will continue to be made available through such resources as the 5-day and 2-year Academies for Spiritual Formation. The Renew Leadership Retreat for clergy and spouses is continuing into 2016 and will be another resource to contribute to healthy marital relationships. Clergy are always encouraged to engage in regular observance of personal Sabbath and spiritual devotion. We all appreciate the vital work of Eve Albert, Administrative Assistant to the Leadership Vitality office. We are appreciative of the support of the Rio Texas Conference, Methodist Healthcare Ministries, as well as the Board of Pensions for their partnership with us in support of the clergy in our Conference. The work of Clergy Wellness continues to strive for holistic support of clergy in the spirit of III John 1:2. In that verse John writes, "Beloved, I pray that all may go well with you and that you may be in good health, just as it is well with your soul." (III John 1:2 NRSV).

Respectfully Submitted, Marcus A.L. Freeman, III

## MISSION VITALITY CENTER

### REPORT I DIRECTOR'S REPORT FOR INFORMATION ONLY

The Uniting Table, the Mission Vitality Center (MVC) and the four pillar Vision Teams are part of the new mission-focused organizational structure of the conference designed by the Unification Implementation Team. The former Rio Grande and Southwest Texas Annual Conferences adopted this structure, its role, and function in June 2014. All three components of the new structure became operational January 1, 2015.

#### *The Uniting Table*

Under the new structure, the Uniting Table will function as the resident memory about why we unified. It will seek clarity and set accountability for progress toward making disciples for the transformation of the world. It will set policy, direct resources and function as the coordinating body. The Uniting Table embraces the following core values, roles and functions:

1. We are one table - not a combination of two.
2. We claim the authority to coordinate mission and ministry in the Rio Texas Conference.
3. We will base our work on the intentions of our unification plan, and continually review our progress with the plan. We will seek clarity when unsure about the intended outcomes of our plan.
4. Our agenda will be to hold our conference accountable for its intentions. We will give particular attention to the alignment of the work of Mission Vitality Center, our vision teams and district strategy teams by reviewing their work and reviewing its alignment with our intentions, priorities and outcomes.
5. We will influence the work of others by asking questions intended to prompt more learning and adjustment of strategies.
6. We will report our work to the annual conference.
7. We will serve as the memory of why we unified and remind people of our purpose and intentions through rituals and rehearsals.
8. We have a role in asking what others need to do their work, being careful not to do their work for them.

#### *The Mission Vitality Center*

The MVC supports the activities and ministries of the Rio Texas Annual Conference. It continually reminds the conference that the world has changed. Because the world has changed, the church must also change. It must reach a new mission field filled with people that have pressed the pause button on God and the church, feel exiled from the church, or believe they are just done with the church. The MVC leads the continuous transformation and renewal process of the annual conference. It keeps the conference focused on making disciples of Jesus Christ for the transformation of the world. It searches and communicates ways

Rio Texas churches can remain faithful to our Christian identity and Wesleyan heritage in a rapidly changing world.

### *Congregational and New Faith Community Vitality*

The Office of Congregational and New Faith Vitality, led by director Rev. Robert Allen, facilitated ten Healthy Church Weekend Consultations this conference year for congregations seeking renewal and increased missional fruitfulness. The office also collaborated with churches and districts toward the launching of four new faith communities.

Ten churches welcomed a Healthy Church Initiative (HCI) Weekend Consultation. They are: St. Andrew's (Las Misiones); Mercedes First (El Valle); Chapel Hill (Las Misiones); Oak Meadow (Las Misiones); Helotes (Las Misiones); Kingsville First (Coastal Bend); Smithville (Crossroads); The Journey (Hill Country); Berkeley (Capital); and Trinity (Las Misiones). HCI congregations report a renewed focus on the mission of the church to make new disciples and new energy to engage their communities in ministries that create outcomes that seek to improve the welfare of their communities.

Life in the City (Capital), Cimarron Praise (Las Misiones), Casa Hermosa (Hill Country), and Revive Community (El Valle) are the four newest Rio Texas faith communities.

Rev. Valerie Sansing began as pastor of Life in the City, July 1, 2014. Regular worship services launched November 2, 2014. An average of 85 people regularly attend worship. Life in the City partners with the Austin District Mission Board, First UMC, the Capital District, and the Office of Congregational and New Faith Vitality. Life in the City offers the people of downtown Austin the radical and inclusive love of God in Christ for the health and wholeness of mind, body, and spirit. Inspired and inspiring worship and prayer, disciples committed to the Way of Abundant Life, and gift-based missional ministry powerfully communicates Christ's radical, healing love.

Cimarron Praise is a "re-launch" of New Hope UMC that discontinued June 30, 2014. Cimarron Praise is a daughter church of Bulverde United Methodist Church. The Las Misiones District and Office of Congregational and New Faith Vitality are also stakeholders. The Cabinet appointed Dawn Baird to re-launch the new faith community in the Converse/Judson area of San Antonio, October 1, 2014. Cimarron Praise began regular worship services on Palm Sunday and launched with 193 in attendance. They average 80 in regular worship attendance. Their website states, "We welcome spiritual tourists, seekers and doubters, bleeding hearts and YOU!"

Casa Hermosa is a new faith community collaboratively supported by Gruene UMC, New Braunfels UMC, the Hill Country District, and the Office of New Church Development. Rev. Javier Leyva began October 1, 2014 to pastor Casa Hermosa. Leyva is currently gospel sowing by initiating conversations, networking, building relationships, praying for open doors and letting the community know the church is present. Regular worship services begin August 2015.

Revive Community is a collaborative church plant model between McAllen First UMC, Mission First UMC, Valley Praise UMC, the El Valle District and the Office of New Church Development. Rev. Ruben Saenz III began his appointment to start a new faith community in the Sharyland area south of Mission, Texas, January 1, 2015. Saenz is now in the gospel-sowing season as he initiates conversations, networks with community leaders, builds relationships, prays for open doors and lets the community know the church is present. Pre-launch services are set to begin August 2015. Regular weekly worship services will begin November 2015.

A new faith community is scheduled to launch in the southeast side of San Antonio August 1, 2015. Preliminary conversations are underway for starting new faith communities in the Hill Country, Capital, and Las Misiones Districts.

The Office of Congregational and New Faith Community Vitality resources the Vitalizing Congregations Vision Team whose function is to sustain the connection by discerning, developing, and deploying resources pertinent to the fulfillment of the mission and purpose of the local church.

### *Outreach Vitality*

The Office of Outreach Vitality is a newly added conference office and resource. The Office, directed by Abel Vega, is in the season of inventory of a variety of outreach ministry activities and learnings through various conversations and roll out meetings.

The Office convened several meetings that assisted the organization and launching of three Project Transformation pilot sites in the Rio Texas Conference. Project Transformation engages young adults in

purposeful leadership and ministry, supports underserved children and families and connects churches with communities.

Moving forward, the Office of Outreach Vitality will resource the conference by promoting and developing intercultural competency at all levels of the church's life. In the fall of 2015, the office will also offer training concerning healthy covenant relationships that foster collaborative partnerships between donors and recipients. The partnerships empower people to address social issues systemically rather than treating symptoms.

Immigration ministries such as Justice For Our Neighbors (JFON) and other similar work within our conference will expand. The work of the Rio Texas Disaster Response (DR) and Volunteers in Mission (VIM) will be supported and mobilized at the conference and district levels.

The Office of Outreach Vitality resources the Transforming Communities Vision Team whose purpose is to sustain the connection by equipping, educating, and supporting congregations in the areas of mission.

### *Leadership Vitality*

The Leadership Vitality Center is in its fourth year of development and is now under the direction of Rev. Dr. Marcus Freeman. This year, the Office connected Methodist Healthcare Ministries with Project Transformation and was key to acquiring \$ 52,500 for the leadership development component of the program. The Office will also team with the Office of Outreach and Vitality to promote and administer a conference-wide cultural competency system.

Moving forward, the Office will continue its support of the Ordained Deacons. It will expand the Rio Texas Clergy Wellness and Clergy Counseling services. Laity and clergy will receive training to coach local pastors that have completed Licensing School and Course of Study.

Dr. Freeman's portfolio also includes the development and revitalization of African-American congregations in the Rio Texas Conference. The Office recently entered into a partnership with Strengthening the Black Church for the 21st Century; a Division of the General Board of Discipleship. The purpose of the relationship is to increase the missional capacity and vitality of African-American churches through sensitivity to traditions, goal-setting and coaching.

Dr. Freeman is committed to and working toward the development of a conference-wide lay and clergy peer-group learning system co-designed with the Board of Ordained Ministry based on the "Ten Qualities and Skills of a Rio Texas Missional Leader." He will convene laity and clergy to develop a people development strategy with plans to: forecast mission field workforce supply and demand; attract great people for ministry; educate and up-skill laity and clergy; and, to retain the great leaders. Freeman will work closely with Dr. Phil Maynard and Rev. Bob Allen toward building capacity at the district level to implement the Membership to Discipleship system.

The Office of Leadership Vitality resources the Developing Leaders Vision Team whose function is to sustain the connection by calling and equipping both lay and clergy leaders for the mission field.

### *Communications / Media*

Rev. Will Rice, Director of Rio Texas Communications and Media, is expeditiously working to make the website, [riotexas.org](http://riotexas.org), the hub of communications for the annual conference. The site features information, resources, and stories of how churches are reaching the mission field. Every week, our social media presence is expanded via Facebook, Twitter, and Instagram. Action steps are underway to roll out integrated video conferencing that connects our leaders and our churches, helps churches create or improve a website, and to disseminate bi-weekly clergy emails to keep our clergy informed and connected.

In addition, a bi-weekly news and information email with an open subscription to members of our annual conference and annual conference churches is ready to launch. A Media Center in San Antonio is scheduled to be operational by the fall of 2015 to provide resources and training for laity and clergy that seek to leverage technology to reach the mission field. A conference-wide effort will be established to connect all churches and pastors to high-speed broadband Internet and up-to-date computers to stay connected to members, the annual conference, and the mission field.

The Office of Communications and Media resources the Uniting Peoples Vision Team whose function is to facilitate unity, witness, communication, and justice.

**DIRECTOR'S REPORT II**

FOR INFORMATION ONLY

**NEW PEOPLE, NEW PLACES INITIATIVE**

As we take the pulse of United Methodism and specifically our Rio Texas Conference, we are gaining momentum to gather more people to Christ. Gathering more people to Christ includes not only revitalizing our mission in existing churches but also starting new places for new people.

The Mission Vitality Center focuses and stewards the vision and mission of making disciples of existing congregational members, more new people, younger people and more diverse people. We applaud where we have been successful in these goals, and we are providing guidance where we have found such fruitfulness lacking.

We also have begun the discerning task of prioritizing our dollars to reflect our mission and vision. Because we are serious about reaching new people and being in new places, we allocated \$ 220,149 from our apportioned budget to specifically fund this priority, as you will see reflected in our budget.

