## HISTORICAL SESSIONS OF THE ANNUAL CONFERENCES

### *Rio Grande Conference*

El ministerio de La Iglesia Metodista Unida a través de la Conferencia Río Grande, tuvo sus precursores ya desde 1815, tanto en ministros de las fronteras como en los Colportores de las Sociedades Bíblicas y en algunas de las comunidades de fe de los Colonos de Texas. Los esfuerzos ya más instituidos, empero, trazan su historial a dos de los ramos del metodismo: La Iglesia Metodista Episcopal y La Iglesia Metodista Episcopal del Sur.

La Iglesia Metodista Episcopal principia en 1850 con nombramientos a Nuevo México, a través de la Conferencia de Oregón y California y de la Sociedad Misionera, y posteriormente, a través de varias otras Conferencias. Estos primeros esfuerzos, si bien terminan en 1856, darán como fruto una Misión en Peralta. Dicha Misión continuaría por sí misma, bajo liderazgo fiel de algunos laicos, hasta 1871 que es cuando se prosigue ya en forma de un Distrito parte de la Conferencia de Colorado. En 1876 este Distrito, bilingüe por cierto, se constituye en la Misión de Nuevo México la cual continúa siendo parte, hasta 1884, de la Conferencia de Colorado. La obra toma nuevo curso, manteniendo aún su relación con la Conferencia de Colorado hasta 1891, pero reorganizándose en 1885 para dar lugar a la Misión Española de Nuevo México la cual posteriormente, al verse fortalecida se convierte, en 1892, en Conferencia Misionera Española de Nuevo México. En 1915 y hasta 1924, las obras de habla española y habla inglesa se vuelven a unir, formándose la bilingüe Conferencia de Nuevo México. En 1924 otra reorganización se hace necesaria y de ella nos viene la Misión Española del Suroeste la cual, en 1932, se hace Misión Latino Americana, continuando así hasta 1936. Finalmente, de 1937 a 1939, la obra se organiza como Misión de Nuevo México. Durante este periodo la mayoría de los obreros mantienen su membresía clerical en la Conferencia de Nuevo México de 1924 a 1927, en la Conferencia Misionera de Nuevo México en 1928 y en varias otras Conferencias, hasta la unificación de los metodismos de 1939.

La Iglesia Metodista Episcopal del Sur, por su parte, principia en 1859 con nombramientos a El Paso y a San Antonio, a través de la Conferencia Misionera del Río Grande, los que durarían uno y dos años respectivamente. En 1871 se reanudan los esfuerzos con un nombramiento a Corpus Christi, a través de la Conferencia del Oeste de Texas, que da como fruto un Distrito. La obra crece y en 1885 se establece como Conferencia Fronteriza Misionera Mexicana. En 1890 dicha Conferencia se divide en dos, naciendo la Conferencia Noroeste Misionera Mexicana. En los años 1914-1915 se da la primera reorganización en base a obra en Estados Unidos y obra en México, por lo que se forma la Misión Mexicana de Texas en 1914 y al Conferencia Fronteriza Mexicana en 1915. La Misión Mexicana de Texas, sin embargo, mantiene la mayoría de su membresía clerical en México en la Conferencia Fronteriza Misionera Mexicana en 1914 y en la Conferencia Fronteriza Mexicana hasta 1918. Por otro lado, en 1918 se da la reorganización de la obra occidental y se forma, con ello, la Conferencia Mexicana y la Misión Mexicana del Occidente Es así que a partir de 1918 y hasta 1930 la Misión Mexicana de Texas y la Misión Mexicana del Occidente mantiene la mayoría de su membresía clerical en la Conferencia Mexicana. En 1930 se da la separación definitiva de la obra mexicana y estadounidense y ambas Misiones pasan a ser Conferencia Mexicana de Texas y Conferencia Mexicana del Occidente, respectivamente, continuando así hasta la mencionada unificación del 1939.

En 1939, con la formación de La Iglesia Metodista, se dio también la unificación de la Misión de Nuevo México, la Conferencia Mexicana de Texas y la Conferencia Mexicana del Occidente, formándose la Conferencia Mexicana del Suroeste, la cual cambia de nombre en 1947 a Conferencia del Río Grande.

El Primero de Enero del 2015, La Conferencia Río Grande de la Iglesia Unida Metodista y La Conferencia Southwest Texas de la Iglesia Metodista Unida se unificaron para formar un sola conferencia; La Conferencia Rio Texas de la Iglesia Metodista Unida.

***SOUTHWEST TEXAS CONFERENCE***

The History of the Southwest Texas Annual Conference began in 1858, when the Rio Grande Mission Conference of the Methodist Episcopal Church South was organized. This became the Rio Grande Annual Conference in 1864, and the name was changed to the West Texas Conference in 1866. In 1918, the German Mission Conference of the Methodist Episcopal Church South (all except three charges in East Bernard and Houston) merged with the West Texas Conference. The German Mission Conference had been organized in 1874, when the German Charges, which had been at one time or another in the Louisiana, Texas and Rio Grande Conference, were organized into a Conference.

In 1874, the Southern German Conference of the Methodist Episcopal Church was organized, and this became the Southern Conference (German) in 1918. The Gulf Mission, which held its first session in 1893, became the Gulf Mission Conference in 1897, and the Gulf Annual Conference in 1904. In 1912, the Southern Swedish Mission Conference was organized. In 1926, the three Conferences of the Methodist Episcopal Church, the Gulf Annual Conference, the Southern Swedish Mission Conference, and the Southern Conference (German), were united in the Southern Conference.

In 1939, the Southwest Texas Conference boundaries were established and all of the charges of the former West Texas Conference and of the Southern Conference within its boundaries were united into the Southwest Texas Conference.

On May 27, 1970, a certain portion of the West Texas Conference of the former Central Jurisdiction of the Methodist Church and the Southwest Texas Conference merged into one new conference now know as the Southwest Texas Conference of The United Methodist Church.

On January 1, 2015, The Rio Grande Conference of the United Methodist Church and The Southwest Texas Conference of the United Methodist Church unified into one conference to become The Rio Texas Conference of the United Methodist Church.

Rev. John Feagins, SAnt: La Trinidad, makes a motion to amend Report III;

Page 47: Delete text from "has established" on line 25 through "the discipline now" on line 39 so that the introduction would read: "The 2012 Book of Discipline (the "Discipline") (2549, 212) requires that when a church in an urban area is discontinued and the property abandoned and sold, that the funds derived from the sale of that property be set aside for use in support of vital urban ministry according to the urban ministry strategic plan of the Annual Conference."

Page 48: Delete the Example which is on page 48, line 49 through page 49, line 3.

Page 49: lines 7, 8, 10, and 12 would begin with the word "include"; delete the word "identifies" at the beginning of each line and replace with the word "includes". Motion was seconded and Dr. Ruben Saenz acknowledges his approval of the amendment.

Rev. Jose Palos, retired clergy, chair of Commission on Equitable Compensation and Moving Expense; speaks against the referral. The Commission wants to move on, utilizing the funds, not to exclude, but to include; to do more.

Rev. John Feagins, SAnt: La Trinidad, speaks for the referral.

Fernando Sanchez, SAnt: Principe de Paz; asks for clarification - according to page 22, line 29, funds are designated for use "along the US/Mexico borders".

**APPOINTMENTS**

FINANCE TABLE  
REPORT I  
AUTHORITY OF THE FINANCE TABLE TO RESPOND TO UNFORESEEN FINANCIAL SITUATIONS  
FOR CONFERENCE ACTION

The Finance Table has the authority to adjust the budget implementation on the basis of changing economic conditions and unforeseen circumstances as authorized in ¶613.5 -- 613.11 and ¶616 – 618 2012 Book of Discipline.

REPORT II  
SUPPORT FOR DISTRICT SUPERINTENDENTS  
AND OTHER CABINET LEVEL POSITIONS  
FOR CONFERENCE ACTION

The Finance Table is recommending that the salary and benefits for the Río Texas Conference District Superintendents and other cabinet level positions for 2017 be set equal to that adopted by the Río Texas Conference for 2016.

**Compensation**

Cash salary is set at \$99,976 per annum.

Clergy Retirement Security Plan, Comprehensive Protection Plan, Health Benefits, and utilities shall vary according to their actual cost.

**Travel**

The Conference may provide an automobile to each District Superintendent for use in his/her work. Included in this benefit is the payment by the Conference of the actual cost of gasoline, maintenance, tires, repairs and insurance.

Maintenance and proper care of the automobile is the responsibility of the person to whom it is assigned. The Conference shall insure the automobile under the Conference Policy. In case of accident the deductible shall be paid by the Conference through the appropriate Conference fund.

The automobile shall be used only for church purposes, commuting to and from the office, and other minimal personal use as defined in IRS regulation 1.274-6T. Commuting and personal use shall be reimbursed to the Conference at the rate published by the IRS for business mileage each year.

The expense for gasoline, oil and necessary repairs shall be included in the per mile charge for use of the automobile. Travel by public transportation, when approved by the Cabinet, shall be charged to the Superintendent's expense budget.

When a Conference car is used for transportation, where travel expense is paid by another agency other than the Annual Conference, the District Superintendent shall reimburse the Conference the amount received.

When a District Superintendent must travel out of Conference by air, actual cost shall be reimbursed.

Cabinet related meals and lodging may be presented for reimbursement.

All reimbursements are limited to the amount provided for Cabinet related and auto expenses in the Annual Conference budget.

**The Scope of the Work Related to Expense**

It is understood that the automobile may be used and the room and meal expenses be claimed for any occasion related to the district work. All of the above items shall be paid directly by the District Treasurer upon presentation of the statements.

The district shall also provide a parsonage, parsonage utilities (not including personal long distance), parsonage maintenance and insurance on parsonage or an appropriate housing allowance.

## REPORT III EQUITABLE COMPENSATION POLICIES

FOR CONFERENCE ACTION

### Minimum Pastoral Support Policies

The minimum compensation levels for 2017 shall be:

## REPORT IV EQUITABLE COMPENSATION POLICY FOR THE USE OF HISPANIC MINISTRY FUND

FOR CONFERENCE ACTION

### Background & Rationale

At the unification of the Rio Grande and Southwest Texas Conferences to become the new Río Texas Conference, the Rio Grande Conference brought a significant amount of funds related to the Equitable Compensation into the new conference. The Río Texas Conference will continue to receive funds from the General Church until the end of 2016 to assist in pastoral compensation support of the former Rio Grande Conference churches, known as: "FRG churches." This particular fund, known as the Equitable Compensation Hispanic Ministry Fund, is the focus of this policy.

On the recommendation of the Finance Table of the Río Texas Conference, the new Conference agreed to utilize up to \$100,000 from this Fund to assist all FRC churches in the new conference to transition with the new medical insurance. The Commission has adopted a policy that the use of this Fund will be reduced by ¼ over the next few years to assist qualified churches for this limited period of time.

The Commission has been in the process of discerning and discussing the use of the remainder of this Fund, about \$650,000. The Commission is clear that it is committed and obligated to utilize these funds for the basic purpose for which they were intended by the General Church. Since the Rio Grande Conference has ceased to exist, the Commission affirms then that these funds should be used to support pastors and laity in pastoral leadership engaged in Hispanic/Latino ministry and/or in the development of Hispanic/Latino ministry in the Rio Texas Conference.

**The following are the policies for the use of this Fund:**

### POLICIES

1. The Equitable Compensation Hispanic Ministry Fund shall be used for missional purposes in the development and basic compensation of pastors and laity in pastoral leadership engaged in Hispanic/Latino ministry within the Río Texas Conference.
2. Priority shall be given
  - a. To full-time or part-time pastors and laity in pastoral leadership engaged in Hispanic/Latino ministry in colonias along the U.S./Mexico border and/or in the development of new faith communities and new congregations with Hispanic/Latino focus, particularly where there is a significant growth in the Hispanic/Latino population and potential for reaching new people for Christ.
  - b. Pastors or laity in pastoral leadership receiving these grants shall be administratively linked for support, accountability, and financing to an existing, growing, missional congregation or group of local churches or district.
  - c. The respective district superintendent shall need to show how funding such pastors or laity in pastoral leadership is an integral part of the overall district missional strategy, advances specific missional district goals, and shall list additional funding sources to support this ministry.
3. Grants shall be approved annually and may be renewed for full-time pastors and/or laity in pastoral leadership for up to three years or those serving in part-time for up to six years. The Commission shall expect that the "sponsoring" congregations or group of churches or district or "stakeholders" shall gradually assume the financial support of the specific ministry.
4. The grant request shall include
  - a ministry action plan
  - a list of representatives from the "sponsoring congregation(s)" or "stakeholders" who are giving support, direction, accountability, and financial support
  - an annual budget and the sources of income for the ministry
  - a written recommendation and approval for the request from the district superintendent and the district mission strategy entity.
 Distribution of these grants shall follow the same policies and procedures that the Commission uses with other grants.

5. The amount per grant shall be determined on a case by case basis but will seek to be within the limits set by the Commission.
6. Subsequent requests from the same ministry shall require an on time progress report, a detailed financial report on expenditures and income, a proportionally less amount requested, the recommendation from district superintendent and the district mission strategy committee, a clear progress on securing other sources of funding, and other pertinent information that may help the Commission assess the ministry.

These guidelines shall be effective as of July 1, 2016.

**REPORT VI**  
FOR INFORMATION ONLY

The purpose of the Finance Table is “to develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Annual Conference” (§611.12012 Book of Discipline).

Receipts on all funds for 2015 by the Rio Texas Conference were \$10,088,197.46 or 92.19% of the apportioned amount. The Finance Table is proposing the budget for 2017. The overall apportioned budget for all funds totals \$10,400,187.

The Finance Table sees itself as joining with the local church in the work of the financial ministry of the Annual Conference. We commend the 2017 budget to the Conference. It represents the uniqueness and depth of ministries and missions provided by our church and economic realities of our Conference.

Operating Policies of the Finance Table:

1. Following is the list of approved funds of the Rio Texas Conference. These funds will be allocated to each mission or chartered church/charge according to the formulas that follow.
  - General and Jurisdictional
  - Conference Ministries (formerly Conference Benevolences)
  - Ministerial Support
  - Conference Administration
  - Pension and Benefits
  - District Missions

The decimal formula shall be based on the two year average of local church operating expenses divided by two years of conference-wide local church operating expenses times each apportioned fund. Operating expenses include only these line items from the Local Church Report to the Annual Conference:

- Line 48 /49 – Pastor(s) Compensation
- Line 50 – Utilities and Housing Paid to Pastor(s)
- Line 51 – Accountable Reimbursement Paid to Pastor(s)
- Line 52 – Other Cash Allowances Paid to Pastor(s)
- Line 53 – Compensation and Benefits Paid to Deacons
- Line 54 – Compensation and Benefits Paid to Diaconal Ministers
- Line 55 – Salary and Benefits to All Other Church Staff
- Line 56 – Program Expenses
- Line 57 – Current Operating Expenses other than Program

$\frac{\text{2 years of Local Church Operating Expenses}}{\text{2 Years of Conference-Wide Local Church Operating Expenses}} \times \text{Each Conference Apportioned Fund}$
--

If there are separate district apportionments determined by each district, they will be allocated according to the following formula.

$\frac{\text{2 years of Local Church Operating Expenses}}{\text{2 Years of District-Wide Local Church Operating Expenses}} \times \text{Each District Apportioned Fund}$
--

2. At the beginning of the calendar year, the Finance Table shall determine which portions of the Conference Ministries and Conference Administration are “fixed costs” (salaries, benefits, etc.) and shall thus be authorized to be paid at 100% of the approved budget. On the basis of prior-year receipts to these funds the Finance Table shall then determine a percentage of the approved budget to be authorized for expenditures in the remaining items of each budget, so that expenditures shall not exceed income.
  - a. Each church is expected to support all funds at 100% of the apportioned amount. (§247.14 2012 Book of Discipline)

- b. The churches are requested to make payments thereon aggregately, with the understanding that the Conference Treasurer will allocate such payments according to the appropriate percentage due the fund according to the Conference Budget.
3. An Unrestricted Fund Balance Account will be maintained by the Annual Conference at a minimum level of 20% of the current total of the Conference Funds. Any undesignated interest income will be transferred to the undesignated fund balance at the end of the fiscal year.
  4. All apportioned funds, pension and health benefits costs both receipts and disbursements, will be managed through the office of the Conference Treasurer. All boards, agencies, committees, and commissions shall use the Conference Treasurer as fiscal agent.
  5. The salary and benefits (including clergy housing) for district superintendents and all Conference Center personnel shall be set by the Personnel Committee within the approved total salary budget and clearly reported to the Annual Conference.
  6. All agencies receiving funds from the Conference budget shall affirm that funds will not be expended for uses not consistent with ¶613.18-19 2012 Book of Discipline.
  7. The amount of compensation designated as housing allowance for ordained staff members and district superintendents of the Conference will be set by an annual resolution of the Conference Finance Table after consideration of a statement of amounts to be used during the year.
  8. The governing boards of United Methodist related entities must apply to the Finance Table to be granted the privilege of soliciting and receiving funds from churches, individuals, and other sources (but not from conference-wide offerings except as indicated in the list which follows) in keeping with ¶262 2012 *Book of Discipline*; no capital campaigns have been approved for 2017; and the following, and only the following, conference-wide offerings are approved for 2017:
 

Human Relations Day	General Conference
One Great Hour of Sharing	General Conference
Native American Awareness	General Conference
Peace with Justice	General Conference
World Communion	General Conference
United Methodist Student Day	General Conference
Harvest Sunday (see Transforming Communities Vision Team Report	Annual Conference
  9. The Chairperson, Vice-Chairperson, and Secretary of the Conference Finance Table, the Chairperson of the Audit Committee, and the Conference Treasurer/Director of Administrative Services constitute the executive committee of the Conference Finance Table.
  10. The Finance Table is authorized to appoint a Conference auditor.
  11. A Conference Fund will not be permitted to carry over unobligated budget allocations from one conference year to another unless specifically authorized by the Finance Table. Agencies receiving funds from sources other than apportioned funds may carry over such unspent funds into the next year. Any unobligated budget allocations not authorized for carryover will be added to the undesignated Fund Balance of the Annual Conference.
  12. Each year, 5:00 p.m. the first Friday after the first Sunday of January shall be the cutoff time by which all payments from local churches must be in the office of the Conference Treasurer in order to be applied to the preceding year.
  13. Each Conference board, agency, or institution receiving or disbursing funds not managed by the Conference Treasurer shall maintain adequate financial records and prepare and submit annual audit reports to the Conference Treasurer and the Finance Table. All treasurers shall be properly bonded.
  14. The Conference fiscal year shall begin on January 1 each year, and end on December 31 each year.
  15. The Conference Finance Table is responsible for designating depositories for Conference funds.
  16. The Conference will include in each annual budget an appropriate line for each "shall" ministry as defined by *The Book of Discipline*.

## REPORT VII EQUITABLE COMPENSATION POLICIES

FOR INFORMATION ONLY

The Rio Texas Conference Equitable Compensation Policy is as adopted in the Journal of the Special Session of the Southwest Texas and Rio Grande Conferences, February 8, 2014, pages 81 through 110.

## REPORT VIII MEETING EXPENSE REIMBURSEMENT

FOR INFORMATION ONLY

All boards and agencies are urged to schedule meetings, as far as possible, on dates and places coinciding with other groups in order to affect economy in travel expenses. Travel Expense shall be paid to members going to official in-conference meetings (between Annual Conference Sessions) at the rate of 40¢ per mile. The allowance for meals shall be \$3.00 for breakfast; \$7.00 each for lunch and dinner necessitated by the meetings. Reimbursement of 100% of lodging expenses necessitated by meetings at contracted hotels through the Annual Conference will be made. Those who choose to stay elsewhere will be reimbursed at the lowest contracted rate. The Conference meeting organizer will provide contracted hotel information to participants. Original lodging receipts must accompany the Disbursement Request. These allowances are not to cover full cost at all times, simply to assist in the additional expense of attending meetings. When meetings are held at Mount Wesley the prevailing rates for meals and lodging at the Conference Center shall be paid as allowances.

When the Annual Conference provides lodging and meals at a meeting, no alternative lodging or meals will be reimbursed. This includes Mount Wesley and any other location where the Conference has made prior arrangement for meals and lodging.

Childcare expenses per meeting day not to exceed \$30.00 for the first child, not to exceed \$20.00 for each additional child, shall be allowed and included in the meeting expense of the board or agency.

Travel for duly elected delegates or representatives of the Conference to meetings of other organizations or connectional agencies shall be paid as stated above. However, actual air travel, lodging, and other expenses may be paid if funds are available from the board or agency concerned.

When it is necessary to fly to a meeting, flight must be booked at least 14 days prior to the meeting. If flights are not booked 14 days prior to the meeting, the member booking the flight must pay the difference in the cost of the flight. This does not apply in the rare instances when the meeting is an emergency meeting that is not announced prior to 14 days.

Each local church is encouraged to undergird the meal, transportation, and lodging expenses of Annual Conference members in attending Annual Conference by adding a minimum of \$100 to the church budget for each lay and clergy delegate. The district superintendents are asked to encourage such support at each Charge Conference.

## INFORME III POLÍTICAS DE COMPENSACIÓN EQUITATIVA

PARA ACCIÓN DE LA CONFERENCIA

Políticas mínimas de Apoyo Pastoral

Los niveles de compensación mínima para 2017 serán:

1. Para un miembro de tiempo completo o provisional: \$39,300.
2. Para un miembro asociado: \$36,300.
3. Para un Pastor Local aprobado o miembro de otra denominación: \$33,300.

**INFORME IV**  
**POLÍTICA DE COMPENSACIÓN EQUITATIVA PARA EL USO DEL FONDO DE MINISTERIOS**  
**HISPANOS**  
 PARA ACCIÓN DE LA CONFERENCIA

**Antecedentes y justificación**

En la unificación de las conferencias Southwest Texas y Río Grande para convertirse en la nueva Conferencia Río Texas, la Conferencia Río Grande reunió una cantidad significativa de fondos relacionados con la indemnización equitativa en la nueva Conferencia. La Conferencia Río Texas continuará a recibir fondos de la iglesia en General hasta finales de 2016 para ayudar en el apoyo de remuneración pastoral de las iglesias de la Conferencia Río Grande, conocido como: "Iglesias FRC." Este fondo especial, conocido como Fondo de Indemnización Equitativa de Ministerios Hispanos, es el enfoque de esta política.

A la recomendación de la Mesa de Finanzas de la Conferencia Río Texas, la nueva Conferencia acordó utilizar hasta \$100,000 de este fondo para ayudar a todas las iglesias de la FRC en la nueva Conferencia en la transición al nuevo seguro médico. La Comisión ha adoptado una política que el uso de este fondo se reducirá por  $\frac{1}{4}$  en los próximos años para ayudar a calificadas iglesias durante este limitado período de tiempo.

La Comisión ha estado el proceso de discernir y dialogar el uso del resto de este fondo, unos \$650,000. La Comisión claramente se compromete y se obliga a utilizar estos fondos con el propósito básico a lo que fueron destinados por la iglesia en General. Desde que la Conferencia Río Grande ha dejado de existir, la Comisión afirma entonces que estos fondos deben utilizarse para apoyar a pastores y laicos en liderazgo pastoral comprometido en el Ministerio Hispano/Latino y en el desarrollo del Ministerio Hispano/Latino en la Conferencia Río Texas.

**Las políticas para el uso de este fondo son las siguientes:**

**POLÍTICAS**

1. El Fondo de Compensación Equitativa de Ministerios Hispanos se utilizará para propósitos misionales en el desarrollo y la compensación básica de pastores y laicos en liderazgo pastoral en el Ministerio Hispano/Latino dentro de la Conferencia Río Texas.
2. Se dará prioridad
  - a. A los pastores a tiempo completo o a tiempo parcial y a los laicos en el liderazgo pastoral en el Ministerio Hispano/Latino en colonias a lo largo de la frontera de E.U. y Mexico o en el desarrollo de nuevas comunidades de fe y nuevas congregaciones con enfoque Hispano/Latino, particularmente donde hay un crecimiento significativo en la población Hispana/Latina y potencial para alcanzar a nuevas personas para Cristo.
  - b. Los Pastores o laicos en liderazgo pastoral que reciben estas subvenciones estarán administrativamente vinculados para apoyo, rendición de cuentas y financiamiento para una ya existente, creciente, misional congregación o grupo de iglesias locales o del distrito.
  - c. El Superintendente de Distrito deberá demostrar cómo el financiamiento de tales pastores o laicos en liderazgo pastoral es una parte integral de la estrategia misional global del distrito, cómo avanza metas específicas misionales del distrito y proveerá una lista adicional de fuentes de financiación para apoyar este Ministerio.
3. Becas serán aprobadas anualmente y podrán renovarse para pastores a tiempo completo o laicos en liderazgo pastoral hasta un período de tres años o para aquellos que sirven a tiempo parcial por hasta seis años. La Comisión deberá anticipar que congregaciones de "patrocinio" o grupo de iglesias o distrito o "personas interesadas" asumirán gradualmente el apoyo financiero del Ministerio específico.
4. La solicitud de subvención deberá incluir
  - a. un plan de acción del Ministerio
  - b. una lista de los representantes de la(s) "congregación(-ones) patrocinante(s)" o "personas interesadas" que están dando apoyo, dirección, responsabilidad y apoyo financiero
  - c. un presupuesto anual y las fuentes de ingresos para el Ministerio
  - d. una recomendación y aprobación por escrito de la solicitud del Superintendente del distrito y de la entidad distrital de la estrategia de misión.
5. La distribución de estas subvenciones deberá seguir las mismas políticas y procedimientos que la Comisión utiliza con otras ayudas.
6. La cantidad del subsidio se determinará caso por caso pero intentará seguir dentro de los límites establecidos por la Comisión.

7. Las solicitudes posteriores del mismo Ministerio requerirá un informe a tiempo, un informe financiero detallado sobre los gastos e ingresos, solicitud de una cantidad proporcionalmente menor, la recomendación del Superintendente de Distrito y el Comité Distrital de estrategia misional, un claro detalle de como asegurar otras fuentes de financiamiento y otra información pertinente que pueda ayudar a la Comisión a evaluar el Ministerio.

Estas normas tendrán vigencia a partir del 01 de julio de 2016.

## INFORME VI

### PARA INFORMACIÓN SOLAMENTE

El propósito de la Mesa de Finanzas es "desarrollar, mantener y administrar un plan integral y coordinado de servicios de políticas, procedimientos y gestión fiscales y administrativas para la Conferencia Anual" (§611.1 *El Libro de Disciplina 2012*).

Los recibos de todos los fondos para el año 2015 por la Conferencia Río Texas fueron de \$10,088,197.46 o 92,19% de la cantidad asignada. La Mesa de Finanzas propone el presupuesto para 2017. El presupuesto total asignado para todos los fondos asciende a \$10,400,187.

La Mesa de Finanzas se considera ser socio de la iglesia local en el trabajo del ministerio financiero de la Conferencia Anual. Alagamos el presupuesto de 2017 a la Conferencia. Representa la originalidad y la profundidad de los ministerios y misiones de nuestra iglesia y realidades económicas de nuestra Conferencia.

#### **Políticas de funcionamiento de la Mesa de Finanzas:**

1. La siguiente es la lista de fondos aprobados de la Conferencia Río Texas. Estos fondos se asignarán a cada misión o títulos de iglesia o cargos según las fórmulas que siguen.

- Generales y Jurisdiccionales
- Ministerios de la Conferencia (previamente Benevolencias de la Conferencia)
- Apoyo Ministerial
- Administración de la Conferencia
- Pensiones y Beneficios
- Misiones del Distrito

La fórmula decimal se basará en el promedio de los gastos de dos años de operaciones de la iglesia local divididos por dos años de gastos de funcionamiento de operación de la iglesia local de toda la Conferencia multiplicado por dos veces de cada fondo asignado. Gastos de funcionamiento incluyen solamente estos artículos de línea del informe de la Iglesia Local a la Conferencia Anual:

- Línea 48 49 Compensación de Pastor(es)
- Línea 50-Servicios Públicos y Casa(s) Pastoral(es)
- Línea 51 Reembolso de cuentas pagadas al(os) Pastor(es)
- Línea 52 Otros subsidios en efectivo pagados al(os) Pastor(es)
- Línea 53- Compensación y Beneficios pagados a los Diáconos
- Línea 54 Compensación y Beneficios pagados a los Ministros Diaconales
- Línea 55–Salario y Beneficios a todo el Personal de la Iglesia
- Línea 56 Gastos de Programas
- Línea 57-Gastos Corrientes de Funcionamiento aparte de Gastos de Programas

<b>2 Años de Gastos Operativos de la Iglesia Local</b>	<b>X</b>	<b>Fondos Asignados de Cada Conferencia</b>
<b>2 Años de Gastos Operativos- Iglesia Local a Nivel Conferencial</b>		

Si hay asignaciones de distrito por separado determinadas por cada distrito, tales serán asignadas de acuerdo a la siguiente fórmula:

<b>2 Años de Gastos Operativos de la Iglesia Local</b>	<b>X</b>	<b>Fondos Asignados de Cada Distrito</b>
<b>2 Años de Gastos Operativos- Iglesia Local a Nivel Conferencial</b>		

Al principio del año, la Mesa de Finanzas deberá determinar qué porciones del costo de los ministerios de la Conferencia y Administración de Conferencia son "costos fijos" (salarios, beneficios, etc.) y que así se autorice pagarlos al 100% del presupuesto aprobado. Sobre la base de ingresos del año anterior de estos fondos, la Mesa de Finanzas entonces determinará un porcentaje del presupuesto aprobado que debe ser autorizado para gastos en el resto de los artículos de cada presupuesto, para que los gastos no excedan los ingresos.

a. Cada iglesia se espera apoyar todos los fondos al 100% de la cantidad asignada. (§247.14 *Libro de Disciplina 2012*)

b. Las iglesias deberán someter los pagos respectivamente, con el entendimiento que el Tesorero de la Conferencia destinará dichos pagos según el porcentaje correspondiente al fondo según el presupuesto de la Conferencia.

Una Cuenta de Balance de Fondos sin Restricción se mantendrá por la Conferencia Anual a un nivel mínimo del 20% del total actual de los fondos de la Conferencia. Cualquier ingreso de interés no designado se transferirá al saldo del fondo no designado al final del año fiscal.

Todo los costos asignados a fondos, pensiones y beneficios de salud, ambos ingresos y desembolsos, se gestionarán a través de la oficina del Tesorero de la Conferencia. Todas las juntas, agencias, comités y comisiones utilizarán el Tesorero de la Conferencia como agente fiscal.

El salario y beneficios (incluyendo la casa pastoral) para superintendentes de distrito y todo el personal del Centro de la Conferencia serán establecidos por el Comité de Personal dentro del presupuesto de salarios total aprobado y claramente informado a la Conferencia Anual.

Todas las agencias que reciben fondos del presupuesto de la Conferencia afirmararán que los fondos no serán gastados para usos no compatibles con ¶613.18-19 del *Libro de Disciplina* 2012.

El importe de compensación señalado como subsidio de vivienda para miembros ordenados y superintendentes de distrito de la Conferencia se establecerá por medio de una resolución anual de la Mesa de Finanzas de la Conferencia después de la consideración de una declaración de las cantidades que se utilizarán durante el año.

Las juntas directivas de entidades Metodistas Unidas relacionadas deben aplicar a la Mesa de Finanzas la cual concederá el privilegio de solicitar y recibir fondos de las iglesias, individuos y otras fuentes (pero no de todas las ofrendas de la Conferencia, excepto como se indica en la lista que sigue) en conformidad con ¶262 *Libro de Disciplina* 2012; no hay campañas de capital que han sido aprobadas para el año 2017; y solamente las siguientes ofrendas de toda la Conferencia se aprueban para 2017:

Día de las Relaciones Humanas	Conferencia General
Una Gran Hora de Compartir	Conferencia General
Conciencia Nativo-Americana	Conferencia General
Paz con Justicia	Conferencia General
Comunión Mundial	Conferencia General
Día del Estudiante Metodista Unido	Conferencia General
Domingo de Cosecha (ver Informe del Equipo de Visión para Transformar Comunidades)	Conferencia Anual

El Presidente, el Vicepresidente y el Secretario de la Mesa de Finanzas de la Conferencia, el Presidente del Comité de Auditoría y el Tesorero de la Conferencia y el Director de Servicios Administrativos constituyen el Comité Ejecutivo de la Mesa de Finanzas de la Conferencia.

La Mesa de Finanzas está autorizada a nombrar a un Auditor de la Conferencia.

Un Fondo de la Conferencia no se le permite llevar adelante las asignaciones del presupuesto de un año de la Conferencia a otro año a menos que específicamente se autorice por la Mesa de Finanzas. Agencias que reciben fondos de otras fuentes que no sean fondos asignados pueden avanzar dichos fondos no gastados al año siguiente. Cualquiera asignación del presupuesto no autorizada para ser avanzada se añadirá al saldo de Fondos no Designados de la Conferencia Anual.

Cada año, a las 17:00 horas, en el primer viernes después del primer domingo de enero será el límite de tiempo en el cual todos los pagos de las iglesias locales deben estar en la oficina del Tesorero de la Conferencia para aplicarse al año anterior.

Cada junta de conferencia, agencia o institución en recepción o desembolso de fondos no manejados por el Tesorero de la Conferencia deberá mantener registros financieros adecuados y preparar y presentar informes anuales de auditoría al Tesorero de la Conferencia y la Mesa de Finanzas. Todos los Tesoreros todos deberán tener fianzas apropiadas.

El Año de la Conferencia principia el 1 de enero de cada año y termina el 31 de diciembre de cada año.

La Mesa de Finanzas de la Conferencia es responsable de designar depositarios de fondos de la Conferencia.

La Conferencia incluirá en cada presupuesto anual una línea apropiada para cada Ministerio autorizado como se define en el *Libro de Disciplina* 2012.

## INFORME VII POLÍTICAS DE COMPENSACIÓN EQUITATIVA

### PARA INFORMACIÓN SOLAMENTE

La Política de Compensación Equitativa de la Conferencia Río Texas será como fue aprobada en el Diario de la Sesión Especial de las Conferencias Southwest Texas y Río Grande, el 08 de febrero de 2014, en las páginas 81 a 110.

## INFORME VIII REEMBOLSO DE GASTOS DE REUNIÓN

PARA INFORMACIÓN SOLAMENTE

A todas las juntas y agencias se les insta a programar sus reuniones, en lo que sea posible, en fechas y lugares coincidiendo con otros grupos para afectar la economía de gastos de viaje. Los gastos de viaje se pagarán a los miembros que asisten a reuniones oficiales de la Conferencia (entre períodos de sesiones anuales de la conferencia) a base de 40 centavos por milla. La asignación para las comidas será de \$3,00 para el desayuno; \$7,00 para ambos el almuerzo y la cena por las reuniones. Se hará el reembolso del 100% de gastos de alojamiento durante reuniones en hoteles contratados a través de la Conferencia Anual. Quienes optan por quedarse en otros lugares se les reembolsarán a la tarifa contratada más baja. El organizador de la reunión de conferencia proporcionará información de hoteles contratados a los participantes. Los recibos de alojamiento deberán acompañar la solicitud de desembolso. Estos subsidios no cubrirán el costo completo en cada caso, pues son simplemente para ayudar en el gasto adicional de asistir a reuniones. Cuando las reuniones se celebran en el Monte Wesley se pagarán las tarifas vigentes para las comidas y alojamiento en el Centro de Conferencias como subsidios.

Cuando la Conferencia proporciona alojamiento y comidas en una reunión, no se le reembolsarán las comidas ni alojamiento alternativo. Esto incluye Mt. Wesley y cualquier otro lugar donde la Conferencia ha hecho previos arreglos para comidas y alojamiento.

Gastos de cuidado de niños por día de la reunión no deben exceder \$30,00 por el primer niño y \$20,00 por cada niño adicional, y estos gastos serán permitidos e incluidos en el costo de la reunión de la Junta o la Agencia.

Viajes de delegados debidamente elegidos o representantes de la Conferencia a las reuniones de otras organizaciones o agencias conexionales se pagarán como se indicó anteriormente. Sin embargo, gastos de viaje aéreo, hospedaje y otros gastos pueden pagarse si los fondos están disponibles por la junta o agencia correspondiente.

Cuando sea necesario volar a una reunión, el vuelo debe ser reservado al menos 14 días antes de la reunión. Si los vuelos no se reservan 14 días antes de la reunión, el miembro que reserva el vuelo deberá pagar la diferencia del costo del vuelo. Esto no se aplica en los casos raros cuando la reunión es una reunión de emergencia que no se anuncia antes de 14 días.

A cada iglesia local se le sugiere que respalde los gastos de la comida, el transporte, y el alojamiento de Conferencia Anual de los miembros asistiendo a la Conferencia Anual por medio de la adición de un mínimo de \$100 al presupuesto de la iglesia para delegados laicos y del clero. Los superintendentes de distrito deberán fomentar este apoyo en cada Conferencia de Cargo.

## INFORME IX COMITÉ DE AUDITORÍA

PARA INFORMACIÓN SOLAMENTE

El Comité de Auditoría de la Conferencia Río Texas es registrada e informa a la Mesa de Finanzas. El Comité de Auditoría está en proceso de la revisión de auditorías de registros financieros del año 2015. ### REPORT I 2017 PRE-82 PAST SERVICE RATE

FOR CONFERENCE ACTION

The Past Service Rate for 2017 will be \$648 per year of annuity credit.

**REPORT II  
RESOLUTIONS RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR  
DISABLED CLERGY PERSONS OF THE RÍO TEXAS CONFERENCE**

FOR CONFERENCE ACTION

The Río Texas Conference of The United Methodist Church adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons:

WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("clergy persons");

WHEREAS, the practice of the Church and this Conference was and is to provide active clergy persons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled clergy persons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled clergy persons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for clergy persons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED THAT an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the "Discipline"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the years 2016 and 2017 by each active, retired, terminated, or disabled clergy person who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergy person; and that the pension severance, or disability payments to which this rental/housing allowance applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a clergy person rendered to this Conference or that an active, retired, terminated, or disabled clergy person of this Conference rendered to any local church, annual conferences of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergy person to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled clergy person's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a clergy person's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations hereunder to the least of: (1) the amount of the rental/housing allowance designated by the clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

**REPORT III  
2017 COMPREHENSIVE FUNDING PLAN**

FOR INFORMATION ONLY

The Comprehensive Funding Plan is under review by the General Board of Pension and Health Benefits and will be available at the annual conference session and included in the 2016 Río Texas Conference Journal.

**REPORT IV  
REPORT OF THE PRESIDENT**

FOR INFORMATION ONLY

In its first year of leadership, the United Methodist Río Texas Conference Board of Pensions made significant progress in the administration of Conference benefits, with the goal of maintaining effective and sustainable plans for clergy and lay constituents. The Board is dedicated to caring for those who serve in ministry and is responsible for several benefit plans including pension, welfare, life, flexible, and health benefits. As with most benefit plans, administration can be challenging

with complexities in funding, legislation, compliance, economic conditions, and overall plan effectiveness. The Board continues to be in strategic partnership with the General Board of Pensions and Health Benefits of the United Methodist Church in the administration of conference benefit plans to ensure our clergy, lay participants, and churches have the resources and support valued by The United Methodist Church. In the upcoming year, the Board will be focusing on the most effective process to transition fully to direct billing to churches for the full cost of benefits. In March 2016, the Board received a HealthFlex performance dividend of \$1,166,540 for claims experience during 2014-2015. The Board is expected to review considerations on how to best utilize the dividend across benefits plans and maximize its impact to those we serve.

#### **Pre-82 Pension Plan**

One of the primary responsibilities of the Board of Pensions is to recommend to the annual conference the past service rate or PSR for clergy service before 1982. The Pre-82 Plan benefits were not fully funded at the time service was earned, therefore it became the responsibility of the annual conference to ensure benefits would be secured by the year 2021. The Pre-82 benefits permit eligible persons who have given their lives to The United Methodist Church a retirement that reflects the principles of the Church. During the summer of 2015, the Board met with actuaries of the General Board of Pensions and Health Benefits and reviewed several distinct long-term funding strategies for the past service rate. After careful and prayerful consideration, the Board adopted a strategy considering the St. Louis Federal Reserve Cost of Living Index: Urban South to set the past service rate each year. This strategy will also coordinate with any adjustments in Social Security benefits and base any increases on 70% of the change in the Consumer Price Index.

This is important for several reasons:

- ❖ It is a significant financial issue for the Board of Pensions and the Conference as any increase in the PSR must be funded in the year adopted.
- ❖ The liability for these benefits is not fixed but varies each year depending on the actual return on investment for the funds that have already been paid into the Pre-82 Fund. As of the recent actuarial valuation for the Río Texas Conference, the total value of these funds is \$27,003,517 on January 1, 2015. Plan liabilities totaled \$31,538,388, leaving an unfunded pension plan liability of \$4,534,871.
- ❖ The Past Service Rate for 2017 will remain at \$648 per year of annuity credit. This rate is approximately 1% of the Conference Average Compensation. Although the St. Louis Federal Reserve Cost of Living Index: Urban South reported a decrease at the end of 2015, the past service rate will not be decreased both in principle and as a provision of the Plan.

During its spring meeting, the Board gave serious consideration to developing a comprehensive funding plan to include significant payments on the Pre-82 liability before the end of the current amortization period in 2021. The Río Texas Conference currently has assets on hand to fund the liability designated for this purpose. The rationale for any funding approach with an end date within five years is to commence a responsible conservative strategy to increase the assurance designated funds will be available in 2021 and beyond.

#### **Clergy Security Retirement Plan – Defined Benefit Direct Billing**

The current pension plan for active clergy is the Clergy Security Retirement Plan or CRSP. This plan is comprised of both a defined contribution (DC) and defined benefit (DB) component. Both components are directly billed to each church for all eligible full-time clergy. The defined benefit (DB) plan funding is based on the number of full-time clergy and the CRSP benefit formula adopted by General Conference and the General Board of Pensions and Health Benefits. Further, each annual conference is responsible for remitting the annual CRSP Defined Benefit contribution to be held for plan benefits for all eligible clergy. The Board has recognized it has become necessary to change the direct billing formula to reflect the actual cost of the plan for each full-time clergy. This change will result in a more equitable direct billing approach rather than the current formula.

- The current DB formula for full-time clergy is \$2,400 + 6% of Plan Compensation.
- Effective January 1, 2017, the CRSP DB billing will change to \$5,582 (annual) for each eligible full-time clergy.
- This change is expected to result in overall net direct bill savings of \$300,284 for 2017.
- Future strategy for the CRSP DB direct billing will be based on the actuarial valuation provided by the General Board of Pensions and Health Benefits and announced annually.
- In 2017, approximately 137 churches are estimated to receive an annual decrease from the current DB billing ranging from \$16,456 to a cost neutral \$3. 48 churches are estimated to receive an annual increase in direct billing ranging from \$7 to \$697.
- At the fall meeting, the Board may consider phase-in grant for churches who request assistance in meeting the increased CRSP DB expense.

#### **Health Benefits**

The Board continues to work to provide health and wellness benefits to participants and the conference while adjusting to the realities of an environment which continues to evolve with new options and limitations. After careful consideration, the Board elected to delay the implementation of the HealthFlex Private Exchange previously set for 2017. A primary consideration for migrating to the Exchange was the onset of the “Cadillac Tax.” On December 18, 2015, Congress passed, and the President signed a two-year delay of the 40% excise (Cadillac) tax on high-cost employer-sponsored health plans. This delay was part of a year-end government funding package and changes the effective date from 2018 to 2020. This will

allow the Board to develop tools for education and orientation to the HealthFlex Exchange at a later date to implement an efficient transition.

The current HealthFlex B1000 Plan offering will continue into 2017. However, the rate structure will change to reflect the start of a phase-in approach with the goal of direct billing 100% of the cost to the church rather than using a combined funding method of apportionments and direct billing. This will result in an increase in the direct bill to churches while also decreasing apportionments. The direct bill approach allows for greater transparency on the actual cost of plan benefits and mirrors the direct billing for lay participants and the clergy pension plan. In addition, both the Board of Pensions and the Cabinet recognize the cost to cover dependents has been a serious concern for both clergy families and the itinerant system of appointments. There is no easy solution to covering 100% of dependent costs without increasing overall expenses. However, not providing dependent benefits may impact the calling of clergy with families into ministry.

RESOLUCIONES RELATIVAS A LOS SUBSIDIOS DE VIVIENDA Y VIVIENDAS DE ALQUILER  
PARA JUBILADOS O PERSONAS CON DISCAPACIDAD DEL CLERO  
DE LA CONFERENCIA RÍO TEXAS**

POR ACCIÓN DE LA CONFERENCIA

La Conferencia Río Texas de la Iglesia Metodista Unida adopta las siguientes resoluciones relativas a los subsidios de vivienda y viviendas de alquiler para cleros activos, jubilados, despedidos o con discapacidad:

Considerando que, la denominación religiosa conocida como la Iglesia Metodista Unida (la "Iglesia"), de la cual esta conferencia es una parte, en el pasado ha funcionado y sigue a función a través de Ministros del Evangelio (en el sentido del artículo 107 del código del Internal Revenue) que fueron o son debidamente ordenados, comisionados o con licencia de ministros de la Iglesia (es decir, "personas del clero");

Considerando que, la práctica de la iglesia y de esta conferencia fue y es de proveer a personas del clero activo una vivienda o un subsidio de vivienda de alquiler como parte de su remuneración total;

Considerando que, las pensiones u otros montantes que se pagaron al clero activo, jubilado, despedido, y a personas con discapacidad se consideran contribuciones diferidas y se pagan a activos, jubilados, despedidos y discapacitados miembros del clero en consideración de su servicio activo anterior; y

Considerando que, el servicio del Internal Revenue ha reconocido a la Conferencia (o sus predecesores) como la organización apropiada para designar subsidios de vivienda y viviendas de alquiler para el clero a las personas que son o fueron miembros de esta conferencia y son elegibles para recibir tal diferida indemnización;

Ahora, por lo tanto, se resuelve que una cantidad igual al 100% de los pagos de pensiones, indemnización por despido o incapacidad recibidos de planes autorizados en el libro de la Disciplina de la Iglesia Metodista Unida (la "Disciplina"), que incluye todos estos pagos de la Junta General de Pensiones y Beneficios de Salud ("GBOPHB"), durante los años 2016 y 2017 por cada activo, jubilado, despedido o desactivado clero quien es o fue miembro de la Conferencia, o sus precursores, es y por la presente se designa como subsidios de vivienda y viviendas de alquiler para cada persona del clero; y que la cesantía de la pensión o los pagos por incapacidad a la que se aplica este subsidio de vivienda o vivienda de alquiler será cualquier Pensión, indemnizaciones o pagos por incapacidad de planes, rentas vitalicias o fondos autorizados bajo la Disciplina, incluyendo los pagos de la GBOPHB y de una empresa comercial de anualidad una anualidad de beneficios acumulados en un plan GBOPHB, anualidad o fondo autorizado bajo la Disciplina, que resultan de cualquier servicio de una persona del clero en esta conferencia o que una activa, jubilada, despedida, o desactiva persona del clero de la Conferencia a cualquier iglesia local, conferencias anuales de la iglesia, agencia general de la iglesia, otra institución de la iglesia, antigua denominación que ahora forma parte de la iglesia, o cualquier otra entidad que emplea la persona del clero para llevar a cabo servicios relacionados con el Ministerio de la iglesia, o sus antecesores y al cual eligió hacer contribuciones o acumular un beneficio bajo tal plan, anualidad o fondo de pensión o de discapacidad como parte de su remuneración total de tal persona del clero activa, jubilada o discapacitada.

Nota: El subsidio de vivienda de alquiler que puede excluirse del ingreso total de una persona del clero en cualquier año para fines de impuesto del Internal Revenue es limitado en 107(2) sección de código de Internal Revenue y sus reglamentos al menos de: (1) el monto de la subvención de vivienda de alquiler designado por el empleador de la persona del clero o de otra agencia apropiada de la iglesia (como esta conferencia en las resoluciones anteriores) para dicho año; (2) el importe realmente gastado por la persona del clero al alquilar una casa en ese año; o (3) el valor justo de la casa, incluyendo mobiliario y equipamiento (por ejemplo, un garaje), más el coste de los servicios públicos en ese año.

## INFORME III PLAN DE FINANCIACIÓN GLOBAL 2017

PARA LA INFORMACIÓN SOLAMENTE

El Plan Comprensivo de Financiamiento está bajo revisión por la Junta General de Pensiones y Beneficios de Salud y estará disponible en la sesión de la Conferencia Anual y se incluye en el Diario de 2016 de la Conferencia Río Texas.

