

Lydia Patterson Institute

You can make a difference!

Affectionately known as “La Lydia,” LPI has earned a reputation of excellence, placing one hundred percent of the 2017 graduating high school class in colleges and universities.

The current capital funds campaign will extend this tradition of success into the future, renovating, expanding, and upgrading LPI facilities with state-of-the-art technology and infrastructure.

I hope you will join me in giving to ensure that future. Thank you for your prayerful consideration of this effort.

--Bishop Robert Schnase

“Thanks to you, my sister and I are on our way to succesful lives. I shudder to think what our lives would be without Lydia Patterson and the United Methodist Church.”