Over the next years, we will seek to hold to the line item "New People New Places" in the Mission Vitality Center budget. This money will be available to local churches and districts that demonstrate how they intend to use this money to reach new people for Christ or to be in new places in Christ.

Theologically and missionally, our goals are Wesleyan. We want more people to discover that God's grace is real in their lives. We want more people to respond to that grace. We want more people to grow in that grace as disciples of Jesus Christ. In this, we transform the world around us.

Our faith includes a deep belief in the resurrection. As we share through these church-based initiatives, we can see how we are transforming the world through the resurrecting power of Jesus Christ. In our goal to deeply impact individuals, communities, and even the world, we invite you to share in this story. We invite you to share in the resurrection of Jesus Christ once more.

***A NEW DAY***

In 2008, the General Conference voted unanimously for a strategic plan that includes our commitment to reach new people, younger people, and more diverse people to become world changing disciples of Jesus Christ. We believe that the new Rio Texas Conference Mission Vitality Center exists to serve the local church, not the other way around. This year we are offering a bold mission initiative that begins to realign our Conference's Mission Vitality Center budget to reflect that mission.

Beginning in 2015, we created a new line item, specifically setting aside funds for New People, New Places. Money for this area will come from a realignment of our apportioned dollars to the Mission Vitality Center so the local churches will not experience an increase in apportionments.

***BASIC STRUCTURE***

The New People, New Places line item will be lodged under the Mission Vitality Center's Congregational Vitality area. Funds will distribute through a grant process.

***APPLICATION PROCESS***

The application form for groups that seek New People, New Places grants will be available on the conference website July 1, 2015. Any local church or district entity may apply. The funds must be used to reach new people we are not currently reaching to become world changing disciples of Jesus Christ.

The application process includes a face-to-face interview in which the applicant(s) who will describe specifically which new people will become disciples. Applicants will share why they believe their project will succeed. The level of the group's commitment for the project will be confirmed. And, a contingency plan that outlines what the group will do if they do not receive this grant will be provided.

Each grant will be made for one year, with the potential to extend it annually, to a maximum of three years. The project must show that it will be sustainable without the help of these funds after they expire.

***THE NEW PEOPLE, NEW PLACES TEAM***

The New People, New Places grant team, is comprised of nine people; the director of New Faith Community Vitality, four persons elected from the Uniting Table and the four chairpersons of the vision teams. This oversight team will review applications, interview appropriate groups, and make grant recommendations to

the Mission Vitality Center Director of Congregational and New Faith Community Vitality. New Places, New People team members will follow up with on-site visits to grant recipients to measure the progress in reaching benchmarks.

#### **OVERVIEW OF THE NEW PEOPLE, NEW PLACES GRANT PROCESS**

**JUNE 2015** – The New People, New Places initiative is presented to the annual conference.

**JULY 1, 2015** – The application process opens to receive applications for funding under the grant process by the team.

**SEPTEMBER 1, 2015** – The New People, New Places Grant Review Team will meet for training and development and to begin review of applications submitted. The team will be governed by the following rules:

- Maintain absolute confidentiality regarding any discussion held among the team members.
- Team members with a direct connection or indirect relationship to applicants will recuse themselves from evaluating and advocating for a proposed initiative.
- The team members will seek to create wins throughout the conference in churches and districts.

Applications will be reviewed and narrowed for interviews and further consideration. Applications are vetted in light of the following criteria:

- The congregation will have a measurable discipleship plan included with the application.
- The applicant will be specific about which new people they are planning to reach.
- The applicant will show specifically how the new people will become disciples of Jesus Christ.
- The applicant will show buy-in from a large percentage of the church or district.
- The applicant will show how the discipleship initiative will be financially sustainable after a maximum of three years without the further need of New People, New Places funds.
- The project will demonstrate how to replicate the initiative in other parts of the conference.

**September 15, 2015** – The semi-finalists will be asked to participate in an interview with the New Places, New People Grant Review Team. The grant review team will report their recommendations to the Mission Vitality Center Director of Congregational and New Faith Community Vitality for funding.

**October 1, 2015:** Grant funds distributed.

**October 2015:** The Mission Vitality Center Director will report the distribution of apportionment funds to New People, New Place recipients to the Uniting Table and the annual conference (June 2016).

**Spring 2016:** The grant review team will make on-site visits to the funded projects to evaluate the progress of the grant-funded projects.

## **TRANSFORMING COMMUNITIES VISION TEAM**

FOR INFORMATION ONLY

This report reflects the work of the Transforming Communities Vision Team since January 2015 to date. The Transforming Communities Vision Team met February 21<sup>st</sup>, 2015 during an orientation session organizing itself to its work. Since then, the vision team has continued in conversation addressing the former Conference Advance projects and Five Star giving program to become the Rio Texas Conference program, consultation with the Methodist Federation for Social Action [MFSA] regarding a proposed resolution to the annual conference seeking support of the ministry of Justice For Our Neighbors [JFON], and planning of next meetings to further learn its' role and build capacities as a vision team relating to and resourcing district strategy teams.

The Transforming Communities Vision Team offers the following information items to the Rio Texas Annual Conference reflecting its work thus far in 2015:

- Information Item 2: Harvest Sunday Offering
- Information Item 2: Río Texas Conference - Advance Giving and Missionary Support

#### **Information Item 1: Harvest Sunday Offering**

The 2014 Harvest Sunday offering received was \$16,183.82 of which 50% benefited hunger-related border ministries in the Rio Grande Valley and 50% went to alleviate hunger among those suffering from the Ebola epidemic in Liberia.

As proposed by the Transforming Communities Vision Team and affirmed and reported by the Conference Finance Table, **the 2015 Harvest Sunday offering is scheduled across the conference for Sunday, November 1<sup>st</sup>**. This special offering is a way for congregations to join together to impact hunger by contributing toward mission projects that benefit persons in critical need.

This 2015 offering will be divided equally for two urgent needs:

- 50% for food pantries in the Rio Grande Valley. Several of the poorest counties in the country can be found in the Rio Grande Valley of Texas. In some parts of the Valley, 1 in 2 children go to bed hungry every day. Half of the Harvest Sunday offering will be used to help provide food for our neighbors in need in the Rio Grande Valley.
- 50% to the "Give Ye Them To Eat" project in Mexico" - Advance #07629A. The Methodist Church of Mexico and supporters of the "Give Ye Them To Eat ministry believe the GYTTE program offers rural people the development opportunities needed to remain together and on their lands. This way they can more easily find solutions to feed and support themselves as well as improve the living conditions and the health of their families within their own community, culture, and country. Informal education and training opportunities coupled with development tools like teaching manuals, construction plans and wooden forms to mold mud stove tops, separator toilets, first aid kits, etc., help to make this possible. People learn to help themselves as well as learn to teach others. This ripple effect impacts the number of people reached and trained for change and progress. The exact number the ripple effect reaches is unknown, but we stumble upon it often when we travel to villages where workshop and course participants live. <http://www.umcmmission.org/Give-to-Mission/Search-for-Projects/Projects/07629A>

**Congregations will not receive special Harvest Sunday offering envelopes this year, in an effort to send 100% of the funds received toward these urgent needs.**

#### **Information Item 2: Río Texas Conference - Advance Giving and Missionary Support**

In 2014, churches in the former Southwest Texas Conference and the former Río Grande Conference sent Advance gifts for national and international mission projects to Global Ministries that totaled over \$623,000. Together, United Methodists in the San Antonio area contributed thousands of dollars for disaster relief, community development, missionary support, community centers, clean water, mosquito nets, children's ministries, and dozens of other needs in the United States and around the world, from Afghanistan to Zimbabwe. Praise God for this generosity of connectional mission giving!

Río Texas Conference churches are encouraged to continue growing in mission giving and mission outreach through participation in the Five Star program every year. This involves paying 100% of apportionment asking, contributing toward the One Great Hour of Sharing special offering, and also contributing in five other channels of mission giving: (1) an approved Advance project within Río Texas, (2) a National Advance **project** somewhere else in the United States, (3) a World Advance **project** in another country, (4) an UMCOR project (United Methodist Committee on Relief), and (5) missionary support for a person commissioned by Global Ministries. Churches are also encouraged to continue and to strengthen their vital efforts to serve the mission field right outside their doors.

There are over 300 Global Ministries missionaries serving in over 60 countries who are supported through Covenant Relationships. Ten of these missionaries are assigned to the Río Texas Conference and receive full or partial support from RTX churches:

1. Marsha Alexander, serving in Baguio City, Philippines, as a professor at Asbury College
2. Willie Berman, serving in Reynosa, Mexico, as director of the Mexican Methodist Border Mission
3. Beatrice Gbanga, serving in Sierra Leone, in health ministry
4. Becky Harrell, serving as Mission Advocate for the South Central Jurisdiction
5. Bill Lovelace, serving in Lithuania, as a pastor and district superintendent
6. Helen Lovelace, serving in Lithuania, as director of diaconal ministry
7. Tendai Manyeza, serving in Mutare, Zimbabwe, as administrator of Old Mutare Mission Hospital
8. Gaston Ntambo, serving in the Democratic Republic of Congo, as a pilot with Wings of the Morning aviation ministry
9. Jeanne Ntambo, serving in the Democratic Republic of Congo, as a radio operator with Wings of the Morning aviation ministry
10. Meridith Whitaker, serving in Cookson Hills, Oklahoma, as director of Cookson Hills Center

During 2014, missionaries Dakin Cook, Sarah Flores, Juan Guerrero, and Alejandra Castro itinerated throughout the conference, bringing mission to life through their stories and witness. Young Adult Mission Service Advocate Adam Shaw also traveled through Río Texas, to promote the Generation Transformation mission service opportunities available for young people through Global Ministries.

Interested in becoming a missionary yourself? There are various categories of short-term and long-term adult and young adult mission service opportunities for people who feel called by God. They are described on the Global Ministries web site (<http://www.umcmision.org/Get-Involved/Missionary-Service>). ## THE ROLE OF THE LAITY IN UNITING PEOPLES AND TRANSFORMING COMMUNITIES

FOR INFORMATION ONLY

Bishop Dorff, members of the Cabinet, conference staff, active and retired members of the Annual Conference, honored guests, and all who support the mission and ministries of this Annual Conference, on behalf of the laity, we welcome you to the first session of the Rio Texas Annual Conference!

In his address, Bishop Dorff reminded us of all the saints who came before us...all of those who, by faith, created the United Methodist Church of the San Antonio Episcopal Area...saints, most of whom didn't get to see this manifestation of their efforts.

Likewise, **Hebrews 11** ends by reminding us of how the pioneers of our faith "were all commended for their faith, yet none of them received what had been promised, since God had planned something better for **US**, so that only **together with us**, they would be made perfect...that what started in them would be completed in us. So, how shall we honor the saints of two historic Annual Conferences who sacrificed so much that we would be in this place at this time to celebrate what they themselves started? Where do we start? In which direction should we go? How will we know that we're doing it right?

