HISTORICAL SESSIONS OF THE ANNUAL CONFERENCES

Rio Grande Conference

El ministerio de La Iglesia Metodista Unida a través de la Conferencia Río Grande, tuvo sus precursores ya desde 1815, tanto en ministros de las fronteras como en los Colportores de las Sociedades Bíblicas y en algunas de las comunidades de fe de los Colonos de Texas. Los esfuerzos ya más instituidos, empero, trazan su historial a dos de los ramos del metodismo: La Iglesia Metodista Episcopal y La Iglesia Metodista Episcopal del Sur.

La Iglesia Metodista Episcopal principia en 1850 con nombramientos a Nuevo México, a través de la Conferencia de Oregón y California y de la Sociedad Misionera, y posteriormente, a través de varias otras Conferencias. Estos primeros esfuerzos, si bien terminan en 1856, darán como fruto una Misión en Peralta. Dicha Misión continuaría por sí misma, bajo liderazgo fiel de algunos laicos, hasta 1871 que es cuando se prosigue ya en forma de un Distrito parte de la Conferencia de Colorado. En 1876 este Distrito, bilingüe por cierto, se constituye en la Misión de Nuevo México la cual continúa siendo parte, hasta 1884, de la Conferencia de Colorado. La obra toma nuevo curso, manteniendo aún su relación con la Conferencia de Colorado hasta 1891, pero reorganizándose en 1885 para dar lugar a la Misión Española de Nuevo México la cual posteriormente, al verse fortalecida se convierte, en 1892, en Conferencia Misionera Española de Nuevo México. En 1915 y hasta 1924, las obras de habla española y habla inglesa se vuelven a unir, formándose la bilingüe Conferencia de Nuevo México. En 1924 otra reorganización se hace necesaria y de ella nos viene la Misión Española del Suroeste la cual, en 1932, se hace Misión Latino Americana, continuando así hasta 1936. Finalmente, de 1937 a 1939, la obra se organiza como Misión de Nuevo México. Durante este periodo la mayoría de los obreros mantienen su membresía clerical en la Conferencia de Nuevo México de 1924 a 1927, en la Conferencia Misionera de Nuevo México en 1928 y en varias otras Conferencias, hasta la unificación de los metodismos de 1939.

La Iglesia Metodista Episcopal del Sur, por su parte, principia en 1859 con nombramientos a El Paso y a San Antonio, a través de la Conferencia Misionera del Río Grande, los que durarían uno y dos años respectivamente. En 1871 se reanudan los esfuerzos con un nombramiento a Corpus Christi, a través de la Conferencia del Oeste de Texas, que da como fruto un Distrito. La obra crece y en 1885 se establece como Conferencia Fronteriza Misionera Mexicana. En 1890 dicha Conferencia se divide en dos, naciendo la Conferencia Noroeste Misionera Mexicana. En los años 1914-1915 se da la primera reorganización en base a obra en Estados Unidos y obra en México, por lo que se forma la Misión Mexicana de Texas en 1914 y al Conferencia Fronteriza Mexicana en 1915. La Misión Mexicana de Texas, sin embargo, mantiene la mayoría de su membresía clerical en México en la Conferencia Fronteriza Misionera Mexicana en 1914 y en la Conferencia Fronteriza Mexicana hasta 1918. Por otro lado, en 1918 se da la reorganización de la obra occidental y se forma, con ello, la Conferencia Mexicana y la Misión Mexicana del Occidente Es así que a partir de 1918 y hasta 1930 la Misión Mexicana de Texas y la Misión Mexicana del Occidente mantiene la mayoría de su membresía clerical en la Conferencia Mexicana. En 1930 se da la separación definitiva de la obra mexicana y estadounidense y ambas Misiones pasan a ser Conferencia Mexicana de Texas y Conferencia Mexicana del Occidente, respectivamente, continuando así hasta la mencionada unificación del 1939.

En 1939, con la formación de La Iglesia Metodista, se dio también la unificación de la Misión de Nuevo México, la Conferencia Mexicana de Texas y la Conferencia Mexicana del Occidente, formándose la Conferencia Mexicana del Suroeste, la cual cambia de nombre en 1947 a Conferencia del Río Grande.

El Primero de Enero del 2015, La Conferencia Río Grande de la Iglesia Unida Metodista y La Conferencia Southwest Texas de la Iglesia Metodista Unida se unificaron para formar un sola conferencia; La Conferencia Rio Texas de la Iglesia Metodista Unida.

SOUTHWEST TEXAS CONFERENCE

The History of the Southwest Texas Annual Conference began in 1858, when the Rio Grande Mission Conference of the Methodist Episcopal Church South was organized. This became the Rio Grande Annual Conference in 1864, and the name was changed to the West Texas Conference in 1866. In 1918, the German Mission Conference of the Methodist Episcopal Church South (all except three charges in East Bernard and Houston) merged with the West Texas Conference. The German Mission Conference had been organized in 1874, when the German Charges, which had been at one time or another in the Louisiana, Texas and Rio Grande Conference, were organized into a Conference.

In 1874, the Southern German Conference of the Methodist Episcopal Church was organized, and this became the Southern Conference (German) in 1918. The Gulf Mission, which held its first session in 1893, became the Gulf Mission Conference in 1897, and the Gulf Annual Conference in 1904. In 1912, the Southern Swedish Mission Conference was organized. In 1926, the three Conferences of the Methodist Episcopal Church, the Gulf Annual Conference, the Southern Swedish Mission Conference, and the Southern Conference (German), were united in the Southern Conference.

In 1939, the Southwest Texas Conference boundaries were established and all of the charges of the former West Texas Conference and of the Southern Conference within its boundaries were united into the Southwest Texas Conference.

On May 27, 1970, a certain portion of the West Texas Conference of the former Central Jurisdiction of the Methodist Church and the Southwest Texas Conference merged into one new conference now know as the Southwest Texas Conference of The United Methodist Church.

On January 1, 2015, The Rio Grande Conference of the United Methodist Church and The Southwest Texas Conference of the United Methodist Church unified into one conference to become The Rio Texas Conference of the United Methodist Church.

Be strong and courageous; Joshua 1:9. That was the theme of our Leadership Team Meeting that took place on January 12-14, 2018 at Mount Wesley, Kerrville TX. We worked together to learn about our leadership roles and to continue to carry out our PURPOSE.

This year we are also focused on increasing our UMW unit participation in Five Star Units and Five Star Women, One Minute Woman, Reading Program, Charter Club, Mission Today and Mission Studies. We also reviewed our Conference website to make it more accessible and friendly.

On May 18-20, over 40 women and men from our Rio Texas Conference attended Assembly 2018 in Columbus, Ohio. We joined about 6,000 people from throughout the United States to listen to inspirational speakers, attend workshops and worship as we were empowered to find "The Power of Bold" within us.

This year's Annual Luncheon will be held on June 8. Our speaker will be Bee Moorhead, Executive Director of Texas Impact. She will talk about the work of Texas Impact and the contributions the United Methodist Women have made on the legislative issues that impact women, children and youth in the state of Texas. The next Legislative Event will be on January 27-29, 2019 in Austin TX.

Mission u will be held on July 13-15, 2018 at Mount Wesley in Kerrville TX. Mission u is not only for United Methodist Women but for anyone who wants to participate in "Learning Together for the Transformation of the World". Studies will be offered for Adults, Children and Youth. Books will be sold during the UMW Annual Luncheon. For more information, see the Mission u display in Exhibit Hall. Rio Texas Conference 2018

Cabinet Report

For Information Only

The Rio Texas Cabinet welcomed five new colleagues to the table in 2017: Revs. Karen Horan, Diana Phillips, Kendall Waller, Andy Smith, Marcus Freeman, and Greg Hackett. In our work of appointment-making and of resourcing churches, clergy, and laity, we have gratefully followed the leadership of our bishop and the theme of the 2017 Annual Conference, "Focus on Fruitfulness."

We are grateful for the many signs of vitality and growth we see in local churches and ministries that serve the people of their mission fields with love and generosity. The Cabinet voted to approve the merger of Eagle Pass: First and Eagle Pass: La Trinidad, effective October 15, 2017, hoping for a bright and faithful future for this new congregation.

We also acknowledge places where the ministry life cycle has come to an end. Last fall, the Cabinet voted to approve the closure of Austin: Faith UMC, effective December 31, 2017. We rejoice at the growing, vibrant presence of Austin New Church, a congregation from another Wesleyan denomination, now worshipping at that facility. More recently, we approved the closure of McCamey: First UMC, effective May 7, 2018, and that of San Juan UMC, effective June 1, 2018. We give thanks to God for these congregations' many years of Christian witness.

Finally, following the retirement of Rev. John Wright, Hill Country District Superintendent, in June of this year, Bishop Schnase will assign Rev. Andy Smith as superintendent for both the West and Hill Country Districts. This decision will allow the greatest flexibility for the future, as we approach major denominational and jurisdictional decisions over the next two years.

It is a privilege to serve the church as part of the Rio Texas Cabinet, alongside laity and clergy committed to the cause of Christ. We pray God's blessing on our common work.

Informe del gabinete
Solo para información

El Gabinete de Rio Texas dio la bienvenida a cinco nuevos colegas a la mesa en 2017: Revs. Karen Horan, Diana Phillips, Kendall Waller, Andy Smith, Marcus Freeman y Greg Hackett. En nuestro trabajo de nombramiento y de recursos para iglesias, clero y laicos, hemos seguido con gratitud el liderazgo de nuestro obispo y el tema de la Conferencia anual de 2017, "Enfoque en la fertilidad".

Estamos agradecidos por los muchos signos de vitalidad y crecimiento que vemos en las iglesias y ministerios locales que sirven a la gente de sus campos misioneros con amor y generosidad. El Consejo de Ministros votó para aprobar la fusión de Eagle Pass: First y Eagle Pass: La Trinidad, a partir del 15 de octubre de 2017, con la esperanza de un futuro brillante y fiel para esta nueva congregación.

También reconocemos lugares donde el ciclo de vida del ministerio ha llegado a su fin. El otoño pasado, el gabinete votó para aprobar el cierre de Austin: Faith UMC, efectivo el 31 de diciembre de 2017. Nos regocijamos por la presencia creciente y vibrante de Austin New Church, una congregación de otra denominación wesleyana, que ahora adora en esa instalación. Más recientemente, aprobamos el cierre de McCamey: First UMC, efectivo el 7 de mayo de 2018, y el de San Juan UMC, efectivo a partir del 1 de junio de 2018. Damos gracias a Dios por los muchos años de testimonio cristiano de estas congregaciones. Finalmente, luego de la jubilación del Rev. John Wright, Superintendente del Distrito Hill Country, en junio de este año, el Obispo Schnase asignará al Rev. Andy Smith como superintendente para los distritos de West y Hill Country. Esta decisión permitirá la mayor flexibilidad para el futuro, a medida que nos acercamos a las principales decisiones denominacionales y jurisdiccionales en los próximos dos años.

Es un privilegio servir a la iglesia como parte del Gabinete de Río Texas, junto con laicos y clérigos comprometidos con la causa de Cristo. Oramos la bendición de Dios en nuestro trabajo común.

Respetuosamente,

Laura Merrill

Resolution to End Family Separation

Whereas the United States government recently implemented a coercive “zero tolerance policy” resulting in the traumatic separation of children from immigrant parents and the subsequent incarceration of said children in secretive detention centers that are operating outside the purview of elected officials;

Whereas several of the detention facilities are operated within the geographical boundaries of the Rio Texas Conference;

Whereas this practice constitutes a violation of international law, child abuse, harassment & discrimination, all of which being chargeable offenses for profession members of the United Methodist Church under ¶2702.3;

Therefore, be it resolved that the Rio Texas Conference of the United Methodist church, in the name and Spirit of Jesus Christ, respectfully requests that the US Department of Justice and Attorney General Sessions immediately discontinue separating children from their families through the “zero tolerance policy”.

Resolución para Terminar con la Separación de Familias

Considerando que el gobierno de los Estados Unidos implementó recientemente una "política de tolerancia cero" coercitiva que resulta en la separación traumática de los niños de padres inmigrantes y la posterior encarcelación de dichos niños en centros de detención secretos que operan fuera del ámbito de los funcionarios electos;

Considerando que varias de las instalaciones de detención se operan dentro de los límites geográficos de la Conferencia Río Texas;

Considerando que esta práctica constituye una violación de la ley internacional, abuso infantil, acoso y discriminación, todos los cuales son delitos imputables a los miembros profesionantes de la Iglesia Metodista Unida bajo ¶2702.3;

Rio Texas Annual Conference United Methodist Women Annual Report For Information Only

Be strong and courageous; Joshua 1:9. That was the theme of our Leadership Team Meeting that took place on January 12-14, 2018 at Mount Wesley, Kerrville TX. We worked together to learn about our leadership roles and to continue to carry out our PURPOSE.

This year we are also focused on increasing our UMW unit participation in Five Star Units and Five Star Women, One Minute Woman, Reading Program, Charter Club, Mission Today and Mission Studies. We also reviewed our Conference website to make it more accessible and friendly.

On May 18-20, over 40 women and men from our Rio Texas Conference attended Assembly 2018 in Columbus, Ohio. We joined about 6,000 people from throughout the United States to listen to inspirational speakers, attend workshops and worship as we were empowered to find “The Power of Bold” within us.

This year’s Annual Luncheon will be held on June 8. Our speaker will be Bee Moorhead, Executive Director of Texas Impact. She will talk about the work of Texas Impact and the contributions the United Methodist Women have made on the legislative issues that impact women, children and youth in the state of Texas. The next Legislative Event will be on January 27-29, 2019 in Austin TX.

Mission u will be held on July 13-15, 2018 at Mount Wesley in Kerrville TX. Mission u is not only for United Methodist Women but for anyone who wants to participate in “Learning Together for the Transformation of the World”. Studies will be offered for Adults, Children and Youth. Books will be sold during the UMW Annual Luncheon. For more information, see the Mission u display in Exhibit Hall. Copies of the registration form and flyer are also available on the display table. You can also make additional copies from our website.

Our Conference Annual Meeting will be held in Gonzales TX at First United Methodist Church on October 19-20, 2018. The Crossroads District is the host. We encourage all UMW’s to attend.

In 2019 we will be celebrating our 150th Anniversary. Although we had very humble beginnings our work has grown throughout the years to become the largest faith based woman’s organization in the world. Our Legacy will continue for years to come.

Rio Texas Conference 2018
Cabinet Report
For Information Only

The Rio Texas Cabinet welcomed five new colleagues to the table in 2017: Revs. Karen Horan, Diana Phillips, Kendall Waller, Andy Smith, Marcus Freeman, and Greg Hackett. In our work of appointment-making and of resourcing churches, clergy, and laity, we have gratefully followed the leadership of our bishop and the theme of the 2017 Annual Conference, "Focus on Fruitfulness."

We are grateful for the many signs of vitality and growth we see in local churches and ministries that serve the people of their mission fields with love and generosity. The Cabinet voted to approve the merger of Eagle Pass: First and Eagle Pass: La Trinidad, effective October 15, 2017, hoping for a bright and faithful future for this new congregation.

We also acknowledge places where the ministry life cycle has come to an end. Last fall, the Cabinet voted to approve the closure of Austin: Faith UMC, effective December 31, 2017. We rejoice at the growing, vibrant presence of Austin New Church, a congregation from another Wesleyan denomination, now worshiping at that facility. More recently, we approved the closure of McCamey: First UMC, effective May 7, 2018, and that of San Juan UMC, effective June 1, 2018. We give thanks to God for these congregations' many years of Christian witness.

Finally, following the retirement of Rev. John Wright, Hill Country District Superintendent, in June of this year, Bishop Schnase will assign Rev. Andy Smith as superintendent for both the West and Hill Country Districts. This decision will allow the greatest flexibility for the future, as we approach major denominational and jurisdictional decisions over the next two years.

It is a privilege to serve the church as part of the Rio Texas Cabinet, alongside laity and clergy committed to the cause of Christ. We pray God's blessing on our common work.

Laura Merrill

Conferencia Rio Texas 2018
Informe del gabinete
Solo para información

El Gabinete de Rio Texas dio la bienvenida a cinco nuevos colegas a la mesa en 2017: Revs. Karen Horan, Diana Phillips, Kendall Waller, Andy Smith, Marcus Freeman y Greg Hackett. En nuestro trabajo de nombramiento y de recursos para iglesias, clero y laicos, hemos seguido con gratitud el liderazgo de nuestro obispo y el tema de la Conferencia anual de 2017, "Enfoque en la fertilidad".

Estamos agradecidos por los muchos signos de vitalidad y crecimiento que vemos en las iglesias y ministerios locales que sirven a la gente de sus campos misioneros con amor y generosidad. El Consejo de Ministros votó para aprobar la fusión de Eagle Pass: First y Eagle Pass: La Trinidad, a partir del 15 de octubre de 2017, con la esperanza de un futuro brillante y fiel para esta nueva congregación.

También reconocemos lugares donde el ciclo de vida del ministerio ha llegado a su fin. El otoño pasado, el gabinete votó para aprobar el cierre de Austin: Faith UMC, efectivo el 31 de diciembre de 2017. Nos regocijamos por la presencia creciente y vibrante de Austin New Church, una congregación de otra denominación wesleyana, que ahora adora en esa instalación. Más recientemente, aprobamos el cierre de McCamey: First UMC, efectivo el 7 de mayo de 2018, y el de San Juan UMC, efectivo a partir del 1 de junio de 2018. Damos gracias a Dios por los muchos años de testimonio cristiano de estas congregaciones.

Finalmente, luego de la jubilación del Rev. John Wright, Superintendente del Distrito Hill Country, en junio de este año, el Obispo Schnase asignará al Rev. Andy Smith como superintendente para los distritos de West y Hill Country. Esta decisión permitirá la mayor flexibilidad para el futuro, a medida que nos acercamos a las principales decisiones denominacionales y jurisdiccionales en los próximos dos años.

Es un privilegio servir a la iglesia como parte del Gabinete de Río Texas, junto con laicos y clérigos comprometidos con la causa de Cristo. Oramos la bendición de Dios en nuestro trabajo común.

Respetuosamente,

Laura Merrill

Resolution to End Family Separation

Whereas the United States government recently implemented a coercive “zero tolerance policy” resulting in the traumatic separation of children from immigrant parents and the subsequent incarceration of said children in secretive detention centers that are operating outside the purview of elected officials;

Whereas several of the detention facilities are operated within the geographical boundaries of the Rio Texas Conference;

Whereas this practice constitutes a violation of international law, child abuse, harassment & discrimination, all of which being chargeable offenses for profession members of the United Methodist Church under ¶2702.3;

Therefore, be it resolved that the Rio Texas Conference of the United Methodist church, in the name and Spirit of Jesus Christ, respectfully requests that the US Department of Justice and Attorney General Sessions immediately discontinue separating children from their families through the “zero tolerance policy”.

REPORTS

Resolución para Terminar con la Separación de Familias

Considerando que el gobierno de los Estados Unidos implementó recientemente una "política de tolerancia cero" coercitiva que resulta en la separación traumática de los niños de padres inmigrantes y la posterior encarcelación de dichos niños en centros de detención secretos que operan fuera del ámbito de los funcionarios electos;

Considerando que varias de las instalaciones de detención se operan dentro de los límites geográficos de la Conferencia Río Texas;

Considerando que esta práctica constituye una violación de la ley internacional, abuso infantil, acoso y discriminación, todos los cuales son delitos imputables a los miembros profesionantes de la Iglesia Metodista Unida bajo ¶2702.3;

Por lo tanto, sea resuelto que la Conferencia Río Texas de la Iglesia Metodista Unida, en nombre y Espíritu de Jesucristo, solicita respetuosamente que el Departamento de Justicia de los EE. UU. y el Fiscal General Sr. Sessions dejen de separar inmediatamente a los niños de sus familias mediante la "política de cero tolerancia".

REPORT V
FOR INFORMATION ONLY

The purpose of the Finance Table (CF&A) is “to develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Annual Conference” (§1612.1 2016 *Book of Discipline*).

In keeping with the Disciplinary purpose, the Finance Table (CF&A) sees itself as an integral part of the mission and ministry of the Conference. We are working to improve communications with the other agencies of the Conference to ensure that our work is supportive of the ministries and goals of the Uniting Table and the Mission Vitality Center.

Receipts on all funds for 2017 by the Río Texas Conference were \$9,857,332.12 or 95.05% of the apportioned amount. The Finance Table (CF&A) is proposing the budget for 2019. The overall apportioned budget for all funds totals \$9,535,453.

The Finance Table (CF&A) sees itself as joining with the local church in the work of the financial ministry of the Annual Conference. We commend the 2019 budget to the Conference. It represents the uniqueness and depth of ministries and missions provided by our church and economic realities of our Conference. The Finance Table (CF&A), along with the Conference Treasurer, has been monitoring membership and economic trends within the Conference, the Global Church, and society at large. We believe that the future health and vitality of our ministry will require that the amounts apportioned to the local churches will need to be significantly reduced over the next few years. As the goals and direction of the Conference become clearer, we will be working with the Bishop, the Uniting Table, and the Mission Vitality Center to ensure that the budget and apportionments accurately reflect those goals and support those ministries. At the same time, we will continue to work with our Conference Treasurer, the Personnel Committee and other Conference leaders to improve communications, systems and efficiency.

Operating Policies of the Finance Table (CF&A):

1. Following is the list of approved funds of the Río Texas Conference. These funds will be allocated to each mission or chartered church/charge according to the formulas that follow.

- General and Jurisdictional
- Conference Ministries (formerly Conference Benevolences)
- Ministerial Support
- Administrative Ministries (formerly Conference Administration)
- Pension and Benefits
- District Missions

The decimal formula shall be based on the two year average of local church operating expenses divided by two years of conference-wide local church operating expenses times each apportioned fund. Operating expenses include only these line items from the Local Church Report to the Annual Conference:

- Line 41 – Pastor(s) Compensation
- Line 42 – Utilities and Housing Paid to Pastor(s)
- Line 43 – Accountable Reimbursement Paid to Pastor(s)
- Line 44 – Non-Accountable Cash Allowances Paid to Pastor(s)
- Line 45 – Staff & Diaconal Ministers Salary
- Line 46 – Program Expenses
- Line 47 – Current Operating Expenses other than Program

$\frac{\text{2 years of Local Church Operating Expenses}}{\text{2 Years of Conference-Wide Local Church Operating Expenses}} \times \text{Each Conference Apportioned Fund}$
--

If there are separate district apportionments determined by each district, they will be allocated according to the following formula.

$\frac{\text{2 years of Local Church Operating Expenses}}{\text{2 Years of District-Wide Local Church Operating Expenses}} \times \text{Each District Apportioned Fund}$
--

2. At the beginning of the calendar year, the Finance Table (CF&A) shall determine which portions of the Conference Ministries and Administrative Ministries are “fixed costs” (salaries, benefits, etc.) and shall thus be authorized to be paid at 100% of the approved budget. On the basis of prior-year receipts to these funds, the Finance Table shall then determine a percentage of the approved budget to be authorized for expenditures in the remaining items of each budget, so that expenditures shall not exceed income.
 - Each church is expected to support all funds at 100% of the apportioned amount. (¶247.14 2016 *Book of Discipline*)
 - The churches are requested to make payments thereon aggregately, with the understanding that the Conference Treasurer will allocate such payments according to the appropriate percentage due the fund according to the Conference Budget.
3. An Unrestricted Fund Balance Account will be maintained by the Annual Conference at a minimum level of 20% of the current total of the Conference Funds. Any undesignated interest income will be transferred to the undesignated fund balance at the end of the fiscal year.
4. All apportioned funds, pension and health benefits costs both receipts and disbursements, will be managed through the office of the Conference Treasurer. All boards, agencies, committees, and commissions shall use the Conference Treasurer as the fiscal agent.
5. The salary (including housing and utilities) for District Superintendents shall be recommended to the Annual Conference by the Finance Table (CF&A), using a guideline formula adopted by the Personnel Committee of 1.85 times the Conference Average Compensation (CAC). Calculate the cash portion as follows: 2019 CAC x 1.85 = DS Plan Compensation. Then, (DS Plan Comp – utilities) / 1.25 = Cash Salary. Example: Where utilities are \$5,000 and housing is 25% of Cash Salary; \$68,799 x 1.85 = \$127,278. Then, (\$127,278 – \$5,000) / 1.25 = \$97,882. The purpose of the formula is to relate DS Compensation to Full Time Clergy Compensation. We recommend that the salary computation should also be applied to other clergy appointed to the conference staff at Cabinet level.
6. All agencies receiving funds from the Conference budget shall affirm that funds will not be expended for uses not consistent with ¶613.18-19 2016 *Book of Discipline*.
7. The amount of compensation designated as housing allowance for ordained staff members and district superintendents of the Conference will be set by an annual resolution of the Conference Finance Table (CF&A) after consideration of a statement of amounts to be used during the year.
8. The governing boards of United Methodist related entities must apply to the Finance Table (CF&A) to be granted the privilege of soliciting and receiving funds from churches, individuals, and other sources (but not from conference-wide offerings except as indicated in the list which follows) in keeping with ¶262 2016 *Book of Discipline*; no capital campaigns have been approved for 2018; and the following, and only the following, conference-wide offerings are approved for 2019:

Human Relations Day	General Conference
UMCOR Sunday (formerly One Great Hour of Sharing)	General Conference
Native American Awareness	General Conference
Peace with Justice	General Conference
World Communion	General Conference
United Methodist Student Day	General Conference
Harvest Sunday (see Transforming Communities Vision Team Report)	Annual Conference
9. The Chairperson, Vice-Chairperson, and Secretary of the Conference Finance Table (CF&A), the Chairperson of the Audit Committee, the Chairperson of Equitable Compensation and the Conference Treasurer/Director of Administrative Services constitute the executive committee of the Conference Finance Table (CF&A).
10. The Finance Table (CF&A) is authorized to appoint a Conference auditor.
11. A Conference Fund will not be permitted to carry over unobligated budget allocations from one conference year to another unless specifically authorized by the Finance Table (CF&A). Agencies receiving funds from sources other than apportioned funds may carry over such unspent funds into the next year. Any unobligated budget allocations not authorized for carryover will be added to the undesignated Fund Balance of the Annual Conference.
12. Each year, the Conference Comptroller shall set a cutoff date for all apportionment payments to the Conference Treasurer to be applied to the preceding year. The cutoff date will be communicated to the local churches no later than December 1 each year.

13. Each Conference board, agency, or institution receiving or disbursing funds not managed by the Conference Treasurer shall maintain adequate financial records and prepare and submit annual audit reports to the Conference Treasurer and the Finance Table (CF&A). All treasurers shall be properly bonded.
14. The Conference fiscal year shall begin on January 1 each year, and end on December 31 each year.
15. The Conference Finance Table (CF&A) is responsible for designating depositories for Conference funds.
16. The Conference will include in each annual budget an appropriate line for each "shall" ministry as defined by *The Book of Discipline*.

All boards and agencies are urged to schedule meetings, as far as possible, on dates and places coinciding with other groups in order to affect economy in travel expenses. Travel Expense shall be paid to members going to official in-conference meetings (between Annual Conference Sessions) at the rate of 40¢ per mile. The allowance for meals shall be \$3.00 for breakfast; \$7.00 each for lunch and dinner necessitated by the meetings. Reimbursement of 100% of lodging expenses necessitated by meetings at contracted hotels through the Annual Conference will be made. Those who choose to stay elsewhere will be reimbursed at the lowest contracted rate. The Conference meeting organizer will provide contracted hotel information to participants. Original lodging receipts must accompany the Disbursement Request. These allowances are not to cover full cost at all times, simply to assist in the additional expense of attending meetings.

Childcare expenses per meeting day not to exceed \$30.00 for the first child, not to exceed \$20.00 for each additional child, shall be allowed and included in the meeting expense of the board or agency.

Travel for duly elected delegates or representatives of the Conference to meetings of other organizations or connectional agencies shall be paid as stated above. However, actual air travel, lodging, and other expenses may be paid if funds are available from the board or agency concerned.

When it is necessary to fly to a meeting, flight must be booked at least 14 days prior to the meeting. If flights are not booked 14 days prior to the meeting, the member booking the flight must pay the difference in the cost of the flight. This does not apply in the rare instances when the meeting is an emergency meeting that is not announced prior to 14 days.

Each local church is encouraged to undergird the meal, transportation, and lodging expenses of Annual Conference members in attending Annual Conference by adding a minimum of \$100 to the church budget for each lay and clergy delegate. REPORT IV
REPORT OF THE PRESIDENT
FOR INFORMATION ONLY

Pre-82 Pension Plan Fully Funded

I am pleased to announce that for the first time in the history of the Pre-82 Pension Plan for the Río Texas Conference plan participants, the Pre-82 Pension Plan is fully funded. Just 20 years ago, our conferences were facing Pre-82 plan liabilities in excess of over \$12 million and meeting these benefit obligations seemed a monumental task. Thank you to our conference, the members of the Board of Pensions, both past and present, and our leadership as we are funded ahead of the 2021 amortization schedule. As with any defined benefit pension plan, liabilities can fluctuate due to a variety of factors such as past service rate (PSR) increases, market volatility, plan policies and benefit eligibility. The Board will continue in its ministry to “care for those who serve” providing for the honor, support, and appreciation to our retired and active clergy while maintaining a sustainable asset plan to meet benefit liabilities for current and past benefit plans. We work closely in strategic partnership with Wespath Benefits and Investments which provide interpretation and guidance in our pension, health insurance, ancillary benefits plans and support resources. Our goal is to be good stewards of the resources and programs we are entrusted with and endeavor to implement and interpret denominational and conference policy. Our focus encompasses not only short and intermediate term needs, but also looking ahead decades into the future at the long-term viability of programs and resources.

HealthFlex Private Exchange Multi-Plan Option to Begin in 2019

One of the most challenging plans to administer has been health insurance due to the rising cost of healthcare. The Board of Pensions adopted a transition plan two years ago to begin to offer more flexibility to our participants and counteract these rising costs. Effective January 1, 2019, the Conference will offer the HealthFlex Private Exchange through Wespath. This multi-plan option approach allows individual active full-time clergy and lay participants to choose from various plan options with a pre-determined Defined Contribution or (DC) to “shop” for coverage. This unique approach gives participants the ability to tailor coverage and strategize with resources not previously available such as Health Savings Accounts (HSA) and Health Reimbursement Accounts (HRA). HealthFlex private exchange is not an Affordable Care Act (ACA) public offering. It is expected the current robust medical provider network of United Healthcare PPO, Cigna Dental and Optum RX will continue for all plan options. HealthFlex wellness will also continue to provide excellent resources and incentives utilizing several vendors such as WebMD, MDLive, Virgin Pulse activity program, Weight Watchers, Blue Print for Wellness, and NutriSavings.

The individual Defined Contribution (DC) has been set at \$855 for 2019. The 2019 DC will fund the 2018 current single plan offering with the expectation the DC will not increase in 2020 to contain healthcare costs for our churches. The premiums for each of the various plans are now available including medical, dental, and vision options giving participants several months in advance of the Annual Election period in November to research the plan combination that will best fit their unique needs. This information is included in the Board of Pensions Report VI. The transition also addresses the concerns of clergy waiving HealthFlex in lieu of other coverage. Waiving the plan created issues of adverse selection, appointment and budgeting issues as clergy move from one church to another. As of January 1, 2019 churches will no longer be able to waive contributions to the plan for active full-time clergy and will need to include HealthFlex contributions in their annual budget. I would like to thank the Health Benefits Sub-Committee, led by Michele Segura, for all of their hard work over the last two years in preparation for this transition. Conference staff and Wespath are all dedicated to utilizing various tools to have an effective transition.

Apportionment Phase Out Continues

Currently, the 2018 cost of the individual clergy participant is funded with a 70% direct bill and 30% apportionment contribution. However, in 2019 funding of the plan will continue with the phase-out approach of apportionments with an 80% direct bill and 20% apportionment contribution of the HealthFlex individual DC. As the church direct bill increases, the overall pension and benefits apportionment decreases. The proposed 2019 pension and health apportionment is \$1,011,000 and since 2015, the apportionment has decreased by 46%.

Benefit Plan Support

The Board encourages all clergy and lay participants enrolled in HealthFlex to participate in upcoming multi-plan option training sessions and annual election events. Our goal is for each plan participant to make their personal election. If participants choose to not act during the annual election period they will automatically be enrolled in the default plan of the CDHP2000 for all of 2019. Conference staff and various Wespath online support tools will also be available to assist with benefit training and enrollment support.

Respectfully Submitted

Gary W. Anderson, President

REPORT V
BENEFIT PLANS
FOR INFORMATION ONLY

PRE-82 PENSION PLAN

The Pre-82 Pension Plan also known as Supplement One to the Clergy Retirement Security Plan (CRSP) is a defined benefit pension plan administered by Wespath and provides eligible clergy with a pension benefit for their years of ministry with The United Methodist Church before 1982. The Pre-82 Pension Plan was replaced by the Ministerial Pension Plan (MPP) effective January 1, 1982. One of the responsibilities of the Board of Pensions is to recommend to the annual conference the Past Service Rate or (PSR) to clergy for each year of eligible service in the Pre-82 Pension Plan.

As the need to provide adequate clergy pension benefits evolved with the establishment of the Pre-82 Pension Plan, contributions were not sufficient to provide the benefits required for many participants during years of active service. Therefore, it became the responsibility of the conference to ensure benefit obligations required by the plan would be provided by annual contributions in an amortization schedule concluding in 2021. The goal for each conference is for the Pre-82 Pension Plan is to be fully funded until all benefit obligations have been met. However, the assets of the Plan are not fixed with the potential of additional liabilities due to market volatility, Wespath policies, and the number of eligible beneficiaries. Further, any increase in the Past Service Rate (PSR) adopted by the Conference also increases the plan's liabilities.

- In 2016, the Board of Pensions adopted a long-term PSR strategy based on increases of 70% of the reported St. Louis Federal Reserve Cost of Living Index-Urban South Region to set the past service rate each year. The Board believes that this policy provides for the honor, support, and appreciation to our retired clergy while maintaining a sustainable plan to meet benefit liabilities.
- Any change in the PSR also increases the Plan's liabilities and must be funded in the year adopted.
- In December 2017, additional Pre-82 contributions of \$747,854 and \$164,732 (advance contribution for PSR increase) were made from reserves held for this purpose into the Pre-82 Pension plan. These contributions commence a responsible conservative strategy to increase the assurance that designated funds will be available in the Plan for our participants.
- For the first time in several decades, no contribution is due in 2018 for the Pre-82 Pension Plan.

MINISTERIAL PENSION PLAN (MPP)

The Ministerial Pension Plan, also known as Supplement Three to the Clergy Security Retirement Plan (CRSP), provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. The MPP is an Internal Revenue Code Section 403(b) retirement plan. The Conference is required to fund any liability attributable to MPP annuities due to market fluctuations, mortality/demographic assumptions, and Wespath Plan policies. As of January 1, 2017, actuarial valuation, the MPP/CRSP combined funded ratio for the Rio Texas Conference is approximately 105.49% and no additional contributions are required in 2018 and 2019.

CLERGY SECURITY RETIREMENT PLAN (CRSP)

The current pension plan required for eligible full-time clergy is the Clergy Security Retirement Plan or CRSP administered by Wespath Benefits and Investments. This plan was effective January 1, 2007, and is comprised of both a defined contribution (DC) and defined benefit (DB) component design.

Defined Contribution (DC) – Provides a defined amount that is deposited into an active full-time clergyperson's account with monthly contributions. This benefit distributed at retirement is the accumulated amount plus earnings (losses) in the individual's account. The defined contribution (DC) component of CRSP is 2% of Plan Compensation with a match for participant contributions to the United Methodist Personal Investment Plan (UMPIP) – up to 1% of Plan Compensation. Therefore, if a participant contributes at least 1% of compensation to UMPIP, the CRSP DC contributions will be 3%. In order for full-time active clergy to receive the maximum benefit of the CRSP DC, they must contribute to the UMPIP at least 1% of Plan Compensation.

Defined Benefit (DB) – Provides a specific dollar amount at retirement regardless of market conditions or investment performance. The amount is based on a formula that specifies a monthly retirement benefit to eligible clergy and contingent annuitants for the remainder of their lives. The CRSP-DB provides a monthly retirement benefit using 1.25% of the Denominational Average Compensation (DAC) at retirement multiplied by years of service from January 1, 2007, to December 31, 2013. The multiplier is reduced to 1% for years of service beginning January 1, 2014.

Both components are direct billed to each church for all eligible full-time clergy. The defined contribution (DC) billing is based on 3% of Plan Compensation.

- The annual defined benefit (DB) direct billing in 2018 to churches for each clergy appointed to full-time service is \$5,525.
- The annual defined benefit (DB) direct billing in 2019 to churches for each clergy appointed to full-time service is \$5,866.

The Annual Defined Benefit (DB) contribution to Wespeth is based on the number of full-time clergy enrolled, the CRSP benefit provisions and the annual actuarial valuation provided by Wespeth Benefits and Investments. The amount due in 2018 for the DB component is \$1,635,344 and in 2019 \$1,642,443. Any clergy serving less than full-time not eligible for the CRSP DB are eligible to participate in the United Methodist Personal Investment UMPIP Plan with a required church contribution of 9% of Plan Compensation.

COMPREHENSIVE PROTECTION PLAN (CPP)

The Comprehensive Protection Plan (CPP) is a welfare benefit plan administered by Wespeth Benefits and Investments. The CPP includes long-term disability, death and other welfare benefits for eligible full-time clergy. The CPP plan is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor contributions. The CPP required direct billing to churches is 3% of Plan Compensation for eligible full-time clergy up to two times the denominational average compensation or DAC of \$70,202 in 2018 and \$71,361 in 2019.

Effective January 1, 2016, Wespeth Benefits and Investments adopted a change in the pension plan mortality tables and demographic assumptions for the defined benefit plans resulting in an increase in pension plan liabilities in 2018. To assist conferences with funding increased pension liabilities, a premium holiday for the Comprehensive Protection Plan (CPP) was adopted for 2018 and 2019 for conferences to offset these liabilities. During 2018 and 2019, the Rio Texas Conference will continue to direct bill the CPP contributions to be held in reserve for future pension plan liabilities.

UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP) FOR LAY AND CLERGY

The United Methodist Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan administered by Wespeth Benefits and Investments for clergy and lay employees of The United Methodist Church and affiliated organizations. Eligible participants may make personal contributions through payroll deductions for before-tax, Roth or after-tax contributions in a flat dollar amount or percentage of eligible compensation, up to Internal Revenue Code limits. Churches are encouraged to offer the UMPIP to lay employees and may contact Wespeth Benefits and Investments at 1-800-851-2201 for additional plan provisions and sponsorship.

Any clergy appointed to a church for less than full-time service is eligible to participate in the UMPIP and receive a required church contribution of 9% of Plan Compensation. Also, all active clergy are encouraged to participate in the UMPIP with personal contributions. For full-time clergy to receive the maximum church funded pension benefits in the CRSP Defined Contribution plan of 3%, they will need to contribute a minimum 1% match into the United Methodist Personal Investment Plan (UMPIP).

2019 PENSION PLAN CHURCH DIRECT BILLING

Effective January 1, 2019, church direct billing by the conference for clergy participants under appointment for current active service will include:

- Clergy Retirement Security Plan (CRSP) Defined Benefit required contribution of **\$5,866** for each eligible full-time clergy appointed to 100% service.
- Clergy Retirement Security Plan (CRSP) Defined required contribution of **3%** of Plan Compensation for each eligible full-time clergy appointed to 100% service.
- Comprehensive Protection Plan (CPP) required contribution **3%** Plan Compensation for each eligible full-time clergy appointed to 100% service to a maximum of two times the denominational average compensation or DAC of \$71,361 in 2019.

2019 HEALTHFLEX PRIVATE EXCHANGE MULTI-PLAN OPTION
FOR INFORMATION ONLY

HEALTHFLEX BENEFITS

The Rio Texas Conference participates in the HealthFlex Plan administered by Wespath Benefits and Investments for eligible full-time clergy and conference lay employees. The HealthFlex plan is also available to lay employees of churches who have adopted a HealthFlex Salary-Paying Unit Sub-Adoption Agreement meeting the eligibility requirements of the Plan. HealthFlex is an integrated, wellness-driven health program that supports healthier lifestyles. The HealthFlex plan is designed to provide eligible participants a comprehensive plan including medical, prescription, and wellness benefits.

HealthFlex uses incentives as part of their strategy to promote engagement in healthy behaviors and wellness programs. The 2018-19 strategy continues the focus on rewards both for measuring risks through Blueprint for Wellness Screening and Health Quotient (HQ) and for taking action toward better health and well-being. Rewards emphasize participating in programs that have shown to have a positive impact on health risk, including health coaching and the Virgin Pulse activity program. In addition, to the HealthFlex wellness benefits, the conference also provides additional holistic wellness benefits for clergy and conference lay employees including spiritual, mental, emotional and physical care components funded by a grant from Methodist Healthcare Ministries of South Texas.

2019 HealthFlex Private Exchange Transition

To align with the changing health care landscape and significant increases in healthcare costs, the Board of Pensions adopted a transition plan from the HealthFlex single option B100 plan to the HealthFlex Private Exchange multi-plan option effective January 1, 2019. The HealthFlex Private Exchange multi-plan option will give participants a greater choice across several HealthFlex plans with varying plan designs and the flexibility to choose the coverage that best fits the participant's health, financial and family needs. Also, the multi-plan approach encourages greater accountability and cost sharing by participants for health care costs, while retaining the valued HealthFlex Benefits and wellness opportunities that participants have come to expect from Wespath.

HealthFlex Private Exchange Transition Plan

During the fall of 2017, several HealthFlex workshops were held throughout the Conference to introduce participants and congregations to the HealthFlex Private Exchange. The workshops included key concepts, plan design and introduction to new features that will be available starting January 1, 2019 for plan participants. In addition to the workshops, a strategic HealthFlex transition plan will include annual conference workshops, fall 2018 roll-out meetings, web-based meetings and a communications campaign to prepare participants and families for the annual election period in November 2018. Communications will include comprehensive online, telephonic, training and conference support resources.

The current HealthFlex Private Exchange Multi-Plan offers six distinct plan choices for participants. Although HealthFlex has the discretion to modify the plan offerings in 2019, the 2019 expected plan design options include:

2019 HealthFlex Private Exchange Defined Contribution (DC)

Included in the 2019 HealthFlex Private Exchange design is a non-taxable defined contribution of \$855. The DC is a fixed dollar amount provided to each HealthFlex participant. Participants will use the allocated DC amount to “shop” for a health plan in the HealthFlex Private Exchange and pay for some or all premiums for the plan of their choice.

- The DC amount for 2019 will be \$855 per month.
- The DC will appear as a “credit toward purchase” when choosing a HealthFlex plan from all available HealthFlex Private Exchange plan options.
- Participants who choose plans costing less than their DC credit amount will “bank” the excess. The unspent DC balance will then be credited by HealthFlex to the participant’s health reimbursement account (HRA) or health savings account (HSA), depending on the health plan selected. The excess annual amount (unspent DC balance) is not credited in a lump sum; rather it is available on a prorated, monthly basis over the plan year. Internal Revenue Code (IRC) limits for annual HSA contributions will apply.
- Participants who choose a plan costing more than the DC credit amount or who choose to cover dependents will contribute the additional amount by a payroll deduction from their church to cover the cost difference between the DC amount they receive and their higher cost for monthly premiums (the participant’s share of the premium cost).

2019 CHURCH HEALTH BENEFITS DIRECT BILLING

Effective January 1, 2019, churches will be direct billed by the conference for clergy participants under appointment for current active service and eligible enrolled lay employees:

- HealthFlex 2019 Defined Contribution (DC) for each eligible individual full-time enrolled clergy, lay employee will be \$855 per month or \$10,260 annually. Dependent coverage will be direct billed monthly at an additional cost depending on the plan selection and number of dependents covered.
- The individual clergy premium includes two funding components comprised of an 80% direct bill and 20% apportionment.
- The Rio Grande Legacy Fund will continue to provide contributions to eligible legacy churches for full-time clergy enrolled in the HealthFlex Plan (individual clergy premium).
- Additional benefits may be direct billed for eligible clergy and lay employees based on elected benefits including Optional Term Life Insurance and the Flexible Benefits Plan funded by payroll deduction.

Each eligible active clergy and enrolled lay participant will receive a monthly individual Defined Contribution (DC) or "Credit" in the HealthFlex plan of \$855 (funded through church) and will choose from the six HealthFlex plan options.