## INFORME IV INFORME DEL PRESIDENTE

PARA LA INFORMACIÓN SOLAMENTE

En su primer año de liderazgo, la Junta de Pensiones de la Conferencia Metodista Unida Río Texas ha hecho progreso significativo en la administración de los beneficios de la Conferencia, con el objetivo de mantener planes eficaces y sostenibles para miembros del clero y laicos. La Junta se dedica a cuidar a los que sirven en el Ministerio y es responsable de varios planes de beneficios, incluyendo pensiones, bienestar, vida, flexible y beneficios de salud. Como con la mayoría de los planes de beneficios, la administración de tales puede ser un desafío con complejidades en financiación, legislación, cumplimiento, condiciones económicas y la eficacia general de los planes. La Junta sigue en alianza estratégica con la Junta General de las Pensiones y Beneficios de Salud de la Iglesia Metodista en la administración de beneficios de la Conferencia para asegurar que el clero, laicos participantes e iglesias tengan los recursos y el apoyo valorados por la Iglesia Metodista Unida. En el próximo año, la Junta se centrará en el proceso más eficaz a la transición de totalmente facturar directo a las iglesias para el costo total de los beneficios. En marzo de 2016, la Junta recibió un dividendo de rendimiento HealthFlex de \$1.166.540 para la experiencia de reclamaciones durante el año 2014-2015. Se espera que la Junta haga un repaso de las consideraciones sobre cómo utilizar mejor el dividendo a través de planes de beneficios y maximizar su impacto a los que servimos.

### **Plan de Pensiones Pre-82**

Una de las principales responsabilidades de la Junta de Pensiones es recomendar a la Conferencia Anual acerca de la tasa de servicio pasado o PSR para el servicio del clero antes de 1982. Los beneficios de Pre-82 no fueron financiados totalmente al momento de servicio, por lo tanto se convirtió en la responsabilidad de la conferencia anual asegurar que los beneficios se hicieran viables en el año 2021. Los beneficios de Pre-82 permiten a las personas elegibles que han dado sus vidas a la Iglesia Metodista Unida una jubilación que refleja los principios de la iglesia. Durante el verano de 2015, la Junta se reunió con actuarios de la Junta General de Pensiones y Beneficios de Salud y para revisar varias estrategias diferentes de financiación a largo plazo de la tasa de servicio pasado. Después de cuidadosa consideración y oración, la Junta adoptó una estrategia teniendo en cuenta del Índice del Costo de Vida de la Reserva Federal de St. Louis: Urbano Sur para establecer la tasa de servicio pasado cada año. Esta estrategia también coordinará con ajustes en los bebficios del Seguro Social y basar los aumentos al 70% del cambio en el Índice de Precios al Consumidor (Consumer Price Index).

Esto es importante por varias razones:

- ☐ Es un asunto financiero importante para la Conferencia y la Junta de Pensiones ya que cualquier aumento en el RPS debe financiarse en el año aprobado.
- ☐ El costo de estos beneficios no es fijo sino que varía cada año dependiendo de la rentabilidad real de la inversión de los fondos que ya ha sido pagado en el fondo de Pre-82. A partir de la reciente evaluación actuarial para la Conferencia Río Texas, el valor total de estos fondos es de \$27,003,517 en el 01 de enero de 2015. Las deudas del plan ascendieron a \$31,538,388, dejando una deuda del Plan de Pensiones no consolidado de \$4.534.871.
- ☐ La tasa de servicio pasado para 2017 se mantendrá a nivel de \$648 por año de crédito de la anualidad. Esta tasa es aproximadamente 1% del Promedio de Remuneración de la Conferencia. Aunque el índice del costo de vida de la Reserva Federal de St. Louis: Urbano Sur informó una disminución al final del año 2015, la tasa de servicio pasado no disminuirá, ambos en principio y como una disposición del Plan.

Durante su reunión de primavera, la Junta dio consideración seria al desarrollo de un plan de financiación para incluir pagos significativos sobre la responsabilidad de Pre-82 antes de finalizar el actual período de amortización en el año 2021. La Conferencia Río Texas actualmente tiene activos para financiar la responsabilidad designada para este fin. El fundamento para cualquier enfoque de financiación con una fecha de finalización a plazo de cinco años es comenzar una estrategia conservadora y responsable para aumentar el aseguramiento que los asignados fondos estén disponibles en el 2021 y más allá.

### **Plan de la Seguridad de Jubilación del Clero – Facturación Directa de Beneficios Asignados**

El actual plan de pensiones para el clero activo es el Plan de la Seguridad de Jubilación del Clero o el CRSP. Este plan se compone de una contribución definida (DC) y el componente de beneficios definidos (DB). Ambos componentes son facturados directamente a cada iglesia para todas las personas del clero a tiempo completo elegibles. La financiación del plan de beneficios definidos (DB) se basa en el número de clero a tiempo completo y la fórmula de beneficio CRSP adoptada por la Conferencia General y la Junta General de Pensiones y Beneficios de Salud. Además, cada conferencia anual es responsable de remitir la contribución anual de beneficios definidos del CRSP al fondo del plan de beneficios del para todos los cleros elegibles. La Junta ha reconocido que se ha hecho necesario cambiar la fórmula de facturación directa para reflejar el costo real del plan de cada clero a tiempo completo. Este cambio dará como resultado un enfoque más equitativo de facturación directa en lugar de la fórmula actual.

- ☐ La actual fórmula de DB para el clero a tiempo completo es \$2.400 + 6% del Plan de Compensación.
- ☐ Efectivo el 01 de enero de 2017, la facturación de CRSP DB cambiará a \$5.582 (anual) para cada elegible clero a tiempo completo.
- ☐ Este cambio se espera que resulte en un ahorro de factura directa global neta de \$300.284 para el año 2017.
- ☐ La estrategia del futuro de la facturación directa de CRSP DB se basará en la evaluación actuarial suministrada por la Junta General de Pensiones y Beneficios de Salud e informada anualmente.
- ☐ En 2017, se espera que aproximadamente 137 iglesias recibirán una disminución anual de la corriente DB facturación de \$16.456 a un costo neutral de \$3. Cuarenta y ocho (48) iglesias se esperan recibir un incremento anual en facturación directa de \$7 a \$697.
- ☐ En la reunión del otoño, la Junta puede considerar una beca de introducción para las iglesias que soliciten asistencia para satisfacer el gasto creciente del CRSP DB.

### Beneficios de Salud

La Junta sigue trabajando para proporcionar beneficios de salud y bienestar a los participantes y la Conferencia mientras se ajustan a las realidades de un entorno que continúa evolucionando con nuevas opciones y limitaciones. Después de una cuidadosa consideración, la Junta eligió a retrasar la aplicación del Intercambio Privado del HealthFlex (Healthflex Private Exchange) precedentemente establecido para el 2017. Una consideración primordial para migrar al Intercambio fue la aparición del "Impuesto de Cadillac." En 18 de diciembre de 2015, el Congreso aprobó y el Presidente firmó un retraso de dos años del impuesto (Cadillac) de 40% sobre planes de salud de alto costo patrocinados por el empleador. Este retraso fue parte de un paquete de fondos de fin de año del gobierno y cambia la fecha de retraso del 2018 al 2020. Esto permitirá que la Junta desarrolle herramientas para la educación y orientación al Intercambio de HealthFlex en una fecha posterior para aplicar una transición eficiente.

La oferta actual del Plan de HealthFlex B1000 continuará en 2017. Sin embargo, la estructura cambia para reflejar el inicio de un acercamiento gradual con el objetivo de directa facturación de 100% del costo para la iglesia en lugar de utilizar un método de financiación combinado de distribuciones y de facturación directa. Esto resultará en un aumento en la cuenta directa a las iglesias mientras al mismo tiempo disminuyendo también las asignaciones. El enfoque de factura directa permite una mayor transparencia en el costo de beneficios del plan y refleja la facturación directa del plan de pensiones de participantes laicos y del clero. Además, la Junta de Pensiones y el Gabinete reconocen que el costo para cubrir a dependientes ha sido una preocupación para las familias del clero y el sistema itinerante de nombramientos. No hay ninguna solución fácil para cubrir el 100% de los costos dependientes sin aumentar los gastos generales. Sin embargo, al no proporcionar beneficios de dependientes puede afectar el llamado al ministerio del clero con familias.

UNITED METHODIST RIO TEXAS CONFERENCE BOARD OF TRUSTEES  
REPORT I  
PRESIDENT'S 2016 REPORT

FOR INFORMATION ONLY

Since our last report to the Annual Conference, the Trustees have been busy. Our first task was to complete the legal “winding up” requirements for the Rio Grande Conference and get all of the properties consolidated into the Rio Texas Annual Conference. We then turned our attention to the process of cataloguing and inspecting each property, which is now complete. We also developed protocols and procedures for transitioning these properties. We report that six properties have been sold, and several others are under listing agreements or under contract. A cemetery in LaVaca County was conveyed to Shiloh Cemetery and Community Center Association, Inc. We traded out the surface estate in return for clarification of our mineral interests on a two acre tract in DeWitt County, leasing the minerals and receiving additional compensation for the transfer of the surface rights. We also completed the documentation for transferring Polly’s Chapel to the Polly Texas Pioneers Association, as well as doing the more mundane work that all trustees are charged with.

Selling properties that are former churches is a somber occasion for the Trustees, as we are aware that people have come to faith in those churches, have been baptized, married, confirmed and their lives celebrated in those sacred spaces. As such, we are especially pleased when we are able to partner with the Conference and Districts to transition properties into United Methodist ministries. We are very pleased to have partnered with the Capital District in transitioning the former Grace United Methodist Church in south Austin into a space for Life In The City and associated ministries. We are also quite pleased to have partnered with the West District in transitioning the former Lake View United Methodist Church in San Angelo into a community hub for counseling services, food ministries and providing space for the Wesley Nurse. We have found that transitioning property in this way is hard work, especially for the District receiving the property. We are prayerful that such work bears fruit and are excited to see how communities are changed by that work.

The Mt. Wesley Retreat Center in Kerrville has occupied a great deal of our time this last year, and deservedly so. For too many years, deferred maintenance of the sleeping cabins, the grounds and some of the meeting spaces have resulted in negative experiences by those using them. For some, Mt. Wesley became a place to “survive”, not enjoy. That is changing. The Trustees appointed two dynamic subcommittees to assess operational issues and do some long range planning. These subcommittees have worked steadfastly inspecting the campus, doing survey work in the Annual Conference and strategically planning for the future of Mt. Wesley. There will be much attention to accessibility issues. Many of the sleeping rooms will be significantly improved. The “slab” will be vastly upgraded and improved. Importantly, these improvements will not be limited to the facilities, but will also involve how Mt. Wesley is operated. We believe that you will be very pleased when the dust settles. We owe a special thanks to the members of the two subcommittees who have worked tirelessly to assure that Mt. Wesley will be a sacred space for Spiritual formation for generations to come.

One final aspect of our work regards two action items, being Report No. II and Report No. III of the Board of Trustees. In previous conversations and actions of the Trustees, we came to understand that the Rio Texas Annual Conference had no policy or plan regarding the disposition of the net proceeds from the sale of discontinued or abandoned properties. The previous conferences had such policies, but they did not carry forward into the new conference. We are required to have such a policy under ¶2549 (3) of the 2012 Book of Discipline (the “Discipline”).

Second, we found that the Discipline, ¶2549 (7) requires that the Conference adopt an “urban ministry strategic plan” and that net proceeds from the sale of discontinued or abandoned property located in an urban center with a more than 50,000 population be used for new or existing ministries within urban transitional communities. These are communities in transition as very broadly described in ¶212 of the Discipline.

To fulfill our duties, the Trustees initially voted to:

- a.) Use a broad county wide definition of “urban center” so that funds could be more widely applied.
- b.) On all sales, whether urban or not, reimburse the Trustee’s carrying costs for the property and then put 10% of the proceeds into a Property Administration Fund, capped at \$250,000, the purpose for which is to maintain, inspect, insure and generally care for the property we are holding. The former SWTX Conference had reserved 20% of the proceeds in a similar fund.
- c.) Regarding the sale of former Rio Grande Conference properties, we required a preferential option to apply those net proceeds in Hispanic/Latino Ministries.

Once we had completed our initial discernment and reported same to the Conference's Mission Vitality Center, Rev. Dr. Ruben Saenz and his office began work in preparing an urban ministry strategic plan to use the net proceeds generated by the sale of discontinued or abandoned properties located in an urban center. Reports No. II and No. III are the results of our work. Report No. II is presented by the Trustees and Report No. III is jointly presented by the Trustees and the Mission Vitality Center for your consideration. We will appreciate your favorable consideration of Reports No. II and III.

President Board of Trustees

## REPORT II APPLICATION OF PROCEEDS FROM SALE OF DISCONTINUED AND ABANDONED PROPERTIES

### FOR CONFERENCE ACTION

The 2012 Book of Discipline (the "Discipline"), ¶2549.3 provides that the Conference Trustees may proceed to sell or lease discontinued or abandoned church properties and recommend the disposition of the proceeds in keeping with the Annual Conference policy.

The policy of the former Southwest Texas Annual Conference regarding proceeds from the sale of discontinued or abandoned property was for the Conference Trustees to retain 20% of the proceeds to pay for their work in maintaining, marketing and generally administering the properties, with 80 % being paid over to the District in which the property was located. The policy of the former Rio Grande Annual Conference was to pay over all of the proceeds to the District in which the property was located. The Conference Trustees note that some of the discontinued or abandoned properties of the former Rio Grande Conference are no longer located in the geographic territory of the Rio Texas Annual Conference. This report proposes a new policy of the Rio Texas Annual Conference for application of proceeds from the sale of discontinued or abandoned properties.

First, as regards all discontinued or abandoned property sold by the Conference Trustees, computation of the "proceeds" from the sale shall be the "net proceeds". Net Proceeds are defined as the gross proceeds of the sale, minus all costs of the sale, minus the carrying costs incurred by the Conference Trustees and minus a 10% portion of the proceeds calculated after the deduction of the sales and carrying costs, which 10% portion shall be retained by the Conference Trustees for their work in maintaining, marketing and generally administering the properties under their stewardship ("Property Administration Fund"). The term "carrying costs" shall include, but not be limited to, the cost of insuring; maintaining; securing; surveying; appraising and administering the property; the removing the United Methodist insignia, records and sacred objects from the property; inspecting the property and generally all costs which are particular to the property being sold.

Second, as regards the Property Administration Fund, same will not exceed \$250,000.00 (the "cap") and if the Property Administration Fund exceeds the cap, then no allocation will be made from proceeds of a sale that would cause the Fund to further exceed the cap.

Third, as regards discontinued or abandoned properties identified as being within an "urban center" or "urban transitional communities", per ¶2549.7 and ¶ 212 of the Discipline, being defined for this purpose annually as counties with population greater than 50,000 based on population data from The Office of the State Demographer, Texas State Data Center. ([www.osd.texas.gov](http://www.osd.texas.gov)), proceeds from sales of property in counties so defined would be held in an Urban Property Fund and distributed according to the Annual Conference Urban Ministry Strategic Plan.

Fourth, as regards discontinued or abandoned properties not identified as being within urban transitional communities, the net proceeds from the sale of these properties shall be made available for use by the District Strategy Team (or equivalent structure) in the District from which the property is located.

Fifth, as to former Rio Grande Annual Conference discontinued or abandoned properties which are not located within the geographical area of the Annual Conference, net proceeds from the sale of these properties shall be made available to the Annual Conference Board of Congregational Vitality and Development with a restriction substantially like this: "These funds have been obtained by the sale of property from the former Rio Grande Annual Conference. The Boards responsible for the use of these funds are to give highest priority to their use for Latino and Hispanic ministries."

Sixth, as regards the net proceeds from the sale of former Rio Grande Annual Conference discontinued or abandoned properties, such net proceeds shall be made available to the District Strategy Team (or equivalent structure) and the Annual Conference Board of Congregational Vitality and Development, as prescribed in these Reports, with a restriction substantially like this: "These funds have been obtained by the sale of property from the former Rio Grande Annual Conference. The Boards responsible for the use of these funds are to give highest priority to their use for Latino and Hispanic ministries."

REPORT III  
 IN CONJUNCTION WITH CONFERENCE CONNECTIONAL MINISTRIES AND VITALITY  
 CENTER  
 RIO TEXAS URBAN MINISTRY STRATEGIC PLAN  
 FOR CONFERENCE ACTION

**RTC Urban Ministry Strategic Plan**

**Introduction**

The 2012 Book of Discipline (the "Discipline") [¶2548, ¶212] has established a formal requirement that addresses what has been a concern for the Church for decades. We have witnessed churches in urban transitional communities where the members of the church have moved away from the church facility as new groups of people have moved into the community around the church facility. As the community around the church has changed, the church struggles. The responses of the local urban church to these changes are quite varied. Some churches continue to reach their former constituents even as they move out of the community around their facility. They "commute" in to church. This kind of response can often sustain a church through the life span of the original constituents of the church. But the church that is responding in this way will inevitably decline overtime because of the disconnect between the church body and the community around the church facility. Some churches choose to open their facility to the changing urban community and as the former congregation participants slowly withdraw, a new congregational character emerges. Sometimes it becomes a niche church -reaching one slice, one segment of the community population. Sometimes it becomes a diverse church, reflecting the diversity in the community. But whether the emerging congregation is a niche ministry or a diverse congregation, these congregations tend to be fragile and challenging both around leadership issues and around financial capacity to support the ongoing ministry of the church.

The Discipline now requires that when a church in an urban area is discontinued and the property abandoned and sold, that the funds derived from the sale of that property be set aside for use in support of vital urban ministry according to the urban ministry strategic plan of the Annual Conference.

**Definition**

An area is considered an urban area for the purposes of this plan if it is within the boundaries of a city or town with a population of at least 50,000. Treasury Services once each calendar year will produce a list of the counties with population of at least 50,000 and distribute that list to the Conference Trustees for approval. The list will be distributed to the Annual Conference Office of Congregational Vitality and Development and the Cabinet. If any church property is sold within the boundaries of any of the listed urban areas, proceeds shall be processed under this strategic plan for urban ministries.

The claims upon proceeds of the sale of such properties include:

- The mission field in the property area made up of the people who are in need of a relationship with Christ - to be brought to follow Jesus, become disciples and transform the world.
- The congregation that built and used the property, if that congregation still exists at the time of sale.
- The District in which the church property is located.
- The Annual Conference.

**Strategic Process for Urban Ministry**

The Annual Conference is responsible to extend the gospel of Christ to the diverse people in the Rio Texas Conference. The Conference is aware of the gap between the diversity of people in our mission area and the much less diverse representation of people in our churches. We recognize that we have church facilities in urban areas of great diversity. Those facilities are potential mission outposts to allow the gospel of Christ to be extended to the diverse people of our conference area.

The churches that serve and minister in those diverse mission fields have a responsibility to reach out to the diverse people that surround them. When a church is unable or unwilling to reach out, it does not lessen the responsibility of the larger Church to bring the gospel to the people who live in our communities. Before any sale of property is considered, (especially when a church is nearing the end of its ministry life and the property may be abandoned and sold or when a congregation is considering selling its property and moving out of a community,) the District Superintendent is to require the District Strategy Team (or equivalent structure, as decided by the District Superintendent, and the phrase "District Strategy Team as used herein shall include such equivalent structure) to conduct a study (the "Study") of the mission field in the area where the property is to be considered for sale. The mission field for this Study could be the entire urban area or a more restricted area around the discontinued or abandoned property at the discretion of the District Strategy Team. The Study should provide guidance to the District Superintendent and the Conference Office of Congregational Vitality and Development as to the feasibility of a mission, new church start or other ministry to bring the gospel of Christ to the people identified in the mission field. The Study should also specify how potential proceeds from the sale of discontinued or abandoned property should be restricted to support reaching the people in the diverse urban mission field.

We note that once a church is discontinued or abandoned, the property becomes the responsibility of the Conference Trustees under ¶2549 of the Discipline. The Conference Trustees are to sell or lease the property and recommend the disposition of the proceeds in keeping with Annual Conference policy. This Urban Ministry Strategic Plan is part of that policy. The Conference Trustees advise that these discontinued or abandoned properties decline quickly and are expensive for the

Annual Conference to maintain. As such, best stewardship practices are to promptly market the properties unless, at the time the church is discontinued or soon thereafter, there is a plan presented to the Conference Trustees by the Annual Conference or by the District Strategy Team to use the property in ministry in accordance with the Study. If no such plan is promptly presented, the Conference Trustees will market the property and distribute the net proceeds in accordance with this Strategic Plan.

Summary: The Study Includes:

- Demographic Profile of the Mission Field.
- Feasibility Study for mission, new church plants or ministries to reach the people in the mission field.
- Proposed restrictions and/or priority for use of proceeds from sale of property to reach the diverse people of the urban mission field.

Under this policy and as regards discontinued or abandoned property in an urban area, if the property is sold by the Conference Trustees, the Conference Trustees shall make available the net proceeds from sales of discontinued or abandoned urban properties to the District Strategy Team and the Annual Conference Board of Congregational Vitality and Development subject to the restrictions and priorities from the mission field study conducted by the District Strategy Team. The District Strategy Team and the Annual Conference Board of Congregational Vitality and Development are responsible for applying the appropriate restrictions to the use of these funds. Seventy-five percent (75%) of the net proceeds are to return to the District for use by the District Strategy Team for this restricted purpose and twenty-five (25%) of the net proceeds are to go to the Annual Conference Board of Congregational Vitality and Development, also for this restricted purpose. The Annual Conference portion of this distribution is not to be restricted for use in a particular district, but is restricted to use for support of urban ministry in the Conference in accordance with this strategic plan.

The District Strategy Team and the Annual Conference Board of Congregational Vitality and Development are responsible for receiving, evaluating, and approving applications for dispersing funds. The District Strategy Team and the Annual Conference Board of Congregational Vitality and Development will solicit, evaluate and communicate reports on the use of these funds to the Uniting Table, Conference Trustees and Conference membership.

**Example:** Church A has slowly died through several decades of neglect of the mission field around the church. The Anglo population that was once the constituency of the church has moved several miles away and the homes once occupied by church members are now occupied by an urban mission field that is 40% African-American, 35% Hispanic/Latino and 25% Asian. The church is finally discontinued and the District Strategy Team studies the community with the conclusion that there are no identified leaders or ministries that could use the property effectively to reach the mission field that exists in the area around Church A. The Conference Trustees sell the property and distribute the proceeds to the District (75%) and Conference Board of Congregational Vitality and Development (25%) with a restriction like this: "These funds have been obtained by the sale of property in an urban mission field that is diverse - with a population that is 40% African-American, 35% Hispanic, and 25% Asian and are therefore intended to be prioritized for valid mission or ministry alongside people who are from African-American, Hispanic/Latino, or Asian ethnicity. The Boards responsible for the use of these funds are to give highest priority to their use to reach these diverse people groups. Net proceeds from the sale of discontinued or abandoned properties from the former Rio Grande Annual Conference shall be preferentially used for Latino and Hispanic ministries. "

#### **Urban Ministry Planning and Implementation**

The Districts that contain an urban municipality will develop an urban ministry plan for their urban area. The District Strategy Team or equivalent structure chosen by the District are to work together to develop a plan that:

- ❖ Identifies the people groups in the urban area mission field (demographic Profile).
- ❖ Identifies the people groups who are participating actively in existing churches (demographic profile of the church population).
- ❖ Identifies churches that are capable of extending new missions or ministries to reach people outside the prominent people group of the church - do cross-cultural ministry.
- ❖ Identifies potential leaders of new missions, new church plants and new ministries among the diverse people in the urban mission field.
- ❖ Develops a plan to reach the people in the mission field with missions, new church plants and ministries.
- ❖ Develops long-term (7 to 10 year) funding plans for missions, church plants and ministries among the diverse people in the urban mission field.
- ❖ Sets measureable goals and timelines for reaching the diverse people in the urban mission field with the gospel of Christ.
- ❖ Assigns specific responsibilities for carrying out the plan to individuals, teams and churches.
- ❖ Evaluates the plan and its implementation.

#### **Annual Conference Urban Ministry Strategy and Conference Trustees Approvals**

This strategic plan has been submitted to the Uniting Table and been approved by the members of the Urban Ministry Strategic Plan Task Force on March 12, 2016.

This strategic plan has been approved by the United Methodist Rio Texas Conference Board of Trustees on April 22, 2016.

CONFERENCIA METODISTA UNIDA RIO TEXAS- JUNTA DE SÍNDICOS  
 INFORME I  
 INFORME DEL PRESIDENTE 2016

PARA INFORMACIÓN SOLAMENTE

Desde nuestro último informe a la Conferencia Anual, la Junta de Síndicos ha estado muy ocupada. Nuestra primera tarea fue de completar los requisitos legales de la Conferencia Río Grande y consolidar todas las propiedades en la Conferencia Anual Río Texas. Luego fijamos nuestra atención al proceso de catalogación e inspección de cada vivienda, lo cual ya está completo. También hemos desarrollado protocolos y procedimientos para realizar la transición de estas propiedades. Divulgamos que seis propiedades han sido vendidas, y varias otras están en lista de acuerdos o bajo contrato. Un cementerio en el Condado LaVaca fue transmitido a Shiloh Cemetery and Community Center Association, Inc. Cambiamos los derechos de bienes de superficie por la clarificación de nuestros intereses minerales en una extensión de dos hectáreas en el Condado DeWitt, arrendando los minerales y recibiendo compensación adicional por la transferencia de los derechos de bienes de superficie. También se completó la documentación para la transferencia de la Capilla Polly a la Polly Texas Pioneers Association, y también se hizo el trabajo más mundano a cargo de los Síndicos.

La venta de propiedades de iglesias que existieron previamente es de ocasión sombría para los síndicos, ya que estamos conscientes que personas han llegado a la fe en esas iglesias, han sido bautizadas, casadas, confirmadas y sus vidas celebradas en esos espacios sagrados. Por lo tanto, nos complace especialmente cuando podemos asociarnos con la Conferencia y los Distritos a establecer las propiedades en transición en ministerios Metodistas Unidos. Estamos muy contentos con nuestra asociación con el Distrito Capital en la transición de la previa Grace United Methodist Church en el sur de Austin a un espacio de Vida en la Ciudad y ministerios asociados. También estamos muy satisfechos de habernos asociado con el Distrito West en la transición de la antigua Iglesia Metodista Unida Lake View en San Ángelo a un centro de comunidad para consejería, ministerios de alimentos y proporcionar espacio para Wesley Nurse. Aprendimos que la transición de propiedades de esta manera es trabajo arduo, especialmente para el distrito que recibe la propiedad. Oramos que dicha obra produzca fruto y nos emocionamos al ver cómo las comunidades pueden ser modificadas por ese trabajo.

El centro de retiro Monte Wesley en Kerrville ha ocupado merecidamente mucho de nuestro tiempo este último año. Durante muchos años, se aplazó el mantenimiento de los dormitorios en las cabañas, en los terrenos y en algunos de los espacios de reunión que resultaban en experiencias negativas en su uso. Para algunos, Mt. Wesley se convirtió en un lugar en donde "sobrevivir", y no disfrutar. Eso está cambiando. Los Síndicos designaron a dos subcomités dinámicos para evaluar las cuestiones operacionales y hacer cierto planeamiento de largo alcance. Estos Subcomités han trabajado firmemente conduciendo inspecciones del campus, haciendo una encuesta por medio de un trabajo de estudio a través de la Conferencia Anual y planificando la estratégica para el futuro de Mt. Wesley. Se le dará mucha atención a los problemas de accesibilidad. Muchos de los dormitorios serán significativamente mejorados. La "losa" del piso será reparada y mejorada enormemente. Por cierto, estas mejoras no se limitarán a las instalaciones, pero también implica cómo funcionará Mt. Wesley. Creemos que todos estarán muy complacidos cuando se "asiente el polvo". Debemos un agradecimiento especial a los miembros de los dos subcomités que trabajaron incansablemente para asegurar que Mt. Wesley siga siendo un espacio sagrado para la formación espiritual de las generaciones venideras.

Un último aspecto de nuestro trabajo tiene que ver con dos elementos de acción, es decir, de los Informes Nº II y Nº III de la Junta de Síndicos. En anteriores conversaciones y acciones de los Síndicos, aprendimos que la Conferencia Anual Río Texas no tenía ninguna política o plan en cuanto a la disposición de los procedimientos de ventas de propiedades discontinuadas o abandonadas. Las conferencias anteriores tenían esas políticas, pero no se llevaron adelante en la nueva Conferencia. Estamos obligados a tener una tal política bajo ¶2549 (3) del *Libro de Disciplina 2012* (la "*Disciplina*").

En segundo lugar, hemos visto que la *Disciplina*, 2549 (7), requiere que la Conferencia adopte un "plan estratégico de ministerio urbano" y que los ingresos netos de la venta de bienes suspendidos o abandonados, localizados en un centro urbano con población de más de 50.000 se usen para ministerios nuevos o existentes dentro de las comunidades urbanas en transición. Estas son las comunidades en transición como se describe en términos muy amplios en el ¶212 de la *Disciplina*.

Para cumplir con nuestros deberes, la Junta de Síndicos inicialmente votó a favor de:

- a.) Utilizar una definición de "centro urbano" de amplio condado para que los fondos se apliquen más ampliamente.
- b.) En todas las ventas, ya sea de propiedad urbana o no, reembolsar los gastos corrientes del Síndico relacionados con la propiedad y luego poner el 10% de los ingresos en un fondo de administración de la propiedad, limitado a \$250,000. El fin será de mantener, inspeccionar, asegurar y generalmente seguir el cuidado de la propiedad que estamos administrando. La anterior Conferencia SWTX había reservado el 20% de los ingresos en un fondo similar.
- c.) Acerca de la venta de propiedades de la anterior Conferencia Río Grande, se requiere una opción preferencial para aplicar los ingresos netos a los ministerios hispanos/latinos.

Una vez que tuvimos por terminado nuestro discernimiento inicial e informado el mismo al Centro de Vitalidad de la Misión de la Conferencia, el Rdo. Dr. Rubén Sáenz y su oficina comenzaron a preparar un plan estratégico de Ministerio urbano con el propósito de usar los ingresos generados por la venta de propiedades discontinuadas y abandonadas en centros urbanos.

Informes N° II y N° III son el resultado de nuestro trabajo. El Informe N° II se presenta por los Síndicos y el Informe N° III se presenta conjuntamente por los Síndicos y el Centro de Vitalidad de la Misión para vuestra consideración. Les agradeceremos su consideración favorable de los informes nos. II y III.

El Rdo. William L. Knobles  
Presidente de la Junta de Síndicos

## INFORME II APLICACIÓN DE LOS INGRESOS DE VENTA DE PROPIEDADES DISCONTINUADAS Y ABANDONADAS

PARA ACCIÓN DE LA CONFERENCIA

El Libro de Disciplina 2012 (la "Disciplina"), ¶12549.3 proporciona que los Síndicos de la Conferencia pueden proceder a vender o arrendar propiedades de iglesias descontinuadas o abandonadas y recomendar la disposición de los ingresos de acuerdo con la política de la Conferencia Anual.

La política de la antigua Southwest Texas Annual Conference, con respecto a las ganancias de la venta de propiedades descontinuadas o abandonadas, se efectuó para que los Síndicos de la Conferencia retuvieran el 20% de los ingresos para pagar por el trabajo de mantenimiento, promoción y administración general de las propiedades, pagando el 80% al distrito en donde se encontraba la propiedad. La política de la anterior Conferencia Anual Rio Grande era pagar todos los fondos al distrito en donde se encontraba la propiedad. Los Síndicos de la Conferencia toman en cuenta que algunas de las propiedades descontinuadas y abandonadas de la anterior Conferencia Rio Grande ya no se encuentran en el territorio geográfico de la Conferencia Anual Rio Texas. Este informe propone una nueva política para la aplicación de los ingresos de la venta de propiedades descontinuadas o abandonadas.

En primer lugar, en relación con todas descontinuadas o abandonadas propiedades vendidas por los Síndicos de la Conferencia, el cómputo de las "ganancias" de la venta seguirá siendo la "ganancia neta". Ingresos netos se definen como los ingresos brutos de la venta, menos todos los costos de la venta, menos los costos incurridos por los Síndicos de la Conferencia y menos una porción del 10% de los ingresos calculados después de la deducción de las ventas y costos incurridos. La parte del 10% será retenida por los Síndicos de la Conferencia por su labor en el mantenimiento, promoción y administración general de las propiedades bajo su administración "(Fondo de Administración de la Propiedad). El término "costos incurridos" incluye, pero no se limita al costo de asegurar; mantener; proteger; proveer servicios de topografía; evaluación y administración de la propiedad; quitar la insignia de la Iglesia Metodista Unida, registros y objetos sagrados de la propiedad; inspección de la propiedad y generalmente todos los gastos que son particulares de la propiedad que se vende.

En segundo lugar, en relación con el fondo de administración de propiedades, el mismo no excederá \$250,000.00 (el "máximo") y si el fondo de administración de propiedades excede el máximo, entonces no se hará ninguna asignación de ingresos de una venta que haría que el fondo excediera el máximo.

Tercero, en cuanto a descontinuadas o abandonadas propiedades ubicadas dentro de un "centro urbano" o "comunidades en transición urbanas", por ¶12549.7 y ¶ 212 de la *Disciplina*, (definido para este propósito anualmente como condados con población superior a 50.000 y basado en datos de población de la Oficina del Demógrafo del Estado, Centro de Datos del Estado de Texas. [www.osd.texas.gov](http://www.osd.texas.gov)), ingresos de ventas en los condados de característica así definidas se pondrán en el bolso de un Fondo de Propiedades Urbanas y distribuido de acuerdo con el Plan de Ministerio Estratégico Urbano de la Conferencia Anual.

En cuarto lugar, en cuanto a propiedades descontinuadas o abandonadas y no identificadas como parte de comunidades urbanas en transición, el ingreso neto de la venta de estas propiedades deberá hacerse disponible para el uso del Equipo de Estrategia del Distrito (o estructura equivalente) en el distrito donde se encuentra la propiedad.

Quinto, en cuanto a propiedades descontinuadas o abandonadas dentro de la anterior Conferencia Anual Rio Grande que no se encuentran dentro de la zona geográfica de la Conferencia Anual, los ingresos netos de la venta de estas propiedades deberán ser puestos a disposición de la Junta de Vitalidad Congregacional y Desarrollo de la Conferencia Anual substancialmente con una restricción como ésta: "Estos fondos han sido obtenidos de la venta de propiedades de la anterior Conferencia Anual Río Grande. Las Juntas responsables por el uso de estos fondos darán prioridad a su utilización para ministerios hispanos y latinos."

En sexto lugar, en cuanto a los ingresos netos de la venta de propiedades descontinuadas o abandonadas en la anterior Conferencia Anual Rio Grande, dichos ingresos netos deberán ser puestos a disposición del Equipo de Estrategia del Distrito (o estructura equivalente) y propiedades descontinuadas o abandonadas en la anterior Conferencia Anual Rio Grande, como prescrito en estos informes, con una restricción substancialmente como esta: "Estos fondos han sido obtenidos por la venta de propiedades de la anterior Conferencia Anual Río Grande. Las Juntas responsables por el uso de estos fondos darán prioridad a su utilización para ministerios hispanos y latinos."

**Plan Estratégico de Ministerio Urbano de la CRT**

**Introducción**

*El Libro de Disciplina 2012* (la "*Disciplina*") [¶2548 ¶1212] ha establecido un requisito formal que se relata a lo que ha sido una preocupación de la Iglesia por décadas. Hemos sido testigos de algunas iglesias en las comunidades urbanas en transición donde los miembros de la iglesia se han alejado de las ubicaciones de la iglesia y nuevos grupos de personas se han trasladado a la comunidad alrededor de la iglesia. Al cambiar la comunidad alrededor de la iglesia, la iglesia lucha. Las respuestas de la iglesia local urbana a estos cambios son muy variadas. Algunas iglesias siguen abarcando a sus antiguos miembros aún después que se mueven fuera de la comunidad alrededor de sus ubicaciones. Estos miembros "viajan" a la iglesia. A menudo, este tipo de alcance puede sostener a una iglesia a través de la vida útil de los miembros originales de la iglesia. Pero la iglesia que responde de esta manera inevitablemente disminuirá al paso del tiempo debido a la desconexión entre el cuerpo de la iglesia y la comunidad alrededor de la iglesia. Algunas iglesias deciden abrir sus puertas a la comunidad urbana cambiante y mientras los participantes de la anterior congregación se retiran poco a poco, emerge un nuevo carácter congregacional. A veces se convierte en solo ministrar a una porción de la iglesia - alcanzando solamente una parte de la población de la comunidad. A veces se convierte en una iglesia diversa que refleja la diversidad de la comunidad. Si la congregación emergente resulta ser un Ministerio de segmento o de una diversa congregación, estas congregaciones tienden a ser frágiles y difíciles en cuestiones de liderazgo y en capacidad financiera para apoyar el actual ministerio de la iglesia.

La *Disciplina* ahora requiere que cuando se cierra una iglesia en una zona urbana y la propiedad se abandona y se vende, los fondos derivados de la venta de esa propiedad se deben apartar para uso en el apoyo de ministerio urbano vital según el Plan Estratégico de Ministerio Urbano de la Conferencia Anual.

**Definición**

Para los propósitos de este plan, una área se considera área urbana si está dentro de los límites de una ciudad o pueblo con una población de al menos 50.000. Los Servicios de Tesorería una vez por año producen una lista de los condados con población de al menos 50.000 y distribuye la lista a los Síndicos de la Conferencia para su aprobación. La lista se distribuirá a la Oficina de Vitalidad y Desarrollo Congregacional y al Gabinete de la Conferencia Anual. Si cualquier propiedad de la iglesia se vende dentro de los límites de cualquiera de las áreas urbanas mencionadas, las ganancias se distribuirán por medio de este Plan Estratégico de Ministerios Urbanos.

Los reclamos de las ganancias de la venta de dichas propiedades incluyen:

- El campo de misión de personas que necesitan una relación con Cristo en el área de la propiedad que deben ser traídas a seguir a Jesús y convertidas en discípulos para transformar al mundo.
- La congregación que construyó y utilizó la propiedad, si todavía existe en el momento de la venta.
- El Distrito donde se encuentra la propiedad de la iglesia.
- La Conferencia Anual.

**Proceso Estratégico para el Ministerio Urbano**

La Conferencia Anual es responsable de extender el evangelio de Cristo a las personas diversas en la Conferencia Río Texas. La Conferencia es consciente de la brecha entre la diversidad de personas en la zona de la misión y la menos diversa representación de personas en nuestras iglesias. Reconocemos que tenemos iglesias en las zonas urbanas de gran diversidad. Las iglesias son potenciales puestos de misión de nuestras conferencias en donde el evangelio de Cristo se pueda extender a la gente diversa del área.

Las iglesias que sirven y ministran en esas esferas diversas de misión tienen la responsabilidad de alcanzar hacia fuera a las diversas personas que las rodean. Cuando una iglesia es incapaz o no está dispuesta a alcanzar, eso no minora la responsabilidad de la Iglesia más grande de llevar el evangelio a las personas que viven en nuestras comunidades. Antes que cualquier venta de propiedades se considere (sobre todo cuando una iglesia se está acercando al fin de su vida de Ministerio y la propiedad puede ser abandonada y vendida, o cuando una congregación está considerando vender su propiedad y salirse de esa comunidad), el Superintendente de Distrito debe exigir que el Equipo de Estrategia del Distrito (o estructura equivalente, como decidido por el Superintendente de Distrito, y la frase "Equipo de Estrategia del Distrito" en este documento debe incluir una estructura equivalente) para llevar a cabo un estudio ("el Estudio") en el área de misiones donde la propiedad se está considerando ponerse en venta. El campo de misión para el presente estudio podría ser toda el área urbana o una zona más restringida alrededor de la propiedad discontinuada y abandonada a la discreción del Equipo de Estrategia del distrito. El estudio debe orientar al Superintendente de Distrito y a la oficina de Vitalidad y Desarrollo Congregacional en cuanto a la viabilidad de una misión, un nuevo comienzo de iglesia u otro ministerio para llevar el evangelio de Cristo a las personas identificadas en el campo de misión. El estudio debe también especificar cómo los potenciales procedentes de la venta de la propiedad discontinuada o abandonada deben limitarse a ayudar a alcanzar a la gente en el campo de misión urbano diverso.

Notamos que una vez que una iglesia se cierra o se abandona, la propiedad se convierte en la responsabilidad de los Síndicos de la Conferencia bajo ¶2549 de la *Disciplina*. Los Síndicos de la Conferencia venderán o arrendarán la propiedad y recomendarán la disposición de los ingresos de acuerdo con la política de la Conferencia Anual. Este Plan Estratégico de Ministerio Urbano es parte de esa política. Los Síndicos de la Conferencia deben aconsejar que estas propiedades discontinuadas y abandonadas declinan rápidamente y son costosas de mantener por la Conferencia Anual. Como tal, las mejores prácticas de administración son el poner de venta rápidamente las propiedades a menos que, en el momento que la iglesia cesa de ser o pronto después de eso, haya un plan presentado a los Síndicos de la Conferencia por la Conferencia o por el Equipo de Estrategia del Distrito para utilizar la propiedad en el Ministerio de acuerdo con el estudio. Si ningún tal plan se presenta puntualmente, los Síndicos de la Conferencia pondrán la propiedad en venta y distribuirán la ganancia neta de la venta de acuerdo con este Plan Estratégico.

Resumen: El estudio incluye:

- El perfil demográfico del campo de misión.
- Un estudio de factibilidad para la misión, nuevas plantas de iglesia o ministerios para alcanzar a las personas en el campo de misión.
- Propuestas restricciones o prioridades para el uso de ingresos de la venta de la propiedad para alcanzar a la diversa población del campo de misión urbano.

Bajo esta política, y como se aplica a propiedades discontinuadas y abandonadas en una zona urbana, si la propiedad se vende por los Síndicos de la Conferencia, los Síndicos de la Conferencia pondrán a disposición del Equipo de Estrategia del Distrito y la Junta de Vitalidad y Desarrollo Congregacional la ganancia neta de la venta de propiedades urbanas discontinuadas o abandonadas, sujeto a las restricciones y prioridades en el estudio de campo de la misión llevada a cabo por el Equipo de Estrategia del Distrito. El Equipo de Estrategia del Distrito y la Junta de Vitalidad y Desarrollo Congregacional son responsables de aplicar las restricciones adecuadas para el uso de estos fondos. Setenta y cinco por ciento (75%) de los ingresos netos se devolverán al Distrito para uso por el Equipo de Estrategia del Distrito para este restringido propósito, y veinticinco (25%) de los ingresos netos irán a la Junta de Vitalidad y Desarrollo Congregacional de la Conferencia Anual, también para este propósito limitado. La porción de la Conferencia Anual de esta distribución no debe ser restringida para el uso en un distrito particular, pero se limita a utilizarse para el apoyo de ministerio urbano en la Conferencia de acuerdo a este plan estratégico.

El Equipo de Estrategia del Distrito y la Junta de Vitalidad y Desarrollo Congregacional son responsables de recibir, evaluar y aprobar solicitudes de dispersión de los fondos. El Equipo de Estrategia del Distrito y la Junta de Vitalidad y Desarrollo Congregacional de la Conferencia Anual solicitará, evaluará y comunicará informes sobre el uso de estos fondos a los miembros de la Mesa Unida, los Síndicos de la Conferencia y a la membresía de la Conferencia.

**Ejemplo:** La Iglesia A ha decaído lentamente a través de varias décadas de abandono de la misión alrededor de la iglesia. La población Anglo que una vez fue la membresía de la iglesia se ha mudado a varias millas lejos y las casas una vez ocupadas por miembros de la iglesia están ahora ocupadas por un campo de misión urbano compuesta de 40% afroamericanos, 35% hispanos y 25% asiáticos. La iglesia finalmente se cierra y el equipo de Estrategia Distrital estudia la comunidad y concluye que no existen líderes identificados o ministerios que podrían utilizar la propiedad con eficacia para llegar a las misiones que existen en los alrededores de la iglesia A. La Conferencia vende la propiedad y distribuye los ingresos al distrito (75%) y a la Junta de Vitalidad y Desarrollo Congregacional de la Conferencia (25%) con una restricción como sigue: "Estos fondos han sido obtenidos de la venta de la propiedad en una misión de campo urbano diverso - con una población compuesta de 40% afroamericanos, 35% hispanos y 25% asiáticos y que por lo tanto se pretende priorizarse para una misión válida o un ministerio unido de personas que son afroamericanas, latinas, o de origen étnico asiático. Las Juntas responsables del uso de estos fondos deberán dar prioridad en su uso para alcanzar a estas personas de los diversos grupos. Los procedimientos netos de la venta de las propiedades discontinuadas y abandonadas de la anterior Conferencia Anual Rio Grande se utilizarán de preferencia para ministerios hispanos y latinos."

#### **Planificación e Implementación de Ministerios Urbanos**

Los Distritos que contienen un municipio urbano desarrollarán un Plan de Ministerio Urbano en su zona urbana. El Equipo de Estrategia del Distrito o una estructura equivalente, elegidos por el Distrito trabajarán juntos para desarrollar un plan que:

- ☐ Identifica a los grupos de personas en el campo de la misión de la área urbana (perfil demográfico).
- ☐ Identifica a los grupos de personas que participan activamente en las iglesias existentes (un perfil demográfico de la población en las iglesias).
- ☐ Identifica las iglesias que son capaces de extender nuevas misiones o ministerios para alcanzar a personas fuera del grupo de personas prominentes de la iglesia – es decir, conducir un ministerio transcultural.
- ☐ Identifica líderes potenciales de nuevas misiones, nuevas plantas de iglesia y nuevos ministerios entre la gente diversa en el campo de misión urbano.
- ☐ Desarrolla un plan para alcanzar a la gente en el campo de misiones con misiones, nuevas plantas de iglesia y ministerios.

- ☐ Desarrolla planes de financiación a largo plazo (7 a 10 años) para las misiones, comienzos de iglesias y ministerios entre la gente diversa en el campo de misión urbano.
- ☐ Establece metas mensurables y plazos para alcanzar con el evangelio de Cristo a la gente diversa en el campo de misión urbano.
- ☐ Asigna responsabilidades específicas para llevar a cabo el plan a individuos, equipos y las iglesias.
- ☐ Evalúa el plan y su implementación.

#### **Estrategia de Ministerio Urbano de la Conferencia Anual y Aprobaciones de los Síndicos de la Conferencia**

Este Plan Estratégico fue presentado a la Mesa Unida y ha sido aprobado por los miembros del Grupo de Trabajo del Plan Estratégico de Ministerios Urbanos el 12 de marzo de 2016.

Este Plan Estratégico fue aprobado por la Junta de Síndicos de la Conferencia Metodista Unida Rio Texas el 22 de abril de 2016.

**2016 ANNUAL REPORT OF  
 SOUTHWESTERN UNIVERSITY,  
 TEXAS' FIRST INSTITUTION OF HIGHER LEARNING  
 FEBRUARY 2016**

FOR INFORMATION ONLY

As I complete my third academic year as President of Southwestern University, I am honored to turn one page of Southwestern's storied history and gaze upon the horizon of possibilities that is our next 175 years. Throughout this milestone year, we reflect on the expansive creativity, passionate pursuit of knowledge, and steadfast resilience of this University as a whole and as a composite of the many individuals who have contributed to Southwestern's success.

In August, Southwestern welcomed 423 entering students bringing the total enrollment to 1,538. Highlights of this class include 15% from outside the state of Texas and 42% identifying as non-Anglo. I was pleased to have had the opportunity to visit personally with prospective students and their families at the 21 events hosted on campus this year.

On February 5, 2015, Southwestern University celebrated the 175th anniversary of its original 1840 charter in a big way! The day began by marking the 65th anniversary of the Lois Perkins Chapel with an organ concert and Chapel service followed by students, faculty, staff, alumni, trustees, and community members gathering on the Academic Mall to form a giant "175", captured in an aerial photograph. Finally, the crowd of nearly 1,100 enjoyed a huge birthday cake, live music by the SU Jazz Band, Congressional proclamations, the presentation by students of an empty time capsule that was filled and buried on February 5, 2016, and the announcement of Southwestern's largest-ever single gift of \$5.1 million from Margaret S. Odiorne, the widow of Truman J. Odiorne '66.

Last year marked the completion of our Phase I renovation of the Fondren-Jones Science Building, which will pave the way for a remarkable future for our students. Southwestern's annual Research and Creative Works Symposium, "From Every Voice," continues to yield a high level of participation and offers an undergraduate presentation experience that is second to none; and Paideia Connections invites our campus and local community to think, create, and connect ideas across disciplines in an exercise of reason and problem solving.

Southwestern also inaugurated the "President's Thinking Symposium on Living, Learning, and Leading." As part of my experimental course, "Effective Thinking and Creative Puzzle-Solving," my class hosted noted guests from around the country who described the "puzzles" of their professional careers, the practices of mind they use to resolve them, and led thought-provoking conversations on the meaningful and life-changing experiences that have shaped their lives.

As I reflect on this past year, I am honored to bear witness to the power of Southwestern: a catalyst of creative thinking and experience that occurs when engaged minds come together.