This, indeed, is a historic occasion. We believe that it is safe to say that we are all a part of something that we have never seen before and are not likely to see again. Yet, this is only the beginning...only the starting point for what this Body of Christ can and will do to unite people and transform communities across the San Antonio Episcopal Area! This unification of two historic Annual Conferences is only the beginning...the foundation for new ministries and new missions, grown from new relationships in new places to touch the lives of new people.

Yes, we do have cause for celebration. However, we celebrate, not only things that were and things that are...we celebrate things that are yet to come! We celebrate the opportunities that are now and will be before us!

And this is where we call on the laity of the Rio Texas Annual Conference to get busy. Without the dedicated efforts of our laity, this unification is only an administrative exercise. Matthew 7:20 reminds us that we can tell a tree by its fruit. And, being a newly planted tree, we have much fruit yet to be realized. The Mission Vitality Center has identified four focus areas that will help our congregations realize the vision of making disciples of Jesus Christ for the transformation of the world: Developing Effective Leaders, Creating Vital Congregations, Uniting People, and Transforming Communities. THESE are the first fruit. And the seeds from these fruit will be planted in our communities, where they will grow into new disciples of Jesus Christ!

Developing leaders and vitalizing congregations are what we do inwardly, so that we can better project the love and grace of God outwardly through our ministries. Ultimately, the fruit of all that we do is made evident through social justice that changes the world around us.

It is through the ministry of the laity that the vision of the church is lived out. The role of the laity in Uniting People and Transforming Communities cannot be understated. We laity are where the rubber meets the road!

Inspired, equipped, and purpose-driven lay involvement is critical to the fulfillment of the mission of this or any Church. Ultimately, we are called to change the world...all to the glory of God. In doing so, we **are** making disciples for Jesus Christ.

So, how do we do that?

We do that by discerning, identifying, encouraging and bringing up new leaders.

We do that by revitalizing our congregations...and, where possible, planting new congregations with their own vitality.

We do that by becoming more aware and active in our communities, so that we can discern the need and conceive ministries to serve the world around us.

We do that by reevaluating how we are “doing church”, discerning how we can best welcome those who God is sending to us.

We do that by working more closely with our District Mission Strategy Teams.

We do that by responding to Uniting Table, Vision Team, and other requests to serve with special task forces, programs and activities.

We do that by seeking ways to say, “Yes”, instead of resolving to always say, “No”.

Our Vision and Strategy Teams are already working on ways to support the missions and ministries of local churches across the Annual Conference. The Uniting Table has met and is meeting to coordinate the missional life of the Annual Conference by supporting the Mission Vitality Center and the District Mission Strategy Teams.

And we must remember that the Annual Conference is no longer in the business of rolling out activities in hope that they would be generically applicable to our churches and mission fields. It is the laity who work, live, and play in the midst of our mission fields who are the catalysts for new ministries that serve AND involve those who are sick, hurting, disenfranchised, or forgotten.

What is the purpose of a grape? In a recent sermon, I asked that question. Some answered that it was to make wine; the more “Methodist” non-alcoholic members suggested grape juice; others said that grapes were for jelly or jam, and so on. After a brief silence, I offered that grapes, as God created them, are for the purpose of making more grapes. It is man who repurposed grapes to suit his needs and desires.

And so it is with the church. God purposed the church to serve mankind, so that, through the church, the Body of Believers might grow and transform the world. Likewise, despite whatever other benefits may be realized from bringing together the Rio Grande and Southwest Texas Annual Conferences, the underlying and overbearing purpose of this new life that we call Rio Texas, is simply to make disciples of Jesus Christ for the transformation of the world.

May Almighty God bless this first session of the Rio Texas Annual Conference! May Your Grace go with us, as we seek to unite people, transform communities, and spread Your Love throughout the world! Give us strength, God, to make perfect the faithful acts of those who came before us. And, as we are surrounded by such a great cloud of witnesses, help us to run with perseverance the race that is marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of our faith. Amen.

## EPISCOPAL ADDRESS 2015

It is my great honor and privilege to stand before you today to preside over the First session of the Río Texas Annual Conference. It is also my great privilege to welcome all of you to this First Annual Session since you are the leaders of the congregations, lay and clergy, persons serving in extension ministries or retired pastors gathered here. All gathered today to serve in this new conference.

It is also a very historic occasion when those persons who have been chosen by the church for service as Bishops and who have come from the former Rio Grande or Southwest Texas Annual Conferences come together to acknowledge the significance of this new beginning. I am humbled to be among them. I thank God for them and the Rio Grande and Southwest Texas Annual Conferences which nurtured them.

God has raised up many leaders from both former conferences for service and ministry to the greater church. I have great confidence that Almighty God is continuing at this very moment to raise up leaders from the Río Texas Annual Conference for leadership, lay and clergy, within the conference and beyond. God calls. We have a history of listening and responding. May it continue. Thanks be to God!

Our very first session together! Wow! When I think of our histories, both Rio Grande and Southwest Texas, I am so mindful of all the saints who have preceded us. We have been so blessed to stand on the shoulders of all those lay and clergy leaders who have been the church in this region. Their commitment and dedication is so obvious and significant. May their souls rest in God's eternal arms. May they look down upon us, smile, and push us forward as God's chosen people. In these three days of conferencing together, may we never forget their faithfulness, sacrifice, and relentless pursuit of the work of the Holy Spirit.

The work of United Methodists has been alive and well in this region for well over 150 years. The names, the forms, the languages, the missional outposts (or churches as we now call them) and the annual conferences have all been in transition during these many years. This transitioning continues. Now Río Texas. In the midst of these transitions and this newness of life, one thing has held steady....our purpose. We have been here all these years to live out the Biblical mandate to make disciples of Jesus Christ for the transformation of the world. As we gather for session number one, our task is the same. May we never lose sight of our calling. It is what has brought us this far, by God's grace.

Our first conference....hear a few words from our brother, John Wesley regarding the first annual conference of Methodists,

"in June, 1744, I desired my brother and a few other clergymen to meet me in London to consider how we should proceed to save our souls and those that heard us. After some time, I invited lay preachers that were in the house to meet with us. We conferred together for several days, and were much comforted and strengthened thereby. The next year I not only invited most of the traveling preachers but several others to confer with me in Bristol.....This I did for many years, and all the time the term Conference meant not so much the conversations we had together, as the persons who conferred."

Our first Río Texas Annual Conference Session. May we understand and live out, at least some of the purpose of Mr. Wesley's first conference.

This Annual Conference Session is not like those of our past conferences. We began last night with a truly inspiring service of Word and Table. Today we will get ourselves organized. That's what Methodists do! Then we shall take care of some business necessary for our life together in mission and ministry. Tomorrow will be a day of listening, worshipping, recognizing and learning. Sunday will begin with a time of recognition and learning. It will conclude with ordination, fixing of appointments and sending forth. There is order to our gathering. There is purpose in our gathering. There is consistency of mission and ministry in our gathering. You will hear and see what is currently happening in our Río Texas Annual Conference. You will also hear and see what should be happening and what could be happening. All the while we shall be seeking the presence and power of the Holy Spirit to assure "the saving of our own souls and those that hear us."

My brothers and sisters, the Río Texas Annual Conference has one purpose for its existence, the making of disciples of Jesus Christ for the transformation of the world. This is our calling as United Methodists.

In organizing our new conference, you have driven four stakes in the ground as markers for what we do in seeking to fulfill our purpose. When you overwhelmingly adopted the Plan of Unification, you committed yourselves to four action items.

- the Uniting of people
- the revitalizing of congregations and the starting of new faith communities
- the developing of leaders, and
- the transforming of communities

In our conferencing together here at this first session of Río Texas, you will be hearing and learning more about how these

four pillars of conference life which are being shaped and lived into. You will see how these four corners of our new conference life together are becoming more than ideas, but rather realities in our communities. You will be reminded that the District Mission Strategy Teams are the key drivers of these stakes in the ground. Mission and Ministry revolve around the needs and mission fields of the various districts, not the Conference Office. Resources are being made available in order to facilitate ministry.

Almighty God has called us to this time and place. For this calling I shall be eternally grateful.

Through the very faithful and diligent work of many people, lay and clergy, the Río Texas Conference is moving forward, by the grace of God. You will hear later today that we are ever so close to showing an increase in membership and worship attendance. In a time when most other conferences are showing decreases, we are within a relative handful of persons of showing increases. It is my prayer and expectation that when we meet again next year for our second Annual Conference Session we will, for the first time in many years, report an increase. To God be the glory!

The Río Texas Conference will certainly follow the great example of our predecessor conferences in its commitment to generosity as a way of living the Christian life. Last year, giving to all apportioned causes was in the 97th percentile. An amazing record of faithfulness to mission and ministry beyond the local church. Again, thanks be to God.

The Spirit is moving among us in multiple ways, even as we discern the way forward as a new creation in Christ.

Finally, I want to call your attention to the theme of this year's Río Texas Conference session. Venid a las Aguas.....Come to the Waters.

Some from outside the Area have asked about the name of this new Conference.....Río Texas. Aside from being a combination of the names of our predecessor conferences, the image of water is distinctively Biblical. It is also distinctly regional. For those outside our region the Río is the Rio Grande....our southern-most border and the most well-known river. However, it has become painfully clear to all that south Texas is made up of many rivers. These rivers are known to the people who live around them, to Texas historians, and now known to all of us and persons around the country. Río Texas (the Texas River)..... the Guadalupe, the Brazos, the Comal, the Blanco, the Colorado, the Concho, the Nueces, the Perdenales, the San Marcos..... and others. Names of rivers we have heard far too often in recent days. The Río Texas Annual Conference.

These waters lead to the Gulf and/or the Rio Grande River. Our long drought is over. The rivers flow. The water has shown its strength and its potentially devastating power.

Water is at the heart of life in the Middle East. In the Holy Land. It was so at the time of Jesus of Nazareth and it is so today. Water and the Christian life are inseparable. The Scriptures are full of images of water and our relationship to it.

Venid a las Aguas.....Come to the Waters.....

We have come to the water. Just look outside. Just look inside. The water of life, the water of Baptism and the living water.

As United Methodists, as the Río Texas Annual Conference, meeting in session number One, Corpus Christi, Texas, what we do here may not be long remembered (other than in our conference journal). But who we are may well be long remembered, for it is at the core of who we must be as an Annual Conference.

We come to the lovely waters of the Gulf in these days. But, in the past several days and for the foreseeable future we shall be going to the waters of pain and suffering. We shall be going to the banks of the shores which have been devastated by flooding, loss of property and loss of life.