Participants who choose a plan costing more than the DC credit amount or who choose to cover dependents will contribute the additional amount by a payroll deduction from their church to cover the cost difference between the DC amount they receive and their higher cost for monthly premiums (the participant’s share of the premium cost). Covered dependents will be enrolled in the same plan selections chosen by the primary clergy or lay participant.

Elimination of the Church/Clergy Waiver Provision or "Opt Out" of HealthFlex

Effective December 31, 2018 the HealthFlex Waiver or "Opt" out provision will be eliminated. With the onset of the Affordable Care Act (ACA), the conference offered the ability for clergy to waive or "opt out" of the HealthFlex under a waiver provision to participate in the government public exchange plans for their families and be eligible for a subsidy. The waiver provision also enabled clergy to opt out of HealthFlex to participate in a health plan through a former employer, spouse's employer-provided coverage, or Champus/Tricare. After careful review, it was determined that offering the waiver provision did not result in eligibility for an ACA subsidy as the church funded the full individual cost for active clergy. More importantly, is the impact to the Plan of adverse selection on claims and appointment concerns as clergy are appointed to and from churches where an "opt out" has been made and the HealthFlex funding is not budgeted. The Board of Pensions believes that Health Benefits should not be a hindering factor on equipping a congregation with the excellent clergy it needs for ministry.

To ensure the Plan is efficient and sustainable for the benefit of all participants and churches, any church where a clergy has chosen to not participate in HealthFlex through the waiver provision will need to fund the Defined Contribution (DC) or premium through direct billing effective January 1, 2019. The 2019 HealthFlex Direct Billing amount of \$8,208 will need to be incorporated into the 2019 church budget and reported on the 2019 Compensation and Expense Information form.

HealthFlex Flexible Spending Accounts

Eligible full-time HealthFlex participants may participate in the optional Medical Reimbursement Account (MRA) and Dependent Care Reimbursement Account (DCA) offered as a benefit funded by participant payroll deductions and administered by HealthFlex and WageWorks.

Optional Term Life Insurance

The Conference provides an Optional Term Life Insurance for full-time clergy and conference lay employees subject to the underwriting guidelines of the Prudential Life Insurance Company. Eligible participants may elect group term life coverage as a payroll deduction.

Retiree Health Reimbursement Account (HRA)

A Retiree Health Reimbursement Account (HRA) is provided by One Exchange for eligible retirees and funded by apportionments. The HRA is based on the stipend amount received by eligible retirees before December 31, 2013. As of January 1, 2018, there are 75 retirees eligible for an HRA with expected benefits totaling \$109,236. Eligible retirees must be enrolled in a Medicare Supplement or Advantage plan through Via Benefits (Formerly One Exchange) to receive the HRA. In order to provide sustainability of the HRA benefit and not increase conference benefit plan liabilities and apportionments, the HRA is a fixed amount per eligible retiree and does not increase from year to year.

Per policy of the 2014 Unification Plan, the HRA stipend will not be offered to any other retiree not currently receiving an HRA. The HRA provides reimbursement for IRS eligible health care expenses such as Medicare Part B premiums, Medicare supplement plan premiums, and out of pocket expenses such as co-pay and deductibles. To receive HRA funds, eligible retirees must submit a claim form to Via Benefits annually for premium reimbursement or as needed for other IRS eligible expenses.

UNITED METHODIST RIO TEXAS CONFERENCE BOARD OF TRUSTEES

REPORT I
PRESIDENTS 2018 REPORT
FOR INFORMATION ONLY

The work of the Trustees has continued at a good pace since our last Annual Conference. We have transitioned by sale 7 properties generating approximately \$970,556.00 in proceeds. As of this writing, some properties are under contract and we will continue to update our numbers. Of the proceeds from the properties sold:

\$632,212.00 has been designated for the Urban Property Fund in accordance with the Rio Texas Urban Ministry Strategic Plan adopted by the 2016 Annual Conference, of which \$474,159.00 has been made available to the District Strategy Teams and \$158,053.00 has been made available to the Mission Vitality Center.

\$6,617.00 has been designated as "non-urban" and has been made available to the District Strategy Teams.

Of these amounts, because of the origin of the transitioned properties, \$49,722.00 is restricted for use as having a preference for supporting Hispanic/Latino ministries.

Besides transitioning properties by sale, we were pleased to facilitate the use of the former Faith United Methodist Church in Austin to the Capital District as it works with a dynamic faith community called Austin New Church. Because we consider ourselves "partners" in the ministries of the Annual Conference, we have also helped allocate personal property from closed and abandoned churches to churches which need and can use such property.

We continue to work very hard in our operational oversight role for Mt. Wesley in connection with the Office of the Conference Treasurer. We have made additional renovations as time and funds have allowed. Most of the buildings now have new red roofs. The old roofs suffered extensive hail damage in the 2016 storm and the insurance proceeds paid for the new roofs. We are pleased that the renovations to the Wilson Building and the offices/gift shop have been completed. We have also renovated several of the guest rooms. We welcomed Doug Morton as the new Executive Director for Mt. Wesley late last year, continuing our strategic partnership with Crossroads District. Rev. Pat Gideon remains as the site director. All the staff are working hard booking the facility and seeing to the needs of our guests. They are doing a great job and we are proud of their work.

We continue to give substantial attention to the financial status of Mt. Wesley and have tried to live into a reasonable budget for the operation and maintenance of the core facilities. As of this writing, Mt. Wesley is not meeting this goal of financial neutrality and the staff and treasurer's office are working hard to balance expense against income. The core facilities of Mt. Wesley are in good condition and we hope that improvement will result in adequate booking and income. We continue to vision for the future of Mt. Wesley. To this end, we are considering strategic partnerships which will allow us to continue our ministry at that sacred property, even as we open possibilities for others to pursue their mission goals at the Mt. Wesley facilities. We believe that the highest and best uses of Mt. Wesley are still being revealed and we are very excited about some of the potential partnerships we are exploring.

Respectfully submitted,
Bill Knobles, President of the Board of Trustees

REPORT II
INCREASE OF PERCENTAGE OF SOLD PROPERTIES FOR THE PROPERTY ADMINISTRATION FUND
FOR CONFERENCE ACTION

The Annual Conference will note a significant reduction in the proceeds generated from selling properties in comparison to the previous two years. The reason is simple. We have already sold most of the properties which were in fairly good shape and located in areas where selling a church to another faith community is more feasible. The remaining properties we have in inventory are more difficult and have a higher holding cost. At the 2016 Annual Conference, we voted to reduce the percentage of each sale held back by the trustees for managing closed properties ("Property Administration Fund") from 20% to 10%. We could manage that inventory with the reduced amount, however we are now asking that the percentage be returned to 20% for the Property Administration Fund. We have determined that the increase is necessary to manage the current, more difficult to transition closed properties. We ask this matter be placed on the agenda as an action item, amending the trustee's operational rules accordingly.

Respectfully submitted,
Bill Knobles, President of the Board of Trustees

TEXAS UNITED METHODIST COLLEGE ASSOCIATION
FOR INFORMATION ONLY

As a result of the generous support of our churches, the mission and work of the Texas United Methodist College Association continues to be strong. Our work is guided by John Wesley's words. We believe that the truth that the scriptures tell us "will set us free" can be found in the conjunction of knowledge and vital piety. It is here where many TUMCA scholars have not only found their call to a career but also to a spiritual life that serves others. Through the funding of scholarships, our students are afforded an education that offers this combination of intellectual and spiritual development.

The TUMCA funds granted to Southwestern University, Southern Methodist University, McMurry University, and Texas Wesleyan University are restricted to scholarships for deserving students from United Methodist Congregations in Texas. This academic year, 75 students received a TUMCA scholarship. Through the years, thousands have been helped by our church family. No funds can be used for endowment nor bricks and mortar.

TUMCA students have shared with us their gratitude for this support and how it helped shape their lives of work and service. One former TUMCA scholar is Erin Roe who went on to graduate and who now works with children that have special needs. She shared the following:

I work with children ranging in age from 3 to 16. Some are nonverbal, others are high functioning. This job has taught me to celebrate the little things in life and to appreciate every moment, every milestone.

I know that I am not a minister per se. That is, I don't preach from the pulpit. But I believe that while I might stand on a different platform, I am still a part of a ministry...I too am teaching my students how to treat others, how to communicate, how to love...I see miracles all around in my job.

The first time their child says "mom", the first time their child gives them a hug, the first time their child plays a game with them: I see God all around. ...I see Him in the face of the boy who learned how to use sign language to request water, ... in the face of the girl who was asked to her high school prom. She thought that was never something that would happen because of her autism diagnosis. ... What better representation of God is there?

While the support from any one congregation may be small, the impact of these funds combined continues to be great. TUMCA students receive hope, affirmation, encouragement, and the development of servant leadership skills that will serve the church and society now and in the future. Clergy, laity leaders, teachers, and responsible business and civic leaders, once TUMCA scholars, will help chart the course of our church.

We at TUMCA believe our work continues to be an extension of the work of our congregations. We are most grateful for their support and pledge to use those gifts wisely and well in the creation of disciples of Jesus Christ for the transformation of the world.

CANDLER SCHOOL OF THEOLOGY
FOR INFORMATION ONLY

For more than 100 years, **Candler School of Theology at Emory University** has prepared *real* people to make a *real* difference in the *real* world. Since our founding in 1914, more than 10,000 students have graduated from Candler, where they have been shaped as thoughtful, principled, and courageous Christian leaders dedicated to transforming the world in the name of Jesus Christ.

One of 13 official seminaries of The United Methodist Church, Candler has been included on a list of “Seminaries that Change the World” for five years running, and was recently named a “Bright Spot in Theological Education” by Auburn Seminary.

Candler is also one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a demonstrated commitment to service. Our location in Atlanta provides a hands-on learning environment rich with opportunity: The General Board of Global Ministries is headquartered here, as are numerous public health, international development, and social service organizations. Simply put, there is no better

place to prepare for ministry that engages our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler offers 16 degrees: six single degrees and ten dual degrees pairing theology with bioethics, business, international development, law, public health, or social work. One of our newest degrees is a Doctor of Ministry that is 90 percent online, so students can remain in their places of ministry as they study and immediately apply to their context what they learn in class. Our Teaching Parish program allows eligible United Methodist students to serve as pastors in local churches while they're enrolled—they earn a salary as they earn course credit and pastoral experience, plus they are mentored by an experienced United Methodist elder.

Candler's student body continues to reflect the diversity and breadth of the Christian faithful, with an enrollment of 455, reflecting 49 percent women, 35 percent people of color (U.S.), and a median age of 30. Students represent 39 denominations, with half coming from the Methodist family. 82 percent of students are seeking a degree to prepare them as ministry professionals.

Candler has a deep commitment to alleviating student debt and employs a multi-pronged approach to tackle this issue. In 2017-2018, we awarded \$5.3 million in Candler scholarships, with 97 percent of MDiv students receiving aid and the average scholarship covering 75 percent of tuition. Plus, our comprehensive "Faith & Finance" program teaches money management skills that serve our students now and will continue to serve them—and the churches they lead—well into the future.

Half of Candler's faculty are United Methodist and 58% come from traditions within the larger Methodist family. This year, we welcomed fellow United Methodist Helen Jin Kim to the faculty as Assistant Professor of American Religious History, and we sent best wishes along with our colleague Mary Lou Greenwood Boice as she retired after 25 years of remarkable service to Candler.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

SOUTHWESTERN UNIVERSITY FOR INFORMATION ONLY

Southwestern has a long and storied history of firsts. We are the first institution of higher education in Texas, home to the first Rhodes Scholar in Texas, and the first in the nation to honor alumni with a homecoming celebration. In order to remain a leader in higher education, Southwestern continuously evolves and challenges ourselves to develop new and dynamic educational experiences that prepare our students for the careers and opportunities of tomorrow.

One example of recent evolution on the Southwestern campus is shown through the adoption of our updated curriculum. The new structure, which was introduced in the fall of 2017, was a faculty-led initiative developed with input from students and colleagues. It incorporates an increased emphasis on student agency, where students create their own educational path, rather than simply following a rubric that someone else crafted for them. The response following our first semester has been tremendous.

Another example of Southwestern's evolution can be seen in our recent rebranding efforts, including an updated logo and the launch of our new website in November. The updates provide avenues to better connect with prospective and current students, faculty, staff, parents, alumni, and donors. We took great care to ensure that the changes reflect Southwestern's commitment to our future while honoring and remaining true to our past.

In August, Southwestern welcomed 363 entering students bringing our total enrollment to 1,387. A total of 73 percent of the new class was in the top 25 percent of their graduating class, and 38 percent were in the top 10 percent. Altogether, 18 states and two foreign countries are represented in the class. Underrepresented students make up 44 percent of the class. I was pleased to have the opportunity to visit personally with prospective students and their families at 18 events hosted on campus this year.

Southwestern also continued the "President's Thinking Symposium on Living, Learning, and Leading." As part of my experimental course, "Effective Thinking and Creative Puzzle-Solving," my class hosted noted guests from around

the country who described the “puzzles” of their professional careers, the practices of mind they use to resolve them, and led thought-provoking conversations on the meaningful and life-changing experiences that have shaped their lives.

As I reflect on this past year, I am honored to bear witness to the power of Southwestern.

An institution like ours is constantly changing, and it’s phenomenal to watch the student body grow into our new vision of the curriculum. Our faculty is inspired about what we’re doing inside the classroom, as well as in the scholarly world of research. Southwestern has many exciting projects on the horizon, including Phase II of a \$37 million-dollar expansion to the Fondren Jones Science Center. The expansion, which will break ground in February 2018 and is scheduled for completion in the fall of 2019, is intentionally designed to enhance the shared learning environment and encourage collaboration among faculty and students.

Academics

- Southwestern University introduced an updated curriculum in the fall of 2017. The new structure continues to incorporate Southwestern’s Paideia philosophy, where faculty members encourage students to make connections not only within their classes, but also across disciplines. This concept is woven throughout our campus and incorporated in all areas. The new articulation of Paideia, where Paideia is now in every single class and students are being asked to take the thinking process from that particular class and apply it to another class — whether it’s theater or the athletic field or science.
- New students had the opportunity to participate in the First Symposium this past fall, which showcases work from the First-Year and Advanced-Entry Seminar experience.
- For the 17th consecutive year, the King Creativity Fund supported innovative and visionary student projects across the disciplinary spectrum.
- Thirty-seven students participated in 13 different SCOPE research projects. SCOPE is an eight-week, student-faculty collaborative summer program that provides opportunities for students to participate in research and investigative learning, gain hands-on experience as well as valuable insights in diversity, persistence and collaboration.

SAINT PAUL SCHOOL OF THEOLOGY
FOR INFORMATION ONLY

Saint Paul School of Theology is a seminary of the United Methodist Church committed to the formation of people for innovative, creative ministry. We are one institution with two campuses, in Kansas and Oklahoma.

This past 2017-2018 academic year, Saint Paul enrolled 117 students in the master and doctoral degree programs. The Saint Paul Course of Study School educated 261 students in Kansas City, KS; Hays, KS; Oklahoma City, OK; and Springfield, MO.

Saint Paul School of Theology announced a new **FLEX** schedule for theological education starting Fall 2018. Seminarians will receive a more **Flexible Learning Experience** that combines convenience and community opportunities with intentional academic scheduling. Students can take a mixture of online, on-campus, and hybrid (blended online and on-campus) courses to complete the required curriculum.

One FOCUS week will be scheduled each semester for hybrid and on-campus students. They will come together with faculty and skilled practitioners to participate in spiritual formation retreats, practicums that teach ministry skills (i.e. funeral planning, technology in worship, financial reporting), and community activities.

The Board of Trustees and president set into motion a new scholarship initiative. Every entering, full-time, master's degree student at Saint Paul will receive a \$5,000 scholarship for the 2018 seminary year. This broad opportunity is the most recent effort to reduce student indebtedness.

Seminary partner, United Methodist Church of the Resurrection, will offer a three-year, full-ride scholarship beginning 2018-2019 academic year. The Resurrection Fellow will have a hands-on, paid internship with a ministry mentor to learn ministry skills in evangelism, worship, pastoral care, and discipleship.

Dr. Amy Oden, Professor of Early Church History and Spirituality, at Saint Paul at Oklahoma City University received the 2017 GBHEM Exemplary Teacher Award. Her book entitled, *Right Here, Right Now: The Practice of Christian Mindfulness* examines how Christian mindfulness practices begin with the teachings of Jesus and continue throughout Christian history. Oden includes step-by-step instructions for practicing Christian mindfulness today. Dr. Mike Graves, William K. McElvaney Professor of Preaching and Worship, published a book in October entitled *Table Talk: Rethinking Communion and Community*. *Table Talk* explores communion practices and a new way of doing church that is catching on around the world. Dr. Graves writes about the dinner church movement and ways that it is carried out.

Seminary partner, Oklahoma City University, dedicated a classroom in the W. Angie Smith Chapel building to honor retired Oklahoma UM Bishop Robert Hayes, Jr. A plaque on the classroom door recognizes Hayes for his many years of service to both the seminary and university. He returned to Saint Paul at Oklahoma City University this year to teach, preach, and serve as Bishop-in-Residence. The Saint Paul trustees, faculty, staff, and students thank you for your interest, prayers and support.

SOUTHERN METHODIST UNIVERSITY
PRESIDENT'S REPORT
FOR INFORMATION ONLY

More than 100 years ago the Methodist Episcopal Church, South, had the foresight to understand what a great institution of higher education could mean for the ambitious young city of Dallas. Southern Methodist University continues to mark exciting developments as students and faculty pursue opportunities that provide a platform for making global impact. Recent highlights include:

In fall 2017 SMU's total enrollment of 11,789 included 6,452 undergraduates and 5,337 graduate students. Ethnic minority students made up 26 percent of total enrollment. An international enrollment of 1,785 (more than 15 percent of total enrollment) represented 88 foreign countries.

SMU ranks among the nation's best universities. In the 2017 *U.S. News & World Report* listings, SMU ranks among the top 20 percent of the "best national universities." Several individual schools and academic programs also earned national rankings.

SMU received \$22 million in external funding during 2016-17 for research in the U.S. and worldwide. Current research subjects include the search for dark matter, natural hazards, water quality, cyber security, data analytics, learning disabilities, human performance, immigration, treatments for cancer, neurodegenerative diseases, diabetes, anxiety and depression.

In December, SMU received a \$1 million gift from the Moody Foundation, which will support renovation of Meadows School of the Arts facilities and key education research by Annette Caldwell Simmons School of Education and Human Development. Also, a \$15 million gift received from the Nancy Ann Hunt Foundation (a supporting organization of the Communities Foundation of Texas) will ensure the long-term support of SMU's Hunt Leadership Scholars Program, one of the University's signature scholarship programs attracting academically talented student leaders from throughout the United States to SMU.

Last February, Elena D. Hicks began her post as SMU's new dean of undergraduate admission. Hicks came to SMU from Loyola University Maryland where she was dean of admission. In July, Kenechukwu (K.C.) Mmeje began his post as SMU's vice president for student affairs. He had been assistant vice president and dean of students at Loyola University Chicago. In August, Matthew B. Myers became dean of SMU's Cox School of Business. Myers had been dean at the Farmer School of Business at Miami University of Ohio. SMU Cox's previous dean, Albert W. Niemi Jr., has transitioned to full-time teaching. Also in August, Stephanie L. Knight, a nationally recognized education leader, researcher and professor, began as dean of SMU's Annette Caldwell Simmons School of Education and Human Development. She came to SMU from the College of Education at Pennsylvania State University where she had been associate dean and professor of education.

SMU faculty honored in 2017 include Mark Chancey, professor of religious studies at SMU's Dedman College, and Adam Herring, professor of art history at Meadows School of the Arts, who each received prestigious Guggenheim Fellowships in recognition of their achievement and exceptional promise. Also, noted SMU anthropologist Caroline Brettell was inducted into the American Academy of Arts and Sciences. Brettell's research focuses on ethnicity, migration and the immigrant experience. Much of Brettell's work has focused on the Dallas-Fort Worth region as a new immigration gateway city, especially on how immigrants practice citizenship and civic engagement as they meld into existing economic, social and political structures.

Biochemistry professors Pia Vogel and John Wise in the SMU Department of Biological Sciences, and Corey Clark, deputy director of research at SMU Guildhall, are leading the SMU assault on cancer in partnership with fans of the popular best-selling video game "Minecraft." The professors expect to make progress in their quest to narrow the search for chemical compounds that improve the effectiveness of chemotherapy drugs. Wise and Vogel have tapped the high performance computing power of SMU's ManeFrame, one of the top 20 most powerful academic supercomputers in the nation. With ManeFrame, Wise and Vogel have sorted through millions of compounds that have the potential to work. Now the biochemists are taking that research to the next level — crowdsourced computing. A network of gamers can crunch massive amounts of data during routine gameplay by pairing two powerful weapons: the best of human intuition combined with the massive computing power of networked gaming machine processors.

In May, Francis S. Collins, M.D., Ph.D., the director of the National Institutes of Health who may be best known for leading the Human Genome Project (HGP), addressed SMU students during the 103rd all-University Commencement ceremony. Dr. Collins' personal research efforts led to the isolation of the genes responsible for cystic fibrosis, neurofibromatosis, Huntington's disease and Hutchinson-Gilford progeria syndrome. As NIH director, he oversees the work of the largest institutional supporter of biomedical research in the world. As an innovative evolutionary geneticist and a devout Christian, Collins has written about the integration of logic and belief including the books *The Language of God: A Scientist Presents Evidence for Belief* (2006) and *The Language of Life: DNA and the Revolution in Personalized Medicine* (2011).

SMU treasures its Methodist heritage, and we ask for your continued prayers and support.

UNITED THEOLOGICAL SEMINARY
FOR INFORMATION ONLY

"NOW TO HIM WHO BY THE POWER OF GOD AT WORK WITHIN US IS ABLE TO ACCOMPLISH ABUNDANTLY FAR MORE THAN ALL WE CAN ASK OR IMAGINE..." — Ephesians 3:20

United Theological Seminary in Dayton, Ohio, celebrated a 77% increase in new students for the fall of 2017. While 71 new students enrolled in September 2016, 126 new students enrolled in September 2017. This was made possible by increasing student aid opportunities and empowering faculty members, trustees and administrators to personally recommend candidates for a \$5,000 grant toward tuition. United experienced God's provision, trusting what God said through St. Paul: "[God] is able to accomplish abundantly far more than all we can ask or imagine" (Ephesians 3:20).

Many of the seminary's new students are current pastors who want to become more effective leaders for the Church through a Doctor of Ministry degree. United's Doctor of Ministry program has 170 students enrolled this year from 29 states, 2 non-US countries and 27 Christian denominations. The average number of doctoral students in all Association of Theological Schools (ATS) is 60 students, making United one of the largest Doctor of Ministry programs among ATS member schools.

The Doctor of Ministry program provides academic rigor, peer group support, spiritual growth and practical application. Pastors identify a need within their community and, with the support of a peer group, mentor and United faculty, they develop a model of ministry that will resolve the challenge in their congregations or communities.

Rev. Rudy Rasmus, pastor of the 9,000-member St. John's United Methodist Church in downtown Houston is a current doctoral student, who says he has been both challenged and supported in the DMin program. "The program is rigorous," Rev. Rasmus says. "It is contextual, it is intentional and the professors and staff are at the top of the form."

United also has 212 students enrolled in the Master of Divinity degree program who usually seek to serve as pastors in local congregations. 88% of entering students are ordained or seeking ordination to serve a local congregation compared to 56% in other ATS member schools.

United also provides a two-year Master of Arts in Christian Ministries degree, which many persons serving as Directors of Christian Education or other local church positions pursue.

United provides flexible course options: 90% of students take at least one course online, and courses are also available as traditional on-campus courses, week-long on-campus intensive classes and virtual courses that meet simultaneously on campus and in the cloud via webcast.

If you are interested in pursuing further seminary education, contact United's Office of Admissions at admissions@united.edu or call 800-322-5817.

Grace and Peace,
Dr. Kent Millard, President

PERKINS SCHOOL OF THEOLOGY
SOUTHERN METHODIST UNIVERSITY

Perkins celebrates our vital connections with the Rio Texas Annual Conference:

- Three (3) students affiliated with the Rio Texas Annual Conference are enrolled at Perkins, including: two Master of Divinity (M.Div.) students and one Master of Arts in Ministry (M.A.M.) student.
- The eligible 2017-18 student from the Rio Texas Annual Conference who qualified for the PACE grant endowment was awarded approximately \$15,800.
- One (1) Perkins student has been placed as an intern within the Rio Texas Annual Conference this year.

Enrollment at Perkins for the 2017-18 academic year totals 312 students, including 31 enrolled in the Ph.D. program. Fall 2017 statistics reflect the following: 59% of our entire student population are United Methodist and more than 45 percent are ethnic minority students. Master's degree programs comprise approximately 43 percent male and 57 percent female students. The D.Min. program includes students from southern Asia taking classes in Dallas.

In 2017, Dr. Craig C. Hill completed his first year as Dean and Professor of New Testament at Perkins School of Theology. Under his leadership, a number of new initiatives have been launched, including new forms of outreach to churches and church leaders, deeper and more fruitful relationships with feeder colleges, new curricular and co-curricular initiatives, a staff council, the revamping of the D.Min. and Houston-Galveston Programs, additional staffing in critical areas, increased giving, additional financial aid, new uses of technology, and a program for United Methodists seeking ordination.

From the outset, Dean Hill has traveled throughout the South Central Jurisdiction to meet with clergy, laity, bishops, cabinets, and other leaders to strengthen partnerships and to share his vision for Perkins as "an academy for the whole church in the whole world." During 2017, several bishops—with their cabinets—held meetings and retreats on the Perkins campus.

2017 HIGHLIGHTS

- Fall 2017 admissions increased by a record 42.8 percent over the previous year with an incoming class of 80 students (excluding new D.Min. and Ph.D. students).

- Two new degree concentrations— “Church Management” and “Social Innovation and Nonprofit Engagement” —were launched in fall 2017 in partnership with SMU’s Cox School of Business and Meadows School of the Arts. Available to students pursuing the Master of Divinity (M.Div.) and Master of Arts in Ministry (M.A.M.) degrees, these unique concentrations are designed to strengthen future clergy in the area of church management and to equip those pursuing nontraditional forms of ministry that encourage social innovation.
- Current-use giving to Perkins increased 14% over 2016, making funds available to Dean Hill for immediate needs.
- Dr. Isabel Docampo, associate director of the Perkins Intern Program and professor of Supervised Ministry since 1997, was named director of the Center for the Study of Latino/a Christianity and Religions, effective June 1. In Fall 2017, Dr. Docampo ushered in the first cohort of eight students (from Brazil, Venezuela, Argentina, Puerto Rico, Peru, Chile, Cuba and Mexico, serving in the U.S. or in their home countries) in Perkins’ new *Spanish-language* Master of Theology degree program—the only one of its kind offered by a United Methodist School of Theology. Funding for the students is part of a three-year, \$500,000 grant made to the Center by The Henry Luce Foundation’s Theology program.
- Tracy Anne Allred was named to the new position of Assistant Dean of Student Life and Director of Community Engagement effective June 1. Key areas of responsibility include implementing plans for the nurturing of community life at Perkins for students, faculty, and staff, serving as liaison to the newly formed Perkins Staff Council, and developing connections with a wide range of creative ministries in the North Texas and Houston-Galveston areas.
- Rev. Dr. Margot Perez-Greene, a higher-education professional with more than 20 years of administrative experience, was appointed Associate Dean for Enrollment Management effective July 1. A 2011 M.Div. graduate of Perkins School of Theology, she is an ordained Elder in the Rio Texas Annual Conference. Dr. Perez-Greene earned a B.A. degree from St. Edwards University, an M.A. degree from Arizona State University, and the Ph.D. degree in Educational Administration from The University of Texas at Austin. In this new role, she is responsible for crafting a vision for Perkins’ recruitment and admissions strategies, identifying and reaching out to prospective students for the school’s masters’ and doctoral degrees. Additionally, she leads a staff responsible for all phases of recruitment, retention and financial aid as well as cultivating relationships with key ordained and lay church leaders to assist those called to ministry through the admissions process.
- A new scholarship program geared toward attracting outstanding Master of Divinity students was launched in 2017. The first 10 *Perkins Scholars*, each of whom received a three-year scholarship commitment, were named for the 2017-18 academic year. A total goal of \$630,000 in funding will provide for an anticipated 10 additional scholarships for fall 2018 and another 10 for the fall 2019. When the program is fully operational there will be 30 *Perkins Scholars* in the student body. Combined with additional financial aid, this program provides nearly full scholarships for these highly skilled servant leaders.
- The Fall 2017 Convocation, which drew record crowds of clergy, laity and prospective students to the SMU campus Nov. 13-14, featured bestselling author Anne Lamott, Rev. Dr. Amos Yong, professor of theology and mission and the director of the Center for Missiological Research at Fuller Theological Seminary in Pasadena, California, and noted biblical scholar Rev. Dr. N.T. Wright, a professor of New Testament and early Christianity at the University of St. Andrews in Fife, Scotland.
- A new curriculum was adopted for fall 2018 by the SMU Board of Trustees in December for the Perkins Doctor of Ministry (D.Min.) degree program. The new curriculum, under the direction of program director Dr. Carlos Cardoza-Orlandi, includes a 30-hour graduation requirement; degree completion in three years; intensive peer group interaction and learning; and concentrations in Vocational Director, Organizational Leadership, and Community Building.
- In an effort to deepen relationships between Perkins and undergraduate college and universities, new partnerships in the form of Memoranda of Understanding (MOUs) have been launched in 2017-18. Formal agreements have been signed with historically United Methodist institutions including Centenary College in Shreveport, Louisiana; Southwestern University in Georgetown, Texas; McMurry University in Abilene, Texas; Hendrix College in Conway, Arkansas; and Presbyterian-related Austin College in Sherman, Texas (with more pending at the time of this writing). These MOUs establish a preferred pathway for graduates of the institutions interested in pursuing ministerial vocations at the graduate level, granting preferred consideration and early acceptance to Perkins School of Theology for students pursuing ministerial vocations. The agreement also states that the undergraduate institutions and Perkins will encourage new opportunities for future cooperation.
- Two Perkins alumni are enrolled in the DTM (Diploma in Theology for Ministry) at Wesley House, Cambridge—a member institution of the Cambridge (UK) University Theological Federation—as part of a new partnership between Perkins and Wesley House. The students participating in the nine-month program, which integrates academic study with a focus on pastoral ministry, are part of an international cohort.

- Dr. C. Michael Hawn, University Distinguished Professor of Church Music and director of the Sacred Music and Doctor of Pastoral Music (D.P.M.) programs at Perkins School of Theology, Southern Methodist University, retired from full-time teaching in 2017 after 25 years on the SMU faculty. Dr. Hawn continues to administer and teach in the (D.P.M.) program.
- In 2017, SMU launched a three-year current-use giving campaign called *Pony Power*, with a goal of raising \$150 million over three years for the University in current-use giving. The University's goal for 2017-18 is \$45 million. Perkins' goal for this fiscal year, which ends May 31, 2018, is \$2.8 million. Perkins donors are asked to consider making a three-year pledge to a current-use project at Perkins. The areas of greatest need are 1.) the SMU Fund for Perkins, which is used by Dean Hill at his discretion, and 2.) Perkins student financial aid.

Perkins School of Theology is committed to those *called to serve* so that they might be *empowered to lead*. We thank our many colleagues, friends and alumni/ae across the connection for generous their support, including referrals of prospective students, as we continue our vital mission of preparing women and men for faithful leadership in Christian ministry.

Grace and peace,
Craig C. Hill, Dean and Professor of New Testament

AFRICA UNIVERSITY REPORT 2018 RIO TEXAS ANNUAL CONFERENCE FOR INFORMATION ONLY

Africa University is deeply thankful to the congregations of the Rio Texas Conference for strengthening their support and investing in the Africa University Fund (AUF) apportionment at 94.21 percent in 2017. Thank you, Rio Texas United Methodists, for your continuing generosity and faithfulness to this ministry.

Africa University enjoyed a banner year in 2017, thanks to United Methodists in the Rio Texas Conference and throughout the connection who organized celebration events to mark the university's 25th anniversary. These efforts brought Africa University's impact to the forefront and encouraged congregations to reaffirm their commitment to the institution's mission of nurturing global leaders.

Institutional Update:

- Africa University hosts a vibrant campus community of 1,417 full-time students as well as faculty and staff from 31 nations. Another 392 students are studying part-time. Amidst a transition in the governance of Zimbabwe, teaching and learning activities at Africa University have continued uninterrupted.
- A leaner, more-streamlined academic structure, which includes the new Institute of Theology and Religious Studies, is encouraging innovation and enhancing Africa University's relevance to The United Methodist Church and to sub-Saharan Africa.

- Africa University is making trailblazing, regional contributions in migrant and refugee protection, in child rights, and in Africa's efforts to eradicate malaria and other insect-borne diseases.
- More than 8,000 graduates are engaged in efforts to make disciples, minister to the poor, improve public health, and better the quality of life in communities across Africa. Among them is the Rev. Jean Ntahoturi (*MTS-2005 and MBA-2006*), elected legal representative of The United Methodist Church in Burundi in May 2017, and credited with leading a divided church to unity after more than a decade of contentious relations.
- By 2020, a business incubation hub that was launched at Africa University in 2017 is expected to be delivering commercially-viable products and services that have been developed in partnership with African innovators and investors.

As Africa University embraces emerging opportunities for service and impact within and beyond the church in Africa, the ongoing support of the Rio Texas Conference is of vital importance. Please keep Africa University in your prayers. As you and your fellow congregants take stock of your impact in ministry, remember the young people who are being equipped at Africa University. On June 9th, Africa University will add more than 600 new graduates to the ranks of its alumni. Your graciousness is their miracle and they give thanks to God for you.

Thank you, Rio Texas Conference, for your foundational role in the Africa University story. Thank you for being a part of 25 incredible years of bringing this dream to life. You are building a global legacy as you invest and journey in ministry with Africa University. May God bless and keep you always in an abundance of grace and mercy.

HIGHER EDUCATION & CAMPUS MINISTRY REPORT 2018 FOR INFORMATION ONLY

Campus Ministries

The Rio Texas Conference works with nine campus ministries serving 12 campuses which include the following: St. Philip's College, Huston-Tillotson University, San Antonio College, UT-San Antonio, Trinity University, Victoria, Texas State University, UT-Rio Grande Valley, South Texas College, Angelo State University, Texas Lutheran University and UT-Austin.

During the 2016-2017 school year, campus ministries report engaging with hundreds of students on these campuses. Our campus ministries led Bible Study groups that met throughout the year. UM Campus ministries saw students making professions of faith and responding to the call of ordained ministry. Many students were involved in missions and outreach that included projects such as College UM ARMY, Jordon House (Home for mentally impaired persons), cleaning yards for persons with AIDS (Austin Care Communities), painting homes for the elderly, Save our Schools, Sacred Heart Respite Center, flood relief projects, international mission trips and more. In addition to these forms of outreach, campus ministry students engaged with many local churches.

Campus ministers reported various ministry highlights during the year:

"Hot Potato Issues" that brings higher caliber speakers, relevant topics, and steadily increasing student attendance; campus ministry rapport with institution continues to blossom with more invitations for prayers and invocations for campus events; bringing in students who either have had a bad or no relationship with church; learning many new and different ways to be spiritual (experiential worship, Church around the table, Godly Play etc); creating a Christian community which proclaims the Good News and is committed to helping Latinos complete their higher educational goals; outreach work with refugees and immigrants; increasing freshman involvement and effectiveness in ministry to them; continuing growth of our discipleship program in depth, effectiveness and numbers involved.

Our campus ministers are engaging students on our campuses in a variety of ways, through creative and effective means. Our investment in these ministries results in lives being changed—students, faculty, and communities...here in Texas and around the world. Through these ministries, campus ministers continue to make disciples, guide disciples in spiritual growth, and provide future servants and ministers with their first or formative opportunities of service and leadership. Our oversight area continues to encourage our campus ministers and ministries to pursue and develop close relationships/partnerships with local churches and districts in order to develop truly connectional ministries, and we ask our local churches and districts to look for ways to connect with campus ministries in order to extend their own reach of faith in the world.

Scholarships

The Rio Texas Scholarship Committee had the pleasure of reading through 15 well-qualified applicants for the 4 scholarships available through the generosity of the Craven-Wilson and Albert & Nancy Wilson Scholarship Funds. The Awards were presented at annual conference to our deserving recipients. Congratulatory letters were sent, counselors notified, and denials informed of decisions pertaining to their applications. We continue to be grateful for the work of the Scholarship Committee (Ruby Miller, Javier Leyva and Linda Keen) who have served tirelessly, for many years, in the pursuit of selecting the most qualified applicants for the awards. Award recipient photos continue to be posted on the Rio Texas Conference website.

The application deadline for scholarships is April 1. We encourage churches to promote the opportunity well-in-advance so that applicants can get a head start in their planning to submit the best possible application without having to rush at the tail-end of the invitation. We cannot emphasize enough that the applicant pools are strong and competitive. We are so proud of the personal statements and significant involvement of our applicants and hope that our churches will market this opportunity throughout the year.

Please visit this website for more information concerning scholarship opportunities:

BOARD OF ORDAINED MINISTRY
CHAIRPERSON'S REPORT
FOR INFORMATION ONLY

Bishop Schnase, cabinet, members of the Annual Conference; greetings in the strong name of Jesus Christ. This has been a good year for the Board of Ordained Ministry. It is truly a blessing and an honor to get to serve the annual conference through the work of calling, equipping, and affirming those whom God has led into ordained ministry in The United Methodist Church.

As I look back over the past ministry year I think about many conversations that we as a group have had to help lead and organize the clergy life of the conference. We have continued to focus on sharpening our work of helping people discern their calling to vocational ministry and our work of assessing readiness and fruitfulness for those entering ordained ministry. We have also had conversations around ongoing formation and accountability and we are beginning our work toward the new eight-year assessment outlined in the 2016 Book of Discipline. This has been a year with an eye toward the future.

I would like to thank the members of the Board of Ordained Ministry for their dedication, time and focus on our work. It is not easy work and our board represents Christ and His church with grace and strength.

This year we are proud to present the following candidates for commissioning as Provisional Elders and Deacons:

- Provisional Elders: Forrest Macon Deviney, Janet Kay Larson-Hahn, Reese Alexandra Henry III, Michele Marie Lott and Susan Kay Rang
- Provisional Deacons: Lori Michelle Balensiefen and Clayton Neal Smallwood

Rev. Adam Knight, Chairperson

OFFICE OF CONNECTIONAL MINISTRIES
FOR INFORMATION ONLY

The Office of Connectional Ministries is a 2017 addition to the Rio Texas Conference. It has been an exciting first year serving as Director of this office - listening, discerning, relationship building, learning and strategic planning, including small-scale to large-scale events impacting our clergy, laity, and ultimately the local congregations and mission field. In August 2017, I traveled with newly appointed District Superintendents to Lake Junaluska where we participated in combined training for those new to these roles. In this training, we learned how our respective offices can work together for accomplishing the mission of the United Methodist Church (To make Disciples for Jesus Christ for the Transformation of the World). For instance, whereas the Superintendent's primary role is "Chief Missional Strategist," the DCM (Director of Connectional Ministries) is the "Steward of the Vision." What this means for our Annual Conference - working together, these roles are change agents for missional renewal through cultivating vital ministries.

From this training, I also learned each Annual Conference and Bishop utilizes the office of Connectional Ministries in a variety of ways. For the Rio Texas Conference, this Office has primary responsibility and oversight of the following: The Annual Conference Meeting, The Clergy Convocation, Nominations, Uniting Table, Uniting People's Vision Team as well as Administrative Oversight of the Mission Vitality Center (MVC).

Annual Conference (AC) Meeting- the Connectional Ministries Office is grateful to the many gifted conference staff, clergy and laity that devote a tremendous amount of time and energy to planning this event. Throughout the planning season both the AC Design Team and Structural Planning team meet on a regular basis to ensure the core values of Christlikeness, Fruitfulness, Excellence, Accountability and Collaboration are lived out in every facet of this primarily teaching/fellowship conference.

Clergy Convocation – The 2018 Clergy Convocation was planned by a team of talented clergy and laity, with the goal of providing an excellent opportunity for learning, worship and fellowship. Excellently hosted by University UMC San Antonio, this year's 24-hour event was meaningfully spent. Attendees left the Convocation feeling both encouraged and challenged to thrive regardless of the unknown or challenging times ahead. Highlights of this year included guest speaker Bishop Janice Huie (TMF) and guest Preacher Rev. Olu Brown –Impact Church, Atlanta, Georgia, and Bishop Robert Schnase's teaching hour which included updates on the work of the Commission on the Way Forward. New this year was an opportunity to purchase books related to the Convocation theme of "Resilience in Challenging Times" by a visit to the on-site Cokesbury store. Another new addition to Convocation was a Wellness Center focused on body, mind and spirit. Along with valuable educational material, by far the highlight of the Wellness Center was the chair massages offered at no cost to attendees.

Nominations –As we look towards the next Quadrennium, we are developing a new and improved nominations process that will enable the Conference to have every role filled with "diverse, qualified and called leaders"— matching gifts, passion and commitment, with the opportunity to lead.

Uniting Table – As you will learn in the Pre-Conference Uniting Table (UT) Report, the UT is in a process of discernment to address and clarify adaptive challenges, and discern what a new operating structure might look like for this governing body as the Rio Texas Conference continues to grow and adapt to a new conference structure.

Uniting People's Vision Team – "The Uniting People's Vision Team's function is to facilitate unity, witness, communication and justice, and to work toward intercultural competency in all areas of conference life." (Unification Plan) Under the oversight of the Office of Connectional Ministries, and similar to Uniting Table, the Uniting People's Vision Team is in a period of restructuring as it considers how this team can best align itself with the conference's renewed vision and mission as the teams seeks to clarify adaptive challenges, help unite peoples and best work with the district strategy teams to develop, resource, communicate, support and offer witness in all areas of conference life.

Administrative Oversight of the Mission Vitality Center (MVC) - As we continue to live into our new conference structure, responsibilities and functions continue to evolve. Recently the Office of Connectional Ministries has assumed administrative oversight for the MVC- includes day-to-day administrative duties, supervision/evaluation of MVC Directors and support staff.

In closing, as mentioned earlier in this report, in collaboration with the District Superintendents and the Districts in which they serve, and the MVC, the Office of Connectional Ministries will continue to be fruitful in its ministry—to steward the Conference's vision of reaching the mission fields in intentional, fresh new ways and to do its part, in ensuring excellence in both clergy and laity. It is truly exciting and humbling to see and experience all that God is doing in and through the Office of Connectional Ministries! It is my privilege to serve the Rio Texas Conference.

UNITING TABLE FOR INFORMATION ONLY

In many avenues we are reminded that the mission of the United Methodist church is *The Making of Disciples of Jesus Christ for the transformation of the World*. We sometimes wonder “what does transformation look like?” Beginning in the twelfth chapter of Romans, Paul talks about what a transformed life looks like and what it means to live righteous and holy lives. He ends his teaching with a semi benediction in 15:13 “May the God of hope fill you with all joy and peace in faith so that you overflow with hope by the power of the Holy Spirit.” It is the job of the Uniting Table to empower the Rio Texas Conference to overflow with hope.

In September of 2017 some conference leaders gathered with John Thornberg from Texas Methodist Foundation to facilitate a conversation about where we are in the unification of the conference structure. We gathered with two desired outcomes: (1) to clarify our adaptive questions and (2) to name next steps as we move forward, while holding true to unification principles. Our conversation was honest and transparent and very encouraging. We did address the issue of where we, as an Annual Conference, saw ourselves on a continuum between having struggling churches and clergy on one end and having a faithful and effective conference on the other end. We realized that we are still dealing with problems and conditions (Gil Rendle). A problem can be addressed through using available resources, a condition requires learning. The more anxious our system becomes, the more likely one would call a condition a problem. In reality, in order to lead our Annual Conference to overflow with hope, we need to address our conditions with learnings. In other words, as we continue to move into our new conference structure, there is no magic fix for any perceived problems – we have some adaptive challenges that require learnings. The Uniting Table is still in the process of creating a culture of learning and finding ways to appreciate our new conference.

So, as we are learning, we are also doing some wonderful ministry with hurricane recovery and disaster training, safety policies, spiritual formation, project transformation, new worship avenues, and a plethora of mission opportunities. We see pockets of innovative and wonderful ministries that touch people’s hearts and lives and are truly making a difference for the kingdom. The Uniting Table desires to be a permission granting board that holds the vision of the Annual Conference in front of us at all times. May we overflow with hope in everything we do. We are being transformed.