**2015 Accolades**

- Three Fulbright Scholarship recipients were among our Southwestern family. Two students and one faculty member will have the opportunity to pursue their respective research interests around the globe.
- *USA Today*, *US News*, *Washington Monthly*, and *World Report* ranked Southwestern as the top national liberal arts college in Texas.
- *Princeton Review* ranks Southwestern in its Top 200 "Colleges That Pay You Back." Southwestern's Career Services rank 12<sup>th</sup> in the U.S. and best in Texas in *The Princeton Review's* latest book, *The Best 380 Colleges: 2016 Edition*. This is the fourth time since *The Princeton Review* began ranking career centers in 2008 that SU Career Services has been ranked in the top 20 nationally.
- Kiplinger's *Personal Finance* names Southwestern a "Best College Value."
- Southwestern is one of 44 colleges and universities in the country to be named a "Best Buy" school in the 2015 edition of the *Fiske Guide to Colleges*.
- EPA names Southwestern the 2014-2015 College & University Green Power Conference Champion for the fifth year in a row.

**Academics**

- Southwestern University's Paideia provides students with an educational experience that is interdisciplinary, integrative, and intentional. Eleven clusters are currently established to engage 900 first-year and sophomores students and 87 faculty members. Four Paideia Seminars are in process or have recently concluded, and three more are scheduled for the spring 2016. Eighteen faculty have developed courses that include community-

engaged learning, 28 students have received support for intercultural learning in study abroad programs, and 12 students are participating in a living-learning community in our Global Engagement Hall. Faculty development sessions continue to be central to Paideia through campus-wide workshops, cluster retreats, and the Dean's Teacher/Scholar sessions.

- New students had the opportunity to participate in the First Symposium this past fall, which showcases work resulting from the First-Year and Advanced-Entry Seminar experience.
- For the 15th consecutive year, the **King Creativity Fund** supported innovative and visionary student projects across the disciplinary spectrum.
- This fall, eight Southwestern students will serve as Community-Engaged Learning Teaching Assistants (CELTA) for the SU Garden and Paideia clusters.

#### Faculty Achievements

Numerous Southwestern Faculty members were honored this year:

- Four faculty members published books in 2015.
- Four faculty members received Sam Taylor Fellowship awards from the Division of Higher Education of the Board of Higher Education and Ministry of the United Methodist Church for 2015 to support their scholarly work.
- Assistant Professor of Music and Artist in Residence Hai Zheng-Olefsky has been invited to perform her fifth Asia concert tour. She will bring her long time pianist Kiyoshi Tamagawa, Associate Dean of the Sarofim School of Fine Arts and Professor of Music, to celebrate their 20th season performing together.
- **Therese Shelton**, Associate Professor of Math, was presented with The Ron Barnes Distinguished Service to Students Award by the Texas section of the Mathematical Association of America (MAA) at their April 2015 Meeting. The award represents both a teacher's commitment to students and the respect from the teacher's peers. For more than 20 years, Shelton has been preparing students to give math presentations at external conference and professional meetings, including seven recent national presentations, one of which won a national award.
- Professor of Religion Elaine Craddock received a Fulbright grant to fund her research on transgender communities and Hindu temples in Tamil Nadu, India, during her spring 2016 sabbatical.
- Ben Pierce, Professor of Biology and holder of the Lillian Nelson Pratt Chair, was recently awarded a \$27,691 grant from the Williamson County Conservation Foundation to carry out research on the ecology of the Georgetown salamander. In the past five years, Pierce has received a total of \$131,557 for his research on the Georgetown salamander.
- Associate Professor of German Erika Berroth received a nationally competitive grant to participate in a faculty development summer seminar sponsored by the American Association of Teachers of German.
- Assistant Professor of History Jethro Hernandez Berrones was awarded the Hans-Walz prize by The Hans Walz Foundation at the Robert Bosch Stiftung for his doctoral dissertation titled "Revolutionary Medicine: Homeopathy and the Regulation of the Medical Profession in Mexico, 1853-1942". The institute awards the best monograph on the history of homeopathy every other year.

#### Student Achievements

Southwestern students also earned a variety of honors and awards in 2015. For example:

- Thirty-eight students were inducted into our chapters of the Phi Beta Kappa and Alpha Chi honor societies.
- Graduating seniors Shelby Beem and Lauren Gieseke were awarded Fulbright scholarships and selected to teach English in Germany and Bulgaria, respectively.
- Two first-year students, Deidre McCall and Matt Pagano, received Kemper scholarships in a year that saw the Kemper Corporation of Chicago cut the number of universities participating in its selective three-year program from 16 to 12; Southwestern not only remained in the program, but also received an extra scholarship.
- Students Grace Atkins, Riley Daniels, Hunter Jurgens, Savannah Medley, and Sosha Orbin all received two-year Hutton W. Sumners scholarships from the Dallas foundation.
- Ryan Galloway, a senior education major, won a Texas Association of School Personnel Administrators (TASPA) scholarship. It is the 16<sup>th</sup> year in a row that a Southwestern student has received the award—no other university in Texas has accomplished this achievement.
- Senior **Amber Wallour** received an Award of Excellence at the 35th annual Central Texas Art Competition and Exhibition for her oil on canvas "Lemming Season."
- Music majors Rachel Childers, Michael Martinez, and Caleb Martin have been accepted to the College Band Directors National Association Small College Intercollegiate Band.
- Joanna Hawkins, December 2014 graduate, received the 2015 Odum Award for Undergraduate Research for her capstone paper titled, "A Risky Act of Social Justice: Health Care Workers Responding to Outbreaks of Ebola in Africa." This is the top award for an undergraduate paper at the annual meetings of the Southern Sociological Society, and the seventh time in 10 years that a student from Southwestern has won.

- Isabella (Belle) Jo is the fifth Southwestern student since 2008 to receive the Critical Languages Scholarship (CLS) for China. CLS is a full scholarship to study languages that the State Department deems critical to the U.S. diplomacy.

- Hewlett Packard, along with the National Center for Women & Information Technology (NCWIT), selected Natalia Rodriguez '15 as one of three inaugural winners of the NCWIT Collegiate Award. The award recognizes three undergraduate women for completing outstanding technical projects at the junior level or above. The senior computer science major was also recently selected to be the new student board member on the Board of Trustees for the Anita Borg Institute, a global organization dedicated to women in technology.
- Senior Marianne Brown will begin her seminary studies at Brite Divinity School in Fort Worth immediately after graduation. She is a member of the Central Texas Conference.

## INFORME ANUAL 2016 DE LA UNIVERSIDAD SOUTHWESTERN: PRIMERA INSTITUCIÓN DE ENSEÑANZA SUPERIOR EN TEXAS FEBRERO 2016

PARA INFORMACIÓN SOLAMENTE

Al completar mi tercer año como Presidente de la Universidad Southwestern, me siento honrado de dar vuelta a una página de la historia de Southwestern y contemplar un horizonte de posibilidades en nuestros próximos 175 años. A lo largo de este año de hito, reflexionamos en la creatividad expansiva, la búsqueda apasionada del conocimiento y la firme adaptabilidad de esta Universidad en su entidad y como un compuesto de los muchos individuos que han contribuido al éxito del Southwestern.

En agosto, Southwestern dio la bienvenida a 423 estudiantes ingresantes aportando una matriculación total de 1.538. De destaque esta clase incluye el 15% de estudiantes de fuera del estado de Texas y el 42% de culturas no Anglo. Celebro que he tenido la oportunidad de visitar personalmente con los estudiantes y sus familias en los 21 eventos celebrados en nuestro campus este año.

En el 05 de febrero de 2015, ¡La Universidad Southwestern celebró el 175 ° aniversario de su certificado original de 1840 en gran estilo! El día se comenzó marcando el 65 ° aniversario de la capilla Lois Perkins con un concierto de órgano y servicio de adoración, seguido por miembros de estudiantes, de la Facultad, del personal, de previos alumnos, y de administradores y residentes de la comunidad reuniéndose en el centro académico para formar un gigante "175", capturado en una fotografía aérea. Finalmente, la multitud de casi 1.100 disfrutaron de un enorme pastel, música en vivo de la banda de Jazz SU, proclamaciones del Congreso, la presentación de los estudiantes de una cápsula del tiempo vacía que fue llenada y enterrada el 05 de febrero de 2016, y el anuncio del regalo más grande de la historia de Southwestern de \$ 5,1 millones de Margaret S. Odiorne, la viuda de **Truman J. Odiorne**, miembro de la clase de 1966.

El año pasado marcó la finalización de la fase I de la renovación del Edificio de Ciencia Fondren-Jones, que allanará el camino para un futuro notable para nuestros estudiantes. El Simposio Anual de Investigación y Creativas Obras, "De Cada Voz," de Southwestern sigue produciendo un alto nivel de participación y ofrece una presentación de experiencia de pre-graduación que es insuperable; y la "Conexiones *Paideia*" invita a miembros de nuestro campus y la comunidad local a pensar, crear y conectar ideas a través de las disciplinas en un ejercicio de razonamiento y solución de problemas.

Southwestern también inauguró el "Simposio del Presidente del Pensamiento sobre Vivir, Aprender y Dirigir." Como parte de mi curso experimental, "Eficaz Resolución de Rompecabezas por Medio de Pensamiento Creativo," mi clase organizó una lista notable de huéspedes de todo el país que describieron el "rompecabezas" de sus carreras profesionales, las prácticas de la mente que utilizan para resolverlas, y condujeron conversaciones de reflexión sobre las significativas y experiencias cambiantes de la vida que han dado forma a sus vidas.

Al reflexionar en este año pasado, me siento honrado al dar testimonio del poder de Southwestern: un catalizador del pensamiento creativo y experiencia que ocurren cuando mentes comprometidas se unen.

## TEXAS UNITED METHODIST COLLEGE ASSOCIATION

ANNUAL REPORT TO THE RIO TEXAS CONFERENCE  
FOR INFORMATION ONLY

The mission of the Texas United Methodist College Association remains strong. Our total distribution to the TUMCA schools for their scholarship use reflects an increase over last year. It is important to note that TUMCA funds granted to SMU, Southwestern, Texas Wesleyan, and McMurry are restricted to scholarships for deserving students from United Methodist congregations in Texas. No funds can be used for bricks and mortar. Many TUMCA scholars are first generation college students.

Thanks be to God and The United Methodist Church for TUMCA'S privilege to serve at this remarkable intersection of faith and learning. John Wesley is surely smiling because of the way in which TUMCA has "united the pair so 'oft disjointed, knowledge and vital piety."

TUMCA students are profoundly grateful for these critical scholarship funds. Among the many letters from appreciative TUMCA scholars is this quote, "I am the first of my brothers and sisters to go to college. My desire to go to a United Methodist school would not have been realized without my TUMCA scholarship. I love my school! The professors are terrific and chapel is really cool."

While the TUMCA apportionment is modest for any congregation, the impact of these funds is enormous, beyond the financial assistance; the recipients of the TUMCA scholarships receive hope, affirmation, encouragement, and the development of leadership and servant ministry skills that will serve the church as future clergy, laity leaders, teachers, and responsible business and community leaders.

TUMCA is an extension of a congregation's mission beyond its walls, affirming to our youth that their congregation will partner with them in the next chapter of their educational journey.

## TEXAS UNITED METHODIST COLLEGE ASSOCIATION

### INFORME ANUAL A LA CONFERENCIA RÍO TEXAS

#### SOLAMENTE POR INFORMACION

La misión de la Texas United Methodist College Association (TUMCA) se sostiene fuerte. Nuestra distribución total a las escuelas del TUMCA para su uso de beca refleja un incremento respecto al año pasado. Es importante tener en cuenta que los fondos de TUMCA concedidos a SMU, Southwestern, Texas Wesleyan y McMurry se limitan a becas para estudiantes meritorios de las congregaciones Metodistas Unidas en Texas. No pueden utilizarse fondos para construcción de facilidades. Muchos escolares de TUMCA son estudiantes universitarios de primera generación.

Gracias sean dadas a Dios y la Iglesia Metodista Unida por el privilegio de TUMCA de servir en esta notable intersección de fe y aprendizaje. Seguramente John Wesley se está sonriendo debido a la forma en que TUMCA ha "Unido tantas veces al tan separado par: el conocimiento y la piedad vital."

Los estudiantes TUMCA están profundamente agradecidos por estos críticamente necesitados fondos de beca. Entre las muchas cartas apreciativas de los escolares de TUMCA se encuentra esta cita, "Soy el primero de mis hermanos y hermanas que atiende a la Universidad. Mi deseo de ir a una Escuela Metodista Unida no se habría realizado sin mi beca de TUMCA. ¡Amo mi escuela! Los profesores son excelentes y la capilla es genial."

Aunque la asignación de TUMCA sea modesta para alguna congregación, el impacto de estos fondos es enorme, y más allá de la ayuda financiera; los destinatarios de las becas TUMCA reciben también esperanza, afirmación, estímulo en el desarrollo de sus habilidades de liderazgo y de ministerio servicial que servirán a la iglesia con futuros cleros, líderes laicos, profesores, y líderes de empresa y comunidad responsables.

TUMCA es una extensión de misión de la congregación más allá de sus muros, afirmando a nuestros jóvenes que su congregación se asociará con ellos en el próximo capítulo de su viaje educativo.

## CANDLER SCHOOL OF THEOLOGY–2016 UMC ANNUAL CONFERENCE REPORT

### FOR INFORMATION ONLY

For more than 100 years, Candler School of Theology at Emory University has prepared real people to make a real difference in the real world. Since our founding in 1914, over 10,000 students have graduated from Candler, where they have been shaped as Christian leaders who put faith and love into action, transforming the world in the name of Jesus Christ.

One of 13 official seminaries of The United Methodist Church, Candler is also one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a rich context for study. Our location in Atlanta provides a learning environment that reflects the highly diverse communities of the 21st century. Simply put, there is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler now offers 17 degrees: seven single degrees and ten dual degrees pairing theology with bioethics, business, development practice, law, public health, or social work. One of our newest degrees is a retooled Doctor of Ministry that is 90 percent online, so students can remain in their places of ministry as they study—and apply what they learn in real time. We've also partnered with the University of Georgia's School of Social Work to create an MDiv/MSW where students learn to maximize their effectiveness by combining pastoral skills such as spiritual counseling with social work practices such as family therapy and community assessment.

Our student body continues to reflect the diversity and breadth of the Christian faithful. 466 students are enrolled, with 48 percent women, 34 percent people of color (U.S.), and a median age of 29. Students represent 44 denominations, with 51 percent coming from the Methodist family. 82 percent of students are seeking a degree to prepare them as ministry professionals.

Candler has a deep commitment to alleviating student debt and employs a multi-pronged approach to tackle this issue. In 2015-2016, we awarded nearly \$5.5 million in Candler scholarships, with 92 percent of MDiv students and 84 percent of all students receiving support. And our comprehensive financial literacy program teaches money management skills that serve our students now and will continue to serve them—and the churches they serve—well into the future.

At the end of the 2015-2016 academic year, Candler says goodbye and Godspeed to a handful of noted faculty as they retire: Barbara Day Miller, Luke Timothy Johnson, Steve Tipton, and Bishop Woodie White. Yet even as these legends take their leave after distinguished careers of scholarship and service, we look forward to welcoming a new crop of scholar-leaders who will join us in the coming months and grow with us in the coming years. We are especially pleased to welcome Bishop Larry Goodpaster, who will join the faculty as bishop-in-residence in the fall of 2016.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries in the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at [candler.emory.edu](http://candler.emory.edu) to see firsthand how Candler prepares real people to make a real difference in the real world.

## ESCUELA DE TEOLOGÍA CANDLER – 2016 INFORME A LAS CONFERENCIAS ANUALES DE LA IMU

### SOLAMENTE POR INFORMACIÓN

Por más de 100 años La Escuela de Teología Candler en la Universidad de Emory ha preparado personas reales para hacer una diferencia real en el mundo real. Desde nuestro inicio en el año 1914, más de 10.000 estudiantes han graduado de Candler, donde se han sido formado como líderes cristianos que ponen la fe y el amor en acción, transformando el mundo en el nombre de Jesucristo.

Uno de los 13 seminarios oficiales de la Iglesia Metodista Unida, Candler también se forma parte de las siete escuelas de posgrado de la Universidad de Emory, la cual es una institución de investigación de primer nivel que ofrece amplios recursos y un contexto profundo de estudio. Nuestra ubicación en Atlanta provee un ambiente de aprendizaje que es una reflexión de las comunidades diversersas del siglo XXI. En pocas palabras, no hay mejor lugar para prepararse por el ministerio que también se dedica a nuestras prioridades principales de la denominación: el desarrollo de líderes, el inicio y crecimiento de las iglesias, el ministerio con los pobres, y la merjora de la salud mundial.

Para mantener el ritmo con las necesidades de la iglesia y del mundo, Candler actualmente ofrece 17 títulos de posgrado: siete titulaciones simples y diez titulaciones dobles que se combinan teología con bioética, los negocios, la práctica del desarrollo, el derecho, la salud pública, o el trabajo social. Nuestro último título es el Doctorado en Ministerio que es el 90 por ciento en línea, así que los estudiantes puedan quedar en sus lugares de ministerio a medida de que estudien – y puedan aplicar lo que aprendan en tiempo real. También nos hemos asociado con la Escuela de Trabajo Social de la Universidad de Georgia para crear un MDiv/MSW donde los estudiantes aprenden a maximizar su eficacia mediante la combinación de habilidades pastorales como el asesoramiento espiritual con las prácticas del trabajo social como la terapia familiar y la evaluación de la comunidad.

Nuestro cuerpo de estudiantes sigue reflejando la diversidad y amplitud de los fieles cristianos. 466 estudiantes están inscritos, con el 48 por ciento de mujeres, el 34 por ciento de personas de color (EE.UU.), y una edad promedio de 29. Los estudiantes representan 44 denominaciones, con el 51 por ciento de ellos viniendo de la familia metodista. El 82 por ciento de los estudiantes están buscando un título para prepararse como profesionales en el ministerio.

Candler tiene un compromiso profundo al alivio de la deuda estudiantil y utiliza una estrategia con muchas dimensiones para enfrentar este tema. En el año 2015-2016, dimos cerca de \$5.5 millones en becas de Candler, con el 92 por ciento de los estudiantes del MDiv y el 84 por ciento de todos los estudiantes recibiendo apoyo financiero. Además, nuestro programa completo de educación financiera enseña habilidades para el manejo de finanzas que les sirven a nuestros estudiantes en el presente y les van a seguir sirviendo, así como en las iglesias donde ministran, en el futuro.

Al final del año académico 2015-2016, Candler se despide y desea lo mejor a un grupo de profesores distinguidos que se retiran: Barbara Day Miller, Luke Timothy Johnson, Steve Tipton, y el Obispo Woodie White. Aunque estas leyendas se despiden después de carreras distinguidas académicas y de servicio, esperamos dar la bienvenida a un nuevo grupo de investigadores-líderes que se unirán a nosotros en los próximos meses y que se crecerán con nosotros en los próximos años. En especial estamos muy contentos de dar la bienvenida al Obispo Larry Goodpaster, quien se unirá a la facultad como obispo en residencia en el otoño del 2016.

Candler adquiere su fortaleza e inspiración en gran parte por su relación con la Iglesia Metodista Unida. Nuestra capacidad para cumplir con nuestra misión de formar líderes fieles y creativos para los ministerios de la iglesia en el mundo depende de su apoyo, dones, y oraciones. Gracias por las maneras innumerables en que se avanzan este ministerio vital en la vida de

nuestra denominación. Visítenos en persona en Atlanta o en línea en [candler.emory.edu](http://candler.emory.edu) para ver de primera mano cómo Candler se prepara personas reales para hacer una diferencia real en el mundo real.

## DREW UNIVERSITY THEOLOGICAL SCHOOL 2015 REPORT TO THE ANNUAL CONFERENCE FOR INFORMATION ONLY

### **A Cohering Vision: Curriculum, Community, Co-Curricular Initiatives**

After much collaborative discussion, discernment, and evaluation of the current state of theological education, those of us who lead, teach, and support Drew Theological School have launched on an ambitious course. Nearly 150 years after our founding, we envision a future as bright as the best eras in our past. I am pleased to share with you here the concrete steps we have taken— and are taking— to bring this future to light.

First, our efforts have been attentive to the history of Drew, in particular its Methodist roots, its long commitment to the Church and its ministries, and draw from this wellspring for inspiration and direction. Also, we have honored our progress to achieve denominational, ethnic, gender, and racial diversity in our faculty and student body. This rich diversity has become both a hallmark of Drew and an expansion of our wellspring. Forces beyond our campus—notably, that the reasons for pursuing a theological education and expected outcomes are shifting dramatically—further press the need for us to align our vision and its supporting systems with our communal reality.

Given this imperative, we are focused on the three “C’s” of our cohering vision: redesigning our *curriculum*, strengthening our *community* of learning, and deepening training through revived *co-curricular* initiatives. These three aspect of a Drew Theological School education will work together to enable us to to empower creative thought and courageous action to advance justice, peace, and love of God, neighbor, and the earth—as well as uniquely position us to lead evolving expressions of Christianity.

### **Designing distinct pathways from curriculum to vocation**

To remain meaningful and offer the greatest value to our students, each of the six degree paths that we offer must be as distinct as the ministry to which it leads. For example, our Master of Arts in Ministry program, which forms students for the broadest spectrum of theologically-informed advocacy and ministry, or our DMin program, which has become the “new” terminal vocational degree, must be custom rebuilt for current and emerging student needs and outcomes. This also holds true for our Master of Arts, Master of Sacred Theology, PhD, and, most critically, our Master of Divinity programs.

We have achieved our roadmap for curricular change through a period of intentional discernment, which included discussion with consultants, and with colleagues at peer institutions, who led a curricular formation retreats with our faculty; through the discernment and guidance of our faculty, and with the generous financial support of the Jesse Ball duPont Fund. Our next steps include a comprehensive analysis of pedagogical and technological trends in theological education, enrollment, and outcomes. Our redesigned curricular paths will be announced in the fall of 2017, concurrent with the 150<sup>th</sup> anniversary of the founding of Drew Theological School and the 500<sup>th</sup> anniversary of the Protestant Reformation.

### **Student experiences rooted in community**

Despite the increase in students pursuing their education through evening classes and online enrollment, we remain committed to the on-campus experience of community. This begins with a student-centered educational experience that better attends to the scheduling needs of our students, offers broader course content and availability, and more intentionally integrates vocational or career aspirations with coursework.

The success of these efforts are inextricably linked to scholarship support. Only by removing the financial barriers for students pursuing vocations can we hope to attract and retain the most promising students and free them to learn and grow in community. Related to tuition support is the need for more affordable and modernized housing for those students who choose to live on campus. Together, scholarship support and housing relief will also unburden our students from unsustainable debt.

### **Fostering innovation in ministry and the work of spirit-filled justice**

To round out changes in our curriculum and on-campus learning experiences, we are also reviving co-curricular initiatives. The existing Center for Lifelong Learning will be recast as the new Center for Innovation and Leadership in Ministry and serve students, alumni, and others seeking to find creative and courageous approaches to revitalizing ministry. Here, programming will train pastoral leaders, in particular, for service in rapidly changing church environments, as well as position them to lead fearlessly and prophetically.

Our second co-curricular center will be an expansion of the current Communities of Shalom. This initiative will focus on action, advocacy, and social justice work in both pastoral and lay environments. Projects will range from student interns supporting the work of A Future with Hope in our home state of New Jersey, advancing social justice in non-profit settings

across the country and around the world, initiatives which seek to transform and end systemic poverty, expansion of our Partnership for Religion and Education in Prisons (PREP) program, and teaching residencies at Drew for prophetic leaders.

#### **Success so far through our *One and All Campaign***

As the 14<sup>th</sup> dean of Drew Theological School, I am deeply committed to continuing our long and distinguished legacy. To this end, our vision is innovative, forward-looking, and grounded in the practical needs of our students—we hope, too, that it is an inspiration to the various constituencies we serve. I fully subscribe to the inimitable words of Antonio Machado, that “we make the road by walking.” The road to this bright future we envision will be made by the dedication, determination, and generosity of those who love Drew and believe in its future. Our vision is coming to light, in part, because of the generosity of our many alumni-donors and friends. Our *One and All* fundraising campaign has raised more than \$12 million to date for the Theological School and has seed-funded many of our burgeoning efforts.

Also, I encourage our alumni to embrace your power of influence to help grow philanthropic support for Drew Theological School. Many of our largest gifts have come from the influence of alumni, particularly pastors who serve in our church communities. Yes, the needs ahead are many, yet our hope is high for a bright future for Drew Theological School. The road is made by walking. Let’s walk it together.

## DREW UNIVERSITY THEOLOGICAL SCHOOL REPORTE PARA LA CONFERENCIA ANUAL 2015

SOLAMENTE POR INFORMACIÓN

### **Una visión integral: currículo, comunidad, actividades complementarias al currículo**

Luego de una discusión colaborativa, en discernimiento, y evaluando el estado actual de la educación teológica, nosotros y nosotras, quienes lideramos, enseñamos, y apoyamos a Drew Theological School, nos hemos propuesto en una meta ambiciosa. Cerca de 150 años luego de nuestra fundación, tenemos la visión de un futuro tan brillante como la mejor de las eras en nuestro pasado. Me complace compartir con los presentes, los pasos concretos que hemos tomado- y estamos tomando- para traer luz a ese futuro.

Primero, nuestros esfuerzos responden a la historia de Drew, particularmente a sus raíces metodistas, y a su largo compromiso con sus iglesias y ministerios, desde los cuales ha derivado su fuente de inspiración y dirección. Además, hemos honrado nuestro progreso para alcanzar la diversidad denominacional, étnica, de género, y racial en nuestra facultad y cuerpo estudiantil. Esta rica diversidad se ha vuelto, tanto un enlace de Drew, como una de sus fuentes de expansión. Fuerzas más allá de nuestro campus-notablemente, que la razón para ir en búsqueda de una educación teológica y los resultados esperados están cambiando dramáticamente- nos exige alinear nuestra visión y sus sistemas de apoyo con la realidad de la comunidad.

Dado a esta urgencia, nos enfocamos en las tres “c” de nuestra visión: rediseñar el currículo, reforzar el aprendizaje de la comunidad, y profundizar el entrenamiento a través de iniciativas complementarias al currículo. Estos tres aspectos de la educación de Drew Theological School trabajaran en conjunto para permitirnos empoderar pensamientos creativos y acciones llenas de valentía, para adelantar la justicia, la paz, y el amor de Dios, el amor al prójimo y a la tierra- también una posición única que nos permite encarnar expresiones del cristianismo.

### **Diseñando nuevos caminos de currículo a vocación**

Para continuar siendo pertinentes y ofrecer y el más grande valor a nuestros estudiantes, cada uno de los seis currículos que ofrecemos deberán ser tan distintos como los ministerios a los cuales se dirige. Por ejemplo, nuestro programa de maestría de Artes en Ministerio, el cual forma estudiantes para el espectro más amplio y teológicamente informado, o nuestro programa DMin el cual se convierte en el “nuevo” programa vocacional, tienen que reconstruir las necesidades y avances de los estudiantes actuales y los que emergen. Esto también incluye la Maestría en Artes, Maestría en teología Sagrada, PhD. y más críticamente, a nuestra de Maestría en Divinidad.

Hemos logrado crear nuestra hoja guía para el cambio curricular que se desea, a través de un periodo de discernimiento intencional, que incluye una discusión con consultores, y con colegas de instituciones similares, que dirigen retiros de formación curricular con nuestra facultad; a través del discernimiento y la guía de nuestra facultad, y el generoso apoyo financiero del Fondo Jesse Ball duPont. Nuestros siguientes pasos incluyen un análisis comprensivo de las tendencias pedagógicas y tecnológicas en la educación teológica, matrícula, y avances. Nuestros currículos rediseñados serán anunciados en otoño del 2017, concurrentes con el centésimo quincuagésimo aniversario de la fundación de Drew Theological School y en la conmemoración número quingentésima de la Reforma Protestante.

### **La experiencia estudiantil desde sus raíces en la comunidad**

A pesar del incremento de estudiantes buscando una educación a través de las clases nocturnas y matrícula en línea, nosotros, permanecemos comprometidos en reforzar la experiencia comunitaria dentro de la institución. Esto comienza cuando se ofrece una educación centrada en el estudiantado que se ajuste a sus necesidades de horarios, ofreciendo un contenido más amplio, disponibilidad, y que intencionalmente integre las aspiraciones de carrera o vocacional de los cursos.

El éxito de nuestros esfuerzos está intrínsecamente ligado al apoyo que recibimos de las becas. Solo al remover las barreras económicas con las que se enfrenta el estudiantado se podrá retener y atraer nuevos estudiantes para librarles y ayudarles a crecer en comunidad. Relacionada a las ayudas económicas, se encuentra la necesidad de proveer un servicio de vivienda económicamente accesible y moderno, a esos estudiantes que escogen vivir dentro del campus. Juntos, con las ayudas académicas y la provisión de vivienda estudiantil, le aliviaremos la carga al estudiantado de las insostenibles deudas por préstamos estudiantiles.

#### **Adoptar la innovación en el ministerio y el trabajo a favor de la justicia lleno del Espíritu**

Para completar los cambios en nuestro plan de estudios y las experiencias de aprendizaje en el campus, estaremos reviviendo iniciativas complementarias al currículo. *El Centro para el Aprendizaje* será renombrado como el *Centro de Innovación y Liderazgo en el Ministerio*. Este servirá a estudiantes, ex alumnos, a otros y otras que tratan de encontrar enfoques creativos y valientes para la revitalización de sus ministerios. Aquí, la programación, será capacitar al liderato pastoral, en particular, para el servicio en los cambiantes entornos de la iglesia, así como la posición que les permite ser llevada sin temor y de manera profética.

El segundo centro que complementará en el currículo, será una expansión de las comunidades actuales de *Shalom*. Esta iniciativa se centrará en la acción, la defensa y el trabajo a favor de la justicia social, tanto en entornos de pastoral como laicos. Los proyectos serán trabajados por estudiantes internos, quienes apoyan el trabajo en la búsqueda de un futuro esperanzador en nuestro estado de New Jersey, quienes adelanten el trabajo por la justicia social agencias sin fines de lucro dentro del país y alrededor del mundo, quienes desean transformar y poner fin a la pobreza sistémica, y la expansión de nuestra *Asociación para la Educación Religiosa dentro de las Prisiones* (PREP), enseñándole a quienes al estudiantado de Drew como ser líderes proféticos.

#### **Éxito alcanzado hasta el momento a través de nuestra campaña “Uno y todos”**

Como el decano número décimo cuarto de la Facultad de Teología de Drew, estoy profundamente comprometido a continuar nuestra larga y distinguida herencia. Con este fin, nuestra visión es innovadora, con visión de futuro, y basada en las necesidades prácticas de nuestros alumnos y alumnas, esperamos, también, que sea una inspiración para los diversos grupos que servimos. Suscribo plenamente las palabras inimitables de Antonio Machado, cuando expresa que "se hace camino al andar". El camino a este brillante futuro que imaginamos será realizado por la dedicación, determinación y generosidad de los que aman a Drew y creen en su futuro.

Nuestra visión se está haciendo posible, en parte, por la generosidad de ex alumnos, ex-alumnas, donantes y amistades. Nuestra campaña pro-fonda *“Uno y Todos”* ha recaudado más de \$12 millones hasta la fecha para la escuela teológica, y ha sido fundamento para muchos de nuestros esfuerzos. Por último, yo aliento a nuestro estudiantado que abrace el poder de su influencia para ayudar a crecer el apoyo filantrópico hacia Drew Theological School. Muchos de nuestros mayores regalos provienen de la influencia de los ex-alumnos y ex-alumnas, particularmente pastoras y pastores que sirven en las iglesias de nuestra comunidad.

Sí, las necesidades que nos preceden son muchas, sin embargo, nuestra esperanza y compromiso nos brindan seguridad en el futuro brillante que tendrá Drew Theological School. El camino se hace al andar. Andemos en unidad.

Reverendo Dr. Javier A. Viera  
Decano de Drew Theological School  
Profesor en Teología Pastoral

### SAINT PAUL SCHOOL OF THEOLOGY

[www.spst.edu](http://www.spst.edu)

FOR INFORMATION ONLY

Saint Paul School of Theology is a seminary of the United Methodist Church that educates leaders to make disciples for Jesus Christ, renew the Church, and transform the world. We are one institution with two campuses, in Oklahoma and Kansas.

This past academic year, Saint Paul enrolled 199 students from 14 annual conferences and 6 countries on both campuses. The Course of Study School at Saint Paul served 222 students in four Midwest locations. The Saint Paul Board of Trustees named Dr. Nancy Howell, Saint Paul Professor of Theology and Philosophy, as the Acting President this spring. Her term began March 2 as Rev. H. Sharon Howell retired. Dr. Nancy Howell brings multiple years of experience serving in administration. Saint Paul and Kansas Wesleyan University signed a Memorandum of Understanding for a 3+3 theological studies undergraduate-graduate program. The agreement is thought to be the first of its kind to be established between a United Methodist-based university and a United Methodist seminary. Under this arrangement, Kansas Wesleyan students

condense the four-year course of study for the Christian Ministry major into three years, followed by the completion of the three-year Master of Divinity degree at Saint Paul. The 3 +3 program with Kansas Wesleyan will begin Fall 2016. 3+3 collaborations with other undergraduate institutions are currently in discussion.

Dr. Young-Ho Chun is serving as the Director of Asian Studies for Saint Paul. He is currently recruiting the 4th Korean Doctor of Ministry track of students. The model of theological education designed for this highly successful and unique program is currently being considered by other global communities.

Saint Paul will offer two fully online courses starting fall 2016 and two in the spring semester of 2017. We will continue to offer popular hybrid courses as well as video link every course between our two locations.

Two new components in the MDiv program are practicums taught by ministry practitioners and off-campus spiritual formation retreats. Practicum offerings include such real-life skill areas as budgets and finance, funerals and ministry with children. Spiritual formation retreats deepen students' spirituality for a lifetime of ministry.

The Fellows program equips candidates called to full-time ministry with academic formation and real-life pastoral experience. The award covers tuition, books and fees for three years. Each Fellow will receive a pastoral mentor and a student appointment with a stipend to cover living expenses.

The Oklahoma Campus had its second recognition dinner celebrating eight years of seminary excellence in Oklahoma. The Celebrate Saint Paul dinner has become an annual event including the Bishop Robert E. Hayes, Jr. Leadership Award

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

*Saint Paul School of Theology* es un seminario de la Iglesia Metodista Unida que educa a líderes para que hagan discípulos de Jesucristo, renueven la Iglesia y que transformen al mundo. Somos una institución con dos campus, en Oklahoma y en Kansas.

El año académico pasado, *Saint Paul* matriculó a 199 estudiantes de 144 conferencias anuales y 6 países en ambos campus. La Escuela de Curso de Estudios en *Saint Paul* sirvió a 22 estudiantes en cuatro lugares del Medio Oeste. La Junta de Regentes de *Saint Paul* nombró a la Dra. Nancy Howell, Profesora de Teología y Filosofía de Saint Paul, como la Presidenta en Funciones esta primavera. Su término comenzó el 2 de marzo ya que la Rev. H. Sharon Howel se jubiló. La Dra. Nancy Howell trae consigo muchos años de experiencia sirviendo en la administración. *Saint Paul* y *Kansas Wesleyan University* firmaron un Memorando de Entendimiento para un programa de estudios teológicos de pregrado y posgrado 3+3. Este acuerdo se cree que es el primero de su clase establecido entre una universidad con trasfondo Metodista y un seminario Metodista Unido. Bajo este arreglo, los estudiantes de *Kansas Wesleyan* condensan el curso de estudios de cuatro años de la carrera de Ministerio Cristiano a tres, seguido de la obtención del grado de Maestría en Divinidad en *Saint Paul*. El programa 3+3 con *Kansas Wesleyan* comenzará en el otoño de 2016. La colaboración de 3+3 con otras instituciones de pregrado se está llevando a cabo en la actualidad.

El Dr. Young-Ho Chun está sirviendo como Director de Estudios Asiáticos en *Saint Paul*. Actualmente él está reclutando la 4ta cohorte de estudiantes coreanos del Doctorado en Ministerio. El modelo de educación teológica diseñado para este programa altamente exitoso y singular está siendo considerado actualmente por otras comunidades globales.

*Saint Paul* ofrecerá dos cursos completamente en línea comenzando en el otoño de 2016 y dos en el semestre de la primavera de 2017. Continuaremos ofreciendo cursos populares híbridos así como enlazaremos por medio de video cada curso entre nuestras dos ubicaciones.

Los dos nuevos componentes en el programa de Ministerio en Divinidades son *practicums* enseñados por especialistas en ministerio y por medio de retiros de formación espiritual afuera del campus. Los *practicums* incluyen habilidades de la vida real tales como presupuesto y finanzas, funerales y ministerio con los niños. Los retiros de formación espiritual profundizan la espiritualidad del estudiante para una vida entera de ministerio.

El programa *Fellows* equipa a los candidatos llamados al ministerio a tiempo completo con formación académica y experiencia pastoral de la vida real. El reconocimiento cubre las cuotas tutelares, libros y otras cuotas por tres años. Cada beneficiario del programa *Fellows* recibirá un mentor pastoral y una designación estudiantil con un estipendio que cubre los gastos diarios.

Los regentes, facultad, personal y estudiantes de Saint Paul le agradecen su interés, oraciones y apoyo.

**FROM UNITED CAMPUS MINISTRY OF VICTORIA TO THE CHURCHES OF THE RIO TEXAS  
CONFERENCE  
THANK YOU**

FOR INFORMATION ONLY

For supporting the Work of United Campus Ministry of Victoria through the giving of the Rio Texas Conference, The Crossroads District, individuals and their churches. We represent you in an interdenominational ministry to the campuses of the Victoria Collage and the University of Houston-Victoria. UCMV is supported by the United Methodist, Lutheran, and Presbyterian churches.

United Campus Ministry serves four meals a week to hungry college students in the Fall and Spring Semesters and two meals a week in the summer. We also support two student organizations with two sets of student officers. Like all of our campus ministries one of our many goals is to grow principled Christian Leaders. UCM is an outreach ministry to students, faculty, staff, and their families at two state supported colleges.

In 2014 and 2015 we provided Bible Studies on the Parables, The Names of God, and a Lenten study by Adam Hamilton in 2016. We provided the service of Clown Ministry with face painting and balloon animals on both campuses and in the community for National Night Out. We supported a Relay for Life team and helped churches on several occasions by serving at events. UCM also participated in several events designed to combat domestic and sexual violence on campus.

United Campus Ministry provided a truck in the Victoria Lighted Christmas Parade with a presentation of the Nativity, the only one in the parade. With the help of local churches UCM provided toys and books to over 50 children for Christmas. We participated in the Martin Luther King Day march and attended the community observance. We attended several local Christian concerts and on several occasions went as a group together to revivals, local church events, and campus events. We have a ministry of presence both on campus and in the community.

One of the important things we do as United Campus Ministry is support each other in prayer in our hard times and joys. We are available to pray for individuals and groups on campus and start each meal with prayer. We listen and support each other in finding how God is working in our lives on a daily basis. UCM leads the celebration of the National Day of Prayer as well.

We were very happy to see several of our long time members walk across the stage in graduation including college students, master's level students, and high school graduates who have attended our events for several years.. We have several service men and women in our group and support their efforts through prayer, fellowship, and pastoral care.

Fellowship events have included birthday parties and Christian Karaoke as well as picnics and movies nights. Summer includes trips to the Rockport Beach and Splashway. We have invested in our own "Human Foosball Game" for a fun campus outreach.

Campus Minister Rev. Wanda Ritchea, an ordained deacon in the United Methodist Church, has provided not only prayer and spiritual support but also rides to many occasions and places including revivals, assistance ministries, Social Security and Food Stamp offices, The VA, shelters, the grocery store, and doctor's appointments. This is not only a valuable service for those who don't have a car but also provides the opportunity to ask the question, "How is it with your soul?"

Again, Thank You for Supporting United Campus Ministry of Victoria

Respectfully submitted,

Rev. Wanda Ritchea, Director of Campus Ministry  
United Campus Ministry of Victoria

**DE MINISTERIO DE CAMPUS UNIDO DE VICTORIA A LAS IGLESIAS DE LA CONFERENCIA  
RIO TEXAS  
GRACIAS A USTED**

SOLAMENTE POR INFORMACION

Por apoyar el Trabajo de Ministerio de Campus Unido de Victoria por la benefencia del Conferencia de Rio Texas, el Distrito de Crossroads, individuos y sus iglesias. Los representamos en un ministerio interconfesional a los recintos universitarios de Victoria Collage y la Universidad de Houston-Victoria. El UCMV es apoyado por las iglesias Metodista Unido, Luteranas, y Presbiterianas.

El Ministerio de Campus Unido sirve cuatro comidas por semana a estudiantes con hambre de colegio en los Semestres de Primavera y Otono y dos comidas por semana en el Verano. También apoyamos dos organizaciones de estudiante con dos pares de oficiales estudiantes. Como todos nuestros ministerios de campus uno de nuestros muchos objetivos es cultivar a Lideres Christianos de principios. El UCM es un ministerio exceder a estudiantes, facultad, personal, y sus familias en dos colegios apoyados por el estado.

En 2014 y 2015 proporcionamos Estudios de Biblia en las Parábolas, los Nombres de Dios, y un estudio Cuaresmal por Adán Hamilton en 2016. Proveímos el servicio del Ministerio de Payaso con pintura de cara y animales de globo en ambos universitarios y en la comunidad durante la Noche Afuera Nacional. Apoyamos un Relevé para el Equipo de Vida y ayudamos a iglesias en varias ocasiones sirviendo en acontecimientos. El UCM también participó en varios acontecimientos diseñados para combatir la violencia doméstica y sexual en el campus.

El Ministerio de Campus Unido proporcionó un camión en el Desfile Aluminado de Navidad de Victoria con una presentación de la Natividad, el único en el desfile. Con la ayuda de iglesias locales UCM proporcionó juguetes y libros a más de 50 niños durante la Navidad. Participamos en la Marcha de Martin Luther King y asistimos a la observancia de comunidad. Asistimos a varios conciertos cristianos locales y en varias ocasiones fuimos como un grupo juntos a resurgimientos, acontecimientos de iglesia locales, y acontecimientos de campus. Tenemos un ministerio de presencia tanto en el campus como en la comunidad.

Una de las cosas importantes que hacemos como el Ministerio de Campus Unido es el apoyo el uno al otro en rezo en nuestros tiempos duros y alegres. Estamos disponibles para rezar por individuos y grupos en el campus y comenzar cada comida con el rezo. Escuchamos y apoyamos el uno al otro en el descubrimiento como Dios trabaja en nuestras vidas cada día. El UCM conduce la celebración del Día Nacional del Rezo también.

Éramos muy felices ver varios de nuestro miembros de mucho tiempo pasar a través de la etapa en la graduación incluso estudiantes de colegio, estudiantes de nivel del maestro, y diplomados que han asistido a nuestros acontecimientos durante varios años.. Tenemos a varios hombres y mujeres de servicio en nuestro grupo y apoyamos sus esfuerzos por rezo, compañerismo, y cuidado pastoral.

Los acontecimientos de Compañerismo han incluido fiestas de cumpleaños y Christian Karaoke así como noches de películas y picnics. El verano incluye viajes a la Playa Rockport y Splashway. Hemos invertido en nuestro propio "Juego de Humano Foosball" para un campus de diversión exceden.

Ministro de Campus Rev. Wanda Ritchea, un diácono ordenado en la Iglesia de Metodista Unida, ha proporcionado no sólo el rezo y el apoyo espiritual sino también monta a muchas ocasiones y sitios incluso resurgimientos, ministerios de ayuda, Seguridad Social y oficinas de estampillas para Alimentos, el VA, refugios, la tienda de comestibles, y citas del doctor. ¿Este no es sólo un servicio valioso para aquellos que no tienen un coche sino también proporcionan la oportunidad de hacer la pregunta, "Como esta con tu alma?"

Otra vez, Gracias por Apoyar Ministerio de Campus Unido de Victoria

Respetuosamente presentado,

Rev Wanda Ritchea, Director de Ministerio de Campus  
Ministerio de Campus Unido de Victoria

## SPIRITUAL FORMATION TEAM

### FOR INFORMATION ONLY

Spiritual Formation is an integral part of discipleship for both laity and clergy. Several different avenues of formation have happened in our Conference. In October 2015, Dr. Marcus Freeman convened a meeting of several clergy members to discuss plans for Spiritual Formation. Emphasis was on opportunities available through the Clergy Wellness Program, availability of a canvas labyrinth, spiritual mentors, Day Apart renewal events, and listings of retreat centers available in our area. The group also discussed events through the Academy for Spiritual Formation. The Upper Room in Nashville coordinates the Two-Year Academy, but Five-Week Academies are sponsored at a more localized level. Although MHM grants are available to support both scholarships and general budget of a Five-Week program, future Five-Day events for both clergy and laity will need a different planning and implementation structure than has existed in the past. Clergy participation in the Two-Year Academy would fulfill spirit, mind and body components of the wellness program.

In March 2016, several Academy "graduates" gathered to form an independent, ecumenical group designed to plan and implement future Five-Day Academy for Spiritual Formation events in our geographic area. Rev. Nancy McDougall was elected to serve as Leader Pro-tem of this Academy Council for the following year. Anyone interested in serving on this Council is encouraged to contact her at [nancymcd@nctv.com](mailto:nancymcd@nctv.com).

During our 2016 Annual Conference, several clergy including Lynn Barton, Suzanne Isaacs, Donna Strieb, and Taylor Boone will be conducting a spiritual formation workshop.

## FORMACIÓN ESPIRITUAL

### SOLAMENTE POR INFORMACIÓN

La formación espiritual es una parte integral del discipulado para laicos y clérigos. Diferentes vías de formación han ocurrido en nuestra Conferencia. En octubre de 2015, el Dr. Marcus Freeman convocó a una reunión de varios miembros de clérigos para discutir los planes para la formación espiritual. Se hizo hincapié en las oportunidades disponibles a través del Programa de Bienestar de Clérigos, la disponibilidad de una lona laberinto, mentores espirituales, día aparte de renovación, eventos y anuncios de los centros de retiro disponible en nuestra zona. El Grupo también examinó los eventos a través de la Academia de Formación Espiritual. El Aposento Alto en Nashville coordina las Academia de Dos- Años (Two-Year Academy), pero las Academias de Cinco-Días (Five-Day Academy) son patrocinados en un nivel más localizado. Aunque los fondos de MHM están disponibles para apoyar ambas becas y presupuesto general de un programa futuro de Cinco-Semanas, futuro eventos de Cinco-Días, para los clérigos y laicos necesitan una diferente planificación y ejecución en estructura de la cual ha existido en el pasado. La participación de clérigos en la Academia de Dos- Años cumpliría con los componentes de espíritu, mente y cuerpo del programa de bienestar.

En marzo de 2016, varios “graduados” de la academia se reunieron para formar un grupo ecuménico independiente diseñado para planear e implementar futuras Academia de Cinco-Días para eventos de formación espiritual en nuestra área geográfica. La Revda. Nancy McDougall fue elegida para servir como líder por el tiempo presente en el Concilio de la Academia para el año siguiente. Cualquiera que esté interesado en participar en este Concilio anímese a ponerse en contacto con ella en: [nancymcd@nctv.com](mailto:nancymcd@nctv.com).

Durante nuestra Conferencia Anual de 2016, varios clérigos incluyendo Lynn Barton, Suzanne Isaacs, Donna Strieb y Taylor Boone estarán llevando a cabo un taller de formación espiritual.

## LAY SERVANT MINISTRIES

### FOR INFORMATION ONLY

Over the past several years Lay Servant Ministries (LSM) has become the best laity training program within the Rio Texas Conference and we continue to excel in offering Advanced Courses which promote the Ministry areas of, Leading Caring and Communicating.

Over the past quadrennial, the partnership between the Association of Conference Directors of Lay Servant Ministries (ACDLSM) and Discipleship Ministries has been exceptional and the curriculum offered in these New Advanced Courses for Lay Servant Ministries. (LSM) is excellent and provides laity with the best training possible for Certified Lay Servants and all the laity within our Conference. Additional on-line courses have been added and are now available for anyone who wants to complete a Lay Servant Advanced Course that may not be offered within the Districts or the Conference. Anyone who takes an on-line course must notify their District Director, that they are taking this on-line course prior to taking the course, in order that proper credit can be given.

On March 11-13, 2016, at Mt. Wesley, we held our Conference Advanced Course titled: “God’s Mission....Our Journey.” This course was taught by Jodi Cataldo, who is the Director of Laity in Leadership, for Discipleship Ministries in Nashville Tennessee. This new LSM Course provides a solid foundation for those who wish to serve in Mission as Lay Servants and Volunteers in Mission and provides additional ways for Lay Servants to be effectively engaged in the mission field within their local communities and beyond to global mission opportunities. Thirty-six Lay Servants attended this event and all were blessed by the presence of the Holy Spirit. One of our Conference Lay Leaders, Ralph Thompson, attended this event and assisted in a question and answer session on Saturday evening and served as guest preacher on Sunday morning as well. Rev. Dr. Marcus Freeman led the Great Thanksgiving portion of the worship service.

In addition to this Conference Advanced Course, additional Basic and Advanced Courses are offered at different times within the Districts, especially for those who may need to take these certification courses closer to home.