From the colonias in the Rio Grande Valley, to the tornado-ravaged neighborhoods in Ciudad Acuña, Mexico, to Wimberley, to San Marcos, to areas near Victoria, to the multiple places of destruction across our new conference, in 6 of the 7 districts.....we go. As United Methodists, as the Río Texas Conference, we don't just go to the calm waters, but we go to the waters where our brothers and sisters in Christ need us. We must always go to the waters. That is what disciples do. As they go and as they engage, transformation occurs. This is our calling. To go to those places where the church is needed, not where we need the church. Those who are not yet a part of us may well be at the water, waiting for our presence and ministry. Our work at the river is far from over. In fact, it has only just begun. May God be with us all as we gather for mission and ministry at the waters of our Conference.

God's blessings continue to abound. We can reach those who have no home in Christ. We can meet these days, be comforted and strengthened for the task ahead. We can give thanks to Almighty God for the opportunity to be the first! To set the course. To change the direction. To be available, not just to each other, but to all those around us who need the love and care of the body of Christ. Ah, to be the first. What a joy, what an opportunity, what a chance to gather at the waters. Folks are waiting for us. Thanks be to God!

And now, a learning from my past as we begin our new life together.....

## DISCURSO EPISCOPAL – 2015

Es un gran honor y privilegio presentarme ante ustedes hoy para presidir en la primera sesión de la Conferencia Anual Río Texas. También es mi gran privilegio dar la bienvenida a esta primera sesión anual a todos ustedes los líderes de las congregaciones, laicos y clero y a las personas sirviendo en ministerios de extensión y a los pastores jubilados, todos reunidos aquí. Estamos todos reunidos hoy para servir en esta nueva Conferencia.

También es una ocasión muy histórica cuando aquellas personas que han sido elegidas por la iglesia a servir como obispos y que proceden de las antiguas Conferencias Anuales Río Grande o Southwest Texas se reúnen para reconocer la importancia de este nuevo comienzo. Me siento honrado al encontrarme entre ellos. Doy gracias a Dios por ellos y por las Conferencias Anuales Río Grande y Southwest Texas que los nutrieron.

Dios ha levantado a muchos líderes de las ambas conferencias anteriores para el Ministerio y servicio en la iglesia mayor. Tengo gran confianza que Dios Todopoderoso continúa en este mismo momento a levantar líderes de la Conferencia Anual Río Texas para liderazgo, entre laicos y clero, dentro de la Conferencia y más allá. El llamado es de Dios. Tenemos una historia de oír y responder a este llamado. Que continúe. ¡Gracias sean dadas a Dios!

¡Nuestra primera sesión juntos! ¡Carámba! Cuando pienso en nuestras historias, Río Grande y Southwest Texas, estoy sumamente consciente de todos los santos que nos han precedido. Hemos sido tan bendecidos en poder posar sobre los hombros de todos aquellos líderes laicos y clérigos que fueron la iglesia en esta región. Su compromiso y dedicación son tan evidentes y significativos. Que sus almas descansen en los brazos eternos de Dios. Puedan ellos y ellas ver hacia abajo sobre nosotros, sonriéndose e impulsándonos hacia adelante como el pueblo escogido de Dios. Nosotros los que aquí nos reunimos en estos tres días de conferencias, no olvidemos la fidelidad, el sacrificio y el incesante impulso en la obra del Espíritu Santo de todos ellos.

El trabajo de los Metodistas Unidos ha sobrevivido y prosperado en esta región por de más de 150 años. Los nombres, las formas, los idiomas, los puestos misionales (o “iglesias” como hoy las llamamos) y las conferencias anuales han estado en transición durante estos tantos años. Esta transición continúa ahora en la forma de Río Texas. En medio de estas transiciones y esta novedad de vida, una cosa se ha sostenido constante... nuestro propósito. Hemos estado aquí todos estos años para vivir el mandato bíblico de hacer discípulos de Jesucristo para la transformación del mundo. Al reunirnos en esta primera sesión, nuestra tarea es la misma. Que nunca perdamos de vista nuestro llamado, pues es lo que nos ha traído hasta aquí, por la gracia de Dios.

En nuestra primera Conferencia, escuchemos unas cuantas palabras de nuestro hermano John Wesley con respecto a la primera conferencia anual de los Metodistas,

“...en junio de 1744, deseaba que mi hermano y algunos otros clérigos nos reuniésemos en Londres para considerar cómo deberíamos proceder para salvar nuestras propias almas y las de aquellos que nos escuchaban. Después de algún tiempo, invité a los predicadores laicos que estaban en casa a reunirse con nosotros. Conferimos juntamente por varios días y nos encontramos muy animados y fortalecidos en gran manera. El próximo año no sólo invité a la mayoría de los predicadores itinerantes pero a varios otros para conferirse conmigo en Bristol.... Esto lo hicimos durante muchos años y en todo tiempo el término ‘Conferencia’ significaba no tanto las conversaciones que teníamos juntos, sino las personas que se conferían.”

En nuestra primera sesión anual de la Conferencia Río Texas, Dios permita que podamos comprender y vivir por lo menos algunos de los efectos de la primera Conferencia del Sr. Wesley.

Esta sesión de nuestra Conferencia Anual no es como las de nuestras anteriores conferencias. Comenzamos anoche con un servicio de Palabra y Sacramento verdaderamente inspirador. Hoy nos organizaremos juntos. ¡Esto es lo que hacen los metodistas! A continuación, lidiaremos con algunos negocios necesarios en nuestra vida unida de ministerio y misión. Mañana será un día para escuchar, adorar, reconocer y aprender. El domingo empezará con un tiempo de reconocimiento y aprendizaje. Concluirá con la ordinación, los nombramientos y el envío hacia adelante. Hay orden en nuestra reunión. Hay propósito en nuestra reunión. Existe una consistencia en la misión y ministerio de nuestra reunión. Escucharemos y veremos lo que está sucediendo en nuestra Conferencia Río Texas. También escucharemos y veremos lo que debe suceder y lo que puede suceder. Entretanto buscaremos la presencia y el poder del Espíritu Santo para considerar cómo deberíamos proceder para “salvar nuestras propias almas y las de aquellos que nos escuchan”.

Mis hermanos y hermanas, la Conferencia Anual Río Texas tiene un solo propósito de existir: el hacer discípulos de Jesucristo para la transformación del mundo. Este es nuestro llamado como Metodistas Unidos. En la organización de nuestra nueva Conferencia, hemos clavado cuatro estacas en el suelo como marcadores de lo que haremos en búsqueda de cumplir con nuestro propósito. Cuando ustedes aprobaron abrumadoramente el Plan de Unificación, ustedes mismos se cometieron a cuatro elementos de acción:

- la unificación de pueblos,
- la revitalización de congregaciones y el establecimiento de nuevas comunidades de fe,
- el desarrollo de líderes y
- la transformación de las comunidades.

En nuestro conferir aquí en esta primera sesión de Río Texas, escucharán y aprenderán más sobre cómo formar y vivir estos cuatro pilares de la vida de la Conferencia. Podremos ver cómo estas cuatro esquinas de nuestra nueva vida de conferencia unida son cada vez más que ideales y más bien realidades en nuestras comunidades. Recordarán que el Equipo de Estrategia de Misión Distrital es el impulsor clave tras estas estacas en el suelo. La Misión y el Ministerio giran en torno de las necesidades y los campos de misión de los varios distritos, y no de la oficina de conferencia. Los recursos se harán disponibles con el fin de facilitar el Ministerio.

Dios Todopoderoso nos ha llamado a este tiempo y a este lugar. Por este llamado estaré eternamente agradecido.

A través del muy fiel y diligente trabajo de muchas personas, laicas y el clero, la Conferencia Río Texas está avanzando por la gracia de Dios. Oirán más tarde que hoy mismo estamos muy próximos a demostrar un aumento de membresía y en asistencia a la adoración. En una época cuando la mayoría de las otras conferencias están mostrando disminuciones, somos parte de un puñado de personas que demuestran aumentos. Es mi oración y esperanza que cuando nos encontremos de nuevo el próximo año en nuestra segunda sesión de Conferencia Anual podamos, por primera vez en muchos años, reportar un aumento. ¡A Dios sea la gloria!

La Conferencia Río Texas sin duda seguirá el buen ejemplo de nuestras conferencias precursoras en su compromiso con la generosidad como manera de vivir la vida cristiana. El año pasado, las ofrendas hacia todas las asignaciones fueron del 97 por ciento, un increíble testimonio de fidelidad hacia la misión y el ministerio más allá de la iglesia local. Una vez más, gracias sean dadas a Dios.

El espíritu se está moviendo entre nosotros en múltiples maneras, mientras que discernimos la manera de avanzar como nueva creación en Cristo.

Por último, quiero llamar vuestra atención al tema de la sesión de la Conferencia Río Texas del presente año. “Come to the Waters”... “Venid a las Aguas.”

Algunos fuera de nuestra área han averiguado acerca del nombre de esta nueva Conferencia... Río Texas. Aparte de ser una combinación de los nombres de nuestras conferencias precursoras, la imagen del agua es distintivamente bíblica. También es distintivamente regional. Para aquellos fuera de nuestra región el “Río” es del Río Grande, o sea nuestra frontera más sureña y el río mejor conocido. Sin embargo, recientemente se ha hecho dolorosamente claro a todos que el sur de Texas se compone de numerosos ríos. Estos ríos se conocen por la gente que vive alrededor de ellos, por los historiadores de Texas, y ahora por todos nosotros y las personas de todo el país. Río Texas (el río de Texas)... incluye el Guadalupe, el Brazos, el Comal, el Blanco, el Colorado, el Concho, el Nueces, el Pedernales, el San Marcos... y otros más. Todos estos nombres de los ríos los hemos oído demasíadamente a menudo en estos últimos días. Y todos son parte de la Conferencia Anual Río Texas.

Las aguas de estos ríos se dirigen hacia el Golfo o al Río Grande. Nuestra larga sequía se ha terminado. Los ríos fluyen a lleno. El agua nos ha mostrado su fuerza y su potencial poder devastador.

El agua está al corazón de la vida en el Medio Oriente, así como al de la Tierra Santa. Así fue en la época de Jesús de Nazaret y así es hoy en día. El agua y la vida cristiana son inseparables. Las Escrituras están llenas de imágenes de agua y nuestra relación a ella.

Come to the Waters.... Venid a las aguas....

Hemos llegado al agua. Basta con mirar afuera. Basta con mirar adentro. Es el agua de la vida, el agua del bautismo y el agua viva.

Como Metodistas Unidos, como Conferencia Anual Río Texas, aquí reunidos en primera sesión, en Corpus Christi, Texas, lo que hacemos aquí no se recordará a la larga (más allá que en nuestro diario de conferencia). Pero lo que somos puede ser bien recordado por mucho tiempo, pues está a base de lo que debemos ser como una Conferencia Anual.

Hemos arribado a las hermosas aguas del Golfo en estos días. Pero en estos últimos días y en el porvenir iremos por las aguas del dolor y del sufrir. Iremos a las orillas de las costas que han sido devastadas por las inundaciones y por la pérdida de propiedad y de vida.