In Christ,
Rev. Dr. Ralph D. Mann, Uniting Table Chair

RIO TEXAS MISSION VITALITY CENTER DIRECTORS’ REPORT FOR INFORMATION ONLY

What a joy this last year has been to work with so many congregations, pastors and laity who love Jesus, the church and their community/mission field. At this time last year, Bishop Schnase was putting into place a new configuration of staff at the Conference Center with new responsibilities so that congregations can become more fruitful and Christ can be made known more and more. With Rev. Diana Phillips as the Director of Connectional Ministries, she took over many of the responsibilities of what was once the Mission Vitality Center Executive Director’s role like Clergy Convocation, the planning of Annual Conference, the Uniting Table and so much more (see her report below). With the retirement of Rev. Bob Allen and Rev. Dr. Marcus Freeman becoming the Crossroads District Superintendent, my office took on New Church Development, some of the Clergy Leadership Development, Church Revitalization, Campus / College Ministry, and Lay Development.

With the focus on fruitfulness both in congregational vitality and clergy excellence, I had the joy of walking and working with many congregational leaders and pastors. I was able to teach at many of the District Profession’s meetings, District Leadership workshops for laity, as well as help District Strategy teams think about how they could help encourage, teach, and lead congregations to be bold in reaching out into the community they serve. Here is some of what was taught and shared.

New Church Development: Things are changing, and we need to look beyond the “traditional” ways of reaching new people for Christ. While traditional church starts and multi-site / satellite church plants are still very important (and we need more of them), they are also expensive and clergy centric as they start. We have begun teaching and dreaming about newer, more organic and less cost prohibitive ways to connect with those not attending local congregations like Fresh Expressions, Worship Focused, and Intentional Communities, but also leaving room for newer, not-yet-known ways we can join God in creative ways of reaching people. I pray our conference can begin to imagine how to risk and experiment more with these new ways...and see all the ways God is moving and join God in loving God’s people. It has also been fun to learn about and encourage so many traditionally Anglo churches who have or are starting Hispanic services. At last count, there are more than a dozen churches who have started bi-

lingual or all Spanish speaking services in the last 5 years. Many are seeking seed money via grants to start new ministries, and I pray more will be brave and step out in ways they never have before.

We started the conference year with 10 “un-charted” church starts (one multi-site, six traditional new church starts, two missional churches, and one intentional incarnational community). One was closed in March, one had a great re-launch in Dec., we hope at least two will charter by the end of 2018...others are still in flux.

Leadership Development: 128 lay and clergy attended Leadership Institute at Church of the Resurrection in KS. 128! That is almost 3x more than have ever attended. What a joy to travel and learn with so many. And then 3 months after the conference, there are new conversations, new ways of doing ministry, new outreach and systems of hospitality already happening. There have also been three clergy reading groups (approximately 45 clergy) who have studied one of the books: *Fresh Expressions*, *The Art of Neighboring*, and *Leadership Directions from Moses*. I pray that before annual conference begins, at least one or two more groups will be reading either *Floodgates* or *Canoeing the Mountains* with other clergy and their church leadership teams. But please don't wait for me to organize a group! Gather your colleagues and key lay people to read and pray and step in new directions cheering each other on while holding each other accountable for more than just learning. Finally we sent 10 clergy (7 of which were pastors from smaller Latino/Hispanic churches) to a Church Multiplication Network training put on by the Assembly of God Church in March. The AoG church has done a good job of reaching first and second generation Latino / Hispanic community. I can't wait to see how God will use this training to help us be more effective in reaching our growing Latino/Hispanic mission field.

Revitalization: While the number of churches signing up for HCI has slowed down a bit, many churches are still seeking ways to be more vital. Some have sought to have mystery guests visit to learn how they are perceived by first time guests, others have begun working with The Un-stuck Group to learn new ways, and others are still working on the Ministry Action Plan set forth by the Healthy Church Initiative. At the same time, it has been amazing to walk with churches that are realizing that they are nearing the end of their church's life-cycle and are beginning to think about the legacy they might leave the future. All of this is new life...

College / Campus Ministry: Campus Ministry is still going strong under the leadership of Jon Herrin and Margot Perez-Greene. 11 campuses in our conference have a United Methodist presence thanks to the men and women called to reach out to young adults. Starting in April (as this is being written), we have begun to collect monthly data and stories of how Christ is reaching and impacting the men and women on these campuses. I can't wait to share the stories as we learn more. Please pray for and support these college students at your local church!

TRANSFORMING COMMUNITIES VISION TEAM / OUTREACH VITALITY FOR INFORMATION ONLY

The Transforming Communities Vision Team established by the new Rio Texas Conference continues to engage in transformative work for church and community. Since its establishment, the team has participated in various meetings, retreats and workshops focused on developing and supporting transformational change initiatives. The team works closely with the office of Outreach Vitality.

Programmatic areas of focus include: Hurricane Harvey Disaster Recovery, Disaster Response & Volunteers-In-Mission, Immigration Response Team / Justice For Our Neighbors, Conference Special Offerings, and Peace with Justice / Texas Impact. The team is divided into four work teams that include: Education, Training and Support, Communications, Models of Ministry, and Racial/Ethnic Concerns.

Other new initiatives include racial/ethnic ministries and concerns. Two team members participated in the UMC Native American assemblies for the purpose of gaining understanding and awareness of Native American Ministries. The Rio Texas Conference encompasses many communities in south Texas having recognizable Native American presence. The team is exploring ways to connect with these communities.

Another area of focus is Hispanic/Latino ministries. These ministries are a vital component of the new Rio Texas Conference. More work and focus is needed to develop and strengthen these ministries to bring the Gospel to new people and new places. During the team's 2018 spring retreat, Hispanic/Latino pastors were invited to share their experiences in doing ministry. Many shared their joy and accomplishments in serving the Hispanic/Latino community. Many also shared their challenges and difficulties in doing ministry with limited resources and support. The area of ministry needs be a conscience and intentional priority for the new Rio Texas Annual Conference. The unification of the Rio Grande and Southwest Texas conferences was established to more efficiently utilize the resources of the UMC for ministering to the communities of south Texas. Hispanic/Latino ministry is a key strategy for this goal and vision.

Additional reports provided in this pre-conference journal are specifically related to portfolio of the Conference Secretary of Global Ministries as part of the work of the Transforming Communities Vision Team. During the 2017 –

2018 annual conference year, the office of Outreach Vitality with the Transforming Communities Vision Team continues to nurture the ongoing developments of the following work:

Disaster Response

Hurricane Harvey dominated the work in Disaster Response Ministry during the past year but the Disaster Response Committee has taken steps to assure that other work of the Ministry continues. They are committed to continue their work in training, church relations and warehouse operations and, most importantly, to be prepared to respond effectively when the next disaster occurs in the Conference. Prior to Harvey, Case Management projects related to the Spring 2015 floods were completed in Caldwell, Nueces and Jim Wells Counties and funds were set aside to assist the Blanco River Regional Recovery Team with unmet needs and for a construction assistant. When Harvey impacted fourteen counties in the Conference in late August 2017, it set off a response effort far larger and more complex than had been undertaken within recent memory.

Initial response to Harvey came in the form of mobilizing, deploying, and receiving Early Response Teams through immediate church and community responses in the Coastal Bend district— Aransas Pass, Rockport, Port Aransas, Ingleside, Refugio, and the Crossroads district – Victoria, Bloomington, Port Lavaca, Seadrift, Columbus, and La Grange. Rio Texas local church offerings, gifts from other congregations, conferences, foundations, and United Methodist Committee on Relief [UMCOR] funding, have supported the immediate and early response and will continue to do so for long-term recovery. Under the direction of Vicki McCuiston, Disaster Recovery Asset Manager, and Nikki Leaverton, Disaster Recovery Director, these funds are providing quality case management to survivors, home construction rebuild coordination and supervision, volunteer coordination and placement, the purchase of rebuild materials to partner with volunteer labor, and the organizational support to lead this projected 3-year recovery response – all making this work new and unprecedented for the Rio Texas Conference at this scale and scope.

Due to the unprecedented nature of the Harvey disaster, the Conference Disaster Response committee launched a stand-alone website that contains information on training; areas of disaster recovery focus; how to send ERT and VIM teams; and housing info, forms and fees and more. Please share this website with your mission teams and congregation – www.riotexasresponse.org. This website although created in response to Hurricane Harvey will be a tool used in responding and preparing for future disasters.

The Conference Disaster Response Committee has implemented multiple Early Response Team [ERT] training opportunities and encourages all churches to be active in conversations about preparation for disaster recovery, identifying leaders to be trained, and mobilizing support to be called when disaster strikes. 102 ERT (47 RTC) teams and 200+ individual ERT's responded to Hurricane Harvey needs as of March 1, 2018.

The Conference Volunteers-In-Mission Committee has also been actively training VIM leaders to assist in leading long-term recovery and rebuilding mission teams to the Coastal Bend and Crossroads districts. VIM teams began arriving the day after Christmas to begin rebuilding work identified through the case management offices. 24 (5 RTC) teams – 300+ volunteers have responded to rebuilding projects December 26, 2017 – March 1, 2018.

The case management offices located at FUMC Aransas Pass and FUMC Victoria have 13 case managers and 2 case management supervisors. An average case load is 30 cases per case manager at any given time. The case managers are responding to walk-ins, referrals, and information provided by FEMA. There is the potential for the Rio Texas case management staff to participate in a federally funded disaster case management program (DCMP) under the umbrella of National VOAD and UMCOR for the first time. This program is anticipated to be implemented in May.

One of the key components to disaster recovery is volunteer labor. One of the challenges of volunteer labor is housing in a disaster impacted community. FUMC Victoria and FUMC Sinton answered the call to host volunteers for up to two years and with support from the Rio Texas Conference and other partners have been equipped with bunk beds and mattresses, shower trailers, and access to commercial kitchens. Cathedral Oaks and FUMC La Grange have also stepped forward to provide limited housing support for the La Grange and Columbus areas. All housing of volunteers is coordinated through the www.riotexasresponse.org website.

The Rio Texas Conference is actively scheduling recovery and rebuilding teams into the Crossroads and Coastal Bend districts and anticipate needing your support with mission teams for at least the next two to three years. Please learn more at www.riotexasresponse.org, and begin preparing your team for deployment to our mission fields recovering from Hurricane Harvey. Your brothers and sisters right here in the Rio Texas Conference need your help.

Volunteers-In-Mission [VIM] Organizational Development

The Conference VIM Committee is now functioning and active. Frank Rojas serves as Conference VIM Coordinator and six of seven districts have VIM Coordinators on board. Since August 2017, VIM Leader Trainings within various districts have been conducted with more to come. Trainings are the means of activating constant and consistent organization of VIM Teams for service in the mission field, particularly in long-term development response to

Hurricane Harvey. As District VIM Coordinators engage in networking local church missions and outreach coordinators to share best practices, ideally, a conference-wide database will emerge reflecting the various types of outreach and mission projects within our local churches and communities served. The conference 2017 statistical report reflects that 1,514 persons comprising 182 teams participated in various United Methodist Volunteer-In-Mission projects. Conference-wide, 41,968 persons participated in 5,721 various local church community ministries for outreach, justice, and mercy which served 629,224 persons. Of the 5,721 stated ministries, conference-wide, 1,723 of these ministries focused on global / regional health and 3,769 focused on engaging in ministry with the poor / socially marginalized.

Transformational Communities of Praxis

Through funding support from Methodist Healthcare Ministries, a new and exciting initiative that was launched in May 2017 known as Transformational Communities of Praxis. This is a community and congregational training program that teaches new methods and approaches for mission outreach community development and personal growth. Its overall focus is build Shalom in our communities and churches. Four church / community teams meet for three major training sessions throughout the year. Praxis teams are provided with funds to leverage accessing nationwide events to hear outreach and community development best practice ministries and networks. Particular methods taught in the training include: asset-based community development, Misseo Dei theology, building Shalom and facilitative leadership. Four participating churches in 2017 included: First UMC / Mission Border Hope – Eagle Pass, First UMC / Hope Outreach Center – Brackettville, Pollard Memorial UMC – San Antonio, and Parker Lane UMC – Austin. Four participating churches in 2018 include: First UMC - Poteet, University UMC – San Antonio, El Valle District Ministry Center Team, and First UMC - Portland. Through this program, a network of community development ministries will emerge to serve as reference points and teaching centers of spiritual transformation within the church and community.

Immigration Response and Border Ministries

During 2017, various leaders involved in immigration response and advocacy ministries occurring within the conference gathered online for conversation. Informally, the conversation emerged as the Rio Texas Conference Immigration Response Team. This network came together initially to coordinate humanitarian and spiritual responses and support to recent arrival waves of refugees and to Cubans stranded in Nuevo Laredo. While still in an infancy phase, the Immigration Response Team has great potential in convening and mobilizing immigration response and border ministry strategies - reflecting relief and development responses, advocacy, and education – for immigrant communities served and the church itself. This is ever-critical as the Rio Texas Conference, which straddles the U.S – Mexico border, reflects a pinch-point for the rest of the country. This is accentuated by the relationships fostered through the long-time established Methodist Border Friendship Commission, where the Methodism in two countries transcend the border that separates them. A foundational teaching partner and practitioner for this network is Justice for Our Neighbors.

Justice for Our Neighbors [JFON] is a hospitality ministry that welcomes immigrants by providing free or low-cost, expert immigration legal services to low-income immigrants, refugees and asylum seekers and engages in advocacy for immigrant justice while offering education to communities of faith and to the public. The San Antonio and Austin Region JFONs continue to grow through the delivery of monthly immigration clinics, offering Know Your Rights workshops, and immigration legal representation. Types of cases addressed are work authorization, family unification, escaping violence, citizenship, asylum, unaccompanied minor, DACA, and advice / counsel. Countries reflected by the clients served are Mexico, El Salvador, Cuba, Ecuador, Bolivia, Chile, Guatemala, Honduras, Nigeria, Liberia, Saudi Arabia, Iran, Cameroon, Syria, Kenya, India, Burundi, Ghana, Sierra Leone, and the United States.

During the course of 2017, both offices addressed 437 cases and carry caseloads of 130 cases collectively. The Texas Methodist Foundation serves as convener of five JFON ministries within Texas to coordinate their shared common work towards being funded as a network. In September, the Rio Texas Conference JFONs will host the National JFON Roundtable at Travis Park UMC – San Antonio. The Roundtable is an annual meeting where board members and staff attorneys gather to gain insights and updates on the ebbs and flows of immigration law, global migration realities, and best practices in board development and organizational expansion.

Beyond the conference, the Immigration Response Team stays connected with national work through the Council of Bishops / General Board of Church and Society's – Immigration Task Force. Through UMC Connectional Table funding, each jurisdiction is forming an Immigration Task Force to foster connectional strategies amongst conference at a jurisdictional level. Deaconess Cindy Johnson of Brownsville and Rev. Cesar Duran of Laredo will represent the Rio Texas Conference in this work. As submitted in this Pre-Conference Journal Report, a resolution seeking conference action - Welcoming the Migrant in our Midst is proposed by the Transforming Communities Vision Team and Rio Texas Conference Methodist Federation for Social Action.

Conclusion

- The Transforming Communities Vision Team continues to engage in transforming work for church and community, with focus on developing and supporting transformational change initiatives.
- Disaster recovery and rebuild response to Hurricane Harvey is unprecedented for the conference. Direct engagement in the rebuild process in the years to come brings transformational those impacted and those directly engaged in the rebuild work.
- The ministry of Volunteers-In-Mission is now fully activated with the potential to generate organizational mobilization to respond to the rebuild needs of Hurricane Harvey and partner in the long-term development relationships with communities in our midst and abroad.
- The Transformational Communities of Praxis initiative provides us with tools to enhance current ministries connecting with communities, moving them from a charity-relief emphasis to that based on embracing the resources derived through relationships discovered in communities leading to long-term sustainable change.
- Our immigration response and border ministries provide opportunity and responsibility to welcome the sojourner through hospitality, advocacy for immigrant justice while offering education to communities of faith and to the public. A resolution seeking conference action - Welcoming the Migrant in our Midst is proposed by the Transforming Communities Vision Team and Rio Texas Conference Methodist Federation for Social Action.

**WELCOMING THE MIGRANT IN OUR MIDST RESOLUTION
FOR CONFERENCE ACTION**

Whereas. The state of Texas is made up of many migrants who have migrated to our state seeking safety, security and prosperity; and

Whereas, migrants and refugees sit in the pews and are behind the pulpits of Texas's United Methodist Churches, provide skillful labor that is essential to the growth of our cities, provide much of the agricultural labor for produce and other goods that sustain us, offer retail and hospitality services in each of our communities; and

Whereas, we know so well that we have benefitted by their leadership. They have added to our witness for Christ as we have all dedicated ourselves to the church's mission of making disciple of Jesus Christ for the transformation of the world; and

Whereas, the writer of Leviticus commands the love of the immigrant, who "shall be to you as the citizen among you." (Leviticus 19:33-34); and

Whereas, early in Jesus' life, he was a refugee to Africa fleeing persecution and violence in his homeland (Matthew 2:13-15), and he told us that nations would be judged on the basis of the way they fed the hungry, clothed the naked and cared for prisoners (Matthew 25:31-46); and

Therefore be it resolved that the Rio Texas Conference of The United Methodist Church, as followers of Jesus, commit ourselves to work to eliminate racism and violence directed toward migrant and refugees from all parts of the world;

Be it further resolved that the Rio Texas Conference of The United Methodist Church, as followers of Jesus, express our opposition to any immigration policy that excludes refugees solely on the basis on their religion or national origin;

Be it further resolved that we celebrate the work of Hispanic / Latino ministries of and the Immigration Response Team of the Transforming Communities Vision Team of the Rio Texas Conference to help provide guidance to churches seeking to be in ministry to migrants in Texas;

Be it further resolved that, to that end, the Rio Texas Conference of The United Methodist Church encourage all churches to educate and equip its members to provide hospitality, protection and welcome to migrants and refugees in their communities (see the Resolution approved by General Conference "Welcoming the Migrant to the United States" <http://www.umc.org/what-we-believe/welcoming-the-migrant-to-the-us>); and to take further actions and to advocace for just policies through prayer and discernment;

Be it further resolved that the Rio Texas Conference of The United Methodist Church calls upon each church to engage and educate its members by participating in events sponsored by the Rio Texas Immigration Response Team of the Transforming Commuites Vision Team and The General Board of Church and Society;

Be it further resolved that the Rio Texas Conference of The United Methodist Church calls upon our political leaders and policymakers to assure our laws affirm the worth, dignity, inherent values and rights of migrants.

Resolution affirmed by the Transforming Communities Vision Team on February 13, 2018 as proposed by the Transforming Communities Vision Team and Rio Texas Conference Methodist Federation for Social Action.

- paid 100% of their apportionments
- contributed toward UMCOR Sunday (formerly called One Great Hour of Sharing)
- contributed in each of the following five mission categories
 - one Rio Texas district or conference Advance project
 - one national Advance project somewhere else in the U.S.

RIO TEXAS CONFERENCE UMCOR GIVING 2017
FOR INFORMATION

When disaster strikes, UMCOR is there. And when people need long-term assistance, UMCOR is STILL there.

The United Methodist Committee on Relief (UMCOR) is the humanitarian relief and development arm of the United Methodist Church. It is a nonprofit 501(c)(3) organization operated under the auspices of the General Board of Global Ministries.

Under its original name – the Methodist Committee on Overseas Relief (MCOR) – the organization was founded in 1940 by Bishop Herbert Welch in response to displaced and vulnerable populations after World War II. In his address at the General Conference that year, Bishop Welch stated that MCOR would serve as a “...voice of conscience among Methodists to act in the relief of human suffering without distinction of race, color, or creed.” This mandate remains true to this day. The organization’s name was legally changed to the United Methodist Committee on Relief (UMCOR) at the 1972 General Conference.

We United Methodists in the Rio Texas Conference respond generously to “...relieve human suffering...” whenever we’re given the opportunity. In 2017, we contributed the following to UMCOR

Disaster Response, United States	\$245,751.44
Undesignated – UMCOR	\$118,721.14
Disaster Response, International	\$ 11,404.00
Other UMCOR projects	<u>\$ 50,048.06</u>
Total 2017	<u>\$425,924.64</u>

“Other” gifts ranged from \$155 to ZOE: Helping Children Help Themselves to \$2,210 for Water for Life, and were given for 45 different projects.

Participation in the UMCOR Sunday offering is one of two basic requirements for local churches wanting to achieve Five Star mission giving status. (The other requirement is 100% payment of apportionment askings.) UMCOR Sunday, formerly One Great Hour of Sharing, is one of the six recognized annual church wide Special Sundays with offerings of the United Methodist Church.

Churches participating in the Five Star program are also required to make a contribution to at least one UMCOR-related project during the year.

Thanks to all the congregations that supported UMCOR's work in 2017 and made it possible for the United Methodist Church to reach out in caring to our neighbors in need.

RIO TEXAS CONFERENCE - HARVEST SUNDAY 2018 FOR CONFERENCE ACTION

The Transforming Communities Vision Team recommends the following for approval by the 2017 Annual Conference:

That the Rio Texas Conference recognize Sunday, November 4, 2018, for the participation of congregations in the Harvest Sunday offering.

That participation of congregations be acknowledged as action toward meeting United Methodist goals of "engaging in ministry with the poor" and "combating the diseases of poverty by improving health globally." Specifically, the 2018 offering will help alleviate the humanitarian crisis going on right now on the southern border of our annual conference.

That the distribution of the 2018 Harvest Sunday offering be as follows:

- **1/3 of the total collected in each district will be designated for hunger-fighting projects on both sides of the Texas-Mexico border within the bounds of the annual conference. The funds will be administered by the Methodist Border Friendship Commission.**
- **2/3 of the total collected in each district will be returned to that district for hunger ministries there.**

The Transforming Communities Vision team will coordinate promotion and publicity for the 2018 Harvest Sunday offering.

For the record, the 2017 Harvest Sunday offering totaled \$5,530.55.

Sandy Wilder, Conference Secretary of Global Ministries

COMMISSION ON ARCHIVES AND HISTORY FOR INFORMATION ONLY

The Rio Texas Conference Archives has had another great year of growth. The recent expansion of the archives has allowed the ability to organize and house additional records. Several copies of journals belonging to historical conferences including the Rio Grande Conference, German Mission Conference, and the Swedish Conference have been labeled and preserved for visitors to utilize in their research.

We are happy to know that our archive is becoming well known in and outside of the church. The archive has had an increase in requests for records as well as the increase in donations belonging to past and present clergy members and local churches. With the growing awareness of our archive, we can provide the requested data and preservation required by church members and non church members alike.

Our goal for the Rio Texas Conference Archives is to continue to spread the word about what we do to insure that valuable records are not destroyed and to preserve the rich history that is Methodist history.

Do you have some documents you think the Conference Archives should have? Visit our website to see a list of donations we'd love to accept. You can also stay up to date with the latest archive news in the Archives Blog.

OFFICE OF INTERGENERATIONAL DISCIPLESHIP FOR INFORMATION ONLY

It has been another year full of hard and holy work for the Office of Intergenerational Discipleship. Four tasks have shaped the work of this office over the past twelve months: Safety, Relationships, Research, and Leadership Training.

With these words as my guide, I have worked alongside members of our conference to implement the new Safety Policy and *Trusted con Confianza* safety certification process, guide the Youth Ministry Council, create the Young Adult Ministry Council, convene Holy Listening Circles across our connection for faith formation conversations, and launch the new *Growing Together* discipleship ministry resource.

Safety Policy Task Force and *Trusted con Confianza*: The Safety Policy Task Force welcomed new members: Tracey Perez, Rev. Jessica Petersen, John Paul Spurlock, and Rev. Ron Welborn. Together the task force worked to support local churches, district, and ministry organizations as they began the work of living into the new Rio Texas Conference Child, Youth, and Vulnerable Adult Safety policy. Members of this task force met with ministry leaders across our conference, listened to feedback regarding the new policy and *Trusted con Confianza* certification process, reviewed the policy and offered clarifications to help districts, local churches, and ministry organizations in this work, and revised the *Trusted con Confianza* certification process. The team also launched the new *Trusted con Confianza* website that offers tools and resources for this work. This group of leaders created and implemented the new *Trusted con Confianza* facilitator ministry, training over 30 leaders for this work across the conference. Rev. Joy Melton, deacon, lawyer, and author of the *Safe Sanctuary* books and resources led the training as the retreat's keynote speaker. Over the last twelve months we have offered over 50 online and in person facilitated sessions for churches, districts, and conference staff. These interactive sessions provide ministry leaders, clergy, laity, staff, and volunteers, an opportunity to engage in conversation and equip them with tools for excellent, fruitful, and safe ministry. We currently have half of the Rio Texas Conference churches participating in this process with over 2,000 people in the newly created database. Over half of these leaders have completed the new certification process with the others following close behind. It has been a blessing to meet and hear from leaders across our conference as they celebrate their work and gain tools for safe ministry. We are grateful for the work of these ministry leaders and their commitment to the safety of the children, youth, and vulnerable adults in their care. Together we are keeping all of God's children safe.

Youth Ministry Council (YMC): The youth ministry council met bi-monthly over the last 12 months. In the fall of 2017 this group of middle school and high school leaders welcomed new members and held a leadership development retreat where they discerned their call and their work for the next few years. As summarized by one of the youth who attended the retreat:

"Over the weekend, we decided we needed long-term and short-term goals. We ended up deciding that we wanted a [District Council on Youth Ministry] (or something similar) in each district. As a shorter-term goal, we decided on a "campaign" as a way to show that our YMC is here and wants to help the districts and churches to reach out to their local youth- [reaching out and asking]: "Did you know that there are youth in your community?"

The hope is that in response to this call, the YMC will work to help recruit, equip, and support, young leaders (ages 12-18) in our local churches and districts. The YMC plans to begin this work by going on tour in 2019, hosting gatherings for young leaders in every district in March and April of 2019. The tour will culminate with a conference wide trip to Youth 2019- The National United Methodist Youth Conference in Kansas City. This event will provide our young leaders with an opportunity to connect with other United Methodist across the globe. Together they will participate in worship, discipleship, fellowship, and fun. Watch for save the date information at Annual Conference 2018. YMC is coming to a town near you!

Young Adult Ministry Council (YAMC): The Young Adult Ministry Council is comprised of 15 young adults ages 18-35. This new council met for the first time in January 2018. The work of this council was to create a proposal for a Rio Texas Conference Youth Adult Ministry Council (YAMC). The YAMC will be proposed for adoption to our standing rules at Annual Conference 2018. If the YAMC is approved and adopted into the Rio Texas Conference standing rules, then this council will begin the work of equipping young adults as leaders in our conference and the larger United Methodist connection. The council will include youth representation to the Uniting Table, Developing Leaders Vision Team, Congregational Vitality Vision Team, and the Administration Team. The newly formed YAMC has identified the following mission statement: to be a group of diverse young adults called to ministry and service, that strives to provide voice and support for all young adults in the Rio Texas Conference, as modeled by Jesus Christ.

Global Young People Convocation 2018: In September of 2017 several youth and young adults attended the South Central Jurisdictional leadership retreat. At this retreat 3 of our young leaders were elected as delegates and alternates to represent the Rio Texas Conference and the South Central Jurisdiction at the 2018 Global Young People Convocation in July 2018. This is a quadrennial event that brings young United Methodist leaders from around the world together for worship, fellowship, leadership development, and conversation. Through the legislative Forum, young people will discuss significant issues being faced by the church and the world where they live. The Forum will produce legislation that will go directly to the General Conference of the United Methodist Church. Through this, young people have a chance to shape the direction of the church. Our delegates include: Marlee Claes (Youth, Kyle UMC), Zephyr Straus (Young Adult, Westlake UMC), and Tori Perales (Young Adult, Christ UMC, Stockdale).

Listening circles: Over the last 12 months, 10 listening circles were held via Zoom video conference. Members of the Rio Texas conference gathered online to share what is happening in their ministry area while connecting with others with a similar ministry focus. The topics included: District programming staff, camp and retreat ministry, children's ministry, and intergenerational ministry.

Growing Together: 2016 and early 2017, the office of Intergenerational discipleship led ten listening sessions and engaged in numerous conversations, listening to and hearing from discipleship and faith formation ministry leaders across our conference. These listening sessions were a part of a qualitative research study that asked the question: How can the office of Intergenerational Discipleship be a helpful resource and ministry partner for faith formation or discipleship ministry leaders in the Rio Texas Conference? This research provided essential insight for the Office of Intergenerational Discipleship as we continued the work of creating a 5 year strategy plan. In response, the data was gathered, reviewed, and analyzed. The research revealed a need for a discipleship pathway or lifelong faith formation plan/guide for ministry leaders in the Rio Texas Conference. This discipleship system would need to include opportunities to connect with other ministry leaders, share best practices, gain new resources, and participate in leadership training. In response the office of Intergenerational Discipleship is now in the early stages of creating a digital platform that will host a discipleship system that provides pathways for ministry leaders who want to intentionally develop and implement a system that supports discipleship in their communities. Each pathway will provide multiple ways churches can create a faithful experiential learning environment that invites members of their community into the work of faith formation as they grow and serve as fruitful disciples in their community and the world. These pathways will include digital portals for networking and conversation, sharing of best practices, resources, tools, and trainings. Offerings will include: listening circles (where leaders can connect, share ideas, and learn from others), interactive webinars (with guest speakers from the conference and beyond), blog and podcast- sharing ministry reflections and best practices for ministry, and a curated resource list. Overtime we hope to offer a digital badging system where individuals and churches can earn recognition for their achievements. The office of intergenerational discipleship began this work in 2018 launching the new *Growing Together* website. Webinars for 2018 are currently scheduled and available online. Topics include: Faith formation, spiritual development, curriculum help, intergenerational worship, and so much more. The Office of Intergenerational Discipleship is looking forward to continuing this work in 2018 and 2019 as we continue to identify ways to empower and equip districts, churches, and ministry leaders as they reach out to the mission field-making disciples of Jesus Christ.

Other ministry this year: working with children's ministry leaders, youth ministry leaders, district programming staff, camp and retreat leaders, and other individual congregations and leaders throughout our conference. It is humbling and inspiring to see all that God is doing in and through intergenerational discipleship in our conference. I am grateful to serve alongside each and every member of the conference and look forward to more conversations, collaboration, and fruitful ministry in the next twelve months.

REDUCING THE RISK OF ABUSE IN THE CHURCH
FOR CONFERENCE ACTION

“Whoever welcomes one such child in my name welcomes me” (Mark 9:37 NRSV).

“If any of you put a stumbling block before one of these little ones...it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea” (Matthew 18:6 NRSV).

Call

In response to God's call to care for the vulnerable, the Rio Texas Annual Conference is committed to the well-being of every person entrusted to its care, as well as those persons entrusted to the care of the districts and local United Methodist Churches throughout our conference borders. PROJECT TRANSFORMATION
 FOR INFORMATION

Learning and Growing.

Project Transformation is a triple bottom line organization that focuses on the challenges of the three “C’s”: Children, College students, Churches. In 2017, our summer literacy camps were located at 4 San Antonio area churches and served 228 children; among those who attended on a regular basis, **93% maintained or improved their reading level**. We stopped the summer reading slide, and thus improved their graduation chances, by a strategic approach including over 1400 hours of volunteered reading buddy time from over 200 community volunteers from 29 churches! Our partner churches are what make this ministry thrive.

Our work is largely set apart from that of other literacy-minded organizations by the young adult interns who implement our programs through summer internships. These college interns (26 in the summer of ‘17, 50 in the summer of ‘18) invest in the lives of at-risk students while exploring their own call to future community service or Christian ministry. These young people have hands on experience in community and ministry each Friday in the summer they serve. This includes a seminary visit to encourage and allow space for a call to ministry.

Project Transformation continues to tackle the housing challenges for providing Intentional Christian Community living space for our interns in expensive urban settings. We have been blessed by a partnership with Morningside Ministries that has allowed our interns to live with the senior adult residents in intergenerational ministry which has given us time to dream and plan. As we will outgrow this, we are renovating and repurposing the education building of St. Marks in San Antonio into a Housing and Hospitality center for interns in the summer and others doing ministry in the community in need of housing.

Project Transformation has adopted a faithful and ambitious expansion plan. In the next five years, PT envisions increasing its measurable impact on children and their families living in poverty by expanding our data driven, targeted, and holistic approach. We continue to help churches re-anchor themselves in their neighborhood and provide discipleship opportunities for congregations. We are expanding to the Rio Grande Valley this summer with 2 sites. We are launching year-round after school programming in fall of 2018 in the San Antonio area. We will be in the Austin area in the summer of 2019 and anticipate by 2020 having 6 sites in San Antonio, as well as 2-3 sites in the Rio Grande Valley and 2-3 sites Austin.

COASTAL BEND DISTRICT
 FOR INFORMATION

In mid-August 2017 the Coastal Bend District welcomed Rev. Dr. Robert Lopez as the new Coastal Bend District Superintendent through a celebration of appointment worship service followed with a reception at First United Methodist Church in Corpus Christi. Little did we know that one week later the Coastal Bend would be impacted by hurricane Harvey. Conference leaders began coming immediately to assess the damage and minister to those who were impacted by Harvey, including the 17 damaged or destroyed churches, their pastors, congregations and communities. 47 Early Response teams came to help. There were 186 homes helped, 74 roofs tarped, countless trees cut, debris hauled away in 5816 volunteer hours. Long term recovery continues as people come to the Volunteer Village in Sinton to work.

In the midst of the aftermath, striving to become a district of “Fruitful Places” has become the thread that guides us as we strive for excellence and seek to move forward. The way we have done things before changed. We had one cluster conference for the district with approximately 150-170 lay and clergy in attendance. Rev. Ricky Sanderford was our guest preacher and spoke on “Fruitful Places.” During this time we had 5 people speak on the “Fruitful” work that has been done in their church and community.

A new mission for the Coastal Bend district has been formed. JFON (Justice for our Neighbors) has formed a board and elected officers. A JFON site is scheduled to open in Corpus Christi by the end of 2018. This will be the sixth JFON site in Texas.

To empower and bring forth excellence in our leadership we encouraged lay and clergy to go to the Leadership Institute at the Church of the Resurrection. From our district 8 lay people and 7 clergy from our district attended the Leadership Institute. At our district Pro's meetings over ¾ of the district clergy have studied Olu Brown's book, "Leadership Directions from Moses" focusing on the second chapter about dealing with difficult conversations. The district strategy team has been working towards a one board model of leadership for the Coastal Bend which will be in place in the next conference year. Likewise, an eight-week book study on "Forgotten God" took place helping clergy to think about how essential it is to pray and allow the Holy Spirit to work in our churches. This year 16 lay people attended the Basic Lay Servant class and 23 attended the Advance classes.

This year we brought Rev. Aaron Saenz to speak at our "Know Your Ministry" workshop in which 125 people attended. He told the story of Valley Praise and how it has grown and become a fruitful place with fruitful people. His message was well received, bringing hope and guidance to our district.

The Coastal Bend District and the El Valle District youth workers partnered together again to put on a Youth Midwinter at Zephyr encampment, 209 attended. This year's theme was "Step'In It Up for Christ." Charlotte Murray from Poppin ministries was the keynote speaker for the weekend. During the weekend, the youth had a penny war to raise money for Harvey relief. They stepped up for Christ collecting \$381.00, which was matched bringing the total to \$762.00 to be used for Harvey relief.

Our first Youth Rally is taking place this spring. Youth from all over the district are planning to come. Also, this spring we are having a District Celebration. A recipient of JFON assistance will be coming from Austin to share her story at this District Celebration. We have much to celebrate! For we have seen God at work in the Coastal Bend District.

Grace & Peace,

Rev. Linda Morrow, Director of District Ministries

CROSSROADS DISTRICT FOR INFORMATION

A little more than one month after the 2017 Rio Texas Annual Conference, Hurricane Harvey made landfall. After leaving a path of destruction through the Coastal Bend District, Harvey then set its sights on the Crossroads District. Moving to the north, the hurricane hovered over the Gonzales area for days dumping an amazing amount of rain. As a result, the swollen Colorado River and its tributaries ravaged parts of Smithville, LaGrange, Columbus and Victoria.

Throughout the Crossroads District churches mobilized to help their neighbors. Some church buildings were damaged by the storm, but our churches still reached out to those in need around them. Churches helped other churches and the Rio Texas Disaster Recovery Team provided invaluable assistance. Today, all churches of the Crossroads District are worshipping in their sanctuaries again.

While there is still much restoration work to be done, the District continues to celebrate many victories in other areas. During charge conferences, we celebrated the fruitfulness of each congregation. Even the smallest church has had a major impact on its community and neighbors.

On a District level, much prayer and consideration has been given to the ministry of the different committees which support the mission of the Crossroads District. It is our prayer that everything we do will be screened through the lens of "how does this help make disciples of Jesus Christ for the transformation of the world?"

WEST DISTRICT FOR INFORMATION ONLY

We have welcomed the leadership of our new District Superintendent Andy Smith and the new leadership of the Rio Texas Conference with Bishop Schnase. Sierra Vista hosted the "Installation Service" in September, officially welcoming the DS and his wife Robyn to the West Texas District.

In August, we welcomed our new Pastors to West Texas, and shared our vision. We gathered in Robert Lee Family Life Center for our Pastors & Professionals meeting and welcomed Will Rice as our special guest. On October 13-14, San Angelo First United Methodist Church hosted the Texas Mission of Mercy, provided by the Texas Dental Association SMILES Foundation, helping uninsured and underserved adults with dental care. Approximately 500 adults received free dental treatment.

Our Leadership Training in January was well attended with many new faces in the crowd as we joined together in faith and planned to move forward together. We continue to flourish with our Lay Servants/Speaker trainings in our District, and praise God for the leaders that come forward to lead these sessions. Our mission outreach has increased in areas all around us. Throughout the year, we have seen our brothers and sisters step beyond the doors of the church and step up to be the hands and feet of Jesus in the mission field.

Our West District Strategy Team continues to share ideas and pray for God's continued guidance to strategize toward strengthening Christ's Church and hopefully starting new churches and faith communities. In addition to planning events and projects with local churches, we will continue to work with communities to carry out the church's mission and vision. The West District will continue to pray forward, with God's help and guidance to focus on our purpose of being those who make disciples of Jesus Christ for the transformation of the world.

Gini Christian, West District Director of Programs

METHODIST CHILDREN’S HOME
 FOR INFORMATION ONLY

Greetings from Methodist Children’s Home (MCH) and the more than 5,000 children, youth and families we serve. Our ministry is possible thanks to the support of our many benefactors and friends, including those from the Rio Texas Annual Conference. I am honored to report to you that MCH continues to be in compliance with and, in many cases, exceed best practice standards for childcare established by the states of Texas and New Mexico as well as the Council on Accreditation (COA), an international accrediting organization of child welfare, behavioral health, and community-based social services.

I invite each member of the annual conference to visit our website at www.MCH.org. There you can view our strategic plan, annual report or explore in more detail the services we offer.

You can also download stories; identify resources to help educate your congregation on our ministry; view a transparent listing of our financial resources and services delivered; find out how you can refer a child for placement; or learn more about a call to join our ministry as a home parent, foster parent or in another capacity.

Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope; MCH provides the care, programs and talented individuals needed to positively impact the lives of children, youth and families throughout Texas and New Mexico. This is happening every day in residential programs as well as through 13 MCH Family Outreach offices including Corpus Christi and San Antonio.

The reasons children and youth arrive in our care are unique to each individual. They range from extreme trauma, a sudden change in the family structure, school issues, or poor choices in a difficult and ever-changing world. We invest in our staff so that regardless of what brings someone to MCH, they encounter the highest level of care possible. Our vision remains to share what we learn with pastors, youth ministers and family members in the local church because MCH knows you are encountering similar situations.

Through the generosity of our benefactors, the prayers of our friends and supporters, and the commitment of a skilled community of MCH employees, here are some of the things you helped MCH accomplish for God’s glory and those we serve:

Building on the success of the Dr. Jack Kyle and Evelyn Daniels Home completed in 2016, we continued construction on two new homes – the Margaret Ann Ashcraft Home and the John E. Hilliard Home. These two state-of-the-art homes complete the first phase of the Building Hope capital campaign. At the writing of this report, we are more than half-way toward our fundraising goal that will build the fourth and fifth of these new homes!

Celebrated 24 young men and women as they graduated from our University of Texas – University Charter School on the Waco campus and other public schools. At our May graduation, the 300th graduate from the charter school walked the stage.

Awarded more than \$500,000 in scholarship funds to assist MCH alumni in pursuing advanced education degrees and vocational certificates. More than 80 MCH alumni were approved for scholarships which will help them achieve life-changing skills.

Enjoyed another great year showcasing their Ag Science/FFA projects at the Heart O’ Texas Fair and Rodeo and other local livestock shows.

Awarded the Gold Seal of Transparency from Guidestar, the world's largest source of information of nonprofit organizations. Less than 1 percent of nonprofits listed on Guidestar have achieved the Gold level. MCH also received another four-star rating from Charity Navigator, the highest rating available from this notable charity watchdog organization. These designations recognize our commitment to excellence and efforts to conduct our work with the utmost integrity and transparency.

Captured the Texas Christian Athletic Fellowship (TCAF) Division I state championship with a 72-57 win. After falling in the playoffs in previous seasons, our MCH Bulldogs six-man football team capped off a successful season by winning our school's first state title!

Participated in mission trips and service projects that provided opportunities for MCH youth to show Christ's love by sharing their talents to help meet needs across Texas.

Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents and resources to bless our children. The following individuals from the Rio Texas Annual Conference serve on the MCH Board of Directors:

Mr. Bill Bingham, Austin
Mrs. Candy Mallonee, San Antonio
Mr. Mario Olivarez, Corpus Christi

If you would like to schedule a speaker, arrange a tour or request resources to help promote an offering, contact our Development office by email at development@MCH.org, by phone at (254) 750-1314 or (800) 853-1272. You can also reach us by mail at 1111 Herring Avenue, Waco, Texas 76708.

As we now celebrate our 128th year of ministry, MCH knows our service to children and families is possible because of God's amazing grace and our generous benefactors. Thank you for your trust and support of our ministry. May God continue to bless you, the ministries of the Rio Texas Annual Conference and Methodist Children's Home.

Sincerely,
Tim Brown, President/CEO

PROVIDENCE PLACE MINISTRY
FOR INFORMATION ONLY

On behalf of our Board of Directors, staff, and those on our campus who are working hard to achieve their own personal level of success, I thank you – Bishop, Robert Schnase, and the members of the Rio Texas Conference – for your dedication in partnership with the ministry of Providence Place. By God's grace, we celebrated our 122nd anniversary in 2017 thanks to the committed support from individual donors and United Methodist Churches. We have been able to be a blessing to those around us for well over a century, and we couldn't have done it without you.

Providence Place provides a safe haven for those who have felt excluded. We offer adoption services to women who are facing an unplanned pregnancy, as well as those who are looking to open their hearts and homes to a child in need of a forever family. We have expanded on this wonderful service and now offer classes for parents to improve upon their parenting skills through our newest program, Parenting with a Purpose.

We regrettably had to say goodbye to our Center for Higher Independence (CHI) Program. The program had run for 43 years; but due to changes with the Texas Workforce Commission (TWC), we were not able to sustain the program. We did have a final graduation for the CHI Program in October of 2017, and had a record 43 students graduate.

We were able to hold onto our Transition Program which is now called Legacy. This is a transitional living program for young adults with disabilities, and we presently have 15 young adults with disabilities living independently in apartments either on campus or in community apartments.

Also in October of 2017, Providence Place celebrated 50 years of memories at our Leon Valley campus. During this Event, families were reunited, while others shared stories of their time at Providence Place.

While we had to say a heartfelt goodbye to our CHI Program; as the saying goes, where one door closes another opens. Providence Place is going to embark on a new journey to help women and children who are victims of assault, abuse, and trafficking. We have applied for several grants for both the Program and updates to the property. This program will take us back to how Providence Place was started back in 1895.

On April 27, 2018, Providence Place will host our second annual Fiesta Event which we call Familia Palooza. Families from our surrounding community and San Antonio are invited to take part in Fiesta activities that will include a live band, games, food trucks and face painting.

Last but certainly not least, I would also like to take the time to recognize those from the Rio Texas Conference who give of themselves, their time and resources to serve on the Providence Place Board of Directors:

GOLDEN AGE HOME
FOR INFORMATION

Golden Age Home renews Advanced Program Status

At the end of 2017, Golden Age Home received news from the Transforming Communities Vision Team of the Rio Texas Conference that their application for The Advanced program was renewed. Golden Age Home is transforming communities and uniting people by offering services at affordable rates to Senior Adults who would otherwise not be able to afford the services. Golden Age Home is also developing leaders with every team member that joins our family. Every team member is thoroughly trained to provide Excellent Quality Care to every resident.