Current District Directors for Lay Servant Ministries are: Robert Hicks- Capital District, Scott Maderer- Hill Country District, Judy Johnson- Crossroads District, Larry and Mary Reser- El Valle District, Emily Canales- Coastal Bend District, Janice Alexander- West District and Patti Zaiontz- Las Misiones District. These District Directors are always seeking other Certified Lay Servants who are willing to assist in teaching, leading and providing service to others attending these courses.

Certified Lay Servants exist to serve God, to seek out and provide Ministry opportunities within every local church, within each District of our Conference. We must have the support of District Superintendents, District Lay Leaders and Pastors in order to recruit, train and develop laity leaders as Certified Lay Servants, by sending leaders within their congregations to attend LSM courses. I call on all District Superintendents and District Lay leaders to honor their commitment to Lay Servant

Ministries by being actively involved on the District Committees of Lay Servant Ministries and work to promote and develop (LSM courses throughout the Districts).

This past February 10-13, 2016, in Nashville, Tennessee, our Association of Conference Directors of Lay Servant Ministries (ACDLSM) held its national convocation. The theme for this year's event was: "Shifting the Paradigm, Going Back to Our Historical Roots." The scripture for this convocation was Ephesians 4:1-16: "But each of us was given grace, according to the measure of Christ's gift."

We are all called by God to serve the Church and part of Christ's gift to us is to utilize those talents in new and creative ways, to leave the walls of our churches reach out into the Mission Field. Reaching out to the Mission Field requires a trained, certified and equipped laity. It requires a laity that is empowered by the Holy Spirit, a laity that is revitalized and regenerated with the fire with the Holy Spirit; a laity that is not afraid to reach out to the unchurched, and not afraid to share the Good News of the Gospel with others.

May God continue to bless Lay Servant Ministries throughout the Rio Texas Conference.

Sam A. Dubberly

Conference Director of Lay Servant Ministries

## MINISTERIOS DE SIERVOS LAICOS

### PARA INFORMACIÓN SOLAMENTE

En los últimos años varios Ministerios de Siervos Laicos (LSM) se ha convertido en el mejor programa de formación de laicos dentro de la Conferencia Río Texas y esperamos sobresalir ofreciendo cursos avanzados que promueven las áreas de Ministerio de Cuidado y Comunicación.

En el cuatrienio anterior, la colaboración entre la Asociación de Directores de Ministerios de Siervos Laicos de la Conferencia (ACDLSM) y Ministerios de Discipulado ha sido excepcional y el plan de estudios ofrecido en estos nuevos cursos avanzados para Ministerios de Siervos Laicos. (LSM) es excelente y ofrece a los laicos la mejor formación posible hacia un Certificado de Siervos Laicos y a todos los laicos dentro de la Conferencia. Cursos en línea electrónica adicionales se han añadido y ahora están disponibles para quién desea completar el Curso Avanzado de Siervos Laicos que no pueda ofrecerse dentro de los distritos o la Conferencia. Quien toma un curso en línea debe notificar a su Director de Distrito que está tomando este curso en línea antes de tomar el curso, con el fin de que se le pueda otorgar el crédito apropiado.

Durante las fechas del 11 al 13 de marzo de 2016, en Mt. Wesley, llevamos a cabo nuestro Curso Avanzado de Conferencia titulado: " Misión de Dios... Jornada Nuestra." Este curso fue dirigido por Jodi Cataldo, quien es la Directora de Laicos en Liderazgo de Ministerios de Discipulado en Nashville, Tennessee. Este nuevo curso de LSM proporciona una base sólida para aquellos que deseen servir en misión de Siervos Laicos y Voluntarios en Misión y proporciona métodos adicionales para que Siervos Laicos participen efectivamente en el campo de misión dentro de sus comunidades locales y más allá en oportunidades de misión global. Treinta y seis Siervos Laicos asistieron a este evento y todos fueron bendecidos por la presencia del Espíritu Santo. Uno de nuestros Líderes Laicos de Conferencia, Ralph Thompson, asistió a este evento y dirigió una sesión de preguntas y respuestas el sábado por la noche y fue el predicador invitado el domingo por la mañana también. El Reverendo Dr. Marcus Freeman condujo la parte de la Gran Acción de Gracias en el servicio de adoración.

Además de este Curso Avanzado de Conferencia, adicionales Básicos y Avanzados Cursos se ofrecen en diferentes eventos dentro de los distritos, especialmente para aquellos que necesitan tomar estos cursos de certificación más cercanos a casa.

Los Directores de Distrito al corriente en Ministerios de Siervos Laicos son: Robert Hicks-Capital District, Scott Maderer-Hill Country District, Judy Johnson Crossroads District, Larry y Mary Reser- El Valle District, Emily Canales- Coastal Bend District, Janice Alexander- West District y Patti Zaiantz- Las Misiones District. Estos Directores de Distrito siempre buscan a otros Siervos Laicos Certificados que estén dispuestos a ayudar en la enseñanza y proporcionando servicio a los demás que asisten a estos cursos.

Siervos Laicos Certificados existen para servir a Dios, para buscar y ofrecer oportunidades de Ministerio dentro de cada iglesia local y dentro de cada Distrito de nuestra Conferencia. Necesitamos el apoyo de los Superintendentes de Distrito, de los Líderes Laicos de Distrito y de los pastores para reclutar, capacitar y desarrollar líderes laicos como Siervos Laicos Certificados, enviando líderes dentro de sus congregaciones para asistir en los cursos del LSM. Hago un llamamiento a los Superintendentes de Distrito y a los Líderes Laicos de los Distrito a honrar su compromiso con los Ministerios de Siervos Laicos, a participar activamente en los comités de distrito de Ministerios de Siervos Laicos y a trabajar para promover y desarrollar (cursos de LSM) a través de los distritos.

Los pasados 10 al 13 de febrero de 2016, en Nashville, Tennessee, nuestra Asociación de Directores de Ministerios de Conferencia de Siervos Laicos (ACDLSM) celebró su convocatoria nacional. El tema del evento este año fue: "Cambio de Paradigma, Remontando a Nuestras Raíces Históricas". La escritura de esta convocatoria fue Efesios 4:1-16: "Pero a cada uno de nosotros fue dada la gracia conforme a la medida del don de Cristo."

Todos estamos llamados por Dios para servir a la iglesia y parte del don de Cristo nuestro es utilizar los talentos en maneras nuevas y creativas, para dejar que las paredes de nuestras iglesias alcancen hacia fuera en el campo de misión. Para alcanzar el campo misionero se requiere un laicado capacitado, certificado y equipado. Se requiere un laicado que sea fortalecido por el Espíritu Santo, un laicado que se revitaliza y se regenera con el fuego del Espíritu Santo; laicos que no temen alcanzar a los desconectados de la iglesia y que no temen compartir las Buenas Nuevas del evangelio con los demás.

Que Dios siga bendiciendo los Ministerios de Siervos Laicos a lo largo de la Conferencia Río Texas.

Sam A. Dubberly

Director de Ministerios de Siervos Laicos de la Conferencia

## UNITING PEOPLES' VISION TEAM

### FOR INFORMATION ONLY

With the creation of the Rio Texas Annual conference in 2015, the Uniting Peoples' Vision Team was created with the directive to:

Assist congregations and communities of faith by communicating our mission, vision, and identity through the digital language of the mission field, using technology that will "shrink" our geographical challenges and facilitate training and informational resources, networking a deeper participation in our connectional system, facilitating language translation, and coordinating intercultural competency training. Within that directive we are charged with giving voice to the concerns of Christian unity, religion and race, the status and role of women, communications, disability concerns, and Hispanic and Latino ministries.

As the Uniting Peoples' Vision Team we have continued to meet regularly throughout 2015 and into 2016. We have discussed the concerns as we see them in our annual conference. As such we have provided support to Abel Vega and the Transforming Community Vision Team and the Office of Outreach Vitality of the Mission Vitality Center.

The mission of the United Methodist Church is to make disciples of Jesus Christ for the transformation of the world. So often, we the church, are blind to those whom we exclude. We must not allow our complacency to continue to obscure our vision or prevent our kingdom building work. We will not be nearly as effective as we could be or should be if we continue to exclude some of our brothers and sisters based on socially constructed, external differences. We must be the example of God's kingdom for the world that God has called us to transform. We, the Uniting People's Vision Team continue to meet and develop strategies for our conference to make sure all of God's children have a place at God's table.

The vision team is engaging in two works in progress that are at the heart of its directive: 1.) intercultural competency development and 2.) racial justice and reconciliation. Our intercultural competency development work as a conference will occur through the continuing and wide-spread experiences of the Managing Diversity for Understanding and Collaboration workshops now available to local churches. This workshop has been designed to address three critical issues: intercultural understanding, intergenerational understanding, and the application and integration of these understandings to our ministries. Conversations of racial justice and reconciliation are emerging in ways that call us to explore, understand, and ensure racial justice and reconciliation becomes a reality and foundational within the Rio Texas Conference church structures and communities served.

## EQUIPO DE VISIÓN DE LA UNIÓN DE PUEBLOS

### PARA INFORMACIÓN SOLAMENTE

Con la creación de la Conferencia Anual Río Texas en el año 2015, el Equipo de Visión de la Unión de Pueblos se creó con la directiva de:

Asistir a las congregaciones y comunidades de fe a comunicar nuestra misión, visión e identidad en el campo de misiones a través del lenguaje digital, usando tecnología para "encoger" nuestros desafíos geográficos y facilitar recursos informativos y de capacitación, abarcando una participación más profunda en nuestro sistema relacional, facilitando la traducción de idiomas y coordinando entrenamientos de comprensión intercultural. Dentro de esa directiva cambiamos al dar voz a las preocupaciones de unidad cristiana, religión y raza, la condición y el rol de la mujer, comunicación, preocupaciones de la discapacidad y ministerios hispanos y latinos.

Como Equipo de Visión de la Unión de Pueblos hemos continuado a reunirnos regularmente en 2015 y 2016. Hemos dialogado sobre las preocupaciones que tenemos en nuestra conferencia anual. De esa manera hemos proporcionado apoyo a Abel Vega y el Equipo de Visión Transformando la Comunidad y la Oficina del Centro de Extensión de Vitalidad de la Misión.

La misión de la Iglesia Metodista Unida es hacer discípulos de Jesucristo para la transformación del mundo. A menudo nosotros, la iglesia, nos hacemos ciegos hacia aquellos a quienes excluimos. No debemos permitir que nuestra complacencia continúe a oscurecer nuestra visión o impedir nuestra obra en el reino. No podremos ser tan eficaces como podríamos ser o deberíamos ser si continuamos a excluir a algunos de nuestros hermanos y hermanas basado en diferencias social y externamente construidas. Debemos ser el ejemplo del Reino de Dios en el mundo que Dios nos ha llamado a transformar. Nosotros, el Equipo de Visión de la Unión de Pueblos, seguimos a reunirnos y a desarrollar estrategias para que nuestra Conferencia asegure que todos los hijos de Dios tengan un lugar en la mesa de Dios.

El Equipo de Visión está participando en dos obras en curso que están al corazón de su directiva: 1.) desarrollo de comprensión intercultural y 2.) justicia racial y reconciliación. Nuestra función en el desarrollo de comprensión intercultural como Conferencia se desarrollará a través de la experiencia continua y extensa de talleres de gestión de comprensión de la diversidad y colaboración ahora disponibles a las iglesias locales. Este taller ha sido diseñado para abordar tres cuestiones fundamentales: comprensión intercultural, comprensión intergeneracional y la aplicación e integración de este entendimiento en nuestros ministerios. Conversaciones de justicia racial y reconciliación emergen de manera que nos llaman a explorar, comprender y asegurar que la reconciliación y la justicia racial se conviertan en una realidad fundamental dentro de las estructuras de la iglesia de la Conferencia Río Texas y las comunidades que servimos.

## TRANSFORMING COMMUNITIES VISION TEAM / OFFICE OF OUTREACH VITALITY OF THE MISSION VITALITY CENTER 2016 REPORT TO THE RÍO TEXAS ANNUAL CONFERENCE

FOR INFORMATION ONLY

The work of the Transforming Communities Vision Team is to equip, educate, and support congregations around the areas of mission and the ADVANCE, specific ethnic concerns, and justice issues. Being attentive to this work, the Vision Team met various times throughout the 2015 – 2016 conference year.

The items that the Vision Team brings forward to the annual conference as information or seeking action are:

- Río Texas Conference Advance Giving and the Five-Star Program – For Information
- Río Texas Conference Missionaries and Missionary Support – For Information
- Río Texas Conference One Great Hour of Sharing 2015 – For Information
- Río Texas Conference Harvest Sunday 2015 – For Information
- Río Texas Conference Harvest Sunday 2016 - For Action
- Methodist Federation for Social Action [MFSA] - Resolution to Work Toward Repeal of the Death Penalty in Texas – For Information

The following reflects the ministry development areas facilitated or in collaboration with the Transforming Communities Vision Team and the daily work of the Office of Outreach Vitality of the Mission Vitality Center:

### **Managing Diversity for Understanding and Collaboration**

A conference-wide diagnostic survey revealed the challenges the Río Texas Conference church faces in reaching the mission field. The diagnostic indicates the degree of clarity and integration that exists for the fundamental strategic elements of the conference – its vision, objectives, and initiatives to achieve objectives. Types of challenges revealed are organizational, social, financial, cultural, generational, racial, and gender. Regarding the perceived value of an intercultural competence initiative in addressing the challenges for success, 83% of those surveyed expressed certainty of the value of this initiative and 17% expressed their belief in this value under certain conditions.

As a result of this diagnostic inquiry, a workshop has been designed to address three critical issues: 1.) Intercultural Understanding, 2.) Intergenerational Understanding, and 3.) the application of Cultural Intelligence to the integration of organizational collaboration systems. Effectiveness of the workshop is measured through an immediate evaluation of the quality of workshop content, facilitation, and coordination. Impact is measured through surveying and resourcing of participants to measure the impact of what is learned in the workshop to the application and integration of the learnings in their ministries. Alberto Garcia Jurado / Cultural System Management, Inc. [www.culturalsystem.com](http://www.culturalsystem.com) have trained facilitators to lead these workshops for ministry leaders and congregations to bridge across cultures to reach their respective mission fields.

### **Outreach and Missions Survey**

A survey [www.riotexas.org/survey](http://www.riotexas.org/survey) was launched reaching out to all conference churches seeking to know the various ways we are reaching the communities we serve through various outreach endeavors. The survey seeks to know where we are connecting and responding to need within the conference, the country, and internationally through short-term mission work teams. Essentially 25% of RTC churches have responded thus far with the ultimate goal being 100% survey

participation. Obtaining the fullest data possible will help us to understand the ways we are reaching communities, the value and impact of this work, and how alignment might occur to support missional initiatives within districts and across the conference for cohesive collective impact.

### **Volunteers-In-Mission [VIM] Organizational Development**

Work is in progress to ultimately establish a conference VIM committee to: 1.) establish policies and procedures, 2.) offer VIM leadership trainings within the districts, 3.) partner with disaster response needs, communication, and coordination, 4.) coordinate short-term responses to needs domestically and internationally while working towards transformational relationships, 5.) discern conference to conference partnerships, and 6.) maintain general and jurisdictional connections. Ideally, each district will have a VIM coordinator and committee that connects to the conference committee. The jurisdiction has offered support in providing VIM training for persons to lead mission teams and make VIM leadership training available on a continuous basis.

### **Disaster Response Support**

The Outreach Vitality office continues in supporting the work process of the conference Disaster Response Committee. Many churches responded to the May 2015 flooding in the Blanco River and Coastal Bend areas within the conference through providing early response presence, flood bucket and monetary donations, and now continued long-term recovery response. In September 2015, a Rio Texas case management team began work in Martindale in connection with the Blanco River Regional Recovery Team [BR3T] that strengthens area-wide disaster coordination in Blanco, Caldwell, Hays and Guadalupe counties by sharing information, simplifying resident access, and jointly resolving cases with unmet needs. In March 2016, a Rio Texas case manager began work with the Coastal Bend Long Term Recovery Committee that serves survivors of low land flooding that occurred when rivers in the area were flooded as a result of storms that occurred far up stream. Two - \$100k grants from the United Methodist Committee on Relief [UMCOR] along with conference disaster funds support our case management presence. Each grant provides case management coverage for one year in each respective area.

Moving forward, there is continuous need: 1.) to provide a steady flow of long-term recovery work teams for each area, 2.) to receive fund raising support from local churches towards the conference disaster fund, and 3.) for the replenishing our flood bucket supply. Training will soon be available to local churches in "Connecting Neighbors", a program of UMCOR that aims to inspire congregations and communities to be better able to minimize disaster-caused harm to people and property and to respond to our neighbors in helpful, cooperative, and caring ways on behalf of the church and in the spirit of Jesus Christ. Through Connecting Neighbors, disaster-ready congregations will view disaster preparedness and response as a mission and ministry of the church.

### **In Mission Together [IMT] – 50/50 Partnerships**

The Outreach Vitality office continues in working to establish the 50/50 Partnership process as a foundational learning platform for local churches. An initiative of the General Board of Global Ministries [GBGM] - In Mission Together [IMT] is a global partnership network available to equip the conference, district or church for transformational partnerships in mission in the U.S. and around the world. Whereas a traditional approach to mission is often needs-based and short-term relief, this new vision of partnership embraces asset-based and long-term development. Partners commit to one another through an [IMT 50/50 Partnership Covenant](#). It's a sacred covenant to participate equally, 50/50, as the body of Christ by utilizing everyone's skills and resources. A 50/50 framework prevents dependency and fosters self-sufficiency. These principles address systemic issues rather than treating symptoms. IMT is GLOCAL (both global and local) and equips partners with core values that are cross-culturally appropriate for variety of contexts whether in the U.S. or around the world. Currently, three districts, El Valle, Capital, and Coastal Bend are engaging in this process through training events and follow up development work. To assist in exposing the conference to this ministry approach, Patrick Friday, GBGM Director of the IMT – 50/50 Partnership ministry will offer a teaching moment during the 2016 Annual Conference.

### **Asset-Based Community Development [ABCD]**

As churches embrace and grow in IMT 50/50 Partnership learning dynamics, asset-based principles are part of cultivating transformational relationships with communities to address systemic challenges. Some churches may currently employ ABCD approaches through their outreach ministries in communities, particularly where Methodist Healthcare Ministries' - Wesley Nurses and Community Health Workers are located. Providing ABCD learning as well as understanding where ABCD is applied will assist to support missional initiatives within districts and across the conference for cohesive collective impact.

### **Project Transformation [PT]**

Commonly known as bringing together for holistic ministry the three C's – College students, Children, and - Project Transformation's mission is engaging young adults in purposeful leadership, supporting underserved children and families, and connecting churches and communities in need. Rio Texas PT, now in its' second year, projects to engage 180 participants over three sites this summer. PT will provide internships for 26 college students while piloting a new leadership development program aiming to teach what it means to be missional leaders engaging in social justice. The summer 2016 PT sites are at Laurel Heights UMC – San Antonio, St. Paul UMC – San Antonio, and First UMC Bourne. With an annual budget of \$227,604

– 19% [\$42,500] is supported by the conference Mission Vitality Center budget, 53% by external source grants, and 28% by support from local churches and funds yet to be raised.

PT served 143 participants at three sites during the summer of 2015. On average 67% of participants were regular attendees (attended at least 60% of program days). About 86% of participants qualified for free or reduced lunch. 100% of participants that were administered a pre- and post- test maintained or grew their reading level. 27% of participants maintained their reading level and 73% grew at least one level. The median reading growth was 1 level. Over 260 volunteers from more than 25 different Methodist churches volunteered in the reading program, provided dinners for the interns, and/or donated money and/or supplies in summer 2015. PT provided internships for 25 college students. 95% of interns report a desire to continue to serve their communities after participating in Project Transformation. 100% of interns reported that they gained skills through their work at Project Transformation that they will use in future service, education or employment. These skills included leadership skills, time management, organization, and communication skills.

### **Justice for Our Neighbors [JFON] and Welcoming the Sojourner**

The Outreach Vitality office continues working to connect, resource, learn from, and interpret the various immigration ministries of hospitality, education, spiritual support, and practical services through Justice for Our Neighbors [JFON] [www.njfon.org](http://www.njfon.org) and other relational work in this area within the conference such as the Interfaith Welcoming Coalition [www.texasiwc.org](http://www.texasiwc.org). This work has deep implications and connection with our church presence in close proximity to and within colonias communities across the U.S. Texas / Mexico border as well as potential church to church partnerships in Mexico and Central America. During 2015, the Austin [www.jfonaustin.org](http://www.jfonaustin.org) and San Antonio JFON ministries received \$25,500 in conference Mission Vitality Center support.

## EQUIPO DE VISIÓN TRANSFORMANDO COMUNIDADES / OFICINA DE VITALIDAD DE EXTENSIÓN DEL CENTRO DE VITALIDAD DE MISIÓN INFORME A LA CONFERENCIA ANUAL RÍO TEXAS 2016

SOLAMENTE POR INFORMATION

El trabajo del Equipo de Visión Transformando Comunidades es de equipar, educar y apoyar a las congregaciones alrededor de las áreas de misión y el AVANCE, problemas étnicos específicos y cuestiones de justicia. Para poder estar atentos a este trabajo, el Equipo de Visión se reunió varias veces durante el año de la Conferencia de 2015-2016.

Los artículos que el Equipo de Visión presenta a la conferencia anual como información o búsqueda de acción son:

- Ofrenda de Avance y el Programa de Cinco Estrellas de la Conferencia Río Texas– para información
- Misioneros y Ayuda Misionera de la Conferencia Río Texas– para información
- Una Gran Hora de Compartir 2015 de la Conferencia Río Texas– para información
- Domingo de Cosecha 2015 de la Conferencia Río Texas – para información
- Domingo de Cosecha 2016 de la Conferencia Río Texas – para acción
- Federación Metodista para la Acción Social [MFSA] - Resolución de Trabajo Hacia la Derogación de la Pena de Muerte en Texas – para información

Lo siguiente refleja las áreas de desarrollo de ministerio facilitado por o en colaboración con el Equipo de Visión Transformando Comunidades y el trabajo diario de la Oficina de Vitalidad de Extensión del Centro de Vitalidad de Misión:

### **Manejo de Comprensión y Colaboración en la Diversidad**

Una encuesta diagnóstica de toda la Conferencia reveló los desafíos que la iglesia de la Conferencia Río Texas enfrenta en alcanzar el área de misiones. El diagnóstico indica el grado de claridad e integración que existe para los elementos estratégicos fundamentales de la Conferencia: su visión, los objetivos y las iniciativas para alcanzar los objetivos. Los tipos de retos revelados son organizativos, sociales, financieros, culturales, generacionales, raciales y de género. En relación con el valor percibido de una competencia intercultural iniciativa frente a los desafíos para el éxito, el 83% de los encuestados expresó confianza del valor de esta iniciativa y 17% expresó confianza de su valor bajo ciertas condiciones.

Como resultado de esta investigación diagnóstica, un taller ha sido diseñado para abordar tres cuestiones fundamentales: 1.) entendimiento Intercultural, 2.) entendimiento intergeneracional y 3.) aplicación de la inteligencia cultural para la integración de sistemas de colaboración organizacional. La efectividad del taller se mide a través de una evaluación inmediata de la calidad del contenido del taller, facilitación y coordinación. Su impacto se mide a través de la topografía y recursos de los participantes para medir el impacto de lo aprendido en el taller para la aplicación e integración de lo aprendido en sus ministerios. Alberto García Jurado y Cultural Management System, Inc. [www.culturalsystem.com](http://www.culturalsystem.com) han entrenado facilitadores para dirigir estos talleres para líderes en el ministerio y congregaciones para abarcar entre las culturas para llegar a sus campos de misión respectivo.

### **Divulgación y estudio de las misiones**

Una encuesta, [www.riotexas.org/survey](http://www.riotexas.org/survey), se lanzó en todas las iglesias de la Conferencia con la intención de conocer las diferentes maneras en que estamos alcanzando a las comunidades que servimos a través de varios esfuerzos de alcance. La

encuesta intenta aprender con cuales comunidades nos estamos conectando y cómo estamos respondiendo a la necesidad dentro de la Conferencia, el país e internacionalmente a través de la misión con equipos de trabajo a corto plazo. Esencialmente el 25% de las iglesias de la CRT han respondido hasta el momento, con el objetivo de tener 100% de participación en la encuesta. Al obtener lo máximo posible de datos nos ayudará a comprender las formas en que estamos alcanzando a las comunidades, el valor y el impacto de este trabajo, y cómo podría ocurrir alineación para apoyar iniciativas misionales en los distritos y a través de la Conferencia para obtener un impacto colectivo coherente.

### **Desarrollo Organizacional de Voluntarios en Misión [VIM]**

El trabajo está en progreso para poder, en definitivo, establecer un Comité VIM de Conferencia para: 1.) establecer políticas y procedimientos, 2.) ofrecer capacitaciones de liderazgo VIM dentro de los distritos, 3.) colaborar con las necesidades, comunicación y coordinación de respuestas ante desastres, 4.) coordinar respuestas a corto plazo a las necesidades al nivel doméstico e internacional mientras se trabajaba hacia relaciones de transformación, 5.) discernir alianzas al nivel de Conferencia y 6.) mantener las conexiones generales y jurisdiccionales. Idealmente, cada distrito tendrá un Coordinador de VIM que se ponga en contacto con la Comisión VIM de la Conferencia. La jurisdicción ha ofrecido apoyo en la capacitación de VIM para personas a liderar equipos de misión y hacer capacitación en liderazgo VIM disponibles en manera continua.

### **Soporte de Respuesta ante Desastres**

La oficina de Extensión de Vitalidad sigue apoyando el proceso de trabajo del Comité de Respuesta a Desastres de la Conferencia. Muchas iglesias respondieron a las inundaciones en mayo de 2015 en las zonas de Río Blanco y Coastal Bend dentro de la Conferencia al proporcionar presencia de respuesta inmediata, donaciones de inundación de cubeta y monetarias. Estas iglesias continúan ahora en respuesta de recuperación a largo plazo. En septiembre de 2015, un equipo de gestión de casos de Río Texas comenzó a trabajar en Martindale en relación con el equipo de recuperación Regional del Río Blanco [BR3T] que fortalece la coordinación de toda la zona de desastre en los condados de Caldwell, Hays, Blanco y Guadalupe, compartiendo información, simplificando el acceso a residentes y resolviendo conjuntamente los casos con necesidades pendientes. En marzo de 2016, un gerente de caso de Río Texas comenzó a trabajar con el Comité de recuperación a largo plazo de Coastal Bend que sirve a sobrevivientes de la inundación de tierras bajas cuando los ríos de la zona fueron inundados como consecuencia de las tormentas que ocurrieron en altiplano. -Dos becas de \$100k de la United Methodist Committee on Relief [UMCOR] junto con fondos de desastre de la Conferencia apoyan nuestra presencia de gestión de casos. Cada beca cubre gestión de casos durante un año en su respectiva área.

Más allá, hay necesidad de continuación: 1.) para proporcionar un flujo constante de equipos de trabajo de recuperación a largo plazo en cada área, 2.) para recibir apoyo de fondos de las iglesias locales hacia el fondo de desastres de la Conferencia y 3.) para la recaudación de nuestra fuente de cubeta de inundación. Pronto estará disponible entrenamiento para las iglesias locales en "Vecinos en Conexión", un programa de UMCOR que intende inspirar a congregaciones y comunidades a estar mejor equipadas para minimizar el daño causado por desastres a personas y propiedades y para responder a nuestros vecinos en maneras útiles, cooperativas y dedicadas en nombre de la iglesia y en el espíritu de Jesucristo. A través de "Vecinos en Conexión", congregaciones adiestradas contra desastres verán su preparación y respuesta como una misión y ministerio de la iglesia.

### **En Misión Unidos [IMT] – Asociación del 50/50**

La oficina de Extensión de Vitalidad continúa trabajando para establecer el proceso de asociación 50/50 como una plataforma de aprendizaje fundamental para las iglesias locales. Una iniciativa de la Junta General de Ministerios Globales [[GBGM] - en Misión Unidos [IMT] es una red de colaboración global disponible para equipar a la Conferencia, el distrito o la iglesia para las asociaciones transformacionales en misión en los Estados Unidos y alrededor del mundo. Considerando que un enfoque tradicional a la misión es a menudo de alivio a corto plazo y basado en las necesidades inmediatas, esta nueva visión de asociación abarca desarrollo basado en fondos y a largo plazo. Socios se comprometen mutuamente a través de un Convenio de Asociación 50/50 de IMT. Es un pacto sagrado a participar igualmente, 50/50, como el cuerpo de Cristo mediante la utilización de habilidades y recursos de todo participante. Un marco 50/50 previene dependencia y fomenta autosuficiencia. Estos principios se dirigen a cuestiones sistémicas en vez de tratar los síntomas. IMT es GLOCAL (es decir, global y local) y equipa a los socios con una base de valores que sea transculturalmente apropiada para la gran variedad de contextos ya sea en los Estados Unidos o alrededor del mundo. Actualmente, tres distritos, El Valle, Capital y Coastal Bend están participando en este proceso por medio de eventos de capacitación y continuación del trabajo de desarrollo. Para ayudar a exponer la Conferencia a este enfoque de ministerio, Patrick Friday, Director de la Junta de la IMT – Ministerio de Asociación 50/50 ofrecerá un momento de enseñanza durante la Conferencia Anual de 2016.

### **Desarrollo Comunitario Basado en Activos [ABCD]**

Las Iglesias que abrazan y crecen en dinámica de aprendizaje y principios basados en activos de la Asociación del 50/50 de IMT forman parte de la cultivación de relaciones de transformación con las comunidades para enfrentar los desafíos sistémicos. Algunas iglesias en la actualidad pueden emplear enfoques ABCD a través de sus ministerios de alcance en las comunidades, particularmente donde los ministerios Methodist Healthcare - Wesley Nurses y Agentes de Salud Comunitarios se encuentran. Al proporcionar aprendizaje y comprensión basado en el ABCD donde se aplique ABCD ayudará a apoyar iniciativas misionales en los distritos e impacto colectivo coherente a través de la Conferencia.

### Proyecto de Transformación [PT]

Comúnmente conocido por unir el ministerio holístico de estudiantes de colegio, niños y la misión del Proyecto de Transformación [PT] ayuda a jóvenes a participar en liderazgo útil, apoyo a las familias y los niños marginados y conexión de las iglesias y comunidades necesitadas. Río Texas PT, ahora en su segundo año, proyecta incluir a 180 participantes en tres sitios este verano. El PT proporcionará plazas de internado para 26 estudiantes universitarios mientras dirige un nuevo programa de desarrollo de liderazgo con el objetivo de enseñar lo que significa ser líderes misionales en justicia social. Los sitios de verano del PT 2016 serán en Laurel Heights IMU– San Antonio, St. Paul IMU – San Antonio y First Bourne IMU. Con un presupuesto anual de \$227.604 – 19% [\$42.500] es apoyado por el presupuesto del Centro de Vitalidad de Misión de la Conferencia, otorgando el 53% de fuentes de apoyo externas, y 28% de apoyo de iglesias locales y otros fondos por recaudar.

El PT apoyó a 143 participantes en tres sitios durante el verano de 2015. En promedio, el 67% de los participantes fueron asistentes regulares (asistiendo por lo menos el 60% de días del programa). Aproximadamente el 86% de los participantes calificaron para alimento gratis o a costo reducido. El 100% de los participantes que recibieron prueba antes o después del curso mantuvieron o aumentaron su nivel de lectura. 27% de los participantes mantuvieron su nivel de lectura y 73% crecieron al menos un nivel. El crecimiento mediano de lectura fue de un nivel. Más de 260 voluntarios de más de 25 iglesias metodistas diferentes ayudaron en el programa de lectura, proporcionaron cenas para los internados y donaron dinero o suministros en el verano de 2015. El PT proporcionó internados para 25 estudiantes. 95% de los internados informaron el deseo de continuar sirviendo a sus comunidades después de participar en el Proyecto de Transformación. 100% de internados informaron que ellos adquirieron habilidades a través de su trabajo en el Proyecto de Transformación que podrán utilizar en el futuro, en su educación o en su empleo. Estas habilidades incluyen destrezas de liderazgo, gestión de tiempo, organización y habilidades de comunicación.

### Justicia para Nuestros Vecinos [JFON] y Abrazando al Peregrino

La oficina de Vitalidad de Extensión sigue trabajando para conectar, recaudar, aprender e interpretar los distintos ministerios de inmigración de hospitalidad, educación, apoyo espiritual y servicios prácticos a través de la Justicia para Nuestros Vecinos [JFON], [www.njfon.org](http://www.njfon.org), y otro trabajo relacionado a esta área dentro de la Conferencia, tales como la Coalición Acogedora Interreligiosa (Interfaith Welcoming Coalition), [www.texasiwc.org](http://www.texasiwc.org). Este trabajo tiene implicaciones profundas y provee conexión con la presencia de nuestra iglesia en proximidad y dentro de las comunidades “colonias” en la frontera de los Estados Unidos, Texas y México, así como asociaciones potenciales de iglesia con iglesia en México y América Central. Durante el año 2015, los ministerios de Austin, [www.jfonaustin.org](http://www.jfonaustin.org), y JFON de San Antonio recibieron \$25.500 en apoyo del Centro de Vitalidad de la Misión de la Conferencia.

## RIO TEXAS CONFERENCE - ONE GREAT HOUR OF SHARING 2015

### FOR INFORMATION

One Great Hour of Sharing is one of the six recognized church-wide Special Sundays with offerings of the United Methodist Church. One Great Hour of Sharing was established before World War II to underwrite national and international outreach efforts of the United Methodist Church. Since then, all of the funds given support the work of the United Methodist Committee on Relief (UMCOR). This allows UMCOR to respond immediately to unexpected needs such as floods, fires, or other natural disasters and for UMCOR to guarantee that 100% of gifts given through the Advance reach their designated program or project. UMCOR's work includes disaster response, global development, refugee ministries, and hunger and poverty.

In 2015, the total One Great Hour of Sharing offering from Rio Texas churches was \$87,251.67.

These churches led the way in giving:

- Capital District: Bethany UMC, Austin
- Coastal Bend District: First UMC, Corpus Christi
- Crossroads District: First UMC, Gonzales
- El Valle District: First UMC, McAllen
- Hill Country District: First UMC, New Braunfels
- Las Misiones District: Coker UMC, San Antonio
- West District: First UMC, Sterling City

Participation in the One Great Hour of Sharing offering is one of two basic requirements for local churches wanting to achieve Five Star mission giving status. (The other requirement is 100% payment of apportionment askings.)

Thanks to all the congregations that supported this vital offering in 2015 and made it possible for the United Methodist Church to reach out in caring to our neighbors in need.

UMCOR responda inmediatamente a necesidades inesperadas tales como inundaciones, incendios u otros desastres naturales y para que UMCOR garantice que el 100% de las ofrendas recaudadas a través del Avance lleguen a su programa o proyecto señalado. El trabajo de UMCOR incluye respuestas a desastres, desarrollo global, ministerios de refugiados y al hambre y la pobreza.

En el año 2015, la ofrenda total de Una Gran Hora de Compartir de las iglesias de Rio Texas fue de \$87.251,67.

- Distrito Crossroads: First UMC, Gonzales
- Distrito del Valle: First UMC, McAllen
- Distrito Hill Country: First UMC, New Braunfels
- Distrito Las Misiones: Coker UMC, San Antonio

La participación en la Ofrenda de Una Gran Hora de Compartir es uno de los dos requisitos básicos para las iglesias locales que quieren lograr el estado de Cinco Estrellas de Misión. (El otro requisito es el pago de 100% de las asignaciones).

Gracias a todas las congregaciones que apoyaron esta ofrenda vital en 2015 e hicieron posible que la Iglesia Metodista Unida pudiera alcanzar a nuestros vecinos necesitados.

## RIO TEXAS CONFERENCE - HARVEST SUNDAY 2016

### FOR ACTION

The Transforming Communities Vision Team recommends the following for approval by the 2016 Annual Conference:

That the Rio Texas Conference recognize Sunday, November 6, 2016, for the participation of congregations in the Harvest Sunday offering.

That participation of congregations be acknowledged as action toward meeting United Methodist goals of “engaging in ministry with the poor” and “combating the diseases of poverty by improving health globally.”

That the distribution of the 2016 Harvest Sunday offering be as follows:

**1/3 of the total collected in each district will be returned to that district for hunger ministries there**

The remaining 2/3 of the total offering will be divided equally:

#### **Food pantries in the El Valle District**

Several of the poorest counties in the country can be found in the Rio Grande Valley of Texas. In some parts of the Valley, 1 in 2 children go to bed hungry every day. A portion of the Harvest Sunday offering will be used to help provide food for our neighbors in special need in the Rio Grande Valley, right here in our annual conference.

#### **Indigenous Women’s Vegetable Gardening and Leadership Project, Guatemala**

Forty Mayan women are being trained in organic farming techniques and they in turn will train another 850 more women in their communities. Benefits of the project are (1) promotion of organic farming, which preserves the land; (2) improved family nutrition; (3) preservation of native food crop species; (4) promotion of women’s leadership skills; and (5) creation of a model of development that can be replicated elsewhere.

## CONFERENCIA RÍO TEXAS - DOMINGO DE COSECHA 2016

### PARA ACCIÓN

El Equipo de Visión de Transformar Comunidades recomienda lo siguiente para aprobación por la Conferencia Anual de 2016:

Que la Conferencia Río Texas reconozca el Domingo, 06 de noviembre de 2016, para la participación de congregaciones en la Ofrenda del Domingo de Cosecha.

Que la participación de las congregaciones se reconozca como acción hacia el cumplimiento de objetivos metodistas unidos de "participar en el Ministerio con los pobres" y "la lucha contra las enfermedades de la pobreza por mejorar la salud a nivel mundial."

Que la distribución de la Ofrenda del Domingo de Cosecha de 2016 sea como sigue:

**1/3 del total recogido en cada distrito se devolverá a ese distrito para ministerios de hambre allí**

Los restantes 2/3 de la ofrenda total se dividirá igualmente como sigue:

#### **Despensas de alimentos en el Distrito del Valle**

Varios de los condados más pobres en el país se encuentran en el Valle del Río Grande de Texas. En algunas partes del Valle, cada 1 de 2 niños se duerme con hambre diariamente. Una porción de la Ofrenda del Domingo de Cosecha se utilizará para ayudar a proveer alimentos para nuestros vecinos en necesidad especial en el Valle del Río Grande, aquí en nuestra Conferencia Anual.

WHEREAS, The United Methodist Church, according to its Social Principles (§ 164. ## RESOLUCIÓN A TRABAJAR HACIA LA DEROGACIÓN DE LA PENA DE MUERTE EN TEXAS PARA INFORMACIÓN SOLAMENTE

Considerando que la Iglesia Metodista Unida, según sus principios sociales (§ 164. G.), cree que "la pena de muerte niega el poder de Cristo para redimir, restaurar y transformar a todos los seres humanos" y "se opone a la pena de muerte (pena capital) e insta su eliminación de todos los códigos penales"; y

CONSIDERANDO que, en el estado de Texas:

- 533 persons se han puesto a muerte desde que el estado reanudó las ejecuciones en 1982; y
- Según el Departamento de Justicia Criminal de Texas, más del 20% de los 251 presos en el corredor de muerte de Texas son diagnosticados con algún tipo de enfermedad mental y
- entre las personas ejecutadas desde 1982 al menos nueve se consideraban intelectualmente incapacitadas; y
- Entre los ejecutados desde 1982, 13 eran menores de edad cuando sus crímenes se cometieron; y
- La raza del acusado parece desempeñar un papel significativo en la aplicación de la pena de muerte en Texas. Mientras que los afroamericanos constituyen sólo el 12,5% de la población en Texas, constituyen el 42.6% de condenados a muerte. Entre los ejecutados desde 1982, 110 africanos americanos fueron puestos a muerte por crímenes contra víctimas blancas y sólo cuatro personas blancas fueron ejecutadas por crímenes contra africanos

americanos; en los últimos cinco años 60% de todas las nuevas condenas de muerte se han impuesto en personas de raza negra; y

- Desde 1973, 13 personas condenadas a morir más tarde se demostró su inocencia y fueron eliminadas del corredor de la muerte de Texas; y
- El Proyecto Inocencia de Texas ha señalado a la probabilidad de uno o más personas inocentes que han sido ejecutadas; y
- El promedio de costo de un caso de pena de muerte es casi tres veces más alto que el de encarcelar a alguien en seguridad máxima por vida (40 años); y
- El uso de la pena de muerte en todo el estado está plagado de ineficiencia y desigualdad; *ahora pues,*

SEA ENTONCES RESUELTO, que la Conferencia Anual Rio Texas de 2016 de la Iglesia Metodista Unida reunida en Corpus Christi, Texas hace:

- Un llamamiento a todos los miembros del clero de la Conferencia Anual para firmar la declaración Interreligiosa de Oposición a la Pena de Muerte, auspiciada por la Coalición de Texas para la Abolición de la Pena de Muerte antes de la sesión legislativa de 2017 del Estado de Texas; y

#### INTERFAITH STATEMENT OF OPPOSITION TO THE DEATH PENALTY

Dear Texas Legislators, Governor Abbott, and other elected officials,

We, the undersigned faith leaders, reflecting the rich diversity of faith traditions observed in this great state, stand together in expressing our deep concerns about the death penalty in Texas. Our concerns are both moral and practical

and are rooted in our religious traditions. We write to you today to call for the end of the death penalty in Texas in the belief that this practice is not in the best interest of our State, our justice system, or the safety of our people.

We join with many Texans in questioning our state’s death penalty system, which has consistently been shown to be unfair and inaccurate. Texas leads the nation in the number of executions carried out each year. In fact, our state is a significant outlier in this regard, accounting for more than one third of all executions nationwide since 1976. Well---documented evidence suggests that often it has not been the crime itself but rather such factors as race, socioeconomics, geography, or politics that have determined the application of the death penalty. Another grave concern is the number of individuals who have been wrongfully convicted and spent years on death row for crimes they did not commit.

As faith leaders, we are greatly disturbed by the presence of violence in our communities. We believe that instead of allocating scarce resources to fund an irrevocably flawed capital punishment system, the State of Texas should invest in victim support services, effective law enforcement, drug treatment programs, child and family services, and mental healthcare – all measures that hold potential for preventing future acts of violence. We should do all we can to make sure our state’s resources are directed towards the improvement of life, not its destruction.

We firmly believe that those who commit terrible crimes should be held accountable for their actions and we advocate for a justice system that is both humane and restorative. It is particularly important to us to support the victims of violent crimes and their family members in their grief and suffering and promote measures that will facilitate their healing. In responding to one of our greatest societal problems, we believe the state must consider solutions to violent crime that address our communities’ need for safety and healing, not retribution.

As people of faith, we take this opportunity to reaffirm our opposition to the death penalty and to express our belief in the sacredness of human life and in the human capacity for redemption. It is this respect for all life that prompts us to join the diversity of voices across the state calling for repeal.

We urge you, our elected officials, to take a closer look at the reality of capital punishment in Texas and ask that you seek alternative ways to achieve healing and justice for all those who suffer in the wake of violent crimes. We thank you for your leadership and we pray for the time when our state is led away from this unnecessary, arbitrary, and outmoded form of punishment.

Sincerely,

A nivel nacional y en Texas, las comunidades de fe juegan un papel crítico en los debates públicos sobre el futuro de la pena capital de muerte.

El 09 de marzo de 2015, TCADP y Texas Impact publicaron la lista de firmantes de hasta la fecha a funcionarios electos, a los medios de comunicación y al público como parte del Faith Leader Advocacy Day at the State Capitol in Austin. Más de 550 líderes religiosos han apoyado la carta hasta la fecha. Continuaremos a recoger endosos y mantener una lista completa de firmantes.

TCADP y Texas Impact agradecen mucho su buena disposición para incluir su voz en esta conversación importante. Por favor, háganos saber si tiene alguna pregunta acerca de la carta y ponerse en contacto con [info@tcadp.org](mailto:info@tcadp.org).

#### DECLARACIÓN INTERRELIGIOSA DE OPOSICIÓN A LA PENA DE MUERTE

Estimados legisladores de Texas, Gobernador Abbott y otros funcionarios elegidos,

Nosotros, los líderes de fe que aquí suscribimos, reflejando la rica diversidad de tradiciones religiosas en este gran estado, nos unimos para expresar nuestra profunda preocupación acerca la pena de muerte en Texas. Nuestras preocupaciones son morales y prácticas y están arraigadas en nuestras tradiciones religiosas. Le escribo hoy para pedir el fin de la pena de muerte en Texas en la creencia de que esta práctica no es en el mejor interés de nuestro estado, de nuestro sistema de Justicia o de la seguridad de nuestro pueblo.

Nos unimos con muchos tejanos escudriñando el sistema de pena de muerte de nuestro estado que se ha demostrado ser injusto e inexacto. Texas conduce a la nación en el número de ejecuciones llevadas a cabo cada año. De hecho, nuestro estado es un anclario significativo en este sentido, con responsabilidad de más de un tercio de todas las ejecuciones en todo el país desde 1976. Bien documentada evidencia sugiere que a menudo no ha sido el delito mismo sino más bien factores tales como raza, socioeconomía y geografía que han determinado la aplicación de la pena de muerte. Otra preocupación es el número de personas que han sido injustamente condenadas y que han pasado años condenados a muerte por crímenes que no cometieron.

Como líderes de fe, estamos sumamente perturbados por la presencia de violencia en nuestras comunidades. Creemos que en lugar de asignar los recursos escasos para financiar un sistema de pena de muerte irrevocable e imperfecto, el estado de Texas debería invertir sus recursos en servicios de apoyo de la víctima, efectivos métodos policiales, programas de tratamiento de drogas, servicios infantiles y familiares y salud mental – todas cuales medidas que tienen potencial para la prevención de futuros actos de violencia. Debemos hacer todo lo que sea posible para asegurar que los recursos de nuestro estado sean orientados hacia la mejora de la vida, no hacia su destrucción.

Creemos firmemente que aquellos que cometen terribles crímenes deben rendir cuentas por sus acciones y abogamos por un sistema de justicia que sea humano y restaurador. Es particularmente importante para nosotros apoyar a las víctimas de delitos violentos y a sus familiares en su dolor y sufrimiento y promover medidas que faciliten su recuperación. En respuesta a uno de nuestros mayores problemas sociales, creemos que el estado debe considerar soluciones contra la delincuencia violenta que respondan a las necesidades de seguridad y sanidad de nuestras comunidades, y no de retribución.

Como pueblo de fe, aprovechamos esta oportunidad para reafirmar nuestra oposición a la pena de muerte y para expresar nuestra creencia en lo sagrado de la vida humana y en la capacidad humana para redención. Es este respeto a la vida que nos impulsa añadirnos a la diversidad de voces en todo el estado que pide derogación de la pena de muerte.

Rogamos a los funcionarios electos, que echen un vistazo a la realidad de la pena capital en Texas y pedir que busquen maneras alternativas de alcanzar bienestar y justicia para todos aquellos que sufren como resultado de los crímenes violentos. Gracias por su liderazgo y oramos por el día cuando nuestro estado se aparte de esta forma de castigo innecesario, arbitrario y anticuado.

Atentamente,

**BOARD OF ORDAINED MINISTRY  
REPORT I  
CHAIRPERSON'S REPORT**

FOR INFORMATION ONLY

Bishop, sisters and brothers of the Río Texas Annual Conference greetings in the name of our Lord and Savior Jesus Christ. Since last we met The Board of Ordained Ministry has been hard at work on behalf of the conference, discerning, developing and equipping our clergy leaders. We are continuing to live in to the new Rio Texas Conference and have found God's grace in times and places it is needed as we continue to deal with candidates from two separate parent conferences. In addition we have continued to work closely with our District Committees on Ministry in developing more uniform procedures and processes for our candidates from across the conference. This increased collaboration has meant a more similar experience for candidates whether they come from the West District, Capital District, El Valle District or others. We are also beginning to develop resources for S/PPRC's that will enable them more guidance in the initial stages of a candidate's discernment.

We have now officially entered into our new relationship with The United Methodist Mission in Honduras as their corresponding annual conference. I have already been in country once to work with their committee on ordained ministry on developing practices and procedures that both fit our ethos and discipline as United Methodists and enable them to follow the leading of the Spirit in the development of future clergy. We are excited about all that will follow in our growing relationship with the mission as we develop a team from the Board to do ongoing work and evaluation with them.

In the midst of all of this we continue to do the work of interviewing candidates for ordination and leading Residency In Ministry (RIM) groups to help further develop the missional qualities of our clergy leaders. This year we are proud to present the following candidates for commissioning as provisional Elders:

C. Osvaldo Benitez, Robert Clark, Aaron A. Gonzalez, Glenn Arthur Luhrs, Amy Katherine McClung, John Njie Meande, Walter A. Prescher, III, Rebekah Cecilia Rochte, Bryan Jay Rogers, Michelle Jacquelynn Vernone, Adrienne Zermeno.

We are also proud to present the following for full membership and ordination:

- Elders: Juan Cantú, Jr., Wilson Pruitt, Elsa Ramírez, Joseph John Tognetti, Maribel Vázquez, Billie Watts.
- Deacons: David A. Corna, Elizabeth Klar, Lisa Winnek Rush, Catherine Linea Stone, Anna Katherine Troy.