Desde las colonias en el Valle del Río Grande hasta los barrios devastados por el tornado en Ciudad Acuña, México, hasta Wimberley, hasta San Marcos, hasta las zonas cercanas a Victoria, hasta los múltiples lugares de destrucción a través de nuestra nueva Conferencia, en 6 de los 7 distritos... vamos adelante. Como Metodistas Unidos, como Conferencia Río Texas, no basta con ir por las aguas tranquilas, mas vamos a las aguas donde nos necesitan nuestros hermanos y hermanas en Cristo. Siempre debemos acudir a las aguas. Eso es lo que hacen los discípulos. Al acudir y por medio de la dedicación ocurre la transformación. Este es nuestro llamado. Ir a esos lugares donde la iglesia se necesita y no a donde necesitamos la iglesia. Aquellos que no son todavía parte nuestra posiblemente estén cerca del agua, a la espera de nuestra presencia y ministerio. Nuestro trabajo en el río falta mucho por terminarse. De hecho, apenas ha comenzado. Que Dios esté con todos nosotros al reunirnos para misión y ministerio en las aguas de nuestra Conferencia.

Las abundantes bendiciones de Dios continúan. Podemos alcanzar a aquellos que no aún no tienen hogar en Cristo. Nos podemos reunir durante estos días y ser consolados y fortalecidos para la tarea por delante. ¡Podemos dar gracias a Dios Todopoderoso por la oportunidad de ser los primeros en llegar! para programar el curso, para cambiar nuestra dirección, para estar disponibles, no solamente los unos a los otros, sino también para todos aquellos alrededor nuestro que necesitan el amor y el cuidado del Cuerpo de Cristo. ¡Ah, por ser los primeros! ¡Qué alegría, qué oportunidad, qué gran oportunidad de reunirnos en las aguas! La gente nos está esperando. ¡Gracias sean dadas a Dios!

## UNITED METHODIST WOMEN

### *FOR INFORMATION ONLY*

Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matt 29:18-20 NIV

The Rio Texas Conference United Methodist Women acknowledge this scripture as the "Great Commission" and the foundation of our purpose.

On January 1, 2015 we launched a new conference with seven districts. On January 2-4, 2015, through our Leadership workshop we began to lay the foundation to address the challenges that we faced: challenges in language, in race, culture, talents and gifts.

In analyzing our new districts, we recognize that each district had a cluster of established churches and a large area to go forth in mission.

Three events are vital in the life of the United Methodist Women. They enhance and develop United Methodist Women. The events included Conference UMW Luncheon, Mission U, and our Conference Annual Meeting.

Our Annual UMW Luncheon will be held on June 13<sup>th</sup> at the Annual Conference at 12:15 p.m. Our guest speaker will be Yvette Richards, the National President. She will address our theme: "*Don't Hold Back.*"

Our Mission U will be held July 10-12, 2015 at Mt. Wesley. Three mission studies are offered each year - a geographical, topical, and spiritual growth study. These studies motivate, inform, and enrich our commitment to global ministry. Local members as well as leaders are trained to lead one of the three mission studies. Those leaders, in turn, are able to lead mission studies in their local and district groups.

The 2015 Mission Studies are:

**Spiritual growth:**

Created for Happiness: Understanding Your Life in God

**Issue study:**

The Church and People with Disabilities

**Geographic:**

Latin America: People and Faith

**Children's Study:**

Life and Faith in Latin America

**Youth Study:**

Latin America: Places, Culture, and Faith

We may have different cultures, languages, talents and gifts. But we were all made by God for a purpose. We come together in one accord in knowing that we love the Lord.

We've planted seeds in the lives of United Methodist Women of the Rio Texas Conference. We lifted our voices and proclaimed David Frazier's song "*I Need You to Survive.*" "I need you. You need me. We're all a part of God's body. Stand with me. Agree with me. We're all a part of God's body. It is His will that every need be supplied. You are important to me. I need you to survive."

## HEALTH AND WELFARE AGENCY REPORTS

### METHODIST CHILDREN'S HOME

#### *FOR INFORMATION ONLY*

Greetings from Methodist Children's Home (MCH) and the children, youth and families we serve thanks to the support of our many benefactors and friends, including those from the Rio Texas Conference. This year we celebrate our 125th year of ministry. The historic partnership between MCH and United Methodist churches in Texas and New Mexico has offered hope to thousands of children, youth and families from the hard places in life.

I am honored to report to you that MCH continues to be in compliance with and, in many cases, to be exceeding the best practice standards established by two national accrediting organizations. MCH works hard to accomplish goals produced by our strategic plan. I invite each member of the annual conference to visit our website at [MCH.org](http://MCH.org) to view our strategic plan and annual report. Or, you may call MCH at (800) 853-1272 to have copies mailed for your review. The priorities and goals of our strategic plan challenge our ministry to explore ways to increase our impact on children and families across Texas and New Mexico.

Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, MCH is committed to providing the services, programs and talented individuals needed to positively impact the lives of children and youth in our care. This is happening every day through residential programs on our historic Waco campus and Boys Ranch, located just outside of Waco, as well as through MCH Family Outreach offices, including San Antonio and Corpus Christi within the Rio Texas Conference.

The reasons children and youth arrive in our care are unique to each individual. They range from extreme trauma or a sudden change in the family structure to school issues or poor choices in a difficult and ever-changing world. Our collaboration with Texas Christian University's Institute of Child Development to incorporate Trust-Based Relational Intervention (TBRI) in our work places MCH on the cutting edge of child care as we learn new ways to serve children who have experienced trauma. These proven and tested techniques and methods of interacting with children are impacting families in positive ways. Our vision is to take what we learn with TBRI and begin making it available to pastors, youth ministers and concerned family members in the local church. The lessons we are learning, coupled with spiritual development opportunities for all children in our care, makes MCH a unique ministry of the United Methodist Church.

In addition to the accomplishments listed above, your support also empowered MCH to:

- Graduate 43 high school seniors in 2014. Thanks to our many friends, we were able to allocate more than \$500,000 for MCH alumni to pursue a college or advanced degree, certificate at a trade school or job-related training that will help them improve their families and communities. This year we have more than 31 seniors on track for graduation at the time this report was submitted to the Conference.
- Increase the impact in San Antonio and Corpus Christi through the work of our Family Outreach program. Staff in these outreach locations provide in-home services – such as Family Solutions and the Grandparents as Parents Program. Our website has a full listing of our 12 outreach offices and how to contact them for more information on services available to communities and churches in the Rio Texas Conference.
- Receive a Certificate of Recognition from the Council of Accreditation (COA) for the demonstration of exceptional quality improvement in the implementation of MCH Family Outreach's Family Solutions program.
- Recognize the great work of 54 staff members with employee service awards. All honorees had at least three years of service, and 10 employees celebrated 15 or more years with our ministry, including two 30-year honorees.
- Participate in several mission trips and community service projects. These projects provided opportunities for MCH youth to show Christ's love by sharing their time and talents to help meet needs across Texas.

Our achievements in the past – and those yet to come – are directly related to the men and women who give their time, talents and resources to bless our children. The following individuals from the Rio Texas Conference serve on the MCH Board of Directors:

Rev. John Alsbrooks, San Saba  
 Mr. Bill Bingham, Austin  
 Mrs. Candy Mallonee, San Antonio  
 Mr. Mario Olivarez, Corpus Christi  
 Mr. Bob Rork, San Antonio

These individuals, along with our other Board members, MCH Commissioners and benefactors, enable our ministry to achieve its mission. On behalf of Methodist Children's Home, thank you for sharing our story in your churches and communities. If you would like to schedule a speaker, arrange a tour or request resources to help promote an offering, contact our development office by email at [development@MCH.org](mailto:development@MCH.org), by phone at (254) 750-1213 or (800) 853-1272, or by mail at 1111 Herring Avenue, Waco, Texas 76708. I also encourage you to visit our website at [MCH.org](http://MCH.org) to download stories; identify resources to help educate your congregation on our ministry; view a transparent listing of our financial resources and services delivered; find out how you can refer a child for placement; or learn more about a call to serve our ministry as homeparent or foster parent.

As we celebrate our 125<sup>th</sup> year of ministry, MCH knows our service to children and families is possible because of God's amazing grace and our generous benefactors. Thank you for your trust and support of our ministry. May God continue to bless you and Methodist Children's Home.

**PROVIDENCE PLACE MINISTRY**  
**(Formerly Methodist Mission Home)**  
*FOR INFORMATION ONLY*

We thank you, the Rio Texas Annual Conference, for your partnership in the ministry of Providence Place. We are a home full of love that provides support and guidance to young women dealing with unexpected pregnancies, couples considering adoption, and young adults with disabilities seeking to gain their own personal level of independence. We are also home to an innovative family of nonprofits on one campus, sharing resources and expertise – a vibrant community where people who have lived on the fringes and felt excluded are warmly welcomed. "Partnership" truly means serving our neighbors together as we are changing lives and reshaping futures for Jesus Christ. We sincerely value your partnership.

One by one, thousands have been welcomed faithfully at Providence Place. For over 120 years we have sheltered and empowered God's children, from the vulnerable and confused pregnant teen who wants a loving home for her unborn child, to the youth with disabilities seeking to learn how to make their own home in the world. With your help, our work has given God's Children a Faith, a Family, a Future.

**Quick Facts**

**Founded:** 1895, San Antonio

**Campus Headquarters:** 6487 Whitby, San Antonio, TX 78240

**Website:** [www.provplace.org](http://www.provplace.org)

**2015 FY Budget:** \$4.2 million

Today, the mission of Providence Place is to provide a community where God's children transition to build their faith, family, and bright futures. We offer hope to individuals facing challenging circumstances, so they may lead enriched, rewarding and satisfying lives. Through professional guidance and compassionate support, teens and young women facing unplanned pregnancies and families considering adoption make mutually beneficial decisions. Through transitional education, including life skills and vocational training, young adults with disabilities develop confidence and competence to reach their personal level of independent living. Providence Place fulfills its mission through the following programs:

- **Action Adoption** has placed more than 6,000 children into loving homes through domestic, older child, and international adoptions. We provide counseling for birth parents and adoptive families throughout the adoption process. Our maternity services include campus housing for pregnant teens and young women considering adoption. Post-adoption counseling is available for birth parents, adoptive families, and adoptive children. Providence Place provides adoption education to teach teens and the professionals who work with at-risk youth about the alternatives to parenting – adoption and voluntary foster care.
- **The Center for Higher Independence (CHI)** is for students ages 18 and older with multiple disabilities for whom college is not always the next step. Established in 1974, CHI was founded as a transitional education center for people who were deaf and hard of hearing. Today, our services have expanded to accommodate diverse disabilities, including high functioning MR, autism, Asperger's, cerebral palsy, and learning disorders. CHI has assisted hundreds of young adults with disabilities in learning the vocational and life skills to achieve their personal best.
- **Ectopia** (*a word comprised from Ectropy which denotes energy & order and Utopia, a perfect community*) is a self-supporting collaboration of nonprofit agencies on the Providence Place campus with a core mission of helping women and children, as well as adults with disabilities. ## MOUNT SEQUOYAH CENTER, INC.