Renewing our Advanced program status gives churches and individuals another avenue to continue their support. Contributions designated for Golden Age Home will need to have the project number #1331. Golden Age Home began as a dream in the hearts & minds of the citizens of First United Methodist Church in Lockhart in the late 1950s. The (former) Southwest Conference, the Crossroads District of the Rio Texas Conference and local churches have maintained involvement in the operations of GAH throughout the years.

Serving as members for the Board of Directors is another avenue individuals can support Golden Age Home. During 2017, the board spent time praying and seeking guidance for the future of Golden Age Home as we strive to continue providing excellent quality care which has been lifechanging for tens of thousands of lives during the past 60 years. This group meets once a month. For more information, please call Nicole Burnett, Executive Director at 512-398-2421.

Golden Age Home offers a place for Senior Adults who live on fixed incomes (many relying solely on their Social Security checks) to get the additional help they need while maintaining dignity and independence. Basic services include but not limited to: 3 balanced meals a day, weekly housekeeping & laundry service, shower assistance, [B1]lifeline alert buttons, 24-hour a day staff and medication management. Golden Age Home also offers low income housing for independent living residents. Contributions given to the Advance program will help offset a fraction of the cost. By offering these independent apartments at a third of the cost for assisted living rooms & services, we can provide for those who would otherwise not be able to afford the help they needed.

How can you be involved with Golden Age Home?

We have a variety of ways organizations can be involved either directly with the residents or indirectly. These needs change with the time of year. Listed below are some current needs.

1. Families/groups to provide an activity
 - Call bingo, make cookies or crafts with residents, singing/drama/dance performances, church services
 - Sponsor a party/event
 - Provide Bingo prizes such as: Hygiene products, crosswords puzzles, picture frames, baseball caps, Kleenex, fashion jewelry, jigsaw puzzles & puzzle glue, insulated cups/bags, snack food
 - One-on-One Visits with Residents
 - Sending cards
2. Volunteer to help with service projects
 - Painting, washing windows, spring cleaning
3. Financially Support the Activity Department
 - Designate your Communion Rail Offering twice a year
 - Designate GAH as your Advance project giving (Project #1331)
 - Support by shopping at AmazonSmile and .05% of your purchase will be donated to Golden Age Home
 - Make an online donation at <http://www.goldenagehome.com/index.php/about-us/donate>
 - Leave a legacy by donating a portion of your estate to Golden Age Home
4. Serve as a member of our Board of Directors. (contact Nicole Burnett if interested)

TEXAS METHODIST FOUNDATION
REPORT TO 2017 RIO TEXAS ANNUAL CONFERENCE
FOR INFORMATION ONLY

TMF is committed to using our resources to help congregations build cultures of purpose and generosity. TMF was blessed with another year of growth in resources, ending 2017 with approximately \$569 million in assets under management. The outcome we seek, however, for all of our services – investments, loans, leadership platforms, strategic discernment, grants and legacy giving – is courageous, effective ministry. During the calamitous storm of 2017, we saw many examples of courage. Congregations throughout the disaster areas and the state became the hands and feet of God – going with their neighbors into the messiness and brokenness of life and providing signposts pointing the way forward to God’s promise-filled future. Our mission is to empower that boldness at all times, for all needs.

Tom Stanton, TMF Senior Area Representative for the Rio Texas Conference, is the primary point of engagement between congregations (clergy and laity) and TMF and connects Rio Texas Conference constituents to resources relevant to their unique goals for missional growth in their congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

Within the Rio Texas Conference:

- Loans from TMF to churches in the Rio Texas Conference totaled \$53.4 million at the end of 2017.
- Churches and agencies, not including individuals, within the Rio Texas Conference had \$68 million invested in all portfolios.

Throughout Texas and New Mexico:

- As of December 31, 2017, **total assets** under management by TMF were approximately \$569.1 million, a growth of \$44.2 million over 2016.
- **Methodist Loan Fund investments** ended the year at \$330.1 million, and our loan portfolio at \$341.5 million.
- TMF's **Undesignated Endowment** grew from \$34.6 million to \$38.7 million.
- Our **Leadership Ministry Endowment** grew from \$7.1 million to \$8.1 million.
- Highlighting a significant year of **financial support for TMF** was a gift of \$1 million from the Lilly Endowment to fund TMF's Courageous Leadership Imperative (CLI). Building on a partnership that began in 2003, Lilly's gift allows TMF to sustain its investment in UMC leaders and create new opportunities for learning amongst leaders from both the "center" and the "edge" of the church. **Gifts to Leadership Ministry and unrestricted support to TMF** totaled \$1.4 million, including more than \$110,000 in new gifts to the Dr. Gil Rendle Learning & Leadership Endowment.
- In 2017, through a combination of permanent funds, outright gifts and contributions from TMF, the **Grants Ministry** awarded \$1 million in support of 34 churches and not-for-profits. Of that total, an estimated \$491,000 came from restricted endowments and \$540,000 from TMF operations. The Grants Ministry received individual and on-line gifts of \$31,517, which add to the funds available to support churches and not-for-profit ministries across Texas and New Mexico. The Grants Committee of the TMF Board of Directors determines distribution decisions for these discretionary funds. Shortly after Hurricane Harvey hit the Texas Gulf Coast, the Grants Ministry awarded \$302,000 to 16 churches and not-for-profits to assist with immediate relief needs. This storm, which caused catastrophic flooding, will continue to impact the ministries and residents of the Texas and Rio Conferences for years to come. In 2017, grants funds were distributed as follows:
 - 30% to **outreach ministries and evangelism targeting systemic change**
 - 33% to **ministries which systemically benefit families living in poverty**
 - 8% for **scholarships**
 - 29% for **Hurricane Harvey relief**
- TMF's history and future are linked to our partnerships with individuals and families and a commitment to help implement their philanthropic goals. **In 2017, TMF worked with families to fund gifts totaling more than \$3.3 million** in the form of donor-advised funds, charitable gift annuities and permanent endowments. Distributions from these funds will support a range of ministries from a new Youth and Community Center in Moody, Texas, to assisting with Wesleyan Home's mission to be the premier provider of supportive care and services to senior adults in Central Texas.
- TMF distributed approximately \$1 million from **permanent endowments**, predominantly to United Methodist causes.
- TMF's **Leadership Ministry** seeks to enable courage, learning, and innovation among leaders. The primary method by which we do this work is through facilitating transformational conversations; some take the form of on-going peer groups and others as stand-alone conversations around an adaptive issue. During 2017, TMF hosted sixteen peer-learning groups, involving over 250 clergy and lay leaders from across Texas and New Mexico as well as drawing from the other conferences of the South Central Jurisdiction (SCJ). In addition to continuing our commitment to ongoing groups, such as the SCJ Bishops Conclave, New and Continuing District Superintendents, Executive Pastors, Musicians, and the Ministry with the Poor group, TMF facilitated several large group conversations for the sake of helping leaders wrestle with important challenges as they seek to lead in this rapidly changing environment. These groups included: a gathering of denominational leaders from eleven different faith traditions around the challenges of upholding the norms and values of our tradition while seeking innovation and new ways to create faith communities; a gathering of large church leaders seeking to stay focused on their mission in an uncertain and changing landscape; a learning laboratory which gathered teams from fifteen annual conferences to engage the work of setting outcomes and aligning resources; and a gathering of all the SCJ bishops, along with other leaders from each conference, for an immersion experience in the Rio Grande Valley in an attempt to deepen and change the conversation around how to be in ministry with the diversity of Hispanic and Latino persons who live in our communities. As TMF continues to work tirelessly to help strengthen the church we know today, we also see great value in helping the church live into a future, which undoubtedly requires deep change and a new kind of leadership.
- In 2017, the **Area Representatives** more fully embraced their role as encouragers, realizing that our churches want to make a difference in their communities, but struggle with how to do that. The team

provided courage in the form of a comprehensive Year-Round Stewardship program for six leading churches in the Dallas area, in addition to three in El Paso and three in Las Cruces. The team provided courage by leading congregations in Dallas, Denison, San Angelo, Bellville and Bay City through the Holy Conversations spiritual discernment process. Two new elements in Holy Conversations were a bi-lingual team at Elmwood/El Buen Samaritano UMC in Dallas, and a process at First UMC, Round Rock that combined the discernment work of Holy Conversations with the branding/marketing muscle of Austin's MGroup. The team also enabled courage for the many churches that started endowment funds, sharpened their governance systems, or tackled leadership issues.

INFORME V
PARA INFORMACIÓN SOLAMENTE

El propósito de la Mesa de Finanzas (CF&A) es "desarrollar, mantener y administrar un plan integral y coordinado de servicios de políticas, procedimientos y gestión fiscales y administrativas para la Conferencia Anual" (¶611.1 *El Libro de Disciplina 2016*).

De acuerdo con el propósito disciplinario, la Mesa de Finanzas (CF&A) se ve propiamente como una parte integral de la misión y el ministerio de la Conferencia. Estamos trabajando para mejorar las comunicaciones con las otras agencias de la Conferencia para asegurarnos de que nuestro trabajo respalde los ministerios y las metas de La Mesa Unida y el Centro de Vitalidad de Misión.

Los recibos de todos los fondos para el año 2017 por la Conferencia Río Texas fueron de \$9,857,332.12 o 95.05% de la cantidad asignada. La Mesa de Finanzas propone el presupuesto para 2019. El presupuesto total asignado para todos los fondos asciende a \$9,535,453.

La Mesa de Finanzas (CF&A) se considera ser socio de la iglesia local en el trabajo del ministerio financiero de la Conferencia Anual. Alagamos el presupuesto de 2019 a la Conferencia. Representa la originalidad y la profundidad de los ministerios y misiones de nuestra iglesia y realidades económicas de nuestra Conferencia. La Mesa de Finanzas (CF&A), junto con el Tesorero de la Conferencia, ha estado monitoreando la membresía y las tendencias económicas dentro de la Conferencia, la Iglesia Global y la sociedad en general. Creemos que la salud y la vitalidad futuras de nuestro ministerio requerirán que las cantidades asignadas a las iglesias locales se reduzcan significativamente en los próximos años. A medida que las metas y la dirección de la Conferencia se vuelvan más claras, trabajaremos con el Obispo, la Mesa Unida y el Centro de Vitalidad de la Misión para garantizar que el presupuesto y las asignaciones reflejen con precisión esos objetivos y apoyen a esos ministerios. Al mismo tiempo, continuaremos trabajando con nuestro Tesorero de la Conferencia, el Comité de Personal y otros líderes de la Conferencia para mejorar las comunicaciones, los sistemas y la eficiencia.

Políticas de funcionamiento de la Mesa de Finanzas (CF&A):

1. La siguiente es la lista de fondos aprobados de la Conferencia Río Texas. Estos fondos se asignarán a cada misión o títulos de iglesia o cargos según las fórmulas que siguen.

- Generales y Jurisdiccionales
- Ministerios de la Conferencia (previamente Benevolencias de la Conferencia)
- Apoyo Ministerial
- Ministerios Administrativos (previamente Administración de la Conferencia)
- Pensiones y Beneficios
- Misiones del Distrito

La fórmula decimal se basa en el promedio de dos años los gastos de operación de la iglesia local dividido por dos años a nivel gastos de la iglesia local a lo largo de la conferencia por cada fondo prorrateado. Los gastos de operación incluyen sólo estos elementos de línea del informe de la Iglesia Local a la Conferencia Anual:

- Línea 41 – Compensación de Pastor(es)
- Línea 42 – Servicios Públicos y Casa(s) Pastoral(es)
- Línea 43 – Reembolso de cuentas pagadas al(os) Pastor(es)
- Línea 44 – Subvenciones en efectivo no contables pagados al(os) Pastor(es)
- Línea 45 – Salario del Personal y de los Ministros Diáconos
- Línea 46 – Gastos de Programas
- Línea 47 – Gastos Corrientes de Funcionamiento aparte de Gastos de Programas

$\frac{\text{2 Años de Gastos Operativos de la Iglesia Local}}{\text{2 Años de Gastos Operativos- Iglesia Local a Nivel Conferencial}} \times \text{Cada Fondo de Conferencia Asignado}$
--

Si hay asignaciones de distrito por separado determinadas por cada distrito, tales serán asignadas de acuerdo a la siguiente fórmula:

$\frac{\text{2 Años de Gastos Operativos de la Iglesia Local}}{\text{2 Años de Gastos Operativos- Iglesia Local a Nivel Distrital}} \times \text{Cada Fondo de Distrito Asignado}$
--

2. Al principio del año, la Mesa de Finanzas (CF&A) deberá determinar qué porciones del costo de los ministerios de la Conferencia y Administración de Conferencia son "costos fijos" (salarios, beneficios, etc.) y que así se autorice pagarlos al 100% del presupuesto aprobado. Sobre la base de ingresos del año anterior de estos fondos, la Mesa de Finanzas entonces determinará un porcentaje del presupuesto aprobado que debe ser autorizado para gastos en el resto de los artículos de cada presupuesto, para que los gastos no excedan los ingresos.
 - Cada iglesia se espera apoyar todos los fondos al 100% de la cantidad asignada. (¶247.14 *Libro de Disciplina 2016*)
 - Las iglesias deberán someter los pagos respectivamente, con el entendimiento que el Tesorero de la Conferencia destinará dichos pagos según el porcentaje correspondiente al fondo según el presupuesto de la Conferencia.
3. Una Cuenta de Balance de Fondos sin Restricción se mantendrá por la Conferencia Anual a un nivel mínimo del 20% del total actual de los fondos de la Conferencia. Cualquier ingreso de interés no designado se transferirá al saldo del fondo no designado al final del año fiscal.
4. Todos los costos asignados a fondos, pensiones y beneficios de salud, ambos ingresos y desembolsos, se gestionarán a través de la oficina del Tesorero de la Conferencia. Todas las juntas, agencias, comités y comisiones utilizarán el Tesorero de la Conferencia como agente fiscal.
5. El salario (incluida la vivienda y los servicios públicos) para los superintendentes de los distritos será recomienda a la Conferencia Anual por la Meza de Finanzas (CF&A), utilizando una fórmula directriz adoptada por el Comité de Personal de 1.85 veces la media de Compensación Conferencia (CAC). Calcular la parte en efectivo de la siguiente manera: 2019 CAC x 1.85 = Plan de Compensación del SD. Entonces, (Plan de Compensaciones del SD - utilidades) / 1.25 = Salario Efectivo. Ejemplo: Cuando los servicios públicos son \$5,000 y la casa pastoral es el 25% del salario en efectivo; \$68,799 x 1.85 = \$127,278. Entonces, (\$127,278 – \$5,000) / 1.25 = \$97,822. El propósito de la fórmula es de relacionar la Compensación del SD a la Compensación Clero de Tiempo Completo. Recomendamos que el cálculo del salario también se aplique a otros miembros del clero nombrados al personal de la conferencia a nivel de Gabinete.
6. Todas las agencias que reciben fondos del presupuesto de la Conferencia afirmararán que los fondos no serán gastados para usos no compatibles con ¶613.18-19 del *Libro de Disciplina 2016*.
7. El importe de compensación señalado como subsidio de vivienda para miembros ordenados y superintendentes de distrito de la Conferencia se establecerá por medio de una resolución anual de la Mesa de Finanzas de la Conferencia (CF&A) después de la consideración de una declaración de las cantidades que se utilizarán durante el año.
8. Las juntas directivas de entidades Metodistas Unidas relacionadas deben aplicar a la Mesa de Finanzas (CF&A) la cual concederá el privilegio de solicitar y recibir fondos de las iglesias, individuos y otras fuentes (pero no de todas las ofrendas de la Conferencia, excepto como se indica en la lista que sigue) en conformidad con ¶262 *Libro de Disciplina 2016*; no hay campañas de capital que han sido aprobadas para el año 2018; y solamente las siguientes ofrendas de toda la Conferencia se aprueban para 2019:

Día de las Relaciones Humanas	Conferencia General
Domingo UMCOR (previamente Una Gran Hora de Compartir)	Conferencia General
Conciencia Nativo-Americana	Conferencia General
Paz con Justicia	Conferencia General
Comunión Mundial	Conferencia General
Día del Estudiante Metodista Unido	Conferencia General
Domingo de Cosecha (ver Informe del Equipo de Visión para Transformar Comunidades)	Conferencia Anual
9. El Presidente, el Vicepresidente y el Secretario de la Mesa de Finanzas de la Conferencia (CF&A), el Presidente del Comité de Auditoría y el Tesorero de la Conferencia y el Director de Servicios Administrativos constituyen el Comité Ejecutivo de la Mesa de Finanzas de la Conferencia.
10. La Mesa de Finanzas (CF&A) está autorizada a nombrar a un Auditor de la Conferencia.
11. A un Fondo de la Conferencia no se le permite llevar adelante las asignaciones del presupuesto de un año de la Conferencia a otro año a menos que específicamente se autorice por la Mesa de Finanzas (CF&A). Agencias que reciben fondos de otras fuentes que no sean fondos asignados pueden avanzar dichos fondos no gastados al año siguiente. Cualquiera asignación del presupuesto no autorizada para ser avanzada se añadirá al saldo de Fondos no Designados de la Conferencia Anual.
12. Cada año, el Contador de la Conferencia establecerá una fecha de corte para todos los pagos del presupuesto al Tesorero de la Conferencia que se aplicará al año anterior. Esta fecha se comunicará a las iglesias locales a no más tardar del 1 de diciembre de cada año.

13. Cada junta de conferencia, agencia o institución en recepción o desembolso de fondos no manejados por el Tesorero de la Conferencia deberá mantener registros financieros adecuados y preparar y presentar informes anuales de auditoría al Tesorero de la Conferencia y la Mesa de Finanzas (CF&A). Todos los Tesoreros todos deberán tener fianzas apropiadas.
14. El Año de la Conferencia principia el 1 de enero de cada año y termina el 31 de diciembre de cada año.
15. La Mesa de Finanzas de la Conferencia (CF&A) es responsable de designar depositarios de fondos de la Conferencia.
16. La Conferencia incluirá en cada presupuesto anual una línea apropiada para cada Ministerio autorizado como se define en el *Libro de Disciplina*.

PARA INFORMACIÓN SOLAMENTE

La Comisión recomienda el siguiente proceso estratégico que provee ayuda para liderato pastoral a iglesias nuevas y existentes trabajando en ministerios con Hispanos/Latinos dentro de la Conferencia Río Texas utilizando el Fondo de Ministerios Hispanos. El proceso involucra varias entidades locales, distritales, y conferenciales para proveer el mejor uso estratégico de estos fondos limitados.

INFORME VIII
REEMBOLSO DE GASTOS DE REUNIÓN
PARA INFORMACIÓN SOLAMENTE

A todas las juntas y agencias se les insta a programar sus reuniones, en lo que sea posible, en fechas y lugares coincidiendo con otros grupos para afectar la economía de gastos de viaje. Los gastos de viaje se pagarán a los miembros que asisten a reuniones oficiales de la Conferencia (entre períodos de sesiones anuales de la conferencia) a base de 40 centavos por milla. La asignación para las comidas será de \$3.00 para el desayuno; \$7.00 para ambos el almuerzo y la cena por las reuniones. Se hará el reembolso del 100% de gastos de alojamiento durante reuniones en hoteles contratados a través de la Conferencia Anual. Quienes optan por quedarse en otros lugares se les reembolsarán a la tarifa contratada más baja. El organizador de la reunión de conferencia proporcionará información de hoteles contratados a los participantes. Los recibos de alojamiento deberán acompañar la solicitud de desembolso. Estos subsidios no cubrirán el costo completo en cada caso, pues son simplemente para ayudar en el gasto adicional de asistir a reuniones.

Gastos de cuidado de niños por día de la reunión no deben exceder \$30.00 por el primer niño y \$20.00 por cada niño adicional, y estos gastos serán permitidos e incluidos en el costo de la reunión de la Junta o la Agencia.

Viajes de delegados debidamente elegidos o representantes de la Conferencia a las reuniones de otras organizaciones o agencias de conexión se pagarán como se indicó anteriormente. Sin embargo, gastos de viaje aéreo, hospedaje y otros gastos pueden pagarse si los fondos están disponibles por la junta o agencia correspondiente.

Cuando sea necesario volar a una reunión, el vuelo debe ser reservado al menos 14 días antes de la reunión. Si los vuelos no se reservan 14 días antes de la reunión, el miembro que reserva el vuelo deberá pagar la diferencia del costo del vuelo. Esto no se aplica en los casos raros cuando la reunión es una reunión de emergencia que no se anuncia antes de 14 días.

A cada iglesia local se le sugiere que respalde los gastos de la comida, el transporte, y el alojamiento de Conferencia Anual de los miembros asistiendo a la Conferencia Anual por medio de la adición de un mínimo de \$100 al presupuesto de la iglesia para delegados laicos y del clero. Los superintendentes de distrito deberán fomentar este apoyo en cada Conferencia de Cargo.

Plan de Pensiones Pre-82 Totalmente Financiado

Me complace anunciar que, por primera vez en la historia del Plan de Pensiones Pre-82 para los participantes del plan de la Conferencia Río Texas, el Plan de Pensiones Pre-82 está totalmente financiado. Hace apenas 20 años, nuestras conferencias enfrentaban pasivos del plan Pre-82 que superaban los \$ 12 millones y el cumplimiento de estas obligaciones de beneficios parecía una tarea monumental. Gracias a nuestra conferencia, a los miembros de la Junta de Pensiones, pasados y presentes, y a nuestro liderazgo, ya estamos financiados antes del calendario de amortización de 2021. Al igual que con cualquier plan de pensiones de beneficios definidos, los pasivos pueden fluctuar debido a una variedad de factores tales como los aumentos de la tasa de servicio pasado (PSR), la volatilidad del mercado, las políticas del plan y la elegibilidad de los beneficios. La Junta continuará en su ministerio para "cuidar a aquellos que prestan servicio" brindando honor, apoyo y apreciación a nuestro clero jubilado y activo mientras se mantiene un plan de activos sostenible para cumplir con los pasivos por beneficios para los planes de beneficios actuales y pasados. Trabajamos estrechamente en asociación estratégica con Wespath Benefits and Investments, que brinda servicios de interpretación y orientación en nuestra pensión, seguro de salud, planes de beneficios complementarios y recursos de apoyo. Nuestro objetivo es ser buenos administradores de los recursos y programas que tenemos encomendados y esforzarnos por implementar e interpretar las políticas confesionales y de conferencias. Nuestro enfoque abarca no solo necesidades a corto y mediano plazo, sino también mirar hacia adelante en el futuro a la viabilidad a largo plazo de programas y recursos.

La opción multipropósito de intercambio privado de HealthFlex comenzará en 2019

Uno de los planes más difíciles de administrar ha sido el seguro de salud debido al costo creciente de la atención médica. La Junta de Pensiones adoptó un plan de transición hace dos años para comenzar a ofrecer más flexibilidad a nuestros participantes y contrarrestar estos costos crecientes. A partir del 1 de enero de 2019, la Conferencia ofrecerá el Intercambio Privado HealthFlex a través de Wespath. Este enfoque de opción de planes múltiples permite que los clérigos individuales activos a tiempo completo y los participantes laicos elijan entre varias opciones de planes con una contribución definida predeterminedada o (DC) para "comprar" la cobertura. Este enfoque único les brinda a los participantes la posibilidad de adaptar la cobertura y la estrategia con recursos que no estaban disponibles anteriormente, como las Cuentas de Ahorros de Salud (HSA) y las Cuentas de Reembolso de Salud (HRA). El intercambio privado de HealthFlex no es una oferta pública de la Ley del Cuidado de Salud a Bajo Precio (Affordable Care Act) (ACA, por sus siglas en inglés). Se espera que la sólida red actual de proveedores médicos de United Healthcare PPO, Cigna Dental y Optum RX continúe para todas las opciones de planes. HealthFlex Wellness también continuará brindando excelentes recursos e incentivos utilizando varios proveedores como WebMD, MDLive, el programa de actividad Virgin Pulse, Weight Watchers, Blue Print for Wellness y NutriSavings.

La Contribución Definida (CD) individual se ha establecido en \$ 855 para 2019. La DC 2019 financiará la oferta del plan único actual de 2018 con la expectativa de que la CD no aumentará en 2020 para contener los costos de atención médica para nuestras iglesias. Las primas para cada uno de los diversos planes ahora están disponibles, incluidas las opciones médicas, dentales y de visión que les da a los participantes varios meses antes del período de elección anual de noviembre para investigar la combinación de planes que mejor se adapte a sus necesidades únicas. Esta información está incluida en el Informe VI de la Junta de Pensiones. La transición también aborda las preocupaciones del clero que renuncia a HealthFlex en lugar de otra cobertura. Renunciar al plan creó problemas de selección adversa, nombramiento y problemas presupuestarios a medida que el clero se traslada de una iglesia a otra. A partir del 1 de enero de 2019, las iglesias ya no podrán renunciar a las contribuciones al plan para el clero activo a tiempo completo y deberán incluir las contribuciones de HealthFlex en su presupuesto anual. Me gustaría agradecer al Subcomité de Beneficios de Salud, dirigido por Michele Segura, por todo su arduo trabajo en los últimos dos años en preparación para esta transición. El personal de la conferencia y Wespath están dedicados a utilizar varias herramientas para tener una transición efectiva.

La eliminación progresiva de la distribución continúa

En la actualidad, el costo para el año 2018 del participante del clero individual se financia con una factura directa del 70% y una contribución de distribución del 30%. Sin embargo, en 2019, la financiación del plan continuará con el enfoque de eliminación gradual de las asignaciones con una factura directa del 80% y una contribución de distribución del 20% del DC individual de HealthFlex. A medida que la cuenta directa de la iglesia aumenta, la distribución general de pensiones y beneficios disminuye. El reparto de pensiones y salud propuesto para 2019 es de \$ 1,011,000 y, desde 2015, el prorrateo ha disminuido en un 46%.

Apoyo del Plan de Beneficios

La Junta anima a todos los clérigos y laicos participantes inscritos en HealthFlex a participar en las próximas sesiones de capacitación de opciones de planes múltiples y eventos electorales anuales. Nuestro objetivo es que cada participante del plan haga su elección personal. Si los participantes eligen no actuar durante el período anual de elecciones, se inscribirán automáticamente en el plan predeterminado del CDHP2000 para 2019. El personal de la conferencia y varias herramientas de soporte en línea de Wespah también estarán disponibles para ayudar con la capacitación de beneficios y el apoyo de inscripción.

Respetuosamente,
Gary W. Anderson
Presidente

INFORME V
PLANES DE BENEFICIOS
PARA INFORMACIÓN SOLAMENTE

PLAN DE PENSIONES PRE-82

El Plan de Pensiones Pre-82 también conocido como Suplemento Uno al Plan de Seguridad de Retiro del Clero (CRSP) es un plan de pensión de beneficios definidos administrado por Wespah y proporciona al clero elegible un beneficio de pensión por sus años de ministerio con la Iglesia Metodista Unida antes de 1982. El Plan de Pensiones Pre-82 fue reemplazado por el Plan de Pensión Ministerial (MPP) a partir del 1 de enero de 1982. Una de las responsabilidades de la Junta de Pensiones es recomendar a la conferencia anual la Tasa de Servicio Pasado (PSR) al clero para cada año de servicio elegible en el Plan de Pensiones Pre-82.

Como la necesidad de proporcionar beneficios de pensión adecuados para el clero se evolucionó con el establecimiento del Plan de Pensiones Pre-82, las contribuciones no fueron suficientes para proporcionar los beneficios requeridos para muchos participantes durante los años de servicio activo. Por lo tanto, se convirtió en responsabilidad de la conferencia garantizar que las obligaciones de beneficios requeridas por el plan serían proporcionadas por contribuciones anuales en un calendario de amortización que concluye en 2021. El objetivo de cada conferencia es que el Plan de Pensiones Pre-82 se financie por completo hasta que todas las obligaciones de beneficios se hayan cumplido. Sin embargo, los activos del Plan no se fijan con el potencial de pasivos adicionales debido a la volatilidad del mercado, las políticas de Wespah y la cantidad de beneficiarios elegibles. Además, cualquier aumento en la Tasa de Servicio Pasado (PSR) adoptada por la Conferencia también aumenta las responsabilidades del plan.

- En 2016, la Junta de Pensiones adoptó una estrategia de PSR a largo plazo basada en aumentos del 70% del Índice de Costo de Vida de la St. Louis Federal Reserve Cost of Living Index-Urban South Region para establecer la tasa de servicio pasada cada año. La Junta Directiva cree que esta política brinda honor, apoyo y apreciación a nuestros clérigos jubilados al tiempo que mantiene un plan sostenible para cumplir con las responsabilidades de los beneficios.

- Cualquier cambio en el PSR también aumenta las responsabilidades del Plan y debe ser financiado en el año adoptado.

- En diciembre de 2017, se hicieron contribuciones adicionales de Pre-82 de \$ 747,854 y \$ 164,732 (contribución anticipada para el aumento de PSR) de las reservas mantenidas para este fin en el plan de Pensión Pre-82. Estas contribuciones comienzan una estrategia conservadora responsable para aumentar la seguridad de que los fondos designados estarán disponibles en el Plan para nuestros participantes.

- Por primera vez en varias décadas, no se debe aportar ninguna contribución en 2018 para el Plan de Pensiones Pre-82.

PLAN DE PENSIONES MINISTERIALES (MPP)

El Plan de Pensión Ministerial, también conocido como el Suplemento Tres del Plan de Retiro de la Seguridad del Clero (CRSP), proporciona al clero un beneficio de pensión por sus años de ministerio con la Iglesia Metodista Unida desde 1982 hasta 2006. El MPP es una Sección del Código de Rentas Internas 403 (b) plan de jubilación. Se requiere que la Conferencia financie cualquier responsabilidad atribuible a anualidades MPP debido a fluctuaciones del mercado, supuestos demográficos y de mortalidad y políticas del Plan Wespah. A partir del 1 de enero de 2017, la valoración actuarial, la relación de fondos combinados MPP / CRSP para la Conferencia de Río Texas es de aproximadamente 105.49% y no se requieren contribuciones adicionales en 2018 y 2019.

PLAN DE JUBILACIÓN DE SEGURIDAD DEL CLERO (CRSP)

El plan de pensión actual requerido para el clero elegible de tiempo completo es el Plan de jubilación de seguridad del clero o CRSP administrado por Wespeth Benefits and Investments. Este plan entró en vigencia el 1 de enero de 2007 y está compuesto por un diseño de componente de contribución definida (DC) y de beneficio definido (DB).

Contribución definida (DC): proporciona una cantidad definida que se deposita en una cuenta de clérigo activo a tiempo completo con contribuciones mensuales. Este beneficio distribuido al momento de la jubilación es el monto acumulado más las ganancias (pérdidas) en la cuenta del individuo. El componente de contribución definida (DC) del CRSP es el 2% de la Compensación del Plan con una coincidencia para las contribuciones de los participantes al United Methodist Personal Investment Plan (UMPIP): hasta el 1% de la Compensación del Plan. Por lo tanto, si un participante contribuye al menos con un 1% de compensación a UMPIP, las contribuciones de CRSP DC serán del 3%. Para que el clero activo de tiempo completo reciba el beneficio máximo de CRSP DC, debe contribuir al UMPIP al menos con el 1% de la Compensación del Plan.

Beneficio definido (DB): proporciona un monto específico en dólares al momento de la jubilación, independientemente de las condiciones del mercado o el rendimiento de la inversión. El monto se basa en una fórmula que especifica un beneficio de jubilación mensual para el clero elegible y los contribuyentes contingentes por el resto de sus vidas. El CRSP-DB proporciona un beneficio de jubilación mensual utilizando 1.25% de la Compensación Promedio Denominacional (DAC) al momento de jubilarse multiplicado por años de servicio desde el 1 de enero de 2007 hasta el 31 de diciembre de 2013. El multiplicador se reduce al 1% por años de servicio comenzando el 1 de enero de 2014.

Ambos componentes son facturados directamente a cada iglesia por todos los clérigos elegibles a tiempo completo. La facturación de contribución definida (CD) se basa en el 3% de la Compensación del plan.

- La facturación directa anual de beneficios definidos (DB) en 2018 a las iglesias para cada clero designado para servicio a tiempo completo es de \$ 5,525.
- La facturación directa del beneficio anual definido (DB) en 2019 a las iglesias para cada clero destinado a servicio a tiempo completo es de \$ 5,866.

La contribución del Beneficio Definido Anual (DB) a Wespeth se basa en la cantidad de clérigos de tiempo completo inscritos, el beneficio de CRSP provisiones y la valoración actuarial anual proporcionada por Wespeth Benefits and Investments. El monto adeudado en 2018 por el componente DB es \$ 1,635,344 y en 2019 \$ 1,642,443. Cualquier clérigo que sirva menos de tiempo completo que no sea elegible para el CRSP DB es elegible para participar en el Plan UMPIP de Inversión Personal Metodista Unida con una contribución requerida de la iglesia del 9% del Plan de Compensación.

PLAN DE PROTECCIÓN INTEGRAL (CPP)

El Plan de Protección Integral (CPP) es un plan de beneficios de bienestar administrado por Wespeth Benefits and Investments. El CPP incluye la discapacidad a largo plazo, de muerte y otros beneficios de bienestar para el clero elegible a tiempo completo. El plan CPP es un "plan de la iglesia" del Internal Revenue Code 414(e) financiado por las contribuciones de los patrocinadores del plan. El CPP exigió que la facturación directa a las iglesias sea del 3% de la remuneración del Plan para el clero elegible de tiempo completo hasta por dos veces de la compensación promedio denominacional o DAC de \$ 70,202 en 2018 y \$ 71,361 en 2019.

A partir del 1 de enero de 2016, Wespeth Benefits and Investments adoptó un cambio en las tablas de mortalidad del plan de pensiones y supuestos demográficos para los planes de beneficios definidos, lo que resulta en un aumento de los pasivos de planes de pensión en 2018. Para ayudar a las conferencias el Plan de Protección Integral (CPP) fue adoptado para 2018 y 2019 para ayudar a las conferencias a compensar estos pasivos. Durante 2018 y 2019, la Conferencia Río Texas continuará facturando directamente las contribuciones de CPP que se mantendrán en reserva para los pasivos futuros del plan de pensiones.

UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP) PARA LAICOS Y EL CLERO

El United Methodist Investment Plan (UMPIP) es un plan de ahorro de jubilación de contribución definida de la sección 403 (b) del Internal Revenue Code administrado por Wespeth Benefits and Investments para clérigos y empleados laicos de la Iglesia Metodista Unida y organizaciones afiliadas. Los participantes elegibles pueden hacer contribuciones personales a través de deducciones de nómina para contribuciones antes de impuestos, de Roth o de después de impuestos en un monto fijo en dólares o porcentaje de compensación elegible, hasta los límites del Código de Rentas Internas. Se anima a las iglesias a ofrecer el UMPIP a los empleados laicos y pueden ponerse en contacto con Wespeth Benefits and Investments al 1-800-851-2201 para obtener disposiciones adicionales del plan y patrocinio.

Cualquier clérigo nombrado a una iglesia por menos del servicio de tiempo completo es elegible para participar en el UMPIP y recibir una contribución requerida de la iglesia del 9% de la Compensación del Plan. Además, se anima a todos los clérigos activos a participar en el UMPIP con contribuciones personales. Para que el clero de tiempo

completo reciba los máximos beneficios de pensión financiados por la iglesia en el plan de Contribución Definida CRSP del 3%, deberá contribuir con un mínimo del 1% en el United Methodist Personal Investment Plan (UMPIP).

PLAN DE PENSIONES 2019 FACTURA DIRECTA DE LA IGLESIA

A partir del 1 de enero de 2019, la facturación directa de la iglesia por la conferencia para los participantes del clero bajo nombramiento para el servicio activo actual incluirá:

- El Beneficio Definido del Plan de Seguridad para la Jubilación del Clero (CRSP) requirió una contribución de \$ 5,866 por cada clérigo de tiempo completo elegible designado para el 100% del servicio.
- Plan de seguridad para la jubilación del clero (CRSP) Contribución requerida definida del 3% de la compensación del plan por cada clérigo de tiempo completo elegible designado para el 100% del servicio.
- Plan integral de protección (CPP) requirió contribución 3% Compensación del plan por cada clérigo elegible de tiempo completo designado para el 100% de servicio hasta un máximo de dos veces la indemnización promedio denominacional o DAC de \$ 71,361 en 2019.

- El Rio Grande Legacy Fund continuará proporcionando contribuciones a las iglesias heredadas elegibles para el clero de tiempo completo en el Plan de Beneficios Definidos por CRSP, el Plan de Contribución Definida por CRSP y el Plan de Protección Integral (CPP).
- El Rio Grande Legacy Fund continuará proporcionando contribuciones a las iglesias heredadas elegibles para el clero de medio tiempo en el Plan Metodista de Inversión Personal UMPIP-PT.

INFORME VI 2019 OPCIÓN HEALTHFLEX PRIVADO DE CAMBIO MULTI-PLAN PARA INFORMACIÓN SOLAMENTE

BENEFICIOS HEALTHFLEX

La Conferencia Río Texas participa en el Plan HealthFlex administrado por Wespath Benefits and Investments para clérigos de tiempo completo elegibles y empleados laicos en la conferencia. El plan HealthFlex también está disponible para los empleados laicos de las iglesias que han adoptado un Acuerdo de Sub-Adopción de la Unidad de Pagos Salariales de HealthFlex que cumple con los requisitos de elegibilidad del Plan. HealthFlex es un programa de salud integrado y orientado hacia el bienestar que respalda estilos de vida más saludables. El plan HealthFlex está diseñado para proporcionar a los participantes elegibles un plan integral que incluye beneficios médicos, de recetas y de bienestar.

HealthFlex utiliza incentivos como parte de su estrategia para promover la participación en comportamientos saludables y programas de bienestar. La estrategia 2018-19 continúa centrándose en las recompensas, tanto para medir los riesgos a través de Blueprint for Wellness Screening and Health Quotient (HQ) como para tomar medidas para mejorar la salud y el bienestar. Las recompensas hacen hincapié en la participación en programas que han demostrado tener un impacto positivo en el riesgo de salud, incluido el entrenamiento en salud y el programa de actividad Virgin Pulse. Además, para los beneficios de bienestar de HealthFlex, la conferencia también brinda beneficios adicionales de bienestar holístico para clérigos y empleados de la conferencia, incluyendo los componentes espirituales, mentales, emocionales y de atención física, financiados por una subvención de Methodist Healthcare Ministries of South Texas.

Transición del intercambio privado HealthFlex 2019

Para alinearse con el panorama cambiante de la atención médica y los aumentos significativos en los costos de atención médica, la Junta de Pensiones adoptó un plan de transición del plan B100 de opción única HealthFlex a la opción multipropósito HealthFlex Private Exchange a partir del 1 de enero de 2019. El intercambio privado HealthFlex multi-plan brindará a los participantes una mayor posibilidad de elegir entre varios planes de HealthFlex con diferentes diseños de planes y la flexibilidad de elegir la cobertura que mejor se adapte a las necesidades de salud, financieras y familiares del participante. Además, el enfoque de múltiples planes fomenta una mayor responsabilidad e intercambio de costos por parte de los participantes para los costos de atención médica, al tiempo que conserva los valiosos beneficios de HealthFlex y las oportunidades de bienestar que los participantes esperan de Wespath.

Plan de transición de intercambio privado de HealthFlex

Durante el otoño de 2017, se realizaron varios talleres de HealthFlex a lo largo de la Conferencia para presentar a los participantes y las congregaciones al Intercambio Privado de HealthFlex. Los talleres incluyeron conceptos clave, diseño de planes e introducción a nuevas características que estarán disponibles a partir del 1 de enero de 2019 para los participantes del plan. Además de los talleres, un plan de transición estratégico de HealthFlex incluirá talleres anuales de conferencias, reuniones de lanzamiento de otoño de 2018, reuniones basadas en la web y una campaña de comunicación para preparar a los participantes y las familias para el período anual de elecciones en noviembre de 2018. Las comunicaciones incluirán recursos de apoyo de conferencias en línea, telefónico y de capacitación.

El plan múltiple de intercambio privado de HealthFlex actual ofrece seis opciones de planes distintos para los participantes. Aunque HealthFlex tiene la discreción de modificar las ofertas del plan en 2019, las opciones de diseño del plan previstas para 2019 incluyen:

Contribución definida de intercambio privado de 2019 HealthFlex (DC)

Incluido en el diseño 2019 HealthFlex Private Exchange es una contribución definida no imponible de \$ 855. El DC es un monto fijo en dólares proporcionado a cada participante de HealthFlex. Los participantes utilizarán el monto asignado de DC para "comprar" un plan de salud en el Intercambio Privado de HealthFlex y pagar algunas o todas las primas del plan de su elección.

- El monto de DC para 2019 será de \$ 855 por mes.
- El DC aparecerá como un "crédito para la compra" al elegir un plan HealthFlex entre todas las opciones disponibles del plan de Intercambio Privado HealthFlex.

- Los participantes que elijan planes con un costo inferior a su monto de crédito de DC "depositarán" el exceso. El saldo de DC no utilizado será acreditado por HealthFlex a la cuenta de reembolso de salud (HRA) o cuenta de ahorro de salud (HSA) del participante, según el plan de salud seleccionado. El monto anual en exceso (saldo de CC no gastado) no se acredita en una suma toda inclusiva; pero está disponible de forma prorrateada y mensual durante el año del plan. Se aplicarán los límites del Internal Revenue Code (IRC) para las contribuciones anuales de la HSA.
- Los participantes que elijan un plan que supere el monto del crédito de DC o que elijan cubrir dependientes contribuirán con el monto adicional mediante una deducción de nómina de su iglesia para cubrir la diferencia de costo entre el monto de DC que reciben y su mayor costo de primas mensuales (la participación del participante en el costo de la prima).

2019 BENEFICIOS DE SALUD DE LA IGLESIA FACTURACIÓN DIRECTA

A partir del 1 de enero de 2019, las iglesias recibirán una facturación directa de la conferencia para los participantes del clero bajo nombramiento para el servicio activo actual y los empleados laicos inscritos elegibles:

- Contribución Definida de HealthFlex 2019 (DC) para cada miembro elegible del clero inscrito a tiempo completo, el empleado laico será de \$ 855 por mes o \$ 10,260 por año. La cobertura de dependientes se facturará directamente mensualmente a un costo adicional según la selección del plan y la cantidad de dependientes cubiertos.
- La prima individual para el clero incluye dos componentes de financiamiento compuestos por un 80% de facturación directa y un 20% de distribución.
- El fondo de herencia Rio Grande Legacy Fund continuará proporcionando contribuciones a las iglesias heredadas elegibles para el clero a tiempo completo inscrito en el Plan HealthFlex (prima individual del clero).
- Los beneficios adicionales pueden facturarse directamente a los clérigos elegibles y empleados laicos en función de los beneficios elegidos, incluido el seguro de vida a término opcional y el plan de beneficios flexibles financiado por medio de la deducción de nómina.

Cada clérigo activo elegible y participante laico inscrito recibirá una Contribución Definida individual (DC) o "Crédito" mensual en el plan HealthFlex de \$ 855 (financiado a través de la iglesia) y elegirá entre las seis opciones del plan HealthFlex.

Los participantes que elijan un plan con un costo superior al monto de crédito de DC o que elijan cubrir dependientes contribuirán con el monto adicional mediante una deducción de nómina de su iglesia para cubrir la diferencia de costo entre el monto de DC que reciben y su costo más alto por primas mensuales (la porción del participante en el costo de la prima). Los dependientes cubiertos se inscribirán en las mismas selecciones del plan elegidas por el clérigo principal o el laico participante.

Eliminación de la Disposición de renuncia de la Iglesia / Clero o "Exclusión" de HealthFlex

A partir del 31 de diciembre de 2018, se eliminará la exención de HealthFlex o la disposición de "Exclusión". Con el inicio de la Affordable Care Act (ACA), la conferencia ofreció la posibilidad de que el clero renunciara o "optara" por no incluir HealthFlex en una cláusula de exención para participar en los planes de intercambio público del gobierno para sus familias y ser elegible para un subsidio. La disposición de exención también permitió a los clérigos optar por no participar de HealthFlex en un plan de salud a través de un empleador anterior, cobertura proporcionada por el empleador del cónyuge, o Champus / Tricare. Después de una revisión cuidadosa, se determinó que ofrecer la disposición de exención no resultó en la elegibilidad para un subsidio de ACA ya que la iglesia financió el costo individual completo para el clero activo. Lo que es más importante, es el impacto al Plan de selección adversa en las reclamaciones y las inquietudes relacionadas con los nombramientos ya que los clérigos son nombrados ay desde las iglesias donde se ha realizado una "exclusión voluntaria" y los fondos de HealthFlex no están presupuestados. La Junta de Pensiones cree que los Beneficios de Salud no deberían ser un factor obstaculizador para equipar a una congregación con el excelente clero que necesita para el ministerio.