We are proud to present the following for Associate Membership: Baldemar Barrera, Everett McCarley, Audrey Spencer.

We are proud to present the following for Recognition of Orders: Ricardo Rubio.

Blessings,  
Rev. Adam Knight  
Chairperson

**INFORME DE LA JUNTA DE MINISTERIO ORDENADO DE LA CONFERENCIA ANUAL RÍO TEXAS**

PARA INFORMACIÓN SOLAMENTE

Sr. Obispo, hermanas y hermanos de la Conferencia Anual Río Texas:

Saludos en nombre de nuestro Señor y Salvador Jesucristo. Desde que nos reunimos anteriormente la Junta de Ministerio Ordenado ha estado trabajando arduamente en nombre de la Conferencia, discerniendo, desarrollando y equipando a nuestros líderes del clero. Continuamos a vivir en la nueva Conferencia Río Texas y hemos encontrado la gracia de Dios en tiempos y lugares donde se necesita al continuar a tratar con los candidatos de las dos conferencias patrocinadoras. Además continuamos trabajando en próxima colaboración con nuestros Comités de Distrito en el Ministerio, en el desarrollo de procesos y procedimientos más uniformes para nuestros candidatos de toda la Conferencia. Esta mayor colaboración ha significado tener una experiencia más similar a los candidatos que provienen del distrito Oeste, Distrito Capital, El Valle y otros. También estamos empezando a desarrollar recursos por S/PPRC que les permitirá mayor orientación en las etapas iniciales del discernimiento de candidato.

Hemos entrado oficialmente en nuestra nueva relación con la misión Metodista Unida en Honduras, como conferencia anual correspondiente. Ya he estado en el país una vez para trabajar con su Comisión del Ministerio Ordenado, en el desarrollo de prácticas y procedimientos que forman nuestro espíritu y disciplina como Metodistas Unidos y que les permitan seguir la guía del Espíritu en el desarrollo de futuros clérigos. Estamos emocionados por todo lo que seguirá en nuestra creciente relación con la misión al desarrollar un equipo de la Junta para hacer el trabajo en curso y la evaluación del mismo.

En medio de todo esto continuamos a hacer el trabajo de entrevistar a candidatos para ordenación y dirigir grupos de Residencia en el Ministerio (REM) para ayudar a desarrollar las cualidades misionales de nuestros líderes del clero. Este año tenemos el orgullo de presentar los siguientes candidatos para comisión de Presbíteros Provisionales:

C. Osvaldo Benítez, Robert Clark, Aarón A. Gonzalez, Glenn Arthur Luhrs, Amy Katherine McClung, John Njie Meande, Walter A. Prescher, III, Rebekah Cecilia Rochte, Bryan Jay Rogers, Michelle Jacquelynn Vernone, Adrienne Zermeno.

Bendiciones,

Rdo. Adam Knight, Presidente

## REPORT II CLERGY WELLNESS

FOR INFORMATION ONLY

The Rio Texas Conference Clergy Wellness incentive program has offered incentive-driven activities that lead to better health and self-care for several years. In the autumn of 2015, a survey was conducted among Rio Texas Conference clergy to gain more insight on self-care issues and needs that clergy were facing. Among those who participated, a large majority indicated an interest in more options and flexibility in the program and a desire to learn more about self-care practices and activities. Based upon this feedback, the 2016 Clergy Wellness program was revised to focus upon a new wholistic approach to wellness to include care for the spirit, mind, and body. Clergy are invited to select activities in each of these categories, complete the activities, and they receive incentives to encourage and support them for their efforts. If clergy complete an activities in all three categories in this year's program, they receive a special bonus incentive for their overall participation. Each of these wellness components includes more options and flexibility to allow for the great variety of clergy needs, lifestyles and busy +schedules. For 2016, the program has now been expanded to include Conference staff because of their vital work to support the leadership efforts of all of the Conference, including the work of clergy. The Clergy wellness program is extended to all clergy serving in appointment in the Rio Texas Conference. It is uniquely designed to work in cooperation with the incentive program offered by the Conference insurance. A number of key partnerships with wellness agencies and organizations have been established to further support this program, to include Ecumenical Center for Religion and Health, Reah Ministries, Wesley Nurse Ministries, West Texas Counseling Center, and Samaritan Counseling Center. A new Clergy Wellness App designed for mobile devices has been developed by the Media and Communications Center to make the program more accessible to users. Efforts will continue in seeking ways to support clergy in prioritizing and incorporating wellness and self-care into their ordinary lives. Great appreciation is extended to the generous partnership and support of Methodist Healthcare Ministries, which has remained devoted to caring for wellness and development of clergy who care for others. In addition, extensive gratitude is due to Eve Albert, administrative assistant to the Leadership Vitality office, for her assistance in processing the administrative work of the program.

Respectfully Submitted,

Marcus A.L. Freeman, III, Director, Leadership Vitality

## REPORTE DE BIENESTAR DE CLÉRIGOS

SOLAMENTE POR INFORMACIÓN

El Programa de Bienestar de Clérigos con Incentivos de La Conferencia Río Texas (Clergy Wellness Incentive Program) ha ofrecido actividades impulsadas por incentivos que conduzcan a una mejor salud y autocuidado durante varios años. En el otoño de 2015, se realizó una encuesta entre los clérigos de la Conferencia Río Texas para obtener más información sobre cuestiones de autocuidado y necesidades que los clérigos enfrentaban. Entre aquellos que participaron, una gran mayoría indicó su interés en más opciones y flexibilidad en el programa y un deseo de aprender más acerca de autocuidado y actividades. Basado en esta información, el Programa de Bienestar de Clérigos de 2016 se revisó con un nuevo enfoque integral para incluir el cuidado para el espíritu, mente y cuerpo. Los clérigos son invitados a seleccionar actividades en cada una de estas categorías, completar las actividades y para recibir incentivos para animarlos y apoyarlos en sus esfuerzos. Si los clérigos completan una actividad en cada una de las tres categorías del programa de este año, recibirán un bono especial como incentivo por su participación total. Cada uno de estos componentes de bienestar incluye más opciones y flexibilidad para permitir la gran variedad de necesidades, estilos de vida y sus ocupadas agendas. Para 2016, el programa se ha ampliado ahora para incluir los empleados de las conferencias debidas a su trabajo vital para apoyar los esfuerzos de todos los líderes de la Conferencia, incluyendo el trabajo con los clérigos. El Programa de Bienestar de Clérigos se extiende a todos los clérigos que sirven en un nombramiento en la Conferencia de Río Texas. El programa está diseñado de forma exclusiva para trabajar en cooperación con el programa de incentivos ofrecidos por el seguro de salud de la Conferencia. Una serie de importantes colaboraciones con asociaciones y organizaciones de bienestar han sido establecidas para apoyar este programa, ellos incluyen el Centro Ecueménico para la Religión y la Salud, Ministerios Reah, Ministerio de Enfermeras Wesley, El Centro de Consejería del Oeste de Texas, y el Centro de Consejería Samaritano. Un nuevo App para el Programa de Bienestar de Clérigos se ha diseñada para aparatos electrónicos (iPhone/iPad) ha sido desarrollado por el Centro de Comunicaciones y medios para hacer el programa más accesible a los usuarios. Continuaremos los esfuerzos en la búsqueda de maneras de apoyar al clérigo en la priorizando y la incorporando el bienestar y el auto-cuidado en sus vidas ordinarias. Gran agradecimiento a la generosa colaboración y apoyo de "Methodist Healthcare

Ministries”, que ha permanecido devoto al cuidado del bienestar y desarrollo del clérigo quien cuida de otros. Además, un agradecimiento extensivo se debe a Eva Albert, Asistente Administrativa en la Oficina de Vitalidad de Liderazgo (“Leadership Vitality”), por su ayuda en procesando los trabajos administrativos del programa.

Respetuosamente Sometido,

## RIO TEXAS MISSION VITALITY CENTER DIRECTOR'S 2016 REPORT

FOR INFORMATION ONLY

The mission of the Rio Texas Mission Vitality Center (MVC) is to align and direct the flow of attention, energy, and resources to foster and sustain an increase in the number of vital Rio Texas Conference (RTC) congregations effective in reaching the mission field to make disciples of Jesus Christ for the transformation of the world. We provide churches with the tools they need for creating vital congregations, uniting peoples, transforming communities and developing leaders. These tools include helping the districts to better serve the local churches in their mission by using and leveraging technology to help congregations connect with each other.

In this past conference year, we focused on clarifying our vision, formalizing our internal systems to increase collaboration and effectiveness, aligning the Center's resources with the districts, building capacity for delivery and training of conference initiatives within the districts, and developing policy that helps support the missional work of districts and local congregations.

This report describes the various resources and initiatives the Mission Vitality Center offers, as well as initiatives that are currently in development.

**Grants:** MVC grants offer financial assistance from conference apportionment funds and property sale proceeds to a district or local church to carry out the mission of the church to reach new people, younger people, and more diverse people to become world-changing disciples of Jesus Christ. Three grants are available to local congregations and districts:

**New Places, New People Grant (\$175,000)** – Using apportioned funds and open to lay-led volunteer initiatives in local congregations with district approval, this grant must show measurable discipleship plans that are specific about how new people will be reached and how the church will work with them to become disciples of Christ. In addition, the grant proposal must show how the plan will be financially sustainable within three years and it should show the ability to replicate the initiative in other parts of the conference. Visit <http://riotexas.org/new-places-new-people-grants> for more information.

**Missional Vitality Grant** – Funds for this grant come from surplus apportionment funds carried over from the prior year. The two primary objectives of the grant are to increase the number of vital and missional congregations within the district and the conference by enabling districts to have the financial resources to equip, train, and coach clergy, laity, and congregations on how to implement RTC-aligned missional initiatives. All seven RTC districts are eligible to apply. Visit <http://riotexas.org/missional-vitality-grants> for more information.

**Urban Ministry Fund Grant**- This grant is funded from the sale of properties abandoned by discontinued congregations in counties with more than 50,000 in population, subject to availability. Funds obtained by the sale of former Rio Grande Conference properties are to given highest priority for use with Hispanic and Latino populations and ministry. The grants, available to all seven RTC districts, are aimed at starting new faith communities in urban areas to reach and gather new people in new places for the work of the church; developing ministries with the poor that evangelize, advocate for justice, and work toward changing the community for the welfare of the people; and developing effective and sustainable ministries with existing residents or newcomers at a site in an urban area with cultural, economic, or ethnic groups different from the original or present members. For more information, visit <http://riotexas.org/urban-ministry-grants>.

**Collaborative Management System:** Efficient and effective collaboration systems are needed to help manage the development, delivery, and implementation of the various MVC projects and initiatives that ensure congregational and missional vitality. Some of these projects require multiple contributors, schedules, tasks, procedures, assignments, problem-solving, decisions, and so on; this means that a collaborative system is needed for linking and integrating the projects. Accordingly, the MVC is working to install a four-part high-performance collaborative management system – now at 75% implementation – so congregations, clergy, and laity will have the tools needed and speak the same collaborative language. Two districts will implement the new in the coming year.

**Rio Texas Development Foundation:** Conversations are underway to create a foundation to financially support missional activities throughout the annual conference. The foundation will be created with endowments and contributions given by individuals, families, and corporations for the support and promotion of the general welfare of our communities.

### CONGREGATIONAL VITALITY

Rev. Robert “Bob” Allen directs the Congregational Vitality (CV) office. Its purpose is to empower clergy and laity, churches and districts, with resources, tools, and skills to equip and make vital existing congregations to make disciples for the transformation of the world. This includes fostering Christian formation in all stages in the life of the church and its individual members.

To that end, Rev. Dr. Tanya Marie Eustace has been named assistant director of Intergenerational Discipleship for the RTC, effective July 1, 2016. An ordained deacon in the RTC, she has 19 years’ experience ministering to children and families in the local church and currently serves as director of Children and Intergenerational Ministries at Discipleship Ministries (formerly known as the General Board of Discipleship). Her first assignment is to meet individuals and to understand the needs of each district and its churches. A major emphasis is OPEN the UMBRELLA, a conference-wide initiative for meeting the needs of all children -- including safety, education, relationship, and spiritual needs -- and not just for the ones in the church but the children in the neighborhood around the church. The 2016-2017 focus is “Ensuring quality education for every child.” Steps include identifying and creating a relationship with the local school, listening to what the school needs, and picking one thing to do (like reading to kids, helping with food needs or school supplies, etc.)

**Church Vitality Initiatives:** Revitalization work continues as we offer vital tools for the restoration and reshaping of our local congregations. Whatever the stage of its ministry, each congregation should periodically be pausing and asking itself, “Are we faithfully fulfilling Christ’s call and commission for our church?” However, at certain points in the life of congregations, we reach a “fork in the road” where we need to ask how we are able, willing, and committed to move boldly forward in fulfilling God’s kingdom ministry. Much of the decline in our congregations can be attributed to our inability or unwillingness to change. For any local church to stay viable and vital, it must be willing to make significant changes to respond faithfully to our changing communities. To help struggling churches, CV offers coaching that encourages – helping churches become better moving toward great and helping great churches become even greater. To that end, CV offers several helpful tools and services: [Readiness 360](#), the [Missioninsite Report](#), the [Healthy Church Initiative](#), the [Small Church Initiative](#), the [Transformational Journey](#), the [Shift Workshop](#) and [Choosing the Faithful Path](#). CV can lead envisioning sessions, help coach, assist with conflict resolutions, and lead worship services of Healing and Reconciliation.

**Membership to Discipleship:** During the months of September and October 2015, more than 500 persons from all seven districts attended the Membership to Discipleship rollout led by Dr. Phil Maynard. A disciple is a follower of Jesus Christ for life, but there are phases of discipleship as we grow in Christ -- moving from exploring to beginning to grow to maturing in the areas of life in worship, hospitality, opening to and obeying Jesus, service, and generosity. An online survey is available to help a local congregation and individual disciples examine where they are in their development of the Christian life journey, and trained Discipleship Coaches can help lead churches on their Discipleship Journey (27 trained coaches are available).

**The Shifts Process – A New Network Experience:** Dr. Phil Maynard, director of [Excellence in Ministry Coaching](#), states that “helping congregations live into their potential” is the purpose of the Shifts Network process -- a 12-church network experience with six workshop experiences and six monthly coaching sessions for the pastor and five key leaders. The training includes workshops on several shifts every church needs to make to remain vital: from reacting to change to leading change, from fellowship to discipleship, from worship as an event to a lifestyle; from membership to discipleship, from “serve us” to service, from “survival” to generosity, and a shift toward building a culture of Incarnational hospitality and connection. The coaching sessions are not “one-size-fits-all,” but rather considers the context, resources, and capabilities of the congregation and helping the pastor and/or leadership team figure out what works best for the church. CV will work with district leadership about bringing the program to each local district.

**New Places, New People Initiative:** Gaining momentum to gather more people to Christ includes not only revitalizing our mission in existing churches but also starting new places for new people. The MVC allocated \$221,000 for this initiative; however, only two \$3,000 grant applications qualified for funding:

- St. Matthew UMC of San Antonio for its “Agua Viva” project, an outreach ministry to Spanish-speaking neighbors that began with 40 committed individuals visiting and inviting neighbors. Ministry includes a Spanish-language worship service and several Spanish-language Bible studies, Wesleyan Small Groups, and ESL classes. So far, 10 Hispanics have joined the church – and the numbers continue to grow.
- El Divino Rendentor UMC in McAllen for its “Kerygma Ministry project,” which is an outreach program reaching 40-50 families in a low-income mobile home park. A discipleship program was begun – mostly with women and children -- for the families facing situations resulting from drug addiction, domestic violence and single parenting. The program is sharing the love of God with children between the ages of 3 and 11 and their mothers, who meet twice a month to bring hope to these families.

Startup grant money is still available for new and unique lay-led ministries. This fund, however, cannot be used for staffing a position but in fulfilling God’s call for New People, New Places. Applications are available on the [riotexas.org](http://riotexas.org) website.

### NEW FAITH COMMUNITY VITALITY

New Faith Community Vitality (NFCV) supports local congregations, districts, clergy, and laity to start new faith communities within the conference boundaries.

Servant Church, the RTC’s newest United Methodist congregation, was officially chartered January 31, 2016. It was launched in 2010 by Rev. Eric Vogt as a church-within-a-church model, formed in partnership with existing United Methodist churches in the central/east Austin area.

Windsong (Rev. Stan Gonzalez), Casa Hermosa (Rev. Javier Leyva), Cimarron Praise (Rev. Dawn Baird), and Revive Community (Rev. Ruben Saenz III) are the four new church projects currently funded by the MVC. In its third year, Life in the City Church (Rev. Valerie

Sansing) in urban Austin is self-sustaining. The Journey (Rev. Kyle Toomire), Northeast Community (Rev. Emerson Allen), and Hope Arise (Rev. Reese Henry) continue to grow numerically and in self-sustainability.

Rev. CJ Tillinghast is now appointed to start a new faith community out of Seguin First in the Clear Springs area. Seguin First purchased 10 acres of land in Clear Springs eight years ago. Today, Seguin experiences abundant commercial growth and a thriving housing market, with 1,750+ new single-family rooftops planned.

Leander UMC, Bee Creek UMC, Spring Creek UMC, and Riverside Community UMC are discerning the next steps to start new faith communities in their surrounding areas.

## LEADERSHIP VITALITY

### Developing Leaders Vision Team / Office of Leadership Vitality

Rev. Dr. Marcus Freeman directs the Office of Leadership Vitality (LV), working closely with the Developing Leaders Vision Team to call and equip both lay and clergy leaders for the mission field, and to especially encourage younger leaders. The report this year is presented in two major sections: new and revised initiatives generated by the LV team and office and ongoing work of the coordinators of Book of Discipline-directed ministry areas as their work pertains to lay and clergy leadership development.

**New Initiatives:** The following reflects the new initiatives and leadership development areas facilitated or in collaboration with the Developing Leaders Vision Team and the daily work of the LV office of the MVC.

Model for Leadership in the RTC -- A three-component model for missional leadership in the RTC is being developed to form a framework under which new initiatives and ongoing leadership development resources can be understood. First, the work of leadership development will focus on core virtues that are inherent, can be assessed, and can develop over time, as well as core competencies such as communication skills that can be learned. Second are organizational management skills that can be developed through education and training. Thirdly, the model emphasizes social/spiritual leadership, in which strategies and capacities are developed in leaders to extend the ministry and Christian message to the mission fields of the church.

Wesleyan DNA Resource Guide As we strive to make disciples of Jesus Christ for the transformation of the world in today's unique and changing mission field, we must make sure that we stay grounded within our Wesleyan heritage. To help achieve this goal, Dr. Hal Knight (professor of Wesleyan Theology at St. Paul School of Theology) has compiled a resource called a "Wesleyan DNA Resource Guide" that assembles books, materials, and resources developed by the world's foremost Wesleyan scholars and historians. This reference tool can be used in a variety of ways, including developing curriculum resources, teaching and preaching themes, program development, and individual study.

Missional Leadership Development Curriculum – The Board of Ordained Ministry has set forth the qualities needed for a missional leader, and a curriculum has been developed based upon those qualities. Written by author and leadership specialist Ken Willard, the curriculum helps build capabilities of core competencies and virtues, organizational skills, and strategies for reaching the mission field. Twelve learning models include topics ranging from Cultural Proficiency and Justice and Advocacy to Faith in the Calling of God to Visioning Capacity and Conflict Resolution Skills to Spiritual Formation. A training for facilitators has been organized for July 23, 2016.

Apprenticeships In Ministry Local Church Young Adult Leadership Development College Intern Program - The RTC Apprenticeships in Ministry (AIM) program is an initiative of the MVC to develop experienced and skilled young adult Christian leaders, ages 18-25, for today's unique ministry challenges. Tapping the knowledge and wisdom of experienced pastors who have charge of leadership and oversight of the pastoral, sacramental, and missional ministries of congregations, AIM offers young adults responding to or discerning a call to ministry the opportunity to understudy seasoned and experienced pastoral and church leaders and develop practical skills for the practice of ministry.

Clergy Wellness Wholistic Care for Spirit, Mind, and Body – Based on a survey in late 2015, in which RTC clergy said they were interested in more options and flexibility regarding wellness and self-care, the clergy wellness program was revised in 2016 to focus on a new wholistic approach to wellness, including care for the spirit, mind, and body. Clergy who select activities in each of these categories and complete the activities will receive incentives to encourage and support them for their efforts. The program now includes RTC staff; several new partnerships with wellness agencies, including Ecumenical Center for Religion and Health, Reah Ministries, Wesley Nurse Ministries, West Texas Counseling Center, and Samaritan Counseling Center; and a Clergy Wellness App that is downloadable to cell phones and iPads.

Seminarian Connection – All seminary students from the RTC go to a seminary outside the geographic bounds of the RTC, and they are often subject to recruitment efforts by other conferences. Therefore, the Seminarian Connection works to create and maintain a connection between the RTC and candidates for ministry currently in seminary. It offers information, resources and support to keep those students tethered to the RTC; provides opportunities for conference entities to relate with and connect with seminarians; allows for recruitment efforts to occur at seminaries on behalf the conference; and includes other activities such as a newsletter to keep students up-to-date on conference events, scholarships, and special events.

Rio Texas Black Church Development Design Team & Strengthening the Black Church for the 21<sup>st</sup> Century - The RTC has organized the Black Church Development Design Team to address the vitalization and renewal needs of the African-American expression of United Methodism. A major step was the formation of a partnership with Strengthening the Black Church for the 21<sup>st</sup> Century, an initiative of the UMC's Upper Room designed to help United Methodist churches with predominantly African-American congregations become

more effective in their mission and ministry. So far, eight churches have applied and have been selected to launch this RTC initiative: Barnet Chapel, Corinth, East St. Paul, Jacob's Chapel, Northeast Community, Sanford Chapel, St. Peter's, and Wesley Harper.

Ongoing Work with Lay and Clergy Leadership Development -- This work in developing lay and clergy leadership is divided into two major categories of focus. Lay leadership development works with the RTC lay leaders and Board of Laity, Lay Servant Ministries, Higher Education and Campus Ministries, Parish Christian Educator's School, and the Academy for Spiritual Formation. Another major category of focus for ongoing work is clergy leadership development.

#### **Lay Leadership Development**

Co-Conference Lay Leaders/ "Rio Texas Lay Leadership Team" -- Planning for lay leadership development is going forward in the RTC following a meeting with Co-Conference Lay Leaders Ralph Thompson and Sandra Nieto, district and conference lay, Lay Servant Ministry, and other leaders. One decision was to replace the former name of the "Board of Laity" with a new name -- the "Rio Texas Lay Leadership Team" -- to give the team more flexibility to innovate and engage. A Laity Convocation is planned for the autumn of 2016; it will involve worship, fellowship, training, resourcing, and other activities, with the goal of inspiring, empowering, and equipping laity for a degree of service and ministry within the local church and out into the mission field.

Lay Servant Ministries -- Under the leadership of Conference Coordinator Sam Dubberly, Lay Servant Ministries continues to uphold its function "to serve the local church or charge (or beyond the local church or charge) in any way in which their witness or leadership and services inspires the laity to deeper commitment to Christ and more effective discipleship..." District directors support the vital ministries of the church throughout the districts and the conference. Regular and advanced Lay Servant training is ongoing. Higher Education and Campus Ministries -- Co-ordinators Rev. Jon Herrin and Rev. Margot Perez-Greene are working to maintain and further develop the relationships of the Campus Ministries located within the bounds of the RTC, which includes making resources available, managing and overseeing the Campus Ministries conference budget, and processing applications for college scholarships offered through the RTC and the General Board of Higher Education and Ministry where applicable. Four scholarships were awarded to college students from conference churches in 2015. In addition, a considerable number of college students received scholarships from the General Board of Higher Education and Ministries.

Other Leadership Development Programs -- The LV office serves as conference staff liaison for a number of additional lay leadership development programs. These include Parish Christian Educator's School -- which offers an ongoing program of providing training to small church/ethnic participants, both volunteer and salaried who serve as leaders of Christian education in local churches -- and the Academy for Spiritual Formation, which offers a five-day and two-year environment for spiritually hungry pilgrims that combines academic learning with experience in spiritual disciplines and community. Plans are underway for the next versions of these RTC academies in 2017 and 2018.

#### **Clergy Development**

The Board of Ordained Ministry -- Members of the Board of Ordained Ministry (BOD) are members of the Developing Leaders Vision Team; as such, they are charged with developing clergy leaders. These BOD members help uphold the disciplinary requirements of qualifying clergy for church leadership, while maintaining the conference mission for developing leaders. In addition, LV works with the BOD to provide pastoral care and professional development and training, Spanish language training for candidates for ministry, support for the clergy convocation, seminarian support as mentioned above, and further clergy support through clergy spouse events and activities.

Continuing Education Support for Clergy -- Clergy are always striving to earn continuing education units in fulfillment of their requirements for ongoing formation through training events, workshops, and other clergy development initiatives and networks. To achieve that goal, they often receive help from general agencies of the church or seminaries that sometimes sponsor these opportunities. Other educational opportunities may be developed or sponsored by the district superintendents in their roles as Chief Mission Strategists; district funding is possible through a grant awarded to the RTC from Methodist Healthcare Ministries specifically for this purpose.

Clergy Wellness Program: The 2016 Clergy Wellness Program, mentioned above, and its management and processing of responses and incentives as pertains to participating pastors continues to be a key ongoing program of support for clergy. The Developing Leaders Vision Team and the Office of Leadership Vitality is grateful for the generous partnership of Methodist Healthcare Ministries, which has remained devoted to caring for development and wellness of clergy who care for others. In addition, much gratitude is due to Eve Albert, administrative assistant to the LV office, for her assistance in processing a significant amount of the administrative work of the team and those served through the work of developing RTC leaders.

#### **OUTREACH VITALITY / TRANSFORMING COMMUNITIES VISION TEAM**

Abel Vega serves as the director of the Outreach Vitality (OV) office and as the conference staff liaison to the Transforming Communities Vision Team (TCVT). The TCVT works to mobilize and equip clergy, laity, and congregations in transforming communities and the world through opportunities and engagement around the areas of mission, specific ethnic concerns, and justice issues. The following reflects the ministry development areas facilitated or in collaboration with the TCVT and the daily work of the OV office of the MVC:

Managing Diversity for Understanding and Collaboration -- A conference-wide diagnostic survey revealed the challenges that churches in the RTC face in reaching the mission field. Better clarity and integration are needed to achieve the RTC's strategic elements ( vision, objectives, and initiatives) in organizational, social, financial, cultural, generational, racial, and gender challenges.. Accordingly, a workshop has been designed to address three critical issues: 1) Intercultural Understanding, 2) Intergenerational Understanding, and

3) the application of Cultural Intelligence to the integration of organizational collaboration systems. Trained facilitators are available to lead these workshops for ministry leaders and congregations to bridge across cultures to reach their respective mission fields.

Outreach and Missions Survey --A survey [www.riotexas.org/survey](http://www.riotexas.org/survey) was launched reaching out to all conference churches seeking to know the various outreach endeavors being used to reach the communities being served. Questions asked where the churches are connecting and responding to need within the conference, the country, and internationally through short-term mission work teams. Essentially 25% of RTC churches have responded thus far, with the ultimate goal being 100% survey participation. The fullest data possible is needed to understand the ways we are reaching communities, the value and impact of this work, and how alignment might occur to support missional initiatives within districts and across the conference for cohesive collective impact.

Disaster Response and Volunteers in Mission (VIM) - The OV office has actively supported the work of the RTC Disaster Response Committee, which has combatted multiple natural disasters in the last conference year. Many churches responded to the May 2015 flooding in the Blanco River and Coastal Bend areas, providing early response presence, flood bucket and monetary donations, and now continued long-term recovery response. Rio Texas case management teams began work in September 2015 at Martindale (in connection with the Blanco River Regional Recovery Team) and in March 2016 with the Coastal Bend Long Term Recovery Committee (serving survivors of low-land flooding that occurred when storms up stream flooded rivers in the area). The case management work was supported by conference disaster funds and two \$100,000 grants from the United Methodist Committee on Relief (UMCOR). Going forward, the RTC wants to establish a conference VIM committee that would partner with groups offering disaster response, communication, and coordination, including coordinating short-term responses to needs domestically and internationally, while working toward longer-term transformational relationships. Ideally, each district will have a VIM coordinator and committee for local disaster relief and training. In addition, more work is needed to help the steady flow of long-term recovery work teams in each area, fundraising support from local churches toward the conference disaster fund, and the replenishing of flood buckets. "Connecting Neighbors," an upcoming training for local churches offered by UMCOR, aims to help congregations become disaster-ready as a response and a ministry of the church as it cares for its neighbors in the spirit of Jesus Christ.

In Mission Together [IMT] – 50/50 Partnerships -- An initiative of the General Board of Global Ministries [GBGM], In Mission Together [IMT] is a global partnership network available to equip the conference, district or church for transformational partnerships in mission in the U.S. and around the world. Whereas a traditional approach to mission is often needs-based and short-term relief, this new vision of partnership embraces asset-based and long term development. Partners commit to one another through an IMT 50/50 Partnership Covenant, a sacred covenant to participate equally as the body of Christ by utilizing everyone's skills and resources. IMT is GLOCAL (both global and local) as it addresses systemic issues rather than treating symptoms, whether in the U.S. or around the world. One benefit is that IMT helps prevent dependency and fosters self-sufficiency. Currently, three districts -- El Valle, Capital, and Coastal Bend -- are engaging in this process through training events and follow-up development work. To assist in exposing the conference to this ministry approach, Patrick Friday (GBGM Director of the IMT – 50/50 Partnership ministry) will offer a teaching moment during the 2016 Annual Conference. As churches embrace and grow in IMT 50/50 Partnership learning dynamics, asset-based principles are part of cultivating transformational relationships with communities to address systemic challenges. Some churches may currently employ these approaches through their outreach ministries in communities, particularly where Methodist Healthcare Ministries' Wesley Nurses and Community Health Workers are located. Providing asset-based learning, as well as understanding where ABCD is applied, will help support missional initiatives within districts and across the conference for cohesive collective impact.

Project Transformation [PT] -- Commonly known as bringing the three C's – College students, Children, and - together for holistic ministry, Project Transformation's mission is engaging young adults in purposeful leadership, supporting underserved children and families, and connecting churches and communities in need. Rio Texas PT, now in its second year, projects to engage 180 participants at three sites this summer and will provide internships for 26 college students at Laurel Heights UMC and St. Paul UMC in San Antonio and First UMC in Boerne. With an annual budget of \$227,604, more than half (53%) is covered by external source grants, with the rest paid for from the MVC budget and local churches and funds yet to be raised. More than 260 volunteers from 25-plus different Methodist churches at three sites helped with activities during the summer of 2015, and internships were provided for 25 college students. PT served 143 participants at three sites that summer. Before and after reading testing showed almost three-fourths of the students grew by at least one reading level.

Justice for Our Neighbors [JFON] and Welcoming the Sojourner -- The OVC continues connecting, resourcing, learning from, and interpreting the various immigration ministries of hospitality, education, spiritual support, and practical services through Justice for Our Neighbors [JFON] [www.njfon.org](http://www.njfon.org); others working in this area within the conference include the Interfaith Welcoming Coalition ([www.texasiwc.org](http://www.texasiwc.org)). This immigration work has deep implications and connection with our church presence in close proximity to and within colonias communities across the U.S. Texas / Mexico border, as well as potential church-to-church partnerships in Mexico and Central America. During 2015, the Austin [www.jfonaustin.org](http://www.jfonaustin.org) and San Antonio JFON ministries received \$25,500 in conference MVC support.

#### **COMMUNICATIONS AND MEDIA**

As the Rio Texas Communications and Media director, Rev. Will Rice leads the RTC in using new and emerging technologies as tools for ministry. The Media Center helps local churches leverage technology that assists clergy, staff, lay leaders, and congregations better communicate in the rapidly changing digital language of the mission field. Below are some of the initiatives we have been actively pursuing since last annual conference.

- Annual Conference Communications: Our bi-weekly Unidos email blast now goes to 3,335 subscribers (Rio Texas clergy, conference lay leadership, church leadership, lay members and friends of the conference), with an average open rate of 42% and a click-through rate of 11.5% -- rates that are far above industry average. We continue to expand our social media strategy, although our Twitter follower numbers and Facebook likes are well below where they need to be. We believe that consistent content should drive those numbers up. Our website ([riotexas.org](http://riotexas.org)) continues to see traffic increases: 32,000 page views in March from 5,945 different users and 12,634 visits.
- Crisis Communications Plan: The Rio Texas Communications Office adopted a Crisis Communications Plan in line with the recommendations of United Methodist Communications. The purpose of the plan is to protect the image of the annual conference during any circumstance where the church's values are on trial in the court of public opinion. We have already initiated the plan once with the departure of our bishop. We plan to adopt annual training, as well as new staff trainings.
- Video Conferencing: The Rio Texas Annual Conference uses video conferencing to keep us connected to each other and the mission field. While there is nothing more powerful than meeting face-to-face, the physical size of the RTC makes it very difficult and expensive to meet in person and it often means that some voices will not be present at the table when decisions are made. To accommodate video conferencing, we have been investing in internal and external improvements and are consulting with two districts about video conference room setups. So far this year, video conferences have logged more than 400 hours in 73 different meetings and 360 participants. For times when video conferencing is not practical, we have also made teleconferencing easier and more affordable.
- Webinars: Opportunities for learning, training and sharing information are greatly enhanced when the obstacle of travel is removed and online learning is available. We are now able to host online webinars that can include several panelists and up to 100 attendees. Use of this technology was launched with our General Conference Delegation Listening Session Webinars, April 12-26, 2016. Members of our delegation were able to interact with members of the annual conference to discuss legislation before this year's General Conference.
- Clergy Email: Due to the complexities of trying to communicate with the clergy members of the annual conference, we have begun assigning individual email addresses to all clergy members, active and retired. This was rolled out at the 2016 Clergy Convocation and should be complete by annual conference. Once complete, all official correspondence from the conference will be sent using these email addresses.
- Technology Help for Local Churches: The main place ministry happens is at the local church. Therefore, assisting local churches in communicating is an important function of the Rio Texas Media Center. We currently offer website evaluations and detailed advice for creating new websites. Why is this important? Studies show that 75-90% of first-time church visitors visit a church's website before visiting a church's physical location. The communications staff stays current with all aspects of church communications and shares that information via one-on-one conversations and through [riotexas.org/media](http://riotexas.org/media). Our physical Media Center, which opened at the end of 2015, provides knowledge and equipment for churches to use to create new or better websites; film, edit and produce video content; and capture and edit digital images.
- No Church Left Behind - Local Church Technology Survey: Our New Church Left Behind Initiative aims to make sure all churches in the RTC have access to modern computers and broadband Internet so they can have access to tools and resources for reaching a changing mission field. This is not always the case. A survey of the approximately 380 churches in the RTC on the current state of their technology infrastructure and use asked questions about hardware, Internet connection, website and the use of technology. Nearly 40% of our churches don't have websites at all, and this doesn't count those who do have websites that are desperately out-of-date. More than 20% don't have Internet at the church at all and nearly 30% don't have enough bandwidth to take advantage of many services such as video conferencing and webinars. Some 20% of our churches don't have a functional computer. With the survey complete the next step will be to set a target profile of churches to be included in phase one of the project, which will involve equipping target churches with the equipment, software, and training needed to take advantage of current technology.
- Media Center - Located within the Conference Center in San Antonio, the Media Center is a full, high-definition video studio with cameras, lights and sound equipment. It is equipped with multiple computers with software for editing and producing videos, editing photos and creating websites. It is already being used by churches for such purposes as creating announcement videos for worship, producing a series of videos on prayer for the Lenten season, and filming promotional pieces for sermon series. It is also used consistently to produce content for the RTC website and social media.
- Website Help for Local Churches - The Media Center offers two free services for RTC churches related to websites. "Church Website Review" helps assess the quality and effectiveness of a church's website in terms of first impression, content, aesthetics, navigation, and search engine optimization (SEO), and it offers recommendations to the website to make it more effective and user-friendly. "Getting Started with a New Church Website" asks churches to complete a brief survey on the technical capacity of the church, budget availability, and perceived needs. The Media Center then completes a custom report with suggestions for getting started, including recommended platforms, content and tips for getting started. We have so far completed eight reports for local churches. We have completed eight "Getting Started" consults and 24 website reviews.
- General Technology Help for Local Churches: The Media Center gets a steady stream of questions and requests for help on all aspects of technology in the church. We do our best to stay up-to-date on the latest hardware, software, and cloud-based services so that we can offer advice and consultation. What we learn and share from these requests gets passed along to a wider audience

through the Media Center webpage. At [riotexas.org/media](http://riotexas.org/media), people can read about live streaming, social media, email, video conferencing and online giving. The resources continue to expand in response to requests from our local churches.

The Rio Texas Media Center will continue to expand its outreach through these various vehicles during the rest of 2016 and beyond. We want to partner with and make available to congregations and leaders a wide range of missional resources to ensure that we have all we need to make world-changing disciples of Jesus Christ.

In conclusion, the MVC will prioritize focus on aligning and directing the flow of attention, energy, and resources to foster and sustain an increase in the number of vital Rio Texas Conference (RTC) congregations. There is great excitement and we are steadily transitioning toward God's future with confidence! We are moving forward, learning new things, and embracing a larger missional picture that is more inclusive, more diverse, more peaceable, more righteous, and just. We are not afraid. God is with us. Christ sends us. The Spirit empowers us.

¡Adelante!

## CENTRO DE VITALIDAD DE LA MISIÓN DE RIO TEXAS INFORME 2016

SOLAMENTE PARA INFORMACIÓN

La misión del Centro de Vitalidad de la Misión de la Conferencia Rio Texas (de aquí, CVM) es alinear y dirigir el flujo de atención, energía y recursos para fomentar y sostener un aumento en el número de congregaciones vitales en la Conferencia Rio Texas (CRT) que sean eficaces en alcanzar el campo de misión para hacer discípulos de Jesucristo para la transformación del mundo. Proveemos a las iglesias las herramientas que necesitan para crear congregaciones vitales, uniendo a pueblos, transformando comunidades y desarrollando líderes. Estas herramientas incluyen ayuda a los distritos para servir mejor a las iglesias locales en su misión mediante el uso y aprovechamiento de la tecnología para ayudar a las congregaciones a conectarse entre sí.

En la conferencia del año pasado, nos enfocamos en clarificar nuestra visión, formalizando nuestros sistemas internos para aumentar colaboración y efectividad, alineando recursos del Centro con los barrios, fomentando la capacidad de entrega e iniciativas de capacitación de la Conferencia dentro de los distritos, y desarrollando la política que ayuda a apoyar el trabajo misional de los distritos y congregaciones locales.

Este informe describe los diversos recursos e iniciativas que ofrece el Centro de Vitalidad de la Misión, así como las iniciativas que están actualmente en desarrollo.

**Becas (Subvenciones):** Las becas del CVM ofrecen asistencia financiera por medio de fondos de asignaciones de la conferencia y de ganancias de venta de bienes a un distrito o una iglesia local para llevar a cabo la misión de la iglesia para alcanzar a nuevas personas, jóvenes y personas más diversas para convertirlas en discípulos que cambien el mundo de Jesucristo. Tres becas están disponibles para las congregaciones locales y distritos:

Beca Lugares Nuevos, Pueblos Nuevos (New Places, New People Grant) (\$175.000) – Usando asignados fondos y abierto a iniciativas de voluntarios laicos en las congregaciones locales con la aprobación del distrito, esta beca debe demostrar planes de discipulado mensurables y específicos acerca de cómo las nuevas personas se alcanzarán y cómo la iglesia trabajará con ellos para convertirlos en discípulos de Cristo. Además, la propuesta debe demostrar cómo el plan será financieramente sostenible dentro de tres años y debe demostrar la capacidad de duplicar la iniciativa en otras partes de la Conferencia. Visite a <http://riotexas.org/new-places-new-people-grants> para obtener más información.

Subvención de Vitalidad Misional – Los fondos para esta beca provienen del reparto de fondos excedentes prorrogados del año anterior. Los dos principales objetivos de la beca son de aumentar el número de congregaciones misionales y vitales dentro del distrito y la Conferencia, habilitando distritos para tener los recursos financieros para equipar, entrenar y aconsejar miembros del clero, laicos y congregaciones a implementar iniciativas misionales alineadas a la Conferencia Rio Texas ( de aquí, CRT). Los siete distritos de la CRT son elegibles para aplicar. Visite a <http://riotexas.org/missional-vitality-grants> para obtener más información.

Beca del Fondo de Ministerios Urbanos- Este subsidio es financiado por la venta de propiedades abandonadas por congregaciones descontinuada en condados con más de 50.000 de población, dependiendo de su disponibilidad. A los fondos obtenidos por la venta de propiedades de la anterior Río Grande Conferencia se darán la prioridad más alta para uso en las poblaciones hispanas y latinas y ministerio de ellas. Las becas, disponibles a los siete distritos de la CRT, pretenden iniciar nuevas comunidades de fe en las zonas urbanas y reunir a nuevas personas en nuevos lugares para el trabajo de la iglesia; desarrollar ministerios con los pobres que evangelicen, defiendan la justicia y trabajen a cambiar la comunidad para el bienestar de las personas; y desarrollar ministerios eficaces y sostenibles con los actuales residentes o recién llegados en un sitio en una zona urbana con grupos culturales, económicos o étnicos diferentes a los miembros presentes u originales de la iglesia. Para obtener más información, visite a <http://riotexas.org/urban-ministry-grants>.

**Sistema de Gestión Colaborativo** : Sistemas de colaboración eficiente y eficaz son necesarias para ayudar a gestionar el desarrollo, suministro y aplicación de los diversos proyectos del CVM y las iniciativas que garanticen la vitalidad congregacional y misionera. Algunos de estos proyectos requieren múltiples colaboradores, horarios, tareas, procedimientos, resolución de problemas, decisiones y así sucesivamente; Esto significa que hay necesidad de un sistema colaborativo para vincular e integrar los proyectos. Por

consiguiente, el CVM está obrando para instalar un sistema de gestión de colaboración de alto rendimiento en cuatro partes – ahora en aplicación del 75% – para que las congregaciones, los clérigos y los laicos tengan las herramientas necesarias y poder hablar el mismo lenguaje colaborativo. Dos distritos implementarán la nueva colaborativa el año entrante.

**Fundación de Desarrollo Rio Texas:** Conversaciones están en marcha para crear una Fundación para apoyar financieramente las actividades misionales a lo largo de la conferencia anual. La Fundación se creó con dotaciones y asignaciones dadas por corporaciones, individuos y familias para el apoyo y la promoción del bienestar general de nuestras comunidades.

#### **VITALIDAD CONGREGACIONAL**

El Rdo. Robert "Bob" Allen dirige la oficina de Vitalidad Congregacional (VC). Su propósito es capacitar a clérigos y laicos, iglesias y distritos con recursos, herramientas y habilidades para equipar y hacer vitales congregaciones existentes para hacer discípulos para la transformación del mundo. Esto incluye el fomento de la formación cristiana en todas las etapas de la vida de la iglesia y sus miembros individuales.

A tal fin, la Rda. Dra. Tanya Marie Eustace ha sido nombrada Subdirectora de Discipulado Intergeneracional por la CRT, efectivo el 01 de julio de 2016. Una diácono ordenada en la CRT, ella tiene 19 años de experiencia sirviendo a niños y familias en la iglesia local y actualmente se desempeña como directora de Niños y Ministerios Intergeneracionales en el Discipulado de Ministerios (anteriormente conocido como la Junta General de Discipulado). Su primera tarea es darse a conocer a personas y entender las necesidades de cada distrito y sus iglesias. Un énfasis principal es Abrir el Paraguas, una iniciativa a lo largo de la Conferencia para satisfacer las necesidades de todos los niños, incluyendo su seguridad, educación, relación y necesidades espirituales --y no sólo para los de la Iglesia pero para los niños del barrio alrededor de la iglesia. El objetivo de 2016-2017 es "Asegurar Educación de Calidad para Todos los Niños." Los pasos por tomar incluyen identificar y crear una relación con la escuela local, escuchando lo que la escuela necesita y escoger una cosa (como leer a los niños, ayudar con las necesidades de alimentos o útiles escolares, etc.).

**Iniciativas de Vitalidad de la Iglesia:** El trabajo de revitalización continúa ofreciendo herramientas vitales para la restauración y remodelación de nuestras congregaciones locales. Sea cual sea la etapa de su ministerio, cada congregación debe periódicamente hacer pausa y preguntarse a sí misma, "¿Estamos fielmente cumpliendo con el llamado y la Comisión de Cristo en nuestra iglesia?" Sin embargo, en ciertos puntos en la vida de las congregaciones, se llega a una "bifurcación en el camino" donde tenemos que preguntarnos cómo somos capaces, y si estamos dispuestos y comprometidos para avanzar con audacia en el cumplimiento de Ministerio del Reino de Dios. Gran parte de la disminución de nuestras congregaciones puede atribuirse a nuestra incapacidad o falta de voluntad para cambiar. Para que nuestra iglesia local permanezca viable y vital, debe estar dispuesta a realizar cambios significativos para responder fielmente a nuestras comunidades cambiantes. Para ayudar las iglesias a luchar, VC ofrece consejería que alienta – ayudando a las iglesias hacerse mejor y ayudar a las mejores iglesias a convertirse en aún mejores iglesias. Para ello, VC ofrece varias herramientas y servicios como: [Preparación 360 \(Readiness 360\)](#), el [Informe Missioninsite Report](#), la [Iniciativa de la Iglesia Saludable \(Healthy Church Initiative\)](#), [Iniciativa de la Iglesia Pequeña \(Small Church Initiative\)](#), el [Viaje Transformacional \(Transformational Journey\)](#), el [Taller de Cambio \(Shift Workshop\)](#) y [Elegiendo la Senda Fiel \(Choosing the Faithful Path\)](#), VC puede conducir sesiones de visión, ayudar a entrenar, ayudar en las resoluciones del conflicto y conducir cultos de sanidad y reconciliación.

**Membresía a Discipulado:** Durante los meses de septiembre y octubre de 2015, más de 500 personas de todos los siete distritos asistieron a las sesiones de Membresía a Discipulado dirigido por el Dr. Phil Maynard. Un discípulo es un seguidor de Jesucristo por vida, pero hay fases del discipulado cuando crecemos en Cristo--pasando de explorar al principio a crecer y madurar en las áreas de la vida en adoración, hospitalidad, abrirse a Jesús y obedecerle, en servicio y generosidad. Una encuesta en línea está disponible para ayudar a alguna congregación local y a los discípulos individuales examinar donde están en el desarrollo de la jornada de vida cristiana, y entrenadores de discipulado capacitados pueden ayudar a conducir las iglesias en su camino de discipulado (27 entrenadores capacitados están disponibles).

**El Proceso de Cambio, una Nueva Experiencia de la Red Mundial:** Dr. Phil Maynard, director de [Excelencia en Entrenamiento para Ministerio](#), afirma que "Ayudar a las congregaciones a vivir en su potencial" es el propósito del Proceso de Cambio en la Red--una experiencia de Red de 12 Iglesias con seis experiencias de taller y seis sesiones de entrenamiento mensuales para el pastor y cinco líderes claves. La capacitación incluye talleres en varios turnos que cada iglesia tiene que tomar para seguir siendo vital: de reaccionar a cambiar a un líder de cambio, de compañerismo al discipulado, de la adoración como un evento a un estilo de vida; de membresía al discipulado, de "servirnos a nosotros mismos al servicio de otros", de "supervivencia" a generosidad y a un cambio hacia la construcción de una cultura de hospitalidad encarnante de conexión. Las sesiones de entrenamiento no son "talla única", sino más bien considera el contexto, recursos y capacidades de la congregación y ayuda al pastor y al equipo de liderazgo averiguar lo que funciona mejor para la iglesia. VC trabajará con el liderazgo del distrito para llevar el programa a cada distrito local.

**Iniciativa Nuevos Lugares, Nuevos Pueblos:** Ganar impulso para reunir a más gente a Cristo incluye no sólo revitalizar nuestra misión en iglesias existentes, sino también partir a nuevos lugares para alcanzar a gente nueva. El CVM ha asignado \$221.000 para esta iniciativa; sin embargo, solamente dos pedidos de becas de \$3.000 cualificaron para financiación del programa:

- St. Matthew IMU de San Antonio para su proyecto "Agua Viva", Ministerio de Alcance a los vecinos de habla hispana que comenzó con 40 personas comprometidas visitando e invitando a los vecinos. El ministerio incluye un culto y varios estudios bíblicos en español. Grupos Pequeños Wesleyanos y clases de ESL. Hasta ahora, los 10 hispanos han unido a la iglesia, y los números continúan creciendo.
- El Divino Renditor IMU en McAllen para su "Proyecto de Ministerio Kerigma," que es una extensión del programa alcanzando a 40-50 familias en un parque de casas móviles de bajos ingresos. Se inició un programa de discipulado – sobre todo de mujeres y

niños--para las familias que enfrentan situaciones resultantes de la adicción de drogas, la violencia doméstica y padre o madres sin pareja. El programa es para compartir el amor de Dios con los niños entre las edades de 3 y 11 y a sus madres, que se reúne dos veces al mes para llevar esperanza a estas familias.