### *FOR INFORMATION ONLY*

Mount Sequoyah Center continues to support the mission of The United Methodist Church by delivering radical Christian hospitality to all who enter our gates. The year 2014 saw usage increases of 28% in meeting facilities and 29% in overnight lodging. Staff-sponsored youth programs have been emphasized for the past three years, and in 2014, approximately 450 youth participated in these programs. Over 200 collegiate women meet weekly on our Campus as well as a Boy Scout Troop and other small groups.

Program Manager, Emily Gentry, oversaw the growth of youth programs and helped improve programs designed to address the spiritual and physical needs of adults. We had more children than ever before participate on our Marlin Swim Team, and we doubled the amount of Kampers who attended Kanakuk KampOut on our grounds. We were also blessed with the opportunity to work with two interns from the Lydia Patterson institute this summer.

Denni Palmer M. Div., a United Methodist diaconal minister, joined our staff as Christian Education and Spiritual Formation Coordinator. By the close of 2014, more Christian based education training seminars and workshops were on the calendar for 2015 than in the previous six years. Mount Sequoyah now provides ‘Bible Studies to Go’ that are available for any guest with individuals staying on the grounds for weeks of training specifically in mind.

Our Board engaged Run River Enterprises to conduct a long-range Jurisdiction wide review of our mission and programming and to provide guidance in development of a strategic plan to better serve the South Central Jurisdiction.

Capital improvements of \$536,000 have been completed. The United Methodist Foundation of Arkansas matching grant has \$150,000 of the \$300,000 remaining available for capital improvements.

If you have not been to Mount Sequoyah in the past two years, you will be astounded by the renovations and remodels. Many of our guests rooms have been redecorated and are now equipped with more modern amenities such as flat screen TVs, Wi-Fi, and coffee makers. It is truly amazing what a difference our staff, with your support, has made on our facilities.

We miss you and hope you will visit us soon so that you can experience our radical Christian hospitality for yourself.

Lamar Pettus, Interim Executive Director

## LYDIA PATTERSON INSTITUTE

### *INFORMATION ONLY*

Resident Bishop and Members of the Conference:

It is with great honor and respect that I submit this report to you on behalf of your ministry on the border, Lydia Patterson Institute (LPI). I first and foremost wish to thank the Bishop and every member of the conference for your love, prayers and support for the well-being of our 400 students, whose future is in our hands.

The past year has been one of monumental and historical accomplishments for Lydia Patterson. We began with the celebration of its 100 years of ministry in a Centennial Gala attended by over 450 friends and supporters from El Paso, Juarez, and friends from throughout the jurisdiction and beyond. Distinguished alums were honored as were the faculty, parents, and board members. The highlights of the evening were the words of encouragement and praise by our Congressman Beto O’Roark and Former First Lady Laura Bush.

As a part of this celebration, LPI is engaged in a \$15 million campaign for the renovation of its facilities and development and enhancement of new programs. The funds raised will go to build a new chapel and fine arts center, a new science lab, a computer lab and a media and research center. Fourteen classrooms have already been renovated and equipped with the infrastructure for the latest technology.

This year, we introduced the ELPILearn program. This is a unique program and the only one of its kind in the country. The program was designed to add a middle school to our existing high school. Students will now be learning English, while they are introduced to the core subjects of the 7<sup>th</sup> and 8<sup>th</sup> grade. We made news in El Paso with the introduction of learning pads and SmartBoards to the classroom as well as being the only school in the area to replace textbooks with Ebooks. The program development plan will bring the same latest state of the art technology to the 9<sup>th</sup> and 10<sup>th</sup> grade in the next school year and the 11<sup>th</sup> and 12<sup>th</sup> grade in 2016.

The accomplishments to date have been made possible by the gifts and pledges of friends, both local and throughout the country, and the commitment of several annual conferences to the capital campaign. The addition of the Middle School was funded through a commitment of the Central Texas Conference to whom we are most grateful. Although we still have a long way to go, we are confident that the ministry of LPI merits every dollar invested, and that we will reach our goal.

We are proud of the accomplishments of the campaign, but we are far more proud of the accomplishment of our students. In the past year, we graduated 83 seniors, 82 of whom are in college today. We continue to maintain a 98% rate of students attending a college or university. Students are presently attending 15 of our United Methodist colleges throughout the country. The lay ministry students served in 21 internships last summer, one will graduate from seminary and receive ordination this year, and four are leading churches throughout the country.

This has been a year of excitement and jubilation for Lydia Patterson, but the best is yet to come. ***THIS IS OUR YEAR.*** We will reach our goal and see that LPI is prepared to go into the next 100 years with the best facilities, the most advanced programs, and the best tools to form leaders in our communities, to serve the church and to transform the world, all in the name of Jesus Christ. On behalf of the past and present students and the many more to come, please receive my appreciation for investing in this capital campaign that will change many more lives in the next 100 years.

## TEXAS METHODIST FOUNDATION

### *FOR INFORMATION ONLY*

Once again, TMF experienced another year of exceptional growth in 2014, increasing our assets and further clarifying how to gain the most leverage from those assets to help our United Methodist community discern and live out God’s purposes. At TMF, our ability to help congregations steward God’s potential for them is inextricably linked to our financial integrity: the more financially stable we are, the more effectively we will be able to achieve our mission “to empower the Church in the achievement of her God-appointed missions.”

We ended 2014 with approximately \$510 million in assets under management, an \$84 million increase over 2013. Of that increase, \$46 million came from our joining with the New Mexico Conference Foundation. The significance of our growth, however, lies, ultimately, in the lives changed in local congregations where our services helped enable ministry. The measure of success for all of our services – investments, loans, leadership ministry, grants ministry, stewardship services, and legacy giving, including gift planning and church endowments – is in how effective they are at helping individuals and congregations fulfill God’s purpose, as together we work to make Christ’s love visible in the world.

As the TMF Area Consultant for the Rio Texas Conference, Tom Stanton is the primary point of engagement between congregations (clergy and laity) and TMF. He works with Rio Texas Conference constituents to connect them to resources relevant to their unique goals for missional growth in their congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

### ***Within the Rio Texas Annual Conference:***

- Loans from TMF to churches in the Rio Texas Annual Conference totaled \$56.7 million at the end of 2014.

- Churches, agencies, and individuals within the Rio Texas Annual Conference had \$76.9 million invested with TMF's Methodist Loan Fund/Individual Fund.

### ***Throughout Texas and New Mexico:***

- As of December 31, 2014, total assets under management by TMF were approximately \$510 million.
- Methodist Loan Fund investments remained steady at \$334 million, as did our loan portfolio at \$322 million.
- Our Leadership Ministry Endowment grew from \$4.6 million to \$5.7 million.
- During 2014 TMF's Leadership Ministry continued its commitment to strengthening leadership at every level of the church. One of the ways we engage this work is to identify leaders who hold positions which are key leverage points for change, bring them together, and give them brave space for peer learning and generative conversation that can be transformed into courageous action. In 2014, we gathered Board of Ordained Ministry chairs and leaders from across the South Central Jurisdiction to address the complex issues surrounding the difficult place BOM's find themselves in as they implement a process for credentialing that is highly regulated by church law and has not substantively changed to meet the leadership needs of the current, changing mission field. In the past year, we also formed a group of young musicians who are leading modern worship, often in more traditional settings. They are wrestling with the question of what it means to use music and worship to reach people not already inside the church. Another way TMF is working to strengthen leadership is by providing resources to clarify purpose and increase generosity. Last fall, we hosted the Academy of Faith and Money in Houston, offering three full days of current, practical teachings on stewardship, featuring two of the best thought leaders on generosity, Clif Christopher and Michael Reeves. Several who attended have already reported immediate results from implementing recommended changes in their congregations. These are a few examples of Leadership Ministry's work to enable courage, learning, and innovation among United Methodist leaders.
- Grants made by TMF during 2014 totaled \$2,941,196. Of that amount \$2,088,534 came from donor-advised funds. In addition, TMF provided \$175,000 in special grant funding to the seven conferences we served throughout Texas and New Mexico. Since beginning these grants in 2009, TMF has awarded a total of \$1,070,000 to the conferences, all of which has been used at the discretion of the presiding Bishops. For 2014, we asked the Bishops to align the funding with organizations addressing critical needs in ways that bring about meaningful and sustainable change, consistent with our Grants Ministry's focus on systemic change.
- TMF distributed approximately \$1 million from permanent endowments, predominantly to United Methodist causes.

## COMMITTEE ON RESOLUTIONS AND COURTESIES

### *FOR INFORMATION ONLY*

Bishop Dorff, we are pleased to thank you for guiding us through an exciting experience this weekend. We have been witness to history being made...and have seen a glimpse of history that will come...a history that we are certain will be celebrated in the forms of united people and changed communities, as disciples are made and the world around us is transformed.

Bishop Dorff, during the Laity Session, we ask how many attendees were at their first Annual Conference meeting. Pleasingly, scores of hands were raised! For those and others present, it would be easy to say that most are unaware of what has to happen to make this weekend the success that it is. Annual Conference meetings are NOT spontaneous occasions...they required weeks...even months of planning and work.

We take this moment to recognize and give thanks to the hundreds of people who spend countless hours to make this conference the meaningful occasion that it has been. When we arrived, skilled United Methodist Men drivers greeted us and Conference and District staff members registered us. United Methodist Men and United Methodist Women fed us. The Conference communications staff and the translators connected us. The members of the cabinet helped to guide us. And the conference staff ensured that we were equipped, prepared, and informed to carry on the work of the Annual Conference. For all of these, we offer thanks!

Of course, we thank you, Bishop Dorff, and the SEVEN other bishops who graced us with their preaching, their words, and their presence...Bishop Robert Schnase, Bishop Mike Lowry, Bishop Minerva Carcaño, Bishop Janice Huie, Bishop Sharon Brown Christopher, Bishop Dan Solomon, and Bishop Joel Martinez. We give thanks to Dr. Phil Maynard and Rev. Dr. Paul Barton for their inspiring teaching sessions; Rev. Dr. Kim Cape, the General Secretary of the General Board of Higher Education and Ministry for her presence and support; and we thank the representatives of the Upper Room, Southwestern University, Austin Presbyterian Theological Seminary, Lydia Patterson Institute, Methodist Healthcare Ministries, United Methodist Women National Office, Project Transformation, and others. For all of these, we offer thanks!