Para asegurar que el Plan sea eficiente y sostenible para beneficio de todos los participantes e iglesias, cualquier iglesia donde un clérigo haya elegido no participar en HealthFlex, aunque la disposición de exención deberá financiar la Contribución Definida (CD) o la prima a través de facturación directa a partir de enero 1, 2019. La cantidad 2019 de Facturación Directa de HealthFlex de \$ 8,208 tendrá que ser incorporada en el presupuesto de la iglesia de 2019 e informada en el formulario de Indemnización y Gastos de 2019.

Cuentas de gastos flexibles de HealthFlex

Los participantes elegibles de HealthFlex a tiempo completo pueden participar en la Cuenta de Reembolso Médico (MRA) opcional y en la Cuenta de Reembolso de Cuidado de Dependientes (DCA) que se ofrece como un beneficio financiado por deducciones de nómina de los participantes y administrado por HealthFlex y WageWorks.

Seguro de vida a término opcional

La Conferencia ofrece un seguro de vida a término opcional para empleados de tiempo completo de laicos y conferencias laicos sujetos a las pautas de suscripción de Prudential Life Insurance Company. Los participantes elegibles pueden elegir la cobertura de vida a término del grupo como una deducción de nómina.

Cuenta de reembolso de salud para jubilados (HRA)

Una cuenta de reembolso de salud para jubilados (HRA) es proporcionada por One Exchange para jubilados elegibles y financiada por prorratesos. La HRA se basa en el monto del estipendio recibido por los jubilados elegibles antes del 31 de diciembre de 2013. Desde el 1 de enero de 2018, hay 75 jubilados elegibles para una HRA con beneficios esperados por un total de \$ 109,236. Los jubilados elegibles deben estar inscritos en un plan Suplementario o Advantage de Medicare a través de los Beneficios (anteriormente One Exchange) para recibir la HRA. Con el fin de proporcionar la sostenibilidad del beneficio HRA y no aumentar los pasivos y las asignaciones del plan de beneficios de la conferencia, la HRA es una cantidad fija por cada jubilado elegible y no aumenta de un año a otro.

Según la política del Plan de Unificación de 2014, el estipendio HRA no se ofrecerá a ningún otro jubilado que no esté recibiendo actualmente una HRA. La HRA proporciona un reembolso por los gastos de atención médica elegibles del IRS, como las primas de la Parte B de Medicare, las primas del plan complementario de Medicare y los gastos de bolsillo, como el copago y los deducibles. Para recibir fondos HRA, los jubilados elegibles deben enviar un formulario de reclamo a través de Beneficios anualmente para el reembolso de la prima o según sea necesario para otros gastos elegibles del IRS.

JUNTA DE SÍNDICOS

INFORME I
 INFORME DEL PRESIDENTE, 2018
 SOLAMENTE PARA INFORMACIÓN

El trabajo de la Junta de Síndicos ha continuado a buen ritmo desde nuestra última Conferencia Anual. Hemos realizado la transición por venta de 7 propiedades que generan aproximadamente \$ 970,556.00 en ingresos. Al escribir estas líneas, algunas propiedades están bajo contrato y continuaremos actualizando nuestros números. De los ingresos de las propiedades vendidas:

\$ 632,212.00 han sido designados para el Fondo de Propiedad Urbana de acuerdo con el Plan Estratégico del Ministerio Urbano de Río Texas, adoptado por la Conferencia Anual 2016, de los cuales \$ 474,159.00 han sido puestos a disposición de los Equipos de Estrategia del Distrito y \$ 158,053.00 han sido puestos a disposición del Centro de Vitalidad de Misión.

\$ 6,617.00 han sido designados como "no urbano" y se ha puesto a disposición de los Equipos de Estrategia del Distrito.

De estos montos, debido al origen de las propiedades en transición, se restringe el uso de \$ 49,722.00 son de preferencia para apoyar ministerios hispanos / latinos.

Además de la transición de propiedades por venta, nos complació facilitar el uso de la antigua Faith United Methodist Church de Austin en el Distrito Capital, ya que funciona con una comunidad de fe dinámica llamada Austin New Church. Debido a que nos consideramos "socios" en los ministerios de la Conferencia Anual, también hemos ayudado a asignar propiedades personales de iglesias cerradas y abandonadas a iglesias que necesitan y pueden usar dichas propiedades.

Continuamos trabajando arduamente en nuestro rol de supervisión operacional para el Mt. Wesley en relación con la Oficina del Tesorero de la Conferencia. Hemos realizado renovaciones adicionales según el tiempo y los fondos han permitido. La mayoría de los edificios ahora tienen nuevos techos rojos. Los techos viejos sufrieron daños extensos por el granizo en la tormenta de 2016 y los beneficios del seguro pagaron por los nuevos techos. Nos complace informar que las renovaciones al Edificio Wilson y la tienda de regalos y oficinas hayan sido realizado. Además hemos renovado varias de las habitaciones. Dimos la bienvenida a Doug Morton como el nuevo Director Ejecutivo para Mt. Wesley a fines del año pasado, continuando nuestra asociación estratégica con Crossroads District. La Rda. Pat Gideon sigue siendo la directora del sitio. Todo el personal está trabajando duro, reservando las instalaciones y atendiendo a las necesidades de nuestros huéspedes. Ellos están haciendo un gran trabajo y estamos orgullosos de su trabajo.

Continuamos prestando atención sustancial al estado financiero de Mt. Wesley y se ha intentado vivir dentro de un presupuesto razonable para la operación y el mantenimiento de las instalaciones centrales. Al momento de escribir esto, no estamos cumpliendo por completo con esta meta de neutralidad financiera y el personal y la oficina del tesorero están trabajando arduamente para equilibrar los gastos con los ingresos. Las instalaciones centrales de Mt. Wesley están en buenas condiciones y esperamos que las mejoras resulten en reservas e ingresos adecuados. De importancia, continuamos con la visión del futuro de Mt. Wesley y exploramos asociaciones estratégicas que nos permitirán continuar nuestro ministerio en esa propiedad sagrada, incluso cuando abrimos posibilidades para que otros persigan sus objetivos de misión en Mt. Wesley. Creemos que los usos más altos y mejores de Mt. Wesley todavía se están revelando y estamos muy entusiasmados con algunas de las asociaciones potenciales que estamos explorando.

Respetuosamente,
 Bill Knobles, Presidente de la Junta de Síndicos

INFORME II
 AUMENTO DEL PORCENTAJE DE PROPIEDADES VENDIDAS PARA EL FONDO DE ADMINISTRACIÓN DE PROPIEDADES
 PARA ACCIÓN DE LA CONFERENCIA

La Conferencia Anual observará una reducción significativa en los ingresos generados por la venta de propiedades en comparación con los dos años anteriores. El motivo es simple: Ya hemos vendido la mayoría de las propiedades que estaban en suficiente buena forma y ubicadas en áreas donde es más factible vender una iglesia a otra comunidad de fe. Las propiedades restantes que tenemos en el inventario son más difíciles de vender y tienen un costo de mantenimiento más alto. En la Conferencia Anual de 2016, votamos para reducir el porcentaje de cada venta retenida por los Síndicos para administrar propiedades cerradas ("Fondo de Administración de Propiedades"),

del 20% al 10%. Podríamos administrar ese inventario con la cantidad reducida; sin embargo, ahora estamos pidiendo que el porcentaje se devuelva al 20% para el Fondo de Administración de Propiedades. Hemos determinado que el aumento es necesario para administrar las propiedades cerradas actuales, que son más difíciles de transitar. Solicitamos que este asunto sea incluido en el orden del día como elemento de acción, enmendando en consecuencia las reglas operacionales del Síndico administrador.

Respetuosamente,
Bill Knobles, Presidente de la Junta de Síndicos

LA ASOCIACIÓN DE UNIVERSIDADES METODISTAS UNIDAS DE TEXAS
PARA INFORMACIÓN SOLAMENTE

A causa del apoyo generoso de nuestras iglesias, la misión y el trabajo de la Asociación de Universidades Metodistas Unidas de Texas (TUMCA) sigue marchando bien. Como siempre, las palabras de John Welsey siguen guiando nuestro trabajo. La verdad que nos pondrá en libertad como nos prometen las Sagradas Escrituras se descubrirá en la unión del aprendizaje y de la piedad vital. Muchos de los escolares de TUMCA no sólo han hallado su llamada de carrera sino también han encontrado una vida espiritual donde les sirven a otros. Con el financimiento de becas se les ofrece a nuestros estudiantes una educación que presenta el desarrollo intelectual y el espiritual.

Los fondos de TUMCA concedidos a las universidades de Southwestern University, Southern Methodist University, McMurry University y Texas Wesleyan University son limitados a las becas para los estudiantes que los merecen de las congregaciones de las Iglesias Metodistas Unidas de Texas. En este año académico setenta y cinco estudiantes recibieron becas de TUMCA. A través de los años, muchos estudiantes han recibido ayuda de nuestra iglesia. Se prohíben usar los fondos para ladrillo y mortero.

Los estudiantes de TUMCA han compartido con nosotros su agradecimiento por este apoyo y la manera en que les ayudó moldear sus vidas de trabajo y servicio. Erin Roe es una escolar precedente que ya se graduó y ahora trabaja con niños que tienen aptitudes especiales. Ella nos contó lo siguiente:

Yo trabajo con niños entre las edades de 3 a 16 años. Unos son no verbales y otros funcionan a un nivel muy alto. Este trabajo me ha enseñado a celebrar las cosas pequeñas y apreciar cada momento y cada acontecimiento importante.

Yo sé que no soy un clérigo, por si mismo. Eso es que no predico del púlpito. Pero creo que mientras sigo una plataforma distinta todavía soy parte de un ministerio...Yo sí estoy enseñando a mis estudiantes como tratar a otros, como comunicar y como amar... Veo milagros por todo mi trabajo.

La primera vez que un niño dice "mamá", o la primera vez que su hijo les abraza, o la primera vez que su hijo juega con ellos: Veo a Dios por todas partes. Veo a Dios en la cara del niño que aprendió a hablar por señas para pedir agua... en la cara de la niña que fue invitada a un baile de gala. Ella pensaba que jamás le ocurriera a ella a causa de su diagnosis de autismo...¿Existe una mejor manifestación de Dios?

Aunque el apoyo de una congregación sea pequeño, el impacto de estos fondos sigue siendo enorme. Los estudiantes de TUMCA reciben esperanza, afirmación, ánimo, y ayuda en desarrollar las habilidades de liderazgo de servidor que servirán a la iglesia al día corriente y en el futuro. El clero, los líderes laicos, los profesores y los líderes de negocios y de la comunidad, una vez eruditos de TUMCA, ayudarán a trazar el rumbo para nuestra iglesia.

Nosotros en TUMCA creemos que nuestro trabajo continúa como una extensión del trabajo de nuestras congregaciones. Agradecemos su apoyo y prometemos usar las donaciones sabiamente y bien en la creación de discípulos de Jesucristo para la transformación del mundo.

FACULTAD DE TEOLOGÍA DE CANDLER
PARA INFORMACIÓN SOLAMENTE

Por más de 100 años, la **Facultad de Teología de Candler en la Universidad de Emory** ha preparado personas *reales* para hacer una diferencia *real* en el mundo *real*. Desde nuestra fundación en el año 1914, más de 10.000 estudiantes se han graduados de Candler, donde se han sido formado como líderes cristianos atentos, de principios y valientes dedicados a transformar el mundo en el nombre de Jesucristo.

Uno de los 13 seminarios oficiales de la Iglesia Metodista Unida, Candler ha sido incluido en una lista de los “Seminarios que cambian al mundo” los últimos cinco años, y recientemente fue nombrado un “Punto brillante en la educación teológica” por el Seminario de Auburn.

Candler también es una de siete las facultades de posgrado de la Universidad de Emory, la cual es una institución de investigación de alto nivel que ofrece amplios recursos y que se demuestra un compromiso al servicio. Nuestra ubicación en Atlanta provee un ambiente de aprendizaje con muchas oportunidades: La Junta General de Ministerios Globales tiene su sede aquí, también como muchas organizaciones de salud pública, el desarrollo internacional, y el servicio social. Simplemente, no hay mejor lugar para prepararse por el ministerio que también se dedica a las gran prioridades de nuestra denominación: el desarrollo de líderes, empezar y crecer iglesias, el ministerio con los pobres, y la mejora de la salud mundial.

Para mantenerse al día con las necesidades de la iglesia y el mundo, Candler ofrece 16 títulos: seis titulaciones simples y diez titulaciones dobles que se combinan la teología con la bioética, los negocios, la práctica del desarrollo, el derecho, la salud pública, o el trabajo social. Uno de nuestros nuevos títulos es el Doctorado en Ministerio que se cumple el 90 por ciento en línea, así que los estudiantes puedan quedar en sus lugares del ministerio mientras que estudien y puedan aplicar en su contexto lo que aprendan en la clase en el tiempo real. Nuestro programa de “Enseñanza Parroquial” permite que estudiantes Metodistas que cumplen con los requisitos puedan servir como pastores en iglesias locales mientras tomen clases — ganen un salario y experiencia pastoral mientras cursen materias, y además son guiados por un presbítero de la Iglesia Metodista Unida.

Nuestro alumnado sigue reflejando la diversidad y amplitud de los fieles cristianos, con 475 estudiantes inscritos, reflejando el 49 por ciento de mujeres, el 35 por ciento de personas de color (EE.UU.), y una edad promedio de 30 años. Los estudiantes representan 39 denominaciones, con la mitad de ellos viniendo de la familia metodista. El 82 por ciento de los estudiantes están buscando un título para prepararse como profesionales en el ministerio.

Candler tiene un compromiso profundo al alivio de la deuda estudiantil y utiliza una estrategia con muchas dimensiones para enfrentar este tema. En el año 2017-2018, dimos cerca de \$5.3 millones en becas de Candler, con el 97 por ciento de los estudiantes del MDiv recibiendo apoyo financiero y la beca promedia cubriendo el 75 por ciento del costo de matriculación. Además, nuestro programa comprensivo “Fe y Finanzas” enseña habilidades para el manejo de finanzas que les sirven a nuestros estudiantes en el presente y les van a seguir sirviendo, así como en las iglesias donde ministran, en el futuro.

La mitad de los profesores de Candler son parte de la Iglesia Metodista Unida y un 58% vienen de iglesias dentro de la familia metodista. Este año, dimos la bienvenida a la facultad a Metodista Unida Helen Jin Kim como profesora asistente de la historia americana religiosa, y dimos mejores deseos a nuestra colega Mary Lou Greenwood Boice quien se jubiló después de 25 años de servicios extraordinario a Candler.

Candler adquiere su fortaleza e inspiración en gran parte por su relación con la Iglesia Metodista Unida. Nuestra capacidad para cumplir con nuestra misión de formar líderes fieles y creativos por los ministerios de la iglesia en el mundo depende de su apoyo, dones, y oraciones. Gracias por las maneras innumerables en que se avanza este ministerio vital en la vida de nuestra denominación. Visítenos en persona en Atlanta o en línea en candler.emory.edu para ver de primera mano cómo Candler se prepara personas *reales* para hacer una diferencia *real* en el mundo *real*.

SOUTHWESTERN UNIVERSITY
PARA INFORMACION SOLAMENTE

Southwestern tiene una larga historia de primicias. Somos la primera institución de educación superior en Texas, hogar del primer Becario Rhodes en Texas, y el primero en la nación en honrar a los ex alumnos con una celebración de bienvenida. Para seguir siendo un líder en educación superior, Southwestern continuamente evoluciona y desafía a nuestros estudiantes a desarrollar experiencias educativas nuevas y dinámicas que preparen a nuestros estudiantes para las carreras y oportunidades del mañana.

Un ejemplo de evolución reciente en el campus de Southwestern se muestra a través de la adopción de nuestro plan de estudios actualizado. La nueva estructura, que se introdujo en el otoño de 2017, fue una iniciativa dirigida por un cuerpo docente desarrollada con la contribución de estudiantes y colegas. Incorpora un mayor énfasis en la agencia estudiantil, donde los estudiantes crean su propio camino educativo, en lugar de simplemente seguir una rúbrica que alguien más diseñó para ellos. La respuesta después de nuestro primer semestre ha sido tremenda.

Otro ejemplo de la evolución de Southwestern se puede ver en nuestros recientes esfuerzos de cambio de marca, que incluyen un logotipo actualizado y el lanzamiento de nuestro nuevo sitio web en noviembre. Las actualizaciones proporcionan vías para conectar mejor con los estudiantes actuales y futuros, profesores, personal, padres, alumnos, y los donantes. Cuidamos mucho para asegurarnos de que los cambios reflejen el compromiso de Southwestern con nuestro futuro, a la vez que honramos y permanecemos fieles a nuestro pasado.

En agosto, Southwestern dio la bienvenida a 363 estudiantes que ingresaron, lo que eleva nuestra inscripción total a 1,387. Un total del 73 por ciento de la clase nueva estaba en el 25 por ciento superior de su clase de graduación. Y el 38 por ciento estaba en el 10 por ciento superior. En total, 18 estados y dos países extranjeros están representados en la clase. Los estudiantes subrepresentados constituyen el 44 por ciento de la clase. Me complace tener la oportunidad de visitar personalmente a los posibles estudiantes y sus familias en 18 eventos organizados en el campus este año.

Southwestern también continuó el "Simposio de Pensamiento del Presidente sobre Vivir, Aprender y Liderar". Como parte de mi curso experimental, "Pensamiento efectivo y resolución creativa de rompecabezas", mi clase acogió a invitados de todo el país que describieron los "rompecabezas" de sus carreras profesionales, las prácticas de la mente que utilizan para resolverlos, y llevaron el pensamiento -provocar conversaciones sobre las experiencias significativas y transformadoras que han moldeado sus vidas.

Al reflexionar sobre este año pasado, me siento honrado de ser testigo del poder de Southwestern.

Una institución como la nuestra cambia constantemente, y es fenomenal observar cómo el cuerpo estudiantil se convierte en nuestra nueva visión del plan de estudios. Nuestra facultad está inspirada en lo que estamos haciendo dentro del aula, así como en el mundo académico de la investigación. Southwestern tiene muchos proyectos interesantes en el horizonte, incluida la Fase II de una expansión de \$ 37 millones de dólares al Centro de Ciencias Fondren Jones. La expansión, que se iniciará en febrero de 2018 y está programada para completarse en el otoño de 2019, está diseñada intencionalmente para mejorar el entorno de aprendizaje compartido y fomentar la colaboración entre profesores y estudiantes.

Este concepto está entrelazado en todo nuestro campus e incorporado en todas las áreas. La nueva articulación de Paideia, donde ahora Paideia está en todas las clases y se les pide a los estudiantes que tomen el proceso de pensamiento de esa clase en particular y lo apliquen a otra clase, ya sea teatro, campo deportivo o ciencia.

SAINT PAUL SCHOOL OF THEOLOGY FOR INFORMATION ONLY

Saint Paul School of Theology es un seminario de la Iglesia Metodista Unida, comprometido a la formación de personas para ministerios innovadores y creativos. Somos una sola institución con dos campus, en Kansas y Oklahoma.

El pasado año académico 2017-2018, Saint Paul matriculó 117 estudiantes en los programas de Maestría y Doctorado. La Escuela de Curso de Estudios de Saint Paul educó a 261 estudiantes en Kansas City, KS; Hays, KS; Oklahoma City, OK; and Springfield, MO.

Saint Paul School of Theology anunció un nuevo programa **FLEX** para la educación teológica, comenzando en el otoño de 2018. Los seminaristas recibirán una experiencia de aprendizaje más flexible (**Flexible Learning Experience**, en inglés) que combina conveniencia y las oportunidades comunitarias con una programación académica intencional. Los estudiantes podrán tomar una combinación de cursos en línea, presencial, e híbrida (combinación de en línea y presencial) para completar el plan de estudios requerido.

Se programará una semana FOCUS cada semestre para los estudiantes participando en cursos híbridos y presenciales. Se reunirán con profesores y profesionales capacitados para participar en retiros espirituales, clases prácticas que enseñan habilidades de ministerio (por ejemplo, planeamiento de funerales, tecnología en el culto, y reportes financieros), y actividades comunitarias.

La Junta Directiva y el presidente pusieron en marcha una nueva iniciativa de becas. Todos los estudiantes ingresantes al programa de Maestría, de tiempo completo, recibirá una beca de \$5000 para el año 2018. Esta amplia oportunidad es el esfuerzo más reciente para reducir el endeudamiento de estudiantes.

La socia del seminario, la Iglesia Metodista Unida de la Resurrección ofrecerá una beca completa de 3 años, comenzando en el calendario académico 2018-2019. El *Fellow* tendrá una pasantía práctica, paga, de 3 años, con un mentor ministerial para aprender habilidades en evangelismo, culto, cuidado pastoral, y discipulado.

La Dr. Amy Oden, Profesora de Historia Temprana de la Iglesia y Espiritualidad en Saint Paul en Oklahoma City University recibió el premio de Profesor Ejemplar, otorgado por GBHEM. Su libro titulado *Right Here, Right Now: The Practice of Christian Mindfulness* examina como las prácticas de atención plena cristiana comienzan con las enseñanzas de Jesús, y continúan a lo largo de la historia cristiana. Oden incluye instrucciones paso a paso para practicar atención plena cristiana hoy. El Dr. Mike Graves, Profesor William K. McElvaney de Predicación y Adoración, publicó un libro en octubre titulado *Table Talk: Rethinking Communion and Community*. *Table Talk* explora las prácticas de comunión y una nueva forma de hacer iglesia que se está haciendo popular en todo el mundo. El Dr. Graves escribe sobre el movimiento de las Dinner Church, y las formas en que se llevan a cabo.

UNIVERSIDAD METODISTA DEL SUR
INFORME DEL PRESIDENTE
PARA INFORMACIÓN SOLAMENTE

Hace más de cien años la Iglesia Metodista Episcopal del Sur tuvo la previsión de comprender lo que significaría una gran institución de educación superior para la joven y ambiciosa ciudad de Dallas. La Universidad Metodista del Sur (SMU) continúa marcando con avances emocionantes mientras los estudiantes y la facultad continúan buscando oportunidades que provean una plataforma para hacer un impacto global. Recientes acontecimientos incluyen:

En el otoño 2017 la matriculación total de SMU fue de 11,789 estudiantes incluyendo 6,452 en programas de licenciatura y 5,337 en programas de maestría y doctorado. Estudiantes de minoría étnica formaron un 26 por ciento de las matriculaciones. La matriculación de estudiantes internacionales fue de 1,785 (más del 15 por ciento total de matriculación) representando a 88 países internacionales.

SMU está categorizada entre una de las mejores universidades nacionales. El Reporte de las Noticias Nacionales y del Mundo 2017 (*2017 U.S. News & World Report*), categorizo a SMU entre las 20 mejores universidades nacionales. Un gran número de nuestros programas académicos y escuelas también han sido categorizadas entre las mejores nacionalmente.

Durante el 2016-2017, SMU recibió \$22 millones de fondos externos para proyectos de investigación nacionales y por todo el mundo. Actualmente los proyectos de investigación incluyen la búsqueda de la materia oscura, peligros naturales, calidad de agua, seguridad cibernética, análisis de datos, dificultades de aprendizaje, rendimiento humano, inmigración, tratamientos para el cáncer, enfermedades neurodegenerativas, diabetes, ansiedad y depresión.

En diciembre, SMU recibió una donación de \$1 millón otorgada por la Fundación Moody, la cual se utilizará para la renovación de diferentes secciones de la Escuela de Artes Meadows y para la investigación de educación clave dirigida por la Escuela de Educación y Desarrollo Humano Annette Caldwell Simmons. La Fundación de Nancy Ann Hunt (una institución que apoya a la Fundación de Comunidades de Tejas) otorgo una donación de \$15 millones, la cual ayudara a asegurar el apoyo de plazo largo para el programa de Lideres Escolares Hunt de SMU, el cual es uno de los programas escolares de prestigio que atrae a estudiantes sobresalientes de toda la nación a SMU.

Febrero del año pasado, Elena D. Hicks emprendió su nuevo puesto como decano de admisiones para programas de licenciatura de SMU. La señora Hicks previamente formo parte de la Universidad Loyola en Maryland donde sirvió como decano de admisiones. En julio Kenechukwu (K.C.) Mmeje comenzó su puesto como vice-presidente de asuntos estudiantiles. Previamente había servido en la Universidad Loyola de Chicago como vice-presidente asistente y decano de estudiantes. En agosto, Matthew B. Myers se convirtió en el decano de la Escuela de Negocios Cox. El señor Myers previamente había servido como decano de la Escuela de Negocios Farmer en la Universidad Miami en Ohio. El decano previo de la Escuela Cox de SMU, Albert W. Niemi Jr., se transfirió a servir como facultad de la escuela de tiempo completo. En agosto Stephanie L. Knight profesora e investigadora, reconocida nacionalmente como líder de educación, se convirtió en decano de la Escuela de Educación y Desarrollo Humano Annette Caldwell Simmons. Previamente, ella sirvió como decano asociado y profesor del Colegio de Educación en la Universidad Estatal de Pensilvania.

Entre la facultad que fue honrada en el 2017 se incluyó a Mark Chancey, profesor de estudios religiosos del Colegio Dedman en SMU, y Adam Herring, profesor de historia del arte en la Escuela de Artes Meadows. Ambos profesores recibieron una concesión por la institución de Guggenheim reconociendo sus logros y su prometedor futuro académico. También la reconocida antropóloga de SMU Caroline Brettell fue instituida a la Academia Estadounidense de las Artes y las Ciencias. Los proyectos de investigación de Brettell se enfocan en etnicidad, migración, y las experiencias de inmigrantes. Mayoría de la investigación de Brettell se ha enfocado en la región de Dallas-Forth Worth como una pasarela de inmigración, especialmente en analizar como los inmigrantes ejercen su vida común y el compromiso civil mientras se funden en las estructuras económicas, sociales, y políticas existentes.

Los profesores de bioquímica Pia Vogel y John Wise del departamento de Ciencias Biológicas de SMU y Corey Clark, subdirector del departamento de investigación Guildhall, están dirigiendo el atentado al cáncer en asociación con fanáticos del popular y más vendido video juego "Minecraft." Estos profesores esperan avanzar su búsqueda de encontrar compuestos químicos que mejoran la efectividad de drogas de quimioterapia. Wise y Vogel ha aprovechado el alto rendimiento de la súper computadora Mane Frame de SMU, una de las mejores súper

computadoras académicas en una lista de 20 en la nación. Con Mane Frame, Wise y Vogel han ordenado millones de compuestos químicos que posiblemente pueden ayudar en este combate. Ahora estos bioquímicos llevarán la investigación al siguiente nivel – computación con millones de encuestas humanas. Una red de personas que juegan el video juego pueden recortar un gran número de datos durante un juego rutinario emparejando dos armas poderosas: lo mejor de la intuición humana conjunto un enorme poder computacional de una red de procesadores de juegos.

En mayo, Francis S. Collins, M.D., Ph.D., director de los Institutos Nacionales de Salud (NIH) quien es mejor conocido como el líder dirigiendo el Proyecto Genoma Humano (HGP), se dirigió a los estudiantes de SMU durante la 103ra celebración de graduación de toda la universidad. La investigación personal del Dr. Collins lo llevo a descubrir los genes que causan la fibrosis quística, la neurofibromatosis, la enfermedad de Huntington y el síndrome de progeria Hutchinson-Gilford. Como director de los Institutos Nacionales de Salud, el supervisa el trabajo del instituto que brinda el más alto nivel de apoyo a los esfuerzos de la investigación biomédica en todo el mundo. Como un genetista innovador y evolucionario, y un cristiano devoto, Collins ha escrito sobre la integración de la lógica y la fe en dos libros de lenguaje ingles titulados *The Language of God: A Scientist Presents Evidence for Belief* (2006) and *The Language of Life: DNA and the Revolution in Personalized Medicine* (2011).

La Universidad Metodista del Sur (SMU) atesora su patrimonio metodista, y pedimos de su continuo apoyo y oración.

INFORME DE LA UNIVERSIDAD DE ÁFRICA CONFERENCIA ANUAL RÍO TEXAS 2018 FOR INFORMATION ONLY

La Universidad de África agradece profundamente a las congregaciones de la Conferencia Río Texas por fortalecer su apoyo e invertir el 94,21 % en la repartición del fondo para la Universidad de África (Africa University Fund, AUF) en 2017. Gracias Metodistas Unidos de Río Texas por su continua generosidad y fidelidad a este ministerio.

La Universidad de África tuvo un gran año en 2017, gracias a los Metodistas Unidos de la Conferencia Río de Texas y a través de la conexión que organizaron eventos de celebración para conmemorar el 25° aniversario de la universidad. Estos esfuerzos pusieron en primera fila el impacto que tiene la Universidad de África y alentaron a las congregaciones a reafirmar su compromiso con la misión de la institución de apoyar a los líderes mundiales.

Actualización institucional:

- La Universidad de África alberga una vibrante comunidad universitaria de 1417 estudiantes a tiempo completo, así como profesores y personal de 31 naciones. Otros 392 estudiantes estudian a tiempo parcial. En medio de la transición en la gobernanza de Zimbabue, en la Universidad de África las actividades de enseñanza y aprendizaje han continuado ininterrumpidamente.
- Una estructura académica más ágil y mejor organizada, que incluye el nuevo Instituto de Teología y Estudios Religiosos, fomenta la innovación y mejora la relevancia de la Universidad de África para la Iglesia Metodista Unida y para el África subsahariana.
- La Universidad de África está haciendo innovadoras contribuciones regionales en protección de migrantes y refugiados, los derechos del niño y los esfuerzos de África por erradicar la malaria y otras enfermedades transmitidas por insectos.
- Más de 8000 graduados están comprometidos en esfuerzos de discipulado, el ministerio entre los pobres, la mejora de la salud pública y de la calidad de vida en las comunidades de África. Entre ellos se encuentra el reverendo Jean Ntahoturi (*MTS-2005* y *MBA-2006*), elegido representante legal de la Iglesia Metodista Unida en Burundi en mayo de 2017, quien condujo a una iglesia dividida hacia la unidad después de más de una década de relaciones contenciosas.

- Para 2020, se espera que un centro de incubación de empresas que se lanzó en la Universidad de África en 2017 ofrezca productos y servicios comercialmente viables que hayan sido desarrollados en asociación con innovadores e inversores africanos.

Mientras la Universidad de África acepta las oportunidades emergentes de servicio e impacto dentro y fuera de la iglesia en África, el apoyo continuo de la Conferencia Río Texas es de vital importancia. Continúen teniendo a la Universidad de África en sus oraciones. Mientras ustedes y sus feligreses evalúen su impacto en el ministerio, recuerden a los jóvenes que están siendo capacitados en la Universidad de África. El 9 de junio, la Universidad de África incorporará a más de 600 nuevos graduados a las filas de sus exalumnos. Su gracia es el milagro de ellos, y ellos le agradecen a Dios por ustedes.

Gracias, Conferencia Río Texas, por su papel fundamental en la historia de la Universidad de África. Gracias por ser parte de 25 increíbles años de hacer realidad este sueño. Mientras invierten y viven el ministerio con la Universidad de África, están construyendo un legado global. Que Dios les bendiga y les tenga siempre en la abundancia de la gracia y misericordia.

INFORME DE EDUCACIÓN SUPERIOR Y MINISTERIOS UNIVERSITARIOS 2018 PARA INFORMACIÓN SOLAMENTE

Ministerios Universitarios

La Conferencia de Río Texas trabaja con 11 ministerios universitarios que sirven 12 campus que incluyen los siguientes: St. Philip's College, Huston-Tillotson University, San Antonio College, UT-San Antonio, Trinity University, Victoria, Texas State University, UT-Rio Grande Valley / South Texas College, Angelo State University, Texas Lutheran University y UT-Austin.

Durante el año escolar 2016-2017, los ministerios universitarios informan que participan cientos de estudiantes en sus reuniones y eventos. Los ministerios universitarios dirigieron grupos de estudio bíblico que se reunieron durante todo el año. Los ministerios universitarios metodistas vieron estudiantes haciendo profesiones de fe y respondiendo al llamado del ministerio ordenado. Muchos estudiantes participaron en misiones y actividades que incluyeron proyectos como College UM ARMY, Jordon House (hogar para personas con discapacidad mental), limpieza de patios para personas con SIDA (Austin Care Communities), pintar casas para ancianos, Save our Schools, Sacred Heart Respite Center, proyectos de alivio de inundaciones, viajes internacionales a misiones y más. Además de estas formas de alcance, los estudiantes de los ministerios universitarios se relacionaron con muchas iglesias locales.

Los ministros universitarios reportaron varios aspectos destacados del ministerio durante el año:

"Hot Potato Issues" (asuntos "intocables") que trae oradores de mayor calibre, temas relevantes y un aumento constante de la asistencia de los estudiantes; la relación ministerial en el campus con la institución continúa floreciendo con más invitaciones para oraciones e invocaciones para eventos en el campus; traer estudiantes que han tenido una relación mala o ninguna con la iglesia; aprendiendo muchas formas nuevas y diferentes de ser espiritual (adoración experiencial, iglesia alrededor de la mesa, juego divino, etc.); creando una comunidad cristiana que proclama las Buenas Nuevas y se compromete a ayudar a los latinos a completar sus metas de educación superior; trabajo de extensión con refugiados e inmigrantes; aumentar la participación y efectividad del primer año en el ministerio para ellos; crecimiento continuo en profundidad de nuestro programa de discipulado, efectividad y números involucrados.

Nuestros ministros universitarios están involucrando a los estudiantes en nuestros campus en una variedad de formas, a través de medios creativos y efectivos. Nuestra inversión en estos ministerios da como resultado vidas cambiadas: estudiantes, profesores y comunidades... aquí en Texas y en todo el mundo. A través de estos ministerios, los ministros del campus continúan hacer discípulos, guiar a los discípulos en el crecimiento espiritual y proporcionar a los futuros servidores y ministros sus primeras o formativas oportunidades de servicio y liderazgo. Nuestra área de supervisión continúa animar los ministros y ministerios de nuestras escuelas a buscar y desarrollar asociaciones con iglesias y distritos locales a fin de desarrollar ministerios verdaderamente connexional, y pedimos a nuestras iglesias y distritos locales que busquen maneras de conectarse con los ministerios universitarios para extender su propio alcance de fe en el mundo.

Por favor visite este sitio web para aprender más acerca de nuestros ministerios universitarios y nuestros ministros de campus, y para conectar sus estudiantes universitarios con estos ministerios: <https://riotexas.org/campus-ministry/>

Becas Universitarias

El Comité de Becas de Río Texas tuvo el placer de leer las 15 solicitantes calificados para las cuatro becas disponibles gracias a la generosidad de los fondos de becas Craven-Wilson y Albert & Nancy Wilson. Los premios fueron presentados en una conferencia anual a nuestros destinatarios merecedores. Se enviaron cartas de felicitación, se notificaron a los consejeros y se informaron las denegadas de las decisiones relacionadas con sus solicitudes. Seguimos agradecidos por el trabajo del Comité de Becas (Ruby Miller, Javier Leyva y Linda Keen) que han servido incansablemente, durante muchos años, en la búsqueda de seleccionar a los candidatos más calificados para los premios. Las fotos de los destinatarios de los premios se publican en el sitio web de la Conferencia Río Texas.

La fecha límite de solicitud de becas es el 1º de abril. Animamos a las iglesias a promover la oportunidad con anticipación para que los solicitantes puedan tener una ventaja en su planificación para presentar la mejor aplicación posible sin tener que apresurarse en el fin del tiempo de la invitación. No podemos enfatizar lo suficiente que los grupos de solicitantes son fuertes y competitivos. Estamos muy orgullosos de las declaraciones personales y la participación significativa de nuestros solicitantes y esperamos que nuestras iglesias promuevan esta oportunidad durante todo el año.

CONSEJO DE MINISTROS ORDENADOS
 INFORME DEL PRESIDENTE
 SOLAMENTE PARA INFORMACIÓN

Sr. Obispo Schnase, miembros del Gabinete y de la Conferencia Anual; saludos en el poderoso nombre de Jesucristo. Este ha sido un buen año para la Junta de Ministerio Ordenado. Es verdaderamente una bendición y un honor poder servir en la conferencia anual por medio del trabajo de llamar, equipar y afirmar a aquellos a quienes Dios ha guiado al ministerio ordenado en la Iglesia Metodista Unida.

Al repasar el pasado año ministerial, pienso en muchas conversaciones que, como grupo, hemos tenido para ayudar a dirigir y organizar la vida clerical de la conferencia. Continuamos enfocándonos en agudizar nuestro trabajo de ayudar a las personas a discernir su llamado al ministerio vocacional y nuestro trabajo de evaluar la preparación y la fecundidad para aquellos que ingresan al ministerio ordenado. También hemos tenido conversaciones sobre formación continua y contabilidad y estamos comenzando nuestro trabajo hacia la nueva evaluación de ocho años delineada en el Libro de Disciplina de 2016. Este ha sido un año con una mirada hacia el futuro.

Me gustaría agradecer a los miembros de la Junta de Ministerio Ordenado por su dedicación, tiempo y enfoque en nuestro trabajo. No es un trabajo fácil y nuestra junta representa a Cristo y a su iglesia con gracia y fortaleza.

Este año nos enorgullece presentar a los siguientes candidatos para ser comisionados como Presbíteros Provisionales y Diáconos:

- Presbíteros provisionales: Forrest Macon Deviney, Janet Kay Larson-Hahn, Reese Alexandra Henry III, Michele Marie Lott y Susan Kay Rang
- Diáconos provisionales: Lori Michelle Balensiefen y Clayton Neal Smallwood

Tenemos orgullo de presentar a los siguientes candidatos para membresía y ordenación completa:

- Presbíteros: Frank Bumjoon Baik, Robert Lee Clark, Aarón A. González, Glenn Arthur Luhrs, Walter Alfred Prescher III, Rebekah Cecilia Rochte, Bryan Jay Rogers, Michelle Jacquelynn Vernone y Adrienne Lynn Zermeno
- Diácono: Charles Eugene Roe

Nos enorgullece presentar al siguiente candidato a la Membresía Asociada: Allen Noah

Bendiciones,

Rdo. Adam Knight, Presidente

OFICINA DE MINISTERIOS CONEXIONALES
SOLAMENTE PARA INFORMACIÓN

La Oficina de Ministerios Conexionales es una nueva adición 2017 a la Conferencia Río Texas. Ha sido un primer año emocionante servir como Directora de esta oficina, escuchando, discerniendo, construyendo nuevas relaciones, en el aprendizaje y planificación estratégica, incluyendo eventos de pequeña escala a gran escala que afectan a nuestro clero, a los laicos y, finalmente, a las congregaciones locales y al campo misionero. En agosto de 2017, viajé con los superintendentes de distrito recién nombrados a Lake Junaluska, donde participamos en capacitación combinada para los aquellos nuevos en estos puestos. En esta capacitación aprendimos cómo nuestras respectivas oficinas pueden trabajar juntas para cumplir la misión de la Iglesia Metodista Unida (Haciendo Discípulos para Jesucristo para la Transformación del Mundo). Por ejemplo, mientras que el rol principal del Superintendente es "Jefe de Estrategia Misional", el DCM (Director de Ministerios Conexionales) es el "Mayordomo de la Visión". Lo que esto significa para nuestra Conferencia Anual es que, trabajando juntos, estos puestos son agentes de cambio para la renovación de misiones a través del cultivo de ministerios vitales.

De esta capacitación, también aprendí que cada Conferencia Anual y Obispo utiliza la oficina de Ministerios Conexionales en diversas formas. En pro de la Conferencia Río Texas, esta Oficina tiene la responsabilidad principal y la supervisión de lo siguiente: la Reunión Anual de la Conferencia, la Convocatoria del Clero, los nombramientos, la Mesa Unida, el Equipo de Visión del Pueblo y la Supervisión Administrativa del Centro de Vitalidad de la Misión (MVC).

Reunión de la Conferencia Anual (AC): La Oficina de Ministerios Conexionales agradece al hábil personal de la conferencia, al clero y a los laicos que dedican una gran cantidad de tiempo y energía a la planificación de este evento. A lo largo de la temporada de planificación, tanto el equipo de diseño de la CA (Conferencia Anual) como el de Planificación Estructural se reúnen periódicamente para garantizar que los valores centrales de semejanza a Cristo, la Fecundidad, la Excelencia, la Responsabilidad y Colaboración se manifiesten en todas las fases de esta conferencia de enseñanza y compañerismo.

Convocación del Clero - La Convocación del Clero 2018 fue planeada por un hábil equipo de clérigos y laicos con el objetivo de proporcionar una excelente oportunidad para aprendizaje, adoración y compañerismo. Excelentemente organizado por la University UMC de San Antonio, el evento de 24 horas de este año se realizó de manera significativa. Los asistentes salieron de la convocatoria sintiéndose alentados y desafiados a prosperar, independientemente de lo desconocido o desafiante por delante. Lo más destacado de este año incluyó a la oradora invitada, la Obispo Janice Huie (TMF) y el anfitrión predicador, el Rdo. Olu Brown de Impact Church, Atlanta, Georgia, y la hora de enseñanza del Obispo Robert Schnase, que incluyó actualizaciones del trabajo de la Comisión Hacia el Futuro. La novedad de este año fue la oportunidad de comprar libros relacionados con el tema del tema de la Convocación, "La Resiliencia en Tiempos Difíciles", mediante una visita a la tienda de Cokesbury in situ. Otra nueva incorporación a la Convocación fue un Centro de Bienestar enfocado en cuerpo, mente y espíritu. Junto con el valioso material educativo, el punto culminante del Centro de Bienestar fue el servicio de masajes ofrecidos sin costo para los asistentes.

Nombramientos: A medida que fijamos la vista hacia el próximo cuatrienio, estamos desarrollando un nuevo y mejorado proceso de nombramientos que permitirá a la Conferencia tener cada función suplida de "Líderes diversos, calificados y llamados" de obsequios, pasión y compromiso, con la oportunidad de liderar.

Mesa Unida - Como Uds. aprenderán en el Informe Previo a la Conferencia de la Mesa Unida (MU), la MU está en un proceso de discernimiento para abordar y aclarar los desafíos de adaptación, y discernir cómo podría ser una nueva estructura operativa para este cuerpo gobernante mientras La Conferencia Río Texas continúa creciendo y adaptándose a una nueva estructura conferencial.

Uniting People's Vision Team (Equipo de Visión Para la Unificación del Pueblo)- "La función del "Equipo de Visión Para la Unificación del Pueblo" es facilitar la unidad, el testimonio, la comunicación y la justicia, y trabajar hacia la competencia intercultural en todas las áreas de la vida de la conferencia." (Plan de Unificación) Bajo la supervisión de la Oficina de Ministerios Conexionales y similar a la Mesa Unida, el Equipo de Visión Para la Unificación del Pueblo se encuentra en un período de reestructuración para considerar cómo este equipo puede alinearse mejor con la visión y la misión renovada de la conferencia a medida que los equipos intentan aclarar desafíos adaptativos, ayudar a unir personas y trabajar mejor con los equipos de estrategia del distrito, para desarrollar, proveer recursos, comunicar, apoyar y ofrecer testimonio en todas las áreas de la vida de la conferencia.

Supervisión Administrativa del Centro de Vitalidad de la Misión (MVC): a medida que continuamos conviviendo con nuestra nueva estructura de conferencias, las responsabilidades y funciones continúan evolucionándose. Recientemente, la Oficina de Ministerios Conexionales ha asumido la supervisión administrativa del MVC, la cual

incluye las tareas administrativas diarias, la supervisión y la evaluación de los directores de MVC y el personal de apoyo.

Para concluir, como se mencionó anteriormente en este informe, en colaboración con los Superintendentes de Distrito y los Distritos en los que sirven, y el MVC, la Oficina de Ministerios Conexionales continuará siendo fructífera en su ministerio para administrar la visión de la Conferencia de alcanzar el campo de misión en nuevas formas intencionales, frescas y en hacer su parte para garantizar la excelencia, tanto en el clero como en los laicos. ¡Es realmente emocionante y humillante ver y experimentar todo lo que Dios está haciendo dentro de y por medio de la Oficina de Ministerios Conexionales! Para mí es un privilegio servir en la Conferencia Río Texas.