Fondos de inicio de la subvención todavía están disponibles para ministerios únicos dirigidos por laicos nuevos. Este fondo, sin embargo, no puede utilizarse para una posición de personal sino en el cumplimiento del llamado de Dios para personas nuevas y lugares nuevos. Las aplicaciones están disponibles en el sitio Web [riotexas.org](http://riotexas.org).

#### **VITALIDAD DE NUEVAS COMUNIDADES DE FE**

Vitalidad de Nuevas Comunidades de Fe (VNCF) apoya a las congregaciones locales, distritos, clero y laicos para iniciar nuevas comunidades de fe dentro de los límites de la Conferencia.

La Iglesia Sirviente, la más reciente congregación Metodista Unida de la CRT, oficialmente se constituyó el 31 de enero de 2016. Fue lanzada en 2010 por el Rdo. Eric Vogt como un modelo de iglesia dentro de iglesia, formada en asociación con iglesias Metodistas Unidas existentes en el centro y el área este de Austin.

Windsong (Rdo. Stan González), Hermosa Casa (Rdo. Javier Leyva), Cimarron Praise (Rda. Dawn Baird) y Revive Community (Rdo. Rubén Sáenz III) son los cuatro nuevos proyectos de iglesias financiadas actualmente por la CVM. En su tercer año, la Iglesia Life in the City (Rda. Valerie Sansing) en Austin urbano es de sostén propio. The Journey (Rdo. Kyle Toomire), Northeast Community (Rdo. Emerson Allen), y Hope Arise (Rdo. Reese Henry) siguen creciendo en número y sostén propio.

El Rdo. CJ Tillinghast ha sido nombrado para iniciar una nueva comunidad de fe desde Seguin First IMU en el área de Clear Springs. Seguin First compró 10 acres de terreno en Clear Springs hace ocho años. Hoy en día, Seguin tiene abundante crecimiento comercial y un floreciente mercado residencial, con 1.750 o más nuevas habitaciones previstas.

La IMU de Leander, IMU Bee Creek, IMU Spring Creek y Riverside Community IMU disciernen los pasos que deben tomar para iniciar nuevas comunidades de fe en sus alrededores.

#### **VITALIDAD DEL LIDERAZGO**

##### **Equipo de Visión de Desarrollo de Líderes/ Oficina de Vitalidad de Liderazgo**

El Rdo. Dr. Marcus Freeman dirige la Oficina de Vitalidad de Liderazgo (VL), trabajando estrechamente con el Equipo de Visión de Desarrollo de Líderes para equipar a líderes laicos y clero en las misiones y sobre todo animar a líderes más jóvenes. El informe de este año se presenta en dos secciones principales: nuevas y revisadas iniciativas generadas por el equipo de VL y la oficina y la labor de los coordinadores en las áreas de Ministerio dirigido por el *Libro de Disciplina* como su trabajo se refiere para el desarrollo de liderazgo del clero y de laicos.

**Nuevas iniciativas:** Lo siguiente refleja las nuevas iniciativas y áreas de desarrollo de liderazgo facilitadas o en colaboración con el Equipo de Visión de Desarrollo de Líderes y el diario de trabajo de la oficina del VL de la CVM.

Modelo de liderazgo en la CRT. Un modelo de tres componentes para liderazgo misional en el CRT se está desarrollando para formar un marco en el cual nuevas iniciativas y recursos para el desarrollo de liderazgo en curso puedan ser entendidos. En primer lugar, el trabajo del desarrollo de liderazgo se centrará en las virtudes fundamentales que son inherentes, pueden evaluarse y pueden desarrollarse con el tiempo, así como habilidades de comunicación que se pueden aprender. En segundo lugar, son habilidades de gestión organizacional que pueden ser desarrolladas a través de educación y formación. En tercer lugar, el modelo hace hincapié en liderazgo social y espiritual, en cuales capacidades y estrategias se desarrollan en líderes para extender el mensaje cristiano a los campos de la misión y ministerio de la iglesia.

Guía de Recursos de NDA Wesleyano. Al esforzamos por hacer discípulos de Jesucristo para la transformación del mundo de hoy en el particular y cambiante campo de misión, debemos asegurarnos de que estemos plantados dentro de nuestra herencia wesleyana. Para lograr este objetivo, el Dr. Hal Knight (profesor de teología wesleyana en St. Paul School of Theology) ha compilado un recurso llamado "Wesleyano NDA Guía de Recursos" que reúne libros, materiales y recursos desarrollados por estudiantes de los mejores catedráticos e historiadores wesleyanos del mundo. Esta herramienta de referencia puede ser utilizada en una variedad de maneras, incluyendo el desarrollo de recursos de currículo, enseñanza y temas de predicación y desarrollo de programas de estudio individual.

Currículo de Desarrollo de Liderazgo Misional— La Junta de Ministerio Ordeno ha establecido las cualidades necesarias de un líder misional, y un plan de estudios ha sido desarrollado a base a esas cualidades. Escrito por el especialista en liderazgo y autor Ken Willard, el currículo ayuda a construir capacidades de dones y virtudes, habilidades de organización y estrategias para alcanzar el campo de misión. Doce modelos de aprendizaje incluyen temas que abarcan desde la competencia cultural, justicia y defensa a la fe en el llamado de Dios, a la capacidad de visión y habilidades de resolución de conflictos para formación espiritual. Un entrenamiento para facilitadores se ha organizado para el 23 de julio de 2016.

Aprendizajes en el Programa de Desarrollo Universitario de Ministerios en la Iglesia Local para Liderazgo entre Jóvenes Adultos. Programa de Aprendizaje en Ministerio de la CRT (AEM) es una iniciativa de la CVM para el desarrollo de líderes cristianos adultos jóvenes maduros y hábiles, de edades 18 a 25, para retos del Ministerio particulares de hoy. Aprovechando el conocimiento y la sabiduría de los pastores experimentados que tienen cargo de dirección y supervisión de los ministerios pastorales, sacramentales y misionales de las congregaciones, el objetivo ofrece jóvenes respondiendo o discernir a un llamado al Ministerio la oportunidad de aprender bajo líderes de experiencia y con experiencia pastoral y de la iglesia y desarrollar habilidades prácticas en el desempeño del Ministerio.

Bienestar Integral del Clero en el Cuidado de Cuerpo, Mente y Espíritu – Basado en una encuesta a finales del año 2015, en la cual el clero de la CRT demostraron interés en más opciones y flexibilidad en cuanto a bienestar y cuidado personal, el programa de Bienestar del Clero fue revisto en el año 2016 para centrarse en un nuevo enfoque holístico para el bienestar, incluyendo asistencia para el espíritu, la mente y el cuerpo. Miembros del Clero que seleccionan las actividades en cada una de estas categorías y completa las actividades recibirán incentivos para estimular y apoyar sus esfuerzos. El programa ahora incluye personal de la CRT; varias nuevas alianzas con agencias de salud, como el Centro Ecuménico de Religión y Salud, Ministerios de Reah, Ministerios de Cuidado de Salud Wesley, la Consejería de West Texas y el Centro Samaritano; y una “app” de bienestar del clero descargable en celulares y iPads.

Conexión Seminarista: Todos los estudiantes del Seminario de la CRT asisten a un seminario fuera de los límites geográficos de la CRT, y a menudo están expuestos a esfuerzos de reclutamiento en otras conferencias. Por lo tanto, la Conexión Seminarista trabaja para crear y mantener una conexión entre la CRT y los candidatos para el Ministerio actualmente en el seminario. Se ofrece información, recursos y apoyo para mantener a los estudiantes conectados con la CRT; ofrece oportunidades para las entidades de la Conferencia a relacionarse con seminaristas y seguir en contacto con ellos; permite esfuerzos de reclutamiento al presentar seminarios en favor de la Conferencia; e incluye otras actividades tales como un boletín para mantener a los estudiantes al tanto de los eventos, becas y actividades especiales de la Conferencia.

Equipo de Desarrollo y Diseño Rio Texas y Fortalecimiento de la Iglesia Negra para la Siglo 21º – La CRT ha organizado el Equipo de Desarrollo y Diseño Rio Texas y Fortalecimiento de la Iglesia Negra para atender a las necesidades de revitalización y renovación de la expresión afroamericana del metodismo Unido. Un paso importante fue la formación de una asociación con el Fortalecimiento de la Iglesia Negra para la Siglo 21º, una iniciativa del Aposento Alto de la IMU, diseñado para ayudar a Iglesias Metodistas Unidas con congregaciones predominantemente afroamericanas a que sean más eficaces en su misión y Ministerio. Hasta ahora, ocho iglesias han solicitado y han sido seleccionadas para poner en marcha esta iniciativa de la CRT: Barnet Chapel, Corinth, East St. Paul, Jacob’s Chapel, Northeast Community, Sanford Chapel, St. Peter’s, y Wesley Harper.

Trabajo en curso con el Desarrollo Y Liderazgo de Laicos y el Clero -- Este trabajo en el desarrollo y liderazgo de laicos y el clero se divide en dos grandes categorías de enfoque. Desarrollo de Liderazgo Laico trabaja con líderes laicos de CRT y la Junta de Laicos, Ministerios de Siervos Laicos, Educación Superior y Ministerios del Campus, Escuela de Educadores Cristianos de Parroquia y la Academia para Formación Espiritual. Otra categoría de atención importante para los trabajos en curso es el desarrollo de liderazgo del clero.

#### **Desarrollo de liderazgo laico**

Co-Líderes Laicos de la Conferencia / "Equipo de Liderazgo Laico Rio Texas " – Planificación para el desarrollo de liderazgo laico va adelante siguiente a una reunión con los colíderes laicos Ralph Thompson y Sandra Nieto, laicos del distrito y conferencias, Siervos Laicos en Ministerio y otros líderes. Una decisión fue reemplazar el antiguo nombre de la "Junta de Laicos" con un nuevo nombre, el "Equipo de Liderazgo Laico Rio Texas " – para darle al equipo mayor flexibilidad para innovar y participar. Una convocatoria de laicos está prevista para el otoño de 2016; contará con participación en adoración, comunión, formación, recursos y otras actividades, con el objetivo de inspirar, empoderar y equipar a laicos para un nivel de servicio y Ministerio dentro de la iglesia local y fuera en el campo de misión.

Ministerios de Siervos Laicos -- Bajo la dirección del Coordinador de Conferencia Sam Dubberly, Ministerios de Siervos Laicos sigue manteniendo su función "para servir a la iglesia local o cargo (o más allá de la iglesia local o cargo) de cualquier manera en la que su testimonio o liderazgo y servicios inspire a los laicos a un compromiso más profundo con Cristo y discipulado más eficaz..." Los directores de distrito apoyan los ministerios vitales de la iglesia a lo largo de los distritos y de la Conferencia. Entrenamiento regular y avanzado de siervos laicos es por medio de Educación Superior y Ministerios de Campus—los coordinadores, los Rdos. Jon Herrin y Margot Perez-Greene están trabajando para mantener y desarrollar aún más las relaciones de los ministerios del Campus ubicado en los límites de la CRT, que incluyen los recursos disponibles, gestión y supervisión del presupuesto de Ministerios de Campus de la Conferencia, y tramitación de las solicitudes de becas ofrecidas a través de la CRT y la Junta General de Educación Superior y Ministerio donde sea aplicable. Cuatro becas fueron otorgadas a estudiantes universitarios de las iglesias de la Conferencia en el año 2015. Además, un número considerable de estudiantes recibieron becas de la Junta General de Educación Superior y Ministerios.

Otros Programas de Desarrollo de Liderazgo, La oficina de LV sirve como enlace de personal de conferencia para un número de programas de desarrollo de liderazgo laico adicionales. Estos incluyen Escuela Cristiana de Educadores de Parroquia, que ofrece un programa continuo de capacitación a la pequeña iglesia y étnicos participantes, voluntarios y empleados asalariados que sirven como líderes de la educación cristiana en iglesias locales, y la Academia para Formación Espiritual, que ofrece un entorno de cinco días y de dos años para los peregrinos espiritualmente deseosos que combina aprendizaje académico con experiencia en las disciplinas espirituales y comunidad. Los planes están en marcha para las próximas versiones de estas Academias de la CRT en los años 2017 y 2018.

#### **Desarrollo del clero**

La Junta de Ministerio Ordenado-- Miembros de la Junta de Ministerio Ordenado (JMO) son miembros del equipo de visión de líderes en desarrollo, y como tal, se encargan con el desarrollo de líderes del clero. Estos miembros de la JMO ayudan a mantener las exigencias disciplinarias de clasificación clériga para el liderazgo de la iglesia, manteniendo la misión de la Conferencia para el desarrollo de líderes. Además, LV trabaja con la JMO para proporcionar cuidado pastoral y desarrollo profesional y formación, entrenamiento en el lenguaje español, entrenamiento de los candidatos para el Ministerio, apoyo a la convocación del clero, soporte de seminaristas como se mencionó anteriormente, y apoyo del clero más allá en eventos y actividades de cónyuges.

Apoyo de Educación Continua para el Clero- El clero siempre se esfuerza para obtener unidades de educación continua en el cumplimiento de sus requisitos para entrenamiento continuo a través de eventos de capacitación, talleres y otras iniciativas de desarrollo y redes del clero. Para lograr ese objetivo, a menudo reciben la ayuda de agencias generales de la iglesia o de seminarios que a veces patrocinan estas oportunidades. Otras oportunidades educativas pueden ser desarrolladas o patrocinadas por los superintendentes de distrito en sus funciones como jefes de estrategias de misión; financiación de Distrito es posible a través de un subsidio otorgado a la CRT de Methodist Healthcare Ministries específicamente para este propósito.

Programa de bienestar del clero: El programa de Bienestar del Clero 2016, mencionado arriba y su manejo y procesamiento de respuestas e incentivos correspondiente a los pastores participantes sigue siendo un programa continuo clave de apoyo para el clero. El Equipo de Visión de Desarrollo de Líderes y la Oficina de Vitalidad de Liderazgo (VL) están agradecidas por la generosa colaboración de Methodist Healthcare Ministries, que sigue dedicado a la atención del desarrollo y bienestar del clero, los cuales cuidan de los demás. Además, mucha gratitud se extiende a Eve Albert, asistente administrativa a la oficina de VL, por su asistencia en el procesamiento de una cantidad significativa de la obra administrativa del equipo y aquellos que se sirven a través del trabajo de desarrollo de líderes de la CRT.

#### **VITALIDAD DE DIVULGACIÓN / EQUIPO DE VISIÓN TRANSFORMACIÓN DE COMUNIDADES**

Abel Vega sirve como el director de la oficina de Vitalidad de Extensión (OV) y en la vinculación de personal de la Conferencia para Equipo de Visión para la Transformación de Comunidades (EVTC). La EVTC trabaja para movilizar y equipar al clero y laicos y congregaciones en transformar las comunidades y el mundo a través de oportunidades y participación alrededor de las áreas de misión, preocupaciones étnicas específicas y cuestiones de justicia. Lo siguiente refleja las áreas de desarrollo del Ministerio facilitadas o en colaboración con el EVTC y el trabajo diario de la oficina de la OV del CVM:

Manejo de la Diversidad para Comprensión y Colaboración, Un estudio diagnóstico de toda la Conferencia reveló los desafíos que las iglesias en la CRT enfrentan al alcanzar a las misiones. Mejor claridad e integración son necesarias para lograr los elementos estratégicos de la CRT (visión, objetivos e iniciativas) organizacional, social, financiero, cultural, generacional, racial y problemas de género. En consecuencia, un taller ha sido diseñado para abordar tres cuestiones fundamentales: 1) comprensión Intercultural, 2) comprensión intergeneracional y 3) la aplicación de la Inteligencia cultural para la integración de sistemas de colaboración organizacional. Facilitadores capacitados están disponibles para conducir estos talleres para líderes de ministerios y congregaciones para abordar entre culturas y llegar a sus respectivos campos de misión.

Divulgación y estudio de las misiones-- Una encuesta que se encuentra en [www.riotexas.org/survey](http://www.riotexas.org/survey) se lanzó en todas las iglesias de la Conferencia para conocer varios esfuerzos de alcance que se utilizan para alcanzar a las comunidades que se sirven. Preguntas se hicieron acerca de donde las iglesias se conectan y responden a la necesidad dentro de la Conferencia, el país e internacionalmente a través de equipos de trabajo de misión a corto plazo. Esencialmente el 25% de las iglesias de la CRT han respondido hasta el momento, con el objetivo siendo el 100% de participación de la encuesta. El máximo posible número de datos es necesario para comprender las formas en que estamos alcanzando a las comunidades, el valor y el impacto de este trabajo, y cómo podría ocurrir alineación para apoyar iniciativas misionales en los distritos y a través de la Conferencia para un impacto colectivo coherente.

Respuesta ante Desastres y Voluntarios en Misión (VEM)- La Oficina de la OV ha apoyado activamente la labor de la Comisión de Respuesta ante Desastres de la CRT, la cual ha combatido múltiples desastres naturales en el año pasado de la Conferencia. Muchas iglesias respondieron después de las inundaciones en el Río Blanco y Coastal Bend en mayo de 2015, que hicieron presencia de respuesta temprana, ofrendas de cubeta y donaciones monetarias para la inundación y continuaron con respuesta de recuperación a largo plazo. Equipos de manejo de casos de la Conferencia Río Texas comenzaron a trabajar en septiembre de 2015 en Martindale (en colaboración con el equipo de recuperación Río Blanco Regional) y en marzo de 2016 con la Comisión Coastal Bend de Recuperación a Largo Plazo (sirviendo a los sobrevivientes de la inundación de tierras bajas que resultaron de las tormentas cuando el flujo de ríos inundaron la zona). El trabajo de manejo de casos fue apoyado por fondos de desastre de la conferencia y dos donaciones de \$100.000 de la United Methodist Committee on Relief (UMCOR). De ahora en adelante, la CRT quiere establecer un Comité de la Conferencia VEM que se asociaría con grupos que responden a los desastres, con comunicación y coordinación, incluyendo la coordinación de respuestas a corto plazo a necesidades nacionalmente e internacionalmente, mientras que trabaja hacia las relaciones de transformación a largo plazo. Idealmente, cada distrito tendrá un Comité para el alivio de desastres locales con capacitación y un Coordinador VEM. Además, más trabajo es necesario para ayudar el flujo constante de recuperación a largo plazo entre equipos en cada área, apoyo para recaudar fondos de las iglesias locales hacia el fondo de desastres de la Conferencia, y la reposición de "cubetas de inundación". "Conexión de Vecinos," un entrenamiento próximo para las iglesias locales ofrecido por UMCOR, pretende ayudar a congregaciones que se adiestren para desastres como una respuesta del Ministerio de la iglesia como cuida de sus vecinos en el espíritu de Jesucristo.

Unidos En Misión [UEM] – Asociación 50/50-- Una iniciativa de la Junta General de Ministerios Globales [la Junta], Unidos En Misión [UEM] es una red de colaboración global disponible para equipar a la Conferencia, el distrito o la iglesia para asociaciones transformacionales en misión en los Estados Unidos y alrededor del mundo. Considerando que un enfoque tradicional a la misión es a menudo alivio a corto plazo y basado en las necesidades, esta nueva visión de asociación abarca desarrollo basado en bienes activos y a largo plazo. Los socios se comprometen mutuamente a través de un Convenio de Asociación 50/50 de UEM, un pacto sagrado para participar igualmente como el cuerpo de Cristo mediante la utilización de habilidades y recursos de todos. UEM es GLOCAL (es decir,

global y local) como aborda cuestiones sistémicas en vez de tratar los síntomas, ya sea en los Estados Unidos o del mundo. Una de las ventajas es que UEM ayuda a prevenir dependencia y fomenta autosuficiencia. Actualmente, tres distritos, El Valle, el Capital y Coastal Bend--están participando en este proceso por medio de eventos de capacitación y seguimiento del desarrollo. Para ayudar a exponer la Conferencia a este enfoque de Ministerio, Patrick Friday (Director de la Junta de la UEM y asociado con la JGMG-- Ministerios de Asociación 50/50) ofrecerá un momento de enseñanza durante la conferencia anual de 2016. Mientras las iglesias abrazan y crecen en Asociación 50/50 de UEM aprendiendo dinámicas de aprendizaje, principios basados en bienes activos forman parte de cultivar relaciones de transformación con las comunidades para enfrentar los desafíos sistémicos. Algunas iglesias en la actualidad pueden emplear estos métodos a través de sus ministerios de alcance en las comunidades, particularmente donde los Wesley Nurses del Methodist Healthcare Ministries y agentes de salud comunitarios se encuentran. Proveyendo aprendizaje activo, así como comprensión donde ABCD se aplica, ayudará a apoyar iniciativas misionales de impacto colectivo coherente en los distritos y a través de la Conferencia.

Proyecto de Transformación [PT] -- Conocida como Trayendo las Tres C's--estudiantes universitarios, niños y -juntos para el Ministerio holístico, la misión del Proyecto de Transformación es de involucrar a jóvenes en liderazgo útil, apoyo a niños desfavorecidos y sus familias y conexión de las iglesias y comunidades en necesidad. La PT de Río Texas, ahora en su segundo año, proyecta involucrar a 180 participantes en tres sitios este verano y ofrecerá becas de internado para 26 estudiantes en Laurel Heights IMU y St. Paul IMU en San Antonio y First IMU en Boerne. Con un presupuesto anual de \$227.604, más de la mitad (53%) está cubierto por becas de fuente externa, con el resto pagado por presupuestos de la MVC y de iglesias locales y fondos aún por ser recaudados. Hubo más de 260 voluntarios de más de 25 iglesias metodistas diferentes en tres sitios con actividades durante el verano de 2015, y becas fueron proporcionadas para 25 estudiantes. PT sirvió a 143 participantes en tres sitios ese verano. Antes y después de pruebas de lectura demostró que casi las tres cuartas partes de los estudiantes crecieron en un nivel de lectura, por lo menos.

Justicia para Nuestros Vecinos [JPNV] y Dando la Bienvenida al Peregrino -- La OVC sigue conectando, dotando recursos, aprendiendo y proveyendo interpretación de los distintos ministerios de inmigración de hospitalidad, educación, apoyo espiritual y servicios prácticos a través de la Justicia para Nuestros Vecinos [JPNV] [www.njfon.org](http://www.njfon.org); otras personas que trabajan en esta área dentro de la Conferencia incluyen la Coalición Interreligiosa de Bienvenida ([www.texasiwc.org](http://www.texasiwc.org)). Este trabajo de inmigración tiene implicaciones profundas y conexión con nuestra presencia de iglesia en proximidad cercana a y dentro de las comunidades de colonias en la frontera de Texas en los Estados Unidos y México, así como potenciales asociaciones de iglesia con iglesia en México y América Central. En 2015, los ministerios JPNV de San Antonio y Austin [www.jfonaustin.org](http://www.jfonaustin.org) recibieron \$25.500 en apoyo de la MVC.

#### COMUNICACIONES Y MEDIOS DE COMUNICACIÓN

Como Director de Comunicaciones y Medios de Comunicación de Río Texas, el Rdo. Will Rice dirige a la CRT en el uso de nuevas y emergentes tecnologías como herramientas para el Ministerio. El Centro de Medios de Comunicación ayuda a las iglesias locales a aprovechar la tecnología que ayuda a los clérigos, funcionarios, líderes laicos y congregaciones a comunicarse mejor en el lenguaje digital cambiante en las misiones. A continuación se muestran algunas de las iniciativas que hemos estado siguiendo activamente desde la última conferencia anual.

- Comunicaciones de la Conferencia Anual : Nuestro bi-semanal explosión de correo electrónico "Unidos" ahora va a 3.335 suscriptores (al clero de Río Texas, al liderazgo laico de la Conferencia, al liderazgo de la iglesia, y a laicos y amigos de la Conferencia), con una tasa al exceso de 42% y una tasa de "click-through" de 11,5%-- tasas que están muy por encima del sector de la media electrónica. Seguimos ampliando nuestra estrategia de media social, aunque nuestro número de seguidores de Twitter y Facebook están muy por debajo de donde deben estar. Creemos que un contenido coherente incrementará esos números. Nuestro sitio web ([riotexas.org](http://riotexas.org)) continúa ver aumentos de tráfico: 32.000 vistas de página en marzo de 5.945 usuarios diferentes y 12.634 visitas.
- Plan de Comunicación de Crisis : La oficina de Comunicaciones de Río Texas adoptó un Plan de Comunicación de Crisis siguiendo las recomendaciones de la United Methodist Communications. El propósito del plan es proteger la imagen de la Conferencia durante cualquier circunstancia donde los valores de la iglesia están bajo juicio en el tribunal de la opinión pública. Ya hemos iniciado el plan de una vez con la salida de nuestro obispo. Planeamos adoptar entrenamiento anual, así como capacitación de personal nuevo.
- Video-Conferencias: La Conferencia Anual Río Texas usa videoconferencias para mantenernos conectados entre sí y con el campo de misión. Mientras que no hay nada más poderoso que el encuentro cara a cara, con el tamaño físico de la CRT es muy difícil y costoso reunirse en persona y a menudo significa que algunas voces no estarán presentes en la mesa cuando se toman decisiones. Para poder utilizar videoconferencias, hemos estado invirtiendo en mejoras internas y externas y estamos consultando con dos distritos para establecer salas de videoconferencia. Este año, videoconferencias han registrado más de 400 horas en 73 encuentros diferentes y con 360 participantes. Para ocasiones cuando una videoconferencia no es práctica, también hemos hecho teleconferencia más fácil y más económicamente accesible.
- "Webinars": Oportunidades para aprendizaje, entrenamiento y comparto de información se mejoran grandemente cuando se quita el obstáculo de viaje y aprendizaje en línea está disponible. Ahora tenemos la capacidad de conducir seminarios en línea que pueden incluir a varios panelistas y hasta 100 asistentes. El uso de esta tecnología fue lanzada con nuestro Webinar para Atender Sesiones de la Delegación General de Conferencia, los días de abril 12 al 26 de 2016. Los miembros de nuestra

delegación pudieron interactuar con miembros de la conferencia anual para dialogar legislación antes de la Conferencia General de este año.

- Correo Electrónico del Clero: Debido a la complejidad de comunicación con los miembros del clero de la conferencia anual, hemos empezado a asignar direcciones individuales de correo electrónico a todos los miembros del clero, activos y jubilados. Este fue presentado en la convocación del clero de 2016 y debe estar por completo para la fecha de la Conferencia. Una vez finalizado, se enviará toda la correspondencia oficial de la Conferencia utilizando estas direcciones de correo electrónico.
- Tecnología de Ayuda para las Iglesias Locales: El lugar principal donde el ministerio ocurre es en la iglesia local. Por lo tanto, ayudar a las iglesias locales en la comunicación es una función importante del Centro de Medios Río Texas. Actualmente ofrecemos evaluaciones de sitios del web y consejos detallados para la creación de nuevos sitios del web. ¿Por qué es esto importante? Estudios indican que 75-90% de los visitantes a la iglesia por primera vez visitan el sitio del web de la iglesia antes de visitar la ubicación física de la iglesia. El personal de comunicaciones permanece al tanto de todos los aspectos de comunicaciones de la iglesia y comparte información a través de conversaciones de uno a uno y a través de [riotexas.org/media](http://riotexas.org/media). Nuestro Centro de Medios, que abrió sus puertas a finales de 2015, proporciona conocimientos y utilización de equipo para las iglesias para crear sitios web nuevos o mejores; filmar, editar y producir contenidos de video; capturar y editar imágenes digitales.
- No Dejar a Ninguna Iglesia Atrás.-Encuesta de tecnología de la Iglesia Local: La iniciativa No Dejar a Ninguna Iglesia Atrás tiene como objetivo asegurarse de que todas las iglesias de la CRT tengan acceso al Internet de banda ancha y a computadoras modernas para que tengan acceso a herramientas y recursos para alcanzar al cambiante campo de misión. Esto no es siempre el caso. Una encuesta de las aproximadamente 380 iglesias en el CRT en el estado actual de su infraestructura tecnológica y su uso hizo preguntas sobre herramienta, Internet, sitio web y el uso de la tecnología. Casi 40% de nuestras iglesias no tienen sitios web, y esto no cuenta a los que tienen sitios web que están desesperadamente anticuados. Más del 20% no tienen Internet en la iglesia y casi el 30% no tienen suficiente anchura de banda para tomar ventaja de muchos servicios como video conferencias y seminarios. Un 20% de nuestras iglesias no tienen computadora funcional. Con la encuesta completa el siguiente paso será de establecer un perfil de destino de las iglesias que serán incluidas en la fase uno del proyecto, que se supone dotará a las iglesias de destino con el equipo, software y capacitación necesaria para aprovechar las ventajas de la tecnología al corriente.
- Centro de Medios- Situado en el Centro de la Conferencias en San Antonio, el Centro de Medios es un estudio de video completo, con cámaras de alta definición, luces y equipo de sonido. Está equipado con varias computadoras con software para edición y producción de videos, edición de fotos y creación de sitios Web. Ya se está utilizando por las iglesias para propósitos tales como crear videos de anuncio para adoración, produciendo una serie de videos sobre la oración para la Cuaresma y creando artículos promocionales para series de sermones. También se utiliza a menudo para producir contenido para la página web de la CRT y redes sociales.
- Sitio web de Ayuda para Iglesias Locales – El Centro de Medios ofrece dos servicios gratis para las iglesias de la CRT relacionadas con páginas Web. "Revista de la Página Web de la iglesia" ayuda a evaluar la calidad y eficacia del sitio Web de la iglesia en cuanto a primera impresión, estética, contenido, navegación y posicionamiento (SEO), y ofrece recomendaciones a la página web para hacerla más eficaz y fácil de usar. "Comenzando un Nuevo Sitio Web de la iglesia" pide a las iglesias completar una breve encuesta sobre la capacidad técnica de la iglesia, la disponibilidad de presupuesto y las necesidades percibidas. El Centro de Medios completa un informe con sugerencias para comenzar, incluyendo plataformas recomendadas, contenido personalizado y consejos para comenzar. Hasta ahora hemos completado ocho informes para las iglesias locales. Hemos completado ocho consultas de "Comenzando un Nuevo Sitio Web" y 24 comentarios de sitios Web.
- Tecnología General de ayuda para la Iglesias Locales : El Centro de Medios recibe un flujo constante de preguntas y solicitudes de ayuda en todos los aspectos de la tecnología en la iglesia. Hacemos nuestro mejor esfuerzo para estar al tanto de la más reciente tecnología, programas y servicios en la nube electrónica para poder ofrecer asesoramiento y consulta. Lo que aprendemos y compartimos de estas solicitudes se pasa a lo largo de un público más amplio a través de la página web del Centro de Medios. En el sitio [riotexas.org/media](http://riotexas.org/media), personas pueden leer acerca de transmisión en vivo, redes sociales, correo electrónico, videoconferencias y ofrendando en línea. Los recursos continúan a extenderse en respuesta a las peticiones de nuestras iglesias locales.

El Centro de Medios de Río Texas continuará a extender su divulgación a través de estos varios vehículos durante el resto del año 2016 y más allá. Queremos asociarnos con las congregaciones y los líderes con una amplia gama de recursos misionales para garantizar que tengamos todo lo que necesitamos para hacer discípulos de Jesucristo que transformen al mundo.

En conclusión, el CVM priorizará el enfoque en dirigir y orientar el flujo de atención, energía y recursos para fomentar y sostener un aumento en el número de congregaciones vitales de la Conferencia Río Texas (CRT). ¡Hay gran anticipación y constantemente estamos en transición hacia el futuro de Dios con confianza! Estamos avanzando, aprendiendo cosas nuevas y abrazando un cuadro misional más grande que sea más inclusivo, más diverso, más apacible, más recto y justo. No temeremos. Dios está con nosotros. Cristo nos envía. El Espíritu nos da poder.

¡Adelante!

Rubén Sáenz Jr., Director Ejecutivo, Centro de Vitalidad de Misión de Río Texas

## COMMISSION ON ARCHIVES AND HISTORY

### FOR INFORMATION ONLY

The United Methodist Rio Texas Conference Commission on Archives and History held its inaugural meeting August 18, 2015. Elected officers are: Rev. Valli Blair, Chair; Ms. Barbara Ford-Young, Vice-Chair; and Ms. Elizabeth Jimenez, Secretary.

A whirlwind of activity led by Tim Binkley, Frances Long and Jean Traster, all archivists within the South Central Jurisdiction, guided a team of Commission members in organizing the long dormant Conference Archives. After three days and over 200 work-hours the room was transformed from an unorganized "dumping-ground" to a functioning archives.

The Commission will continue to strive to encourage all local churches to learn about and preserve the significant historical resources that are available in our communities. The goal of the Commission is to make the information available to Conference staff, historians, and researchers while preserving Conference history. A part-time Conference Archivist has been hired to care for this archival information.

## COMISIÓN DE ARCHIVOS E HISTORIA

### SOLAMENTE PARA INFORMACIÓN

La Comisión de Archivos e Historia de la Conferencia Metodista Unida Rio Texas celebró su reunión de inauguración el 18 de agosto de 2015. Funcionarios electos son: el Rdo. Valli Blair, Presidente; la Sra. Bárbara Ford-Young, Vice-presidente; y la Sra. Elizabeth Jiménez, Secretaria.

Un torbellino de actividad dirigido por Tim Binkley, Frances Long y Jean Traster, todos archivistas dentro de la Jurisdicción Sur-Central, dirigieron a un equipo de miembros de la Comisión en la re-organización de la largamente inactiva Comisión de Archivos de la Conferencia. Después de tres días y más de 200 horas de trabajo, la sala fue transformada de un desorganizado "tiradero" a una funcional Comisión de Archivos.

La Comisión continuará a esforzarse para animar a todas las iglesias locales a reconocer y conservar los importantes recursos históricos que están disponibles en nuestras comunidades. El objetivo de la Comisión es de poner a disposición la información al personal, a los historiadores e investigadores de la Conferencia, preservando así la historia de la Conferencia. Un Archivista de Conferencia a tiempo parcial ha sido contratado para cuidar de esta información archivística.

## CABINET REPORT REPORT I

### FOR INFORMATION ONLY

"Go therefore and make disciple of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age." - Matthew 28:19-20

The Great Commission of Jesus remains with us in this form, adopted as our mission statement: To make disciples of Jesus Christ for the transformation of the world. As a cabinet, we can say that yes, disciples are being made in our churches, lives are being transformed, communities are being transformed, and we seek to continue on task until we see that the world has been transformed for the good of God among all of God's people. As district superintendents, we know that our pastors, lay leaders, and members of our churches have confronted the usual enemies of God's work; apathy, indifference, comfortableness, safety, and the ever present, let's do the same old things and expect new results.

We have seen some churches confront age-old barriers, and in some churches, not all, even torn them down, and welcomed all people into their worship and full life of their church. We have seen new people baptized, significant numbers of young people confirmed into professing memberships of their church, youth group going beyond the church, and beyond the expected standards of youth ministry, and gone into their neighborhoods and give of themselves to make God's love and presence known in places where those were not known. Pastors have reported changes in people after initial contact was simply to give them needed things, these same people coming back and returning money and goods with expressions of new life and blessings because they saw Jesus in us. The mission field has seen faith in action in so many ways in all of our districts, and for that we thank the Lord.

As the cabinet, we can report that we want to serve all people, but are placing special emphasis to minister among our ethnic minority brothers and sisters; seeking to strengthen existing and historic churches, as well as to provide new places of worship for new people. We have seen new buildings and parsonages being either built or bought, all with the desire to reach more and do more. We have seen the age-level ministries of our conference continue to build momentum and grow; UMWs and UMMs working to better reach all people. Working together, all have inspired and encouraged the cabinet and we eagerly seek the future and what it will bring to our conference.

And in the midst of all of this work, the cabinet has worked hard to prayerfully, and deliberately make appointments within our itinerant system. Under the leadership of Bishop Janice Huie, bishop of record, we learned new and insightful ways to evaluate the mission field and its needs. We laughed, cried, prayed together, broke bread together, and worshiped together as we sought to help local churches and pastors partner together to do the work expected of us as we seek to make new disciples. We are thankful to all of you for your prayers and support of our difficult work, and we thank God for those who work alongside our pastors, our lay leadership, and church members in trying to transform the world. We have traveled far, but have miles to go. Pero, con la ayuda de Dios, haremos mas.

Respectfully submitted,  
Eradio Valverde, Jr., Dean of the Cabinet

## CABINET REPORT REPORT I

### SOLAMENTE POR INFORMACION

Id, pues, y haced discípulos de todas las naciones, bautizándolos en el nombre del Padre y del Hijo y del Espíritu Santo, enseñándoles a guardar todo lo que os he mandado; y he aquí, yo estoy con vosotros todos los días, hasta el fin del mundo. San Mateo 28:19-20

La Gran Comisión de Jesús queda con nosotros en esta forma: Haced discípulos de Cristo Jesús para la transformación del mundo. Como un gabinete podemos decir que sí, discípulos se están haciendo, vidas están transformándose, comunidades se están transformándose, y buscamos seguir con nuestra tarea hasta que realizamos el mundo transformado para el bien de Dios entre todos la gente de Dios. Como superintendentes de distrito sabemos que nuestros pastores/as, líderes laicos/as, y miembros de nuestras iglesias han enfrentado los enemigos comunes de la obra de Dios; apatía, la indiferencia, el estar confortable, la seguridad, y el siempre presente: Haremos lo mismo como siempre y esperamos algo nuevo.

Hemos visto algunas iglesias confrontar a las barreras antiguas, y en algunas de ellas hemos visto, en algunas iglesias, no todas, destruidas y toda alma recibida a la vida de adoración y vida completa de la iglesia. Hemos realizado nuevas personas bautizadas, grupos significantes confirmados como miembros de plan profesión, grupos juveniles saliendo fuera de sus iglesias a los vecindarios para darse de sí mismo para hacer real el amor y la presencia de Dios en lugares que no se conocían. Nuestros pastores/as han reportado cambios en personas después de contacto iniciales en los cuales ellos esperaban algo de ellos, regresando y entregando dinero o otras cosas con expresiones de vida nueva y bendiciones porque han visto al Señor Jesús en nosotros. El campo de labor ha experimentado la fé en acción en diferentes maneras y por eso le damos gracias al Señor.

Como su gabinete también reportamos que deseamos servir a todas personas, pero con énfasis especial de hacer ministerio entre nuestros/as hermanos y hermanas de minorías étnicas; buscando reenforzar las iglesias históricas que ya tenemos así como buscar de proveer nuevos lugares de alabanza para nuevas personas. Hemos visto nuevos edificios y casas pastorales fincadas o compradas, todo con el deseo de hacer más y alcanzar a más. Hemos visto los ministerios de cada nivel de edad a continuar a crecer en el momento y crecer en número; Las MMUs y los HMUs trabajando para alcanzar toda personas. Trabajando juntos, todos han inspirado y animado el gabinete y esperamos ansiosamente el futuro y lo que vendrá con él para nuestra conferencia.

Y en medio de todo este trabajo, el gabinete ha trabajado arduosamente para orar y en deliberación hacer los nombramientos bajo nuestro sistema de itinerancia. Bajo el liderazgo del Obispo Janice Huie, obispo de registro, hemos aprendido nuevas y penetrantes maneras para evaluar el campo de ministerio y sus necesidades. Nos hemos reído, llorado, orado, comidos, y adorado juntos al buscar a ayudar a la iglesia local y pastores formar pareja para hacer el trabajo que se espera de nosotros al hacer nuevos discípulos. Agradecemos a todos Uds. por sus oraciones y apoyo para nuestro trabajo difícil, y le damos gracias a Dios por los que trabajan al lado de nuestros pastores, líderes laicos, y miembros para transformar el mundo. Hemos viajado mucha distancia, pero los faltan muchas millas todavía. But, with the help of God we will do more!

Respetuosamente sometida,  
Eradio Valverde, Jr., Decano del Gabinete

## COASTAL BEND DISTRICT FOR INFORMATION

**The mission of the Coastal Bend District of the United Methodist Church is to make authentic disciples of Jesus Christ for the salvation of souls and the transformation of the world.**

It is with this in mind that our district teams have been hard at work offering trainings, spiritual retreats, leadership events and various opportunities for various ages.

The Lay Servant Ministries team has come up with a five year plan of training which began in the fall of 2015. The Basic Lay Servant was offered and 18 people responded to the training. Also offered was an Advanced class on "Polity, Practice, & Mission of the UMC". Nine people took advantage of this class. This spring another Basic class will be held as well as another Advanced class being offered is "From Your Heart to Theirs, delivering an effective sermon.

The ministry team offered an overnight Spiritual Retreat in late October to help the participants live into a better Advent. This retreat called Advent Journey helped the 16 participants to prepare themselves and their churches so they could proclaim the good news of Christ's coming.

This year the Coastal Bend district hosted two Ministry Workshops. Both of the events were designed for a full day of training, with lunch and worship. The topics offered included: reaching out to our neighbors without judging, prayer, discipleship making, sharing resources, mental health issues, outreach ministries, men's ministries, learning to communicate well, designing a church website, and how small churches can become healthy churches. Besides these workshops there were the usual workshops for the SPRC/PPRC, finance, and trustee committee members. It was exciting to see that 111 people attended the event in Beeville and 70 people came to the Kingsville event.

To help make authentic disciples of Jesus Christ the district needs devoted and trained leaders. In August 2015 we had 6 people from the District who attended the Global Leadership Summit in Corpus Christi. In September we hosted a District Membership to Discipleship event at St. John's UMC in Corpus Christi, Texas with 87 people from 23 different churches attending. In January 2016 we had a team of 6 clergy and 2 lay people who attended the Grace in Action Weekend in Florida. They will be great resources to the churches in the district with the information they learned.

This year, for the first time the Coastal Bend District and the El Valle District youth workers partnered together to put together a Youth Midwinter at Zephyr encampment in Mathis Texas. The theme was Back to Basics. 236 participated in the weekend. The two districts have evaluated the event and are making plans for Midwinter 2017. Another youth event is the Coastal Bend Confirmation Rally which will be held on April 9<sup>th</sup> at First United Methodist in Corpus Christi.

Grace & Peace,  
Rev. Linda Morrow, Director of District Ministries

## COASTAL BEND DISTRICT

SOLAMENTE POR INFORMACIÓN

**La misión del Distrito Coastal Bend de la Iglesia Metodista Unida es hacer auténticos discípulos de Jesucristo para la salvación de las almas y la transformación del mundo.**

Es con esto en mente que nuestros equipos de distrito han trabajado arduamente en el trabajo que ofrece cursos de capacitación, retiros espirituales, eventos de liderazgo y varias oportunidades para diferentes edades.

El equipo de ministerios de obreros laicos ha ideado un plan de cinco años de formación que comenzó en el otoño del año 2015. El curso básico de Obreros Laicos fue ofrecido y 18 personas respondieron al entrenamiento. También hubo una clase avanzada sobre "Política, Práctica y Misión de la IMU". Nueve personas aprovecharon de esta clase. Esta primavera se llevará a cabo otra clase básica, así como otra clase avanzada se ofrecerá sobre el tema "Desde Tu Corazón al Suyo: Entrega de un Sermón Eficaz."

El Equipo de Ministerio ofreció un retiro espiritual de sobre- noche a finales de octubre para ayudar a los participantes a vivir en un mejor Adviento. Este retiro llamado Jornada de Adviento ayudó a los 16 participantes para prepararse ellos mismos y a sus iglesias para poder proclamar las buenas nuevas de la venida de Cristo.

Este año el Distrito de Coastal Bend organizó dos talleres de Ministerio. Ambos eventos fueron diseñados para un día completo de entrenamiento, con almuerzo y la adoración. Los temas que se ofrecieron incluyeron: Alcanzar a nuestros vecinos sin juzgar, oración, haciendo discipulado, compartiendo recursos, problemas de salud mental, ministerios de alcance, ministerios de hombres, aprender a comunicarse bien, diseñar una página web de la iglesia, y cómo pequeñas iglesias pueden convertirse en iglesias saludables. Además de estos talleres hubo los habituales talleres de SPRC/PPRC, finanzas y los miembros del Comité de Síndicos. Fue emocionante ver que 111 personas asistieron al evento en Beeville y 70 personas asistieron al evento de Kingsville.

Para ayudar a hacer auténticos discípulos de Jesucristo el distrito necesita líderes dedicados y entrenados. En agosto de 2015 tuvimos 6 personas del distrito que asistieron a la Cumbre Global de Liderazgo en Corpus Christi. En septiembre organizamos una membresía de distrito al evento de discipulado en St. John's UMC en Corpus Christi, Texas, con 87 personas de 23 diferentes iglesias asistiendo. En enero de 2016 tuvimos un equipo de 6 cleros y 2 laicos que asistieron a la Grace in Action Weekend en Florida. Estos eventos serán grandes recursos para las iglesias en el distrito con la información que aprendieron los participantes.

Este año, por primera vez, el Distrito Coastal Bend y los obreros con la juventud de Distrito El Valle se asociaron para armar un Solsticio de Invierno de Jóvenes en el campamento Zephyr en Mathis, Texas. El tema fue Volviendo a lo Básico. 236 jóvenes participaron en el fin de semana. Los dos distritos han evaluado el evento y están haciendo planes para mediados de invierno 2017. Otro evento de la juventud es la Coastal Bend Confirmation Rally que se llevará a cabo el 9 de abril en First United Methodist en Corpus Christi.

Gracia y paz,  
Reverenda Linda Morrow, Directora de Ministerios de Distritos

## CROSSROADS DISTRICT

### FOR INFORMATION ONLY

Opening a new church year in July, the district strategy team met to propose activities for the year. Part of the discussion included involvement of youth in the life of the district, especially utilizing our district worship and retreat center at Cathedral Oaks. Another focus for the strategy team is to involve more new lay persons on committees throughout the year.

In September, those attending the pastor/pros meeting were instructed in the process of encouraging parishioners in how to develop their Membership to Discipleship. The busy season of church conferences began on October 11 and ran through November 22. The Crossroads staff attended every conference and offered lists of activities to encourage participation of laity and clergy. In the spring, clergy and laity were trained in a daylong session titled Celebrating Diversity.

Crossroads District celebrates the ongoing activities of the United Methodist Women who support women and children and the helpful building skills of the United Methodist Men. This year, many lay persons and some clergy were involved in the extensive remodeling of Henson Chapel in Gonzales.

Introducing a new format, the Lay Servant Ministry Committee organized and presented the first overnight training sessions for basic and advanced courses at Cathedral Oaks on November 6-7. Some 35 students became certified. The same format was offered on May 6-7, also at Cathedral Oaks.

In January, the district "Know Your Job" workshop was offered at Shiner UMC. Approximately 80 persons were coached in the particulars of working on Finance, Trustees, Lay Leadership, and SPRC. The plenary message of New People, New Places was given by Pastor Aaron Saenz of Valley Praise in Harlingen, TX.

Utilizing our worship and retreat center at Cathedral Oaks, a day long youth rally and confirmand yoking was enjoyed by approximately 40 youth throughout the district. Youth enjoyed games, exercises, a live band, quiet moments of reflection, and a generous lunch. After lunch, a worship service and yoking ceremony attended by about 85 family members and friends in the faith closed the youth rally. Reverend Jenna Purdy and Reverend J. Paul Bruhn of LaGrange First were the leadership team for planning the event.

The Crossroads District Celebration, sponsored by the district and the board of laity, was held at the Bastrop Convention Center the afternoon of April 30. A gathering and get acquainted time preceded the brief program and meal. The Bishop's Exemplar award and several youth awards were given by Bishop Martinez and the District Superintendent, Reverend Robert Lopez.

Crossroads District continues to celebrate our district facility, the worship and retreat center at Cathedral Oaks. The Local Pastor's School is scheduled the middle of May. The facility will be well used in the summer of 2016. Currently scheduled is a camp at Cathedral Oaks in June and a UARMY mission opportunity in Weimar in July. We continue to affirm and support the Cathedral Oaks staff led by Christian Moore, Kelly Rodriguez, and Richard La Course.

## CROSSROADS DISTRICT

### SOLAMENTE POR INFORMACIÓN

Iniciando un año nuevo en la conferencia en julio, el grupo de estrategia del distrito se reunió para proponer actividades para el año. Parte de la discusión incluyó participación de los jóvenes en la vida del distrito, especialmente utilizando nuestro centro de retiro y adoración Cathedral Oaks. Otro enfoque es involucrar a más laicos nuevos en comités durante todo el año.

En septiembre, en la reunión de pastores y líder laicos, fueron instruidos en el proceso de cómo animar la congregación a convertir membresía a discipulado. Durante el 11 de octubre y hasta el 22 de noviembre, las iglesias se ocupan más con las juntas de conferencia de cargo. El personal de la oficia del distrito atiende a cada conferencia y ofrece listas de actividades para fomentar la participación de laicos y pastores. En la primavera, pastores y laicos fueron entrenados en una sesión titulada "Celebrando la diversidad". Este entrenamiento fue organizado por el equipo de vitalidad de la conferencia.