Laity and clergy alike have commented on the moving worship services that inspired this meeting of the Annual Conference. We thank the members of the Worship Planning Team, led by Rev. Dr. Paul Escamilla. Worship themes were enhanced by bulletin artwork created by Gary Flemmons of St John's UMC in Austin (who, also, created the artwork that adorned the plenary area), and by musical contributions from the Tarrytown Auxiliary Band, the Jazz musicians and choral ensemble, the Clergy Choir, Principe de Paz Youth Band, and Alamo Heights United Methodist Church Sanctuary Choir. And we especially thank the dozens of ushers, both clergy and laity, who sacrificially served us in worship. For all of these, we offer thanks!

Worship opportunities were continued through a wonderful Prayer Room arranged by Shelly Walters, an Austin Presbyterian Theological Seminary student and staff member. And the students of Austin Presbyterian Theological Seminary, who assisted in the Renewal of the Baptismal Covenant service, and the lay and clergy readers who helped to create a memorable Service of Remembrance as well as provided worship experiences that will be long remembered. For all of these, we offer thanks!

Finally, Bishop Dorff, we are grateful for the presence and participation of the members of the Cabinet, the conference staff, active and retired members of the Annual Conference, all of our honored guests, and all who support the mission and ministries of this Annual Conference, without whom none of this would have happened. For all of these, we offer thanks!

Therefore, Bishop Dorff, on behalf of the laity and, we believe we can say, all of us, let us resolve to not let the excitement of this occasion become just a blip on the calendar of this annual conference. Let us resolve to take this experience and all that it means back to our local churches and into our mission fields. Let us resolve that, through the new energies and resources that this new annual conference offers, every person here will seek new ways to make disciples for Jesus Christ for the transformation of the world. And let us resolve to look upon this occasion as the beginning of something new, not the end of something familiar.

Ralph Thompson, Sandra Nieto, Co-Lay Leaders

## HILL COUNTRY DISTRICT

FOR INFORMATION ONLY

The new Hill Country District, with its 47 churches now, is adjusting to its new configuration and new mission field. Eighteen churches of the Kerrville District moved on to the West, the Capital, and the Las Misiones Districts. Eleven churches from the Capital and Las Misiones District joined with former Kerrville District to form our new district. Within our new district there are at least 5 distinct geographical areas with very different populations and missional needs.

The District Missional Strategy Team has formed and is “listening and discerning for and acting out the Misseo Deo” or the “mission of God” for our people. Much is already happening across our district. Many churches are heavily involved in their communities, serving the needs of many, establishing relationships with other churches and people, and challenging one another to do more of sharing the good news of Christ with others. Our district web site and Facebook page reflect many of these efforts. In these last few and the next several months the Team is seeking to communicate and coordinate the many ministries that are happening already. It will also seek to shape some common priorities in our combined missions.

Our Missions Team is already coordinating efforts through Mission Border Hope in Eagle Pass, through a Lenten clothes collection (19 churches cooperating with the Seventh Day Adventist) for emergency response, and even through international efforts in Mexico, African and Costa Rica.

Our Vision Team, our Lay Servant Ministry Team and our District Committee on Ministry are actively working on Leadership Development. Our well-attended annual Equipping the Saints event, our two Lay Servant Training weekends, our Small Church Initiative weekend, and our Mentoring Retreat for local pastors are illustrations of this effort.

The H. Ellis Thomas and Clara Houghton Thomas Memorial Endowment Fund was created after the death of the Rev. Thomas and his wife. He served for almost 40 years as a pastor (and even district superintendent of the Kerrville District) in our Annual Conference and the couple endowed this fund as a continuation of his commitment to ministry in our area. This has allowed a scholarship committee to provide thousands of dollars in scholarships to seminary students over the years. Recent scholarships have gone to Joe Tognetti, Anna Troy and C.J. Tillinghast.

A Youth Strategy Team has been organized to offer winter and summer camps and other area youth ministries. In the transition to the new Rio Texas Annual Conference and its new structure and personnel there has been a major disruption in youth programming. In a real sense, the Conference Youth Program had the rug suddenly pulled out from under it. Frankly, there has been a great deal of confusion, frustration and anger among pastors, youth directors and parents. This Team is working to get area-wide youth ministries back on track.

New Church Teams are being shaped as a part of our Board of Church Building and Location. There is tremendous growth in three of our geographical areas. There is growth near Marble Falls, near Boerne and all along the IH-35 Corridor. Hugh developments are coming that overlap the Capital, the Crossroads and the Hill Country District. A joint team will address this growth.

We are grateful for God’s presence and guidance with us as we see to be faithful servants of Christ and of all those children of God in our midst

Hill Country District Superintendent

## EL VALLE DISTRICT

FOR INFORMATION

¡El Espíritu Santo está vivo y transformando el Valle Rio Grande! The people of El Valle District have taken long steps toward unification over the past year, in spirit and in body. The year began with news at Annual Conference 2014 that large numbers of Central American children and families were arriving at the U.S.-Mexico border fleeing terrible violence and seeking asylum here. Our district received UMCOR funding and aid from across Rio Texas and the whole country, to give aid and comfort to these sojourners. We continue to work to form a UM network to respond to immigration issues in our area.

In September, we accomplished the fourth annual Serve Our Schools outreach day, with 14 district churches participating in communities across the Rio Grande Valley. SOS has been an intentional way to form relationships for Christ between our churches, local schools, and community partners, and the seeds of goodwill planted by this effort grow stronger every year.

In November, we held a service of remembrance and celebration, to mark the end of the McAllen and Southern Districts. Leaders old and young led us in English and Spanish, with music from different backgrounds, a rousing

sermon by Rev. Eradio Valverde, and holy communion with Bishop Dorff and Rev. Nydia Irizarry Jara presiding. We called the roll of both districts' churches, thanked God for our rich heritage, and committed ourselves to the bright future ahead.

In January 2015, we were thrilled and grateful for the launch of the Revive Community new church start, serving the Sharyland area. This initiative, supported by partner churches McAllen First, Mission First, and Valley Praise, in addition to conference and district funds, marks the culmination of a dream more than a decade in the making. It represents a collaborative model of church planting we hope will be very fruitful.

Also since the start of 2015, El Valle District has been living into a new structure and practice, with teams organized around the four pillars of the new conference. Our district strategy team has adopted a strategic document outlining specific, measurable outcomes we are seeking over the next three years. These include the development of a new cadre of trained lay leadership for deployment in starting new faith communities; a coordinated approach to ministries in colonias and other low income areas, focusing empowerment and new places for new people; a model of mutuality in mission outreach that equally values and employs the gifts of visiting mission teams, local churches, and community members; and in the short term, a process of education and formation for all our people, to cast this new vision and move together into a new way of working and holding ourselves accountable.

El Valle District is a place of rich, tremendous promise, and it is a gift to serve here. God is working and moving us in ways many could have hardly imagined not long ago, sending Christ's church across all sorts of divisions to share the gospel of Jesus Christ. Nos entregamos a la acción y voluntad de Dios, confiando en su intención de sanar y salvar a todo su pueblo, toda su creación. We seek to be ever learning and growing for the sake of Christ's gracious kingdom, living and visible in our day and our land.

## LAS MISIONES DISTRICT

FOR INFORMATION ONLY

### *MISSION SYNOPSIS*

The Las Misiones District organized 8 different Forums with 21 Partnering Elders. In addition to arranging cooperative annual Charge Conferences, each FORUM is developing its own mission cooperation – some better (sooner) than others. One FORUM, at the Cooperative Charge Conference, had Lay Mission Partners interview each congregation (not their own) with specific questions to gather information, and, more importantly, to promote missional thinking.

At the moment most of the FORUMS see themselves as an Administrative entity to tend the annual charge Conferences. In addition, the FORUMS will promote the following:

1. Partnering Elders will become the first-line for administrative questions.
2. Forum Clergy will meet regularly for cooperation, fellowship and inspiration.
3. Lay Mission Partners will coordinate and communicate ministries of mission within the congregations of the Forum.
4. “The purpose of the Las Misiones Mission Strategy Team (MST) is to assist the congregations of the District to identify, prepare and/or engage the mission field within the context of each particular congregation; and, to be conduits of mission asset communication between congregations in order to more effectively and efficiently affect Kingdom Work throughout the District and beyond.

The District Mission Strategy Team (MST) assists the congregations of the Las Misiones District to identify, prepare and/or engage the mission field within the context of each particular congregation. In addition the MST is a conduit of mission asset communication between congregations in order to more effectively and efficiently affect Kingdom Work throughout the District and beyond. The Las Misiones MST works through relationship building; team building; information gathering and sharing through connectional interaction.

For the present and immediate future, the MST has prioritized planning and development for Cultural Competence, Laredo Humanitarian Relief, Justice for Our Neighbors and Project Transformation.

**WEST DISTRICT**

FOR INFORMATION ONLY

In celebration of the new Rio Texas Conference, the San Angelo District became the West District. We began our new journey at Annual Conference in June 2014 by welcoming seven new churches, Center City UMC, Principe de Paz UMC (Del Rio), Goldthwaite UMC, El Divino Salvador UMC (Odessa), Betel UMC (San Angelo), San Saba UMC, and Star UMC. In addition, we welcomed our new leadership of District Superintendent/Strategist Rev. Steve Purdy.

In September we welcomed our new Pastors and spouses with a "Welcome" picnic and shared our vision with the new Conference beginning January 1, 2015. During our Church Conferences in the fall we shared information as many questions were asked about the changes around the corner. We celebrated joys and concerns of what the future held for our churches.

Our Leadership Training in January was well attended with many new faces in the crowd as we joined together in faith and planned to move forward together. We continue to flourish with our Lay Servants/Speaker trainings in our District, and praise God for the leaders that come forward to lead these sessions. Our mission outreach has increased in areas all around us. Throughout the year we have seen our brothers and sisters step beyond the doors of the church and step up to be the hands and feet of Jesus in the mission field.

Our West District Strategy Team has been meeting regularly to plan, share ideas, and pray for God's continued guidance to strategize toward strengthening Christ's Church and hopefully starting new churches and faith communities. In addition to planning events and projects with local churches, we will continue to work with communities to carry out the church's mission and vision. In February, the Directors of the Mission Vitality Center attended our Pastors and Professionals meeting and met with our groups to share the vision.

The West District will continue to pray forward, with God's help and guidance to focus on our purpose of being those who make disciples for the transformation of the world.

Gini Christian, West District Director of Programs

## MEMOIRS

### *GUIDELINES FOR MEMOIRS*

In the Rio Texas Conference it is the responsibility of the minister who conducts the funeral of a deceased minister, or spouse of a minister, to write the memoir for the conference journal. The memoir is not designed to be either a eulogy or a memorial sermon, and is not the place for sentimentality; but this brief and specialized biographical account can be a document suitable as a historical record and a portrayal of personality and spirit.