MESA UNIDA SOLAMENTE PARA INFORMACIÓN

En muchas avenidas se nos recuerda que la misión de la Iglesia Metodista Unida es *Hacer discípulos de Jesucristo para la Transformación del Mundo*. A veces nos preguntamos "¿Cómo es la transformación?" A partir del capítulo doce de Romanos, Pablo habla sobre cómo es una vida transformada y qué significa vivir vidas justas y santas. Termina su enseñanza con una semi bendición en 15:13 "Que el Dios de la esperanza os llene de gozo y paz en la fe para que abunde de esperanza por el poder del Espíritu Santo". El trabajo de la Mesa Unida es empoderar a la Conferencia de Río Texas a rebosar de esperanza.

En septiembre de 2017, algunos líderes de la conferencia se reunieron con John Thornberg de la Fundación Metodista de Texas para facilitar una conversación sobre dónde estamos en la unificación de la estructura de la conferencia. Nos reunimos con dos resultados deseados: (1) para aclarar nuestras preguntas de adaptación y (2) para nombrar los siguientes pasos a medida que avanzamos, mientras nos mantenemos fieles a los principios de unificación. Nuestra conversación fue honesta, transparente y muy alentadora. Abordamos el tema de dónde nosotros, como Conferencia Anual, nos veíamos en un continuo entre tener iglesias y clérigos en lucha en un extremo y tener una conferencia fiel y efectiva en el otro extremo. Nos dimos cuenta de que todavía estamos lidiando con problemas y condiciones (Gil Rendle). Un problema se puede abarcar mediante el uso de recursos disponibles, una condición requiere aprendizaje. Cuanto más ansioso se vuelve nuestro sistema, más probable es que una condición se convierta en un problema. En realidad, para llevar nuestra Conferencia Anual a rebosar de esperanza, debemos abordar nuestras condiciones con aprendizajes. En otras palabras, a medida que continuamos avanzando en nuestra nueva estructura de conferencias, no hay una solución mágica para ningún problema percibido: tenemos algunos desafíos adaptativos que requieren aprendizaje. La Mesa Unida todavía está en el proceso de crear una cultura de aprendizaje y encontrar maneras de apreciar nuestra nueva conferencia.

Entonces, mientras aprendemos, también estamos haciendo un ministerio maravilloso en la recuperación de huracanes y el entrenamiento en desastres, con políticas de seguridad, formación espiritual, transformación de proyectos, nuevas avenidas de adoración y una plétora de oportunidades para la misión. Vemos bolsas de ministerios innovadores y maravillosos que tocan los corazones y las vidas de las personas y que realmente están haciendo una diferencia para el reino. La Mesa Unida desea ser una junta otorgante de permisos que mantengan la visión de la Conferencia Anual frente a nosotros en todo momento. Que rebosemos de esperanza en todo lo que hacemos. Estamos siendo transformados.

En servicio de Cristo,
Rdo. Dr. Ralph D. Mann, Presidente de la Mesa Unida

INFORME DEL DIRECTOR DEL CENTRO DE VITALIDAD DE MISIÓN PARA INFORMACIÓN

Qué gozo ha sido trabajar que en este año pasado con tantas congregaciones, pastores y laicos que aman a Jesús, a la iglesia y a su comunidad y campo de misión. A este momento el año pasado, el Obispo Schnase estaba estableciendo una nueva configuración de personal en el Centro de Conferencias con nuevas responsabilidades para que las congregaciones pudieran ser más fructíferas y que Cristo pudiera hacerse conocido cada vez más. Con la Reverenda Diana Phillips como Directora de Ministerios Conexionales asumió muchas de las responsabilidades de lo que una vez fue la función del Director Ejecutivo del Centro de la Vitalidad de la Misión como la de la Convocación del Clero, la planificación de la Conferencia Anual, la Mesa Unida y mucho más (ver el informe a continuación). Con la jubilación del Rdo. Bob Allen y con el Rdo. Dr. Marcus Freeman nombrado a ser Superintendente del Distrito de Crossroads, mi oficina asumió el Desarrollo de la Nueva Iglesia, parte del Desarrollo del Liderazgo del Clero, la Revitalización de la Iglesia, el Ministerio del Campus y Colegio y el Desarrollo del Laicado.

Con un enfoque en la fecundidad tanto en la vitalidad congregacional como en la excelencia del clero, tuve la alegría de caminar y trabajar con muchos líderes y pastores de congregación. Pude enseñar en muchas de las reuniones de la Profesión del Distrito, los talleres de Liderazgo del Distrito para laicos, y ayudar a los equipos de Estrategia del Distrito a pensar cómo podrían ayudar a alentar, enseñar y liderar a las congregaciones a ser audaces para alcanzar a las comunidades a las que sirven. Aquí hay algo de lo que se enseñó y se compartió:

Nuevo Desarrollo de Iglesias: Las situaciones están cambiando, y debemos mirar más allá de las formas "tradicionales" de alcanzar a nuevas personas para Cristo. Mientras que los comienzos de las iglesias tradicionales y las plantas de las iglesias de múltiples sitios y satélites siguen siendo muy importantes (y necesitamos más de ellos), también son caros y muy centrados en el clero a medida que se comienzan. Hemos empezado a enseñar y a visualizar en formas más nuevas, más orgánicas y de menor costo tan prohibitivo para conectarnos con aquellos que no asisten a congregaciones locales, tales como Fresh Expressions, Worship Focused and Intentional Communities (Nuevas Expresiones y Comunidades Intencionales y Enfocados en la Adoración), pero también estamos dejando lugar a formas más nuevas, aún no conocidas, en las que podemos unirnos a Dios en formas creativas para alcanzar a las personas. Oro por que nuestra conferencia pueda comenzar a imaginar cómo arriesgarse y experimentar más allá con estas nuevas formas ... y ver todas las formas en que Dios se está moviendo y unirnos a Dios para amar a su pueblo. También ha sido grato conocer y alentar a tantas iglesias tradicionalmente anglosajonas que tienen o que ya están comenzando servicios hispanos. En el último recuento, hay más de una docena de iglesias que han comenzado servicios bilingües o de habla hispana en los últimos 5 años. Muchas iglesias buscan fondos iniciativos a través de subvenciones para comenzar nuevos ministerios, y yo oro para que más valientes salgan de formas que nunca anteriormente intentaron.

Empezamos el año de la conferencia con 10 inicios de iglesias "no registradas" (una en varios sitios, seis comienzos de iglesias tradicionales nuevas, dos iglesias misionales y una comunidad de encarnación intencional). Una se cerró en marzo, una tuvo un gran relanzamiento en diciembre, y esperamos que al menos dos se fleten para fines de 2018 ... además, otras todavía están en proceso de cambio.

Desarrollo de Liderazgo: 128 laicos y clérigos asistieron al Instituto de Liderazgo en la Church of the Resurrection en KS 128! Eso fue casi 3 veces más de lo que han asistido anteriormente. ¡Qué gozo viajar y aprender con tantos! Y luego, 3 meses después de la conferencia, hay nuevas conversaciones, nuevas formas de hacer ministerio, nuevas actividades de extensión y sistemas de hospitalidad que ya están en marcha. También ha habido tres grupos de lectura del clero (con aproximadamente 45 clérigos) que han estudiado uno de los libros: *Fresh Expressions*, *The Art of Neighboring*, and *Leadership Directions from Moses* (*Expresiones Frescas*, *El arte de Ser Vecino* y *Direcciones de Liderazgo de Moisés*). Espero para que antes de que comience la conferencia anual, al menos uno o dos grupos leerán *Floodgates* o *Canoeing the Mountains* con otros miembros del clero y sus equipos de liderazgo de la iglesia. ¡Pero por favor no esperes a que organice un grupo! Reúna a sus colegas y laicos clave para leer y orar y dar un paso en nuevas direcciones animando a los demás mientras se hacen responsables por algo más que solo aprender. Finalmente, enviamos a 10 clérigos (7 de los cuales eran pastores de iglesias latinas / hispanas más pequeñas) a una capacitación de la Red de multiplicación de iglesias presentada por la Iglesia de la Asamblea de Dios en marzo. La iglesia de AoG ha hecho un buen trabajo al llegar a la primera y segunda generación de la comunidad latina / hispana. Anhelo ver cómo Dios usará este entrenamiento para ayudarnos a ser más efectivos en alcanzar nuestro creciente campo misionero hispano-latino.

Revitalización: Ya que el número de iglesias que se registran para HCI ha bajado un poco, muchas iglesias todavía están buscando formas de ser más vitales. Algunas han hecho que visitantes "misteriosos" visiten para aprender cómo son percibidos como invitados por primera vez, otros han comenzado a trabajar con *The Un-stuck Group* (El Grupo No Adherido) para aprender nuevas formas, y otros todavía están trabajando en el Plan de Acción Ministerial establecido por la Iglesia de Iniciativa Saludable. Al mismo tiempo, ha sido iluminante trabajar con iglesias que se están dando cuenta de que están llegando al final del ciclo de vida de su iglesia y están comenzando a pensar en el legado que podrían dejar en el futuro. Todo esto es una nueva vida ...

Ministerio Universitario y Campo: El ministerio del Campo de la Escuela todavía se fortalece bajo el liderazgo de Jon Herrin y Margot Perez-Greene. Once campos en nuestra conferencia tienen una presencia metodista unida gracias a los hombres y mujeres llamados a alcanzar a los jóvenes adultos. Comenzando en abril (cuando esto se escribe), hemos comenzado a recopilar datos mensuales e historias de cómo Cristo está alcanzando e impactando a los hombres y mujeres en estos campos. Ansío por compartir las historias a medida de que experimentamos más. ¡Oren y apoyen a estos estudiantes universitarios en su iglesia local!

EQUIPO DE VISIÓN DE TRANSFORMACIÓN DE COMUNIDADES / VITALIDAD DE ALCANCE
PARA INFORMACIÓN SOLAMENTE

El Equipo de Visión de Transformación de Comunidades, establecido por la nueva Conferencia Río Texas, continúa participando en un trabajo transformador de la iglesia y la comunidad. Desde su creación, el equipo ha participado en diversas reuniones, retiros y talleres enfocados en desarrollar y apoyar iniciativas de cambio transformacional. El equipo trabaja en próxima colaboración con la oficina de Outreach Vitality.

Las áreas de enfoque programático incluyen: Recuperación del Desastres del Huracán Harvey, Respuesta ante Desastres y Voluntarios en Misión, el Equipo de Respuesta a la inmigración y Justicia para Nuestros Vecinos, Ofrendas Especiales de la Conferencia y Paz con Justicia e Impacto de Texas. El equipo está dividido en cuatro equipos de trabajo que incluyen: Educación, Capacitación y Apoyo, Comunicaciones, Modelos de Ministerio y Preocupaciones Raciales étnicas.

Otras iniciativas nuevas incluyen ministerios y preocupaciones raciales / étnicas. Dos miembros del equipo participaron en las asambleas de Nativos Americanos de la IMU con el propósito de obtener discernimiento y conocimiento de los Ministerios de nativos americanos. La Conferencia Río Texas abarca muchas comunidades en el sur de Texas que tienen una presencia reconocible de nativos americanos. El equipo está explorando formas de conectarse con estas comunidades.

Otra área de enfoque son los ministerios hispanos latinos. Estos ministerios son un componente vital de la nueva Conferencia Río Texas. Se necesita más trabajo y enfoque para desarrollar y fortalecer estos ministerios para llevar el evangelio a nuevas personas y nuevos lugares. Durante el retiro de primavera en 2018 del equipo, los pastores hispanos latinos fueron invitados a compartir sus experiencias en el ministerio. Muchos compartieron su alegría y sus logros al servir a la comunidad hispana latina. Muchos también compartieron sus desafíos y dificultades en el ministerio con recursos y apoyo limitados. El área de ministerio necesita ser una conciencia y una prioridad intencional para la nueva Conferencia Anual Río Texas. La unificación de las conferencias Río Grande y Southwest Texas se estableció para utilizar maneras más eficaces de utilizar los recursos de la IMU para ministrar a las comunidades del sur de Texas. El ministerio hispano latino es una estrategia clave para este objetivo y visión.

Los informes adicionales proporcionados en esta revista previa a la conferencia están específicamente relacionados con la planilla del Secretario de Ministerios Globales de la Conferencia como parte del trabajo del Equipo de Visión de Transformar Comunidades. Durante el año de la conferencia anual 2017-2018, la oficina de Outreach Vitality con el Equipo de la Visión de Transformar Comunidades continúa nutriendo los desarrollos en curso del siguiente trabajo:

Respuesta a Desastres

El huracán Harvey dominó el trabajo en el Ministerio de Respuesta a Desastres durante el año pasado, pero el Comité de Respuesta a Desastres ha tomado medidas para garantizar que continúe el trabajo del Ministerio. Están comprometidos a continuar su trabajo en la capacitación, las relaciones con la iglesia y las operaciones de depósito y, lo más importante, estar preparados para responder eficazmente cuando ocurra el próximo desastre en la Conferencia. Antes de Harvey, los proyectos de Administración de casos relacionados con las inundaciones de primavera de 2015 se completaron en los condados de Caldwell, Nueces y Jim Wells y se destinaron fondos para ayudar al equipo de recuperación regional del Río Blanco con necesidades no cubiertas y para un asistente de construcción. Cuando Harvey impactó en catorce condados en la Conferencia a fines de agosto de 2017, desencadenó un esfuerzo de respuesta mucho más grande y complejo de lo que se había llevado a cabo en los últimos tiempos.

La respuesta inicial a Harvey vino en forma de movilización, despliegue y recepción de Equipos de Respuesta Temprana a través de respuestas inmediatas de la iglesia y la comunidad en el Distrito Coastal Bend- Aransas Pass, Rockport, Port Aransas, Ingleside, Refugio y el distrito Crossroads - Victoria, Bloomington , Port Lavaca, Seadrift, Columbus y La Grange. Las ofrendas de la iglesia local de Río Texas, obsequios de otras congregaciones, conferencias, fundaciones y fondos del Comité Metodista Unido de Socorro [UMCOR] han respaldado la respuesta inmediata y temprana y continuarán haciéndolo para la recuperación a largo plazo. Bajo la dirección de Vicki McCuiston, gerente de recuperación de desastres, y Nikki Leaverton, directora de recuperación de desastres, estos fondos brindan administración de casos de calidad a sobrevivientes, coordinación y supervisión de reconstrucción de viviendas, coordinación y ubicación de voluntarios, la compra de materiales de reconstrucción para asociarse con el trabajo voluntario y el apoyo organizativo para liderar esta respuesta de recuperación proyectada de 3 años; todo esto hace posible que este trabajo sea nuevo y sin precedentes para la Conferencia Río Texas a esta escala y alcance.

Debido a la naturaleza sin precedentes del desastre de Harvey, el comité de Respuesta ante desastres de la Conferencia lanzó un sitio web independiente que contiene información sobre capacitación; áreas de enfoque de recuperación de desastres; cómo enviar equipos ERT y VIM; e información sobre viviendas, formularios y tarifas, y más. Por favor comparta este sitio web con sus equipos de misión y congregación - www.riotexasresponse.org. Este

sitio web, aunque se creó en respuesta al huracán Harvey, será una herramienta utilizada para responder y prepararse para desastres futuros.

El Comité de Respuesta ante Desastres de la Conferencia implementó múltiples oportunidades de capacitación para el Equipo de Respuesta Temprana (ERT) y anima a todas las iglesias a participar en conversaciones sobre preparación para la recuperación de desastres, para la identificación de líderes para capacitarse y para la movilización de apoyo cuando ocurre un desastre. Hay 102 equipos de ERT (47 RTC) y más de 200 ERT individuales respondieron al huracán Harvey a partir del 1 de marzo de 2018.

El Comité de Voluntarios en Misión de la Conferencia también ha estado entrenando activamente a los líderes de VIM para que ayuden en la conducción de equipos de misiones de recuperación y reconstrucción a largo plazo para los distritos de Coastal Bend y Crossroads. Los equipos de VIM comenzaron a llegar el día después de Navidad para comenzar a reconstruir el trabajo identificado a través de las oficinas de administración de casos. 24 equipos (5 RTC): más de 300 voluntarios han respondido a los proyectos de reconstrucción del 26 de diciembre de 2017 al 1 de marzo de 2018.

Las oficinas de administración de casos ubicadas en FUMC Aransas Pass y FUMC Victoria tienen 13 administradores de casos y 2 supervisores de gestión de casos. Una carga de promedio de casos es de 30 casos por administrador en un momento dado. Los administradores de casos están respondiendo sin cita, referencias e información proporcionada por FEMA. Existe la posibilidad de que el personal de administración de casos de Rio Texas participe por primera vez en un programa de administración de casos de desastres (DCMP), financiado con fondos federales bajo el paraguas de National VOAD y UMCOR. Se espera que este programa se implemente en mayo.

Uno de los componentes clave para la recuperación de desastres es el trabajo voluntario. Uno de los desafíos del trabajo voluntario es tener alojamiento en una comunidad afectada por un desastre. FUMC Victoria y FUMC Sinton respondieron al llamado para recibir voluntarios durante un máximo de dos años y con el apoyo de la Conferencia Rio Texas. Otros socios han sido equipados con camillas y colchones, remolques de baños y acceso a cocinas comerciales. Cathedral Oaks y FUMC La Grange también se han ofrecido para brindar apoyo limitado de alojamiento en las áreas de La Grange y Columbus. Todas las viviendas de los voluntarios se coordinan a través del sitio web www.riotexasresponse.org.

La Conferencia Rio Texas activamente está programando equipos de recuperación y reconstrucción en los distritos de Crossroads y Coastal Bend y anticipa que necesitará su apoyo con los equipos de misión durante al menos los próximos dos o tres años. Obtenga más información www.riotexasresponse.org y comience a preparar a su equipo para su despliegue en los campos de misión que se recuperan del huracán Harvey. Sus hermanos y hermanas aquí en la Conferencia de Rio Texas necesitan su ayuda.

Volunteers-In-Mission [VIM] Desarrollo Organizacional

El Comité de VIM de la Conferencia ahora está funcionando y activo. Frank Rojas se desempeña como Coordinador de VIM de la Conferencia y seis de los siete distritos tienen coordinadores de VIM a bordo. Desde agosto de 2017, los entrenamientos de líderes de VIM en varios distritos se han llevado a cabo con más por venir. Los entrenamientos son el medio para activar la organización constante y consistente de los Equipos VIM para el servicio en el campo de misión, particularmente en la respuesta de desarrollo a largo plazo al huracán Harvey. A medida que los coordinadores de VIM del distrito participan en redes de misiones locales y coordinadores de extensión para compartir mejores prácticas, idealmente, surgirá una base de datos para toda la conferencia que reflejará los diversos tipos de proyectos misioneros y de alcance comunitario dentro de nuestras iglesias y comunidades locales. El informe estadístico de la conferencia 2017 refleja que 1,514 personas que componen 182 equipos participaron en varios proyectos de United Methodist Volunteer-In-Mission. A lo largo de toda la conferencia, 41,968 personas participaron en 5,721 diversos ministerios de la comunidad de la iglesia local para alcance, justicia y misericordia que atendieron a 629,224 personas. De los 5.721 ministerios declarados, en toda la conferencia, 1.723 de estos ministerios se concentraron en la salud mundial y regional y 3.769 se concentraron en participar en el ministerio con los pobres y socialmente marginados.

Comunidades Transformacionales de Praxis

A través del apoyo financiero de Methodist Healthcare Ministries, una nueva y emocionante iniciativa que se lanzó en mayo de 2017, conocida como Transformational Communities of Praxis. Este es un programa de capacitación comunitario y congregacional que enseña nuevos métodos y enfoques para el desarrollo de la comunidad y el crecimiento personal. Su enfoque general es construir Shalom en nuestras comunidades e iglesias. Cuatro equipos de la iglesia y la comunidad se reúnen para tres sesiones principales de entrenamiento a lo largo del año. A los equipos de praxis se les proporcionan fondos para aprovechar el acceso a los eventos nacionales y escuchar acerca de los ministerios y redes de mejores prácticas de desarrollo comunitario. Los métodos particulares que se enseñan en la capacitación incluyen: desarrollo comunitario basado en activos, teología Misseo Dei, construcción de Shalom y liderazgo facilitador. Cuatro iglesias participantes en 2017 incluyendo: First UMC / Mission Border Hope - Eagle

Pass, First UMC / Hope Outreach Center - Brackettville, Pollard Memorial UMC - San Antonio y Parker Lane UMC - Austin. Cuatro iglesias participantes en 2018 incluyen: First UMC - Poteet, University UMC - San Antonio, Equipo del Centro de Ministerio del Distrito El Valle y First UMC - Portland. A través de este programa, una red de ministerios de desarrollo comunitario surgirá para servir como puntos de referencia y centros de enseñanza de transformación espiritual dentro de la iglesia y la comunidad.

Respuesta a la Inmigración y Ministerios Fronterizos

Durante 2017, varios líderes involucrados en la respuesta a la inmigración y los ministerios de defensa que se iniciaron en la conferencia se reunieron en línea para conversar. Informalmente, la conversación surgió como el Equipo de Respuesta de Inmigración de la Conferencia de Río Texas. Esta red se unió inicialmente para coordinar las respuestas humanitarias y espirituales y el apoyo a las olas de refugiados recién llegadas y a los cubanos aislados en Nuevo Laredo. Aunque todavía está en una fase de infancia, el Equipo de Respuesta de Inmigración tiene un gran potencial para convocar y movilizar respuestas de inmigración y estrategias de ministerio fronterizo, reflejando respuestas de socorro y desarrollo, defensa y educación, para las comunidades de inmigrantes a las que sirven y la iglesia misma. Esto es siempre crítico ya que la Conferencia Río Texas, que se extiende a ambos lados de la frontera entre Estados Unidos y México, refleja un punto crítico para el resto del país. Esto se ve acentuado en las relaciones fomentadas a través de la Comisión de Amistad Fronteriza establecida desde hace mucho tiempo, donde el metodismo en dos países trasciende la frontera que los separa. Un socio de enseñanza fundamental y un profesional para esta red es Justicia para Nuestros Vecinos.

Justicia para Nuestros Vecinos [JFON] es un ministerio de hospitalidad que acoge inmigrantes proporcionando servicios legales de inmigración gratuitos o de bajo costo a inmigrantes de bajos ingresos, refugiados y solicitantes de asilo, y se compromete con la defensa de la justicia de inmigrantes mientras ofrece educación a comunidades de fe y al público Las JFON de la Región de San Antonio y Austin continúan creciendo a través de la entrega de clínicas de inmigración mensuales, ofreciendo talleres de Conozca sus derechos y representación legal de inmigración. Los tipos de casos abordados son autorización de trabajo, unificación familiar, escapatoria de violencia, ciudadanía, asilo, menor no acompañado, DACA y asesoramiento / consejo. Los países reflejados por los clientes atendidos son México, El Salvador, Cuba, Ecuador, Bolivia, Chile, Guatemala, Honduras, Nigeria, Liberia, Arabia Saudita, Irán, Camerún, Siria, Kenia, India, Burundi, Ghana, Sierra Leona y el Estados Unidos.

Durante el transcurso de 2017, ambas oficinas atendieron a 437 casos y llevan el número de 130 casos colectivamente. La Fundación Metodista de Texas sirve como convocante de cinco ministerios JFON dentro de Texas para coordinar su trabajo común compartido para obtener fondos como red. En septiembre, los JFON de la Conferencia Río Texas serán los anfitriones de la Mesa Redonda Nacional de JFON en Travis Park UMC - San Antonio. La Mesa Redonda es una reunión anual donde los miembros de la junta y los abogados del personal se reúnen para obtener información y actualizaciones sobre los flujos y reflujo de la ley de inmigración, las realidades migratorias globales y las mejores prácticas en el desarrollo de juntas y la expansión organizacional.

Más allá de la conferencia, el Equipo de Respuesta de Inmigración permanece conectado con el trabajo nacional a través del Concilio de Obispos y la Junta General de Iglesia y Sociedad - Equipo de Trabajo de Inmigración. A través del financiamiento de la Mesa Conexional de UMC, cada jurisdicción está formando un Grupo de Trabajo de Inmigración para fomentar las estrategias de conexión entre las conferencias a nivel jurisdiccional. La Diaconisa Cindy Johnson de Brownsville y el Rdo. Cesar Durán de Laredo representarán a la Conferencia Río Texas en este trabajo. Tal como se presentó en este Informe Preliminar de la Conferencia, el Equipo de la Visión de Transforming Communities y la Federación Metodista de la Conferencia de Río Texas para la Acción Social proponen una resolución que busca la acción de la conferencia: Acoger al Inmigrante en nuestro medio.

Conclusión

- El Equipo de Visión de Transformación de Comunidades continúa participando en la transformación del trabajo para la iglesia y la comunidad, con enfoque de desarrollar y apoyar iniciativas de cambio transformacional.
- La recuperación de desastres y la respuesta de reconstrucción al huracán Harvey no tiene precedente para la conferencia. El involucramiento directo en el proceso de reconstrucción en los años venideros transforma a los afectados y aquellos directamente involucrados en el trabajo de reconstrucción.
- El ministerio de Voluntarios en Misión ahora está completamente activado con el potencial de generar movilización organizacional para responder a las necesidades de reconstrucción del huracán Harvey y servir como socio en las relaciones de desarrollo a largo plazo con las comunidades en nuestro medio y en el extranjero.
- La iniciativa de Transformación de Comunidades de Praxis nos proporciona herramientas para mejorar los ministerios actuales que se conectan con las comunidades, moviéndolas de un énfasis de alivio de caridad a uno basado en abrazar los recursos derivados de las relaciones descubiertas en comunidades que conducen a un cambio sostenible a largo plazo.

- Nuestra respuesta a la inmigración y los ministerios fronterizos brindan la oportunidad y la responsabilidad de dar la bienvenida al extranjero a través de la hospitalidad, la defensa de la justicia de los inmigrantes y la educación en las comunidades de fe y al público. Una resolución que busca la acción de la conferencia: Dar la bienvenida al migrante en nuestro medio es propuesta por el Equipo de la Visión de Transforming Communities y la Federación Metodista de la Conferencia de Río Texas para la Acción Social.

Dionisio Salazar, Presidente y Abel Vega, Director

RESOLUCIÓN: ACOGIENDO AL INMIGRANTE ENTRE NOSOTROS
PARA ACCIÓN

Considerando que el estado de Texas está compuesto por muchos inmigrantes que han emigrado a nuestro estado en busca de seguridad, protección y prosperidad; y

Considerando que los inmigrantes y refugiados se sientan en las bancas y están tras los púlpitos de las Iglesias Metodistas Unidas de Texas, que proporcionan mano de obra hábil que es esencial para el crecimiento de nuestras ciudades, que proporcionan gran parte del trabajo agrícola para producir y otros bienes que nos sostienen y prestan servicios de hospitalidad en cada una de nuestras comunidades; y

Considerando que sabemos tan bien que nos hemos beneficiado de su liderazgo. Ellos han agregado a nuestro testimonio de Cristo, ya que todos nos hemos dedicado a la misión de la iglesia de hacer discípulos de Jesucristo para la transformación del mundo; y

Considerando que el escritor de Levítico ordena amar al Inmigrante, que "será para tí como ciudadano entre ustedes" (Levítico 19: 33-34); y

Considerando que al principio de la vida de Jesús, él era un refugiado en el África, huyendo de la persecución y la violencia en su tierra natal (Mateo 2: 13-15), y que nos dijo que las naciones serían juzgadas a la base de la forma en que alimentaran a los hambrientos, vistieran a los desnudos y cuidaran a los presos (Mateo 25: 31-46); y

Por lo tanto, resuélvase que la Conferencia Río Texas de la Iglesia Metodista Unida, como seguidores de Jesús, se comprometa a trabajar para eliminar el racismo y la violencia dirigida contra los inmigrantes y refugiados de todas partes del mundo;

Resuélvase además que la Conferencia Río Texas de la Iglesia Metodista Unida, como seguidores de Jesús, exprese su oposición a cualquier política de inmigración que excluya a los refugiados únicamente por su religión u origen nacional;

Resuélvase además que celebremos el trabajo de los ministerios hispanos latinos y el Equipo de Respuesta de Inmigración del Equipo de Visión de Transformadoras de Comunidades de la Conferencia Río Texas, para ayudar a brindar orientación a las iglesias que desean entrar en un ministerio a los inmigrantes en Texas;

Resuélvase además que, para ese fin, la Conferencia de Río de Texas de la Iglesia Metodista Unida aliente a todas las iglesias a educar y equipar a sus miembros para proporcionar hospitalidad, protección y bienvenida a los migrantes y refugiados en sus comunidades (ver la Resolución aprobada por la Conferencia General "Dar la bienvenida al migrante a los Estados Unidos" <http://www.umc.org/what-we-believe/welcoming-the-migrant-to-the-us>); y tomar nuevas medidas y abogar por políticas justas a través de la oración y el discernimiento;

Resuélvase además que la Conferencia Río Texas de la Iglesia Metodista Unida exhorta a cada iglesia a involucrar y educar a sus miembros participando en eventos patrocinados por el Equipo de Respuesta de Inmigración de Río Texas del Equipo de Visión de Transformación de la Comunidad y la Junta General de Iglesia y Sociedad ;

Resuélvase además que la Conferencia Río Texas de la Iglesia Metodista Unida exhorta a nuestros líderes políticos y legisladores a asegurar que nuestras leyes afirmen el valor, la dignidad, los valores inherentes y los derechos de los inmigrantes.

Resolución confirmada por el Equipo de la Visión de Transforming Communities el 13 de febrero de 2018 según lo propuesto por el Equipo de la Visión de Transformar las Comunidades y la Federación Metodista de la Conferencia de Río Texas para la Acción Social.

RIO TEXAS CONFERENCE UMCOR GIVING 2017 PARA INFORMACIÓN

Cuando ocurre un desastre, UMCOR está allí. Y cuando las personas necesitan asistencia a largo plazo, UMCOR TODAVÍA está ahí.

El Comité Metodista Unido de Socorro (UMCOR) es el brazo de ayuda humanitario y de desarrollo de la Iglesia Metodista Unida. Es una organización 501 (c) (3) sin fines de lucro operada bajo los auspicios de la Junta General de Ministerios Globales.

Bajo su nombre original - el Comité Metodista para el Alivio en el Extranjero (MCOR) - la organización fue fundada en 1940 por el Obispo Herbert Welch en respuesta a las poblaciones desplazadas y vulnerables después de la Segunda Guerra Mundial. En su discurso en la Conferencia General de ese año, el Obispo Welch declaró que MCOR serviría como "... una voz de conciencia entre los metodistas para actuar en el alivio del sufrimiento humano sin distinción de raza, color o credo". Este mandato sigue siendo fiel hasta este día. El nombre de la organización fue cambiado legalmente al Comité Metodista Unido de Alivio (UMCOR) en la Conferencia General de 1972.

Los Metodistas Unidos en la Conferencia Río Texas respondemos generosamente a "... aliviar el sufrimiento humano ..." cada vez que se nos da la oportunidad. En 2017, contribuimos con lo siguiente a UMCOR

- Respuesta Ante Desastres, Estados Unidos \$ 245,751.44
- No designado - UMCOR \$ 118,721.14
- Respuesta Ante Desastres, Internacional \$ 11,404.00
- Otros proyectos de UMCOR \$ 50,048.06
- **Total de 2017 \$ 425,924.64**

Los "otros" obsequios oscilaron entre \$ 155 y ZOE: Helping Children Help Themselves (Ayudando a Niños a Ayudarse a Sí Mismos)- \$ 2,210 para Agua de Vida, y se otorgaron para 45 proyectos diferentes.

La participación en la ofrenda dominical de UMCOR es uno de los dos requisitos básicos de las iglesias locales que desean alcanzar el estado de misión de Cinco Estrellas. (El otro requisito es el pago del 100% de las asignaciones.) Domingo de UMCOR, anteriormente Una Ggran Hora de Compartimiento, es uno de los seis domingos especiales anuales reconocidos por la iglesia con ofrendas de la Iglesia Metodista Unida.

Las iglesias que participan en el programa Cinco Estrellas también deben contribuir al menos a un proyecto relacionado con UMCOR durante el año.

Gracias a todas las congregaciones que apoyaron al trabajo de UMCOR en 2017 y que hicieron posible que la Iglesia Metodista Unida se comprometiera a cuidar a nuestros vecinos necesitados.

RÍO DE TEXAS CONFERENCIA - DOMINGO DE LA COSECHA 2018 PARA ACCIÓN

El Equipo de Visión de Transforming de la Comunidad recomienda lo siguiente para la aprobación de la Conferencia Anual 2017:

Que la Conferencia Río Texas reconozca el domingo, 4 de noviembre de 2018, con la participación de las congregaciones en una ofrenda del Domingo de Cosecha (Harvest Sunday).

Que la participación de las congregaciones sea reconocida como una acción para cumplir los objetivos Metodista Unidos de "comprometerse en el ministerio con los pobres" y "combatir las enfermedades de la pobreza, mejorando la salud a nivel mundial". Específicamente, la ofrenda de 2018 ayudará a aliviar la crisis humanitaria en este momento en el límite sur de nuestra conferencia anual.

Que la distribución de la ofrenda del Domingo de Cosecha 2018 sea la siguiente:

- **El 1/3 del total recaudado en cada distrito será designado para proyectos de lucha contra el hambre en ambos lados de la frontera entre Texas y México dentro de los límites de la conferencia anual. Los fondos serán administrados por la Comisión de Amistad Fronteriza Metodista.**
- **Los 2/3 del total recaudado en cada distrito serán devueltos a ese distrito para los ministerios de hambre allí.**

El equipo de Transforming Communities Vision coordinará la promoción y la publicidad para la ofrenda de Domingo de Cosecha 2018.

Para información, la ofrenda de Domingo de Cosecha 2017 ascendió a \$ 5,530.55

LA COMISIÓN DE ARCHIVOS Y DE HISTORIA
PARA INFORMACIÓN

Los Archivos de la Conferencia Rio Texas han tenido otro gran año de crecimiento. La reciente expansión de los archivos ha permitido la capacidad de organizar y alojar registros adicionales. Varias copias de revistas pertenecientes a conferencias históricas, incluida la Conferencia de Río Grande, la Conferencia de la Misión Alemana y la Conferencia de Suecia, han sido etiquetadas y preservadas para que los visitantes las utilicen en sus investigaciones.

Nos complace saber que nuestro archivo se está haciendo muy conocido dentro y fuera de la iglesia. El archivo ha tenido un aumento en las solicitudes de registros, así como en el aumento de las donaciones pertenecientes a miembros del clero pasados y presentes e iglesias locales. Con la creciente conciencia de nuestro archivo, podemos proporcionar los datos solicitados y la preservación requerida tanto por los miembros de la iglesia como por los que no son miembros de la iglesia.

Nuestro objetivo para los Archivos de la Conferencia Rio Texas es continuar disseminando lo que hacemos para asegurar que los valiosos registros no sean destruidos y para preservar la rica historia que es la historia Metodista.

¿Tiene algunos documentos que cree que deben tener los Archivos de la Conferencia? Visite nuestro sitio web para ver una lista de donaciones que nos encantaría aceptar. También puede mantenerse al día con las últimas noticias de archivo en el Blog de Archivos.

OFFICE OF INTERGENERATIONAL DISCIPLESHIP
PARA INFORMACION

Ha sido otro año lleno de arduo y santo trabajo en la Oficina de Discipulado Intergeneracional. Cuatro tareas han dado forma al trabajo de esta oficina en los últimos doce meses: Seguridad, Relaciones, Investigación y Entrenamiento de Liderazgo. Con estas palabras como mi guía, he trabajado junta con los miembros de nuestra conferencia para implementar la nueva política de seguridad y el proceso de certificación de seguridad *Trusted con Confianza*, para guiar el Concilio de Ministerios Juveniles, para crear el Concilio de Ministerio de Jóvenes Adultos, para convocar Círculos de Escucha Sagrada a través de nuestra conexión para conversaciones de formación de fe, y lanzar el nuevo recurso del ministerio de discipulado *Growing Together (Creciendo Unidos)*.

Grupo de Trabajo de Seguridad y *Trusted con Confianza*: El Equipo de trabajo sobre la política de seguridad dio la bienvenida a los nuevos miembros: Tracey Perez, Rda. Jessica Petersen, John Paul Spurlock y el Rdo. Ron Welborn. Reunida, la fuerza de trabajo obró para apoyar a las iglesias locales, el distrito y las organizaciones ministeriales a comenzar a trabajar en la nueva política de Seguridad Vial para Niños, Jóvenes y Adultos Vulnerables de la Conferencia Río Texas. Los miembros de este grupo de trabajo se reunieron con líderes ministeriales de nuestra conferencia, escucharon comentarios sobre la nueva política y el proceso de certificación *Trusted con Confianza*, repasaron la política y ofrecieron aclaraciones para ayudar a los distritos, iglesias locales y organizaciones ministeriales en este trabajo, y revisaron la Proceso de Certificación *Trusted con Confianza*. El equipo también lanzó el nuevo sitio web *Trusted con Confianza* que ofrece herramientas y recursos para este trabajo. Este grupo de líderes creó e implementó el nuevo ministerio de facilitadores *Trusted con Confianza*, capacitando a más de 30 líderes en este trabajo en toda la conferencia. La Rda. Joy Melton, diácono, abogada y autora de los libros y recursos de *Safe Sanctuary* dirigió el entrenamiento como oradora principal del retiro. En los últimos doce meses, hemos ofrecido más de 50 sesiones facilitadas en línea y en persona para iglesias, distritos y personal de conferencias. Estas sesiones interactivas brindan a los líderes del ministerio, al clero, a los laicos, al personal y a los voluntarios la oportunidad de entablar conversación y equiparse con herramientas para un ministerio excelente, fructífero y seguro. Actualmente la mitad de las iglesias de la Conferencia Río Texas están participando en este proceso, con más de 2,000 personas en la base de datos recién creada. Más de la mitad de estos líderes han completado el nuevo proceso de certificación con los demás siguiendo de cerca. Ha sido una bendición conocer y escuchar a los líderes de nuestra conferencia celebrar su trabajo y obteniendo herramientas para un ministerio seguro. Agradecemos el trabajo de estos líderes ministeriales y su compromiso con la seguridad de los niños, jóvenes y adultos vulnerables a su cargo. Juntos mantenemos seguros a todos los hijos de Dios.

Concilio de Ministerio Juvenil (YMC): El Concilio de Ministerio Juvenil se reunió dos veces al mes durante los pasados 12 meses. En el otoño de 2017, este grupo de líderes de escuelas secundarias y preparatorias dio la bienvenida a nuevos miembros y celebró un retiro de desarrollo de liderazgo donde pudieron discernir su llamado y su trabajo durante los años próximos. Según lo comentó uno de los jóvenes que asistió al retiro:

"Durante el fin de semana, decidimos que necesitábamos objetivos a corto y largo plazo. Terminamos decidiendo que queríamos un [Concilio de Distrito para Ministerios Juveniles] (o algo similar) en cada distrito. Como objetivo a más corto plazo, decidimos hacer una "campaña" como una forma de mostrar que nuestro YMC está aquí y que queremos ayudar a los distritos y a las iglesias a abrazar a sus jóvenes locales, [acercándose y preguntando]: "¿Sabes tú que hay jóvenes en tu comunidad?"

La esperanza es que, en respuesta a este llamado, el YMC trabaje para ayudar a reclutar, equipar y apoyar a líderes jóvenes (de 12 a 18 años) en nuestras iglesias y distritos locales. El YMC planea comenzar este trabajo por medio de giras en 2019, organizando reuniones de líderes jóvenes en cada distrito en marzo y abril de 2019. El recorrido culminará con un viaje de conferencia a *Youth 2019* - La Conferencia Nacional de Jóvenes Metodistas Unidos en Kansas City. Este evento brindará a nuestros jóvenes líderes la oportunidad de conexión con otros Metodistas Unidos en todo el mundo. Juntos, participarán en adoración, discipulado, compañerismo y recreo. Esté atento a anotar la información de la fecha en la Conferencia Anual 2018. ¡YMC viene a una ciudad cerca de usted!

Concilio de Ministerios de Jóvenes Adultos (YAMC): El Concilio de Ministerios de Jóvenes Adultos está compuesto de 15 jóvenes adultos de entre 18 y 35 años de edad. Este nuevo concilio se reunió por primera vez en enero de 2018. El propósito de este concilio fue de crear una propuesta para un Concilio de Ministerios de Jóvenes Adultos de la Conferencia Río Texas (YAMC). El YAMC será propuesto para su adopción en nuestras reglas permanentes de la Conferencia Anual 2018. Si el YAMC es aprobado y adoptado en las reglas permanentes de la Conferencia Río Texas, entonces este Concilio comenzará el trabajo de equipar a los jóvenes adultos como líderes en nuestra conferencia y la más extensa conexión Metodista Unida. El Concilio incluirá representación juvenil en la Mesa Unida, El Equipo de Visión de Líderes en Desarrollo, el Equipo de Visión de Vitalidad Congregacional y el Equipo de Administración. El recién formado YAMC ha identificado la siguiente declaración de misión: ser un grupo de jóvenes adultos llamados al ministerio y servicio que se esfuerza a brindar voz y apoyo a todos los jóvenes adultos en la Conferencia Río Texas, según el modelo de Jesucristo.

Convocatoria Mundial de Jóvenes 2018: en septiembre de 2017, varios jóvenes y jóvenes adultos asistieron al retiro de liderazgo Jurisdiccional Sur Central. En este retiro, tres de nuestros jóvenes líderes fueron elegidos delegados y suplentes para representar la Conferencia Río Texas y a la Jurisdicción Central Sur en la Convocatoria Mundial de Jóvenes de 2018 en julio de 2018. Este es un evento cuatrienal que reúne a jóvenes líderes Metodistas Unidos de todo el mundo en adoración, compañerismo, desarrollo de liderazgo y conversación. A través del Foro legislativo, los jóvenes escudriñarán los problemas importantes que enfrentan la iglesia y el mundo en el que viven. El Foro producirá legislación que irá directamente a la Conferencia General de la Iglesia Metodista Unida. Por medio de esto, los jóvenes tendrán la oportunidad de dar forma a la dirección de la iglesia. Nuestros delegados incluyen: Marlee Claes (Joven, Kyle UMC), Zephyr Straus (Joven Adulto, Westlake UMC) y Tori Perales (Joven Adulto, Christ UMC, Stockdale).

Círculos de Escucha: En los 12 meses pasados, 10 círculos de escucha se llevaron a cabo en videoconferencias *Zoom*. Los miembros de la Conferencia Río Texas se reunieron en línea para compartir lo que está sucediendo en el área de su ministerio mientras que se comunican con otros con un enfoque ministerial común. Los temas incluyeron: personal de programación del distrito, campamento y ministerio de retiros, ministerio de niños y ministerio intergeneracional.

Creciendo Juntos: En 2016 y a principios de 2017, la oficina de Discipulado Intergeneracional dirigió diez sesiones de escucha y participó en numerosas conversaciones, escuchando y oyendo a los líderes de discipulado y ministerio de formación de fe en nuestra conferencia. Estas sesiones de escucha fueron parte de un estudio de investigación cualitativa en la que se hizo la pregunta: ¿Cómo puede la oficina de Discipulado Intergeneracional ser un recurso útil y un socio ministerial en la formación de la fe y de líderes en el ministerio de discipulado en la Conferencia Río Texas? Esta investigación proporcionó información esencial para la Oficina de Discipulado Intergeneracional a medida que continuamos el trabajo de crear un plan estratégico de 5 años. En respuesta al reto, los datos fueron recopilados, repasados y analizados. La investigación reveló que hay necesidad de un camino de discipulado o una guía y plan de formación de fe para los líderes ministeriales en la Conferencia Río Texas. Se decidió que este sistema de discipulado debería incluir oportunidades para conexión con otros líderes ministeriales, para compartir mejores prácticas, para obtener nuevos recursos y participar en capacitación de liderazgo. En respuesta, la oficina de Discipulado Intergeneracional está ahora en las primeras etapas de creación de una plataforma digital que albergará un sistema de discipulado que ofrece vías para líderes ministeriales que desean desarrollar e implementar intencionalmente un sistema que respalde el discipulado en sus comunidades. Cada camino proporcionará múltiples formas por las cuales las iglesias puedan crear un ambiente de aprendizaje experiencial fiel que invita a los miembros de su comunidad propia en la obra de formación de fe mientras crecen y sirven como discípulos fructíferos en su comunidad y en el mundo. Estas vías incluirán portales digitales para redes y conversaciones, y para compartir mejores prácticas, recursos, herramientas y capacitaciones. Las ofertas incluirán: círculos de escucha (donde los líderes se pueden conectar, compartir ideas y aprender de unos y otros), seminarios web interactivos (con oradores invitados de la

conferencia y fuera), reflexiones sobre mejores prácticas para el ministerio en forma de blog y podcasts de compartir, y una lista de útiles recursos. En su tiempo, esperamos ofrecer un sistema de identificación digital por la cual las personas y las iglesias puedan obtener reconocimiento por sus logros. La oficina de Discipulado Intergeneracional comenzó este trabajo en 2018, lanzando el nuevo sitio web *Growing Together (Creciendo Juntos)*. Los seminarios web (webinars) para 2018 ya están actualmente programados y disponibles en línea. Los temas incluyen: formación de fe, desarrollo espiritual, ayuda con el plan de estudios, adoración intergeneracional y mucho más. La Oficina de Discipulado Intergeneracional espera continuar este trabajo en 2018 y 2019 a medida que continuamos identificando formas de empoderar y equipar a los distritos, las iglesias y los líderes ministeriales a medida que se enfocan en los discípulos de Jesucristo que labran en el campo de misión.