El Distrito Crossroads celebra las actividades de las Mujeres Metodistas Unidas, que apoyan a las mujeres y los niños, y las habilidades y corazón trabajadora los Hombres Metodistas Unidos. Este año, muchos pastores, líder laicos y miembros de las iglesias cercanas participaron en la remodelación de la capilla de Henson de Gonzales, TX.

Introduciendo un plan nuevo, el comité de ministerio de líder laicos organizo y presentaron su primer entrenamiento de cursos básicos y avanzados. Los que atendieron se quedaron la noche en Cathedral Oaks el 6-7 de noviembre. Se certificaron unos 35 alumnos. El mismo formato fue ofrecido en 6-7 de mayo, también en Cathedral Oaks.

En enero, la reunión de "Conocer su trabajo" fue ofrecido en la Iglesia Metodista en Shiner. Aproximadamente 80 personas fueron entrenadas por pastores y líderes laicos en las particularidades de trabajar en finanzas, síndicos, líderes laicos o pastor y parroquia. El mensaje de "Nuevos lugares, Nueva gente" fue dado por el Pastor Aaron Saenz de Valley Praise en Harlingen, TX.

Utilizando nuestro centro de retiro Cathedral Oaks, tuvimos un día dedicado a jóvenes y confirmantes donde 40 jóvenes atendieron de todo el distrito. Jóvenes disfrutaron de juegos, ejercicios, una banda en vivo, tranquilos momentos de reflexión y un generoso almuerzo. Tuvimos un servicio de adoración y asistieron cerca de 85 miembros de la familia y amigos en la fe para apoyar a los jóvenes. Reverenda Jenna Purdy y Reverendo J. Paul Bruhn de la iglesia Primera en La Grange fueron parte del equipo de liderazgo que organizaron el evento.

La celebración del distrito Crossroads, patrocinado por el distrito y el comité de laicos, se llevó a cabo en el centro de convenciones de Bastrop el 30 de abril. Esta reunión empezó con tiempo para conocer unos a otros, un programa breve y una cena. Varios premios y reconocimientos fueron dados, de parte del Obispo Joel Martínez y el Superintendente Rev. Robert Lopez, a jóvenes y adultos que han sido servidores ejemplares en su iglesia local o en el distrito.

El distrito Crossroads continúa celebrando a los trabajadores en el centro de retiros Cathedral Oaks, dirigido por Christian Moore, Kelly Rodríguez y Richard La Course. Esperamos tener la escuela de pastores locales en mayo y se utilizará también en el verano de 2016. Tendrán un campamento en junio y una oportunidad de trabajo misionera con el grupo U.M.A.R.M.Y. en Weimar en julio.

## WEST DISTRICT

### FOR INFORMATION ONLY

The West District has 41 churches – 16 (39%) churches are part-time leaving 25 with full-time appointments. We have 20 Full Elders, 1 Full Deacon, 5 FT Local Pastors, 3 Provisional Elders, 1 Retired Associate Member (serving full-time), 6 PT Local Pastors, and 1 Lay Supply Pastor.

The West District contains approximately 10% of the Rio Texas membership but 30% of the square mileage. The estimated 2015 population of the West District is 233,807 with a 3.1% increase expected by 2020. 50% of the population is White, 46% is Hispanic/Latino, 2% is Black, 1% is Pacific Island/American Indian, and 1% is Other. The top three age groups are: 22.9% 35-54; 17.7% 5-17; and 16.2% 65+. The majority (53%) are married, with 26.5% never married, 11.2% divorced, 6.9% widowed, and 2.4% separated. Finally, the top three education categories are: 30.6% have HSD or GED; 21.8% have some college; and, 13.3% have a Bachelor's Degree. 11.9% however, have less than a 9<sup>th</sup> grade education.

Regarding the connection, the West District is comprised of 7 Sub-District Groups with 5-7 churches in each. The District Superintendent/Strategist meets with seven Partnering Elders together for spiritual guidance, continuing education, and supervisory support. Then, the partnering elders meet with the pastors in each SDG approximately 6 times per year for similar purposes. The PEs also preside at the Charge Conferences of their SDG churches. We have rotated our gathering places to include San Angelo, Junction, Big Lake, San Saba, Sterling City, and Brackettville – thus most recesses of our District so we can better understand our common ministry.

Also, it is important to realize that the West District Strategy Team (DST) functions as the District Board of Location and Church Building when necessary (we've had 8+ churches with projects), and we subdivided into four other sub-groups: Finance & Development, New Wineskins/Revitalization, Program, and Strategy. Each meets between DSTs and reports on direction and progress. The major occurrence has been the closure of Lakeview UMC and the transition to Lago Vista Community Center, a ministry of the West District. LVCC has a Wesley Nurse, 3 West Texas Counseling & Guidance counselors, and a food pantry. We are working to clean, secure, and upgrade the property before allowing other community gatherings, including worship.

A third major occurrence is that the two Angelo State University Campus Ministries with which UM's have traditionally aligned (United CM and Wesley CM) have both decided to unify to more effectively reach the mission field on the campus and in the world. The remainder of 2016 is an "engagement period" with the "marriage" effective January 1, 2017.

## WEST DISTRICT

### SOLAMENTE POR INFORMACIÓN

El Distrito del Oeste tiene 41 iglesias-16 iglesias (39%) son a tiempo parcial, con 25 de sus nombramientos a tiempo completo. Tenemos 20 Presbíteros a tiempo completo, 1 Diácono a tiempo completo (ATC), 5 pastores locales ATC, 3 Presbíteros Provisionales, 1 Miembro Asociado jubilado (que sirve a tiempo completo), 6 pastores locales ATC, y un Pastor Laico suplente de púlpito.

El Distrito del Oeste contiene aproximadamente 10% de la membresía de la Conferencia Río Texas, pero 30% del área geográfica. La población de 2015 del Distrito Oeste era de aproximadamente 233.807 con un 3.1% de aumento esperado para el año 2020. El 50% de la población es de raza blanca, 46% es

Hispana, el 2% es raza negra, el 1% es indio americano o de las islas del Pacífico y 1% es de otras razas.

Los tres primeros grupos de edad son: 22,9% de edad de 35-54; 17,7% de 5-17; y 16.2% de 65 y más. La mayoría (53%) son casados, con 26.5% nunca casados, 11.2% divorciados, 6.9% viudos y 2.4% son separados. Por último, las tres categorías de educación principales son: 30,6% tienen educación de escuela superior o GED; 21,8 el % tienen alguna educación de universidad y 13.3% tienen un bachillerato; sin embargo, 11.9 % tienen menos de educación del 9<sup>o</sup> grado.

Con respecto a conexión, el Distrito del Oeste está compuesto por 7 Grupos de Sub Distrito, con un promedio de 5-7 iglesias en cada Sub Distrito. El Superintendente de Distrito y Estrategista se reúne con siete pastores para guía espiritual, educación continua y apoyo de supervisión. Consecuentemente, los Presbíteros Asociados se reúnen con los pastores de cada Grupos de Sub Distrito aproximadamente 6 veces por año con el mismo propósito. Los Presbíteros Asociados también presiden las Conferencias de Cargo de las iglesias en sus Grupos de Sub Distrito. Hemos girado nuestros lugares de reunión para incluir a San Angelo, Junction, Big Lake, San Saba, Sterling City y Brackettville – así como todos los rincones de nuestro distrito para poder comprender mejor nuestro ministerio en común.

También, es importante saber que el Equipo de Estrategia del Distrito (DST) Oeste funge como la Junta de Ubicación y Edificios de la Iglesia del Distrito cuando es necesario (hemos tenido más de 8

iglesias con proyectos de construcción), y nos hemos subdividido en cuatro subgrupos: Finanzas y

Desarrollo, New Wineskins/Revitalización, y Programa y Estrategia. Cada uno se reúne con el

Equipo de Estrategia del Distrito (DST) e informa sobre la dirección que lleva y su progreso. La reunión más importante ha sido el cierre de Lakeview IMU y la transición al Centro de Comunidad Lago Vista, un Ministerio del Distrito Oeste. LVCC tiene una enfermera Wesley, 3 West Texas Consejeros de Consejería y Dirección y una despensa de alimentos. Estamos trabajando para limpiar, asegurar y preparar la propiedad antes de permitir que otras reuniones de la comunidad, incluyendo la adoración tomen lugar allí.

Una tercera reunión principal ha sido la de los dos ministerios Campus de la Universidad de Angelo State con quién las Iglesias metodistas se han tradicionalmente relacionado (Ministerios de Campus Unidos y Wesley), ambos decidieron unificarse para alcanzar más efectivamente a las misiones en el campus y en el mundo. El resto de 2016 es un "período de compromiso" con el "matrimonio" eficaz en el 1 de enero de 2007.

Respectfully submitted,

**Steve Purdy**

## UNITED METHODIST WOMEN

FOR INFORMATION ONLY

God made me. He made me who I am. God made me. He made me who I am. I am victorious. You can't stop! You can't block me. God made me who I am. UMW that attended our "One day of Praise and Prayer" workshop proclaimed that excitement that "God Made Me Who I am" and God made me for a purpose.

During the past year, the UMW of Rio Texas Conference have laid the foundation for a strong and vital conference fill with respect for different culture and gifts that God has given each of us. We have united realizing that we need each other to survive and that we love God and we love each other

In January 2016 we launched a second year building a conference with seven districts. Through our Leadership workshop reinforced our foundation by presenting "A Tale of the 'O.'" This presentation allowed the ladies to look at times when they were in the majority (an "X") and times when they were in the minority (an "O." Each women was able to identify and share how it feels to be an "X" and how it feels to be an "O."

Three events are vital in the life of the United Methodist Women. They enhance and develop United Methodist Women. The events included Conference UMW Luncheon, Mission u, and our Conference Annual Meeting.

Our Annual UMW Luncheon will be held on June 11<sup>th</sup> at the Annual Conference at 12:15 p.m. at the American Bank Center, 2nd Floor, Water Garden A, 1901 Shoreline Dr., Corpus Christi, TX. Plates are \$22 until May 27<sup>th</sup>. Our guest speaker will be Minta Moore, Executive Director of New Life Refuge Ministries. Minta will address our theme: "*Human Trafficking: Call to Awareness and Action.*"

Our Mission u will be held July 8-10, 2016 at Mt. Wesley. Three mission studies are offered each year - a geographical, current issue, and spiritual growth study. These studies motivate, inform, and enrich our commitment to global ministry. Local members as well as leaders are trained to lead one of the three mission studies. Those leaders, in turn, are able to lead mission studies in their local and district groups.

The 2016 Mission Studies are:

- **Spiritual growth:**
- The Bible and Human Sexuality
- **Issue study**  
Climate Justice, Adult, Youth, and Children
- **Geographic:**  
Latin America: People and Faith

Our Conference Annual Meeting will be held in Austin, Texas with the Capital District as host on October 14-15, 2016.

We may have different cultures, languages, talents and gifts. But we were all made by God for a purpose. We've planted seeds in the lives of United Methodist Women of the Rio Texas Conference. We lifted our voices and proclaimed David Frazier's song "*I Need You to Survive.*"

## MUJERES METODISTAS UNIDAS DE LA CONFERENCIA RÍO TEXAS

SOLAMENTE PARA INFORMACIÓN

Dios me hizo. Me hizo quien soy. Dios me hizo. Me hizo quien soy. Soy victoriosa. ¡No me puedes detener! No me puedes estorbar. Dios me hizo quién yo soy. Las Mujeres Metodistas Unidas (MMU) que asistieron a nuestro taller "Un Día de Alabanza y Oración" proclamaron esa emoción que "Dios me hizo quién yo soy" y "Dios me hizo para un propósito".

Durante el año pasado, las MMU de la Conferencia Río Texas asentaron la base para una fuerte vital Conferencia llena de respecto a las diferentes culturas y dones que Dios ha dado a cada una de nosotras. Nos hemos reunido dándonos cuenta que nos necesitamos mutuamente para sobrevivir y decir que amamos a Dios y nos amamos las unas a las otras.

En enero de 2016 lanzamos un segundo año construyendo una conferencia con siete distritos. A través de nuestro taller de liderazgo reforzamos nuestra base mediante la presentación de "Un Cuento de la 'O'". Esta presentación permitió a las damas a ver las veces cuando estaban en la mayoría (una "X") y el tiempo cuando estaban en la minoría (una "O"). Cada una pudo identificarse y compartir cómo se siente ser una "X" y qué se siente ser una "O".

Tres eventos son vitales en la vida de las Mujeres Metodistas Unidas que mejoraron y desarrollaron a las Mujeres Metodistas Unidas. Los acontecimientos incluyeron el almuerzo de la Conferencia MMU, la Misión U y nuestra Reunión Anual de la Conferencia.

Nuestra Comida Anual de las MMU se celebrará en junio 11 en la Conferencia Anual a las 12:15 P.M. en el American Bank Center, 2do Piso, Jardín A, 1901 Shoreline Dr., Corpus Christi, TX. Las comidas cuestan \$22 hasta el 27 de mayo. Nuestra oradora invitada será Minta Moore, Directora Ejecutiva del Ministerio de Refugio Nueva Vida. Minta abordará el tema: "*El Tráfico Humano: Un Llamado a Conciencia y Acción.*"

Nuestra Misión será en los días 8 al 11 de Julio de 2016 en Mt. Wesley. Tres estudios de misión se ofrecen cada año - una cuestión geográfica actual y un estudio de crecimiento espiritual. Estos estudios motivan, informan y enriquecen nuestro compromiso con el ministerio global. Miembras locales así como líderes serán capacitadas para conducir uno de los tres estudios de misión. Esas líderes, a su vez, serán capacitadas para conducir estudios de misión en sus grupos locales y distritos.

Los Estudios de Misión de 2016 son:

- ☐ **Crecimiento Espiritual:**
  - La Biblia y la Sexualidad Humana
- ☐ **Estudio de Una Cuestión**
  - Justicia Climática, Adultos, Jóvenes y Niños
- ☐ **Geográfica:**
  - América Latina: Su Gente y su Fe

Nuestra Reunión Anual de Conferencia se celebrará en Austin, Texas con el Distrito Capital como anfitrión en los días 14 y 15 de octubre de 2016.

Tendremos diferentes culturas, idiomas, talentos y dones, pero todas fuimos hechas por Dios para un propósito. Hemos plantado semillas en las vidas de Mujeres Metodistas Unidas de la Conferencia Río Texas. Levantamos nuestras voces y proclamamos el canto de David Frazier, "*Te Necesito Para Sobrevivir.*"

## HEALTH AND WELFARE AGENCY REPORTS

### METHODIST CHILDREN'S HOME

FOR INFORMATION ONLY

Greetings from Methodist Children's Home (MCH) and the children, youth and families we serve. Our ministry is possible thanks to the support of our many benefactors and friends, including those from the Rio Texas Annual Conference. I am honored to report to you that MCH continues to be in compliance with and, in many cases, exceed best practice standards for childcare established by the states of Texas and New Mexico as well as the Council on Accreditation (COA), an international accrediting organization of child welfare, behavioral health, and community-based social services.

I invite each member of the annual conference to visit our website at [www.MCH.org](http://www.MCH.org) to view our strategic plan, annual report or explore in more detail our mission. Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, MCH provides the services, programs and talented individuals needed to positively impact the lives of children, youth and families throughout Texas and New Mexico. This is happening every day through residential programs on our historic Waco campus and Boys Ranch, located just outside of Waco, as well as through 12 MCH Family Outreach offices, including offices in Corpus Christi and San Antonio.

The reasons children and youth arrive in our care are unique to each individual. They range from extreme trauma or a sudden change in the family structure to school issues or poor choices in a difficult and ever-changing world. Our collaboration with Texas Christian University's Institute of Child Development to incorporate Trust-Based Relational Intervention (TBRI) as well as other best-practices into our daily programs keeps MCH on the cutting edge of childcare. These proven and tested techniques and methods of interacting with children are impacting families in positive ways. Our vision remains to share what we learn in serving the children and families from "hard places in life" with pastors, youth ministers and concerned family members in the local church because MCH knows you are encountering similar situations as well. The lessons we are learning, coupled with spiritual development opportunities for all children in our care, make MCH a unique ministry of the United Methodist Church.

Throughout the past year, MCH marked our 125th anniversary of ministry by commemorating the past, celebrating the present and creating the future. As we look back and see how far we have come since 1890, we are grateful for the clear way God has led MCH through these years in our mission to “offer hope to children, youth and families in a nurturing, Christian community.”

Through the generosity of our benefactors, the prayers of our friends and supporters, and the commitment of a skilled community of MCH employees, here are some of the things you helped MCH accomplish for God’s glory and those we serve:

- Celebrated 125 years of ministry through a number of special events, highlighted by our anniversary celebration on October 10 in Waco. Special guests Chip and Joanna Gaines, elected public officials, Board members, volunteers, alumni, staff, young people, and benefactors came together to honor the work God has done through MCH since 1890.
- Completed a bold five-year strategic plan that has helped chart a bright future for this ministry. Our leadership team is working on a new plan to further challenge MCH to serve the needs of more children, youth and families from Texas and New Mexico.
- Started building the first new home on our Waco campus in more than 50 years.
- Earned a four-star rating from Charity Navigator, their highest rating available. This designation comes as the result of our close oversight in areas of our fundraising, operations and financial management.
- Assisted 25 young people in graduating from our University of Texas – University Charter School on the Waco campus and other public school systems. Thanks to our many friends who made annual gifts to our general scholarship fund or designated monies from their estates for scholarships, approximately \$500,000 was available to assist more than 100 MCH alumni in pursuing advanced education degrees and certificates.
- Announced plans to open new MCH Family Outreach offices in Killeen and Bryan/College Station, Texas, and Las Cruces, N.M.
- Enjoyed a great year for our athletic programs, Ag Science/FFA and Environmental Studies programs and other extracurricular activities. Our MCH Bulldog football team reached the state finals and we enjoyed one of our best years on record at the Heart O’ Texas Fair & Rodeo. We believe these extracurricular activities are powerful ways to help teach our young people responsibility and enable them to gain a sense of belonging in our nurturing, Christian community.

Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents and resources to bless our children. The following individuals from the Rio Texas Annual Conference serve on the MCH Board of Directors:

Mr. Bill Bingham, Austin

Mr. Mario Olivarez, Corpus Christi

Mrs. Candy Mallonee, San Antonio

Mr. Bob Rork, San Antonio

These individuals, along with other Board members, MCH Commissioners and benefactors, enable our ministry to achieve its mission. On behalf of Methodist Children’s Home, thank you for sharing our story in your churches and communities. If you would like to schedule a speaker, arrange a tour or request resources to help promote an offering, contact our development office by e-mail at [development@MCH.org](mailto:development@MCH.org), by phone at (254) 750-1213 or (800) 853-1272, or by mail at 1111 Herring Avenue, Waco, Texas 76708.

I again encourage you to visit our website at [www.MCH.org](http://www.MCH.org) to download stories; identify resources to help educate your congregation on our ministry; view a transparent listing of our financial resources and services delivered; find out how you can refer a child for placement; or learn more about a call to serve our ministry as a home parent, foster parent or in another capacity as we seek to offer hope to those in our care.

This year MCH asks the Annual Conference to once again review the content of our Statement of Covenant Relationship. This document is included at the end of this report. It defines how MCH and the Annual Conferences of Texas and New Mexico operate independently but also toward a common mission. MCH has a policy instituted by our Board of Directors requiring that we review the Statement of Covenant Relationship every four years. The only changes involve the realignment in the number of Annual Conferences from Texas and New Mexico which resulted in our Board membership decreasing by one member. The document also reflects the new name of the Rio Texas Conference.

As we now celebrate our 126<sup>th</sup> year of ministry, MCH knows our service to children and families is possible because of God’s amazing grace and our generous benefactors. Thank you for your trust and support of our ministry. May God continue to bless you, the ministries of the Rio Texas Annual Conference and Methodist Children’s Home.

Sincerely,

Tim Brown, President/CEO

### Informe a la Conferencia Anual 2016 Rio Texas

#### SOLAMENTE POR INFORMACIÓN

Saludos del Methodist Children’s Home (MCH) y los niños, jóvenes y familias a quienes servimos. Nuestro ministerio es posible gracias al respaldo de nuestros muchos benefactores y amigos, incluyendo al de la Conferencia Anual Río Texas. Tengo el honor de informar a ustedes que MCH continúa a cumplir con las reglas de cuidado de niños establecidas por los Estados de Texas y Nuevo México, así como por el Concilio de Acreditación (COA), una organización acreditadora internacional para el bienestar de niños, salud mental y servicios sociales comunitarios.

Invito a cada miembro de la conferencia anual a visitar nuestro sitio web en [www.MCH.org](http://www.MCH.org) para ver nuestro plan estratégico, nuestro informe anual o a explorar en más detalle nuestra misión. Guiados por nuestros valores de Principios Cristianos claves, Relaciones, Responsabilidad, Crecimiento, Servicio y Esperanza, MCH provee los requeridos servicios, programas y personas con talentos

necesarios para impactar positivamente la vida de niños, jóvenes y familias en Texas y Nuevo México. Esto sucede todos los días a través de los programas residenciales en nuestro histórico campus en Waco y Boys Ranch, ubicado fuera de Waco, así como a través de 12 oficinas de Alcance Familiar de MCH, incluyendo oficinas en Corpus Christi y San Antonio.

Las razones que los niños y jóvenes llegan a nuestro cuidado son únicas de cada individuo. Varían desde un trauma extremo o un repentino cambio en la estructura familiar a problemas escolares o pobres decisiones en un mundo difícil y cambiante. Nuestra colaboración con el Instituto de Desarrollo de Niños de la Universidad Texas Christian para incorporar intervención relacional basada en la confianza

(TBRI), así como otras prácticas de mejoras en nuestros programas diarios, mantiene a MCH en la vanguardia del cuidado de niños. Estas técnicas probadas y comprobadas y métodos de interactuar con los niños impactan a las familias en forma positiva. Nuestra visión sigue siendo el compartir lo que aprendemos de los niños y las familias en los "lugares difíciles en la vida" con los pastores, ministros de jóvenes y miembros de la familia en la iglesia local, ya que MCH sabe que Uds. se encuentran con casos similares también. Las lecciones que aprendemos, junto con oportunidades de desarrollo espiritual para todos los niños en nuestro cuidado, hace único el ministerio de MCH en la Iglesia Metodista Unida.

Durante el último año, MCH marcó nuestro 125<sup>o</sup> aniversario de ministerio conmemorando el pasado, celebrando el presente y creando el futuro. Al mirar hacia atrás y ver hasta donde hemos llegado desde 1890, estamos agradecidos por la forma clara en que Dios ha llevado a MCH durante estos años en nuestra misión de "ofrecer esperanza a los niños, jóvenes y familias en una comunidad cristiana y enriquecedora".

Gracias a la generosidad de nuestros benefactores, las oraciones de nuestros amigos y simpatizantes y el compromiso de una especializada comunidad del MCH, aquí están algunas de las cosas que Uds. ayudaron a MCH a lograr para la gloria de Dios y para la mejora de aquellos a quienes servimos:

- ☐ Celebró 125 años de ministerio a través de una serie de eventos especiales, resaltada en nuestra celebración de aniversario el 10 de octubre en Waco. Los invitados especiales Chip y Joanna Gaines, así como funcionarios públicos, elegidos, miembros de la Junta, voluntarios, alumnos, personal, jóvenes, y benefactores se unieron para honrar la obra que Dios ha hecho a través de MCH desde 1890.
- ☐ Completó un audaz plan estratégico de cinco años que ha ayudado a encartar un brillante futuro para este Ministerio. Nuestro equipo está trabajando en un nuevo plan para desafiar aún más a MCH a atender las necesidades de más niños, jóvenes y familias de Texas y Nuevo México.
- ☐ Comenzó a construir la primera casa nueva en más de 50 años en el campus de Waco.
- ☐ Obtuvo una calificación de cuatro estrellas de Charity Navigator, la más elevada clasificación disponible. Esta designación viene como resultado de nuestra estrecha supervisión en las áreas de nuestra recaudación de fondos, operaciones y gestión financiera.
- ☐ Asistió a 25 jóvenes a graduarse de la Universidad de Texas – Escuela de Carta Universitaria en el campus de Waco y otros sistemas de escuelas públicas. Gracias a nuestros numerosos amigos que hicieron regalos anuales a nuestro fondo general de becas o señalaron dinero de sus fincas para becas, aproximadamente la cantidad de \$500.000 estuvo disponible para ayudar a más de 100 alumnos de MCH en el recaudo de certificados y títulos de educación superior.
- ☐ Anunció planes de abrir nuevas oficinas de difusión de familias de MCH en Killeen y Bryan/College Station, Texas y Las Cruces, N.M.
- ☐ Disfrutó un gran año en nuestros programas deportivos, Ag Science /FFA y Programas de estudios del medio ambiente y otras actividades extracurriculares. Nuestro equipo de fútbol, Los Bulldogs de MCH, alcanzó la etapa final del estado y disfrutó de uno de nuestros mejores años en la Feria de Texas y Rodeo Heart O'Texas. Creemos que estas actividades extraescolares son formas poderosas para ayudar a enseñar a nuestros jóvenes responsabilidad y para permitirles obtener un sentido de pertenencia en nuestra comunidad vigorizante y cristiana.

Nuestros logros en el pasado y los del porvenir están directamente relacionados con los hombres y mujeres que dan su tiempo, talentos y recursos para bendecir a nuestros hijos. Los siguientes individuos de la Conferencia Anual Rio Texas sirven en la Junta de Directores de MCH:

El Sr. Bill Bingham, Austin  
La Sra. Candy Mallonee, San Antonio

El Sr. Mario Olivárez, Corpus Christi  
El Sr. Bob Rork, San Antonio

Estos individuos, junto con otros miembros de la Junta, comisionados de la MCH y benefactores, permiten a nuestro Ministerio lograr su misión. En nombre del Methodist Children's Home, gracias por permitirnos compartir nuestra historia en sus iglesias y comunidades. Si desean invitar un altavoz, organizar una gira o hacer solicitud de recursos para ayudar a recaudar una ofrenda, favor de ponerse en contacto con nuestra Oficina de Desarrollo por correo electrónico a [development@MCH.org](mailto:development@MCH.org), por teléfono al (254) 750-1213 o (800) 853-1272, o por correo a 1111 Herring Avenue, Waco, Texas 76708.

Otra vez les animo a visitar nuestro sitio web en [www.MCH.org](http://www.MCH.org) para descargar historias; identificar recursos para ayudar a educar a su congregación en nuestro Ministerio; para ver una lista transparente de nuestros recursos financieros y servicios; para averiguar cómo referir a un niño para ubicación; o para más información sobre un llamado a servir en nuestro ministerio como pariente de casa, pariente alternativo o en otra capacidad en nuestra ofrenda de esperanza a aquellos en nuestro cuidado.

Este año MCH pide a la Conferencia Anual que repase nuevamente el contenido de nuestra Declaración de Relación de Pacto. Este documento se incluye al final de este informe. Define como MCH y las Conferencias Anuales de Texas y Nuevo México operan independientemente, pero también en misión común. MCH tiene una política instituida por nuestro Concilio de Administración que requiere el repaso de la Declaración de Relación de Pacto cada cuatro años. Los únicos cambios incluyen el reajuste en el número de Conferencias Anuales de Texas y Nuevo México que resultaron del rebajo de uno de los miembros de la Junta. El documento también refleja el nuevo nombre de la Conferencia Río Texas.

Al celebrar nuestro 126° año de Ministerio, MCH reconoce que nuestro servicio a niños y familias es posible por la gracia maravillosa de Dios y nuestros generosos bienhechores. Gracias por su confianza en nuestro Ministerio y respaldo. Que Dios siga bendiciendo los ministerios de la Conferencia Anual Río Texas y el Methodist Children's Home.

Atentamente,  
Tim Brown, Presidente y Director General

## MORNINGSIDE MINISTRIES SENIOR LIVING COMMUNITIES

### FOR INFORMATION ONLY

Morningside Ministries continued its mission of enhancing the dignity and quality of life of older adults, their families and caregivers in 2015. It was a successful year as new initiatives and programming were introduced at Morningside's three growing communities in San Antonio and Boerne.

Throughout the first half of 2015, Morningside Ministries' Board of Directors and executive team established new mission and vision statements and six core values for the organization. The new mission statement replaces the unofficial slogan of "caring for those who cared for us" and reads as follows: "The faith-based mission of Morningside Ministries is to enhance the dignity and the quality of life of older adults, their families and caregivers with compassionate care." Morningside Ministries' vision is that by 2020, it will be the most effective, desired organization in Texas serving older adults through high quality, accessible services.

It was important to establish core values that evoked the nature of the organization to those familiar and unfamiliar with Morningside. These core values are: faith-based service, compassionate care, integrity, innovation, stewardship and excellence. It is our hope that these core values will help lead us in the right direction throughout this new year, and for years to come.

We are grateful for the leadership and support shown by our Board of Directors which includes Julie Bray Patterson, Dr. Melinda McFarland, Mary Schoff, Bob Scott, Bob Wehmeyer, Carl Rohlf, and Bishop Joel Martinez from the Rio Texas Conference of the United Methodist Church. The generosity of donors and loyal friends and the ongoing prayers, encouragement, and support of the Conference allow us to continue our mission of providing services to seniors in the local community. Staying true to our goal of caring for those who cared for us, Morningside once again provided millions of dollars in charitable care to residents this past year.

LeadingAge Texas honored long-time Morningside Ministries Chairperson Patrick Heath with the Board Leadership Award during its 2015 Awards Program. Mayor Heath has been involved with Morningside Ministries for over 15 years and has served on both the Morningside Ministries and Morningside Ministries Foundation, Inc. Board of Directors. We are grateful that his leadership, knowledge and calling to serve was duly recognized by LeadingAge Texas.

Significant renovations took place at Morningside Ministries' flagship community, The Manor, throughout 2015. The amount of \$1.2 million, consisting of a lead gift from Valero Energy Foundation and a number of outside grants, made it possible for a skilled nursing unit and several resident rooms to receive much needed improvements. Completed renovations include a brand new spa facility featuring three private bathing areas, the expansion of an existing nurses station and the renovation of 17 resident rooms. These renovations will improve the quality of life of our residents for years to come.

We are thrilled to announce that the assisted living expansion at Morningside Ministries at Menger Springs in Boerne was successfully completed in winter 2015. The brand-new, three-story Cibolo House Assisted Living building features 48 apartment residences and spacious, attractive common spaces including a resident dining room, a state-of-the-art kitchen, a wellness center, a worship room and plenty of resident activity areas. Menger Springs' new independent living community, The Overlook, is over 80% pre-sold and continues under construction with an expected opening date within the next few weeks.

The introduction of the Music and Memory<sup>SM</sup> program at Cibolo House Memory Care at Morningside Ministries at Menger Springs was a huge step for Morningside Ministries' memory care program. Music and Memory<sup>SM</sup> is a non-profit organization that incorporates music therapy into the lives of older adults living in continuing care facilities by providing them with iPods containing songs that are familiar to them. Introducing the program at Cibolo House was made possible by a partnership formed between Morningside Ministries and the music program at the University of Texas at San Antonio. To raise funds needed to apply for the Music and Memory certification program, two benefit musical concerts and a free movie screening of the award-winning documentary *Alive Inside* were held, all open to the public. Over \$1,000 was successfully raised for certification and to purchase iPod shuffles, headphones and iTunes gift cards for the memory care residents. Memory care residents are enjoying the benefits that come with being able to listen to their favorite music. Staff members often share stories of residents "coming alive" as they listen to music, with many smiling from ear to ear and some even dancing in their seat.

Now in its ninth year, Morningside Ministries' online educational program mmLearn.org continues to offer innovative, informative and educational web-based training on a myriad of topics ranging from grief and loss to caregiving for a person with dementia. These videos are free to caregivers, family members and health care professionals around the world.

It was another productive year for mmLearn.org as they introduced new educational video series on topics such as palliative care and eldercare dental hygiene, done in collaboration with the University of Texas Health Science Center in San Antonio's (UTHSCSA) School of Nursing and Department of Periodontics, respectively.

Thanks to the \$350,000 Humana Communities Benefit Grant awarded in 2014, mmLearn.org successfully increased the number of video programs that were translated to Spanish using video captioning. mmLearn.org also assisted a number of organizations with their training practices and fundraising efforts; those organizations include Project Mend in San Antonio, the LeadingAge Texas Leadership Institute and the Texas Diaper Bank.

mmLearn.org continues to grow annually as new users around the world are taking advantage of the free training videos available on the mmLearn.org website. The total number of video views, including those on YouTube, increased to 324,981 in 2015. This is a 103% increase over the 2014 numbers and a 48% increase over the 2015 projected goal.

As we welcome another year, Morningside Ministries will continue its path to fulfill the vision of becoming the most effective, desired organization in Texas serving older adults through high quality, accessible services. We are deeply grateful for the opportunities and blessings that were presented to us last year, and look forward to the many gifts that are in store for our residents and hard-working staff in the future.

I invite you to visit any of our three communities. Please feel free to contact me at (210) 734-1010 to request a brochure or to arrange a tour. ## MORNINGSIDE MINISTRIES SENIOR LIVING COMMUNITIES

### SOLAMENTE POR INFORMACIÓN

Morningside Ministries continuó su misión de mejorar la dignidad y la calidad de vida de los adultos mayores, sus familias y cuidadores en 2015. Fue un año exitoso con la introducción de nuevas iniciativas en las tres comunidades Morningside en San Antonio y Boerne, Texas.

Durante la primera mitad de 2015, el Consejo de Administración y el equipo ejecutivo de Morningside Ministries establecieron nuevas declaraciones de misión y visión, y seis valores fundamentales para la organización. La misión basada en la fe de Morningside Ministries es para mejorar la dignidad y la calidad de vida de los adultos mayores, sus familias y cuidadores por medio de cuidado compasivo. La visión de Morningside Ministries es que para el año 2020, será la organización más efectiva y deseada en Texas sirviendo los adultos mayores a través de servicios accesibles y de alta calidad.

Nuestros seis valores fundamentales son: servicio basado en la fe, cuidado compasivo, integridad, innovación, mayordomía y excelencia. Fue importante establecer valores fundamentales que enseñan la naturaleza de nuestra organización a personas familiares y no familiares con Morningside Ministries. Esperamos que estos valores nos ayuden a dirigir en la dirección correcta a lo largo de este nuevo año, y en los años venideros.

Nos sentimos agradecidos por el liderazgo y el apoyo mostrado por nuestro Consejo de Administración que incluyen a Julie Bray Patterson, Dra. Melinda McFarland, Mary Schoff, Bob Scott, Bob Wehmeyer, Carl Rohlf, y el obispo Joel Martinez de la Conferencia de Río Texas de la Iglesia Metodista Unida. La generosidad de nuestros amigos leales y donantes, junto a las oraciones continuas y el apoyo de la Conferencia, nos permiten continuar nuestra misión de proveer servicios a personas mayores de nuestra comunidad. Fuimos fieles a nuestro objetivo de "cuidar a los que nos cuidaron," y proporcionamos una vez más millones de dólares en ayuda caritativa a nuestros residentes durante este último año.

La organización LeadingAge Texas honro a nuestro miembro del consejo Patrick Heath con el Premio de Liderazgo en Consejo. El Sr. Heath ha sido un gran contribuidor a Morningside Ministries por más de 15 años y ha sido miembro del Consejo de Administración así como la Fundación Morningside Ministries, Inc. Estamos realmente agradecidos de que su liderazgo, conocimiento y servicio fueron debidamente reconocidos por LeadingAge Texas.

Se realizaron renovaciones significativas en nuestra comunidad, Morningside Ministries at The Manor (La Mansión en español.) Una unidad de enfermería especializada y varias habitaciones recibieron mejoramientos gracias a un regalo principal de la Fundación Valero Energy y numerosas donaciones externas, resultando en \$1.2 millones en donaciones. Las renovaciones también incluyeron un nuevo spa que ofrece tres zonas para baños privados, la expansión de una estación de enfermeras y la renovación de 17 habitaciones. Estas renovaciones mejorarán la calidad de vida de nuestros residentes en los años venideros.

Estamos encantados de anunciar que nuestra expansión de vivienda asistida en Morningside Ministries en Menger Springs en Boerne se completaron con éxito durante el invierno de 2015. El nuevo edificio de tres pisos, llamado *Cibola House Assisted Living*, cuenta con 48 apartamentos y amplios espacios comunes, un atractivo comedor, un gimnasio, una sala de adoración y áreas para actividades.

La introducción del programa *Music & Memory<sup>SM</sup>* (Música y Memoria) en nuestra comunidad de cuidado de la memoria en Menger Springs fue un gran éxito. *Music & Memory<sup>SM</sup>* es una organización sin ánimo de lucro que incorpora los efectos terapéuticos de la música en la vida de los adultos mayores que viven en comunidades de atención continuada usando reproductores de música *iPods* que contienen sus canciones favoritas. La introducción de este programa fue posible gracias a una asociación formada entre Morningside Ministries y el programa de música en la Universidad de Texas en San Antonio. Para recaudar fondos necesarios para solicitar la certificación, dos conciertos musicales y una proyección del documental *Alive Inside* se llevaron a cabo durante el otoño de 2015. Gracias a estos eventos, se recaudaron más de mil dólares para la certificación y para la compra de *iPods*, audífonos y tarjetas de regalo de *iTunes*. Nuestros residentes de cuidado de la memoria

están disfrutando los beneficios de escuchar su música favorita. Miembros de nuestro personal comparten historias de los residentes "volviendo a la vida" mientras escuchan música, con muchos sonriendo de oreja a oreja y algunos incluso bailando en sus sillas.

Ahora en su noveno año, el programa educativo en línea de Morningside Ministries *mmLearn.org* continúa ofreciendo entrenamientos innovadores, informativos y educativos sobre un gran variedad de temas incluyendo como superar una pérdida y cuidados para una persona con demencia. Estos videos son gratis para cuidadores, familiares y profesionales de la salud y pueden ser vistos en cualquier parte del mundo.

Fue otro año productivo para mmLearn.org con la producción de nuevas series de videos educativos sobre temas como los cuidados paliativos y la higiene dental en personas mayores, realizado en colaboración con la Escuela de Enfermería y el Departamento de Periodoncia en la Universidad de Texas Health Science Center en San Antonio (UTHSCSA).

Gracias a una beca de \$350,000 otorgada por el programa caritativo *Humana Communities Benefit* en 2014, mmLearn.org logró aumentar el número de videos traducidos al español utilizando subtítulos de video. mmLearn.org también asistió a varias organizaciones con sus prácticas de educación y esfuerzos de recaudación de fondos; estas organizaciones incluyen *Project Mend* en San Antonio, Texas, el Instituto de Liderazgo en *LeadingAge Texas* y *Texas Diaper Bank*.

mmLearn.org continúa creciendo cada año ya que nuevos usuarios de todas partes del mundo están tomando ventaja de los videos de entrenamiento disponible gratis en el sitio web mmLearn.org. El número total de puntos de vista de video, incluyendo los de YouTube, aumentó a 324,981 en 2015. Este es un aumento de 103% en los números de 2014 y un aumento del 48% sobre la meta proyectada de 2015.

En 2016, Morningside Ministries seguirá por su camino para cumplir la visión de convertirse en la organización más efectiva y deseada en Texas sirviendo los adultos mayores a través de servicios accesibles y de alta calidad. Estamos profundamente agradecidos por las oportunidades y bendiciones que nos han sido enviados el año pasado, y esperamos que sigan en el futuro.

Lo invito a visitar cualquiera de nuestras tres comunidades. Por favor no dude en comunicarse conmigo al (210) 734-1010 para solicitar un folleto o para organizar una visita. ## GOLDEN AGE HOME

FOR INFORMATION ONLY

### What is Golden Age Home?

Golden Age Home (GAH) is a privately owned, nonprofit Assisted Living facility started by the Methodist Conference in 1959. Assisted Living facilities offer choices in a residential setting about personal care and health related services. At GAH each resident has their own efficiency/ studio apartment. We take care of the cooking, cleaning, laundry, lawn care and household repairs so the residents can enjoy activities. Residents are provided with emergency call systems to alert staff immediately if they need help. Staff are in the facility 24 hours a day. Optional services include bathing assistance, medication management, arranging doctor appointments, transportation, and more.

GAH remained under the ownership of the Austin District until 1992 when the Southwest Texas adopted changes to the by-laws of the Golden Age Home stating, "While the Golden Age Home looks to the Southwest Texas Annual Conference of the United Methodist Church as a source of education and financial support, the Southwest Texas Annual Conference of the United Methodist Church, or its local churches, have no authority over the Golden Age Home and have no responsibility for the legal or financial obligations of the Golden Age Home." In 2015, when the Southwest Texas Conference united with the Rio Grande Conference to become the Rio Texas Conference, the Golden Age Home became an agency related to the Rio Texas Conference.

Golden Age Home is also able to offer low income housing for independent living residents. We are able to offer 16 rooms at the HUD low income housing rates. Donations from the Methodist conference helps offset a fraction of the cost to allow this program. By offering these independent apartments at a third of the cost for assisted living rooms & services, we are able to provide security, meals and housekeeping and general assistance to those who are living on a small Social Security pension every month and would otherwise not be able to afford the help they needed.

Many exciting things have taken place during 2015-2016 at Golden Age Home. 50 years ago a faithful church member, like yourself, passed away and left a portion of her trust fund to GAH. However, it did not mature for 50 years after her death. These funds became available at the beginning of 2015. They have enabled GAH to accomplish many needed things.

1. Installation of Automatic push button front doors.
2. New flooring on each of the resident hallways.
3. Establishment of an endowment fund to be used for capital improvements, program enhancement & new building funds.
4. Purchase of a wheelchair capable bus.

Because of this women's foresight, her legacy is making lasting impacts on the lives of many. You can do the same thing by getting involved at Golden Age Home.

### How can you be involved with Golden Age Home?

We have a variety of ways organizations can be involved either directly with the residents or indirectly. These needs change with the time of year. Listed below are some current needs.

- Families/groups to provide an activity
  - Call bingo, make cookies or crafts with residents, singing/drama/dance performances, church services
  - Sponsor a party/event
  - Provide Bingo prizes
    - Hygiene products, crosswords puzzles, picture frames, baseball caps, Kleenex, fashion jewelry, jigsaw puzzles & puzzle glue, insulated cups/bags, snack food
  - One-on-One Visits with Residents
    - Sending cards
- Volunteer to help with service projects
  - Painting, washing windows, spring cleaning
- Financially Support the Activity Department
  - Designate your Communion Rail Offering twice a year
  - Support by [shopping at AmazonSmile](#) and .05% of your purchase will be donated to Golden Age Home
  - Make an online donation at <http://www.goldenagehome.com/index.php/about-us/donate>
- Serve as a member of our Board of Directors. (contact Nicole Burnett if interested)
- Join our Facebook page to learn more about when special events will be held or needs that arise.

## GOLDEN AGE HOME

### SOLAMENTE POR INFORMACIÓN

#### ¿Qué es Golden Age Home?

Golden Age Home (GAH) es una instalación de vida asistida privada, no redituable, iniciado por la Conferencia Metodista en 1959. Las instalaciones de vida asistida ofrecen opciones sobre el cuidado personal y servicios relacionados con la salud. En Golden Age Home, cada residente tiene su propio apartamento de eficiencia/estudio. Nos ocupamos de cocinar, limpieza, lavar ropa, cuidado del césped y del hogar para que los residentes puedan disfrutar de otras actividades. Si algún residente necesita ayuda médica, podrán utilizar el sistema de emergencia que avisara inmediatamente a uno de los empleados. El personal está disponible las 24 horas del día. Los servicios opcionales incluyen ayuda al baño, administración de medicamentos, organizar citas con el médico, transporte y mucho más.

GAH se mantuvo bajo la propiedad del Distrito de Austin hasta 1992 cuando el Suroeste de Texas aprobó diversas modificaciones en los estatutos de Golden Age Home indicando, "Mientras que Golden Age Home busque a la Conferencia Anual del Suroeste de Texas de la Iglesia Metodista Unida como fuente de educación y el apoyo financiero, la Conferencia del Suroeste de Texas Anual de la Iglesia Metodista Unida, o sus iglesias locales, no tienen autoridad sobre Golden Age Home y no tienen ninguna responsabilidad por las obligaciones legales o financieros de Golden Age Home". En 2015, cuando la Conferencia del Suroeste de Texas se unió con la Conferencia de Río Grande para convertirse en la Conferencia de Río Texas, Golden Age Home se convirtió en una agencia relacionada con la Conferencia de Río Texas.

Golden Age Home también es capaz de ofrecer viviendas de bajo costo para personas que viven independientes. Estamos en condiciones de ofrecer 16 habitaciones con la tarifa baja que ofrecen en HUD (Housing and Urban Development). Las donaciones de la Conferencia Metodista ayudan a compensar una fracción del costo para permitir que este programa continúe. Al ofrecer estos apartamentos a una tercera parte del costo de las habitaciones y los servicios de vida asistida, somos capaces de proporcionar seguridad, las comidas y el servicio de limpieza y asistencia general a los que están viviendo en una pequeña pensión del Seguro Social cada mes. De otra manera, muchos no serían capaces de proporcionar la ayuda que necesitan.

Muchas cosas emocionantes han pasado durante 2015-2016 en el Golden Age Home. Hace 50 años, un miembro de la iglesia fiel, como usted, falleció y dejó una parte de su fondo fiduciario para GAH. Sin embargo, no maduró durante 50 años después de su muerte. Estos fondos estuvieron disponibles a principios de 2015. Han permitido Golden Age Home lograr muchas cosas necesarias.

1. Instalación de puertas automáticas que abren con solo empujar un botón.
2. Piso nuevo en cada uno de los pasillos
3. Establecimiento de un fondo de dotación que se utilizará para mejoramiento del edificio, mejorar el programa y fondos de construcción nueva.
4. La compra de un autobús con capacidad de transportar silla de ruedas.

Debido a la previsión de esta mujer, su legado está haciendo un impacto duradero en las vidas de muchos. Usted, también, podrá hacer lo mismo involucrándose en Golden Age Home.

#### ¿Cómo puede involucrarse en Golden Age Home?

Tenemos varias oportunidades para que organizaciones apoyen directamente con los residentes o indirectamente. Estas necesidades, enumeradas a continuación, cambian durante el año.

- Familias o grupos organizando una actividad
  - Un juego de Bingo/Lotería, cocinando juntos o haciendo manualidades, cantando, presentado bailes especiales o dramas, servicios de iglesia
  - Organizar una fiesta o evento
  - Proveer premios para los juegos

- Productos higiénicos, rompecabezas, Kleenex, joyería, tazas o bolsas reusables, crucigramas, aperitivos
  - Tomando tiempo conviviendo con un residente, uno a uno
    - Mandar cartas o correspondencia
- Ofrecer de voluntario
  - Pintando, lavando ventanas, organizando
- Apoyando financieramente
  - Designando ofrendas especiales dos veces al año
  - Usando [AmazonSmile](#) donde .05% de su compra será donada a Golden Age Home
  - Hacer una donación por internet <http://www.goldenagehome.com/index.php/about-us/donate>
- *Servir como miembro de la Junta Directiva (comuníquese con Nicole Burnett)*
- *Busca en nuestra página de Facebook para conocer más información de eventos especiales o necesidades.*

## PROVIDENCE PLACE MINISTRY (Formerly Methodist Mission Home)

FOR INFORMATION ONLY

On behalf of our Board of Directors, staff, and those on our campus who are working hard to achieve their own personal levels of success, I thank you – the members of the Rio Texas Annual Conference – for your dedication in partnership with the ministry of Providence Place. By God’s grace, we celebrated our 120<sup>th</sup> anniversary in 2015 thanks to the committed support from individual donors and United Methodist Churches.

Providence Place provides a safe haven for those who have felt excluded. We offer adoption services to women who are in crisis and facing an unplanned pregnancy, as well as those who are looking to open their hearts and homes to a child in need of a forever family. We also have our Center for Higher Independence (CHI), which is a transitional program for young adults with cognitive or physical disabilities. Here, we offer independent living and vocational training to students who may not have realized their full potential and capabilities, believing that they will find themselves accomplishing things they never thought were possible.

The past year has been a year of transitions for Providence Place. From a transition in leadership to transitions throughout our programs, we see God’s hand at work. For example, we have transitioned our expectant mothers to an off-campus apartment around the corner for a more private and comfortable experience. We have seen a rise in post adoption inquiries, with past clients wanting to piece together their life story. The curriculum has been expanded in the CHI classrooms, with more vocational training tracks being offered to help students realize where they can excel. Texas state licensing standards requirements have changed so that there is now a lower instructor-to-student ratio, which allows for much more personal and specialized lessons. In June of 2015, twenty-six young adults graduated from CHI and begin applying all they had learned while either continuing to live here in San Antonio or after moving back to their hometown – 80% of those students had found employment at the time of their graduation.

A need to review our Mission, Vision and Core Values was felt across the campus. There was a calling to begin this ministry over 120 years ago, and I feel these accurately describe the way in which we wish deliver hope to those we connect with. I would love to share them with you now:

**Mission Statement:** Providence Place is a non-profit and for-purpose organization fostering opportunities. We empower adults with disabilities and people on the adoption journey by supporting independence and building bright futures with endless possibilities.