Certain facts are basic and essential for inclusion in a memoir. The style of writing and the method and order of presentation may differ but a memoir should contain the following information, either within the body of the memoir or listed at the end:

1. Personal life, early period: complete name of the deceased; date and place of birth; names of parents, including mother's maiden name.
2. Educational background: schools and colleges attended, with years noted; degrees and honors received, with dates.
3. Ecclesiastical data: first church membership (name of church, location, date); dates of ordination and admission to annual conference; appointments served; special areas of service on conference boards and agencies; retirement date; residence following retirement; and any service after retirement. (This paragraph is to be adapted to the spouse.)
4. Personal life, late period: date of marriage and name of spouse (including maiden name of wife); full names of children (including married names); date and circumstances of death; date and place of funeral and burial; names of officiating clergy; and address of surviving partner or nearest relative.

It shall be the responsibility of the annual conference secretary, as editor of the journal, to see that this basic biographical information is contained in the memoirs that are printed in the conference journal. When the conference secretary is informed as to who will write a memoir, he/she will send to the writer of the memoir a copy of these guidelines, and instruct the writer to make sure that the memoir that is written is complete with the necessary biographical information. It should not be more than 300 words in length.

Writers of memoirs should present a copy of the memoir to a member or members of the family of the deceased so that it may be checked for accuracy before it is sent to the conference secretary. Memoirs should be received by the conference secretary within one month after the death of the person who has served the conference as minister or minister's spouse.

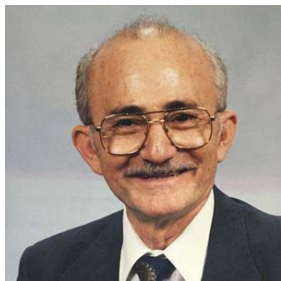

A glossy photograph, preferably black and white, secured if possible from the family, should be made available for publication with the memoir.

*Clergy and spouses of clergy who have died since the 2014 Annual Conferences of the former Rio Grande Conference and the Southwest Texas Conference held in June of 2014.*

## CLERGY

### RAMON ALMAGUEL

*MARCH 31, 1928 - NOVEMBER 17, 2014*

Reverendo Ramón Almaguel, a la edad de 86, de Austin, Texas, murió en paz el 17 de noviembre de 2014. Ramón nació en Banes, Cuba el 31 de marzo 1928, hijo de Pedro Almaguel y Baldomera Rojas. El más joven de 14 hijos, Ramón creció en un rancho próspero y productivo que siempre sirvió de trasfondo para sus historias de su infancia.

Cuando Ramón tenía diecinueve años, fue llamado a ser un ministro. Estudió en el Seminario Evangélico Los Pinos Nuevos y el Seminario Evangélico de Teología, ambos seminarios interdenominacionales que dieron forma a su compromiso de por vida con el ecumenismo. Durante sus estudios, conoció a su futura esposa, Elizabeth Pérez, que también era estudiante de seminario. El 3 de agosto de 1955, los dos comenzaron una colaboración extraordinaria que se extendió por 59 años. Tuvieron dos hijas, Loida y Ana, quienes pasaron varios de sus años formativos en el entorno del seminario.

Ramón fue pastor de tres iglesias Metodistas Unidas en Cuba--en Santa Clara, Guantánamo y Cárdenas--antes de emigrar con su familia a los Estados Unidos en 1970. Se unió a la Conferencia Metodista del Río Grande. Cuando la familia llegó a Carlsbad, Nuevo México, hubo un choque cultural para la ciudad y la familia por igual. Los periódicos locales anunciaron "llegan cubanos a Carlsbad," y los feligreses confesaron que, mientras que el primer sermón de Ramón fue hermoso, apenas entendieron una palabra de él, a causa de su acento.

Durante su carrera en los Estados Unidos, Ramón sirvió como pastor en 5 iglesias, sobre todo en el sur y centro de Texas, y se desempeñó como oficial de varios comités de conferencia. Fue frecuentemente llamado a ser testigo y guía de los miembros de la iglesia que pasaban tiempos extraordinariamente difíciles, así como también para celebrar ocasiones alegres. En 1993, se retiró oficialmente del ministerio, aunque siguió desempeñando muchas funciones pastorales.

Ramón era un intelectual, y disfrutaba debatir asuntos de teología, incluyendo con su esposa. También era un consumidor voraz de noticias del mundo, y siempre podíamos contar con sus informes--con abundantes comentarios--sobre los últimos acontecimientos. Un feminista dentro y fuera de la casa, Ramón era el cocinero entusiasta del hogar, y también un compañero igual en todos los asuntos. Era ingenioso, con un maravilloso y amoroso sentido del humor, a menudo dirigido a sí mismo.

Le sobreviven su esposa, Elizabeth Almaguel, sus dos hijas, Loida Almaguel y Ana Almaguel, y Raquel Granados y Karen Engle, que también han sido como sus hijas. Adicionalmente, le sobreviven numerosos sobrinos y sobrinas, incluyendo Cary Batista, quien acompañó fielmente a Ramón por los últimos quince meses. Él era el último sobreviviente de sus trece hermanos.

Reverend Ramón Almaguel, age 86, of Austin Texas, passed away peacefully on November 17, 2014. Ramón was born in Banes, Cuba on March 31, 1928 to Pedro Almaguel and Baldomera Rojas. The youngest of 14 children, he grew up on a thriving and productive ranch that always provided the background for the stories of his childhood.

When Ramón was nineteen, he was called to be a minister. He studied at Seminario Evangélico Los Pinos Nuevos and the Evangelical Seminary of Theology, both interdenominational seminaries in Cuba that helped form his ecumenical approach to the ministry. During his studies, he met his future wife, Elizabeth Pérez, who was also a seminary student. On August 3, 1955, the two began an extraordinary partnership that spanned 59 years. They had two children, Loida and Ana, who spent several of their formative years growing up in a seminary.

Ramon pastored three United Methodist churches in Cuba—in Santa Clara, Guantánamo and Cardenas—before immigrating with his family to the United States in 1970. He joined the Rio Grande Methodist Conference, and his first church assignment was in Carlsbad, New Mexico. When the Almaguels arrived to the arid southwest less than three months after leaving Cuba, there was culture shock for the city and family alike. The local newspapers announced "Cubans arrive in Carlsbad," and parishioners confessed that, while Ramón's first sermon was beautiful, they barely understood a word of it because of his accent.

During his over two-decades career in the United States, Ramón pastored five churches, mostly in south and central Texas, and served as an officer of multiple conference committees. He was often called upon to witness and guide church members through extraordinarily difficult times as well as to celebrate joyous occasions. In 1993, he formally retired, but continued to play many pastoral roles.

Ramón was an intellectual, and enjoyed sparring over matters of theology, including with his wife. He was also a voracious consumer of world news, and could always be counted on to report—with commentary—on the latest events. A feminist inside and outside of the house, Ramón was the enthusiastic cook of the house, and also an equal partner in all matters. He was quick witted, with a wonderful and loving sense of humor, often aimed at himself.

Ramón is survived by his wife, Elizabeth Almaguel, and his two daughters, Loida Almaguel and Ana Almaguel, as well as Raquel Granados and Karen Engle, who were also like daughters to him. In addition, he is survived by numerous nieces and nephews, including Cary Batista, who has been by his side for the past 15 months. He was preceded in death by his thirteen siblings.

**COMMITTEE ON STANDING RULES**  
**REPORT I**  
**CHAIRPERSON'S REPORT**  
*FOR INFORMATION ONLY*

The starting point for this year's report of the Committee on Standing Rules is the currently existing Standing Rules which were adopted in June 2014. As you know, last June there were many areas about which we were still uncertain, and we knew certain changes would be necessary this year and in following years as we live into our new identity and structure. This year the Committee on Standing Rules has worked to make some of these changes as we have learned more about the details of our structure, especially in the area of staffing.

Also of significance is the ruling of the Judicial Council last fall, which raised certain questions about the Plan of Action adopted in February 2014. Some of the questions they raised had already been addressed in the current Standing Rules, but others needed further clarification and some particular changes. These necessary changes are included among the changes proposed in Report II below and summarized here:

- The Mission Field Advocate has been defined. (See Rule 1a)
- The Secretary of Global Ministries has been included as required. (See Rules 5 and 5b)
- The title of Assistant to the Episcopal Office has been verified as the correct title for a "to be determined" reference in two of our agencies, and the definition of this position is added to the Conference Staff and Resources section. (See Rules 6d, 6i, and 17)
- The Committee on Hispanic/Latino Ministries has been brought into alignment with other similar agencies and its role is therefore clarified. Because of questions raised about its multiple roles by the Judicial Council, all references to this committee have been removed from the Uniting Peoples, Developing Leaders and Transforming Communities Vision Teams, and it is now listed solely on the Vitalizing Congregations Vision Team. Because of the unique character of our annual conference, everything we do might be considered to be Hispanic/Latino ministry. At the same time, within our unique annual conference, Vitalizing Congregations seems the best placement for this committee. (See Rule 3i and notice its removal from Rules 2, 4 and 5)
- The Administrative Review Committee has been moved to a more independent position in the structure, to emphasize its unique role within the conference: it reports only to the clergy session of annual conference, and then only as necessary. (See Rule 4 and Rule 7, which has been moved from 4d)
- The role of the Commission on Archives and History has been clarified: it is in the administrative agency section of our structure, but it is also a program agency. This is reflected not only here but also in the placement of its funding within the budget. (See Rule 6h)
- The phrase "unless otherwise specified by the Book of Discipline" has been added in several places as necessary to allow for special cases among certain agencies. (See Rules 4 and 6)
- A new rule allows for filling vacancies between sessions of annual conference. (See Rule 10)
- The Conference Staff and Resources section has been re-written to reflect the new configuration of key staff members, and to further define the Mission Vitality Center and the Administrative Services Center. (See Rules 15 and 16)
- The old Rule 35 is being deleted, as it is now obsolete.
- The document has been re-numbered in line with these changes.

We are certain that there are other matters which will appear over time which certain members or agencies of this annual conference will want to propose as additions to the Standing Rules. We will continue to carefully consider all such matters as they come to our attention. This is still a work in progress, and we appreciate your patience and your assistance.

Thank you for the opportunity to be of service to you.

# 2014 STATISTICS

## *Reflection on 2014 Statistics as we begin the Rio Texas Conference:*

The Rio Texas Conference, a new conference formed from the uniting Spirit of God and faithful disciples of Jesus Christ in Texas and New Mexico, came into being January 1, 2015. The united conferences, Rio Grande and Southwest Texas, come together with strength, vitality, passion, and a servant heart to proclaim the Good News of Jesus Christ in South Texas in new and creative ways for the transformation of individuals and communities.

The Rio Texas Conference begins with 123,699 members across 74 counties of South, Central and West Texas in 380 worshipping communities. We initially start with average worship attendance within the Conference at 47,505 persons. We are ethnically and culturally diverse. The value of our assets is \$1,062,308,174 with debt of \$72,981,075.

The Rio Texas Conference is birthed for uniting people in new places and in new ways. We celebrate the work God has done in us and will do with us into the 21st Century and beyond.