Otros ministerios de este año: Seguimos trabajando con líderes ministeriales de niños, de ministerios juveniles, el personal de programación del distrito, líderes de campamentos y retiros, y otras congregaciones y líderes individuales a lo largo de nuestra conferencia. Es humillante e inspirador ver todo lo que Dios está haciendo a través del discipulado intergeneracional en nuestra conferencia. Estoy agradecida al servir junta con todos los miembros de la conferencia y espero tener más conversaciones, colaboración y un ministerio fructífero en los próximos doce meses.

POLITICAS DE SEGURIDAD PARA NIÑOS, JOVENES Y ADULTOS
NORMAS OBLIGATORIAS PARA LA CONFERENCIA RIO TEXAS DE LA IGLESIA METODISTA UNIDA
JUNIO DE 2018
REDUCIENDO EL RIESGO DE ABUSO EN LA IGLESIA
PARA ACCIÓN

"El que recibiere en mi nombre a un niño como éste, a mí me recibe;" (Marcos 9:37 RVG).

"Y cualquiera que haga tropezar a uno de estos pequeñitos que creen en mí; mejor le fuera que se le colgase al cuello una piedra de molino de asno, y que se le sumergiese en lo profundo del mar. " (Mateo 18:6 RGV).

Llamado

En respuesta al llamado de Dios a cuidar a los vulnerables, la Conferencia Anual Río Texas está comprometida con el bienestar de cada persona encargada a su cuidado, así como aquellas personas confiadas al cuidado de los distritos e Iglesias Metodistas Unidas locales a través de todas nuestras fronteras de la conferencia. Este compromiso está en armonía con el Libro de Resoluciones (Principios Sociales, ¶ 162) y el convenio del bautismo (*United Methodist Hymnal*).

Propósito

Los Metodistas Unidos de Río Texas están decididos a proporcionar un ambiente en el que los participantes (como se define aquí) estén a salvo de negligencia o abuso. El alcance de esta política y sus disposiciones se aplicarán a todo el personal, voluntarios, pastores o laicos en las iglesias locales, distritos y ministerios de conferencias patrocinados por la Conferencia Río Texas que tienen contacto directo o indirecto con los participantes (niños, jóvenes, o adultos vulnerables). Esta política establece los requisitos mínimos obligatorios sucesivamente para la detección y entrenamiento del clero, laicos, el personal o voluntarios. Se requiere la implementación de los procedimientos obligatorios del ministerio y la acción de responsabilidad a cuentas de todos los líderes del ministerio¹ dentro de la Conferencia Río Texas.²

Definiciones

A. **Abuso:** es todo acto deliberado que inflige daño físico o emocional a un participante. El abuso incluye: (a) la imposición de daño físico o emocional que no sea un accidente; (B) la creación de riesgo, o permitir la creación de riesgo, a un participante que no sea un accidente; (C) cometer o permitir el cometido de un acto de abuso sexual, explotación sexual o prostitución de un/a participante.³

¹ Líderes ministeriales son líderes adultos, incluyendo cualquier empleado bajo pago, voluntario, clérigo o persona laica de la conferencia, distrito o iglesia local quien tiene la responsabilidad del cuidado y Supervisión de un Participante en algún evento. Líderes adultos deben de ser graduados de la escuela superior, o de esa edad. Para demás aclaración véase la definición de Líder Adulto en la página 2.B.

PROJECT TRANSFORMATION
PARA INFORMACIÓN

Aprendiendo y Creciendo

Project Transformation es una organización de triple propósito que se centra en los desafíos de las tres "C's": Children, College students, Churches (Niños, Estudiantes Universitarios, e Iglesias). En 2017, nuestros campamentos de alfabetización de verano se ubicaron en 4 iglesias del área de San Antonio a las cuales atendieron 228 niños; entre los que asistieron regularmente, **el 93% mantuvo o mejoró su nivel de lectura**. Detuvimos la diapositiva de lectura de verano de los niños, y así mejoraron sus oportunidades de graduación mediante un enfoque estratégico que incluyó más de 1400 horas de tiempo voluntario de lectura por medio de más de 200 voluntarios de 29 iglesias. Nuestras iglesias asociadas son las que hacen que este ministerio prospere.

Nuestro trabajo se aparta en gran medida del de otras organizaciones con mentalidad de alfabetización por los jóvenes adultos pasantes que implementan nuestros programas a través de internados de verano. Estos internados universitarios (26 en el verano del 2017, 50 en el verano del 2018) se invierten en la vida de estudiantes en riesgo mientras exploran su propio llamado al servicio comunitario futuro o al ministerio cristiano. Estos jóvenes obtienen experiencia práctica en la comunidad y en el ministerio de todos los viernes en el verano en el cual sirven. Esto incluye una visita al seminario para alentarse y dejar espacio para un posible llamado al ministerio.

Project Transformation continúa abordando los desafíos de vivienda al proporcionar un espacio de vida comunitaria cristiana intencional para nuestros internados en entornos urbanos caros. Hemos sido bendecidos con la asociación con Morningside Ministries, que ha permitido a nuestros internados a vivir con los residentes adultos mayores en el ministerio intergeneracional, lo cual nos ha dado tiempo para soñar y planificar. A medida de superar esto, estamos renovando y reutilizando el edificio de educación de St. Marks en San Antonio como centro de alojamiento y hospitalidad para internados en el verano y otros haciendo ministerio en la comunidad que necesitan vivienda.

Project Transformation (PT) ha adoptado un fiel y ambicioso plan de expansión. En los próximos cinco años, PT espera aumentar su impacto medible entre los niños y sus familias que viven en la pobreza, mediante la ampliación de nuestro enfoque integral, dato-orientados y holístico. Continuamos ayudando a las iglesias a anclarse en su vecindario y brindar oportunidades de discipulado para las congregaciones. Nos estamos extendiendo hacia el Valle del Río Grande este verano con 2 sitios. Estamos lanzando programas para después de la escuela durante todo el año en el área de San Antonio en el otoño de 2018. Estaremos en el área de Austin en el verano de 2019 y anticipamos tener 6 sitios en San Antonio, así como 2 a 3 sitios en el Valle del Río Grande y 2 a 3 sitios en Austin para el año 2020.

DISTRITO COASTAL BEND
PARA INFORMACIÓN

A mediados de agosto de 2017, el Distrito Coastal Bend le dio la bienvenida al Rev. Dr. Robert López como nuevo Superintendente del Distrito Coastal Bend con de una celebración de servicio de adoración de nombramiento y seguido con una recepción en la First United Methodist Church en Corpus Christi. Poco sabíamos que una semana más tarde el Coastal Bend se vería afectado por el huracán Harvey. Los líderes de la conferencia comenzaron a acudir de inmediato para evaluar el daño y ministrar a aquellos que fueron afectados por Harvey, incluyendo a las 17 iglesias dañadas o destruidas, con sus pastores, congregaciones y comunidades. Cuarenta y siete Equipos de Respuesta Inmediata vinieron a ayudar. Se ayudaron a ciento ochenta y seis hogares, setenta y cuatro techos fueron cubiertos con lona, se hicieron innumerables cortes de árboles y escombros fueron transportados en 5816 horas voluntarias. La recuperación a largo plazo continúa a medida que personas acuden al Volunteer Village en Sinton para trabajar.

En medio de las consecuencias, nos esforzamos en convertirnos en un distrito de "Fruitful Places" ("Lugares Fructíferos") y esto se ha convertido en el hilo que nos guía a medida que luchamos por la excelencia y buscamos avanzar. Se cambió la manera en que hemos hecho las cosas anteriormente. Tuvimos una conferencia grupal del distrito con aproximadamente 150-170 asistentes laicos y clérigos. El Rdo. Ricky Sanderford fue nuestro predicador invitado y habló sobre "Lugares Fructíferos". Durante este tiempo, tuvimos cinco personas que hablaron sobre el trabajo "Fructífero" que se ha realizado en sus iglesias y comunidades.

Se ha formado una nueva misión en el Distrito Coastal Bend. JFON (Justicia para Nuestros Vecinos) ha formado una mesa directiva y ha elegido funcionarios. Está previsto abrir un sitio de JFON en Corpus Christi a fines del año 2018. Este será el sexto sitio de JFON en Texas.

Para fortalecer y generar excelencia en nuestro liderazgo, animamos a los laicos y al clero a ir al Instituto de Liderazgo en la Iglesia Church of the Resurrection. De nuestro distrito 8 personas laicas y 7 clérigos de nuestro distrito asistieron al Instituto de Liderazgo. En las reuniones de "Pros" de nuestro distrito, más de tres cuartos del clero del distrito han

estudiado el libro de Olu Brown, "Leadership Directions from Moses" ("Instrucciones del Liderazgo de Moisés"), centrándose en el segundo capítulo sobre cómo lidiar con conversaciones difíciles. El equipo de estrategia del distrito ha estado trabajando para lograr un modelo de liderazgo de una sola junta para Coastal Bend, que estará vigente el próximo año de la conferencia. Asimismo, se llevó a cabo un estudio de ocho semanas sobre "Forgotten God" ("El Dios Olvidado"), para ayudar al clero a pensar sobre lo esencial que es orar y permitir que el Espíritu Santo obre en nuestras iglesias. Este año, 16 laicos asistieron a la clase Basic Lay Servant (El Sirviente Laico Básico) y 23 asistieron a las clases de Avance (Avance).

Este año invitamos al Rev. Aarón Sáenz para hablar en nuestro taller "Know Your Ministry" ("Conoce tu Ministerio") al cual asistieron 125 personas. Él nos contó la historia de Valley Praise y cómo este ha crecido y se ha convertido en un lugar fructífero con personas fructíferas. Su mensaje fue bien recibido, trayendo esperanza y guía a nuestro distrito.

El Distrito Coastal Bend y los obreros juveniles del Distrito El Valle se reunieron de nuevo para montar un campamento de Jóvenes en Pleno Invierno en Zephyr, Doscientos nueve asistieron. El tema de este año fue "Step'In It Up for Christ" ("Adelantándose por Cristo"). Charlotte Murray de los ministerios Poppin fue la oradora principal del fin de semana. Durante el fin de semana, los jóvenes tuvieron una guerra de un centavo para recaudar fondos para la ayuda a Harvey. Ellos se adelantaron por Cristo, recaudando \$ 381.00 que fue doblegado a un total de \$ 762.00 que será utilizado para el alivio de Harvey.

Nuestro primer Youth Rally (Reunión Juvenil) se llevará a cabo esta próxima primavera. Jóvenes de todo el distrito planean asistir. Además, en la primavera tendremos una Celebración del Distrito. Un recipiente de asistencia de JFON vendrá de Austin para compartir su historia en esta Celebración del Distrito. ¡Tenemos mucho por qué celebrar, pues hemos visto a Dios trabajando en el Distrito Coastal Bend!

Gracia y Paz,

Rda. Linda Morrow, Directora de Ministerios Distritales

DISTRITO DE CRUCE DE CAMINOS PARA INFORMACIÓN

Un poco más de un mes después de la Conferencia Anual Río Texas de 2017, el huracán Harvey tocó tierra. Después de dejar un camino de destrucción a través del Distrito de Coastal Bend, Harvey puso su mirada hacia el Distrito Crossroads. Moviéndose hacia el norte, el huracán se cernió sobre el área de Gonzales por varios días, arrojando una increíble cantidad de lluvia. Como resultado, el río Colorado y sus afluentes devastaron partes de las ciudades de Smithville, LaGrange, Columbus y Victoria.

A través del Distrito Crossroads, las iglesias del distrito se movilizaron para ayudar a sus vecinos. Algunos edificios de la iglesia fueron dañados por la tormenta, pero nuestras iglesias aun así se acercaron a los necesitados en su alrededor. Las iglesias ayudaron a otras iglesias y el Equipo de Recuperación de Desastres de Río Texas brindó asistencia invaluable a los afectados. Hoy, todas las iglesias del Distrito Crossroads están adorando en sus santuarios nuevamente.

Aunque todavía hay mucho trabajo de restauración por hacer, el Distrito continúa celebrando muchas victorias en otras áreas. Durante las conferencias de cargo, celebramos la fecundidad de cada congregación. Incluso, aun la iglesia más pequeña ha tenido un gran impacto en su comunidad y sus vecinos.

Al nivel de Distrito, muchas oraciones y consideraciones se han dedicado al ministerio de los diferentes comités que apoyan la misión del Distrito Crossroads. Es nuestra oración que todo lo que hacemos se proyecte a través del lente de "¿Cómo ayuda esto a hacer discípulos de Jesucristo para la transformación del mundo?"

DISTRITO OESTE PARA INFORMACIÓN SOLAMENTE

Hemos recibido con beneplácito el liderazgo de nuestro nuevo Superintendente de Distrito Andy Smith y el nuevo liderazgo de la Conferencia de Río Texas con el Obispo Schnase. Sierra Vista recibió el "Servicio de Instalación" en septiembre, dando la bienvenida oficial al DS y su esposa Robyn al Distrito Oeste de Texas

En agosto, dimos la bienvenida a nuestros nuevos pastores al oeste de Texas y compartimos nuestra visión. Nos reunimos en el Centro de Vida Familiar Robert Lee para nuestra reunión de Pastores y Profesionales y recibimos a

Will Rice como nuestro invitado especial. Del 13 al 14 de octubre, la Primera Iglesia Metodista Unida de San Ángelo auspició la Misión de Misericordia de Texas, brindada por la Fundación SMILES de la Asociación Dental de Texas, que ayuda a los adultos no asegurados y desatendidos a recibir atención dental. Aproximadamente 500 adultos recibieron tratamiento dental gratuito.

Nuestro Entrenamiento de Liderazgo en enero fue bien atendido con muchas caras nuevas en la multitud cuando nos unimos en fe y planeamos avanzar juntos. Continuamos floreciendo con nuestros entrenadores de laicos / oradores en nuestro distrito, y alabamos a Dios por los líderes que se presentan para dirigir estas sesiones. Nuestro alcance de la misión se ha incrementado en las áreas que nos rodean. A lo largo del año, hemos visto a nuestros hermanos y hermanas pasar más allá de las puertas de la iglesia y dar un paso adelante para ser las manos y los pies de Jesús en el campo de la misión.

Nuestro Equipo de Estrategia del Distrito Oeste continúa compartiendo ideas y orando por la guía continua de Dios para crear estrategias para fortalecer a la Iglesia de Cristo y con suerte comenzar nuevas iglesias y comunidades de fe. Además de planear eventos y proyectos con iglesias locales, continuaremos trabajando con las comunidades para llevar a cabo la misión y visión de la iglesia. El Distrito Oeste continuará rezando, con la ayuda y guía de Dios para enfocarse en nuestro propósito de ser aquellos que hacen discípulos de Jesucristo para la transformación del mundo. Gini Christian, Director de Programas del Distrito Oeste

HOGAR METODISTA DE NIÑOS
PARA INFORMACIÓN

Saludos desde el Hogar Metodista de Niños (Methodist Children's Home, MCH) y los más de 5.000 niños, jóvenes y familias a los que servimos. Nuestro ministerio es posible gracias al apoyo de nuestros muchos benefactores y amigos, entre ellos los de la Conferencia Anual Río Texas. Tengo el honor de informarles que MCH sigue en su compromiso y en muchos casos supera los estándares de prácticas superiores en el cuidado de niños, establecido por los estados de Texas y Nuevo México, así como el Concilio de Acreditación (Council on Accreditation, COA), una organización de acreditación internacional de bienestar infantil, salud mental y servicios sociales basados en la comunidad.

Invitamos a los miembros de la conferencia anual a visitar nuestro sitio web en www.MCH.org. Ahí se puede ver nuestro plan estratégico, el informe anual y se puede explorar en más detalle los servicios que ofrecemos.

También pueden descargar historias; identificar los recursos para ayudar a educar a su congregación en nuestro ministerio; ver una lista clara de nuestros recursos y servicios financieros que ofrecemos; averiguar cómo se puede referir a un niño para colocación; o aprender más acerca de una llamada a formar parte de nuestro ministerio como padres de hogar, padres de cuidado o en otra capacidad.

Guiados por nuestros valores fundamentales de Principios Cristianos, Relaciones, Responsabilidad, Crecimiento, Servicio y Esperanza; MCH proporciona la atención, los programas y las personas con talento necesarios para impactar positivamente la vida de niños, jóvenes y familias en todo Texas y Nuevo México. Esto está ocurriendo cada día en programas residenciales en los campos de Waco y Boys' Ranch, así como a través de 13 oficinas de Alcance Familiar (Family Outreach) de MCH, incluyendo a Corpus Christi y San Antonio.

Las razones por las cuales niños y jóvenes llegan a nuestro cuidado son únicos para cada individuo. Se extienden a tales situaciones como extremo trauma, cambio repentino en la estructura familiar, problemas escolares, o malas elecciones en un mundo difícil y siempre cambiante. Invertimos en nuestro personal para que independientemente de lo que lleva alguien a MCH, se encuentra con el más alto nivel de atención posible. Nuestra visión sigue siendo compartir lo que hemos aprendido de los pastores, ministros de jóvenes y miembros de la familia en la iglesia local porque MCH sabe que Uds. están encontrando situaciones similares.

A través de la generosidad de nuestros benefactores, las oraciones de nuestros amigos y colaboradores, y el compromiso de una especializada comunidad de empleados del MCH, aquí están algunas de las cosas que Uds. ayudaron a MCH lograr para la gloria de Dios y aquellos a quien servimos:

Aprovechando el éxito del hogar Dr. Jack Kyle y Evelyn Daniels Home, completado en 2016, continuamos la construcción de dos casas nuevas: La Margaret Ann Ashcraft Home y el John E. Hilliard Home. Estas dos casas de última generación completan la primera fase de la campaña de capital Building Hope. En la redacción de este informe, estamos a más que la mitad del camino hacia nuestro objetivo de recaudación de fondos que construirá la cuarta y la quinta de estas nuevas casas!

Se celebraron a 24 jóvenes hombres y mujeres al graduarse de nuestra Universidad de Texas – University Charter School en el campus de Waco y otras escuelas públicas. En nuestra graduación en mayo, 300 graduados de la escuela autónoma recibieron su diploma.

Se otorgaron más de \$ 500,000 en fondos de becas para ayudar a los ex alumnos del MCH a proseguir grados de educación avanzada y certificados vocacionales. Más de 80 alumnos de MCH fueron aprobados para becas que les ayudarán a lograr habilidades que cambien sus vidas.

Disfrutaron de otro gran año exhibiendo sus proyectos el grupo Ag Science / FFA en el Heart O 'Texas Fair and Rodeo y otros espectáculos locales de ganado.

Obtuvimos el Sello de Oro de Transparencia de Guidestar, la fuente de información de organizaciones sin fines de lucro. Menos del 1 por ciento de las organizaciones sin fines de lucro enumeradas en Guidestar ha alcanzado el nivel de Oro. MCH también recibió otra calificación de cuatro estrellas de Charity Navigator, la calificación más alta disponible de este notable organismo de organización de caridad. Estas designaciones reconocen nuestro compromiso con la excelencia y los esfuerzos para llevar a cabo nuestro trabajo con la mayor integridad y transparencia.

Se captó el campeonato estatal de la División I de Texas Christian Athletic Fellowship (TCAF) con una victoria de 72 a 57. Después de caer en los semi finales en temporadas anteriores, nuestros MCH Bulldogs, el equipo de fútbol americano de seis atletas ¡coronó una exitosa temporada al ganar el primer título estatal de nuestra escuela!

Se participó en viajes de misión y proyectos de servicio que brindaron oportunidades para jóvenes de MCH a mostrar el amor de Cristo al compartir sus talentos para ayudar a satisfacer las necesidades de muchos en todo Texas.

Nuestros logros en el pasado, y aquellos que están en el porvenir, están directamente relacionados con los hombres y las mujeres que dan de su tiempo, talentos y recursos para bendecir a nuestros hijos. Los siguientes individuos de la Conferencia Anual Río Texas forman parte del concilio de administración del MCH:

Sr. Bill Bingham, Austin
Sra. Candy Mallonee, San Antonio
Sr. Mario Olivares, Corpus Christi

PROVIDENCE PLACE MINISTRY
PARA INFORMACIÓN

En nombre de nuestro Consejo de administración, personal, y aquellos en nuestra Organización que están trabajando duro para lograr su propio nivel personal de éxito, le agradezco – obispo, Robert Schnase, y los miembros de la Conferencia de Río de Texas – por su dedicación en asociación con el Ministerio de Providence Place. Por la gracia de Dios, celebramos nuestro 122nd aniversario en 2017 gracias al apoyo comprometido de donantes individuales y de iglesias Metodistas Unidas. Hemos sido capaces de ser una bendición para aquellos que nos rodean durante más de un siglo, y no podríamos haberlo hecho sin ti.

Providence Place proporciona un refugio seguro para aquellos que se han sentido excluidos. Ofrecemos servicios de adopción a las mujeres que se enfrentan a un embarazo no planeado, así como aquellos que están buscando para abrir sus corazones y hogares a un niño que necesita una familia para siempre. Nos hemos expandido en este

maravilloso servicio y ahora ofrecemos clases para que los padres mejoren sus habilidades de crianza a través de nuestro nuevo programa, crianza de los hijos con un propósito.

Lamentablemente tuvimos que despedirnos de nuestro programa Center for Higher Independence (Chi). El programa había funcionado por 43 años; pero debido a los cambios con la Comisión de la fuerza laboral de Texas (TWC), no pudimos sostener el programa. Tuvimos una graduación final para el programa Chi en octubre de 2017, y tenía un récord de 43 estudiantes graduados.

Pudimos aferrarnos a nuestro programa de transición que ahora se llama Legacy. Este es un programa de vida transicional para adultos jóvenes con discapacidades, y actualmente tenemos 15 adultos jóvenes con discapacidades que viven independientemente en los apartamentos, ya sea en el organizacion en los apartamentos comunitarios.

También en octubre de 2017, Providence Place celebró 50 años de recuerdos en nuestro organizacion de León Valley. Durante este evento, las familias se reunificaron, mientras que otras compartieron historias de su tiempo en Providence Place.

Mientras que tuvimos que decir un sincero adiós a nuestro programa de Chi; como dice el refrán, donde una puerta cierra otra se abre. Providence Place se embarcará en un nuevo viaje para ayudar a las mujeres y los niños que son víctimas de agresiones, abusos y tráfico. Hemos solicitado varias subvenciones tanto para el programa como para las actualizaciones de la propiedad. Este programa nos llevará de nuevo a cómo Providence Place se inició en 1895.

El 27 de abril de 2018, Providence Place acogerá nuestro segundo evento anual de fiesta que llamamos familia Palooza. Las familias de nuestra comunidad circundante y San Antonio están invitadas a participar en actividades de fiesta que incluirán una banda en vivo, juegos, camiones de comida y pintura facial.

Por último, pero no menos importante, también me gustaría tomar el tiempo para reconocer a los de la Conferencia de Río de Texas que dan de sí mismos, su tiempo y recursos para servir en la Junta Directiva de Providence Place Board of Directors:

Le animo a programar un viaje de nuestra organizacion de 25 acres hermoso, coordinar un viaje de misión de voluntario, arreglar a un altavoz para sus fieles o grupo de iglesia, y petición que ofrece a materiales para un ofrecimiento de iglesia anual. ¡No podíamos seguir estos ministerios sin usted y amaríamos venir y compartir las historias del Lugar de Providencia! Si pudiéramos ser un recurso a usted, póngase en contacto con nuestro Equipo de Progreso de Misión en (210) 696-2410 o en la misión advancement@provplace.org. FUNDACIÓN METODISTA DE TEXAS
 INFORME DEL 2017 A LA CONFERENCIA ANUAL DE RÍO TEXAS
 PARA INFORMACIÓN

La TMF está comprometida a utilizar nuestros recursos para ayudar a las congregaciones a construir culturas de propósito y generosidad. La TMF fue bendecida con otro año de crecimiento en recursos, finalizando el 2017 con aproximadamente \$569 millones en activos bajo administración. Sin embargo, el resultado que buscamos, para todos nuestros servicios -inversiones, préstamos, plataformas de liderazgo, discernimiento estratégico, subvenciones y donaciones patrimoniales- es un ministerio valiente y efectivo. Durante la calamitosa tormenta de 2017, vimos muchos ejemplos de coraje. Las congregaciones en todas las áreas del desastre y el estado se convirtieron en las manos y los pies de Dios, yendo junto con sus vecinos al desorden y la fragilidad de la vida proporcionando señales que apuntan a un camino futuro lleno de las promesas de Dios. Nuestra misión es potenciar esa audacia en todo momento, para todas las necesidades.

Tom Stanton, Representante Principal del área de la TMF para la Conferencia de Río Texas, es el principal punto de encuentro entre las congregaciones (clero y laicos) y la TMF; conectando a los constituyentes de la Conferencia Río Texas con recursos relevantes para sus metas únicas de crecimiento misional en sus congregaciones y comunidades.

La TMF, con sede en Austin, sirve a individuos, iglesias y agencias Metodistas Unidas dentro de las seis conferencias anuales en Texas y Nuevo México. Agradecemos la oportunidad de informar algunas de las formas en las que en el transcurso del año pasado servimos a los Metodistas Unidos.

Dentro de la Conferencia Anual de Río Texas:

- Los préstamos de la TMF a las iglesias en la Conferencia Anual de Río Texas totalizaron en \$53.4 millones a fines de 2017.
- Iglesias y agencias, sin incluir individuos, dentro de la Conferencia Anual de Río Texas, tuvieron \$68 millones invertidos en todos los portafolios.

A lo largo de Texas y Nuevo México:

- Al 31 de diciembre de 2017, **los activos totales** administrados por la TMF fueron aproximadamente \$569.1 millones, un crecimiento de \$ 44.2 millones sobre 2016.
- **Las inversiones del Fondo de Préstamos Metodista** terminaron el año en \$330,1 millones, y nuestro portafolio de préstamos en \$ 341,5 millones.
- Las **Donaciones No Designadas** de la TMF crecieron de \$34.6 millones a \$38.7 millones.
- Nuestras **Donaciones al Ministerio de Liderazgo** crecieron de \$7.1 millones a \$8.1 millones.
- Destacando un año significativo de **apoyo financiero para la TMF** fue una donación de \$1 millón de parte de la Fundación Lilly para financiar al Liderazgo Imperativo Valiente (CLI por sus siglas en inglés) de la TMF. Construyendo así sobre una asociación que comenzó en 2003, la donación de Lilly permite a la TMF mantener su inversión en líderes de la UMC y crear nuevas oportunidades de aprendizaje entre los líderes tanto del "centro" como de los "márgenes" de la iglesia. **Las donaciones al Ministerio de Liderazgo y el soporte irrestricto a la TMF** totalizaron en \$1.4 millones, incluyendo más de \$110,000 en nuevas donaciones para la Fundación de Aprendizaje y Liderazgo Dr. Gil Rendle.
- En 2017, a través de una combinación de fondos permanentes, donaciones directas y contribuciones de la TMF, el **Ministerio de Subvenciones** otorgó \$1 millón en apoyo de 34 iglesias y organizaciones sin fines de lucro. De ese total, un estimado de \$491,000 provino de fundaciones restringidas y \$540,000 de operaciones de la TMF. El Ministerio de Subvenciones recibió donaciones individuales y en línea en la cantidad de \$31,517, que se suman a los fondos disponibles para apoyar a iglesias y ministerios sin fines de lucro en todo Texas y Nuevo México. El Comité de Subvenciones de la Junta Directiva de la TMF decide y determina la distribución para estos fondos discrecionales. Poco después de que el huracán Harvey azotara la costa del Golfo de Texas, el Ministerio de Subvenciones otorgó \$302,000 a 16 iglesias y organizaciones sin fines de lucro para ayudar con las necesidades de ayuda inmediata. Esta tormenta, la cual causó inundaciones catastróficas, continuará afectando a los ministerios y residentes de las Conferencias de Texas y Río en los próximos años. En el 2017, los fondos de las subvenciones se distribuyeron de la siguiente manera:
 - 30% a **ministerios de alcance y evangelización enfocados en cambios sistémicos**
 - 33% a **ministerios que benefician sistémicamente a familias viviendo en pobreza**
 - 8% para **becas**
 - 29% para **alivio del Huracán Harvey**
- La historia y el futuro de la TMF están vinculados a nuestras asociaciones con individuos y familias y un compromiso para ayudar a implementar sus objetivos filantrópicos. **En el 2017, la TMF trabajó con las familias para financiar donaciones por un total de más de \$3.3 millones** en forma de fondos-asesorados de donantes, anualidades de donaciones caritativas y fundaciones permanentes. Las distribuciones de estos fondos respaldarán una variedad de ministerios; desde un nuevo Centro Juvenil y Comunitario en Moody, Texas, hasta la asistencia a la misión del Wesleyan Home (Hogar Wesleyano) siendo el principal proveedor de atención y servicios de apoyo para adultos mayores en el centro de Texas.

- La TMF distribuyó aproximadamente \$1 millón de **fundaciones permanentes**, predominantemente a causas Metodistas Unidas.
- El **Ministerio de Liderazgo** de la TMF busca habilitar el coraje, el aprendizaje y la innovación entre los líderes. El método principal por el cual hacemos este trabajo es a través de facilitar conversaciones transformacionales; algunas toman la forma de grupos de pares 'en marcha' y otras en conversaciones independientes en torno a un tema adaptado. Durante el 2017, la TMF organizó dieciséis grupos de aprendizaje entre pares, que involucraron a más de 250 clérigos y líderes laicos de todo Texas y Nuevo México, así como también de otras conferencias de la Jurisdicción Central Sur (SCJ por sus siglas en inglés). Además de continuar nuestro compromiso con grupos en marcha, como el Conclave de Obispos de la SCJ, Superintendentes de Distrito Nuevos y Continuos, Pastores Ejecutivos, Músicos y el grupo de Ministerio con los Pobres, la TMF ha facilitado varias conversaciones de grupos grandes con el motivo de ayudar a los líderes a luchar con desafíos importantes al que buscan liderar en este entorno que cambia rápidamente. Estos grupos incluyeron: una reunión de líderes denominacionales de once diferentes tradiciones de fe en torno a los desafíos de mantener las normas y valores de nuestra tradición mientras se buscan innovaciones y nuevas formas de crear comunidades de fe; una reunión de líderes de iglesias grandes que buscan mantenerse enfocados en su misión en un panorama incierto y cambiante; un laboratorio de aprendizaje que reunió equipos de quince conferencias anuales para involucrar el trabajo de establecer resultados y alinear recursos; y una reunión de todos los obispos de la SCJ, junto con otros líderes de cada conferencia, para una experiencia de inmersión en el Valle del Río Grande en un intento de profundizar y cambiar la conversación sobre cómo estar en ministerio con la diversidad de personas hispanas y latinas que viven en nuestras comunidades. A medida que la TMF continúa trabajando incansablemente para ayudar a fortalecer la iglesia que conocemos hoy, también vemos un gran valor en ayudar a la iglesia a vivir en un futuro, lo que indudablemente requiere un cambio profundo y un nuevo tipo de liderazgo.
- En el 2017, los **Representantes de Área** aceptaron completamente su rol como promotores, entendiendo que nuestras iglesias desean hacer una diferencia en sus comunidades, pero tienen dificultades en cómo hacerlo. El equipo brindó ánimo en la forma de un programa comprensivo de Mayordomía Anual para seis iglesias líderes en el área de Dallas, además de tres en El Paso y tres en Las Cruces. El equipo brindó ánimo liderando congregaciones en Dallas, Denison, San Angelo, Bellville y Bay City a través del proceso de discernimiento espiritual Holy Conversations (Conversaciones Santas). Dos elementos nuevos en las Conversaciones Santas fueron un equipo bilingüe en Elmwood / El Buen Samaritano UMC en Dallas, y un proceso en First UMC, Round Rock que combinó el trabajo de discernimiento de las Conversaciones Santas con la marca y el marketing del MGroup de Austin. El equipo también brindó ánimo a las muchas iglesias que comenzaron fondos para fundaciones, agudizaron sus sistemas de gobierno o abordaron cuestiones de liderazgo.

INDEPENDENT AUDITOR'S REPORT

Finance Table (CF&A)
Rio Texas Conference United Methodist Church
San Antonio, Texas

We have audited the accompanying financial statements of the Rio Texas Conference United Methodist Church (the Conference), a non-profit organization, which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities (with comparative totals for 2016), functional expenses (with comparative totals for 2016), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

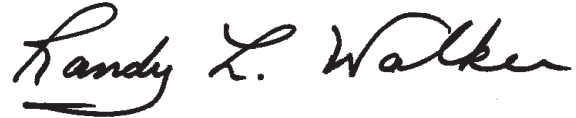

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Rio Texas Conference United Methodist Church as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ORGANIZATION

The Rio Texas Conference United Methodist Church (the Conference) is a nonprofit organization associated with the General Council on Finance and Administration of the United Methodist Church. The mission of the Conference is to make disciples of Jesus Christ for the transformation of the world. The Conference is empowered by the Holy Spirit to reach out, in the name of God, to the people of South Texas in the name of Jesus Christ. The Conference is committed to providing vital missions, vital congregations, and strong leaders to connect their churches to the people within their area. The Conference's mission field spans South Texas, with churches in large cities and small towns from Austin to McAllen, from San Angelo to Victoria, in vibrant cities, historic small towns and struggling communities.

All assets of the Conference reported in the accompanying financial statements are held in trust by the United Methodist Rio Texas Conference Board of Trustees incorporated under the laws of the State of Texas effective January 1, 2015.

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. To ensure observance of limitations and restrictions placed on the use of resources available to the Conference, the accounts of the Conference are maintained in accordance with the principles of fund accounting. This is a procedure by which resources for various purposes are classified into each fund. Each fund is established by separate trusts as designated by the donors.

BASIS OF PRESENTATION

The Conference is required to report information regarding its financial position and activities according to two classes of net assets:

- *Net Assets Without Donor Restrictions* – Net assets available for use in the general operations and not subject to donor restrictions. Grants and contributions gifted for recurring programs of the Conference generally are not considered “restricted” under GAAP, though for internal reporting the Conference tracks grants and contributions to verify the disbursements match the intent. Assets restricted solely through the actions of the Board are reported as net assets without donor restrictions, board-designated.
- *Net Assets With Donor Restrictions* – Net assets subject to donor-imposed restrictions that are more restrictive than the Conference's mission and purpose. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

CASH EQUIVALENTS

For purposes of the statements of cash flows and the statements of financial position, the Conference considers all investments purchased with a maturity of three months or less to be cash equivalents.

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost when acquired by purchase and at fair market value when acquired by gifts. The Conference capitalizes property and equipment with a cost or fair market value over \$2,500. Cost and associated reserve are written off when the asset is fully depreciated.

Automobiles - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Furnishings and Equipment - recorded at cost less accumulated depreciation computed on a straight-line basis over 3 to 5 years.

Mt. Wesley Buildings - where historical cost or fair market value at the date of the gift was not available, the assets were recorded at 50% of their insured value as of December 31, 1985. These assets are being depreciated on a straight-line basis over 40 years.

Mt. Wesley land is recorded at the appraised value based on a 1985 appraisal by a firm of real estate appraisers.

CONTRIBUTIONS

Contributions and other support that are restricted by the donor are recorded as an increase in net assets with donor restrictions until the restriction expires or the Conference disburses the funds in accordance with the restriction. Designated funds are internally restricted by the Conference and have no external legal restrictions.

ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

FUNCTIONAL ALLOCATION OF EXPENSE

The costs of providing the services and other activities of the Conference have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits which are allocated on the basis of estimates of time and effort, as well as utilities, rent, and repairs and maintenance which are allocated on square footage or some other reasonable basis.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

INCOME TAX STATUS

The Conference qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

NEW ACCOUNTING PRONOUNCEMENTS

In May 2014, the Financial Accounting Standards Board (FASB) issued a new accounting pronouncement regarding revenue recognition effective for reporting periods beginning after December 15, 2018. Management does not expect the new standard to have a significant impact on its financial position, results of operations and related disclosures.

In February 2016, the FASB issued a new accounting pronouncement regarding lease accounting for reporting periods beginning after December 15, 2019. A lessee will be required to recognize on the statement of financial position the assets and liabilities for leases with terms of more than twelve months. Management is currently evaluating the effect this pronouncement will have on the financial statements and related disclosures.

RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

In August 2016, the FASB issued Accounting Standard Update 2016-14, regarding the reporting and disclosure requirements for not-for-profit organizations, effective for periods beginning after December 15, 2017 with early adoption encouraged. The pronouncement replaces the three classes of net assets with two new classes, requires the reporting of expense by function and natural classification, enhances disclosures on liquidity and availability of resources, and includes several other less significant reporting enhancements. The Conference has early adopted this new pronouncement effective January 1, 2017, and the prior year presentation is conformed.

RECLASSIFICATIONS

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications are due to the adoption of Accounting Standards Update 2016-14, as discussed above, which require two classifications of net assets from the previously reported three classes. Net assets, previously classified at December 31, 2016 as “unrestricted” are now classified as “without donor restrictions”. Net assets previously classified as “temporarily restricted” and “permanently restricted” are now classified as “net assets with donor restrictions”. The reclassifications had no effect on the previously reported change in net assets.

NOTE 10 - NOTES PAYABLE

In October 2016, the Conference entered into a new note agreement with the Texas Methodist Foundation for the purchase of a caretaker's house for the Mt. Wesley Retreat Center. Under the loan agreement, monthly payments of \$815, including accrued interest at prime plus .25%, are due and payable commencing December 7, 2016 through November 7, 2021, with the remaining principal and unpaid interest due at that time. NOTE 11 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Conference adopted the provisions of ASC 820, "Fair Value Measurements and Disclosures" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Conference's financial position or results of operations.

**RIO TEXAS CONFERENCE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016**

NOTE 11 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)

The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

The Conference has no Level 2 or Level 3 assets or liabilities.

The Conference's financial instruments (Level 1) were as follows at December 31, 2017:

	<u>Carrying Amount</u>	<u>Fair Value</u>
Financial Assets:		
Cash and Cash Equivalents	\$ 11,199,347	\$ 11,199,347

NOTE 11 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)

The Conference's financial instruments (Level 1) were as follows at December 31, 2016:

	<u>Carrying Amount</u>	<u>Fair Value</u>
Financial Assets:		
Cash and Cash Equivalents	\$ 9,390,962	\$ 9,390,962

Financial Liabilities:

Accrued Expenses	\$ 364,798	\$ 364,798
Note Payable - Current Portion	\$ 5,688	\$ 5,688

The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.

NOTE 12 - PENSION PLAN

The Conference is responsible for pensions for two classes of persons - clergy appointed to the Conference and lay employees.

The Pension Plan for clergy appointed to the Conference is administered by the United Methodist Rio Texas Conference Board of Pensions (the Board of Pensions). The Conference's contribution to the cost of that plan for the years ended December 31, 2017 and 2016 was \$148,303 and \$95,531, respectively.

The Pension Plan for lay employees is funded through the purchase of annuity contracts. Employee contributions are voluntary and are made on a pre-tax basis. Employer contributions are a percentage of wages and are defined in the Master Agreement between the Conference and the Board of Pensions. The contribution for the years ended December 31, 2017 and 2016 was \$62,969 and \$65,610, respectively.

The above plans are both "church plans" as that term is defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

NOTE 13 - LEASES

The Conference leases copiers and other office equipment under various operating leases. The leases vary in expiration dates from May 2016 to July 2020. Copier and office equipment lease expenses amounted to \$99,170 and \$113,739 for the years ended December 31, 2017 and 2016, respectively.

The following is a schedule of the operating lease obligations subsequent to December 31, 2017:

Years Ended December 31,		
2018	\$	189,720
2019		125,440
2020		<u>93,300</u>
Total	\$	<u>408,460</u>

NOTE 14 - ENDOWMENT

The Conference's endowment consists of an individual fund established by the former Rio Grande Conference. The fund was established to help meet the challenge to become self-sufficient in ministerial support, program, and administration; focusing on the areas of evangelism, stewardship, and leadership development. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Trustees of the Conference has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as net assets with restrictions (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is released when the time restriction has expired or when those amounts are appropriated for expenditure by the Conference in a manner consistent with the standard of prudence prescribed by UPMIFA.

**RIO TEXAS CONFERENCE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016**

NOTE 14 - ENDOWMENT (continued)

In accordance with UPMIFA, the Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted funds:

1. The duration and preservation of the fund;
2. The purpose of the Conference and the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and the appreciation of investments;
6. Other resources of the Conference; and
7. The investment policies of the Conference.

All endowment net assets are comprised of donor funds without restrictions. Total donor endowment funds without restrictions were \$174,930 and \$173,145 at December 31, 2017 and 2016, respectively.

Changes in endowment net assets were as follows for the years ended December 31:

	2017	2016
Endowment Net Assets, Beginning of Year	\$ 173,145	\$ 171,766
Investment Income	1,785	1,379
Endowment Net Assets, End of Year	\$ 174,930	\$ 173,145

There were no endowment net assets classified as “with donor restrictions” at December 31, 2017 and 2016.

Funds With Deficiencies

The fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Conference to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in net assets without donor restrictions. There were no such deficiencies as of December 31, 2017 and 2016.

Return Objectives and Risk Parameters

The Board of Trustees of the Endowment Fund (the Fund) has adopted investment and spending policies for the Endowment Fund assets that attempt to fulfill the purpose of the Fund and also protect the principal of the Fund.

The objectives of the Fund’s investment policy are:

1. To conserve principal for the effective maintenance of purchasing power.
2. To provide regular income at a reasonable rate.
3. To expand income and principal over and above that necessary to offset rises in the cost of living.

NOTE 14 - ENDOWMENT (continued)

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investment returns are achieved through current yield (interest and dividends). The Fund is designed to offer a portfolio balanced through a diversified group of quality securities.

NOTE 15 - CONTINGENT LIABILITY ENERGY CONTRACT

In July 2013, the Southwest Texas Conference of the United Methodist Church (Conference's predecessor organization) entered into a contract to purchase a set amount of electricity at a fixed rate price from an energy company for 46 months. This contract was transferred to the Conference upon its formation, and the Conference is bound by the terms until completion of the contract. Churches of the Conference who want to participate sign up and pay for the electricity on a monthly basis. This contract expired in May 1, 2017. The Conference entered into a new contract to purchase a set amount of electricity at a fixed rate price from a different energy company for 48 months beginning May 1, 2017. The Conference is contingently liable to purchase the full amount of electricity agreed to in the contract and is also contingently liable if one of the churches is unable to pay for the electricity used. It is the opinion of management that all electricity will be fully utilized and the participating churches will be able to pay their bills; therefore, no amounts have been accrued for related to this contract.

NOTE 16 - CONTINGENT LIABILITY FOR UNFUNDED POST-RETIREMENT BENEFITS

Prior to 1982, the Southwest Texas Conference of the United Methodist Church and the Rio Grande Conference of the United Methodist Church (Conference's predecessor organizations) participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference and will for several decades. In 2017 and 2016, the Board of Pensions had assets in excess of its liabilities, and, therefore, no unrecorded liability exists for that fiscal year. The plan is fully funded according to the terms and conditions of the program, and the Board of Pensions has fully reserved an amount greater than the current actuarial obligation.