**Vision Statement:** Imagining possibilities and eliminating barriers in an ever changing world.

**Core Values:** Grace, Wholistic Care, Authentic Presence, Openness of Spirit and Value of Human Capital.

In January of 2016, we introduced our new Chaplain, Carrie Land, to our Providence Place family. Carrie is currently on track to become an Elder in Full Connection in the United Methodist Church. She has worked with Providence Place in the past through her previous position as a DARS (Department of Assistive and Rehabilitative Services) Counselor, where she would refer young adults with disabilities to our program. Carrie has great plans for the spiritual community here on campus, with her first being to revitalize a worship service that welcomes all expectant mothers, students and staff during the week. We are beyond thrilled to have her join our team.

I would also like to take the time to recognize those from the Rio Texas Conference who give of themselves, their time and resources to serve on the Providence Place Board:

## PROVIDENCE PLACE MINISTRY (Formerly Methodist Mission Home)

SOLAMENTE POR INFORMACIÓN

De parte de nuestra Junta Directiva, personal, y aquellos en nuestro campus que están trabajando para obtener su propio nivel de éxito, yo les doy las gracias a ustedes - los miembros de la Conferencia Anual Rio Texas – por su dedicación en la asociación con el ministerio de Providence Place. Por la gracia de Dios, celebramos nuestro aniversario número 120 en el 2015 gracias al apoyo comprometido de donantes individuales y de las iglesias Metodistas

Providence Place ofrece un lugar seguro a aquellos que se han sentido excluidos. Ofrecemos servicios de adopción a mujeres que están en crisis y enfrentando un embarazo no planeado, y también a aquellos que están buscando abrir sus corazones y sus hogares a un niño o una niña que necesitan una familia que es “para siempre”. También tenemos nuestro Center for Higher Independence (Centro de Alta Independencia), que es un programa transicional para jóvenes adultos con discapacidades cognitivas o físicas. Aquí, ofrecemos vivienda independiente y entrenamiento vocacional a estudiantes que tal vez no han realizado su mayor potencial y capacidades, creyendo que ellos van a verse logrando cosas que nunca pensaron pudieran haber sido posibles.

Este año ha sido un año de transiciones para Providence Place. Desde un cambio en liderazgo a cambios en nuestros programas, nosotros vemos la mano de Dios en acción. Por ejemplo, hemos cambiado a nuestras madres embarazadas fuera del campus a un apartamento en la esquina para una experiencia más privada y más cómoda. Hemos visto un incremento en las solicitudes de adopción, con clientes pasados queriendo formar la historia de sus vidas. Se ha expandido el currículo en los salones de CHI, ofreciendo más entrenamiento vocacional para ayudar a los estudiantes darse cuenta donde pueden sobresalir. Los estándares de requerimientos de licenciamiento del estado de Texas han cambiado. Ahora hay una proporción más baja de instructor a estudiantes, que permite lecciones mucho más personales y especializadas. En Junio del 2015, veintiséis jóvenes adultos se graduaron de CHI y empezaron a aplicar todo lo que aprendieron cuando se regresaron a sus ciudades de origen o cuando decidieron quedarse en San Antonio – 80% de esos estudiantes encontraron empleos cuando se graduaron.

La necesidad de evaluar nuestra Misión, Visión, y Valores Fundamentales se sintió a través del campus. Hace 120 años, hubo una convocación para empezar este ministerio, y siento que estos describen con precisión la manera en que deseamos ofrecer esperanza a aquellos con los que nos conectamos. Me encantaría compartíroslos con ustedes:

**Declaración de Misión:** Providence Place es una organización sin fines de lucro con el propósito de fomentar oportunidades. En Enero del 2016, le dimos la bienvenida a nuestra nueva capellán, Carrie Land, a la familia de Providence Place. Carrie ahora está en camino a convertirse en Elder en Full Connection en la Iglesia Metodista Unida. Ella ha trabajado en Providence Place en el pasado a través de su posición anterior como una consejera de DARS (Department of Assistive and Rehabilitative Services), donde refería a adultos jóvenes con discapacidades a nuestro programa. Carrie tiene grandes planes para la comunidad espiritual aquí en el campus. El primero es revitalizar un servicio de adoración que reciba a todas las madres embarazadas, estudiantes, y empleados durante la semana. Estamos muy emocionados por su integración a nuestro equipo.

También quisiera tomar un momento para reconocer aquellos de la Conferencia Rio Texas que ofrecen su tiempo y recursos para servir en la Junta Directiva de Providence Place:

## MOUNT SEQUOYAH CENTER, INC.

FOR INFORMATION ONLY

### **The future is bright:**

Mount Sequoyah has written commitments to provide facilities and pursue a partnership with UA Wesley ministries through December 31, 2019. The goal is to solidify a relationship with college age people and expand that relationship across the jurisdiction, making Mount Sequoyah's facilities a destination for religious training and spiritual formation.

Mount Sequoyah completed an intensive review of its mission and future potential conducted by United Methodist Elders, Pamela J. Harris and Garrie F. Stevens of Run River Enterprises, a consulting firm. The review process included three-two day work sessions that were well attended by staff and Trustees. As a result Mount Sequoyah has undertaken the task of refocusing its purpose and mission in an effort to identify unique areas in which it can develop training programs to equip clergy and laity with the tools, technology and skills that will be necessary to reach the mission fields twenty or thirty years in the future and required to resolve conflicts likely to be faced by our clergy and within our churches.

### **The future is secure:**

*Mount Sequoyah is financially secure.* In exchange for negotiated price increases, Mount Sequoyah orally committed to provide our largest corporate client training facilities, food service and housing through the year 2017 with full expectation to continue into 2018. The rents are fixed through 2017.

- A \$550,000.00 payment is due from American Tower for a 30-year cell tower site lease.
- Fayetteville Cottage is leased from 1 August through 31 December 2019 and 1011 Skyline (former District Superintendent's House) is leased through January 2017 with a verbal commitment to extend through January 2018.
- Three Host Family houses are leased through May 31, 2017.
- A \$100,000.00 increase in events and programming revenue and an increase of \$75,000.00 in contributions are projected for 2016. A Development Officer has been hired.
- Long-term debt is \$275,000.00 and the Line of Credit is currently \$105,000. Cash equivalent assets of \$300,000.00 are invested with the United Methodist Foundation of Arkansas.

### **Mission accomplished:**

*Witnessing through our actions, our words, and our presence, that is what Radical Christian Hospitality is all about.*

Mount Sequoyah extended Radical Christian Hospitality to Christian motorcycle groups attending Fayetteville's Annual Bikes, Blues, and Barbecue Festival. The Faith Riders shared the gospel with 1063 persons and prayed with 90 persons who asked for forgiveness and to receive Christ as their Lord and Savior.

By extending Radical Christian Hospitality to youth, Mount Sequoyah touched the lives of over 700 youth who participated in swimming lessons, swim teams, tennis lessons and tennis teams, Kanakuk KampOut, youth mission camps, and group events.

Radical Christian Hospitality cemented a partnership between Mount Sequoyah and UA Wesley Ministries resulting in making our campus a second home to college students from across the South Central Jurisdiction. Our unprecedented family environment attracted over 415 parents as overnight guests while visiting Fayetteville.

Radical Christian Hospitality celebrated the marriage of thirty-two couples as they pledged their lives and hearts to each other on our beautiful campus under the Lord's ever-watchful eye.

Radical Christian Hospitality welcomed 30,052 guests for overnight stays and provided 18,378 delicious meals prepared by our own chef. Included in the numbers were 61 different Church groups, 13 family reunions, and 29 groups from regional colleges and universities.

Radical Christian Hospitality coupled with our Christian Education and Spiritual Formation Coordinator, a United Methodist Diaconal Minister, and produced religious education programs and workshops that attracted jurisdiction wide participation and a Lay Servant Academy praised because of its structure and skilled presenters.

Radical Christian Hospitality was the catalyst to reestablish our in house food service. Chef Curt Harcourt received rave reviews from all guests. Some refer to our Dining Hall as "Curt's on the Hill" a take off on a well-known local restaurant, the "Inn at the Mill".

Radical Christian Hospitality resulted in year-end positive cash flow for the past three years and the receipt of over \$710,000.00 in contributions during said period to remodel and upgrade facilities.

Radical Christian Hospitality resulted in groups seeking Mount Sequoyah as a designation of choice resulting in events and programs already booked throughout the years 2017, 2018 and even one event in 2019.

**Closing:** The future looks bright as Mount Sequoyah plants seeds that, with God's blessings, will in the near future transform the world for Jesus Christ.

## TEXAS METHODIST FOUNDATION REPORT TO 2016 RIO TEXAS ANNUAL CONFERENCE

Tom Locke, President

FOR INFORMATION ONLY

TMF is committed to helping individuals, families, congregations, and organizations steward their potential in order to achieve lasting change that will help create a better world. We ended 2015 with approximately \$505 million in assets under management. The measure of success, however, for all of our services – investments, loans, leadership ministry, strategic discernment, grants ministry, stewardship services, and legacy giving, including gift planning and church endowments – is in how effective they are at helping individuals and congregations fulfill God’s purpose, as together we work to make Christ’s love visible in the world.

Tom Stanton, TMF Area Representative for the Rio Texas Conference, is the primary point of engagement between congregations (clergy and laity) and TMF and will continue to connect Rio Texas Conference constituents to resources relevant to their unique goals for missional growth in their congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

### Within the Rio Texas Annual Conference:

- Loans from TMF to churches in the Rio Texas Annual Conference totaled \$56.1 million at the end of 2015.
- Churches, agencies, and individuals within the Rio Texas Annual Conference had \$80.3 million invested with TMF’s Methodist Loan Fund/Individual Fund.

### Throughout Texas and New Mexico:

- As of December 31, 2015, total assets under management by the Foundation were approximately \$505 million.
- Methodist Loan Fund investments ended the year at \$323 million, and our loan portfolio at \$314 million.
- TMF’s Undesignated Endowment grew from \$29.9 million to \$31.8 million.
- Our Leadership Ministry Endowment grew from \$5.6 million to \$5.8 million.
- TMF’s **Leadership Ministry** seeks to increase the effectiveness of church leadership by helping leaders gain a better perspective of their potential. The primary method by which we do this work is through facilitating transformational conversations; some take the form of on-going peer groups and others as stand-alone conversations around an adaptive issue. During 2015, TMF hosted 14 peer learning groups, involving 255 lay and clergy leaders, and has plans for at least four new groups in 2016. These groups include gatherings of the South Central Jurisdiction Bishops, District Superintendents, key cabinet leaders, Boards of Ordained Ministries, and groups focused on ministry with the poor, music in worship, senior pastors recently appointed to their first large church, transitions of leadership in tall steeple churches, as well as groups for Executive Pastors, tall steeple pastors and targeted groups to develop the next generation of leaders. In addition, TMF and the active Bishops of the South Central Jurisdiction hosted The Forum on Wesleyan Potential, a three-day conversation amongst leaders from different fields of experience and generations about the future of faith communities, a dialogue “less constrained by what is, and more encouraged by what could be.”
- In 2015, TMF **Grants** continued efforts to identify and invest in financially sustainable ministries that are creating measurable, systemic change. New questions and conversations explored institutional and entrepreneurial ministries and how we can help grant applicants address key issues, such as strategic planning, funding sources, and methods for measuring outcomes and effectiveness. TMF held a workshop in Albuquerque, New Mexico, to equip outreach ministries and non-profits with grant writing skills. During 2015, TMF made grants totaling approximately \$1.2 million. Of that total, an estimated \$956,000 came from unrestricted endowments and \$260,000 from TMF operations. The Grants Committee of the TMF Board of Directors determines distribution decisions for these discretionary funds. In 2015, 34% of grant funds were allocated to outreach ministries targeting systemic change; 27% targeted ministries which systemically benefit families living in poverty, particularly children; 27% of funds were granted to evangelism, especially those ministries connecting with segments of the population the church is not effectively reaching today; and the remaining 12% were used for scholarships.
- TMF distributed approximately \$1 million from **permanent endowments**, predominantly to United Methodist causes.

## TEXAS METHODIST FOUNDATION

(Fundación Metodista de Texas por sus siglas en inglés)

Informe a la Conferencia Anual de Río Texas 2016

Tom Locke, Presidente

SOLAMENTE POR INFORMACIÓN

La TMF está comprometida en ayudar a individuos, familias, congregaciones y organizaciones a ser mayordomos de su potencial con el fin de lograr un cambio duradero que ayudará a crear un mundo mejor. Terminamos el año 2015 con aproximadamente \$505 millones de dólares activos bajo nuestra gestión. Sin embargo, la medida del éxito, para todos nuestros servicios - inversiones, préstamos, ministerio de liderazgo, discernimiento estratégico, ministerio de donaciones, servicios de mayordomía, y el legado de dar, incluyendo la planificación de donaciones y dotes de la iglesia - está en cuan efectivos son en ayudar a individuos y congregaciones a cumplir el propósito de Dios, ya que juntos trabajamos para que el amor de Cristo sea visible en el mundo.

Tom Stanton, Representante de Área de la TMF para la Conferencia de Río Texas, es el principal punto de contacto entre congregaciones (clérigos y laicos) y la TMF; y continuará conectando a los constituyentes de la Conferencia de Río Texas a los recursos relevantes con sus objetivos únicos para el crecimiento misional en sus congregaciones y comunidades.

La TMF, con sede en Austin, sirve a individuos, iglesias y agencias Metodistas Unidas dentro de las seis conferencias anuales en Texas y New México. Agradecemos la oportunidad de informarles de algunas de las formas en las que el año pasado servimos a los Metodistas Unidos.

### Dentro de la Conferencia Anual de Río Texas:

- Los préstamos de la TMF a las iglesias en la Conferencia Anual de Río Texas totalizaron \$56.1 millones de dólares a finales de 2015.
- Iglesias, organismos e individuos dentro de la Conferencia Anual de Río Texas invirtieron \$80.3 millones de dólares al Fondo de Préstamos / Fondo Individual Metodista de la TMF.

### A lo largo de Texas y New México:

- Al 31 de diciembre de 2015, el total de activos bajo la administración de la Fundación fueron aproximadamente \$505 millones de dólares.
- Las inversiones del Fondo de Préstamos Metodista terminaron el año en \$323 millones de dólares, y nuestra cartera de préstamos en \$314 millones de dólares.
- Las Dotaciones sin Designar de la TMF crecieron de \$29.9 millones a \$31.8 millones de dólares.
- Nuestra Dotación del Ministerio de Liderazgo creció de \$5.6 millones a \$5.8 millones de dólares.
- El **Ministerio de Liderazgo** de la TMF busca incrementar la efectividad del liderazgo de la iglesia al ayudar a sus líderes a obtener una mejor perspectiva de su potencial. El método principal mediante el cual hacemos este trabajo es a través de facilitar conversaciones de transformación; algunas toman la forma de grupos de compañeros continuos y otras como conversaciones independientes alrededor de un problema de adaptación. Durante el 2015, la TMF organizó 14 grupos de aprendizaje entre compañeros, con la participación de 255 líderes laicos y clérigos, y tiene planes para al menos cuatro nuevos grupos en el 2016. Estos grupos incluyen las reuniones de los Obispos de la Jurisdicción Sur Central, Superintendentes de los Distritos, líderes claves del gabinete, Juntas de Ministerios Ordenados y grupos centrados en el ministerio con los pobres, la música en el culto, pastores principales recientemente nombrados en su primer gran iglesia, transiciones de liderazgo en iglesias de alta envergadura, así como grupos para Pastores Ejecutivos, pastores de iglesias de alta envergadura y grupos orientados a desarrollar la próxima generación de líderes. Además, la TMF y los Obispos activos de la Jurisdicción Sur Central fueron los anfitriones del Foro del Potencial Wesleyano, una conversación de tres días entre los líderes de diferentes campos de experiencia y generaciones sobre el futuro de las comunidades de fe, un diálogo "menos limitado por lo que es, y más alentado por lo que podría ser".
- En el año 2015, las **Donaciones** de la TMF continuo sus esfuerzos para identificar e invertir en ministerios económicamente sostenibles que están creando, cambios sistémicos medibles. Nuevas preguntas y conversaciones exploraron ministerios institucionales y empresariales y cómo podemos ayudar a los solicitantes de donaciones abordar las cuestiones claves, tales como la planificación estratégica, las fuentes de financiación, y los métodos para la medición de resultados y eficacia. La TMF realizó un taller en Albuquerque, New México, para equipar a los ministerios de alcance y sin fines de lucro con las habilidades para escribir pedidos de donaciones. Durante el año 2015, la TMF hizo donaciones por un total de aproximadamente \$1.2 millones de dólares. De ese total, se estima que \$956.000 procedían de donaciones no restringidas y \$260,000 de las operaciones de la TMF. El Comité de Becas de la Junta de Directores de la TMF es quien determina las decisiones de distribución de estos fondos discrecionales. En el año 2015, 34% de los fondos de donaciones se asignaron a los ministerios de alcance dirigidos a cambios sistémicos; 27% se dirigió a ministerios que sistémicamente benefician a las familias que viven en la pobreza, particularmente niños; 27% de los fondos se concedió a la evangelización, especialmente aquellos ministerios que conectan con los segmentos de la población en la que la iglesia no está llegando efectivamente hoy; y el 12% restante se utilizó para becas.
- La TMF distribuye aproximadamente \$1 millón de las **dotaciones permanentes**, principalmente a causas Metodistas Unidas.

## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
United Methodist Rio Texas Conference  
Board of Pensions  
San Antonio, Texas

We have audited the accompanying statement of financial position of the United Methodist Rio Texas Conference Board of Pensions, a non-profit organization, as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

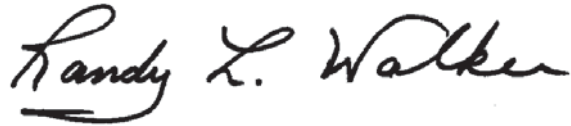

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the United Methodist Rio Texas Conference Board of Pensions as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

BOARD OF PENSIONS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

**NOTE 1 - ORGANIZATION AND PURPOSE**

The United Methodist Rio Texas Conference Board of Pensions (the Board) is a Texas non-profit corporation, formerly known as the Board of Pensions of the Southwest Texas Annual Conference of the United Methodist Church. The Board began operations as the United Methodist Rio Texas Conference Board of Pensions on January 1, 2015, resulting from unification of the Board of Pensions of the Southwest Texas Annual Conference of the United Methodist Church and the Rio Grande Conference of the United Methodist Church.

The Board's purpose is to determine and report to the annual conference the names of retired ministers and the widows and children of the deceased ministers of the Rio Texas Conference of the United Methodist Church (the Conference) who are entitled to annuities, pensions, or special relief; to set, subject to the approval of the annual conference, the appropriation necessary to be made to meet such charges; and to perform such other acts and discharge such other duties as may be prescribed by the Discipline of the United Methodist Church.

The Board is not involved in the actual administration of the pension program which is the responsibility of the General Board of Pensions and Health Benefits of the United Methodist Church (GBOPHB). The Board is responsible for collecting and remitting the pension funds to the GBOPHB. The Board also administers other funds that have been contributed to provide income that is to be used for funding pension and health insurance benefits. The Board can direct the GBOPHB as to which type of investment account it wants the funds invested in, but the GBOPHB selects the individual investments to be made from each investment account. The Board has the authority to select investments outside of the GBOPHB. As of December 31, 2015, approximately 100% of all the Board's assets were placed with the GBOPHB.

The GBOPHB maintains all members' accounts related to balances and vesting.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF ACCOUNTING**

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. To ensure observance of limitations and restrictions placed on the use of resources available to the Board, the accounts of the Board are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into each fund; each fund being established by separate trusts as designated by the donors.

**CASH EQUIVALENTS**

For purposes of the statement of cash flows and the statement of financial position, the Board considers all investments purchased with a maturity of three months or less to be cash equivalents.

**INVESTMENTS**

Investments are carried at market, and realized and unrealized gains and losses are reflected in the statement of activities. Investments acquired by gift are valued at amounts representing estimated fair market value at the date of the gift.

**UNITED METHODIST RIO TEXAS CONFERENCE  
BOARD OF PENSIONS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**OPERATING ASSETS**

Operating assets consist of furniture and equipment, stated at cost less allowances for depreciation. Provisions for depreciation of fixed assets are computed on the straight-line method over five years.

**CONTRIBUTIONS**

The Board reports gifts of cash and other assets as temporarily restricted support if they are received with donor restrictions as to period of availability or use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

**BASIS OF PRESENTATION**

The Board is required to report information regarding its financial position and activities according to three classes of net assets:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Board and/or the passage of time.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Board.

**ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Board administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**INCOME TAX STATUS**

The Board qualifies as a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. The Board's management believes it has no material uncertain tax positions and, accordingly, it will not recognize any liabilities.

**NOTE 3 - DESCRIPTION OF PLANS**

The following description of the Board's health insurance and pension plans provides only general information. Participants should refer to the plan agreements for a complete description of provisions. The Pension Plan is a separate entity maintained by the GBOPHB, and the results of its financial activities are reported on by other auditors.

The Board administers the following plans provided by the Conference:

**UNITED METHODIST RIO TEXAS CONFERENCE  
BOARD OF PENSIONS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

**NOTE 3 - DESCRIPTION OF PLANS (continued)**

- Clergy Retirement Security Program (CRSP) - effective January 1, 2007, and restated as of January 1, 2014, reflecting revisions approved at General Conference 2012, the Ministerial Pension Plan (MPP) was converted over to the CRSP plan. The plan is funded by a 3% contribution to the CRSP Defined Contribution Plan (DC) made by the Board. In addition to the 3% contribution, the Board will also fund the CRSP Defined Benefit Plan (DB). The DB contribution will equal the amount it takes to fund the employees' retirement benefit. The CRSP payment made based upon actuarial cost for the years ended December 31, 2015 was \$1,265,287.
- Defined Contribution Pension Plan - Post 1982 service, fully funded each year by deposits from employer (church) and employee to GBOPHB. Retirement benefits are dependent on the balance in the individual's account on date of retirement.
- Defined Benefit Pension Plan - Prior to 1982, the Conference participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference, and will for several decades. The cost of providing the defined benefits earned prior to 1982 is viewed by the Conference as an annual expense and is funded each year by the local churches through the Board.
- Health Insurance Plan - Clergy and lay employees are eligible to participate in this plan if they are regular, full-time employees of the Conference or one of the local churches of the Conference. All full-time employees must be regularly scheduled to work a minimum of 30 hours per week. Also eligible to participate in this plan are full, probationary, associate members, and full-time local pastors.

For the year ended December 31, 2013, the retired pastors were covered under the Health Insurance Plan described above by the Board's predecessor organization, the Board of Pensions of the Southwest Texas Annual Conference of the United Methodist Church. This coverage was discontinued effective March 31, 2014, and the retired pastors currently in the Conference's Health Insurance Plan were transitioned to one of the health benefit plans offered by a third party, Towers Watson (Note 10).

The pension plans are considered church plans as defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

**NOTE 4 - CONCENTRATION OF CREDIT RISK**

The Board maintains cash and investment accounts at various financial institutions and investment companies. The Federal Deposit Insurance Corporation (the FDIC) insures the balances in the cash accounts up to \$250,000, while the Securities Investor Protection Corporation (the SIPC) insures the balances in investment accounts up to \$500,000. The Board also has investment accounts that are not insured by the FDIC or the SIPC. At December 31, 2015, the Board's uninsured cash and investment balances totaled approximately \$757,872 and \$14,303,490, respectively, without regard to reconciling items.

**UNITED METHODIST RIO TEXAS CONFERENCE  
BOARD OF PENSIONS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

**NOTE 5 - INVESTMENTS**

At December 31, 2015, investments consisted of units in Wespath Investment Management, which are pooled investment accounts. Investment income and gains and losses are allocated to the Board based on its interest in the unitized value of its investments on a monthly basis.

Investments held at December 31, 2015 are summarized as follows:

Wespath Investments	\$	14,303,490
Other Investments		1,146
Total	\$	14,304,636

The amount invested in these equities is recorded at fair market value. Investment losses for these funds was \$333,603 for the year ended December 31, 2015.

**NOTE 6 - NET ASSETS/FUND BALANCES**

The Board has certain net asset/fund balances whose use is designated by the Board, or restricted by donor-specified activities or projects. The Board's designated net assets, temporarily restricted net assets and permanently restricted net assets were comprised of the following at December 31, 2015:

	Board Designated	Temporarily Restricted	Permanently Restricted

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

**NOTE 7 - ACCOUNTS RECEIVABLE**

Accounts receivable consists primarily of amounts due from churches and individuals for pension and health insurance billings. At December 31, 2015, accounts receivable also included \$94,208 due from the Conference related to the Edinburg Retired Minister's Home and associated maintenance fund. The Board considers all of these receivables to be fully collectible; therefore, an allowance for doubtful accounts is not required.

**NOTE 8 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Board adopted the provisions of ASC 820, "*Fair Value Measurements and Disclosures*" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Board's financial position or results of operations. The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The following table represents assets measured at fair value on a recurring basis as reported in the statement of financial position as of December 31, 2015 by level within the fair value measurement hierarchy:

	<u>Total Fair Value Measurement</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

The following table sets forth a summary of changes in the fair value of the Board's Level 3 assets for the year ended December 31, 2015:

**UNITED METHODIST RIO TEXAS CONFERENCE  
BOARD OF PENSIONS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

**NOTE 9 - PAST SERVICE LIABILITY**

The Pension Plan with the GBOPHB was changed effective January 1, 1982. The Board is responsible for the un-funded past service liability of those participants who were members prior to January 1, 1982. The actuarially projected un-funded past service liability as of December 31, 2015 was \$3,965,342 for these participants. Past service funding deposits are required to fund this liability and have been set at \$823,207 per year for a period of 16 years (adjusted annually to \$1,158,315 in 2015). However, in 2015, the Board had available net assets of \$7,376,551, which is adequate to fully fund the past service liability.

**NOTE 10 - POST-RETIREMENT HEALTH BENEFITS**

As disclosed above in Note 3, the Board's predecessor organizations, the Southwest Texas Conference and the Southwest Texas Conference of the United Methodist Church Board of Pensions voted to end the previous post-retirement health benefit plan effective December 31, 2014. This is a part of the agreement to form a new conference effective January 1, 2015. As a result of this action, the former corporate entity was changed. The new entity has a new Board of Directors and new by-laws. The former post-retirement health benefit plan ended. The post-retirement health benefit plan of the new United Methodist Rio Texas Conference Board of Pensions will be a closed plan. Participants in the plan will be limited to those who were participating in the post-retirement health benefit plans of the Southwest Texas Conference and the Rio Grande Conference. No new participants will be added. The annual benefit amount is fixed at the dollar value of the annualized benefit paid during December 2014.

This benefit is only available with participation in one of the health benefit plans offered by a third party, Towers Watson. The benefit is provided in the form of funding a Health Reimbursement Account. Upon the death of the participant, the termination of the plan, or the decision of the participant to no longer continue to participate in the plan, the benefit ends. The health reimbursement benefit amount is fixed and will not increase regardless of the cost of the health benefit plan.

The actuarial present value of the expected post-retirement benefit obligation is \$936,000 as determined by an actuary of the GBOPHB and is the amount that results from applying actuarial assumptions to a census of participants on December 31, 2014.

The significant actuarial assumptions used in the valuations were:

- a) Mortality will occur in accordance with the newly created scale, Scale BB, for calculating impact on pension plans due to increased longevity.
- b) There will be no increases in the amount of the benefit. There are no contingent annuitants.
- c) The actuarial reserve and accumulations will be credited with interest at the rate of 4%.
- d) This is a closed plan. There will be no additional participants and no increase in the amount of the benefit.

The foregoing actuarial assumptions are based on the presumption the plan will continue. Were the plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

**UNITED METHODIST RIO TEXAS CONFERENCE  
BOARD OF PENSIONS  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015**

**NOTE 11 - PRE-82 POST-RETIREMENT PENSION BENEFITS**

The post-retirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered prior to January 1, 1982. Post-retirement benefits include future benefits expected to be paid to or for 1) currently retired employees and their spouse and 2) active employees and their spouse after retirement from service.

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary of the GBOPHB and is the amount that results from applying actuarial assumptions to historical data to estimate the present value of future annual incurred benefits. The significant actuarial assumptions used in the valuations were:

- a) Mortality will occur in accordance with Scale RP-200 (BB) for calculating impact on pension plans due to increased longevity.
- b) Contributions for increases in Past Service Rate or Contingent Annuitant % benefit increases are required to be made in advance of the increase's effective date.
- c) The actuarial reserve and accumulations before retirement will be credited with interest at the rate of 6.75%.
- d) Surviving spouses receive 70% of the ministerial pension rate.
- e) Retirement has been assumed to occur at the age of 65 or in one year, if age 65 or older.

The valuations included assume average rates of return of 6.75% for the pension plan and expected benefit increases of 2%. The foregoing actuarial assumptions are based on the presumption the plan will continue. Were the plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The Pre-82 Funding Plan is under review by the Actuarial Department at the GBOPHB.

**NOTE 12 - PENSION PARTICIPANT CONTRIBUTIONS AND PAYMENTS**

The Board is the plan sponsor for several qualified benefit plans of the GBOPHB. These plans are the Clergy Retirement Security Program – Defined Contribution (CRSP-DC), Clergy Retirement Security Program-Defined Contribution (CRSP-DB), Comprehensive Protection Plan (CPP), and United Methodist Personal Investment Plan (UMPIP). The Board invoices the local churches for the cost of these plans on a monthly basis and then makes a single payment to the GBOPHB either monthly or annually, depending upon the plan design.

**NOTE 13 - LEGACY FUNDS**

On January 1, 2015, the Rio Grande Conference pension assets of \$6,922,748 were transferred into the Board's investment accounts. Based on the Rio Texas Unification Plan that was approved by both the Rio Grande Conference and Southwest Texas Conference, the transferred funds which were restricted for clergy benefits of the former Rio Grande Conference will continue to be used to fund clergy benefits of legacy churches of the Rio Grande Conference. During the year ended December 31, 2015, the Board awarded \$140,578 in grants to legacy churches and incurred investment losses of \$173,794. At December 31, 2015, the legacy fund balance was \$6,608,376.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

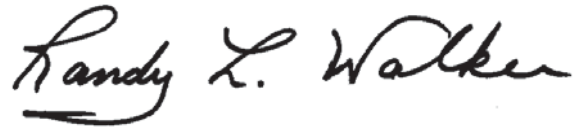

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2015**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**NATURE OF ORGANIZATION**

The Rio Texas Conference United Methodist Church (the Conference) is a nonprofit organization associated with the General Council on Finance and Administration of the United Methodist Church. The mission of the Conference is to make disciples of Jesus Christ for the transformation of the world. The Conference is empowered by the Holy Spirit to reach out, in the name of God, to the people of South Texas in the name of Jesus Christ. The Conference is committed to providing vital missions, vital congregations, and strong leaders to connect their churches to the people within their area. The Conference's mission field spans South Texas, with churches in large cities and small towns from Austin to McAllen, from San Angelo to Victoria, in vibrant cities, historic small towns and struggling communities.

All assets of the Conference reported in the accompanying financial statements are held in trust by the United Methodist Rio Texas Conference Board of Trustees incorporated under the laws of the State of Texas effective January 1, 2015.

**BASIS OF ACCOUNTING**

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. To ensure observance of limitations and restrictions placed on the use of resources available to the Conference, the accounts of the Conference are maintained in accordance with the principles of fund accounting. This is a procedure by which resources for various purposes are classified into each fund. Each fund is established by separate trusts as designated by the donors.

**BASIS OF PRESENTATION**

The Conference is required to report information regarding its financial position and activities according to three classes of net assets:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Conference and/or the passage of time.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Conference.

**CASH EQUIVALENTS**

For purposes of the statement of cash flows and the statement of financial position, the Conference considers all investments purchased with a maturity of three months or less to be cash equivalents.

**PROPERTY AND EQUIPMENT**

Property and equipment are recorded at cost when acquired by purchase and at fair market value when acquired by gifts. The Conference capitalizes property and equipment with a cost or fair market value over \$2,500. Cost and associated reserve are written off when the asset is fully depreciated.

**UNITED METHODIST CHURCH**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2015**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**PROPERTY AND EQUIPMENT (continued)**

Automobiles - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Furnishings and Equipment - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Mt. Wesley Buildings - where historical cost or fair market value at the date of the gift was not available, the assets were recorded at 50% of their insured value as of December 31, 1985. These assets are being depreciated on a straight-line basis over 40 years.

Mt. Wesley land is recorded at the appraised value based on a 1985 appraisal by a firm of real estate appraisers.

**CONTRIBUTIONS**

Contributions and other support that are restricted by the donor are recorded as an increase in temporarily restricted net assets until the restriction expires or the Conference disburses the funds in accordance with the restriction. Designated funds are internally restricted by the Conference and have no external legal restrictions.

**ESTIMATES**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

**INCOME TAX STATUS**

The Conference qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

**NOTE 4 - GRANTS RECEIVABLE**

The Conference has several program-related grants receivable at December 31, 2015. These grants receivable are due from various organizations and will be distributed in the coming year. **NOTE 7 - PROPERTY AND EQUIPMENT**

Property and equipment were as follows at December 31, 2015:

Automobiles	\$ 304,734

Depreciation expense for the year ended December 31, 2015 was \$320,065.

**NOTE 8 - ACCOUNTS PAYABLE – APPORTIONMENTS AND OTHER GIVING**

The accounts payable for apportionments and other giving are amounts due to various agencies for the amounts received from the churches for apportionments and other giving. The Conference acts as a pass through for these items. The accounts payable - apportionments and other giving balance was \$870,362 at December 31, 2015.

**NOTE 9 - ACCOUNTS PAYABLE – OTHER**

Included in accounts payable – other of \$175,157 is a \$93,723 payable to the Board of Pensions for a retired minister's home and associated maintenance fund.

**NOTE 10 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Conference adopted the provisions of ASC 820, "*Fair Value Measurements and Disclosures*" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Conference's financial position or results of operations.

The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

**RIO TEXAS CONFERENCE  
UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2015**

**NOTE 10 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)**

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The Conference has no Level 2 or Level 3 assets or liabilities.

The Conference's financial instruments (Level 1) were as follows at December 31, 2015:

	Carrying Amount	Fair Value
Financial Assets:		
Cash and Cash Equivalents	\$ 8,509,301	\$ 8,509,301
Designated Cash and Cash Equivalents - SOIF	\$ 35,349	\$ 35,349
Accounts Receivable - Apportionments and Other Giving	\$ 774,313	\$ 774,313
Accounts Receivable - Other	\$ 38,715	\$ 38,715
Grants Receivable	\$ 158,177	\$ 158,177
Prepaid Expenses	\$ 78,459	\$ 78,459
Prepaid Supplies	\$ 27,346	\$ 27,346
Financial Liabilities:		
Accounts Payable - Apportionments and Other Giving	\$ 870,362	\$ 870,362
Accounts Payable - Vendors	\$ 311,281	\$ 311,281
Accounts Payable - Other	\$ 175,157	\$ 175,157
Accrued Expenses	\$ 28,249	\$ 28,249

The carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

**NOTE 11 - PENSION PLAN**

The Conference is responsible for pensions for two classes of persons - clergy appointed to the Conference and lay employees.

The Pension Plan for clergy appointed to the Conference is administered by the United Methodist Rio Texas Conference Board of Pensions (the Board of Pensions). The Conference's contribution to the cost of that plan for the year ended December 31, 2015 was \$120,954.

**RIO TEXAS CONFERENCE  
UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2015**

**NOTE 11 - PENSION PLAN (continued)**

The Pension Plan for lay employees is funded through the purchase of annuity contracts. Employee contributions are voluntary and are made on a pre-tax basis. Employer contributions are a percentage of wages and are defined in the Master Agreement between the Conference and the Board of Pensions. The contribution for the year ended December 31, 2015 was \$48,863.

The above plans are both “church plans” as that term is defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

**NOTE 12 - LEASES**

The Conference leases copiers and other office equipment under various operating leases. The leases vary in expiration dates from May 2016 to June 2019. In July 2014, the Conference entered into a buy-out agreement with a new leasing company. The Conference received funds from the new leasing company to pay off the remainder of the existing lease obligation. At December 31, 2015, the Conference had an outstanding lease obligation of \$6,410. Copier and office equipment lease expenses amounted to \$96,719 for the year ended December 31, 2015.

The following is a schedule of the operating lease obligations subsequent to December 31, 2015:

<u>December 31,</u>		
2016	\$	96,719
2017		93,325
2018		90,900
2019		<u>30,300</u>
Total	\$	<u><u>311,244</u></u>

**NOTE 13 - ENDOWMENT**

The Conference’s endowment consists of approximately three individual funds established for a variety of purposes, including ministerial support, mission aid salaries, and new church expansion. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

**RIO TEXAS CONFERENCE  
UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2015**

**NOTE 13 - ENDOWMENT (continued)**

*Interpretation of Relevant Law*

The Board of Directors of the Conference has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Conference in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted funds:

1. The duration and preservation of the fund;
2. The purpose of the Conference and the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and the appreciation of investments;
6. Other resources of the Conference; and
7. The investment policies of the Conference.

The endowment net assets composition by type was follows for the year ended December 31, 2015:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor-Restricted Endowment Funds	\$ -	\$ -	\$ 144,234	\$ 144,234
Board-Designated Endowment Funds	<u>171,766</u>	<u>-</u>	<u>-</u>	<u>171,766</u>
Total	<u>\$ 171,766</u>	<u>\$ -</u>	<u>\$ 144,234</u>	<u>\$ 316,000</u>

Changes in endowment net assets for the year ended December 31, 2015 were as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Endowment Net Assets, Beginning of Year	\$ 169,451	\$ -	\$ 144,234	\$ 313,685
Investment Income	<u>2,315</u>	<u>-</u>	<u>-</u>	<u>2,315</u>
Endowment Net Assets, End of Year	<u>\$ 171,766</u>	<u>\$ -</u>	<u>\$ 144,234</u>	<u>\$ 316,000</u>

**RIO TEXAS CONFERENCE  
UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2015**

**NOTE 13 - ENDOWMENT (continued)**

Following is a description of amounts classified as permanently restricted net assets (endowment only) at December 31, 2015:

Permanently Restricted Net Assets

The portion of perpetual endowment funds required to be retained permanently, either by explicit donor stipulation or by UPMIFA	\$ <u>144,234</u>
---	-------------------

There were no endowment net assets classified as temporarily restricted for the year ended December 31, 2015.

*Funds With Deficiencies*

The fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Conference to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in unrestricted net assets. There were no such deficiencies as of December 31, 2015.

*Return Objectives and Risk Parameters*

The Board of Directors of the Endowment Fund (the Fund) has adopted investment and spending policies for the Permanent Endowment Fund assets that attempt to fulfill the purpose of the Fund and also protect the principal of the Fund.

The objectives of the Fund's investment policy are:

1. To conserve principal for the effective maintenance of purchasing power.
2. To provide regular income at a reasonable rate.
3. To expand income and principal over and above that necessary to offset rises in the cost of living.

*Strategies Employed for Achieving Objectives*

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investment returns are achieved through current yield (interest and dividends). The Fund is designed to offer a portfolio balanced through a diversified group of quality securities.

**RIO TEXAS CONFERENCE  
UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2015**

**NOTE 14 - CONTINGENT LIABILITY ENERGY CONTRACT**

In July 2013, the Southwest Texas Conference of the United Methodist Church (Conference's predecessor organization) entered into a contract to purchase a set amount of electricity at a fixed rate price from an energy company for 46 months. This contract was transferred to the Conference upon its formation, and the Conference is bound by the terms until completion of the contract. Churches of the Conference who want to participate sign up and pay for the electricity on a monthly basis. The Conference is contingently liable to purchase the full amount of electricity agreed to in the contract and is also contingently liable if one of the churches is unable to pay for the electricity used. It is the opinion of management that all electricity will be fully utilized and the participating churches will be able to pay their bills; therefore, no amounts have been accrued for related to this contract.

**NOTE 15 - CONTINGENT LIABILITY FOR UNFUNDED POST-RETIREMENT BENEFITS**

Prior to 1982, the Southwest Texas Conference of the United Methodist Church (Conference's predecessor organization) participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference and will for several decades. In 2015, the Conference Board of Pensions had assets in excess of its liabilities, and, therefore, no unrecorded liability exists for that fiscal year. The plan is fully funded according to the terms and conditions of the program, and the Conference Board of Pensions has fully reserved an amount greater than the current actuarial obligation.

**NOTE 16 - LINE OF CREDIT**

During August 2004, the Southwest Texas Conference of the United Methodist Church (Conference's predecessor organization) entered into an agreement for a line of credit of \$500,000 with Texas Methodist Foundation for the Mt. Wesley project. The line bears interest at prime less .25% and expires on August 7, 2023. The line is secured by land in Kerr County, Texas. This line of credit had been revised to reflect the Conference as the maker. The Conference had no outstanding borrowings at December 31, 2015.

**NOTE 17 - SUBSEQUENT EVENTS**

The Conference evaluates subsequent events in accordance with ASC Topic No. 855, "*Subsequent Events*" (formally SFAS No. 165). The guidance requires an entity to disclose the date through which subsequent events have been evaluated, as well as whether that date is the date the financial statements were issued or the date the financial statements were available to be issued. In preparing these financial statements, the Conference has evaluated events and transactions for potential recognition or disclosure through May 24, 2016, the date the financial statements were available to be issued. The Conference has determined there are no subsequent events requiring disclosure.

**RIO TEXAS CONFERENCE  
UNITED METHODIST CHURCH  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2015**

**NOTE 18 - RESTATEMENT**

The Conference began operations effective January 1, 2015 resulting from unification of the Southwest Texas Conference of the United Methodist Church and the Rio Grande Conference of the United Methodist Church. During the year ended December 31, 2015, an evaluation of properties held for sale (see Note 6) revealed \$1,390,055 in properties valued over estimated market values. Correction of this misstatement resulted in a decrease in other assets and net assets of \$1,390,055 at January 1, 2015. Prior year's financial statements for the predecessor conferences will not be restated.

**NOTE 19 - RESTRICTIONS ON NET ASSETS**

Support and contributions that are restricted by the donor are recorded as an increase in temporarily restricted net assets until the restriction expires or the Conference disburses the funds in accordance with the restriction. Designated funds are internally restricted by the Conference and have no external legal restrictions.

Temporarily restricted net assets were available for the following purposes at December 31, 2015:

## MEMOIRS

### *GUIDELINES FOR MEMOIRS*

In the Rio Texas Conference it is the responsibility of the minister who conducts the funeral of a deceased minister, or spouse of a minister, to write the memoir for the conference journal. The memoir is not designed to be either a eulogy or a memorial sermon, and is not the place for sentimentality; but this brief and specialized biographical account can be a document suitable as a historical record and a portrayal of personality and spirit.

Certain facts are basic and essential for inclusion in a memoir. The style of writing and the method and order of presentation may differ but a memoir should contain the following information, either within the body of the memoir or listed at the end:

1. Personal life, early period: complete name of the deceased; date and place of birth; names of parents, including mother's maiden name.
2. Educational background: schools and colleges attended, with years noted; degrees and honors received, with dates.
3. Ecclesiastical data: first church membership (name of church, location, date); dates of ordination and admission to annual conference; appointments served; special areas of service on conference boards and agencies; retirement date; residence following retirement; and any service after retirement. (This paragraph is to be adapted to the spouse.)
4. Personal life, late period: date of marriage and name of spouse (including maiden name of wife); full names of children (including married names); date and circumstances of death; date and place of funeral and burial; names of officiating clergy; and address of surviving partner or nearest relative.

It shall be the responsibility of the annual conference secretary, as editor of the journal, to see that this basic biographical information is contained in the memoirs that are printed in the conference journal. When the conference secretary is informed as to who will write a memoir, he/she will send to the writer of the memoir a copy of these guidelines, and instruct the writer to make sure that the memoir that is written is complete with the necessary biographical information. It should not be more than 300 words in length.

Writers of memoirs should present a copy of the memoir to a member or members of the family of the deceased so that it may be checked for accuracy before it is sent to the conference secretary. Memoirs should be received by the conference secretary within one month after the death of the person who has served the conference as minister or minister's spouse.

A glossy photograph, preferably black and white, secured if possible from the family, should be made available for publication with the memoir.

COMMITTEE ON STANDING RULES  
REPORT I  
CHAIRPERSON'S REPORT

FOR INFORMATION ONLY

On October 24, 2015, the Río Texas Conference received the best news possible from the Judicial Council – our conference was commended for taking seriously their concerns and following through with corrective measures; our plan of organization, as expressed in the budget, nominations and Standing Rules which were adopted in June 2015, was affirmed! Thanks to all the members of this annual conference for your approval which led to this affirmation.

This year we are proposing only two changes for your consideration:

~~21. An intentional effort will be made to produce written reports in both English and Spanish; and to provide oral translation between Spanish and English, and to provide support for hearing and vision impaired persons during all sessions of the Annual Conference.~~

21. The Annual Conference shall make available English and Spanish editions of all official correspondence, including but not limited to the contents of the Pre-Conference Report and the Conference Journal. The Annual Conference shall also provide oral translation between Spanish and English, and support for hearing and vision impaired persons, during the sessions of the Annual Conference.

This change is necessary because a motion from the floor to strengthen the current language in Rule 21 was approved by the conference during the June 2015 session.

20. Proposals and reports from conference agencies shall be compiled in a Pre-Conference Report that shall be made available as an electronic document or in printed form to all conference members at least thirty (30) days prior to the Annual Conference session. ~~At least one printed copy of the Pre-Conference Report will be sent to every local church.~~ Each report shall be marked "For Conference Action" or "For Information Only."

This change is recommended as the availability of electronic documents increases and the necessity for paper mailings decreases.

Thank you for the opportunity to be of service to you.

COMISIÓN DE REGLAS PERMANENTES  
INFORME I  
INFORME DEL PRESIDENTE

ÚNICAMENTE PARA INFORMACIÓN

El 24 de octubre de 2015, la Conferencia Río Texas recibió la mejor posible noticia del Concilio Judicial: que nuestra Conferencia fue elogiada por tomar en serio sus preocupaciones y siguiendo con medidas correctivas; nuestro Plan de Organización, como expresado en el presupuesto, nombramientos y Reglas Permanentes que fueron aprobadas en junio 2015, ¡Todo fue afirmado! Gracias a todos los miembros de esta Conferencia Anual por su aprobación que condujo a esta afirmación.

Este año proponemos sólo dos cambios para vuestra consideración:

~~21. Se hará un esfuerzo intencional para producir informes escritos en inglés y en español; y para proveer la traducción entre español e inglés oral y proveer apoyo para personas con discapacidades de audita y visión durante todas las sesiones de la Conferencia Anual.~~

21. La Conferencia Anual deberá hacer disponibles ediciones en inglés y en español de toda la correspondencia oficial, incluyendo pero no limitado a los contenidos del Informe de Pre-Conferencia y las Actas de la Conferencia. La Conferencia Anual también deberá presentar una traducción oral entre el español y el inglés, y también proveerá apoyo para personas con discapacidades de audita y visión, durante las sesiones de la Conferencia Anual.

Este cambio es necesario debido a una moción desde el piso de la Conferencia para reforzar el corriente lenguaje en la Regla 21, que fue aprobada por la Conferencia durante la sesión de junio de 2015.

20. Las propuestas e informes de agencias de la Conferencia se compilarán en un Informe de Pre-Conferencia que se hará disponible como documento electrónico o en forma impresa a todos los miembros de la Conferencia, por lo menos

treinta (30) días antes de la sesión de la Conferencia Anual. ~~Por lo menos una copia impresa del Informe de Pre-Conferencia será enviada a cada iglesia local. Cada informe deberá indicarse con "Para Acción de la Conferencia" o "Únicamente para Información."~~

Este cambio se recomienda ya que la disponibilidad de documentos electrónicos aumenta y se disminuye la necesidad de enviar en papel por correo.

Gracias por la oportunidad de estar al servicio de ustedes.

Atentamente,

Barbara Mobley, Presidente

# 2015 STATISTICS

## REALIZING THE FOUNDATION

*January 1, 2015 initiated The Rio Texas Conference of The United Methodist Church. You are part of a new creation, God working in a new way. The following pages of statistics challenge all of us to know from where we begin. Many of the statistics are sobering by reminding us of the decline of which we are part. Some of the statistics are affirming of the consistency of our work together. Some of the statistics shine a light on successes upon which we can build for future ministry.*

*Use this information to inform your prayer life for the growth of the ministry you lead. Use this information to inform your prayer life for the growth in impact of the churches of the Rio Texas Conference in the spiritual life of the people within our conference bounds and beyond. Let this information convict you to be engaged by God's Spirit to follow God into God's dream for our life as a new conference. Let this information ignite within you a passion for every one of God's people who reside within the bounds of The Rio Texas Conference. We are beginning the journey with these statistics as our foundation. Live boldly that each year these and additional statistics might show the powerful and graceful work of God transforming lives in dramatic and visible ways throughout our new conference.*

*In God's grace,*

*Mickey T. McCandless  
Conference Secretary*