NOTE 17 - LINE OF CREDIT

During August 2012, the Southwest Texas Conference of the United Methodist Church (Conference's predecessor organization) entered into an agreement for a line of credit of \$500,000 with Texas Methodist Foundation for the Mt. Wesley project. The line bears interest at prime less .25% and expires on August 7, 2023. The line is secured by land in Kerr County, Texas. This line of credit had been revised to reflect the Conference as the maker. The Conference had no outstanding borrowings at December 31, 2017 and 2016. This line of credit was closed in 2017.

NOTE 18 - SUBSEQUENT EVENTS

The Conference evaluates subsequent events in accordance with ASC Topic No. 855, “*Subsequent Events*” (formally SFAS No. 165). The guidance requires an entity to disclose the date through which subsequent events have been evaluated, as well as whether that date is the date the financial statements were issued or the date the financial statements were available to be issued. In preparing these financial statements, the Conference has evaluated events and transactions for potential recognition or disclosure through May 9, 2018, the date the financial statements were available to be issued.

The Conference has a \$5,000,000 grant pending from the Federal Emergency Management Agency (FEMA) and an additional \$5,000,000 grant pending from the United Methodist Committee on Relief (UMCOR) to assist with Hurricane Harvey recovery in the South Texas area. These funds are expected to be awarded in mid-2018.

NOTE 19 - LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The Conference has approximately \$8,887,661 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditure. This consists of cash and cash equivalents of \$11,199,347, accounts receivable - apportionments and other giving of \$947,729, accounts receivable - other of \$314,085, and grants receivable of \$569,620, net of accounts payable - apportionments of \$921,480, accounts payable of \$786,346, accounts payable - other of \$264,702, accrued expenses of \$224,565, current portion of note payable of \$5,905, and funds with donor restrictions of \$1,940,122 as of year-end. None of the other financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date. The Conference has been operating with financial assets on hand to meet approximately six months of normal operating expenses which are, on average, approximately \$1,539,114 per month, or \$9,234,684 for six months, given full programmatic expenditures.

NOTE 20 - PRIOR YEAR RECLASSIFICATION

During the year ended December 31, 2017, an evaluation of net assets without donor restrictions identified over-expended funds of \$408,305 related to the following designations: Mt. Wesley Conference Center - \$405,513, Health and Wellness - \$2,236, and Adult Choral Workshop - \$556. These amounts were improperly reducing designated net assets at December 31, 2016. The effect of this reclassification is a decrease of \$408,305 in undesignated net assets and a corresponding increase in designated net assets at December 31, 2016. There was no effect on total net assets at December 31, 2016.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
United Methodist Rio Texas Conference
Board of Pensions
San Antonio, Texas

We have audited the accompanying financial statements of the United Methodist Rio Texas Conference Board of Pensions, a non-profit organization, which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities (with comparative totals for 2016), functional expenses (with comparative totals for 2016), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the United Methodist Rio Texas Conference Board of Pensions as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017 and 2016**

NOTE 1 - ORGANIZATION AND PURPOSE

The United Methodist Rio Texas Conference Board of Pensions (the Board) is a Texas non-profit corporation, formerly known as the Board of Pensions of the Southwest Texas Annual Conference of the United Methodist Church. The Board began operations as the United Methodist Rio Texas Conference Board of Pensions on January 1, 2015, resulting from unification of the Board of Pensions of the Southwest Texas Annual Conference of the United Methodist Church and the Rio Grande Conference of the United Methodist Church.

The Board's purpose is to determine and report to the Annual Conference the names of retired ministers and the widows and children of the deceased ministers of the Rio Texas Conference of the United Methodist Church (the Conference) who are entitled to annuities, pensions, or special relief; to set, subject to the approval of the Annual Conference, the appropriation necessary to be made to meet such charges; and to perform such other acts and discharge such other duties as may be prescribed by the Discipline of the United Methodist Church.

The Board is not involved in the actual administration of the pension program which is the responsibility of Wespath Benefits and Investments (Wespath), formerly the General Board of Pensions and Health Benefits of the United Methodist Church (GBOPHB). The Board is responsible for collecting and remitting the pension funds to Wespath. The Board also administers other funds that have been contributed to provide income that is to be used for funding pension and health insurance benefits. The Board can direct Wespath as to which type of investment account it wants the funds invested in, but Wespath selects the individual investments to be made from each investment account. The Board has the authority to select investments outside of Wespath. As of December 31, 2017 and 2016, approximately 97% of all the Board's assets were placed with Wespath. Wespath maintains all members' accounts related to balances and vesting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. To ensure observance of limitations and restrictions placed on the use of resources available to the Board, the accounts of the Board are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into each fund; each fund being established by separate trusts as designated by the donors.

CASH EQUIVALENTS

For purposes of the statements of cash flows and the statements of financial position, the Board considers all investments purchased with a maturity of three months or less to be cash equivalents.

INVESTMENTS

Investments are carried at market, and realized and unrealized gains and losses are reflected in the statement of activities. Investments acquired by gift are valued at amounts representing estimated fair market value at the date of the gift.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost when acquired by purchase and at fair market value when acquired by gifts. The Board capitalizes property and equipment with a cost or fair market value over \$2,500. Cost and associated reserve are written off when the asset is fully depreciated.

Operating assets consist of furniture and equipment, stated at cost less allowances for depreciation. Provisions for depreciation of fixed assets are computed on the straight-line method over five years.

The retirees house was donated to the Board in 2015 and held by the Conference until its transfer to the Board in 2017. The house is to be used by a retired minister per the donor's stipulation. The house is recorded at its salvage value of \$46,219 and \$-0- as of December 31, 2017 and 2016, respectively. Therefore, no depreciation expense is recognized in the financial statements for the house.

CONTRIBUTIONS

The Board reports gifts of cash and other assets as donor restricted support if they are received with donor restrictions as to period of availability or use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, donor restricted net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction.

BASIS OF PRESENTATION

The Board is required to report information regarding its financial position and activities according to two classes of net assets:

- *Net Assets Without Donor Restrictions* – Net assets available for use in the general operations and not subject to donor restrictions. Grants and contributions gifted for recurring programs of the Board generally are not considered “restricted” under GAAP, though for internal reporting the Board tracks grants and contributions to verify the disbursements match the intent. Assets restricted solely through the actions of the Board are reported as net assets without donor restrictions, board-designated.
- *Net Assets With Donor Restrictions* – Net assets subject to donor-imposed restrictions that are more restrictive than the Board's mission and purpose. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the Board administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

INCOME TAX STATUS

The Board qualifies as a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. The Board's management believes it has no material uncertain tax positions, and, accordingly, it will not recognize any liabilities.

FUNCTIONAL ALLOCATION OF EXPENSE

The costs of providing the services and other activities of the Board have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include staff expenses which are allocated on the basis of estimates of time and effort, as well as office expenses, maintenance expenses, and travel and meeting expenses which are allocated on square footage or some other reasonable basis.

NEW ACCOUNTING PRONOUNCEMENTS

In May 2014, the Financial Accounting Standards Board (FASB) issued a new accounting pronouncement regarding revenue recognition effective for reporting periods beginning after December 15, 2018. Management does not expect the new standard to have a significant impact on its financial position, results of operations and related disclosures.

In February 2016, the FASB issued a new accounting pronouncement regarding lease accounting for reporting periods beginning after December 15, 2019. A lessee will be required to recognize on the statement of financial position the assets and liabilities for leases with terms of more than twelve months. Management is currently evaluating the effect this pronouncement will have on the financial statements and related disclosures.

RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

In August 2016, the FASB issued Accounting Standard Update 2016-14, regarding the reporting and disclosure requirements for not-for-profit organizations, effective for periods beginning after December 15, 2017 with early adoption encouraged. The pronouncement replaces the three classes of net assets with two new classes, requires the reporting of expense by function and natural classification, enhances disclosures on liquidity and availability of resources, and includes several other less significant reporting enhancements. The Board has early adopted this new pronouncement effective January 1, 2017, and the prior year presentation is conformed.

RECLASSIFICATIONS

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications are due to the adoption of Accounting Standards Update 2016-14, as discussed above, which require two classifications of net assets from the previously reported three classes. Net assets, previously classified at December 31, 2016 as "unrestricted" are now classified as "without donor restrictions". Net assets previously classified as "temporarily restricted" and "permanently restricted" are now classified as "net assets with donor restrictions". The reclassifications had no effect on the previously reported change in net assets.

NOTE 3 - DESCRIPTION OF PLANS

The following description of the Board's health insurance and pension plans provides only general information. Participants should refer to the plan agreements for a complete description of provisions. The Pension Plan is a separate entity maintained by Wespath, and the results of its financial activities are reported on by other auditors.

The Board administers the following plans provided by the Conference:

- Clergy Retirement Security Program (CRSP) - effective January 1, 2007, and restated as of January 1, 2014, reflecting revisions approved at General Conference 2012, the Ministerial Pension Plan (MPP) was converted over to the CRSP plan. The plan is funded by a 3% contribution to the CRSP Defined Contribution Plan (DC) made by the Board. In addition to the 3% contribution, the Board will also fund the CRSP Defined Benefit Plan (DB). The DB contribution will equal the amount it takes to fund the employees' retirement benefit. The CRSP payment made based upon actuarial cost for the years ended December 31, 2017 and 2016 was \$1,757,525 and \$1,466,638, respectively.
- Defined Contribution Pension Plan - Post 1982 service, fully funded each year by deposits from employer (church) and employee to Wespath. Retirement benefits are dependent on the balance in the individual's account on date of retirement.
- Defined Benefit Pension Plan - Prior to 1982, the Conference participated in a defined benefit program for clergy appointed to the local churches of the Conference. The financial liability for that service still exists for the Conference and will for several decades. The cost of providing the defined benefits earned prior to 1982 is viewed by the Conference as an annual expense and is funded each year by the local churches through the Board.
- Health Insurance Plan - Clergy and lay employees are eligible to participate in this plan if they are regular, full-time employees of the Conference or one of the local churches of the Conference. All full-time employees must be regularly scheduled to work a minimum of 30 hours per week. Also, eligible to participate in this plan are full, probationary, associate members, and full-time local pastors.

For the year ended December 31, 2013, the retired pastors were covered under the Health Insurance Plan described above by the Board's predecessor organization, the Board of Pensions of the Southwest Texas Annual Conference of the United Methodist Church. This coverage was discontinued effective March 31, 2014, and the retired pastors currently in the Conference's Health Insurance Plan were transitioned to one of the health benefit plans offered by a third party, Towers Watson (Note 10).

The pension plans are considered church plans as defined in section 414(e) of the Internal Revenue Code and are administered pursuant to the retirement income account provisions of section 403(b)(9) of the Internal Revenue Code.

NOTE 4 - CONCENTRATION OF CREDIT RISK

The Board maintains cash and investment accounts at various financial institutions and investment companies. The Federal Deposit Insurance Corporation (the FDIC) insures the balances in the cash accounts up to \$250,000, while the Securities Investor Protection Corporation (the SIPC) insures the balances in investment accounts up to \$500,000. The Board also has investment accounts that are not insured by the FDIC or the SIPC. At December 31, 2017 and 2016, the Board's uninsured cash balances totaled \$1,068,243 and \$900,148, respectively, without regard to reconciling items. At December 31, 2017 and 2016, the Board's uninsured investment balances totaled \$12,159,374 and \$11,335,024, respectively, without regard to reconciling items.

NOTE 5 - INVESTMENTS

At December 31, 2017 and 2016, investments consisted primarily of units in Wespath Investment Management, which are pooled investment accounts. Dividends and gains (losses) are allocated to the Board based on its interest in the unitized value of its investments on a monthly basis.

Investments held at December 31 are summarized as follows:

	<u>2017</u>	<u>2016</u>
Wespath Investments	\$ 11,809,739	\$ 11,003,056
Texas Methodist Foundation Funds	349,635	331,968
Other Investments	<u>1,146</u>	<u>1,146</u>
Total	<u>\$ 12,160,520</u>	<u>\$ 11,336,170</u>

The amount invested in these equities is recorded at fair market value. Investment gains for these funds were \$1,957,558 and \$1,202,377 for the years ended December 31, 2017 and 2016, respectively. Dividends and interest for these funds were \$163 and \$795 for the years ended December 31, 2017 and 2016, respectively.

NOTE 6 - ACCOUNTS RECEIVABLE

Accounts receivable consists primarily of amounts due from churches and individuals for pension and health insurance billings. At December 31, 2017 and 2016, accounts receivable also included \$-0- and \$94,208, respectively, due from the Conference related to the Edinburg Retired Minister's Home and associated maintenance fund. The Board considers all of these receivables to be fully collectible; therefore, an allowance for doubtful accounts is not required.

NOTE 7 - PRE-82 PENSION ASSET/OBLIGATION

The Pension Plan with Wespath was changed effective January 1, 1982. The Board is responsible for the un-funded past service liability of the participants who were members prior to January 1, 1982. In 2016, the Board made an additional payment of \$4,650,000 along with the normal required payment for 2016 to bring the Pre-82 Plan to a fully funded status. As a result of this payment, the Plan had a pension asset of \$872,921 and \$1,552,614 as of December 31, 2017 and 2016, respectively. The actuarially projected un-funded past service liability as of December 31, 2016 was \$5,215,763 for the participants. Past service funding deposits are required to fund this liability and have been set at \$823,207 per year for a period of 16 years (adjusted annually to \$747,854 and \$823,207 in 2017 and 2016, respectively). However, in 2017 and 2016, the Board had available plan assets of \$6,173,563 and \$5,952,477, respectively, which is adequate to fully fund the past service liability.

NOTE 8 - PRE-82 POST-RETIREMENT PENSION BENEFITS

The post-retirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered prior to January 1, 1982. Post-retirement benefits include future benefits expected to be paid to or for 1) currently retired employees and their spouse and 2) active employees and their spouse after retirement from service.

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary of Wespath and is the amount that results from applying actuarial assumptions to historical data to estimate the present value of future annual incurred benefits. The significant actuarial assumptions used in the valuations were:

- a) Mortality will occur in accordance with RP-2014 White Collar Mortality Table with generational projection using Scale MP-2014 for calculating impact on pension plans due to increased longevity.
- b) Contributions for increases in Past Service Rate or Contingent Annuitant % benefit increases are required to be made in advance of the increase's effective date.
- c) The actuarial reserve and accumulations before retirement will be credited with interest at the rate of 6.625%.
- d) Surviving spouses receive 70% of the ministerial pension rate.
- e) Retirement has been assumed to occur at the age of 65 or in one year, if age 65 or older.

The valuations included assume average rates of return of 6.625% in 2017 and 2016 for the pension plan and expected benefit increases of 2%. The foregoing actuarial assumptions are based on the presumption the plan will continue. Were the plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The Pre-82 Funding Plan is under review by the Actuarial Department at Wespath.

NOTE 9 - PENSION PARTICIPANT CONTRIBUTIONS AND PAYMENTS

The Board is the plan sponsor for several qualified benefit plans of Wespath. These plans are the Clergy Retirement Security Program – Defined Contribution (CRSP-DC), Clergy Retirement Security Program-Defined Benefit (CRSP-DB), Comprehensive Protection Plan (CPP), and United Methodist Personal Investment Plan (UMPIP). The Board invoices the local churches for the cost of these plans on a monthly basis and then makes a single payment to Wespath either monthly or annually, depending upon the plan design.

NOTE 10 - POST-RETIREMENT HEALTH BENEFITS

As disclosed above in Note 3, the Board's predecessor organizations, the Southwest Texas Conference and the Southwest Texas Conference of the United Methodist Church Board of Pensions voted to end the previous post-retirement health benefit plan effective December 31, 2014. This is a part of the agreement to form a new conference effective January 1, 2015. As a result of this action, the former corporate entity was changed. The new entity has a new Board of Directors and new by-laws. The former post-retirement health benefit plan ended. The post-retirement health benefit plan of the new United Methodist Rio Texas Conference Board of Pensions is a closed plan. Participants in the plan are limited to those who were participating in the post-retirement health benefit plans of the Southwest Texas Conference and the Rio Grande Conference. No new participants can be added. The annual benefit amount is fixed at the dollar value of the annualized benefit paid during December 2014.

This benefit is only available with participation in one of the health benefit plans offered by a third party, Towers Watson. The benefit is provided in the form of funding a Health Reimbursement Account (HRA). Upon the death of the participant, the termination of the plan, or the decision of the participant to no longer continue to participate in the plan, the benefit ends. The health reimbursement benefit amount is fixed and will not increase regardless of the cost of the health benefit plan. This plan is funded by apportionments collected by the Board, as such the plan participants do not make contributions to this plan.

The actuarial present value of the expected post-retirement benefit obligation at December 31, 2017 and 2016 was \$772,551 and \$879,313, respectively, as determined by an actuary of Willis Towers Watson and is the amount that results from applying actuarial assumptions to a census of participants on December 31, 2014.

The expected future benefit payments related to these benefits are as follows:

Years Ended December 31,		
2018	\$	106,121

2020		86,017

NOTE 12 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Board adopted the provisions of ASC 820, "Fair Value Measurements and Disclosures" (formerly SFAS 157). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market, and establishes a framework for measuring fair value in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The adoption of ASC 820 did not affect the Board's financial position or results of operations. The valuation techniques required by ASC 820 are based upon observable and unobservable inputs, and ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.
- Level 2 valuations are based on quoted prices in markets that are not active.
- Level 3 valuations are based on inputs that are unobservable and supported by little or no market activity.

NOTE 13 - OTHER INCOME

The Board received a dividend of \$1,166,540 in March 2016 attributable to an underwriting gain/surplus for the two-year period of January 1, 2014 through December 31, 2015. These funds are included in other income in the statement of activities for the year ended December 31, 2016. There were no similar items for the year ended December 31, 2017.

NOTE 14 - RECLASSIFICATION

Certain amounts in the 2016 financial statements have been reclassified to conform to the 2017 presentation. Retiree Health Changes in Retirement Account Obligations has been separately presented in the statement of activities for 2017. This reclassification results in an increase in this account of \$56,687 in 2016 and a corresponding decrease in Pre-82 Pension Changes in Benefit Obligations. This reclassification had no effect on prior year's total net assets.

NOTE 15 - LEGACY FUNDS

On January 1, 2015, the Rio Grande Conference pension assets of \$6,922,748 were transferred into the Board's investment accounts. Based on the Rio Texas Unification Plan that was approved by both the Rio Grande Conference and Southwest Texas Conference, the transferred funds which were restricted for clergy benefits of the former Rio Grande Conference will continue to be used to fund clergy benefits of legacy churches of the Rio Grande Conference. During the year ended December 31, 2017, the Board awarded \$257,489 in grants to legacy churches and incurred investment gains of \$1,235,720. At December 31, 2017, the legacy fund balance was \$7,961,607. During the year ended December 31, 2016, the Board awarded \$181,080 in grants to legacy churches and incurred investment gains of \$543,762. At December 31, 2016, the legacy fund balance was \$6,983,376.

NOTE 16 - RELATED PARTY TRANSACTIONS

The Board is located in the building owned by the Conference. The accounting department of the Conference performs some of the accounting functions of the Board; therefore, certain expense allocations have been made for payroll, employee benefits, and other office-related expenses incurred in the normal course of business operations. For the years ended December 31, 2017 and 2016, these expenses totaled \$124,334 and \$191,472, respectively.

NOTE 17 - SUBSEQUENT EVENTS

The Board evaluates subsequent events in accordance with ASC Topic No. 855, "*Subsequent Events*" (formally SFAS No. 165). The guidance requires an entity to disclose the date through which subsequent events have been evaluated, as well as whether that date is the date the financial statements were issued or the date the financial statements were available to be issued. In preparing these financial statements, the Board has evaluated events and transactions for potential recognition or disclosure through July 30, 2018, the date the financial statements were available to be issued. The Board has determined there are no subsequent events requiring disclosure.

NOTE 18 - LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The Board has approximately \$4,035,903 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditure. This consists of cash and cash equivalents of \$1,087,709, accounts receivable of \$117,510, and investments of \$12,160,520, net of accounts payable of \$20,085 and funds with donor restrictions of \$9,309,751 as of year-end. None of the other financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date. The Board has been operating with financial assets on hand to meet approximately five months of normal operating expenses which are, on average, approximately \$714,619 per month, or \$3,573,095 for five months, given full programmatic expenditures.

MEMOIRS

GUIDELINES FOR MEMOIRS

In the Rio Texas Conference it is the responsibility of the minister who conducts the funeral of a deceased minister, or spouse of a minister, to write the memoir for the conference journal. The memoir is not designed to be either a eulogy or a memorial sermon, and is not the place for sentimentality; but this brief and specialized biographical account can be a document suitable as a historical record and a portrayal of personality and spirit.

Certain facts are basic and essential for inclusion in a memoir. The style of writing and the method and order of presentation may differ but a memoir should contain the following information, either within the body of the memoir or listed at the end:

1. Personal life, early period: complete name of the deceased; date and place of birth; names of parents, including mother's maiden name.
2. Educational background: schools and colleges attended, with years noted; degrees and honors received, with dates.
3. Ecclesiastical data: first church membership (name of church, location, date); dates of ordination and admission to annual conference; appointments served; special areas of service on conference boards and agencies; retirement date; residence following retirement; and any service after retirement. (This paragraph is to be adapted to the spouse.)
4. Personal life, late period: date of marriage and name of spouse (including maiden name of wife); full names of children (including married names); date and circumstances of death; date and place of funeral and burial; names of officiating clergy; and address of surviving partner or nearest relative.

It shall be the responsibility of the annual conference secretary, as editor of the journal, to see that this basic biographical information is contained in the memoirs that are printed in the conference journal. When the conference secretary is informed as to who will write a memoir, he/she will send to the writer of the memoir a copy of these guidelines, and instruct the writer to make sure that the memoir that is written is complete with the necessary biographical information. It should not be more than 300 words in length.

For the Rev. Dr. Jack Carroll Bush, Sr., his work here is done. As with all Methodist clergy, he has received a new appointment and at long last, his final appointment has arrived.

He was known by many as simply, "Rev" and was born in Waco, Texas on June 18, 1929, to Richard C. Bush Sr. and Vivien Evelyn Harris Bush.

He married the love of his life, Ruth Louise Kline, in 1950 after graduating from Baylor University. His first job was as the band director for Kerens High School in Kerens, Texas. Soon he found himself in the ministry with his first appointment as an associate minister at First United Methodist Church in Temple, Texas. After two years, his second appointment took him to the First Methodist Church of Maypearl, Texas where he also attended the Perkins School of Theology at Southern Methodist University. The First Methodist Church of Arlington, Texas was his next appointment and while there, he graduated from Perkins at

SMU. The Rio Grande Valley was the next stop on his appointment list, where he established the St. Stephen Larger Parish. This combined the First Methodist Churches of Combes, Texas and Santa Rosa, Texas. Cokesbury United Methodist Church in San Antonio, Texas became the fifth appointment followed by St. Matthews United Methodist Church. The next appointment was at Alamo Heights United Methodist Church. From there he served as a hospital chaplain at Santa Rosa Hospital and as the Director of Chaplains at Methodist Hospital in San Antonio. While serving this appointment, he received his doctorate in pastoral care from the San Francisco Theological Seminary in San Anselmo, California. After 15 plus years in his chaplaincy appointment, he was appointed to the First Methodist Church of Fashing, Texas where he retired after thirteen years.

Jack loved music. He played trumpet in the Baylor University band. He arranged music not only for band and orchestra but also for choral. Music was always a large part of his churches and ministry. Many of his youth choirs traveled the country performing. He volunteered at Bradley Middle School in San Antonio helping and teaching band and music. His love of performing had him participating in many, many bands from Big Bands to German bands. Rev. Dr. Bush was also a theological scholar, often seen with a theology book, highlighters, and many colored pens to make his copious notes.

Lance was born in Corpus Christi in 1940. He married Earlene Stine and, soon after, graduated from SMU with a Bachelor's of Divinity in 1966.

He was a Methodist pastor for several years, then became a probation officer in the 70s. He worked for Stokes construction and owned a bar in Houston called The Other End. Then in the early 80s, he created Tejas Air, which he owned for 35 years. His name was added to the Wall of Tolerance in November 2005 for standing against hate. He was a long time member of Bering Memorial UMC and considered the congregation his family. He had two daughters, Pam and Michelle, whom he loved so much.

At Bering Memorial Rev. Dr. Don Sinclair wrote that Lance came there with a Theological Education and founded an air conditioning business and became active in Bering Church. He was humble and gifted and loved the United Methodist Church. He was highly informed in theology and Wesleyan Worship, especially in our two sacraments of Baptism and Holy Communion.

He served on the Altar Guild and helped prepare for leading the High Church worship service they had developed where they served Holy Communion every time they met, including the Wednesday night HIV/AIDS support group. Many of those patients were not sure they would live through the week. They welcomed the reassurance of God's love for them in these services.

One of the highlights of his ministry was to preside over the Baptism of his own grandchildren at the Bering Altar. He also was there when Bering Memorial became the first United Methodist Congregation in the State of Texas to declare itself a Reconciling Congregation. As far as being acceptable, Rev. Sinclair said to the Congregation several times that if he were to create a human race, Reverend Lance Carnal would be his model.

MEMOIRS

CLINTON ROSS HARRIS
MAY 22, 1926 – JANUARY 11, 2018

(Clint, Daddy, Pop, Grandpa Harris, Great Grandpa). Clinton Ross Harris, son of Sterling H. Harris and Thelma Harris Bates, was born in Durham, North Carolina in the shade of Duke University. He had a large, loving family but a difficult childhood and youth. He learned early on the Church would be his foundation and refuge.

Clint was raised with his brother, Don, by his single father, a grandmother and numerous aunts and uncles. He was influenced by the simplicity of his Quaker relatives as well as the formal rituals of the Episcopal Church. Clint's faith journey began at Mt. Bethel UMC. This congregation was organized as a crossroad community church by Nathaniel Harris in the historic village of Bahama, North Carolina and became a Methodist Church in 1780. This heritage is something of which he was quite proud and of which he spoke often.

Clint found his calling as a teenager while attending Wylie P. Mangum High School in Bahama. After a short sojourn at Mars Hill Junior College and a stint as a foreman at Liggett and Myers Tobacco Company he received a diploma from Croft's Secretarial and Accounting School in Durham. He then went on to graduate from Duke University in 1950 with a major in English Literature and a minor in Drama. While there, he was Assistant Director of the Methodist Student Movement for the Board of Education of the North Carolina Conference of the Methodist Church. He then served as Director of Christian Education at the Asbury Methodist Church in Durham.

Before leaving for Texas, Clint married his life-long partner Jeanette Huie in the breathtaking Chapel at Duke University. They were devoted to one another and bonded in faith. Before attending seminary, Clint was an Accountant for the Central Power and Light Company in Jeanette's hometown of Corpus Christi, TX. No longer able to deny his call, Clint resigned his position to attend Perkins School of Theology at Southern Methodist University in Dallas.

After a student pastorate at Wheatland Methodist Church in Dallas, Clint and Jeanette headed south to begin his 48 year career in the Southwest Texas Conference of the United Methodist Church. During these years he touched the lives of many at Staples UMC, Buda UMC, Palacios UMC, Grace UMC in San Antonio, Nixon/Smiley UMC, First UMC Lockhart, and Kingsville UMC. In retirement he served as interim pastor at Alamo UMC in San Antonio as well as Assistant Pastor at Canyon Lake UMC. Over the years Clint was actively involved in numerous Conference committees and community groups such as the Rotary Club, Lions Club, and as a volunteer at the Majestic Theater in San Antonio.

He was devoted to his two sons and daughter and their spouses, six grandchildren, and 10.3 great-grandchildren. Along the way he and Jeanette acquired a foster son and his spouse, his 3 children and a host of other bonus children too numerous to count but know who they are as they have been well loved.

Clint loved life and lived his life well. His legacy to his congregations was building a family in Christ. He made lifelong friends wherever he went. He was loving, a bit of a prankster, a storyteller, sports fan, teacher, pastor, and as Mama said before she died a very raw, untried young man who grew into a devout, devoted, and powerful preacher.

MARY GIBSON SPEER
MARCH 01, 1931 - JUNE 17, 2017

A woman whose faith, intelligence, and courage will be enduring guideposts for those she leaves behind, Mary Gibson Speer escaped her earthly confines on Saturday, June 17, 2017.

Born in Charleston, West Virginia, on March 1, 1931, to parents E. Lacy Gibson and Ruth Martin Gibson, Mary grew up in Gary and Munster, Indiana. She graduated from Denison University in 1953, studied at the University of Chicago Divinity School, and earned a master's degree in religious education from Scarritt College.

At Chicago, she fell in love with a tall Texan, her husband for 62 years, the Rev. Lon A. Speer, who survives her. Other survivors include sister, Carol Worthington (Ned) of Rosemont, CA; son John Speer (Joanne) of Sugar Land, TX; three grandchildren; three step-grandsons; three great-grandchildren; and several nieces and cousins.

Although her urbane, Midwestern upbringing did little to prepare her for it, Mary embraced her role as a small-town, Texas preacher's wife, conforming to expectations when necessary, and expanding them when possible. She gave birth to three children: an unnamed infant boy who lived only two days; Martha Montgomery Speer, who died in 1980 at age 23; and John, her one surviving child.

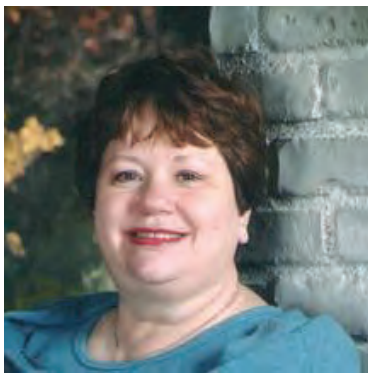

Professionally, Mary served church schools as a pre-school teacher, a director, and a principal. Her favorite appointment was as education director for the International Museum of Art and Science in McAllen, Texas.

Mary loved language. She majored in Spanish in college and was a constant reader of periodicals, fiction, and scripture. She sought out and conquered the most difficult crossword puzzles.

Mary spoke out against injustice and for equality; she was an activist for civil rights, environmental protection, and against war. She believed in the democratic process and gave generously to her favored candidates and causes.

She spent her final weeks saying goodbye to loved ones while offering them a quiet lesson in how to exit with equanimity, dignity, and joyful anticipation of the Creator's embrace.

JACK CARROLL BUSH, SR.

18 DE JUNIO DE 1929 - 26 DE DICIEMBRE DE 2017

Para el Reverendo Dr. Jack Carroll Bush, Sr., su trabajo aquí ya está terminado. Al igual que con todos los clérigos metodistas, ha recibido un nuevo nombramiento y, por fin, ha llegado a su último nombramiento.

Él era conocido por muchos simplemente como "Rev" y nació en Waco, Texas el 18 de junio de 1929, de padres Richard C. Bush y Vivien Evelyn Harris Bush.

Se casó con el amor de su vida, Ruth Louise Kline, en 1950 después de graduarse de la Universidad de Baylor. Su primer trabajo fue como director de la banda de Kerens High School en Kerens, Texas.

Pronto se encontró en el ministerio con su primer nombramiento como ministro asociado en la Primera Iglesia Metodista Unida en Temple, Texas. Después de dos años, su segundo nombramiento lo llevó a la Primera Iglesia Metodista de Maypearl, Texas, donde también asistió a la Escuela de Teología Perkins en la Southwest University. La Primera Iglesia Metodista de Arlington, Texas fue su próximo nombramiento y, mientras estuvo allí, se graduó de Perkins en SMU. El Valle del Río Grande fue la siguiente parada en su lista de nombramientos, donde estableció la Iglesia San Esteban. Esta la combinó con las Primeras Iglesias Metodistas de Combes, Texas y Santa Rosa, Texas. Después de cuatro años en el Valle, la Iglesia Metodista Unida Cokesbury en San Antonio, Texas fue su quinto nombramiento, seguido por el de la Iglesia Metodista Unida St. Matthews durante nueve años, también en San Antonio. El siguiente nombramiento fue en Alamo Heights United Methodist Church. Desde allí se desempeñó como capellán de hospitales en el Hospital Santa Rosa y como Director de Capellanes en el Hospital Metodista en San Antonio durante más de 15 años. Mientras cumplía con este nombramiento, recibió su doctorado en atención pastoral en el Seminario Teológico de San Francisco en San Anselmo, California. Después de más de 15 años en su nombramiento como capellán, fue nombrado miembro de la Primera Iglesia Metodista de Fashing, Texas, donde se jubiló después de trece años.

Jack amaba la música. Tocó la trompeta en la banda de la Universidad de Baylor. Organizó música no solo para banda y orquesta, sino también para coro. La música siempre fue una gran parte de sus iglesias y ministerio. Muchos de sus coros juveniles recorrieron el país en gira. Fue voluntario en Bradley Middle School en San Antonio ayudando y enseñando música y banda. Su amor por la interpretación lo hizo participar en muchas bandas de Big Bands y bandas alemanas.

El Rev. Dr. Bush también fue un experto en teología, a menudo visto con un libro de teología, marcadores y muchos lápices de colores para hacer sus notas copiosas.

Al Reverendo Bush le sobrevive su esposa de 67 años, Ruth. Tienen cinco hijos. Jack Bush, Jr., su esposa Southern, Vivien Smith y su esposo Bohn, Chris Bush y su esposa Shannon, la Dra. Janis K. Bush y su esposo el Dr. John Kaulfus, y Mollie Shannon Lamont. Lance nació en Corpus Christi en 1940. Se casó con Earlene Stine y poco después se graduó de SMU con un Bachelor of Divinity en 1966.

Fue pastor metodista durante varios años, luego se convirtió en oficial de libertad condicional en los años setenta. Trabajó para la construcción de Stokes y tenía un bar en Houston llamado The Other End. Luego, a principios de los años 80, creó Tejas Air, que él dueñó por 35 años. Su nombre fue agregado al Muro de la Tolerancia en noviembre de 2005 por oponerse al odio. Fue miembro por mucho tiempo de Bering Memorial UMC y consideró a la congregación como su familia. Tenía dos hijas, Pam y Michelle, a quienes amaba tanto.

En Bering Memorial, el Rev. Dr. Don Sinclair escribió que Lance llegó allí con una educación teológica y fundó un negocio de aire acondicionado y se hizo activo en Bering Church. Era humilde y talentoso y amaba a la Iglesia Metodista Unida. Él fue altamente informado en teología y adoración wesleyana, especialmente en nuestros dos sacramentos de bautismo y comunión.

Sirvió en Altar Guild y ayudó a prepararse para dirigir el servicio de adoración de la Alta Iglesia que habían desarrollado donde servían la Sagrada Comunión cada vez que se encontraban, incluido el grupo de apoyo de VIH / SIDA de miércoles por la noche. Muchos de esos pacientes no estaban seguros de vivir la semana. Ellos llegaron a conocer la seguridad del amor de Dios por ellos en estos servicios.

Uno de los aspectos más destacados de su ministerio fue presidir el Bautismo de sus propios nietos en el Altar de Bering. También estuvo allí cuando Bering Memorial se convirtió en la primera Congregación Metodista Unida en el Estado de Texas en declararse una Congregación Reconciliadora. En cuanto a ser aceptable, el Reverendo Sinclair le dijo a la congregación en varias ocasiones que si él creara una raza humana, el Reverendo Lance Carnal sería su modelo.

CLINTON ROSS HARRIS**22 DE MAYO DE 1926 - 11 DE ENERO DE 2018**

(Clint, Daddy, Pop, Grandpa Harris, Great Grandpa). Clinton Ross Harris, hijo de Sterling H. Harris y Thelma Harris Bates, nació en Durham, Carolina del Norte a la sombra de la Universidad de Duke. Tenía una gran familia amorosa, pero su infancia y juventud fueron difíciles. Aprendió desde el principio que la Iglesia sería su fundación y refugio.

Clint fue criado con su hermano, Don, por su padre soltero, una abuela y numerosas tías y tíos. Fue influenciado por la simplicidad de sus parientes cuáqueros y por los rituales formales de la Iglesia Episcopal. El viaje de fe de Clint comenzó en Mt. Bethel UMC. Esta congregación fue organizada como una iglesia comunitaria en la encrucijada por Nathaniel Harris en la aldea histórica de Bahama, Carolina del Norte y se convirtió en una Iglesia Metodista en 1780. Este patrimonio es algo de lo que él estaba muy orgulloso y del que habló a menudo.

Clint encontró su vocación cuando era adolescente mientras asistía a Wylie P. Mangum High School en Bahama. Después de una breve estadía en Mars Hill Junior College y un período como jefe en Liggett and Myers Tobacco Company, recibió un diploma de Croft's Secretarial and Accounting School en Durham. Luego se graduó de la Universidad de Duke en 1950 con una especialización en Literatura Inglesa y una especialización en Arte Dramático. Mientras estuvo allí, fue Director Asistente del Movimiento Estudiantil Metodista para la Junta de Educación de la Conferencia de la Iglesia Metodista de Carolina del Norte. Luego se desempeñó como Director de Educación Cristiana en la Iglesia Metodista Asbury en Durham.

Antes de partir a Texas, Clint se casó con su compañera de toda la vida, Jeanette Huie, en la impresionante Capilla de la Universidad de Duke. Se dedicaron el uno al otro y se unieron en la fe. Antes de asistir al seminario, Clint era Contador de la Central Power and Light Company en la ciudad natal de Jeanette, Corpus Christi, TX. Ya no pudo negar su llamado, Clint renunció a su puesto para asistir a la Escuela de Teología Perkins en la Southern Methodist University en Dallas.

Después de un pastorado estudiantil en Wheatland Methodist Church en Dallas, Clint y Jeanette se dirigieron al sur para comenzar su carrera de 48 años en la Conferencia Southwest Texas de la Iglesia Metodista Unida. Durante estos años tocó las vidas de muchos en Staples UMC, Buda UMC, Palacios UMC, Grace UMC en San Antonio, Nixon / Smiley UMC, First UMC Lockhart y Kingsville UMC. En su retiro se desempeñó como pastor interino en Alamo UMC en San Antonio, así como pastor asistente en Canyon Lake UMC. A lo largo de los años, Clint participó activamente en numerosos comités de la Conferencia y grupos comunitarios, como Rotary Club, Lions' Club y como voluntario en el Majestic Theatre de San Antonio.

Fue devoto de sus dos hijos e hija y sus cónyuges, seis nietos y 10,3 bisnietos. A lo largo del camino, él y Jeanette adquirieron un hijo adoptivo y su esposa, sus 3 hijos y una serie de otros niños adoptivos demasiado numerosos para contar, pero que saben quiénes son, ya que fueron todos amados.

Clint amaba la vida y vivió bien su vida. Su legado a sus congregaciones fue construir una familia en Cristo. Hizo amigos para toda la vida a donde iba. Era cariñoso, un poco bromista, un narrador de cuentos, fanático de los deportes, profesor, pastor, y como dijo mamá antes de morir, era un joven sin experiencia, inculto, que se convirtió en un predicador devoto, devoto y poderoso.

Después de jubilarse en México, fue invitado a unirse a la Conferencia de North Alabama como misionero. Sirvió en la iglesia de Albertville, AL en el ministerio hispano y se jubiló cuando tenía 70 años. En ese momento, su esposa se convirtió en ministro de la Iglesia Metodista Unida y se mudaron a San Marcos, Texas, donde continuó apoyando el ministerio de la UMC. .

Rosendo se casó con Esperanza Baltazar-Ramirez en 1969, tuvieron 3 hijos, Laura, Abdías y Joel Sánchez-Baltazar. Rosendo falleció el 11 de septiembre de 2017 en el asilo de presbíteros de Morning Side Ministries en San Antonio.

Él era un hombre simple. Solo pedía sopa de fideo y chilito verde. Viajó ligero, solo empacó uno o dos cambios de ropa. “Yo ‘pa que quero” (para qué lo quiero) fue su frase, un lema que enfatizaba su simplicidad y su actitud de viajar ligero en la vida.

Él también era un apasionado de la educación. Esta pasión lo llevó a establecer 3 escuelas primarias y a trabajar en programas de lectura para niños, adultos y presbíteros. Su mayor pasión fue compartir el Evangelio de Cristo y la salvación que Cristo ofrece a todos de la misma manera, desde taxistas hasta políticos, desde indocumentados hasta maestros. Él nunca perdió la oportunidad de hacerles saber que Jesucristo es el camino, la verdad y la vida. El resultado de esta pasión fueron las 13 iglesias que estableció y los miles de personas impactadas por su servicio.

MARY GIBSON SPEER**1 DE MARZO DE 1931 - 17 DE JUNIO DE 2017**

Una mujer cuya fe, inteligencia y valentía fueron guía permanente para aquellos a quienes deja atrás, Mary Gibson Speer dejó sus confines terrenales el sábado 17 de junio de 2017.

Nacida en Charleston, West Virginia, el 1 de marzo de 1931, hija de sus padres E. Lacy Gibson y Ruth Martin Gibson, Mary creció en Gary y Munster, Indiana. Se graduó de la Universidad de Denison en 1953, estudió en la Escuela de Divinidad de la Universidad de Chicago y obtuvo una maestría en educación religiosa en el Colegio Scarritt.

En Chicago, se enamoró de un texano alto, su esposo durante 62 años, el Reverendo Lon A. Speer, que la sobrevive. Otros sobrevivientes incluyen a su hermana, Carol Worthington (Ned) de Rosemont, CA; hijo John Speer (Joanne) de Sugar Land, TX; tres nietos; tres nietos; tres

bisnietos; y varias sobrinas y primos.

A pesar de que su exclusiva educación del medio oeste fue poco para prepararla, Mary abrazó su papel como la esposa de un predicador de una pequeña ciudad texana, cumpliendo con las expectativas cuando era necesario y ampliándolas cuando era posible. Dio a luz a tres niños: un niño sin nombre que vivió solo dos días; Martha Montgomery Speer, quien murió en 1980 a los 23 años; y John, su único hijo sobreviviente.

Profesionalmente, Mary sirvió en las escuelas de la iglesia como maestra preescolar, directora y principal. Su nombramiento favorito fue como directora de educación en el Museo Internacional de Arte y Ciencia en McAllen, Texas.

Mary amaba el lenguaje. Se especializó en español en la universidad y fue una lectora constante de publicaciones periódicas, ficción y escritura. Ella buscaba y conquistaba los crucigramas más difíciles.

María habló en contra de la injusticia y en pro de la igualdad; ella era una activista por los derechos civiles, la protección del medio ambiente y en contra de la guerra. Creía en el proceso democrático y dio generosamente a sus candidatos y causas favoritos.

Pasó sus últimas semanas despidiéndose de sus seres queridos mientras les ofrecía una lección tranquila sobre cómo sobresalir con ecuanimidad, dignidad y alegre anticipación en el abrazo de su Creador.

2018 STATISTICS

Reflections on Statistics and Ministry
2018 Rio Texas Conference Journal

Rio Texas Conference of the United Methodist Church is in its fourth year of existence. The statistics gathered for our Conference are beginning indicators of our direction. I have used two broad categories of indicators to invite each of us to reflect on how we can grow our ministry in our communities that the Kingdom might be revealed in our midst and God glorified through Jesus Christ.

The two broad indicators are (1) Congregational Vitality: Worship Attendance, Professions of Faith, Baptized Adults, Number of Giving Households and the Grand Total Expenditures Paid by Churches; and (2) Outreach Vitality: Volunteers in Mission (VIM) teams, Participants in VIM Teams, VBS Participants, Served by Outreach, Justice and Mercy Ministries and Persons in Missions.

Congregational Vitality: Baptized Adults increased in 2017 over 2016 and 2015. The other four (4) indicators decreased in 2017 as compared to 2016 and 2015. As these are lagging indicators they tell us that we have yet to build on the strength of our Outreach Vitality that is increasing.

CONGREGATIONAL VITALITY	2017	2016	2015
Worship Attendance	43045	43873	44938
Profession of Faith	1950	2164	2342
Baptized Adults	377	344	348
Numbers of Giving Households	43419	44542	44398
Grand Total Expenditures Paid by Churches	115,796,754	117,723,063	112,828,058

Outreach Vitality: Four (4) indicators increased in 2017 over 2016 and 2015. The only indicator which decreased is VBS Participants. As **leading indicators** these ministries can lead to more community engagement, more evangelistic opportunities and stronger churches and ministry in the long term for Rio Texas Conference churches.

OUTREACH VITALITY	2017	2016	2015
VIM Teams	182	101	82
Participants in VIM	1514	1217	1112
VBS Participants	22489	23260	23294
Served by Outreach, Justice, Mercy Ministries	849,230	660,583	677,004
Persons in Mission	42059	25258	18714

May you prayerfully celebrate the ministry you are doing for Jesus Christ. May you be led by Christ's Spirit into passionate servant ministry connecting people to Jesus as He leads to life in the joy of God's Kingdom.
